(a) If the Administrative Agent reasonably determines (which determination shall be conclusive absent manifest error) that (i) for any reason, adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period and currency with respect to a proposed Eurocurrency Rate Loan, or (ii) is informed by the Required Lenders that the Eurocurrency Rate for any requested Interest Period and currency with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or (iii) that deposits are not being offered to banks in the relevant interbank market for the applicable amount, currency and the Interest Period of such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Parent Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans of such currency shall be suspended and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Parent Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans of such currency or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein (or, in the case of a pending request for a Revolving Credit Loan denominated in an Alternative Currency, the Borrower, the Administrative Agent and the applicable Revolving Credit Lenders may establish a mutually acceptable alternative rate).

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) above have not arisen but either (w) the supervisor for the administrator of the Screen Rate of a currency has made a public statement that the administrator of the Screen Rate of such currency is insolvent (and there is no successor administrator that will continue publication of the Screen Rate of such currency), (x) the administrator of the Screen Rate of a currency has made a public statement identifying a specific date after which the Screen Rate of such currency will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the Screen Rate of such currency), (y) the supervisor for the administrator of the Screen Rate of a currency has made a public statement identifying a specific date after which the Screen Rate of such currency will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the Screen Rate of a currency or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Screen Rate of such currency may no longer be used for determining interest rates for loans, then the Administrative Agent and the Parent Borrower shall endeavor to establish an alternate rate of interest of to the Eurocurrency Rate for such currency that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States of such currency at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest for such currency and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Rate); provided that, if such alternate rate of interest for such currency as so determined would be less than zero (or for Initial Term Loans, 1.00%), such rate shall be deemed to be zero (or for Initial Term Loans, 1.00%) for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 10.01, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest for such currency is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (b) for such currency (but, in the case of the circumstances

described in clause (ii) of the first sentence of this Section 3.04(b), only to the extent the Screen Rate for the applicable currency and such Interest Period is not available or published at such time on a current basis), (x) any Committed Loan Notice that requests the conversion of any Revolving Credit Borrowing to, or continuation of any Revolving Credit Borrowing as, a Eurocurrency Rate Borrowing of such currency shall be ineffective and (y) if any Committed Loan Notice requests a Revolving Credit Borrowing of such currency, such Borrowing shall be made as a Base Rate Borrowing.

Section 3.05 Increased Cost and Reduced Return; Capital Adequacy and Liquidity Requirements

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the date hereof, or such Lender's compliance therewith, there shall be any material increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan the interest on which is determined by reference to the Eurocurrency Rate or (as the case may be) issuing or participating in Letters of Credit, or a material reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including Taxes on or in respect of its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, but excluding for purposes of this Section 3.05(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes indemnifiable under Section 3.01 and (ii) Excluded Taxes), then within 15 days after demand of such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrowers shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that the introduction of any Law regarding capital adequacy and liquidity requirements or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of materially reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and liquidity and such Lender's desired return on capital), then within 15 days after demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrowers shall pay to such Lender such additional amounts as will compensate such Lender for such reduction.

(c) The Borrowers shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves or liquidity with respect to liabilities or assets consisting of or including Eurocurrency Rate funds or deposits, additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves or liquidity allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any liquidity requirement, reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; provided the Parent Borrower shall have received at least 15 days' prior written notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give written notice fifteen days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable 15 days from receipt of such written notice.

(d) For purposes of this Section 3.05, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities (other than foreign regulatory authorities in Switzerland), in each case pursuant to Basel III, shall, in each case, be deemed to have gone into effect after the date hereof, regardless of the date enacted, adopted or issued.

Section 3.06 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, setting forth in reasonable detail the basis for calculating such compensation, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

- (a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);
- (b) any failure by the Borrowers (for a reason other than the failure of such Lender to make a Loan or pursuant to a conditional notice) to prepay, borrow, continue or convert any Eurocurrency Rate Loan on the date or in the amount notified by the Parent Borrower;
- (c) any failure by the Borrowers to make payment of any Loan or drawing under any Letter of Credit (or interest due thereon) denominated in an Alternative Currency on its scheduled due date or any payment of any Loan or drawing under any Letter of Credit (or interest due thereon) in a different currency from such Loan or Letter of Credit drawing; or
- (d) any mandatory assignment of such Lender's Eurocurrency Rate Loans pursuant to Section 3.08 on a day other than the last day of the Interest Period for such Loans,

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained (but excluding anticipated profits). The Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

Section 3.07 Matters Applicable to All Requests for Compensation.

(a) A certificate of any Agent or any Lender claiming compensation under this Article III and setting forth in reasonable detail a calculation of the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods. With respect to any Lender's claim for compensation under Section 3.03, 3.04 or 3.05, the Loan Parties shall not be required to compensate such Lender for any amount incurred more than 180 days prior to the date that such Lender notifies the Parent Borrower of the event that gives rise to such claim; provided that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If any Lender requests compensation under Section 3.05, or the Borrowers are required to pay any additional amount to any Lender, any L/C Issuer, or any Governmental Authority for the account of any Lender or any L/C Issuer pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.03, then such Lender or the L/C Issuer, as applicable, will, if requested by the Parent Borrower and at the Borrowers' expense, use commercially reasonable efforts to designate another Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as applicable, in the future and (ii) would not, in the judgment of such Lender or such L/C Issuer, as applicable, be inconsistent with the internal policies of, or otherwise be disadvantageous in any material legal, economic or regulatory respect to such Lender or its Lending Office or such L/C Issuer. The provisions of this clause (b) shall not affect or postpone any Obligations of the Borrowers or rights of such Lender pursuant to Section 3.05.

(c) If any Lender requests compensation by the Borrowers under Section 3.05, the Parent Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another Eurocurrency Rate Loans, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.07(e) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(d) If the obligation of any Lender to make or continue from one Interest Period to another any Eurocurrency Rate Loan, or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.07(c) hereof, such Lender's Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of an immediate conversion required by Section 3.03, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(e) If any Lender gives notice to the Parent Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to the conversion of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.07 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

(f) A Lender shall not be entitled to any compensation pursuant to the foregoing sections to the extent such Lender is not imposing such charges or requesting such compensation from borrowers (similarly situated to the Borrowers hereunder) under comparable syndicated credit facilities.

#### Section 3.08 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) the Borrowers become obligated to pay additional amounts or indemnity payments described in Section 3.01 or 3.05 (other than with respect to Other Taxes) as a result of any condition described in such Sections or any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.03 or 3.04, (ii) any Lender becomes a Defaulting Lender or (iii) any Lender becomes a Non-Consenting Lender (as defined below in this Section 3.08) (collectively, a "Replaceable Lender"), then the Parent Borrower may, on written notice from the Parent Borrower to the Administrative Agent and such Lender, either (i) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Borrowers in such instance unless waived by the Administrative Agent) all of its rights and obligations under this Agreement (or, in the case of a Non-Consenting Lender, all of its rights and obligations under this Agreement with respect to the Facility or Facilities for which its consent is required) to one or more Eligible Assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrowers to find a replacement Lender or other such Person or (ii) so long as no Default or Event of Default shall have occurred and be continuing, terminate the Commitment of such Lender or L/C Issuer, as the case may be, and (1) in the case of a Lender (other than an L/C Issuer), repay all Obligations of the Borrowers owing (and the amount of all accrued interest and fees in respect thereof) to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the case of an L/C Issuer, repay all obligations of the Borrowers owing to such L/C Issuer relating to the Loans and participations held by such L/C Issuer as of such termination date and cancel or backstop on terms satisfactory to such L/C Issuer any Letters of Credit issued by it; provided that (i) in the case of any such replacement of, or termination of Commitments with respect to a Non-Consenting Lender such replacement or termination shall be sufficient (together with all other consenting Lenders including any other replacement Lender) to cause the adoption of the applicable modification, waiver or amendment of the Loan Documents and (ii) in the case of any such replacement as a result of the Borrowers having become obligated to pay amounts described in Section 3.01 or 3.05, such replacement would

eliminate or reduce payments pursuant to Section 3.01 or 3.05, as applicable, in the future. Any Lender being replaced pursuant to this Section 3.08(a) (i) need not be a party to an Assignment and Assumption in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto and (ii) shall deliver any Notes evidencing such Loans to the Borrowers (for return to the Borrower) or the Administrative Agent. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations, (B) all Obligations relating to the Loans and participations (and the amount of all accrued interest, fees and premiums in respect thereof) so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such assignment and assumption and (C) upon such payment and, if so requested by the assignee Lender, the assigning Lender shall deliver to the assignee Lender the applicable Note or Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender. In connection with any such replacement, if any such Replaceable Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within two Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such Replaceable Lender, then such Replaceable Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Replaceable Lender. In connection with the replacement of any Lender pursuant to this Section 3.08(a), the Borrowers shall pay to such Lender such amounts as may be required pursuant to Section 3.06.

(b) Notwithstanding anything to the contrary contained above, (i) any Lender that acts as an L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer or the depositing of Cash Collateral into a cash collateral account in amounts and pursuant to arrangements consistent with the requirements of Section 2.16) have been made with respect to such outstanding Letter of Credit and (ii) the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(c) In the event that (i) the Parent Borrower or the Administrative Agent has requested the Lenders to consent to a waiver of any provisions of the Loan Documents or to agree to any amendment or other modification thereto, (ii) the waiver, amendment or modification in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain class of the Loans and (iii) the Required Lenders have agreed to such waiver, amendment or modification, then any Lender who does not agree to such waiver, amendment or modification, in each case, shall be deemed a "Non-Consenting Lender"; provided, that the term "Non-Consenting Lender" shall also include any Lender that rejects (or is deemed to reject) (x) a loan modification offer under Section 10.01, which loan modification has been accepted by at least the Majority Lenders of the respective Tranche of Loans whose Loans and/or Commitments are to be extended pursuant to such loan modification and (y) any Lender that does not elect to become a lender in respect of any Specified Refinancing Debt pursuant to Section 2.18. For the avoidance of doubt, if any applicable Lender shall be deemed a Non-Consenting Lender and is required to assign all or any portion of its Initial Term Loans or its Initial Term Loans are prepaid by the Borrowers, pursuant to Section 3.08(a) on or prior to the date that is 12 months after the Closing Date in connection with any such waiver, amendment or modification constituting a Repricing Event, the Borrowers shall pay such Non-Consenting Lender a fee equal to 1.00% of the principal amount of the Initial Term Loans so assigned or prepaid.

(d) Survival. All of the Loan Parties' obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder, any assignment by or replacement of a Lender and any resignation or removal of the Administrative Agent.

#### ARTICLE IV.

##### Conditions Precedent to Credit Extensions

Section 4.01 Conditions to the Initial Credit Extension on the Closing Date The obligation of each

Lender to make its initial Credit Extension hereunder on the Closing Date is subject to satisfaction or due waiver in accordance with Section 10.01 of each of the following conditions precedent, except as otherwise agreed between the Parent Borrower and the Administrative Agent:

(a) The Administrative Agent shall have received all of the following, each of which shall be originals or facsimiles or "pdf" files (followed promptly by originals) unless otherwise specified, each properly executed by a Responsible Officer of the signing Loan Party, each dated as of the Closing Date (or, in the case of certificates of governmental officials, as of a recent date before the Closing Date), each in form and substance reasonably satisfactory to the Administrative Agent, and each accompanied by their respective required schedules and other attachments (and set forth thereon shall be all required information with respect to Holdings and its Subsidiaries, giving effect to the Transactions):

(2) copies of proper financing statements, filed or duly prepared for filing under the Uniform Commercial Code in all United States jurisdictions that the Administrative Agent may deem reasonably necessary in order to perfect and protect the Liens on assets of Holdings, each Borrower and each Subsidiary Guarantor created under the Security Agreement, covering the Collateral described in the Security Agreement, and

(3) evidence that all other actions, recordings and filings of or with respect to the Security Agreement that the Administrative Agent may deem reasonably necessary or desirable in order to perfect and protect the Liens created thereby (subject to the Perfection Exceptions) shall have been taken, completed or otherwise provided for in a manner reasonably satisfactory to the Administrative Agent (including receipt of duly executed payoff letters, customary lien searches and UCC-3 termination statements);

(iv) an Intellectual Property Security Agreement, duly executed by each Loan Party that owns intellectual property (and, to the extent applicable, is the exclusive licensee of registered copyrights) that is required to be pledged in accordance with the Security Agreement;

(vi) a Committed Loan Notice and a Letter of Credit Application, if applicable, in each case relating to the initial Credit Extension;

(vii) a solvency certificate executed by the chief financial officer or similar officer, director or authorized signatory of the Parent Borrower (after giving effect to the Transactions) substantially in the form attached hereto as Exhibit I.

(viii) such documents and certifications (including Organization Documents and, if applicable, good standing certificates) as the Administrative Agent may reasonably require to evidence (A) the identity, authority and capacity of each Responsible Officer of the Loan Parties acting as such in connection with this Agreement and the other Loan Documents and (B) that Holdings, each Borrower and each Subsidiary Guarantor is duly organized or formed, and that each of them is validly existing and, to the extent applicable, in good standing, except to the extent that failure to be so qualified could not reasonably be expected to have a Material Adverse Effect; and

(ix) an opinion of Kirkland & Ellis LLP, special New York and California counsel to Holdings, the Borrowers and the Subsidiary Guarantors, addressed to each Secured Party, in form and substance reasonably satisfactory to the Administrative Agent.

(b) The Arrangers and the Administrative Agent shall have received (i) audited consolidated balance sheets and the related consolidated statements of income and cash flows of the Parent Borrower as of and for the fiscal year ended December 31, 2017 and (ii) unaudited condensed consolidated balance sheets and the related consolidated statements of income of the Parent Borrower as of the end of and for the three month period ended March 31, 2018 and as of and for any fiscal quarter (other than the fourth fiscal quarter) ended at least 45 days prior to the Closing Date.

(c) The Arrangers and the Administrative Agent shall have received a pro forma consolidated balance sheet and related pro forma consolidated statement of income of the Parent Borrower or a direct or indirect parent of the Parent Borrower and its Subsidiaries as of and for the twelve-month period ending on March 31, 2018, prepared so as to give effect to the Transactions as if the Transactions had occurred as of such date (in the case of such balance sheet) or as if the Transactions had occurred at the beginning of such period (in the case of such other financial statements), which need not be prepared in compliance with Regulation S-X, or include adjustments for purchase accounting.

(d) (i) Holdings and the Borrowers shall have provided the documentation and other information reasonably requested in writing at least ten days prior to the Closing Date by the Arrangers as they reasonably determine is required by regulatory authorities under applicable “know your customer” and anti-money-laundering rules and regulations, including, without limitation, the PATRIOT Act, in each case at least three business days prior to the Closing Date (or such shorter period as the Administrative Agent shall otherwise agree) and (ii) to the extent any Borrower qualifies as a “legal entity customer” under the Beneficial Ownership Regulation, at least five days prior to the Closing Date, any Lender that has requested, in a written notice to the Parent Borrower at least 10 days prior to the Closing Date, a Beneficial Ownership Certification in relation to the Borrowers shall have received such Beneficial Ownership Certification (provided that, upon the execution and delivery by such Lender of its signature page to this Agreement, the condition set forth in this clause (ii) shall be deemed to be satisfied).

(e) The Second Lien Facility Documentation required by the terms of the Second Lien Credit Agreement and the First Lien/Second Lien Intercreditor Agreement shall have been duly executed and delivered by each Loan Party thereto to the Second Lien Administrative Agent and shall be in full force and effect, and substantially contemporaneously with the funding of the Facilities, the Second Lien Facility shall be funded.

(f) (i) the Refinancing shall have been, or shall concurrently with the initial funding of the Facilities be, consummated.

(ii) All fees required to be paid on the Closing Date pursuant to this Agreement, the Fee Letter and any other arrangements with the Administrative Agent or the Arrangers and reasonable out-of-pocket expenses required to be paid on the Closing Date pursuant to any other written agreement with the Arrangers, to the extent invoiced at least three Business Days prior to the Closing Date (or such later date as the Parent Borrower may reasonably agree) shall have been paid (which amounts may be offset against the proceeds of the Initial Term Loans at the Parent Borrower’s election).

Without limiting the generality of the provisions of Section 9.03, for purposes of determining compliance with the conditions specified in this Section 4.01, each Lender as of the Closing Date shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required hereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received written notice from such Lender prior to the Closing Date specifying its objection thereto.

Notwithstanding anything herein to the contrary, it is understood that, other than with respect to (a) the execution and delivery by Holdings and the Borrowers of the Security Agreement and the Intellectual Property Security Agreement and (b) UCC Filing Collateral or Stock Certificates (each as defined below), to the extent any Lien on any Collateral is not or cannot be provided and/or perfected on the Closing Date after Holdings' and the Borrowers' use of commercially reasonable efforts to do so or without undue burden or expense, the provision and/or perfection of a Lien on such Collateral shall not constitute a condition precedent for purposes of this Section 4.01, but instead shall be required to be perfected after the Closing Date in accordance with Section 6.16; provided that Holdings and the Borrowers shall have delivered all Stock Certificates. For purposes of this paragraph, "UCC Filing Collateral" means Collateral, including Collateral constituting investment property, for which a security interest can be perfected by filing a UCC-1 financing statement. "Stock Certificates" means certificates representing Capital Stock of each Borrower and the wholly owned Domestic Subsidiaries of the Loan Parties (other than Immaterial Subsidiaries) (provided that Holdings and the Borrowers shall not be required to deliver Stock Certificates constituting Excluded Property) for which a security interest can be perfected by delivering such certificates, together with undated stock powers or other appropriate instruments of transfer executed in blank for each such certificate.

Section 4.02 Conditions to All Credit Extensions. The obligation of each Lender to honor any Request for Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type, or a continuation of Eurocurrency Rate Loans) is subject to the following conditions precedent:

(a) Subject in the case of any Borrowing in connection with a New Loan Commitment to the provisions in Section 1.02(i), the representations and warranties of the Borrowers and each other Loan Party contained in Article V or any other Loan Document shall be true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality) on and as of the date of such Credit Extension, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality) as of such earlier date, and except that for purposes of this Section 4.02, the representations and warranties contained in Sections 5.05(a) and 5.05(b) shall be deemed to refer to the most recent financial statements furnished pursuant to Section 6.01(a) and (b), respectively, prior to such proposed Credit Extension.

(b) Subject in the case of any Borrowing in connection with a New Loan Commitment to the provisions in Section 1.02(i), no Default or Event of Default shall exist, or would result from such proposed Credit Extension or from the application of the proceeds therefrom.

(c) The Administrative Agent and, if applicable, the applicable L/C Issuer shall have received a Request for Credit Extension in accordance with the requirements hereof.

Each Request for a Credit Extension (other than a Committed Loan Notice requesting only a conversion of Loans to the other Type or a continuation of Eurocurrency Rate Loans) submitted by the Parent Borrower shall be deemed to be a representation and warranty that the conditions specified in Sections 4.02(a) and (b) have been satisfied (unless waived) on and as of the date of the applicable Credit Extension.

#### ARTICLE V. Representations and Warranties

Each of Holdings (with respect to Sections 5.01, 5.02, 5.03, 5.04, 5.08, 5.12, 5.13, 5.14, 5.18, 5.19 and 5.20) and the Borrowers represent and warrant to the Administrative Agent, Collateral Agent and the Lenders that:

Section 5.01 Existence, Qualification and Power; Compliance with Laws. Each Loan Party and each of the Subsidiaries (subject, in the case of clause (c), to Section 5.03) (a) is a Person duly organized, formed or incorporated, validly existing and in good standing (to the extent such concept is applicable in the relevant jurisdiction) under the Laws of the jurisdiction of its incorporation or organization, (b) has all requisite power and authority to (i) own or lease its assets and carry on its business and (ii) execute, deliver and perform its obligations under the Loan Documents to which it is a party, (c) is duly qualified and is authorized to do business and in good standing (to the extent such concept is applicable in the relevant jurisdiction) under the Laws of each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification and (d) has all requisite governmental licenses, authorizations, consents and approvals to operate its business as currently conducted; except in each case referred to in clause (b)(i), (c) and (d), to the extent that any failure to be so or to have such could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 5.02 Authorization; No Contravention. The execution, delivery and performance by each Loan Party of each Loan Document to which such Person is or is to be a party, are within such Loan Party's corporate or other powers, have been duly authorized by all necessary corporate or other organizational action and do not (a) contravene the terms of any of such Person's Organization Documents or (b) violate any Law; except to the extent that such violation under clause (b) could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 5.03 Governmental Authorization; Other Consents. (g) make Restricted Payments to any direct or indirect parent of the Parent Borrower to finance, or to any direct or indirect parent of the Parent Borrower for the purpose of paying to any other direct or indirect parent of the Parent Borrower to finance, any Investment that, if consummated by the Parent Borrower or any of its Subsidiaries, would be a Permitted Investment; provided that (a) such Restricted Payment is made substantially concurrently with the closing of such Investment and (b) promptly following the closing thereof, such direct or indirect parent of the Borrowers causes (i) all property acquired (whether assets or Equity Interests) to be contributed to the Parent Borrower or any Subsidiary or (ii) the merger, consolidation or amalgamation (to the extent permitted by Section 7.03) of the Person formed or acquired into the Parent Borrower or any Subsidiary in order to consummate such acquisition or Investment, in each case, in accordance with the requirements of Section 6.12;

(15) (i) repurchases of Equity Interests deemed to occur upon exercise of stock options or warrants if such Equity Interests represent a portion of the exercise price of such options or warrants, (ii) payments made or expected to be made by the Parent Borrower or any Subsidiary in respect of withholding or similar taxes payable or expected to be payable by any future, present or former director, officer, employee, manager, consultant or independent contractor of the Parent Borrower or any direct or indirect parent of the Parent Borrower or any Subsidiary of the Parent Borrower (or their respective Affiliates, estates or immediate family members) in connection with the exercise of stock options or the grant, vesting or delivery of Equity Interests and (iii) loans or advances to officers, directors, employees, managers, consultants and independent contractors of the Parent Borrower or any direct or indirect parent of the Parent Borrower or any Subsidiary of the Parent Borrower in connection with such Person's purchase of Equity Interests of the Parent Borrower or any direct or indirect parent of the Parent Borrower; provided that no cash is actually advanced pursuant to this clause (iii) other than to pay taxes due in connection with such purchase, unless immediately repaid;

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clause (11), no Event of Default shall have occurred and be continuing or would occur as a consequence thereof. For purposes of clauses (13) and (14) above, taxes shall include all interest and penalties with respect thereto and all additions thereto.

The Parent Borrower will not, and will not permit any of its Subsidiaries to, directly or indirectly, amend, modify or change any term or condition of any Junior Financing Document equal to or greater than the Threshold Amount or the Second Lien Facility Documentation in any manner that is, taken as a whole, materially adverse to the interests of the Administrative Agent or the Lenders.

For purposes of this Section 7.05, if any Restricted Payment (or a portion thereof) would be permitted pursuant to one or more provisions described above, the Parent Borrower may divide and classify such Restricted Payment (or a portion thereof) in any manner that complies with this Section 7.05 and may later divide and reclassify any such Restricted Payment so long as the Restricted Payment (as so divided and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification.

Section 7.06 Burdensome Agreements.

Permit any of its Subsidiaries to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Subsidiary to:

However, the preceding restrictions will not apply to encumbrances or restrictions existing under or by reason of:

- (5) customary encumbrances or restrictions contained in contracts or agreements for the sale of assets applicable to such assets pending consummation of such sale, including customary restrictions with respect to a Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of Capital Stock or assets of such Subsidiary;
- (6) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(7) customary provisions in operating or other similar agreements, asset sale agreements and stock sale agreements entered into in connection with the entering into of such transaction, which limitation is applicable only to the assets that are the subject of those agreements;

(8) purchase money obligations for property acquired and Capitalized Lease Obligations, to the extent such obligations impose restrictions of the nature discussed in clauses (c) or (d) in the first paragraph of this Section 7.06 on the property so acquired;

(9) customary provisions contained in leases, sub-leases, licenses, sublicenses, contracts and other similar agreements entered into in the ordinary course of business to the extent such obligations impose restrictions of the type described in clauses (c) or (d) in the first paragraph of this Section 7.06 on the property subject to such lease;

(10) any encumbrance or restriction effected in connection with a Qualified Receivables Factoring or Qualified Receivables Financing that, in the good faith determination of the Borrower, are necessary or advisable to effect such Qualified Receivables Factoring or Qualified Receivables Financing, as applicable;

(11) any encumbrance or restriction contained in other Indebtedness, Disqualified Stock or Preferred Stock of any Borrower or any Subsidiary that is incurred subsequent to the Closing Date pursuant to Section 7.01, provided that (i) such encumbrances and restrictions contained in any agreement or instrument will not materially affect the Borrowers' ability to make anticipated principal or interest payments under this Agreement (as determined by the Parent Borrower in good faith) or (ii) such encumbrances and restrictions contained in any agreement or instrument taken as a whole are not materially less favorable to the Lenders than the encumbrances and restrictions contained in this Agreement (as determined by the Parent Borrower in good faith);

(12) any encumbrance or restriction contained in secured Indebtedness otherwise permitted to be incurred pursuant to Sections 7.01 and 7.02 to the extent limiting the right of the debtor to dispose of the assets securing such Indebtedness;

(13) any encumbrance or restriction arising or agreed to in the ordinary course of business, not relating to any Indebtedness, and that do not, individually or in the aggregate, (x) detract from the value of the property or assets of the Borrowers or any Subsidiary in any manner material to the Borrowers or any Subsidiary or (y) materially affect the Borrowers' ability to make future principal or interest payments under this Agreement, in each case, as determined by the Parent Borrower in good faith;

(14) customary provisions in joint venture agreements or arrangements and other similar agreements or arrangements relating solely to the applicable joint venture; and

(15) any encumbrances or restrictions of the type referred to in Section 7.06(a), (b), (c) and (d) imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (14) above; provided that such encumbrances and restrictions contained in any such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing are, in the good faith judgment of the Parent Borrower, not materially more restrictive, taken as a whole, than the encumbrances and restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 7.06, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to a Borrower or a Subsidiary to other Indebtedness Incurred by such Borrower or any such Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

Section 7.07 Accounting Changes. Make any change in fiscal year; provided, however, that the Parent Borrower or Holdings may, upon written notice to the Administrative Agent, change its fiscal year to any other fiscal year reasonably acceptable to the Administrative Agent, in which case, the Parent Borrower and the Administrative Agent will, and are hereby authorized by the Lenders to, make any amendments to this Agreement that are necessary, in the judgment of the Administrative Agent and the Parent Borrower or Holdings, as applicable, to reflect such change in fiscal year.

Section 7.08 Financial Covenant. As of the end of each fiscal quarter of the Parent Borrower (commencing with the first full fiscal quarter ending after the Closing Date) and so long as the aggregate amount of L/C Obligations and Revolving Credit Loans outstanding as of the end of such fiscal quarter (excluding (i) Cash Collateralized Letters of Credit and (ii) L/C Obligations in an aggregate amount not in excess of \$3,750,000 at any time outstanding) exceeds 35.0% of the aggregate amount of all Revolving Credit Commitments in effect as of such date, permit the Consolidated First Lien Net Leverage Ratio as of the end of such fiscal quarter of the Parent Borrower to be greater than 7.50 to 1.00 (the "Financial Covenant").

Section 7.09 Holding Company. ARTICLE VIII.

(d) Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by or on behalf of the Parent Borrower or any other Loan Party herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be incorrect or misleading in any material respect (or in any respect if any such representation or warranty is already qualified by materiality) when made or deemed made and, to the extent capable of being cured, such incorrect representation, warranty, certification or statement of fact shall remain incorrect for a period of thirty (30) days; or

( e ) Cross-Default. Any Loan Party or any Subsidiary (A) fails to make any payment beyond the applicable grace period with respect thereto, if any (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness (other than Indebtedness hereunder and intercompany Indebtedness) having an aggregate outstanding principal amount equal to or greater than the Threshold Amount or (B) fails to observe or perform any other agreement or condition relating to any such Indebtedness, or any other event occurs, the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) after the expiration of any applicable grace or cure period therefor to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, in each case, prior to its stated maturity; provided that this clause (e)(B) shall not apply to (x) secured Indebtedness that becomes due as a result of the sale or transfer or other Disposition (including a Casualty Event) of the property or assets securing such Indebtedness permitted hereunder and under the documents providing for such Indebtedness and such Indebtedness is repaid when required under the documents providing for such Indebtedness, (y) events of default, termination events or any other similar event under the documents governing Swap Contracts for so long as such event of default, termination event or other similar event does not result in the occurrence of an early termination date or any acceleration or prepayment of any amounts or other Indebtedness payable thereunder or (z) Indebtedness that upon the happening of any such default or event automatically converts into Equity Interests (other than Disqualified Stock or, in the case of a Subsidiary, Disqualified Stock or Preferred Stock) in accordance with its terms; or

( f ) Insolvency Proceedings, Etc. Any Loan Party or any Subsidiary (other than an Immaterial Subsidiary) institutes or consents to the institution of any proceeding under any Debtor Relief Law, a winding-up, an administration, a dissolution, or a composition or makes an assignment for the benefit of creditors or any other action is commenced (by way of voluntary arrangement, scheme of arrangement or otherwise); or appoints, applies for or consents to the appointment of any receiver, administrator, administrative receiver, trustee, custodian, conservator, liquidator, rehabilitator, judicial manager, provisional liquidator, administrator, receiver and manager, controller, monitor or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, judicial manager, provisional liquidator, administrator, administrative receiver, receiver and manager, controller, monitor or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for 60 days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or substantially all of its property is instituted without the consent of such Person and continues undismissed or unstayed for 60 days, or an order for relief is entered in any such proceeding; or

( g ) Inability to Pay Debts; Attachment. (i) Any Loan Party or any Subsidiary (other than any Immaterial Subsidiary) becomes unable or admits in writing its inability or fails generally to pay its debts as they become due or suspends making payments or enters into a moratorium or standstill arrangement in relation to its Indebtedness or is taken to have failed to comply with a statutory demand (or otherwise be presumed to be insolvent by applicable Law) or (ii) any writ or warrant of attachment or execution or similar process is issued, commenced or levied against all or substantially all of the property of any such Person and is not released, vacated or fully bonded within 60 days after its issue, commencement or levy, or any analogous procedure or step is taken in any jurisdiction; or

( h ) Judgments. There is entered against any Loan Party or any Subsidiary a final judgment or order for the payment of money in an aggregate amount (as to all such judgments and orders) equal to or greater than the Threshold Amount (to the extent not paid and not covered by (i) independent third-party insurance as to which the insurer has been notified of such judgment or order and does not deny coverage or (ii) an enforceable indemnity to the extent that such Loan Party or Subsidiary shall have made a claim for indemnification and the applicable indemnifying party shall not have disputed such claim) and there is a period of 60 consecutive days during which a stay of enforcement of such judgment, by reason of a pending appeal or otherwise, is not in effect; or

( j ) Invalidity of Certain Loan Documents. Any material provision of any Collateral Document, any Guaranty, the Intercompany Subordination Agreement and/or any intercreditor agreement (including, for the avoidance of doubt, the First Lien/Second Lien Intercreditor Agreement) required to be entered into pursuant to the terms of this Agreement (in each case, subject to the Perfection Exceptions), at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.03 or Section 7.04) or terminating the Aggregate Commitments and satisfaction in full of all the Obligations (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) ceases to be in full force and effect (except that any such failure to be in full force and effect with respect to the documents referred to in clause (vii) of the definition of "Loan Documents" shall constitute an Event of Default only if

the Parent Borrower receives notice thereof and the Parent Borrower fails to remedy the relevant failure in all material respects within 15 days of receiving said notice); or any Loan Party contests in writing the validity or enforceability of any provision of this Agreement, any Collateral Document, any Guaranty, the Intercompany Subordination Agreement and/or any intercreditor agreement (including, for the avoidance of doubt, the First Lien/Second Lien Intercreditor Agreement) required to be entered into pursuant to the terms of this Agreement; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a result of repayment in full of the Obligations (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Loan Document or the perfected first priority Liens created thereby (except as otherwise expressly provided in this Agreement or the Collateral Documents); or

- (k) Change of Control. There occurs any Change of Control.

Section 8.02 Remedies Upon Event of Default. If any Event of Default occurs and is continuing (including any Event of Default arising by virtue of the termination and declaration contemplated by the proviso to Section 8.01(b)), the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders (and, if a Financial Covenant Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Revolving Lenders only, and in such case, without limiting the proviso to Section 8.01(b), only with respect to the Revolving Credit Facility and any Letters of Credit, L/C Credit Extensions and L/C Obligations), take any or all of the following actions:

- (a) declare the commitment of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;
- (b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;
- (c) require that the Borrowers Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and
- (d) exercise on behalf of itself, the L/C Issuers and the Lenders all rights and remedies available to it, the L/C Issuers and the Lenders under the Loan Documents, under any document evidencing Indebtedness in respect of which the Facilities have been designated as "Designated Senior Debt" (or any comparable term) and/or under applicable Law;

provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrowers under any Debtor Relief Law, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Borrowers to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Right to Cure.

- (a) Notwithstanding anything to the contrary contained in Section 8.01 or 8.02, in the event that the Parent Borrower fails to comply with the requirements of the Financial Covenant at any time when the Parent Borrower is required to comply with such Financial Covenant pursuant to the terms thereof, then (A) from the end of the most recently ended fiscal quarter of the Parent Borrower until the expiration of the fifteenth Business Day subsequent to the date the relevant Compliance Certificate is required to be delivered pursuant to Section 6.02(b) (the last day of such period being the "Anticipated Cure Deadline"), Holdings shall have the right (the "Cure Right")

to issue common Capital Stock (or preferred equity reasonably acceptable to the Administrative Agent) for cash and contribute the proceeds therefrom in the form of common Capital Stock or in another form reasonably acceptable to the Administrative Agent to the Parent Borrower or obtain a contribution to its equity (which shall be in the form of common equity or otherwise in a form reasonably acceptable to the Administrative Agent) ("Cure Equity"), and upon the receipt by the Parent Borrower of such cash (the "Cure Amount"), pursuant to the exercise by the Parent Borrower of such Cure Right, the calculation of Consolidated EBITDA as used in the Financial Covenant shall be recalculated giving effect to the following pro forma adjustments:

(i) Consolidated EBITDA for such fiscal quarter (and for any subsequent period that includes such fiscal quarter) shall be increased, solely for the purpose of measuring the Financial Covenant and not for any other purpose under this Agreement (including but not limited to determining the availability or amount of any covenant baskets or carve-outs (including the determination of amounts available under Section 7.05) or determining the Applicable Commitment Fee or Applicable Rate, provided that, in determining the Applicable Commitment Fee or the Applicable Rate, effect shall be given to the relevant Cure Amount for purposes of clause (y) in the respective definitions thereof, such that no Event of Default shall be deemed to have occurred and be continuing), by an amount equal to the Cure Amount; provided that (1) the receipt by the Parent Borrower of the Cure Amount pursuant to the Cure Right shall be deemed to have no other effect whatsoever under this Agreement (including but not limited to determining the availability or amount of any covenant baskets or carve-outs or determining the Applicable Commitment Fee or Applicable Rate, provided that, in determining the Applicable Commitment Fee or the Applicable Rate, effect shall be given to the relevant Cure Amount for purposes of clause (y) in the respective definitions thereof, such that no Event of Default shall be deemed to have occurred and be continuing) and (2) no Cure Amount shall reduce Indebtedness on a Pro Forma Basis for the applicable period for purposes of calculating the Financial Covenant or calculating the Consolidated First Lien Net Leverage Ratio, the Consolidated Senior Secured Net Leverage Ratio or the Consolidated Total Net Leverage Ratio, nor shall any Cure Amount held by any Borrower Party qualify as "unrestricted cash or Cash Equivalents of the Borrower Parties" for the purposes of calculating any net obligations or liabilities under the terms of this Agreement; and

(ii) if, after giving effect to the foregoing recalculations, the Parent Borrower shall then be in compliance with the requirements of the Financial Covenant, the Parent Borrower shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Covenant that had occurred (and any other Default as a result thereof, including the failure to meet any condition requiring no Default or Event of Default based solely on the basis of any actual or purported Event of Default under the Financial Covenant) shall be deemed cured for the purposes of this Agreement; and

(iii) upon receipt by the Administrative Agent of written notice, on or prior to the Anticipated Cure Deadline, that the Parent Borrower intends to exercise the Cure Right in respect of a fiscal quarter, the Lenders (i) shall not be permitted to accelerate Loans held by them, to terminate the Revolving Credit Commitments held by them or to exercise remedies against the Collateral on the basis of a failure to comply with the requirements of the Financial Covenant, unless such failure is not cured pursuant to the exercise of the Cure Right on or prior to the Anticipated Cure Deadline and (ii) shall not be obligated to make any Credit Extension under the Revolving Credit Facility until such Cure Amount has been received by the Parent Borrower.

(b) Notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal-quarter period there shall be at least two fiscal quarters in respect of which the Cure Right is not exercised, (ii) there can be no more than five fiscal quarters in respect of which the Cure Right is exercised during the term of the Facilities and (iii) for purposes of this Section 8.03, the Cure Amount utilized shall be no greater than the minimum amount required to remedy the applicable failure to comply with the Financial Covenant.

Section 8.04 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after an actual or deemed entry of an order for relief with respect to the Borrowers under any Debtor Relief Law),

any amounts received on account of the Obligations shall, subject to the provisions of Sections 2.16 and 2.17, be applied by the Administrative Agent in the following order:

( a ) first, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, disbursements and other charges of counsel payable under Section 10.04 and amounts payable under Article III and amounts owing in respect of (x) the preservation of Collateral or the Collateral Agent's security interest in the Collateral or (y) with respect to enforcing the rights of the Secured Parties under the Loan Documents) payable to the Administrative Agent and the Collateral Agent in their respective capacity as such;

( b ) second, to payment in full of Unfunded Advances/Participations (the amounts so applied to be distributed between or among, as applicable, the Administrative Agent and the L/C Issuers pro rata in accordance with the amounts of Unfunded Advances/Participations owed to them on the date of any such distribution);

( c ) third, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal, interest and commitment fees and Letter of Credit fees) payable to the Lenders and the L/C Issuers (including fees, disbursements and other charges of counsel payable under Sections 10.04 and 10.05) arising under the Loan Documents and amounts payable under Article III, ratably among them in proportion to the respective amounts described in this clause (c) held by them;

(d) fourth, to payment of that portion of the Obligations constituting accrued and unpaid commitment fees, Letter of Credit fees and interest on the Loans, L/C Borrowings, Secured Cash Management Agreement or Secured Hedge Agreement ratably among the Lenders, the L/C Issuers, the Cash Management Banks and the Hedge Banks in proportion to the respective amounts described in this clause (d) held by them;

(e) fifth, (i) to payment of that portion of the Obligations constituting unpaid principal of the Loans, the L/C Borrowings and obligations of the Loan Parties then owing under Secured Hedge Agreements and the Secured Cash Management Agreements and (ii) to Cash Collateralize that portion of L/C Obligations comprising the aggregate undrawn amount of Letters of Credit to the extent not otherwise Cash Collateralized by the Borrowers pursuant to Sections 2.03 and 2.16, ratably among the Lenders, the L/C Issuers, the Hedge Banks party to such Secured Hedge Agreements and the Cash Management Banks party to such Secured Cash Management Agreements in proportion to the respective amounts described in this clause (e) held by them; provided that (x) any such amounts applied pursuant to the foregoing clause (ii) shall be paid to the Administrative Agent for the ratable account of the applicable L/C Issuers to Cash Collateralize such L/C Obligations, (y) subject to Sections 2.03(d) and 2.16, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to this clause (e) shall be applied to satisfy drawings under such Letters of Credit as they occur and (z) upon the expiration of any Letter of Credit without any pending drawing, the pro rata share of Cash Collateral attributable to such expired Letter of Credit shall be applied by the Administrative Agent in accordance with the priority of payments set forth in this Section 8.04;

(f) sixth, to the payment of all other Obligations of the Loan Parties owing under or in respect of the Loan Documents that are then due and payable to the Administrative Agent and the other Secured Parties, ratably based upon the respective aggregate amounts of all such Obligations then owing to the Administrative Agent and the other Secured Parties; and

(g) last, after all of the Obligations have been paid in full (other than contingent indemnification obligations not yet due and owing), to the Borrowers or as otherwise required by Law or the First Lien/Second Lien Intercreditor Agreement;

provided that no amounts received from any Guarantor shall be applied to Excluded Swap Obligations of such Guarantor.

If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired without any pending drawing, such remaining amount shall be applied to the other Obligations, if any, in accordance with the priority of payments set forth above. Notwithstanding the foregoing, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements shall be excluded from the application of payments described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. Each Cash Management Bank or Hedge Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article IX for itself and its Affiliates as if a "Lender" party hereto.

It is understood and agreed by each Loan Party and each Secured Party that the Administrative Agent and Collateral Agent shall have no liability for any determinations made by it in this Section 8.04, in each case except to the extent resulting from the gross negligence, bad faith or willful misconduct of the Administrative Agent or the Collateral Agent, as applicable (as determined by a court of competent jurisdiction in a final and non-appealable decision). Each Loan Party and each Secured Party also agrees that the Administrative Agent and the Collateral Agent may (but shall not be required to), at any time and in its sole discretion, and with no liability resulting therefrom, petition a court of competent jurisdiction regarding any application of Collateral in accordance with the requirements hereof, and the Administrative Agent and the Collateral Agent shall be entitled to wait for, and may conclusively rely on, any such determination.

#### ARTICLE IX.

##### Administrative Agent and Other Agents

###### Section 9.01 Appointment and Authorization of Agents.

(a) Each Lender and L/C Issuer hereby irrevocably appoints JPMCB to act on its behalf as Administrative Agent hereunder and under the other Loan Documents (subject to the provisions in Section 9.09), and designates and authorizes the Administrative Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto. The Administrative Agent may perform any of its duties through its officers, directors, agents, employees, or affiliates. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and no Loan Party shall have rights as a third party beneficiary of any of such provisions. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document no Agent shall have any duties or responsibilities, except those expressly set forth herein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent. Regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. Without limiting the foregoing, each Lender and each L/C Issuer hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article IX and in the definition of "Agent-Related Person" included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders (including in its capacities as a Lender, L/C Issuer (if applicable) and a potential Cash Management Bank party to a Secured Cash Management Agreement and/or a potential Hedge Bank party to a Secured Hedge Agreement) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest, charge or other Lien created by the Collateral Documents for and on behalf of or in trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent as Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) and Section 10.04 as if set forth in full herein with respect thereto and all references to Administrative Agent in this Article IX shall, where applicable, be read as including a reference to the Collateral Agent. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent as Collateral Agent to execute any and all documents (including releases, payoff letters and similar documents) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any intercreditor agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders (including in its capacities as a Lender, L/C Issuer (if applicable) and a potential Cash Management Bank party to a Secured Cash Management Agreement and/or a potential Hedge Bank party to a Secured Hedge Agreement).

Section 9.02 Delegation of Duties. The Administrative Agent may execute any of its duties and exercise its rights and powers under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct by the Administrative Agent, as determined by a final non-appealable judgment by a court of competent jurisdiction. The exculpatory provisions of this Article IX shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.03 Liability of Agents.

(a) No Agent-Related Person shall be (i) liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence, bad faith or willful misconduct in connection with its duties expressly set forth herein, to the extent determined in a final, non-appealable judgment by a court of competent jurisdiction), (ii) liable for any action taken or not taken by it (A) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (B) in the absence of its own gross negligence or willful misconduct as determined by the final, non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein, (iii) responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, (iv) responsible for or have any duty to ascertain or inquire into the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien, or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder, (v) responsible for or have any duty to ascertain

or inquire into the value or the sufficiency of any Collateral or (vi) responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into monitor or enforce, compliance with the provisions relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participant of loans, or disclosure of confidential information, to, or the restriction on any exercise of rights or remedies of, any Disqualified Institution.

(b) The Administrative Agent shall not have any duty to (i) take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Law; and (ii) to disclose, except as expressly set forth herein and in the other Loan Documents, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity; provided, further, that that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Holdings, the Borrowers, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) Any assignor of a Loan or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or Participant in the relevant Assignment and Assumption or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution. No Agent shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions.

#### Section 9.04 Reliance by Agents.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, request, consent, certificate, instrument, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, Internet or intranet website posting or other distribution statement or other document or conversation reasonably believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons. Each Agent also may rely upon any statement made to it orally or by telephone and reasonably believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with, and rely upon (and be fully protected in relying upon), advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any

such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Sections 4.01 and 4.02, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date, specifying its objection thereto.

Section 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Parent Borrower referring to this Agreement, describing such Default and stating that such notice is a “notice of default.” The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent, (vi) the creation, perfection or priority of Liens on the Collateral or (vii) compliance by Affiliated Lenders with the terms hereof relating to Affiliated Lenders. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders or the Required Revolving Lenders, as applicable, in accordance with Article VIII; provided, however, that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, each Lender shall, on a ratable basis based on such Lender's Pro Rata Share of all the Facilities, indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party

and without limiting the obligation of any Loan Party to do so), and hold harmless each Agent-Related Person in each case from and against any and all Indemnified Liabilities incurred by such Agent-Related Person (including, for the avoidance of doubt, any such Agent-Related Person in its capacity as L/C Issuer); provided, however, that no Lender shall be liable for any Indemnified Liabilities incurred by an Agent-Related Person to the extent such Indemnified Liabilities are determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Agent-Related Person's own gross negligence, bad faith or willful misconduct; provided, however, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence, bad faith or willful misconduct for purposes of this Section 9.07; provided, further, that to the extent any L/C Issuer is entitled to indemnification under this Section 9.07 solely in its capacity and role as an L/C Issuer, only the Revolving Credit Lenders shall be required to indemnify such L/C Issuer under this Section 9.07 (which indemnity shall be provided by such Lenders based upon their respective Pro Rata Share of the Revolving Credit Facility). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 shall apply whether or not any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limiting the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its Pro Rata Share of any costs or out-of-pocket expenses (including the fees, disbursements and other charges of counsel) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower; provided that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto; provided further, that failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation or removal of the Administrative Agent.

Section 9.08 Agents in their Individual Capacities. Any Agent and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Capital Stock in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though it were not an Agent or an L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, an Agent or its Affiliates may receive information regarding any Loan Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that such Agent shall be under no obligation to provide such information to them. With respect to its Loans, such Agent shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not an Agent or an L/C Issuer, and the terms "Lender" and "Lenders" include such Agent in its individual capacity (unless otherwise expressly indicated or unless the context otherwise requires).

Section 9.09 Successor Agents.

(a) The Administrative Agent or Collateral Agent may resign as the Administrative Agent or Collateral Agent, as applicable, upon 30 days' written notice to the Parent Borrower and the Lenders. Upon receipt of any such notice of resignation, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be consented to by the Parent Borrower at all times other than during the existence of an Event of Default under Section 8.01(a), (f), or (g) (which consent of the Parent Borrower shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent or Collateral Agent, as applicable, the Administrative Agent or Collateral Agent may appoint, after consulting with the Lenders and the Parent Borrower, a successor agent. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent or Collateral Agent, as applicable, and the term "Administrative Agent" or "Collateral Agent," as applicable, shall mean such successor administrative agent or such successor collateral agent, as applicable, and the retiring Administrative Agent's or Collateral Agent's appointment, powers and duties as the Administrative Agent or Collateral Agent, as applicable, shall be terminated. After the retiring Administrative Agent's or Collateral Agent's resignation hereunder as the Administrative Agent or Collateral Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent or Collateral Agent

under this Agreement. If no successor agent has accepted appointment as the Administrative Agent or Collateral Agent by the date which is 30 days following the retiring Administrative Agent's or Collateral Agent's notice of resignation, the retiring Administrative Agent's or Collateral Agent's resignation shall nevertheless thereupon become effective and (i) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security as bailee, trustee or other applicable capacity until such time as a successor of such Agent is appointed), (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.09 and (iii) the Lenders shall perform all of the duties of the Administrative Agent or Collateral Agent, as applicable, hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, the Administrative Agent or Collateral Agent, as applicable, shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent or Collateral Agent. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor or upon the expiration of the 30-day period following the retiring Administrative Agent's or Collateral Agent's notice of resignation without a successor agent having been appointed, the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents other than as specifically set forth in clause (i) above of this Section 9.09(a) but the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them solely in respect of the Loan Documents or Obligations, as applicable, while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable.

(b) Any resignation by JPMCB as Administrative Agent or Collateral Agent pursuant to this Section 9.09 shall also constitute its resignation or removal as an L/C Issuer, in which case the resigning or removed L/C Issuer (x) shall not be required to issue any further Letters of Credit hereunder and (y) shall maintain all of its rights as L/C Issuer with respect to any Letters of Credit issued by it prior to the date of such resignation. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent hereunder or upon the expiration of the 30-day period following the retiring Administrative Agent or Collateral Agent's notice of resignation without a successor agent having been appointed, (i) such successor (if any) shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, (ii) the retiring L/C Issuer shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents and (iii) the successor L/C Issuer (if any) shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make (or the Borrower shall enter into) other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, administrative receivership, judicial management, insolvency, liquidation, bankruptcy, reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel to the

extent provided for herein and all other amounts due the Lenders and the Administrative Agent under Sections 2.03(h) and (i), 2.09 and 10.04) allowed in such judicial proceeding; and

- (b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any administrator, administrative receiver, custodian, receiver, assignee, trustee, judicial manager, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts, in each case, due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

The provisions of this Article IX are solely for the benefit of the Administrative Agent, the Lenders and the L/C Issuers, and, except for Sections 9.01, 9.09, 9.10, 9.11, 9.13, and 9.15, none of Holdings, the Borrowers or any Subsidiary, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions.

Section 9.11 Collateral and Guaranty Matters. Each of the Lenders (including in their capacities as potential Hedge Banks party to a Secured Hedge Agreement and potential or actual Cash Management Banks party to a Secured Cash Management Agreement) and each L/C Issuer irrevocably authorize the Administrative Agent and the Collateral Agent, and each of the Administrative Agent and the Collateral Agent shall to the extent requested by the Parent Borrower or, solely in the case of clause (d) below, to the extent provided for under this Agreement,

- (a) release any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) and the expiration without any pending drawing or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized), (ii) that is sold, disposed of or distributed or to be sold, disposed of or distributed as part of or in connection with any transaction permitted hereunder or under any other Loan Document, in each case to a Person that is not a Loan Party, (iii) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders, (iv) that constitutes Excluded Property as a result of an occurrence not prohibited hereunder or (v) owned by a Subsidiary Guarantor upon release of such Subsidiary Guarantor from its obligations under its Guaranty pursuant to clause (c) below;

- (b) release or subordinate any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document to the holder of any Permitted Lien on such property that is permitted by clauses (1), (4), (5), (6) (only with regard to Section 7.01(d)), (9), (11) (solely with respect to cash deposits), (16), (17) (other than with respect to self-insurance arrangements), (18) (solely to the extent constituting Excluded Property), (21), (23) (solely to the extent relating to a lien of the type allowed pursuant to clause (9) of the definition thereof), (25) (solely to the extent relating to a lien of the type allowed pursuant to clause (6) of the definition of "Permitted Liens" and securing obligations under Indebtedness of the type allowed pursuant to Section 7.01(d)), (26) (solely to the extent the Lien of the Collateral Agent on such property is not, pursuant to such agreements, required or permitted to be senior to or *pari passu* with such Liens), (29) (solely with respect to cash deposits), (34), (39) (only for so long as required to be secured for such letter of intent or investment), (45), (46) and (48) of the definition thereof;

(c) release any Guarantor from its obligations under the applicable Guaranty if in the case of any Subsidiary, such Person ceases to be a Subsidiary or otherwise becomes an Excluded Subsidiary as a result of a transaction or designation permitted hereunder; provided that no such release shall occur if such Guarantor continues to be a guarantor in respect of any Specified Refinancing Debt, any Refinancing Notes, the Second Lien Facility, any New Incremental Notes or, to the extent incurred by a Loan Party (other than Holdings), any other Indebtedness; and

(d) establish intercreditor arrangements as contemplated by this Agreement.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11. Additionally, upon reasonable request of the Parent Borrower, the Collateral Agent will return possessory Collateral held by it that is released from the security interests created by the Collateral Documents pursuant to this Section 9.11; provided that in each case of this Section 9.11, the Parent Borrower shall have delivered to the Administrative Agent and Collateral Agent a certificate of a Responsible Officer of the Parent Borrower certifying that any such transaction has been consummated in compliance with the Credit Agreement and the other Loan Documents and that such release is permitted hereby; provided, that in the event that the Collateral Agent loses or misplaces any possessory collateral delivered to the Collateral Agent by the Parent Borrower, upon reasonable request of the Parent Borrower, the Collateral Agent shall provide a loss affidavit to the Parent Borrower, in the form customarily provided by the Collateral Agent in such circumstances.

Section 9.12 Other Agents: Arranger and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "joint lead arranger," or "joint bookrunner" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such; provided that each Arranger shall be entitled to any express rights given to that Arranger under any Loan Document. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13 Secured Cash Management Agreements and Secured Hedge Agreements. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.04, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 9.14 Appointment of Supplemental Agents, Incremental Arrangers, Incremental Notes Arrangers and Specified Refinancing Agents

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent or the Collateral Agent deems that by reason of any present or future Law of any

jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent and the Collateral Agent are hereby authorized to appoint an additional individual or institution selected by them in their sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent, as applicable (any such additional individual or institution being referred to herein individually as a "Supplemental Agent" and collectively as "Supplemental Agents").

(b) In the event that the Administrative Agent or the Collateral Agent appoints a Supplemental Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent or the Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Agent to the extent, and only to the extent, necessary to enable such Supplemental Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Agent shall run to and be enforceable by either the Administrative Agent and the Collateral Agent or such Supplemental Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall inure to the benefit of such Supplemental Agent and all references therein to the Administrative Agent and/or Collateral Agent shall be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Supplemental Agent, as the context may require.

(c) Should any instrument in writing from the Borrowers, Holdings or any other Loan Party be required by any Supplemental Agent so appointed by the Administrative Agent or the Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrowers or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent or the Collateral Agent. In case any Supplemental Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent or the Collateral Agent, as applicable, until the appointment of a new Supplemental Agent.

(d) In the event that the Parent Borrower appoints or designates any Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent pursuant to Sections 2.14, 2.15 and 2.18, as applicable, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to an agent or arranger with respect to New Loan Commitments, New Incremental Notes or Specified Refinancing Debt, as applicable, shall be exercisable by and vest in such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to the extent, and only to the extent, necessary to enable such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to exercise such rights, powers and privileges with respect to the New Loan Commitments, New Incremental Notes or Specified Refinancing Debt, as applicable, and to perform such duties with respect to such New Loan Commitments, New Incremental Notes or Specified Refinancing Debt, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent shall run to and be enforceable by either the Administrative Agent or such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall inure to the benefit of such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent and all references therein to the Administrative Agent and/or Collateral Agent shall be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent, as the context may require. Each Lender and L/C Issuer hereby irrevocably appoints any Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to act on its behalf hereunder and under the other Loan Documents pursuant to Sections 2.14, 2.15 and 2.18, as applicable, and designates and authorizes such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to

exercise such powers and perform such duties as are expressly delegated to such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto.

Section 9.15 Intercreditor Agreement. The Administrative Agent and the Collateral Agent are authorized by the Lenders and other Secured Parties to, to the extent required by the terms of the Loan Documents, (i) enter into the First Lien/Second Lien Intercreditor Agreement and any other intercreditor agreement contemplated by this Agreement, (ii) enter into any Collateral Document, or (iii) make or consent to any filings or take any other actions in connection therewith (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Sections 7.01 and 7.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and the parties hereto acknowledge that any intercreditor agreement, Collateral Document, consent, filing or other action will be binding upon them. Each Lender and other Secured Party (a) understands, acknowledges and agrees that Liens will be created on Collateral pursuant to the Second Lien Facility Documentation, which Liens shall be subject to the terms and conditions of the First Lien/Second Lien Intercreditor Agreement, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the First Lien/Second Lien Intercreditor Agreement or any other intercreditor agreement (if entered into) and (c) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the First Lien/Second Lien Intercreditor Agreement and any other intercreditor agreement contemplated by this Agreement or Collateral Document (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Sections 7.01 and 7.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

Section 9.16 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify the Administrative Agent against, and shall make payable in respect thereof within 30 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the U.S. Internal Revenue Service or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other obligations under any Loan Document.

(c) The Administrative Agent hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

Section 9.18 Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 10.01 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or

debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

ARTICLE X.  
Miscellaneous

Section 10.01 Amendments, Etc. Except as otherwise expressly set forth in this Agreement or the applicable Loan Document, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (or by the Administrative Agent at the instruction of the Required Lenders) and the applicable Borrower or Loan Party, as the case may be, and acknowledged by the Administrative Agent to the extent the Administrative Agent is not a Defaulting Lender (other than with respect to any amendment or waiver contemplated in clause (h) below, which shall only require the consent of the Required Revolving Lenders), and each such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender, or reinstate the Commitment of any Lender after the termination of such Commitment pursuant to Section 8.02, in each case without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of (or amendment to the terms of) any Default or Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal of, or interest on, any Loan or L/C Borrowing or any fees or other amounts payable hereunder, without the written consent of each Lender directly and adversely affected thereby (and subject to such further requirements as may be applicable thereto under the last two paragraphs of this Section 10.01), it being understood that the waiver of any obligation to pay interest at the Default Rate, or the amendment or waiver of any mandatory prepayment of Loans under the Term Facilities shall not constitute a postponement of any date scheduled for the payment of principal, interest or fees;

(c) reduce the principal of, or the rate of interest specified herein on, or change the currency of, any Loan or L/C Borrowing (it being understood that a waiver of any Default or Event of Default or mandatory prepayment shall not constitute a reduction or forgiveness of principal), or (subject to clause (iii) of the proviso following clause (h) below) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly and adversely affected thereby, it being understood that any change to the definitions of Consolidated First Lien Net Leverage Ratio or in the component definitions thereof shall not constitute a reduction in any rate of interest or any fees based thereon; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrowers to pay interest at the Default Rate;

(d) change any provision of Section 8.04 or 10.09 without the written consent of each Lender directly and adversely affected thereby with respect to such change;

(e) change (i) any provision of this Section 10.01 (other than any change to the last two paragraphs of this Section that would otherwise be permitted by this Section 10.01), or the definition of Required Lenders, or any other provision hereof specifying the number or percentage of Lenders or portion of the Loans or Commitments required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder (other than the definition specified in clause (ii) of this Section 10.01(e) or modifications in connection with repurchases of Term Loans, amendments with respect to the New Term Facilities or New Revolving Facility and amendments with respect to extensions of maturity, which shall only require the written consent of each Lender directly and adversely affected thereby), without the written consent of each Lender, or (ii) the definition of "Required Revolving Lenders," without the written consent of each Revolving Credit Lender;

(f) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the Liens on the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(g) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the aggregate value of the Guaranty, or all or substantially all of the Guarantors, without the written consent of each Lender; or

(h) (i) amend or otherwise modify Section 7.08 (or for the purposes of determining compliance with the Financial Covenant, any defined terms used therein), or (ii) waive or consent to any Default or Event of Default resulting from a breach of the Financial Covenant, (iii) alter the rights or remedies of the Required Revolving Lenders arising pursuant to Article VIII as a result of a breach of Section 7.08 or (iv) waive any condition precedent set forth in Section 4.02 with respect to Credit Extensions involving the Revolving Credit Facility, in each case, without the written consent of the Required Revolving Lenders; provided, however, that the amendments, modifications, waivers and consents described in this clause (h) shall not require the consent of any Lenders other than the Required Revolving Lenders;

and provided further that (i) no amendment, waiver or consent shall, unless in writing and signed by an L/C Issuer in addition to the Borrowers and the Lenders required above, affect the rights or duties of such L/C Issuer, in its capacity as such, under this Agreement or any Letter of Credit Application or other Issuer Document relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent, the Collateral Agent in their respective capacities as such, in addition to the Parent Borrower and the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and (iii) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification. Notwithstanding anything to the contrary herein, any amendment, modification, waiver or other action which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders or Affiliate Lenders (other than Debt Fund Affiliates), except that (x) no amendment, waiver or consent relating to Section 10.01(a), (b) or (c) may be effected, in each case without the consent of such Defaulting Lender or Affiliate Lender and (y) any amendment, modification, waiver or other action that by its terms adversely affects any Defaulting Lender or Affiliate Lender in its capacity as a Lender in a manner that differs in any material respect from, and is more adverse to such Defaulting Lender or Affiliate Lender than it is to, other affected Lenders shall require the consent of such Defaulting Lender or Affiliate Lender. Notwithstanding anything to the contrary herein, any waiver, amendment, modification or consent in respect of this Agreement or any other Loan Document that by its terms affects the rights or duties under this Agreement or any other Loan Document of Lenders holding Loans or Commitments of a particular Tranche (but not the Lenders holding Loans or Commitments of any other Tranche) may be effected by an agreement or agreements in writing entered into by the Parent Borrower and the requisite percentage in interest of the Lenders with respect to such Tranche that would be required to consent thereto under this Section 10.01 if such Lenders were the only Lenders hereunder at the time.

This Section 10.01 shall be subject to any contrary provision of Section 2.14 or Section 2.18. In addition, notwithstanding anything else to the contrary contained in this Section 10.01, (a) amendments and modifications in connection with the transactions provided for by Section 2.14 or Section 2.18 that benefit existing Lenders may be effected without such Lenders' consent, (b) if the Administrative Agent and the Parent Borrower shall have jointly identified an obvious error or any error, ambiguity or omission, defect or inconsistency of a technical nature, in each case, in any provision of the Loan Documents, then the Administrative Agent and the Parent Borrower shall be permitted to amend such provision, (c) the Administrative Agent and the Parent Borrower shall be permitted to amend any provision of any Collateral Document, the Guaranty, or enter into any new agreement or instrument, to be consistent with this Agreement and the other Loan Documents or as required by local law to give effect to any guaranty, or to give effect to or to protect any security interest for the benefit of the Secured Parties, in any property so that the security interests comply with applicable Law, and in each case, such amendments, documents and agreements shall become effective without any further action or consent of any other party to any Loan Document if in the case of amendments contemplated by clause (b) the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof and (d) if one or more currencies is added as

an Alternative Currency, the Borrower, the Administrative Agent the Revolving Credit Lenders and any applicable L/C Issuer shall be entitled to amend the provisions of this Agreement and the other Loan Documents to add interest rate provisions and other operational or mechanical provisions relating to Revolving Credit Loans and Letters of Credit denominated in any such currencies.

Notwithstanding anything to the contrary herein, in connection with any amendment, modification, waiver or other action requiring the consent or approval of Required Lenders, Lenders that are Debt Fund Affiliates shall not be permitted, in the aggregate, to account for more than 49.9% of the amounts actually included in determining whether the threshold in the definition of "Required Lenders" has been satisfied. The voting power of each Lender that is a Debt Fund Affiliate shall be reduced, pro rata, to the extent necessary in order to comply with the immediately preceding sentence.

Notwithstanding anything to the contrary herein, at any time and from time to time, upon notice to the Administrative Agent (who shall promptly notify the applicable Lenders) specifying in reasonable detail the proposed terms thereof, the Parent Borrower may make one or more loan modification offers to (i) all the Lenders of any Facility that would, if and to the extent accepted by any such Lender, (a) extend the scheduled Maturity Date and any amortization of the Loans and Commitments under such Facility and/or change the Applicable Rate and/or fees payable with respect to the Loans and Commitments under such Facility (in each case solely with respect to the Loans and Commitments of accepting Lenders in respect of which an acceptance is delivered) and (b) treat the Loans and Commitments so modified as a new "Facility" for all purposes under this Agreement; provided that (x) such loan modification offer is made to each Lender under the applicable Facility on the same terms and subject to the same procedures as are applicable to all other Lenders under such Facility (which procedures in any case shall be reasonably satisfactory to the Administrative Agent) and (y) no loan modification shall affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent or any L/C Issuer, without its prior written consent or (ii) the specified Lenders of any Facility that would, if and to the extent accepted by any such Lender (the "Accepting Lender"), (a) extend the scheduled Maturity Date and any amortization of the Loans and Commitments under such Facility and, if applicable, change the Applicable Rate and/or fees payable with respect to the Loans and Commitments under such Facility (in each case solely with respect to the Loans and Commitments of accepting Lenders in respect of which an acceptance is delivered) and (b) treat the Loans and Commitments so modified as a new "Facility" for all purposes under this Agreement; provided that (w) in no event shall such extended Loans and Commitments (1) have covenants that are more restrictive to the Borrowers than the terms applicable to the non-extended Loans and Commitments of the original Facility from which such Loans and Commitments are extended (the "Non-Extended Loans and Commitments"), (2) have a higher Applicable Rate and/or fees than the Non-Extended Loans and Commitments or (3) receive a greater than ratable share of any optional or mandatory prepayments than such Non-Extended Loans and Commitments, in each case, prior to the final maturity date of such Non-Extended Loans and Commitments applicable at the time of such loan modification, (x) such loan modification offer is made to the Accepting Lenders under the applicable Facility on the same terms and subject to the same procedures as are applicable to all other Accepting Lenders under such Facility (which procedures in any case shall be reasonably satisfactory to the Administrative Agent), (y) if the aggregate principal amount of Revolving Credit Commitments or Term Loans in respect of which Lenders shall have accepted the relevant loan modification offer shall exceed the maximum aggregate principal amount of Revolving Credit Commitments or Term Loans of such Accepting Lenders, as applicable, subject to the loan modification offer, then the Revolving Credit Commitments or Term Loans, as applicable, of the lenders of the applicable Facility who were not provided with the opportunity to extend their Revolving Credit Commitments or Term Loans may have their Revolving Credit Commitments terminated or Term Loans repaid on a non-ratable basis up to such maximum amount based on the respective principal amounts with respect to which the Accepting Lenders have accepted such loan modification offer and (z) no loan modification shall affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent or any L/C Issuer, without its prior written consent.

In connection with any such loan modification offer, the Parent Borrower and each accepting Lender shall execute and deliver to the Administrative Agent such agreements and other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the applicable loan modification offer and the terms and conditions thereof, and this Agreement and the other Loan Documents shall be amended in a writing (which may be executed and delivered by the Parent Borrower and the Administrative Agent and shall be effective only with respect to the applicable Loans and Commitments of Lenders that shall have accepted the relevant loan modification offer (and only with respect to Loans and Commitments as to which any such Lender has accepted the

loan modification offer)) to the extent necessary or appropriate, in the judgment of the Administrative Agent, to reflect the existence of, and to give effect to the terms and conditions of, the applicable loan modification (including the addition of such modified Loans and/or Commitments as a "Facility" hereunder). No Lender shall have any obligation whatsoever to accept any loan modification offer, and may reject any such offer in its sole discretion. On the effective date of any loan modification applicable to the Revolving Credit Facility, the Borrowers shall prepay any Revolving Credit Loans or L/C Advances (to the extent participated to Revolving Credit Lenders) outstanding on such effective date (and pay any additional amounts required pursuant to Section 3.06) to the extent necessary to keep the outstanding Revolving Credit Loans or L/C Advances (to the extent participated to Revolving Credit Lenders), as the case may be, ratable with any revised Pro Rata Share of a Revolving Credit Lender in respect of the Revolving Credit Facility arising from any non-ratable loan modification to the Revolving Credit Commitments under this Section 10.01. Notwithstanding the foregoing, no modification referred to above shall become effective unless the Administrative Agent, to the extent reasonably requested by the Administrative Agent, shall have received legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12, Section 6.14 and/or Section 6.16 with respect to Holdings and the Parent Borrower, all material Subsidiary Guarantors and each other Subsidiary Guarantor that is organized in a jurisdiction for which local counsel to the Administrative Agent in such jurisdiction advises that such deliveries are reasonably necessary to preserve the Collateral in such jurisdiction.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through Approved Electronic Platforms, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Lenders and the L/C Issuers hereunder may be delivered or furnished by using Approved Electronic Platforms pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the

Administrative Agent and the applicable Lender. The Administrative Agent or the Parent Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

(e) The Administrative Agent, the Collateral Agent, the L/C Issuers and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Parent Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof except to the extent such reliance is deemed to be gross negligence, bad faith or willful misconduct of the Administrative Agent, Collateral Agent, L/C Issuer or Lender in a final non-appealable judgment of a court of competent jurisdiction. The Borrowers shall indemnify the Administrative Agent, the Collateral Agent, each L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Parent Borrower to the extent required by Section 10.05. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies; Enforcement.

(a) No failure by any Lender, any L/C Issuer, the Administrative Agent or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided hereunder and under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent or the Collateral Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuers; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent or the Collateral Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as the Administrative Agent or the Collateral Agent) hereunder and under the other Loan Documents, (b) each L/C Issuer from exercising the rights and remedies that inure to its benefit (solely in its capacity as an L/C Issuer) hereunder and under the other Loan Documents, or (c) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13); and provided further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders. In the event of a foreclosure by the

Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Collateral Agent or any Lender (or any person nominated by them) may be the purchaser of any or all of such Collateral at any such sale and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold in any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such sale.

(c) If the Administrative Agent and the Borrowers acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Borrowers shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement.

Section 10.04 Expenses. The Borrowers agree (a) to pay or reimburse the Administrative Agent and the other Agents for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents (including reasonable expenses incurred in connection with due diligence and travel, courier, reproduction, printing and delivery expenses), and any amendment, waiver, consent or other modification of the provisions hereof and thereof, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of counsel (limited to the reasonable and documented fees, disbursements and other charges of one primary counsel to the Agents and, if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions, in each case, in jurisdictions material to the interests of the Lenders) and special counsel for each relevant specialty), and (b) to pay or reimburse the Administrative Agent, the other Agents and each Lender (including, for the avoidance of doubt, each L/C Issuer) for all reasonable documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law or in connection with any workout or restructuring), including the fees, disbursements and other charges of counsel (limited to the reasonable fees, disbursements and other charges of one counsel to the Administrative Agent, the other Agents and the Lenders taken as a whole, and, if necessary, of one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions, in each case, in jurisdictions material to the interests of the Lenders) and of special counsel for each relevant specialty and, in the event of any actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction for each Lender or group of similarly affected Lenders or Agents subject to such conflict after notification to the Parent Borrower). The foregoing costs and expenses shall include all reasonable search, filing, recording, title insurance and appraisal charges and fees, and other out-of-pocket expenses incurred by any Agent. All amounts due under this Section 10.04 shall be paid within 30 days after invoiced or demand therefor (with a reasonably detailed invoice with respect thereto) (except for any such costs and expenses incurred prior to the Closing Date, which shall be paid on the Closing Date to the extent invoiced at least three Business Days prior to the Closing Date). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent after any applicable grace periods have expired, in its sole discretion and the Borrowers shall immediately reimburse the Administrative Agent, as applicable. This Section 10.04 shall not apply with respect to Taxes other than any Taxes arising from any non-Tax cost or expense.

Section 10.05 Indemnification by the Borrower. The Borrowers shall indemnify and hold harmless each Arranger, each Agent-Related Person, each Lender, each L/C Issuer, each of their respective Affiliates and each partner, director, officer, employee, counsel, agent and representative of the foregoing and, in the case of any funds, trustees and advisors and attorneys-in-fact (collectively, the "Indemnitees") from and against (and will reimburse each Indemnatee, as and when incurred, for) any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs (including settlement costs), disbursements, and reasonable and documented or invoiced out-of-pocket fees and expenses (including the reasonable and documented fees, disbursements and other charges of (i) one counsel to the Indemnitees taken as a whole, (ii) in the case of an actual or perceived conflict of interest, where the Indemnatee affected by such conflict informs the Parent Borrower and

thereafter retains its own counsel, of another firm of counsel for each such affected Indemnitee in each relevant jurisdiction material to the interests of the Lenders, and (iii) if necessary, one local counsel in each jurisdiction material to the interests of the Indemnitees (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnitee in any way relating to or arising out of or in connection with or by reason of (x) any actual or prospective claim, litigation, investigation or proceeding in any way relating to, arising out of, in connection with or by reason of any of the following, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding): (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby or (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, disbursements, fees or expenses are determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from (A) the bad faith, gross negligence or willful misconduct of such Indemnitee or any of its Affiliates or controlling persons or any of the officers, directors, employees, agents, advisors, or members of any of the foregoing or (B) any dispute that is among Indemnitees (other than any dispute involving claims against the Administrative Agent, any Arranger or any other Agent or any L/C Issuer, in each case in their respective capacities as such) that a court of competent jurisdiction has determined in a final and non-appealable judgment did not involve actions or omissions of the Parent Borrower or its Subsidiaries or any of their respective Affiliates; or (y) any Environmental Liability related in any way to Holdings or any of its Subsidiaries, ((x) and (y), collectively, the "Indemnified Liabilities") in all cases, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through the Approved Electronic Platform or other information transmission systems (including electronic telecommunications) in connection with this Agreement unless determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that such waiver of special, punitive, indirect or consequential damages shall not limit the indemnification obligations of the Loan Parties under this Section 10.05. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors or an Indemnitee or any other Person, and whether or not any Indemnitee is otherwise a party thereto. Should any investigation, litigation or proceeding be settled, or if there is a judgment in any such investigation, litigation or proceeding, the Borrowers shall indemnify and hold harmless each Indemnitee in the manner set forth above; provided that the Borrowers shall not be liable for any settlement effected without the Parent Borrower's prior written consent (such consent not to be unreasonably withheld, delayed or conditioned). All amounts due under this Section 10.05 shall be payable within 30 days after demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

**Section 10.06 Payments Set Aside.** To the extent that any payment by or on behalf of the Borrowers is made to any Agent, to any L/C Issuer or any Lender, or any Agent, any L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent, such L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and each L/C Issuer

severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the NYFRB Rate from time to time in effect. The obligations of the Lenders and the L/C Issuers under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrowers may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee (other than to any Disqualified Institution to the extent the list of Disqualified Institutions has been made available to the Lenders) in accordance with the provisions of Section 10.07(b), (ii) by way of participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f) or (iv) to an SPC in accordance with the provisions of Section 10.07(g). Any other attempted assignment or transfer by any party hereto (other than to any Disqualified Institution) shall be null and void. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations) at the time owing to it); provided that:

(i) (A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Facility and the Loans at the time owing to it under such Facility, no minimum amount shall need be assigned, and (B) in any case not described in clause (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$5,000,000, in the case of any assignment in respect of the Revolving Credit Facility, or \$500,000, in the case of any assignment in respect of a Term Facility, in each case unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing, the Parent Borrower otherwise consents (such consent not to be unreasonably withheld, conditioned or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis;

(iii) no consent shall be required for any assignment except to the extent required by clause (b)(i)(B) of this Section 10.07 and, in addition (A) the consent of the Parent Borrower (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any assignment unless (1) an Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing at the time of such assignment, (2) such assignment is in respect of a Term Facility and is to a Lender, an Affiliate of a Lender or an Approved Fund (other than any Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders) or (3) such assignment is in respect of the Revolving Credit Facility and is to a Revolving Credit Lender, an Affiliate of a Revolving Credit Lender or an Approved Fund

related thereto (other than any Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders); provided that (1) the Parent Borrower shall be deemed to have consented to any assignment unless the Parent Borrower objects thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof and (2) during the 60 day period following the Closing Date, the Parent Borrower shall be deemed to have consented to an assignment to any Lender if such Lender was previously identified and approved in the initial allocations of the Loans and Commitments provided by the Arrangers to the Parent Borrower, (B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for any assignment unless (1) such assignment is in respect of a Term Facility and is to a Lender, an Affiliate of a Lender or an Approved Fund or (2) such assignment is in respect of the Revolving Credit Facility and is to a Revolving Credit Lender, an Affiliate of a Revolving Credit Lender or an Approved Fund related thereto (provided that in each case the Administrative Agent shall acknowledge any such assignment) and (C) the consent of each L/C Issuer (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any assignment in respect of the Revolving Credit Facility; provided, however, that the consent of each L/C Issuer shall not be required for any assignment in respect of a Term Loan;

(iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), together with a processing and recordation fee of \$3,500 (except the Administrative Agent, in its sole discretion, may elect to waive such processing and recording fee in the case of any assignment). Each Eligible Assignee that is not an existing Lender shall deliver to the Administrative Agent an Administrative Questionnaire;

(v) no such assignment shall be made (A) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary of a Defaulting Lender, (B) to any natural person, (C) to any Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders, (D) to Holdings, the Parent Borrower or any its Subsidiaries except as permitted under clause (j) below or (E) to any Affiliate Lender except as permitted under Section 10.07(i);

(vi) no Revolving Credit Commitments or Revolving Credit Loans may be assigned to any Affiliate Lender;

(vii) the assigning Lender shall deliver any Notes or, in lieu thereof, a lost note affidavit and indemnity reasonably acceptable to the Parent Borrower evidencing such Loans to the Parent Borrower or the Administrative Agent; and

(viii) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Parent Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any L/C Issuer or Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit in accordance with its Pro Rata Share; provided that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this clause, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(c), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption,

have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment, and subject to the obligations set forth in Section 10.08). Upon request, and the surrender by the assigning Lender of its Note (or, in lieu thereof, a lost note affidavit and indemnity reasonably acceptable to the Parent Borrower), the Parent Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement (other than any purported assignment or transfer to a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders) that does not comply with this clause (b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrowers (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register in which it shall record the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as Defaulting Lender. The Register shall be available for inspection by any Borrower, any Agent and any Lender (but only to entries with respect to itself), at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Parent Borrower, the Administrative Agent or the L/C Issuers, sell participations to any Person (other than a natural person, an Affiliate Lender (other than a Debt Fund Affiliate), a Person that the Administrative Agent has identified in a notice to the Lenders as a Defaulting Lender or a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations) owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (in the case of any amendment, waiver or other modification described in clause (a), (b), (c) or (f) of such proviso, that directly and adversely affects such Participant). Subject to Section 10.07(e), the Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections (it being understood that the documentation required under Section 3.01(g) shall be delivered solely to the participating Lender) and Section 3.08) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; provided such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) A Participant (i) agrees to be subject to the provisions of Sections 3.08 as if it were an assignee pursuant to Section 10.07(b) and (ii) shall not be entitled to receive any greater payment under Section 3.01, 3.04 or

3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent that a Participant's right to a greater payment results from a change in any Law after the Participant becomes a Participant.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) (other than to a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders, or a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Parent Borrower (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Administrative Agent as is required under Section 2.12(b). Each party hereto hereby agrees that an SPC shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and Section 3.08); provided that neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement (including under Section 3.01, 3.04 or 3.05), except to the extent that the SPC's right to a greater payment results from a change in any Law after the grant to the SPC takes place. Each party hereto further agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (ii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender of record hereunder. Other than as expressly provided in this Section 10.07(g), (A) such Granting Lender's obligations under this Agreement shall remain unchanged, (B) such Granting Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Granting Lender in connection with such Granting Lender's rights and obligations under this Agreement. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not, other than in respect of matters unrelated to this Agreement or the transactions contemplated hereby, institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Parent Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500, assign all or any portion of its rights hereunder with respect to any Loan to the Granting Lender and (ii) subject to Section 10.08, disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Notwithstanding anything to the contrary herein, any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents, and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(i) Notwithstanding anything to the contrary herein, any Lender may assign all or any portion of its Term Loans, Specified Refinancing Term Loans and New Term Loans hereunder to any Other Affiliate (including any Debt Fund Affiliate), but only if:

(i) the assigning Lender and Other Affiliate purchasing such Lender's Term Loans, Specified Refinancing Term Loans or New Term Loans, as applicable, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit E-2 hereto (an "Affiliate Lender Assignment and Assumption") in lieu of an Assignment and Assumption;

(ii) after giving effect to such assignment, Other Affiliates (other than Debt Fund Affiliates) shall not, in the aggregate, own or hold Term Loans, Specified Refinancing Term Loans and New Term Loans with an aggregate principal amount in excess of 25% of the principal amount of all Term Loans then outstanding (calculated as of the date of such purchase); and

(iii) such Other Affiliate (other than Debt Fund Affiliates) shall at all times thereafter be subject to the voting restrictions specified in Section 10.01.

(j) Notwithstanding anything to the contrary herein, so long as no Default or Event of Default pursuant to Sections 8.01(a), (f) or (g) exists, any Lender may assign all or any portion of its Term Loans, Specified Refinancing Term Loans and New Term Loans hereunder to Holdings or any of its Subsidiaries, but only if:

(i) (A) such assignment is made pursuant to a Dutch Auction open to all Term Lenders, Specified Refinancing Term Loan lenders or New Term Loan lenders on a pro rata basis or (B) such assignment is made as an open market purchase;

(ii) [reserved];

(iii) any such Term Loans shall be automatically and permanently cancelled immediately upon acquisition thereof by Holdings or any of its Subsidiaries; and

(iv) Holdings and its Subsidiaries do not use the proceeds of the Revolving Credit Facility (whether or not the Revolving Credit Facility has been increased pursuant to Section 2.14 or refinanced pursuant to Section 2.18) to acquire such Term Loan.

In connection with any assignment pursuant to Section 10.07(i) or (j), each Lender acknowledges and agrees that, in connection therewith, (1) the Other Affiliates, Holdings and/or any of its Subsidiaries may have, and later may come into possession of, information regarding the Sponsor, Holdings, any of its Subsidiaries and/or any of their respective Affiliates not known to such Lender and that may be material to a decision by such Lender to participate in such assignment (including material non-public information) ("Excluded Information"), (2) such Lender, independently and, without reliance on the Other Affiliates, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates, has made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Other Affiliates, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against Other Affiliates, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information.

(k) Notwithstanding anything to the contrary herein, (i) Affiliate Lenders (other than Debt Fund Affiliates) shall not have any right to attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any other Lender to which representatives of the Parent Borrower are not then present, (ii) Affiliate Lenders (other than Debt Fund Affiliates) shall not have any right to receive any information or material prepared by the Administrative Agent or any other Lender or any communication by or among the Administrative Agent and one or more other Lenders, except to the extent such information or materials have been made available to the Parent Borrower or its representatives, (iii) no assignments in respect of the Revolving Credit Facility may be made to the Sponsor or any of its Affiliates and (iv) the Sponsor and its Affiliates (other than Debt Fund Affiliates) shall not be entitled to receive advice of counsel to the Agents or other Lenders and shall not challenge any assertion of attorney-client privilege by any Agent or other Lender. Each Borrower and each Affiliate Lender (other than any Debt Fund Affiliates) hereby agrees that if a case under Title 11 of the Bankruptcy Code is commenced against the Borrowers, such Affiliate Lenders, with respect to any plan of reorganization that does not

adversely affect any Affiliate Lender in any material respect as compared to other Lenders, shall be deemed to have voted in the same proportion as the Lenders that are not Affiliate Lenders voting on such matter; and each Affiliate Lender (other than any Debt Fund Affiliates) hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the Bankruptcy Code is not deemed to have been so voted, then such vote will be “designated” pursuant to Section 1126(e) of the Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the Bankruptcy Code.

(l) Notwithstanding anything to the contrary herein, any L/C Issuer may, upon 30 days’ notice to the Parent Borrower and the Lenders, resign as L/C Issuer; provided that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer shall have identified a successor L/C Issuer willing to accept its appointment as successor L/C Issuer, and the effectiveness of such resignation shall be conditioned upon such successor assuming the rights and duties of the L/C Issuer. If an L/C Issuer resigns as L/C Issuer, it shall retain all the rights and obligations of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(d)). Upon the appointment of a successor L/C Issuer, (A) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, and (B) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

(m) The applicable Lender, acting solely for this purpose as a non-fiduciary agent of the Borrowers (solely for tax purposes), shall maintain a register on which it enters the name and address of (i) each SPC (other than any SPC that is treated as a disregarded entity of the Granting Lender for U.S. federal income tax purposes) that has exercised its option pursuant to Section 10.07(g) and (ii) each Participant, and the amount of each such SPC’s and Participant’s interest in such Lender’s rights and/or obligations under this Agreement complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the United States Treasury Regulations (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that such commitment, loan, letter of credit or other obligation is in registered form under Treasury Regulations Section 5f.103-1(c) and Proposed Treasury Regulations Section 1.163-5(b) (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and the Borrowers and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of the applicable rights and/or obligations of such Lender under this Agreement, notwithstanding notice to the contrary.

(n) In the event that a transfer by any of the Secured Parties of its rights and/or obligations under this Agreement (and/or any relevant Loan Document) occurred or was deemed to occur by way of novation, the Borrowers and any other Loan Parties explicitly agree that all securities and guarantees created under any Loan Documents shall be preserved for the benefit of the new Lender and the other Secured Parties.

(o) If any assignment or participation is made to any Disqualified Institution without the Parent Borrower’s prior written consent pursuant to this Section 10.07, the Parent Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) terminate any Revolving Credit Commitment of such Disqualified Institution and repay all obligations of the Borrowers owing to such Disqualified Institution in connection with such Revolving Credit Commitment, (B) in the case of outstanding Term Loans held by Disqualified Institutions, purchase or prepay such Term Loan by paying the lowest of (x) the principal amount thereof, (y) the amount that such Disqualified Institution paid to acquire such Term Loans and (z) the market price of such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (C) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 10.07), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lowest of (x) the principal amount thereof, (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations and (z)

the market price of such Term Loans, in each case *plus* accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

Section 10.08 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, trustees, representatives and agents, including accountants, legal counsel and other advisors and service providers on a need-to-know basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential in accordance with customary practices); (b) to the extent requested by any regulatory authority having jurisdiction over such Agent, Lender or its respective Affiliates or in connection with any pledge or assignment permitted under clause (f) below; (c) in any legal, judicial, administrative proceeding or other compulsory process or otherwise as required by applicable Laws or regulations or by any subpoena or similar legal process, in each case based upon the reasonable advice of the disclosing Agent's or Lender's legal counsel (in which case the disclosing Agent or Lender, as applicable, agrees (except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority), to the extent not prohibited by applicable Law, to promptly notify the Parent Borrower prior to such disclosure); (d) to any other party to this Agreement; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same (or more restrictive) as those of this Section 10.08, to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; provided that no such disclosure shall be made by such Lender or such Agent or any of their respective Affiliates to any such Person that is a Disqualified Institution (but with respect to any Lender and its Affiliates, only to the extent the list of Disqualified Institutions has been made available to such Lender); (g) with the written consent of Holdings; (h) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (i) to any state, federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Agent or Lender or any Affiliate of any Agent or Lender; (j) to any rating agency or the CUSIP Service Bureau or any similar agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Agent or Lender); (k) to any contractual counterparty (or prospective contractual counterparty) in any swap, hedge, or similar agreement or to any such contractual counterparty's (or prospective contractual counterparty's) professional advisor (other than a Disqualified Institution (but with respect to any Lender, only to the extent the list of Disqualified Institutions has been made available to such Lender)); (l) to such party's financing sources on a confidential basis; and (m) in connection with any pledge or assignment pursuant to Sections 10.07(f) or (j), provided that such pledgee or assignee agrees to abide by the confidentiality provisions of this Section 10.08. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions; provided that such Person is advised and agrees to be bound by the provisions of this Section 10.08.

For the purposes of this Section 10.08, "Information" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08 by such Lender or Agent. Any Person required to maintain the confidentiality of Information as provided in this Section 10.08 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent, each Lender and each L/C Issuer acknowledges that (i) the Information may include material non-public information concerning Holdings or any of its Subsidiaries, (ii) it has developed compliance procedures regarding the use of material non-public information and (iii) it will handle such material non-public information in accordance with applicable Law, including United States federal and state securities Laws.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THIS SECTION 10.08 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS, THE BORROWERS AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWERS OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS OR ANY OF ITS SUBSIDIARIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

Section 10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Secured Party is authorized at any time and from time to time, without prior notice to the Parent Borrower or any other Loan Party, any such notice being waived by Holdings (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in any currency), other than deposits in fiduciary accounts as to which a Loan Party is acting as fiduciary for another Person who is not a Loan Party and other than payroll or trust fund accounts, at any time held by, and other Indebtedness (in any currency) at any time owing by, such Lender to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Secured Party hereunder or under any other Loan Document (or other Secured Document (as defined in the Security Agreement)), now or hereafter existing, irrespective of whether or not such Agent or such Lender shall have made demand under this Agreement or any other Loan Document (or other Secured Document (as defined in the Security Agreement)) and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such Indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Secured Party agrees promptly to notify the Parent Borrower and the Administrative Agent after any such set-off and application made by such Secured Party; provided, however, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Secured Party under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Secured Party may have. Notwithstanding anything herein or in any other Loan Document to the contrary, in no event shall the assets of any Controlled Foreign Subsidiary or FSHCO (or other Excluded Property) constitute security for payment of the Obligations of the Borrower, it being understood that (a)(i) the Capital Stock of any Controlled Foreign Subsidiary or FSHCO that is directly owned by a Borrower or a Subsidiary Guarantor does not constitute such an asset, and may be pledged, to the extent set forth in Section 6.12 and (ii) proceeds of Excluded Property shall constitute security for payment of the Obligations of the Borrowers (unless such proceeds would constitute Excluded Property) and (b) the provisions hereof shall not limit, reduce or otherwise diminish in any respect the Borrowers' obligations to make any mandatory prepayment pursuant to Section 2.05(b)(ii).

Section 10.10 Interest Rate Limitation. Notwithstanding anything to the contrary in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest

contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts (and by different parties hereto in different counterparts), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

Section 10.12 Integration; Effectiveness. This Agreement and the other Loan Documents, and those provisions of the Engagement Letter and the Fee Letter that, by their terms, survive the termination or expiration of the Closing Date, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. It is expressly agreed and confirmed by the parties hereto that the provisions of the Engagement Letter and the Fee Letter shall survive the execution and delivery of this Agreement, the occurrence of the Closing Date, and shall continue in effect thereafter in accordance with their terms. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof. Except as provided in Section 4.01 or Section 4.02, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto as of the date hereof.

Section 10.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation (other than contingent indemnification or other obligations and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (other than Letters of Credit which have been Cash Collateralized).

Section 10.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15 Governing Law; Jurisdiction; Etc.

( a ) Governing Law. THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT (OTHER THAN WITH RESPECT TO ANY COLLATERAL DOCUMENTS TO THE EXTENT EXPRESSLY PROVIDED OTHERWISE THEREIN) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF, BUT INCLUDING SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

(b) Submission to Jurisdiction. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN WITH RESPECT TO ANY COLLATERAL DOCUMENT TO THE EXTENT EXPRESSLY PROVIDED OTHERWISE THEREIN), OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, ANY LENDER OR ANY L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

( c ) Waiver of Venue. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN SECTION 10.15(b). EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 10.16 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.17 Waiver of Right to Trial by Jury. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 10.18 Binding Effect. When this Agreement shall have become effective in accordance with Section 10.12, it shall thereafter shall be binding upon and inure to the benefit of Holdings, the Borrowers, each

Agent and each Lender and their respective successors and permitted assigns, except that the Borrowers shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of the Lenders, except as permitted by Section 7.03.

Section 10.19 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrowers and Holdings acknowledge and agree, and each of them acknowledge its Subsidiaries' understanding and acknowledge and agree that it has informed their other Affiliates, that: (i) (A) no Secured Party will have any obligations except those obligations expressly set forth herein and no fiduciary, advisory or agency relationship between any of Holdings and its Subsidiaries and any Agent or any Arranger (or their respective Affiliates) is intended to be or has been created in respect of any of the transactions contemplated hereby and by the other Loan Documents, irrespective of whether any Agent or any Arranger (or their respective Affiliates) has advised or is advising Holdings and its Subsidiaries on other matters, (B) the arranging and other services regarding this Agreement provided by the Agents and the Arrangers (or their respective Affiliates) are arm's-length commercial transactions between Holdings and its Subsidiaries, on the one hand, and the Agents and the Arrangers (or their respective Affiliates), on the other hand and no Secured Party is acting as a financial advisor or a fiduciary to, or an agent of the Borrowers or any other person, (C) no Secured Party is advising the Borrowers as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction and the Borrowers shall consult with its own advisors concerning such matters and shall be responsible for making their own independent investigation and appraisal of the transactions contemplated hereby, and the Secured Parties shall have no responsibility or liability to the Borrowers with respect thereto, and (D) the Borrowers and Holdings are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent and Arranger (or their respective Affiliates) is and has been acting solely as a principal and, except as may otherwise be expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for Holdings or the Borrowers or any of their respective Affiliates, or any other Person and (B) neither any Agent nor any Arranger has any obligation to Holdings or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) each Secured Party and its Affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrowers may have conflicting interests regarding the transactions described herein and otherwise; that no Secured Party will use confidential information obtained from the Borrowers by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrowers in connection with the performance by such Secured Party of services for other companies, and no Secured Party will furnish any such information to other companies and that no Secured Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower, confidential information obtained from other companies. The Borrowers agree that they will not assert any claim against any Secured Party based on an alleged breach of fiduciary duty by such Secured Party in connection with this Agreement or the other Loan Documents and the transactions contemplated hereby.

Section 10.20 Affiliate Activities. The Borrowers and Holdings acknowledge that each Agent and each Arranger (and their respective Affiliates) is a full service securities firm engaged, either directly or through affiliates, in various activities, including securities trading, investment banking and financial advisory, investment management, principal investment, hedging, financing and brokerage activities and financial planning and benefits counseling for both companies and individuals. In the ordinary course of these activities, any of them may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and/or financial instruments (including bank loans) for their own account and for the accounts of customers and may at any time hold long and short positions in such securities and/or instruments. Such investment and other activities may involve securities and instruments of Holdings and its Affiliates, as well as of other entities and persons and their Affiliates which may (i) be involved in transactions arising from or relating to the engagement contemplated hereby and by the other Loan Documents, (ii) be customers or competitors of Holdings and its Affiliates or (iii) have other relationships with Holdings and its Affiliates. In addition, it may provide investment banking, underwriting and financial advisory services to such other entities and persons. It may also co-invest with, make direct investments in, and invest or co-invest client monies in or with funds or other investment vehicles managed by other parties, and such funds or other investment vehicles may trade or make investments in securities of Holdings and its Affiliates or such other entities. The transactions contemplated hereby and by the other Loan Documents may have a direct or indirect impact on the investments, securities or instruments referred to in this clause.

Section 10.21 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “signed,” “signature,” and words of like import in any Loan Document, any Assignment and Assumption, any Committed Loan Notice or any amendment or other modification hereof or thereof (including waivers and consents) shall be deemed to include Electronic Signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.22 USA PATRIOT Act. Each Lender that is subject to the PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001, as amended from time to time)) (the “PATRIOT Act”), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act. Each Loan Party shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the PATRIOT Act.

Section 10.23 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrowers in respect of any such sum due from them to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Parent Borrower (or to any other Person who may be entitled thereto under applicable Law).

Section 10.24 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
  - (i) a reduction in full or in part or cancellation of any such liability;
  - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of

---

ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document;  
or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 1.02 Other Interpretive Provisions. With reference to this Agreement and each other Loan Document, unless otherwise specified herein or in such other Loan Document:

- (a) The meanings of defined terms are equally applicable to the singular and plural forms of the defined terms.
- (b) The words “herein,” “hereto,” “hereof” and “hereunder” and words of similar import when used in any Loan Document shall refer to such Loan Document as a whole and not to any particular provision thereof.
- (c) References in this Agreement to an Exhibit, Schedule, Article, Section, clause or subclause refer (A) to the appropriate Exhibit or Schedule to, or Article, Section, clause or subclause in this Agreement or (B) to the extent such references are not present in this Agreement, to the Loan Document in which such reference appears.
- (d) The term “including” is by way of example and not limitation.
- (e) The term “documents” includes any and all instruments, documents, agreements, certificates, notices, reports, financial statements and other writings, however evidenced, whether in physical or electronic form.
- (f) Any reference herein to any Person shall be construed to include such Person’s successors and assigns.
- (g) In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including;” the words “to” and “until” each mean “to but excluding;” and the word “through” means “to and including.”

(i) In measuring compliance with this Agreement with respect to any (x) Investment or acquisition, in each case, for which Holdings or any Subsidiary thereof may not terminate its obligations under the documentation therefor due to a lack of financing for such Investment or acquisition (whether by merger, consolidation or other business combination or acquisition of Capital Stock or otherwise) as applicable and (y) repayment, repurchase or refinancing of Indebtedness with respect to which an irrevocable notice of repayment (or similar irrevocable notice), which may be conditional, has been delivered, in each case for purposes of determining:

- (1) whether any Indebtedness (including Acquired Indebtedness) that is being incurred in connection with such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness is permitted to be incurred in compliance with Section 7.01;
- (2) whether any Lien being incurred in connection with such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness or to secure any such Indebtedness is permitted to be incurred in accordance with Section 7.02 or the definition of "Permitted Liens";
- (3) whether any other transaction undertaken or proposed to be undertaken in connection with such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness complies with the covenants or agreements contained in this Agreement; and
- (4) any calculation of the ratios or baskets, including Consolidated First Lien Net Leverage Ratio, Consolidated Total Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio, Consolidated Net Income, Consolidated EBITDA and/or Pro Forma Cost Savings and baskets determined by reference to Consolidated EBITDA or Consolidated Net Tangible Assets and, whether a Default or Event of Default exists in connection with the foregoing,

at the option of the Parent Borrower, the date that the definitive agreement for such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness is entered into or notice, which may be conditional, of such repayment, repurchase or refinancing of Indebtedness is given to the holders of such Indebtedness (the "Transaction Agreement Date") may be used as the applicable date of determination, as the case may be, in each case with such pro forma adjustments as are appropriate and consistent with the pro forma adjustment provisions set forth in the definition of "Pro Forma Basis" or "Consolidated EBITDA." For the avoidance of doubt, if the Parent Borrower elects to use the Transaction Agreement Date as the applicable date of determination in accordance with the foregoing, (a) any fluctuation or change in the Consolidated First Lien Net Leverage Ratio, Consolidated Total Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio, Consolidated Net Income, Consolidated EBITDA, Consolidated Net Tangible Assets and/or Pro Forma Cost Savings of the Borrowers from the Transaction Agreement Date to the consummation of such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, will not be taken into account for purposes of determining whether any Indebtedness or Lien that is being incurred in connection with such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, or in connection with compliance by the Borrowers or any of the Subsidiaries with any other provision of the Loan Documents or any other transaction undertaken in connection with such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, is permitted to be incurred and (b) until such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness is consummated or such definitive agreements are terminated (or conditions in any conditional notice can no longer be met or such notice is otherwise revoked or withdrawn by the Parent Borrower), such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness and all transactions proposed to be undertaken in connection therewith (including the incurrence of Indebtedness and Liens) will be given pro forma effect when determining compliance of other transactions (including the incurrence of Indebtedness and Liens unrelated to such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness) that are consummated after the Transaction Agreement Date and on or prior to the consummation of such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness and any such transactions (including any incurrence of Indebtedness and the use of proceeds thereof) will be deemed to have occurred on the date the definitive agreements are entered and outstanding thereafter for purposes of calculating any baskets or ratios under the Loan Documents after the date of such agreement and before the consummation

of such Investment, acquisition or repayment, repurchase or refinancing of Indebtedness; provided that the calculation of Consolidated Net Income (and any defined term a component of which is Consolidated Net Income) shall not include the Consolidated Net Income of the Person or assets to be acquired in the relevant Investment or acquisition for purposes of calculating whether the Borrowers or any Subsidiary are permitted to make any Restricted Payment pursuant to Section 7.05 until such time as such Investment or acquisition is actually consummated.

(j) As used in Article VII and the definitions of “Permitted Investments” and “Permitted Liens”, the term “Consolidated EBITDA” is deemed to refer to Consolidated EBITDA of the Borrower Parties for the four fiscal quarter period most recently then ended for which financial statements have been delivered pursuant to Section 6.01(a) or (b), as applicable, calculated on a Pro Forma Basis.

#### Section 1.03 Accounting Term.

(a) All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, as in effect from time to time.

(b) If at any time any change in GAAP or the application thereof would affect the computation or interpretation of any financial ratio, basket, requirement or other provision set forth in any Loan Document, and either the Parent Borrower or the Required Lenders shall so request, the Administrative Agent and the Parent Borrower shall negotiate in good faith to amend such ratio, basket, requirement or other provision to preserve the original intent thereof in light of such change in GAAP or the application thereof (subject to the approval of the Required Lenders not to be unreasonably withheld, conditioned or delayed); provided that, until so amended, (i) (A) such ratio, basket, requirement or other provision shall continue to be computed or interpreted in accordance with GAAP or the application thereof prior to such change therein and (B) the Parent Borrower shall provide to the Administrative Agent and the Lenders a written reconciliation in form and substance reasonably satisfactory to the Administrative Agent, between calculations of such ratio, basket, requirement or other provision made before and after giving effect to such change in GAAP or the application thereof or (ii) the Parent Borrower may elect to fix GAAP (for purposes of such ratio, basket, requirement or other provision) as of another later date notified in writing to the Administrative Agent from time to time.

(c) Notwithstanding anything to the contrary contained herein, all such financial statements shall be prepared, and all financial covenants contained herein or in any other Loan Document shall be calculated, in each case, without giving effect to any election under FASB ASC 825 (or any similar accounting principle) permitting a Person to value its financial liabilities at the fair value thereof.

Section 1.04 Rounding. Any financial ratios required to be maintained by the Parent Borrower, or satisfied in order for a specific action to be permitted, under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Section 1.05 References to Agreements and Laws. Unless otherwise expressly provided herein, (a) references to Organization Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by any Loan Document and (b) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law. References to specific provisions (or defined terms) in the First Lien Facilities Documentation shall be to such provisions (or defined terms) as amended or replaced (to the extent such amendment or replacement is permitted by the Loan Documents), and cross-references shall be deemed amended as necessary to refer to the same provisions that are referenced in the First Lien Facilities Documentation as in effect on the Closing Date.

Section 1.06 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight savings or standard, as applicable).

Section 1.07 Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as specifically provided in Section 2.12 or as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day.

Section 1.08 Currency Equivalents Generally.

(a) Any amount specified in this Agreement (other than in Articles II, IX and X or as set forth in clause (b) of this Section 1.08) or any of the other Loan Documents to be in Dollars shall also include the equivalent of such amount in any currency other than Dollars, such equivalent amount to be determined at the rate of exchange quoted by the Reuters World Currency Page for such other currency at 11:00 a.m. (London time) on such day (or, in the event such rate does not appear on any Reuters World Currency Page, by reference to such other publicly available service for displaying exchange rates as may be agreed upon by the Administrative Agent and the Parent Borrower, or, in the absence of such agreement, such rate shall instead be the arithmetic average of the spot rates of exchange of the Administrative Agent in the market where its foreign currency exchange operations in respect of such currency are then being conducted, at or about 10:00 a.m. (New York City time) on such date for the purchase of Dollars for delivery two Business Days later); provided that if any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates.

(b) For purposes of determining the Consolidated First Lien Net Leverage Ratio, the Consolidated Total Net Leverage Ratio and the Consolidated Senior Secured Net Leverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars at the Dollar Equivalent at such date, and will, in the case of Indebtedness and Consolidated Funded Indebtedness, be the weighted average exchange rates used for determining Consolidated EBITDA for the relevant period, provided that if any Borrower Party has entered into any currency Swap Contracts in respect of any borrowings, the currency and amount of such borrowings shall be determined by first taking into account the effects of that currency Swap Contract.

(c) The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "Eurocurrency Rate" or with respect to any comparable or successor rate thereto.

Section 1.09 [Reserved].

Section 1.10 Pro Forma Calculations. Notwithstanding anything to the contrary herein (subject to Section 1.02(i)), the Consolidated First Lien Net Leverage Ratio, the Consolidated Total Net Leverage Ratio, the Consolidated Senior Secured Net Leverage Ratio, Consolidated EBITDA and Consolidated Net Tangible Assets shall be calculated (including for purposes of Sections 2.14 and 2.15) on a Pro Forma Basis with respect to each Specified Transaction occurring during the applicable four quarter period to which such calculation relates, and/or subsequent to the end of such four-quarter period but not later than the date of such calculation; provided that notwithstanding the foregoing, when calculating the Consolidated First Lien Net Leverage Ratio for purposes of (i) determining the applicable percentage of Excess Cash Flow for purposes of Section 2.05(b), (ii) the Applicable Rate and (iii) determining actual compliance (and not Pro Forma Compliance or compliance on a Pro Forma Basis) with any Specified Transaction and any related adjustment contemplated in the definition of Pro Forma Basis (and corresponding provisions of the definition of Consolidated EBITDA) that occurred subsequent to the end of the applicable four quarter period shall not be given Pro Forma Effect.

Section 1.11 Calculation of Baskets. If any of the baskets set forth in this Agreement are exceeded solely as a result of fluctuations to Consolidated Net Tangible Assets for the most recently completed fiscal quarter after the last time such baskets were calculated for any purpose under this Agreement, such baskets will not be deemed to have been exceeded solely as a result of such fluctuations.

ARTICLE II.  
The Commitments and Credit Extensions

Section 2.01 The Loans.

(a) The Initial Borrowing. Subject to the terms and conditions set forth herein, each Lender with an Initial Commitment severally agrees to make a single loan denominated in Dollars (the “Initial Loans”) to the Borrowers on the Closing Date in an amount not to exceed such Lender’s Initial Commitment. The Initial Borrowing shall consist of Initial Loans made simultaneously by the Lenders in accordance with their respective Initial Commitments. Amounts borrowed under this Section 2.01(a) and subsequently repaid or prepaid may not be reborrowed. Initial Loans may be Base Rate Loans or Eurocurrency Rate Loans as further provided herein. Notwithstanding the Borrowers’ joint and several liability for all payments to be made under this Agreement, as of the Closing Date, each Borrower hereby agrees, solely as between such Persons that, including for federal or state income tax purposes, the initial principal amount of the outstanding Initial Borrowing of the Parent Borrower is \$18,088,087.33, the initial principal amount of the outstanding Initial Borrowing of Vector is \$34,513,019.72, the initial principal amount of the outstanding Initial Borrowing of Cygnus is \$33,928,948.71 and the initial principal amount of the outstanding Initial Borrowing of TriLink is \$13,469,944.24.

(b) [Reserved].

(c) After the Closing Date, subject to and upon the terms and conditions set forth herein, each Lender with a Commitment (other than an Initial Commitment) with respect to any Tranche of Loans (other than Initial Loans) severally agrees to make a Loan denominated in Dollars under such Tranche to the Borrowers in an amount not to exceed such Lender’s Commitment under such Tranche on the date of incurrence thereof, which Loans under such Tranche shall be incurred pursuant to a single drawing on the date set forth for such incurrence. Such Loans may be Base Rate Loans or Eurocurrency Rate Loans as further provided herein. Once repaid, Loans incurred hereunder may not be reborrowed.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of Eurocurrency Rate Loans, shall be made upon irrevocable notice by the Parent Borrower to the Administrative Agent. Each such notice must be in writing and must be received by the Administrative Agent not later than (i) 12:00 p.m. (New York City time) three Business Days prior to the requested date of any Borrowing of, conversion of Base Rate Loans to, or continuation of, Eurocurrency Rate Loans (or in the case of any such Borrowing to be made on the Closing Date, one Business Day prior to the Closing Date) and (ii) 12:00 p.m. on the requested date of any Borrowing of Base Rate Loans or of any conversion of Eurocurrency Rate Loans to Base Rate Loans. Each notice pursuant to this Section 2.02(a) shall be delivered to the Administrative Agent in the form of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Parent Borrower.

Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be (i) in a principal amount of \$2,000,000, or (ii) a whole multiple of \$1,000,000 in excess thereof. Each Borrowing of, or conversion to, Base Rate Loans shall be (i) in a principal amount of \$500,000, or (ii) a whole multiple of \$500,000 in excess thereof.

Each Committed Loan Notice shall specify (i) whether the Borrowers are requesting a Borrowing, a conversion of a Tranche of Loans from one Type to the other, or a continuation of Eurocurrency Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Tranche of Loans are to be converted, (v) if applicable, the duration of the Interest Period with respect thereto and (vi) the applicable Borrower to which such Loan shall be made. If, with respect to any Eurocurrency Rate Loans, the Parent Borrower fails to specify a Type of Loan in a Committed Loan Notice or if the Parent Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Tranche of Loans shall be made as, or converted to, Eurocurrency Rate Loans with an Interest Period of 1 month. Any such automatic conversion or continuation pursuant to the immediately preceding sentence shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. If the Parent

Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each applicable Lender of the amount of its ratable share of the applicable Tranche of Loans, and if no timely notice of a conversion or continuation of Eurocurrency Rate Loan is provided by the Parent Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Eurocurrency Rate Loans with an Interest Period of one month as described in Section 2.02(a). In the case of a Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 1:00 p.m. (New York City time), on the Business Day specified in the applicable Committed Loan Notice. Each Lender may, at its option, make any Loan available to the Borrowers by causing any foreign or domestic branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement. Upon satisfaction of the applicable conditions set forth in Section 4.01, the Administrative Agent shall make all funds so received available to the Borrowers in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrowers on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Parent Borrower.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the Borrowers pay the amount due under Section 3.06 in connection therewith. During the existence of an Event of Default, at the election of the Administrative Agent or the Required Lenders, no Loans may be requested as, converted to or continued as Eurocurrency Rate Loans.

(d) The Administrative Agent shall promptly notify the Parent Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate by the Administrative Agent shall be conclusive in the absence of manifest error.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans of the same Type, there shall not be more than ten Interest Periods in effect.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing, which for the avoidance of doubt does not limit such Lender's obligations under Section 2.17.

Section 2.03 [Reserved].

Section 2.04 [Reserved].

Section 2.05 Prepayments.

(a) Optional. (i) A Borrower may, upon notice by the Parent Borrower substantially in the form of Exhibit L-1 to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty except as set forth in Section 2.05(a)(iii) below; provided that (1) such notice must be received by the Administrative Agent not later than 2:00 p.m. (New York City time) (A) three Business Days prior to any date of prepayment of Eurocurrency Rate Loan and (B) on the date of prepayment of Base Rate Loans (or such shorter period as the Administrative Agent shall agree); (2) any prepayment of Eurocurrency Rate Loans shall be (x) in a principal amount of \$2,000,000, or (y) a whole multiple of \$1,000,000 in excess thereof; and (3) any prepayment of Base Rate Loans shall be (x) in a principal amount of \$500,000, or (y) a whole multiple of \$500,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice

shall specify the date, amount and currency of such prepayment, the Tranche of Loans to be prepaid, the Type(s) of Loans to be prepaid and, if Eurocurrency Rate Loans are to be prepaid, the Interest Period(s) of such Loans (except that if the class of Loans to be prepaid includes both Base Rate Loans and Eurocurrency Rate Loans, absent direction by the Parent Borrower, the applicable prepayment shall be applied first to Base Rate Loans to the full extent thereof before application to Eurocurrency Rate Loans, in each case in a manner that minimizes the amount payable by the applicable Borrower in respect of such prepayment pursuant to Section 3.06). The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's ratable share of the relevant Facility). If such notice is given by the Parent Borrower, subject to clause (ii) below, the applicable Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 2.05(a)(iii) and Section 3.06. Subject to Section 2.17, each prepayment of outstanding Tranches pursuant to this Section 2.05(a) shall be applied to the Tranche or Tranches designated on such notice on a *pro rata* basis within such Tranche. Subject to Section 2.17, each prepayment of an outstanding Tranche pursuant to this Section 2.05(a) shall be applied to the remaining amortization payments of such Tranche as directed by the Parent Borrower (or, if the Parent Borrower has not made such designation, in direct order of maturity), but, in any event, on a pro rata basis to the Lenders within such Tranche.

(ii) Notwithstanding anything to the contrary contained in this Agreement, any notice of prepayment under Section 2.05(a)(i) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Parent Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(iii) Notwithstanding anything to the contrary contained in this Agreement, if the Borrowers (A) make a voluntary prepayment of any Initial Loans pursuant to Section 2.05(a) or (B) make a repayment of any Initial Loans pursuant to Section 2.05(b)(iii), the Borrowers shall pay to the Administrative Agent, for the ratable account of the applicable Lenders with respect to clauses (A) and (B), (x) if such payment or prepayment is made on or prior to the first anniversary of the Closing Date, a prepayment premium in an amount equal to 2.00% of the principal amount of Loans prepaid or repaid or (y) if such prepayment or repayment is made on or prior to the second anniversary of the Closing Date but after the first anniversary of the Closing Date, a prepayment premium in an amount equal to 1.00% of the principal amount of Loans prepaid or repaid (the "Prepayment Premium"); provided no Prepayment Premium will be required after the second anniversary of the Closing Date.

( b ) Mandatory. (i) For any Excess Cash Flow Period, within ten Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(b) (or, if later, the date on which such financial statements and such Compliance Certificate are required to be delivered), the Parent Borrower shall prepay an aggregate principal amount of Term Loans in an amount equal to (A) 50% (as may be adjusted pursuant to the proviso below) of Excess Cash Flow for such Excess Cash Flow Period, *minus* (B) the sum of (1) the aggregate amount of voluntary principal prepayments of the Loans and "Loans" as defined in the First Lien Credit Agreement, in each case, made during the period commencing on the first day of the relevant Excess Cash Flow Period and ending on the date immediately prior to the date on which the relevant Excess Cash Flow prepayment is or would be required to be made (excluding prepayments at a discount to par and open market purchases) (except prepayments of Loans (as defined in the First Lien Credit Agreement) under any Revolving Tranche (as defined in the First Lien Credit Agreement) that are not accompanied by a corresponding permanent commitment reduction of the Revolving Tranches (as defined in the First Lien Credit Agreement)), in each case other than to the extent that any such prepayment is funded with the proceeds of Specified Refinancing Debt, Refinancing Notes or any other long-term Indebtedness and (2) any amount not required to be applied to such prepayment pursuant to Section 2.05(b)(viii) or (ix); provided that such percentage in respect of any Excess Cash Flow Period shall be reduced to 25% or 0% if the Consolidated First Lien Net Leverage Ratio as of the last day of the fiscal year to which such Excess Cash Flow Period relates was equal to or less than 4.00:1.00 or 3.50:1.00, respectively; provided, further, that no prepayment shall be required with respect to any Excess Cash Flow Period to the extent Excess Cash Flow for such period is equal to or less than \$1,000,000 (and for such period such prepayment shall be limited to the amount in excess of \$1,000,000); provided, further, that, if the Consolidated First Lien Net Leverage Ratio on a Pro Forma Basis after giving effect to any Excess Cash Flow prepayment would result in the percentage in respect of the applicable Excess Cash Flow Period being reduced

to 25% or 0%, then such reduced percentage applicable to the Excess Cash Flow prepayment required to be made shall apply; provided, further, that no such prepayment shall be required for any Excess Cash Flow Period (x) if any First Lien Facilities remain outstanding at the time the financial statements and related Compliance Certificate for such Excess Cash Flow Period are required to be delivered pursuant to this Section 2.05(b)(i) or (y) unless with the proceeds of mandatory prepayments pursuant to Section 2.05(b)(i) of the First Lien Credit Agreement declined by the Lenders thereunder.

(ii) If any Asset Sale or Casualty Event (or series of related Asset Sales or Casualty Events) results in the receipt by any Borrower or any Subsidiary of aggregate Net Cash Proceeds in excess of \$2,500,000 (“Relevant Transaction”), then, except to the extent the Parent Borrower elects in a written notice to reinvest all or a portion of such Net Cash Proceeds in accordance with Section 7.04, the Borrowers shall prepay, subject to Section 2.05(b)(viii), an aggregate principal amount of Loans in an amount equal to 100% (as may be adjusted pursuant to the second proviso below) of the Net Cash Proceeds received from such Relevant Transaction within 15 Business Days of receipt thereof (or within 15 Business Days after the later of the date the threshold referred to above is first exceeded and the date the relevant Net Cash Proceeds are received) by such Borrower or such Subsidiary; provided that such Borrower may use a portion of the Net Cash Proceeds received from such Relevant Transaction to prepay or repurchase any other Indebtedness (and, in the case of revolving indebtedness, permanently reduce related commitments) that is secured by the Collateral on a *pari passu* basis with Liens securing the Obligations to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Relevant Transaction, to the extent not deducted in the calculation of Net Cash Proceeds, in each case in an amount not to exceed the product of (1) the amount of such Net Cash Proceeds and (2) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Section 1.08) and the denominator of which is the aggregate outstanding principal amount of Loans and such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Article I); provided, further, that, so long as no Event of Default shall have occurred and be continuing or would result therefrom, such prepayment percentage shall be reduced from 100% to 50% or 0% if, on a Pro Forma Basis after giving effect to such Asset Sale or Casualty Event, as the case may be, and the use of proceeds therefrom, the Consolidated First Lien Net Leverage Ratio would be equal to or less than 5.175:1.00 or 4.60:1.00 (such amounts not required to be prepaid as a result of such prepayment percentage reduction, the “Retained Asset Sale Proceeds”), respectively; provided, further, that only the amount of Net Cash Proceeds in excess of \$2,500,000 in any fiscal year shall be subject to prepayment pursuant to this Section 2.05(b)(ii); provided further, that until the Discharge of First Lien Credit Agreement Obligations, no mandatory prepayments of Loans shall be required under this Section 2.05(b)(ii), pursuant to the terms hereof and Section 7.04, except to the extent of mandatory prepayments pursuant to Section 2.05(b)(ii) of the First Lien Credit Agreement declined by the lenders thereunder.

(iii) Upon the incurrence or issuance by any Borrower or any Subsidiary of (A) any Refinancing Notes, (B) any Specified Refinancing Loans or (C) any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.01, the Borrowers shall prepay an aggregate principal amount of Tranches in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by such Borrower or such Subsidiary; provided, that until (x) the Discharge of First Lien Credit Agreement Obligations and (y) the discharge of any indebtedness secured on a *pari passu* basis with the First Lien Credit Agreement Obligations (an “Other First Lien Loan Facility”) in the form of loans requiring such mandatory prepayments, no mandatory prepayments of Loans shall be required under clause (C) of this Section 2.05(b)(iii), except to the extent of mandatory prepayments pursuant to Section 2.05(b)(iii) of the First Lien Credit Agreement (or a similar provision under any Other First Lien Loan Facility) declined by the lenders thereunder.

(iv) [Reserved].

(v) [Reserved].

(vi) Subject to Section 2.17, each prepayment of Loans pursuant to this Section 2.05(b) shall be applied to each Tranche on *pro rata* basis (or, if agreed to in writing by the Majority Lenders of a Tranche, in a manner that provides for more favorable prepayment treatment of other Tranches, so long as each other such

Tranche receives its Pro Rata Share of any amount to be applied more favorably, except to the extent otherwise agreed by the Majority Lenders of each Tranche receiving less than such Pro Rata Share) (other than a prepayment of (x) Loans with the proceeds of Indebtedness incurred pursuant to Section 2.18, which shall be applied to the Tranche being refinanced pursuant thereto or (y) Loans with the proceeds of any Refinancing Notes issued to the extent permitted under Section 7.01(a), which shall be applied to the Tranche being refinanced pursuant thereto). Amounts to be applied to a Term Loan Tranche in connection with prepayments made pursuant to this Section 2.05(b) shall be applied to the remaining scheduled installments with respect to such Term Loan Tranche in direct order of maturity. Each prepayment of Loans under a Facility pursuant to this Section 2.05(b) shall be applied on a *pro rata* basis to the then outstanding Base Rate Loans and Eurocurrency Rate Loans under such Facility; provided that, if there are no Declining Lenders with respect to such prepayment, then the amount thereof shall be applied first to Base Rate Loans under such Facility to the full extent thereof before application to Eurocurrency Rate Loans, in each case in a manner that minimizes the amount payable by the Borrowers in respect of such prepayment pursuant to Section 3.06.

(vii) All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.06 and, to the extent applicable, any additional amounts required pursuant to Section 2.05(a)(iii). Notwithstanding any of the other provisions of this Section 2.05(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.05(b), other than on the last day of the Interest Period therefor, the Borrowers may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a cash collateral account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrowers or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05(b) (it being agreed, for clarity, that interest shall continue to accrue on the Loans so prepaid until the amount so deposited is actually applied to prepay such Loans). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrowers or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.05(b).

(viii) Notwithstanding any other provisions of this Section 2.05, to the extent that any or all of the Net Cash Proceeds of any Asset Sale by a Foreign Subsidiary (or a Domestic Subsidiary of a Foreign Subsidiary) (a "Foreign Disposition") or the Net Cash Proceeds of any Casualty Event from a Foreign Subsidiary (or a Domestic Subsidiary of a Foreign Subsidiary) (a "Foreign Casualty Event"), in each case giving rise to a prepayment event pursuant to Section 2.05(b)(ii), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.05(b)(i) are or is prohibited, restricted or delayed by applicable local law, rule or regulation (including, without limitation, financial assistance and corporate benefit restrictions and fiduciary and statutory duties of any director or officer of such Subsidiaries) from being repatriated to the Parent Borrower or so prepaid or such repatriation or prepayment would present a material risk of liability for the applicable Subsidiary or its directors or officers (or gives rise to a material risk of breach of fiduciary or statutory duties by any director or officer), the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in this Section 2.05 but may be retained by the applicable Foreign Subsidiary.

(ix) Notwithstanding any other provisions of this Section 2.05, to the extent that the Parent Borrower has determined in good faith that repatriation of any or all of the Net Cash Proceeds of any Foreign Disposition or any Foreign Casualty Event, in each case giving rise to a prepayment event pursuant to Section 2.05(b)(ii), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.05(b)(i) would have a material adverse tax cost consequence on the Parent Borrower or any Subsidiary or their Affiliates (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.

(c) Lender Opt-Out. With respect to any prepayment of Initial Loans and, unless otherwise specified in the documents therefor, other Term Tranches pursuant to Section 2.05(b)(ii) or (iii), any Appropriate Lender, at its option (but solely to the extent the Parent Borrower elects for this clause (c) to be applicable to a given prepayment), other than in connection with any Refinancing Notes or any Specified Refinancing Loans, may elect

not to accept such prepayment as provided below. The Parent Borrower may notify the Administrative Agent of any event giving rise to a prepayment under Section 2.05(b)(ii) or (iii) at least ten Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment that is required to be made under Section 2.05(b)(ii) or (iii) (the “Prepayment Amount”). The Administrative Agent will promptly notify each Appropriate Lender of the contents of any such prepayment notice so received from the Parent Borrower, including the date on which such prepayment is to be made (the “Prepayment Date”). Any Appropriate Lender may (but solely to the extent the Parent Borrower elects for this clause (c) to be applicable to a given prepayment) decline to accept all (but not less than all) of its share of any such prepayment (any such Lender, a “Declining Lender”) by providing written notice to the Administrative Agent no later than five Business Days after the date of such Appropriate Lender’s receipt of notice from the Administrative Agent regarding such prepayment. If any Appropriate Lender does not give a notice to the Administrative Agent on or prior to such fifth Business Day informing the Administrative Agent that it declines to accept the applicable prepayment, then such Lender will be deemed to have accepted such prepayment. On any Prepayment Date, an amount equal to the Prepayment Amount minus the portion thereof allocable to Declining Lenders, in each case for such Prepayment Date, shall be paid to the Administrative Agent by the Parent Borrower and applied by the Administrative Agent ratably to prepay Loans under the Tranches owing to Appropriate Lenders (other than Declining Lenders) in the manner described in Section 2.05(b) for such prepayment. Any amounts that would otherwise have been applied to prepay Loans owing to Declining Lenders shall be retained by the Borrowers, unless contrary to the terms of First Lien/Second Lien Intercreditor Agreement (such amounts, “Declined Amounts”).

(d) All Loans shall be repaid, whether pursuant to this Section 2.05 or otherwise, in the currency in which they were made.

Section 2.06 Termination or Reduction of Commitments. The Aggregate Commitments under Tranche shall be automatically and permanently reduced to zero on the date of the initial incurrence of Loans under such Tranche, which in the case of the Initial Commitments shall be the Closing Date.

Section 2.07 Repayment of Loans.

(a) Initial Loans. The Borrowers shall repay to the Administrative Agent for the ratable account of the Lenders holding Initial Loans on the Maturity Date, the aggregate principal amount of all Initial Loans outstanding on such date.

(b) [Reserved].

(c) All Loans shall be repaid, whether pursuant to this Section 2.07 or otherwise, in the currency in which they were made.

Section 2.08 Interest.

(a) Subject to the provisions of the following sentence, (i) each Eurocurrency Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the sum of (A) the Adjusted Eurocurrency Rate for such Interest Period *plus* (B) the Applicable Rate for Eurocurrency Rate Loans under such Facility; and (ii) each Base Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof from the applicable borrowing date or conversion date, as the case may be, at a rate per annum equal to the sum of (A) the Base Rate *plus* (B) the Applicable Rate for Base Rate Loans under such Facility. The Borrowers shall pay interest on all overdue Obligations hereunder, which shall include all Obligations following an acceleration pursuant to Section 8.02 (including an automatic acceleration) at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(b) Accrued interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein; provided that in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of

such repayment or prepayment. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

- (c) Interest on each Loan shall be payable in the currency in which each Loan was made.
- (d) All computations of interest hereunder shall be made in accordance with Section 2.10 of this Agreement.

Section 2.09 Fees. The Borrowers shall pay to the Lenders, the Arrangers and the Administrative Agent such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified.

Section 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulations Section 5f.103-1(c), as a non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the written request of any Lender made through the Administrative Agent, the Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) [Reserved].

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.11(a), and by each Lender in its accounts or records pursuant to Section 2.11(a), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrowers to, in the case of the Register, each Lender and, in the case of such accounts or records, such Lender, under this Agreement and the other Loan Documents, absent manifest error; provided that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such accounts or records shall not limit the obligations of the Borrowers under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 3:00 p.m. (New York City time) on the date specified herein. The Administrative Agent will promptly

distribute to each Lender its ratable share in respect of the relevant Facility or Tranche thereof (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 3:00 p.m. (New York City time) shall, at the option of the Administrative Agent, be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(b) (i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Rate Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 1:00 p.m. (New York City time) on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with and at the time required by Section 2.02(b) and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if any Lender does not in fact make its share of the applicable Borrowing available to the Administrative Agent, then such Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand an amount equal to such applicable share in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrowers by the Administrative Agent to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the NYFRB Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing and (B) in the case of a payment to be made by the Borrowers, the interest rate applicable to Base Rate Loans under the applicable Facility. If both the Borrowers and such Lender pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid (less interest and fees) shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make its share of any Borrowing available to the Administrative Agent.

(ii) Payments by the Borrowers; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Parent Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Appropriate Lenders the amount due. In such event, if the Borrowers do not in fact make such payment, then each of the Appropriate Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed by the Administrative Agent to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

A notice of the Administrative Agent to any Lender or the Parent Borrower with respect to any amount owing under this Section 2.12(b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrowers by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender on demand, without interest.

(d) Obligations of the Lenders Several. The obligations of the Lenders hereunder to make Loans and to make payments pursuant to Section 9.07 are several and not joint. The failure of any Lender to make any Loan or to make any payment under Section 9.07 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or to make its payment under Section 9.07.

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(g) Unallocated Funds. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's ratable share of the sum of the Outstanding Amount of all Loans or other Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein (including the application of funds arising from the existence of a Defaulting Lender), any Lender shall obtain on account of the Loans made by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact and (b) purchase from the other Lenders such participations in the Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans, *pro rata* with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The Borrowers agree that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For the avoidance of doubt, the provisions of this Section shall not be construed to apply to (A) the assignments and participations (including by means of a Dutch Auction and open market debt repurchases) described in Section 10.07, (B) (i) the incurrence of any New Loans in accordance with Section 2.14, or (ii) any Specified Refinancing Debt in accordance with Section 2.18, (C) any loan modification offer described in Section 10.01, or (D) any applicable circumstances contemplated by Sections 2.05(b), 2.14, 2.17 or 3.08.

#### Section 2.14 Incremental Facilities.

(a) The Borrowers may, from time to time after the Closing Date, upon notice by the Parent Borrower to the Administrative Agent specifying the proposed amount thereof and the proposed currency denomination

thereof, request (i) an increase in any Tranche then outstanding (which shall be on the same terms as, and become part of, the Tranche proposed to be increased hereunder) (each, a “Commitment Increase”) and (ii) the addition of one or more new term loan facilities, in each case, in such currency or currencies as the Parent Borrower identifies in such notice (each, a “New Facility”; and any advance made by a Lender thereunder, a “New Loan”; and the commitments thereof, the “New Commitment”) in an amount not to exceed the sum of (x) \$25,000,000 *minus* the amount incurred prior to the date of incurrence thereof under the First Lien Cash-Capped Incremental Amount (the “Cash-Capped Incremental Facility”) and (y) an unlimited amount (the “Ratio-Based Incremental Facility”) so long as the Maximum Leverage Requirement is satisfied (such sum, at any such time, the “Incremental Amount”); provided that any such request for an increase shall be in a minimum amount of the lesser of (x) \$3,500,000, and (y) the entire amount of any increase that may be requested under this Section 2.14; provided, further, that for purposes of any Commitment established pursuant to this Section 2.14 and New Incremental Notes issued pursuant to Section 2.15:

(A) the Borrowers shall be deemed to have used the Ratio-Based Incremental Facility (to the extent compliant therewith) prior to utilization of the Cash-Capped Incremental Facility,

(B) New Commitments pursuant to this Section 2.14 and New Incremental Notes pursuant to Section 2.15 may be incurred under the Ratio-Based Incremental Facility (to the extent compliant therewith) and the Cash-Capped Incremental Facility, and proceeds from any such incurrence may be utilized in a single transaction by first calculating the incurrence under the Ratio-Based Incremental Facility (without inclusion of any amounts substantially concurrently utilized pursuant to the Cash-Capped Incremental Facility) and then calculating the incurrence under the Cash-Capped Incremental Facility, and

(C) solely for the purpose of calculating the Consolidated Senior Secured Net Leverage Ratio or the Consolidated Total Net Leverage Ratio to determine the availability under the Ratio-Based Incremental Facility at the time of incurrence, any cash proceeds incurred pursuant to this Section 2.14 and/or New Incremental Notes being incurred at such test date in calculating such Consolidated Senior Secured Net Leverage Ratio or Consolidated Total Net Leverage Ratio shall be excluded.

The Borrowers may designate any Person (such Person, the “Incremental Arranger”) with such titles under the New Commitments as Borrowers may deem appropriate.

(b) Any Lender approached to participate in any New Commitment may elect or decline, in its sole discretion, to participate in such increase or new facility. The Borrowers may also invite additional Eligible Assignees with the consent of the Administrative Agent to become Lenders pursuant to a joinder agreement to this Agreement.

(c) If (i) a Tranche is increased in accordance with this Section 2.14 or (ii) a New Facility is added in accordance with this Section 2.14, the Borrowers shall determine the effective date (the “Increase Effective Date”) and the final allocation of such increase, New Facility among the applicable Lenders. In connection with (i) any increase in a Tranche or (ii) any addition of a New Facility, in each case, pursuant to this Section 2.14, this Agreement and the other Loan Documents shall be amended in a writing (which shall be executed and delivered by the Borrowers and the Administrative Agent (and the Lenders hereby authorize the Administrative Agent to execute and deliver any such documentation)) in order to establish the New Facility or to effectuate the increases to the Tranche and to reflect any technical changes necessary or appropriate to give effect to such increase or new facility in accordance with its terms as set forth herein.

(d) With respect to any Commitment Increase or addition of a New Facility pursuant to this Section 2.14, (i) no Event of Default (subject to Section 1.02(i) in connection with any acquisition or investment) would exist after giving effect to such increase; (ii) (A) in the case of any increase of a Tranche, the final maturity of the Loans, New Commitments or Specified Refinancing Loans increased pursuant to this Section shall be no earlier than the Latest Maturity Date for, and such additional Loans shall not have a Weighted Average Life to Maturity shorter than the longest remaining Weighted Average Life to Maturity of, any other outstanding Loans, New Loans or Specified Refinancing Loans, as applicable; provided that Extendable Bridge Loans may have a maturity date earlier than the Latest Maturity Date of all then outstanding Loans and (B) in the case of any New Facility, (1) other than in the case of Extendable Bridge Loans, such New Facility shall have a final maturity no earlier than the then Latest

Maturity Date of any Tranche and (2) the Weighted Average Life to Maturity of such New Facility shall be no shorter than that of any existing Tranche; (iii) except with respect to All-in Yield and as set forth in subclause (D) above with respect to final maturity and Weighted Average Life to Maturity, any such New Facility shall have terms reasonably satisfactory to the Administrative Agent; provided, that (x) to the extent such terms are more favorable to the existing Lenders than comparable terms existing in the Loan Documents, such terms shall be, as determined by the Parent Borrower in consultation with the Administrative Agent, incorporated into this Agreement (or any other applicable Loan Document) for the benefit of all existing Lenders (to the extent applicable to such Lender) without further amendment requirements, including, for the avoidance of doubt, at the option of the Parent Borrower, any increase in the Applicable Rate relating to any existing Facility to bring such Applicable Rate in line with the New Facility to achieve fungibility with such existing Facility and (y) otherwise, may be incorporated if reasonably satisfactory to the Parent Borrower, the Incremental Arranger and the Administrative Agent and (iv) to the extent reasonably requested by the Incremental Arranger, the Incremental Arranger shall have received legal opinions, resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12, Section 6.14 and/or Section 6.16 with respect to Holdings and the Borrowers and each material Subsidiary Guarantor to the extent reasonably requested by the Administrative Agent. Subject to the foregoing, the conditions precedent to each such increase or New Commitment shall be agreed to by the Lenders providing such increase or New Commitment, as applicable, and the Borrowers.

(e) The additional Loans made under the Tranche subject to the increases shall be made by the applicable Lenders participating therein pursuant to the procedures set forth in Sections 2.01 and 2.02 and on the date of the making of such new Loans, and notwithstanding anything to the contrary set forth in Sections 2.01 and 2.02, such new Loans shall be added to (and form part of) each Borrowing of outstanding Loans under such Tranche on a *pro rata* basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender under such Tranche will participate proportionately in each then outstanding Borrowing of Loans under the Tranche.

(f) (i) Any New Facility shall not be guaranteed by any Person that is not a Borrower or Guarantor under each of the other Facilities, and be unsecured, secured either on a *pari passu* basis with the other Facilities or on a "junior" basis to the other Facilities, in each case over the same (or less) Collateral that secures the Facilities (and in the case of any such junior secured New Facility, such New Facility shall be subject to intercreditor arrangements that are reasonably satisfactory to the Administrative Agent, (ii) the New Facility shall, for purposes of prepayments, be treated substantially the same as (and in any event no more favorably than) the Facility unless the Borrowers otherwise elect (but in any event no more favorably than the existing Loans), and (iii) with respect to any New Facility that is secured on a *pari passu* basis with the other Facilities, the All-in Yield payable by the Borrowers applicable to such New Facility shall be determined by the Borrowers and the Lenders providing such New Facility and shall not be more than 50 basis points higher than the corresponding All-in Yield payable by the Borrowers for the Initial Loans, unless the All-in Yield with respect to the Initial Loans is increased to the amount necessary so that the difference between the All-in Yield with respect to such New Facility and the corresponding All-in Yield on the Initial Loans is equal to 50 basis points.

#### Section 2.15 New Incremental Notes.

(a) The Borrowers may from time to time after the Closing Date incur one or more series of senior secured, senior unsecured, senior subordinated, subordinated notes or Extendable Bridge Loans (which notes and/or Extendable Bridge Loans, if secured, are secured by the Collateral on a *pari passu* basis with the Liens securing the Obligations or on a "junior" basis to the Liens securing the Obligations) and guaranteed only by Loan Parties or entities who become Loan Parties (such notes and/or Extendable Bridge Loans, collectively, "New Incremental Notes") in an amount not to exceed the Incremental Amount (at the time of issuance); provided that no Event of Default would exist after giving Pro Forma Effect to any such request, subject to Section 1.02(i); provided, further, that any New Commitment established pursuant to Section 2.14 and New Incremental Notes issued pursuant to this Section 2.15, (A) will count, first, to reduce the amount available under the Ratio-Based Incremental Facilities (to the extent compliant therewith) and, second, to reduce the maximum amount under the Cash-Capped Incremental Facilities and (B) New Incremental Notes pursuant to this Section 2.15 may be incurred under the Ratio-Based Incremental Facilities and the Cash-Capped Incremental Facilities, and proceeds from any such incurrence may be utilized in a single transaction, by first calculating the incurrence under the Ratio-Based Incremental Facilities (without inclusion of any amounts utilized pursuant to the Cash-Capped Incremental Facility) and then calculating

the incurrence under the Cash-Capped Incremental Facility. With respect to any New Incremental Notes that are secured on a *pari passu* basis in right of payment and security with the Initial Loans, the All-in Yield payable by the Borrowers applicable to such New Incremental Notes shall be determined by the Borrowers and the Lenders providing such New Incremental Notes and shall not be more than 50 basis points higher than the corresponding All-in Yield payable by the Borrowers for the Initial Loans, unless the All-in Yield with respect to the Initial Loans is increased to the amount necessary so that the difference between the All-in Yield with respect to such New Incremental Notes and the corresponding All-in Yield on the Initial Loans is equal to 50 basis points. The Parent Borrower may appoint any Person as arranger of such New Incremental Notes (such Person (who may be the Administrative Agent, if it so agreed), the “Incremental Notes Arranger”).

(b) As a condition precedent to the issuance of any New Incremental Notes pursuant to this Section 2.15, (i) such New Incremental Notes shall not be guaranteed by any Person that is not a Loan Party or that does not become a Loan Party and shall not be secured by a lien on any assets of a Loan Party that is not part of the Collateral, (ii) to the extent secured by the Collateral, such New Incremental Notes shall be subject to intercreditor arrangements that are reasonably satisfactory to the Incremental Notes Arranger and, if such Incremental Notes Arranger is not the Administrative Agent, the Administrative Agent, (iii) such New Incremental Notes shall have a final maturity no earlier than the then Latest Maturity Date, provided, that Extendable Bridge Loans may have a maturity date earlier than the Latest Maturity Date, (iv) the Weighted Average Life to Maturity of such New Incremental Notes shall not (A) be shorter than that of any then-existing Tranche, or (B) to the extent unsecured, be subject to any amortization prior to the final maturity thereof, or be subject to any mandatory redemption or prepayment provisions or rights (except (x) customary assets sale, event of loss or similar event or change of control provisions and customary acceleration rights after an event of default or (y) so-called “AHYDO” payments); provided, that, with respect to Extendable Bridge Loans, the Weighted Average Life to Maturity may be shorter than the longest remaining Weighted Average Life to Maturity of any then outstanding Loans, (v) such New Incremental Notes shall not be subject to any mandatory redemption or prepayment provisions or rights (except to the extent any such mandatory redemption or prepayment is required to be applied pro rata (or greater than pro rata) to the Loans and other Indebtedness that is secured on a *pari passu* basis with the Obligations) and (vi) the covenants and events of default of such New Incremental Notes are no more restrictive to the Borrowers and the Subsidiaries (taken as a whole) than those contained in this Agreement (it being understood that (x) no New Incremental Notes shall include any financial maintenance covenants (including indirectly by way of a cross-default to this Agreement), but that customary cross-acceleration provisions may be included and (y) any negative covenants with respect to indebtedness, investments, liens or restricted payments shall be incurrence-based) (provided that a certificate of a Responsible Officer of the Parent Borrower delivered to the Incremental Notes Arranger in good faith at least three Business Days prior to the incurrence of such New Incremental Notes, together with a reasonably detailed description of the material terms and conditions of such New Incremental Notes or drafts of the documentation relating thereto, stating that the Parent Borrower has determined in good faith that such terms and conditions satisfy the requirement set forth in this clause (b), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Incremental Notes Arranger provides notice to the Parent Borrower of its objection during such three Business Day period (including a reasonable description of the basis upon which it objects)) and, for the avoidance of doubt, New Incremental Notes shall not benefit from any “most favored nation” pricing protection. Subject to the foregoing, the conditions precedent to each such increase shall be agreed to by the Lenders providing such increase and the Borrower.

(c) The Lenders hereby authorize the Incremental Notes Arranger (and the Lenders hereby authorize the Incremental Notes Arranger) to enter into any Applicable Intercreditor Agreement or amendment thereto in order to establish the Lien priority of any New Incremental Notes on terms consistent with this Section 2.15. If the Incremental Notes Arranger is not the Administrative Agent, the actions authorized to be taken by the Incremental Notes Arranger herein shall be done in consultation with the Administrative Agent and, with respect to applicable documentation (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

Section 2.16 [Reserved].

Section 2.17 Defaulting Lenders.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 10.09), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, as the Parent Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Parent Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders as a result of any non-appealable judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any non-appealable judgment of a court of competent jurisdiction obtained by the Borrowers against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and sixth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(b) If the Parent Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may reasonably determine to be necessary to cause the Loans to be held on a *pro rata* basis by the Lenders in accordance with their ratable shares in respect of that Lender, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

#### Section 2.18 Specified Refinancing Debt

(a) The Borrowers may, from time to time after the Closing Date, add one or more new term loan facilities to the Facility ("Specified Refinancing Commitment") pursuant to procedures reasonably specified by any Person appointed by the Parent Borrower, after consultation with the Administrative Agent, as agent under such Specified Refinancing Debt (such Person (who may be the Administrative Agent, if it so agrees), the "Specified Refinancing Agent") and reasonably acceptable to the Parent Borrower, to refinance all or any portion of any Tranches then outstanding under this Agreement; provided that such Specified Refinancing Debt: (i) will rank *pari passu* in right of payment as the other Loans and Commitments hereunder; (ii) will not have obligors other than the Loan Parties or entities who shall have become Loan Parties (it being understood that the roles of such obligors as Borrower or guarantors with respect to such obligations may be interchanged); (iii) will be (x) unsecured or (y) secured by the Collateral on a *pari passu* basis with the Liens securing the Obligations or on a "junior" basis to the

Liens securing the Obligations (in each case pursuant to Applicable Intercreditor Arrangements); (iv) will have such pricing and optional prepayment terms as may be agreed by the Parent Borrower and the applicable Lenders thereof; (v) will have a maturity date that is not prior to the date that is the scheduled Maturity Date of, and will have a Weighted Average Life to Maturity that is not shorter than the Weighted Average Life to Maturity of, the Loans being refinanced; provided, that Extendable Bridge Loans may have a maturity date earlier than the Latest Maturity Date of all then outstanding Loans and, with respect to Extendable Bridge Loans, the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Loans; (vi) any Specified Refinancing Loans shall share ratably in any prepayments of Loans pursuant to Section 2.05 (or otherwise provide for more favorable prepayment treatment for the then outstanding Tranches than the Specified Refinancing Loans); (vii) [reserved]; (viii) subject to clauses (iv) and (v) above, will have terms and conditions (other than pricing and optional prepayment and redemption terms) that are substantially identical to, or less favorable, when taken as a whole, to the investors providing such Specified Refinancing Debt than, the terms and conditions of the Facility and Loans being refinanced (as reasonably determined by the Parent Borrower in good faith, which determination shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Specified Refinancing Agent provides notice to the Parent Borrower of an objection (including a reasonable description of the basis upon which it objects) within five Business Days after being notified of such determination by the Parent Borrower); and (ix) the Net Cash Proceeds of such Specified Refinancing Debt shall be applied, substantially concurrently with the incurrence thereof, to the pro rata prepayment of outstanding Loans being so refinanced, in each case pursuant to Section 2.05 and 2.06, as applicable, and the payment of fees, expenses and premiums, if any, payable in connection therewith; provided, however, that such Specified Refinancing Debt (x) may provide for any additional or different financial or other covenants or other provisions that are agreed among the Borrowers and the Lenders thereof and applicable only during periods after the then Latest Maturity Date in effect and (y) shall not have a principal or commitment amount (or accreted value) greater than the Loans being refinanced (*plus* an amount equal to accrued interest, fees, discounts, premiums and expenses). Any Lender approached to provide all or a portion of any Specified Refinancing Debt may elect or decline, in its sole discretion, to provide such Specified Refinancing Debt. To achieve the full amount of a requested issuance of Specified Refinancing Debt, the Borrowers may also invite additional Eligible Assignees to become Lenders in respect of such Specified Refinancing Debt pursuant to a joinder agreement to this Agreement in form and substance reasonably satisfactory to the Specified Refinancing Agent.

(b) The effectiveness of any Refinancing Amendment shall be subject to conditions as are mutually agreed with the participating Lenders providing such Specified Refinancing Debt and to the extent reasonably requested by the Specified Refinancing Agent, receipt by the Specified Refinancing Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements with respect to the Borrowers and the Guarantors, including any supplements or amendments to the Collateral Documents providing for such Specified Refinancing Debt to be secured thereby, consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12, 6.14 and/or Section 6.16 (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Specified Refinancing Agent). The Lenders hereby authorize the Specified Refinancing Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrowers as may be necessary in order to establish new Tranches of Specified Refinancing Debt and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Parent Borrower in connection with the establishment of such new Tranches, in each case on terms consistent with and/or to effect the provisions of this Section 2.18.

(c) Each class of Specified Refinancing Debt incurred under this Section 2.18 shall be in an aggregate principal amount that is (x) not less \$3,500,000 and (y) an integral multiple of \$1,000,000 in excess thereof.

(d) The Specified Refinancing Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Specified Refinancing Debt incurred pursuant thereto (including the addition of such Specified Refinancing Debt as a separate "Facility" hereunder and treated in a manner consistent with the Facility being refinanced, including for purposes of prepayments and voting). Any Refinancing Amendment may, without the consent of any Person other than the Borrowers, the Specified Refinancing Agent and the Lenders providing such Specified Refinancing Debt, effect such amendments to this Agreement and the other Loan Documents as may

be necessary or appropriate, in the reasonable opinion of the Specified Refinancing Agent and the Parent Borrower, to effect the provisions of or consistent with this Section 2.18. If the Specified Refinancing Agent is not the Administrative Agent, the actions authorized to be taken by the Specified Refinancing Agent herein shall be done in consultation with the Administrative Agent and, with respect to the preparation of any documentation necessary or appropriate to carry out the provisions of this Section 2.18 (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

Section 2.19 Permitted Debt Exchanges.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "Permitted Debt Exchange Offer") made from time to time by the Parent Borrower, the Borrowers may from time to time following the Closing Date consummate one or more exchanges of Loans for Permitted Debt Exchange Notes (each such exchange a "Permitted Debt Exchange"), so long as the following conditions are satisfied: (i) no Event of Default shall have occurred and be continuing at the time the final offering document in respect of a Permitted Debt Exchange Offer is delivered to the relevant Lenders, (ii) the aggregate principal amount (calculated on the face amount thereof) of Loans exchanged shall equal no more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Loans; provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest and premium (if any) under the Loans exchanged and underwriting discounts, fees, commissions and expenses in connection with the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Loans exchanged by the Borrowers pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrowers on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrowers for immediate cancellation), (iv) if the aggregate principal amount of all Loans (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of such Loans offered to be exchanged by the Borrowers pursuant to such Permitted Debt Exchange Offer, then the Borrowers shall exchange Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Parent Borrower and the Exchange Agent and (vi) any applicable Minimum Tender Condition (as defined below) shall be satisfied.

(b) With respect to all Permitted Debt Exchanges effected by the Borrowers pursuant to this Section 2.19, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.05(a) or (b), and (ii) such Permitted Debt Exchange Offer shall be made for not less than \$3,500,000 in aggregate principal amount of Loans; provided that subject to the foregoing clause (ii) the Parent Borrower may at its election specify as a condition (a Minimum Tender Condition) to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Parent Borrower's discretion) of Loans of any or all applicable classes be tendered.

(c) In connection with each Permitted Debt Exchange, the Parent Borrower and the Exchange Agent shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.19 and without conflict with Section 2.19(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Parent Borrower and the Exchange Agent) of time following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrowers shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws and regulations in connection with each Permitted Debt Exchange, it being

understood and agreed that (x) none of the Exchange Agent, the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrowers' compliance with such laws and regulations in connection with any Permitted Debt Exchange and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended, and/or other applicable securities laws and regulations.

(e) If the Exchange Agent is not the Administrative Agent, the actions authorized to be taken by the Exchange Agent herein shall be done in consultation with the Administrative Agent.

#### Section 2.20 Co-Borrowers.

(a) Each Borrower accepts joint and several liability hereunder in consideration of the financial accommodation to be provided by the Administrative Agent and the Lenders under this Agreement and the other Loan Documents, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of each Borrower to accept joint and several liability for the obligations of each Borrower.

(b) Each Borrower shall be jointly and severally liable for the Obligations, regardless of which Borrower actually receives the Loans hereunder or the amount of the Obligations received or the manner in which the Administrative Agent or any Lender accounts for the Obligations on its books and records. Each Borrower's obligations with respect to Loans made to it, and each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder, with respect to Loans made to and other Obligations owing by the Borrowers hereunder, shall be separate and distinct obligations, but all such obligations shall be primary obligations of each Borrower.

(c) Each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder with respect to Loans made to and other Obligations owing by the Borrowers hereunder shall, to the fullest extent permitted by law, be unconditional irrespective of (A) the validity or enforceability, avoidance or subordination of the obligations of any other Borrower or of any promissory note or other document evidencing all or any part of the obligations of any other Borrower, (B) the absence of any attempt to collect the Obligations from any other Borrower, any other guarantor, or any other security therefor, or the absence of any other action to enforce the same, (C) the waiver, consent, extension, forbearance or granting of any indulgence by the Administrative Agent or any Lender with respect to any provision of any instrument evidencing the obligations of any other Borrower, or any part thereof, or any other agreement now or hereafter executed by any other Borrower and delivered to the Administrative Agent or any Lender, (D) the failure by the Administrative Agent or any Lender to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for the obligations of any other Borrower, (E) the Administrative Agent's or any Lender's election, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code of the United States, (F) any borrowing or grant of a security interest by any other Borrower, as Debtor In Possession under Section 364 of the Bankruptcy Code of the United States, (G) the disallowance of all or any portion of the Administrative Agent's or any Lender's claim(s) for the repayment of the obligations of any other Borrower under Section 502 of the Bankruptcy Code of the United States, or (H) any other circumstances which might constitute a legal or equitable discharge or defense of a guarantor or of any other Borrower. With respect to each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder with respect to Loans made to the Borrowers hereunder, such Borrower waives, until the Obligations shall have been paid in full and this Agreement and the other Loan Documents shall have been terminated, any right to enforce any right of subrogation or any remedy which the Administrative Agent or any Lender now has or may hereafter have against such Borrower, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to the Administrative Agent or any Lender to secure payment of the Obligations or any other liability of any Borrower to the Administrative Agent or any Lender.

(d) Upon the occurrence and during the continuation of any Event of Default, the Administrative Agent and the Lenders may proceed directly and at once, without notice, against any Borrower to collect and recover the full amount, or any portion of the Obligations, without first proceeding against any other Borrower or any other Person, or against any security or collateral for the Obligations. Each Borrower consents and agrees that the Administrative Agent and the Lenders shall be under no obligation to marshal any assets in favor of any Borrower or against or in payment of any or all of the Obligations.

(e) Each Borrower hereby irrevocably appoints the Parent Borrower as the borrowing agent and attorney-in-fact for the Borrowers, which appointment shall remain in full force and effect unless and until the Administrative Agent shall have received prior written notice signed by all of the Borrowers that such appointment has been revoked and that another Borrower has been appointed in the place of the Parent Borrower. Each Borrower hereby irrevocably appoints and authorizes the Parent Borrower (i) to provide to the Administrative Agent and receive from the Administrative Agent all notices with respect to Loans obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and the other Loan Documents and (ii) to take such action as the Parent Borrower deems appropriate on its behalf to obtain Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Collateral of the Borrowers in a combined fashion, as more fully set forth herein and in the Collateral Documents, is done solely as an accommodation to the Borrowers in order to utilize the collective borrowing powers of the Borrowers in the most efficient and economical manner and at their request, and that neither the Agents nor the Lenders shall incur liability to the Borrowers as a result hereof. Each of the Borrowers expects to derive benefit, directly or indirectly, from the handling of the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group.

(f) In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, if the obligations of any Borrower hereunder would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability hereunder, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Borrower, any Loan Party or any other Person, be automatically limited and reduced to the highest amount that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

(g) After the Closing Date, the Parent Borrower may, at any time and from time to time, designate any Subsidiary that is a Domestic Subsidiary as a Borrower by delivery to the Administrative Agent of a Borrower Joinder Agreement executed by such Subsidiary and the Parent Borrower, together with any documentation and other information with respect to such additional Borrower required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act requested by the Administrative Agent (and to the extent not theretofore delivered on the Closing Date or otherwise), and upon such delivery and satisfaction, such Subsidiary shall for all purposes of this Agreement and the other Loan Documents be a Borrower and a party to this Agreement. As soon as practicable upon receipt of a Borrower Joinder Agreement, the Administrative Agent shall furnish a copy thereof to each Lender.

### ARTICLE III.

#### Taxes, Increased Costs Protection and Illegality

##### Section 3.01 Taxes.

(a) All payments by or on account of any obligation of the Borrowers or any other Loan Party hereunder or under any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from or in respect of any such payment, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law and, if such Tax is an Indemnified Tax, the sum payable by the Borrowers or other applicable Loan Party shall be increased as necessary so that after all such deductions or withholdings for Indemnified Taxes have been made (including such deductions and withholdings for Indemnified Taxes applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding for Indemnified Taxes been made.

(b) In addition but without duplication, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Without duplication of amounts paid pursuant to Section 3.01, the Loan Parties shall jointly and severally indemnify each Recipient, within 20 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The relevant Recipient shall notify the Parent Borrower of the imposition of any Indemnified Tax reasonably promptly after becoming aware of the imposition of such Tax. A certificate as to the amount of such payment or liability delivered to the Parent Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Within 30 days after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 3.01, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 3.01 with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall promptly repay to such indemnified party the amount paid over pursuant to this clause (e) (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (e), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this clause (e) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This clause (e) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(f) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (c) or Section 3.05 with respect to such Lender it will, if requested by the Parent Borrower, use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to avoid or reduce to the greatest extent possible any indemnification or additional amounts being due under this Section 3.01 or Section 3.05, including to designate another Lending Office for any Loan affected by such event; provided that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage; and provided, further, that nothing in this Section 3.01(f) shall affect or postpone any of the Obligations of any of the Borrowers or the rights of such Lender pursuant to Sections 3.01(a) and (c) and Section 3.05. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender as a result of a request by the Parent Borrower under this Section 3.01(f).

(g) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Loan Document shall deliver to the Parent Borrower and the Administrative Agent, at the time or times reasonably requested by the Parent Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Parent Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Parent Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Parent Borrower or the Administrative Agent as will enable the Parent Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation shall not be required

if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Parent Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Parent Borrower or the Administrative Agent) executed copies of IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding;

(B) any Foreign Lender shall deliver to the Parent Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Parent Borrower or the Administrative Agent), whichever of the following is applicable:

(a) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(b) executed copies of IRS Form W-8ECI (or any successor form);

(c) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit K-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10-percent shareholder" of any Borrower within the meaning of Section 871(h)(3)(B) of the Code, a "controlled foreign corporation" related to any Borrower, as described in Section 881(c)(3)(C), of the Code and that no payments in connection with any Loan Document are effectively connected with such Lender's conduct of a U.S. trade or business (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable (or any successor form); or

(d) to the extent a Foreign Lender is not the beneficial owner (e.g., where the Foreign Lender is a partnership or a participating Lender), executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a certificate substantially in the form of Exhibit K-2 or Exhibit K-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender shall provide a certificate substantially in the form of Exhibit K-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Parent Borrower or the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Parent Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Parent Borrower or the Administrative Agent to determine the withholding or deduction required to be made;

(D) if a payment made to a Recipient under any Loan Document would be subject to Tax imposed by FATCA if such Lender or the Administrative Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Parent Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Parent Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Parent Borrower or the Administrative Agent as may be necessary for the relevant Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

(E) the Administrative Agent, and any successor or supplemental Administrative Agent, shall deliver to the Parent Borrower (in such number of copies as shall be requested by the recipient) on or prior to the date on which the Administrative Agent becomes the administrative agent hereunder or under any other Loan Document (and from time to time thereafter upon the reasonable request of the Parent Borrower) executed copies of either (i) IRS Form W-9 (or any successor form) or (ii) a U.S. branch withholding certificate on IRS Form W-8IMY (or any successor form) evidencing its agreement with the Borrowers to be treated as a U.S. person (with respect to amounts received on account of any Lender) and IRS Form W-8ECI (with respect to amounts received on its own account), with the effect that, in either case, the Borrowers will be entitled to make payments hereunder to the Administrative Agent without withholding or deduction on account of U.S. federal withholding tax.

Each Recipient agrees that if any documentation it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall promptly update and deliver such form or certification to the Parent Borrower and the Administrative Agent or promptly notify the Parent Borrower and the Administrative Agent in writing of its legal ineligibility to do so. Notwithstanding any other provision of this Section 3.01, a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to Section 3.01(g).

(h) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.07(m) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (h).

(i) The agreements in this Section 3.01 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

(j) For the avoidance of doubt, the term "applicable law" includes FATCA.

Section 3.02 [Reserved].

Section 3.03 Illegality. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurocurrency Rate, or to determine or charge interest rates based upon the Adjusted Eurocurrency Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the applicable interbank market, then, on notice thereof by such Lender to the Parent Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert Base Rate Loans to Eurocurrency Rate Loans shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans, the interest rate on which is determined by reference to the Adjusted Eurocurrency Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Parent Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrowers shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all of such Lender's Eurocurrency Rate Loans to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Eurocurrency Rate component of the Base Rate). Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.06. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

Section 3.04 Inability to Determine Rates.

(a) If the Administrative Agent reasonably determines (which determination shall be conclusive absent manifest error) that (i) for any reason, adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period and currency with respect to a proposed Eurocurrency Rate Loan, or (ii) is informed by the Required Lenders that the Eurocurrency Rate for any requested Interest Period and currency with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or (iii) that deposits are not being offered to banks in the relevant interbank market for the applicable amount, currency and the Interest Period of such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Parent Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans of such currency shall be suspended and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Parent Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans of such currency or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b) If at any time the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) above have not arisen but either (w) the supervisor for the administrator of the Screen Rate has made a public statement that the administrator of the Screen Rate is insolvent (and there is no successor administrator that will continue publication of the Screen Rate), (x) the administrator of the Screen Rate has made a public statement identifying a specific date after which the Screen Rate will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the Screen Rate), (y) the supervisor for the administrator of the Screen Rate has made a public statement identifying a specific date after which the Screen Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Screen Rate may no longer be used for determining interest rates for loans, then the Administrative Agent and the Parent Borrower shall endeavor to establish an alternate rate of interest of to the Eurocurrency Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States in Dollars at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of

doubt, such related changes shall not include a reduction of the Applicable Rate); provided that, if such alternate rate of interest as so determined would be less than 1.00%, such rate shall be deemed to be 1.00% for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 10.01, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment.

Section 3.05 Increased Cost and Reduced Return: Capital Adequacy and Liquidity Requirements

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the date hereof, or such Lender's compliance therewith, there shall be any material increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan the interest on which is determined by reference to the Eurocurrency Rate, or a material reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including Taxes on or in respect of its loans, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, but excluding for purposes of this Section 3.05(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes indemnifiable under Section 3.01 and (ii) Excluded Taxes), then within 15 days after demand of such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrowers shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that the introduction of any Law regarding capital adequacy and liquidity requirements or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of materially reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and liquidity and such Lender's desired return on capital), then within 15 days after demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrowers shall pay to such Lender such additional amounts as will compensate such Lender for such reduction.

(c) The Borrowers shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves or liquidity with respect to liabilities or assets consisting of or including Eurocurrency Rate funds or deposits, additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves or liquidity allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any liquidity requirement, reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; provided the Parent Borrower shall have received at least 15 days' prior written notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give written notice fifteen days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable 15 days from receipt of such written notice.

(d) For purposes of this Section 3.05, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities (other than foreign regulatory authorities in Switzerland), in each case pursuant to Basel III, shall, in each case, be deemed to have gone into effect after the date hereof, regardless of the date enacted, adopted or issued.

Section 3.06 Funding Losses Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, setting forth in reasonable detail the basis for calculating such compensation, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

- (a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);
- (b) any failure by the Borrowers (for a reason other than the failure of such Lender to make a Loan or pursuant to a conditional notice) to prepay, borrow, continue or convert any Eurocurrency Rate Loan on the date or in the amount notified by the Parent Borrower;
- (c) any failure by the Borrowers to make payment of any Loan on its scheduled due date or any payment of any Loan in a different currency from such Loan; or
- (d) any mandatory assignment of such Lender's Eurocurrency Rate Loans pursuant to Section 3.08 on a day other than the last day of the Interest Period for such Loans,

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained (but excluding anticipated profits). The Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

Section 3.07 Matters Applicable to All Requests for Compensation

(a) A certificate of any Agent or any Lender claiming compensation under this Article III and setting forth in reasonable detail a calculation of the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods. With respect to any Lender's claim for compensation under Section 3.03, 3.04 or 3.05, the Loan Parties shall not be required to compensate such Lender for any amount incurred more than 180 days prior to the date that such Lender notifies the Parent Borrower of the event that gives rise to such claim; provided that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If any Lender requests compensation under Section 3.05, or the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.03, then such Lender will, if requested by the Parent Borrower and at the Borrowers' expense, use commercially reasonable efforts to designate another Lending Office for any Loan affected by such event; provided that such efforts (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as applicable, in the future and (ii) would not, in the judgment of such Lender be inconsistent with the internal policies of, or otherwise be disadvantageous in any material legal, economic or regulatory respect to such Lender or its Lending Office. The provisions of this clause (b) shall not affect or postpone any Obligations of the Borrowers or rights of such Lender pursuant to Section 3.05.

(c) If any Lender requests compensation by the Borrowers under Section 3.05, the Parent Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another Eurocurrency Rate Loans, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.07(c) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(d) If the obligation of any Lender to make or continue from one Interest Period to another any Eurocurrency Rate Loan, or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.07(c) hereof, such Lender's Eurocurrency Rate Loans shall be automatically converted into Base Rate

Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of an immediate conversion required by Section 3.03, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(e) If any Lender gives notice to the Parent Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to the conversion of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.07 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

(f) A Lender shall not be entitled to any compensation pursuant to the foregoing sections to the extent such Lender is not imposing such charges or requesting such compensation from borrowers (similarly situated to the Borrowers hereunder) under comparable syndicated credit facilities.

#### Section 3.08 Replacement of Lenders under Certain Circumstances

(a) If at any time (i) the Borrowers become obligated to pay additional amounts or indemnity payments described in Section 3.01 or 3.05 (other than with respect to Other Taxes) as a result of any condition described in such Sections or any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.03 or 3.04, (ii) any Lender becomes a Defaulting Lender or (iii) any Lender becomes a Non-Consenting Lender (as defined below in this Section 3.08) (collectively, a "Replaceable Lender"), then the Parent Borrower may, on written notice from the Parent Borrower to the Administrative Agent and such Lender, either (i) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Borrowers in such instance unless waived by the Administrative Agent) all of its rights and obligations under this Agreement (or, in the case of a Non-Consenting Lender, all of its rights and obligations under this Agreement with respect to the Facility or Facilities for which its consent is required) to one or more Eligible Assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrowers to find a replacement Lender or other such Person or (ii) so long as no Default or Event of Default shall have occurred and be continuing, terminate the Commitment of such Lender and in the case of a Lender, repay all Obligations of the Borrowers owing (and the amount of all accrued interest and fees in respect thereof) to such Lender relating to the Loans and participations held by such Lender as of such termination date; provided that (i) in the case of any such replacement of, or termination of Commitments with respect to a Non-Consenting Lender such replacement or termination shall be sufficient (together with all other consenting Lenders including any other replacement Lender) to cause the adoption of the applicable modification, waiver or amendment of the Loan Documents and (ii) in the case of any such replacement as a result of the Borrowers having become obligated to pay amounts described in Section 3.01 or 3.05, such replacement would eliminate or reduce payments pursuant to Section 3.01 or 3.05, as applicable, in the future. Any Lender being replaced pursuant to this Section 3.08(a) (i) need not be a party to an Assignment and Assumption in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto and (ii) shall deliver any Notes evidencing such Loans to

the Borrowers (for return to the Borrower) or the Administrative Agent. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans, (B) all Obligations relating to the Loans and participations (and the amount of all accrued interest, fees and premiums in respect thereof) so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such assignment and assumption and (C) upon such payment and, if so requested by the assignee Lender, the assigning Lender shall deliver to the assignee Lender the applicable Note or Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender. In connection with any such replacement, if any such Replaceable Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within two Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such Replaceable Lender, then such Replaceable Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Replaceable Lender. In connection with the replacement of any Lender pursuant to this Section 3.08(a), the Borrowers shall pay to such Lender such amounts as may be required pursuant to Section 3.06.

(b) Notwithstanding anything to the contrary contained above, the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(c) In the event that (i) the Parent Borrower or the Administrative Agent has requested the Lenders to consent to a waiver of any provisions of the Loan Documents or to agree to any amendment or other modification thereto, (ii) the waiver, amendment or modification in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain class of the Loans and (iii) the Required Lenders have agreed to such waiver, amendment or modification, then any Lender who does not agree to such waiver, amendment or modification, in each case, shall be deemed a "Non-Consenting Lender"; provided, that the term "Non-Consenting Lender" shall also include any Lender that rejects (or is deemed to reject) (x) a loan modification offer under Section 10.01, which loan modification has been accepted by at least the Majority Lenders of the respective Tranche of Loans whose Loans and/or Commitments are to be extended pursuant to such loan modification and (y) any Lender that does not elect to become a lender in respect of any Specified Refinancing Debt pursuant to Section 2.18. For the avoidance of doubt, if any applicable Lender shall be deemed a Non-Consenting Lender and is required to assign all or any portion of its Initial Loans or its Initial Loans are prepaid by the Borrowers, pursuant to Section 3.08(a), the Borrowers shall pay the applicable Prepayment Premium that would otherwise be payable by the Borrower in connection with a voluntary prepayment thereof.

(d) Survival. All of the Loan Parties' obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder, any assignment by or replacement of a Lender and any resignation or removal of the Administrative Agent.

#### ARTICLE IV. Conditions Precedent to Credit Extensions

(ix) an opinion of Kirkland & Ellis LLP, special New York and California counsel to Holdings, the Borrowers and the Subsidiary Guarantors, addressed to each Secured Party, in form and substance reasonably satisfactory to the Administrative Agent.

(b) The Arrangers and the Administrative Agent shall have received (i) audited consolidated

(c) The Arrangers and the Administrative Agent shall have received a pro forma consolidated balance sheet and related pro forma consolidated statement of income of the Parent Borrower or a direct or indirect parent of the Parent Borrower and its Subsidiaries as of and for the twelve-month period ending on March 31, 2018, prepared so as to give effect to the Transactions as if the Transactions had occurred as of such date (in the case of such balance sheet) or as if the Transactions had occurred at the beginning of such period (in the case of such other financial statements), which need not be prepared in compliance with Regulation S-X, or include adjustments for purchase accounting.

(d) (i) Holdings and the Borrowers shall have provided the documentation and other information reasonably requested in writing at least ten days prior to the Closing Date by the Arrangers as they reasonably determine is required by regulatory authorities under applicable “know your customer” and anti-money-laundering rules and regulations, including, without limitation, the PATRIOT Act, in each case at least three business days prior to the Closing Date (or such shorter period as the Administrative Agent shall otherwise agree) and (ii) to the extent any Borrower qualifies as a “legal entity customer” under the Beneficial Ownership Regulation, at least five days prior to the Closing Date, any Lender that has requested, in a written notice to the Parent Borrower at least 10 days prior to the Closing Date, a Beneficial Ownership Certification in relation to the Borrowers shall have received such Beneficial Ownership Certification (provided that, upon the execution and delivery by such Lender of its signature page to this Agreement, the condition set forth in this clause (ii) shall be deemed to be satisfied).

(e) The First Lien Facilities Documentation required by the terms of the First Lien Credit Agreement and the First Lien/Second Lien Intercreditor Agreement shall have been duly executed and delivered by each Loan Party thereto to the First Lien Administrative Agent and shall be in full force and effect, and substantially contemporaneously with the funding of the Initial Loans, the First Lien Facilities shall be funded.

(f) (i) the Refinancing shall have been, or shall concurrently with the initial funding of the Facility be, consummated.

Internet or intranet website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided that: (i) upon written request by the Administrative Agent, the Parent Borrower shall deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent or such Lender and (ii) the Parent Borrower shall notify (which may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents described in this paragraph and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents to the extent requested by the Administrative Agent. The Administrative Agent shall have no obligation to request the delivery of or to maintain or deliver to Lenders paper copies of the documents referred to above, and in any event shall have no responsibility to monitor compliance by the Parent Borrower with any such request for delivery, and each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents.

Each Borrower represents and warrants that each of it and its controlling and controlled entities, in each case, if any (collectively with the Borrowers, the “Relevant Entities”), either (i) has no SEC registered or unregistered, publicly traded securities outstanding, or (ii) files its financial statements with the SEC and/or makes its financial statements available to potential holders of its securities, and, accordingly, each Borrower hereby (i) authorizes the Administrative Agent to make the financial statements to be provided under Sections 6.02(a) and (b) above, along with the Loan Documents, available to Public Siders and (ii) agrees that at the time such financial statements are provided hereunder, they shall already have been made available to holders of any such securities. The Borrowers will not request that any other material be posted to Public Siders without expressly representing and warranting to the Administrative Agent in writing that such materials do not constitute material non-public information within the meaning of the federal securities laws or that the Relevant Entities have no outstanding SEC registered or unregistered, publicly traded securities. Notwithstanding anything herein to the contrary, in no event shall the Borrowers request that the Administrative Agent make available to Public Siders budgets or any certificates, reports or calculations with respect to the Borrowers’ compliance with the covenants contained herein.

Except if the failure to do so could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, maintain, preserve and protect all of its tangible properties and equipment that are necessary in the operation of its business in good working order, repair and condition, ordinary wear and tear excepted and casualty or condemnation excepted.

Section 6.07 Maintenance of Insurance.

(a) Maintain in full force and effect, with insurance companies that the Parent Borrower believes (in the good faith judgment of the management of the Parent Borrower) are financially sound and responsible at the time the relevant coverage is placed or renewed, insurance in at least such amounts (after giving effect to any self-insurance which the Parent Borrower believes (in the good faith judgment of management of the Parent Borrower) is reasonable and prudent in light of the size and nature of its business) and against at least such risks (and with such risk retentions) as are usually insured against in the same general area by companies engaged in businesses similar to those engaged by the Borrowers and the Subsidiaries. Subject to Section 6.16, the Parent Borrower shall use commercially reasonable efforts to ensure that at all times the Collateral Agent, for the benefit of the Secured Parties, shall be named as an additional insured with respect to liability policies (other than directors and officers policies and workers compensation) maintained by Holdings, the Borrowers and each Subsidiary Guarantor and the Collateral Agent, for the benefit of the Secured Parties, shall be named as loss payee and mortgagee with respect to the property insurance maintained by Holdings, the Borrowers and each Subsidiary Guarantor; provided that, unless an Event of Default shall have occurred and be continuing, (A) all proceeds from insurance policies shall be paid to the applicable Borrower or applicable Subsidiary Guarantor, (B) to the extent the Collateral Agent receives any proceeds, the Collateral Agent shall turn over to the Parent Borrower any amounts received by it as an additional insured or loss payee under any property insurance maintained by the Borrowers and their Subsidiaries, and (C) the Collateral Agent agrees that the Borrowers and/or their applicable Subsidiaries shall have the sole right to adjust or settle any claims under such insurance.

Comply with the requirements of all applicable Laws (including, without limitation, ERISA, the PATRIOT Act, Sanctions Laws and Regulations and Environmental Laws) and all orders, writs, injunctions and decrees of any Governmental Authority applicable to it or to its business or property, except if the failure to comply therewith, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

The Administrative Agent and the Lenders shall give the Parent Borrower the opportunity to participate in any discussions with the Parent Borrower's accountants. Notwithstanding anything to the contrary in this Section 6.10, none of the Borrowers nor any Subsidiary will be required to disclose or permit the inspection or discussion of, any document, information or other matter (i) that constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure to the Administrative Agent or any Lender (or their respective representatives or contractors) is prohibited by Law or any binding agreement or (iii) that is subject to attorney client or similar privilege or constitutes attorney work product; provided that the Borrowers shall notify the Administrative Agent of the fact that information is being withheld pursuant to this sentence.

(15) the entering into of any tax sharing agreement or arrangement and any payments pursuant thereto, in each case to the extent permitted by clause (13), (14)(a) or (14)(e) of the second paragraph under Section 7.05;

For purposes of determining compliance with this Section 7.06, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the

Holdings and the Borrowers will not, and will not permit any Loan Party to, create, incur, assume or permit to exist any Indebtedness secured by a Lien on any property or asset which Lien is (a) contractually subordinated to any Lien created under the First Lien Facilities Documentation and (b) senior to any Lien securing the Initial Loans.

Section 7.09 Holding Company. Holdings shall not conduct, transact or otherwise engage in any material business or operations; provided, that the following shall be permitted in any event: (i) its ownership of the Capital Stock of the Parent Borrower and the Subsidiaries and any Subsidiary of Holdings (that is not the Parent Borrower or a Subsidiary of the Parent Borrower) which is formed solely for purposes of acting as a co-obligor with respect to any Qualified Holding Company Indebtedness and which does not conduct, transact or otherwise engage in any material business or operation, and, in each case, activities incidental thereto; (ii) the entry into, and the performance of its obligations with respect to the Loan Documents (including any Specified Refinancing Debt or any New Facility), the First Lien Facilities Documentation, any Refinancing Notes, any New Incremental Notes, any Junior Financing Document, any Ratio Debt documentation, any documentation relating to any Permitted Refinancing of the foregoing or documentation relating to the Indebtedness otherwise permitted by the last sentence in this Section 7.09 and the Guarantees permitted by clause (v) below; (iii) the consummation of the Transactions; (iv) the performing of activities (including, without limitation, cash management activities) and the entry into documentation with respect thereto, in each case, permitted by this Agreement for Holdings to enter into and perform; (v) the payment of dividends and distributions (and other activities in lieu thereof permitted by this Agreement), the making of contributions to the capital of its Subsidiaries and Guarantees of Indebtedness permitted to be incurred hereunder by the Borrowers or any of the Subsidiaries and the Guarantees of other obligations not constituting Indebtedness; (vi) the maintenance of its legal existence (including the ability to incur fees, costs and expenses relating to such maintenance and performance of activities relating to its officers, directors, managers and employees and those of its Subsidiaries); (vii) the performing of activities in preparation for and consummating any public offering of its common stock or any other issuance or sale of its Capital Stock (other than Disqualified Stock) including converting into another type of legal entity; (viii) the participation in tax, accounting and other administrative matters as a member of the consolidated group of Holdings and the Parent Borrower, including compliance with applicable Laws and legal, tax and accounting matters related thereto and activities relating to its officers, directors, managers and employees; (ix) the holding of any cash and Cash Equivalents (but not operating any property); (x) the entry into and performance of its obligations with respect to contracts and other arrangements, including the providing of indemnification to officers, managers, directors and employees and (xi) any activities incidental to the foregoing. Section 7.10 Restricted Investments. Directly or indirectly make any Restricted Investment.

For purposes of this Section 7.10, if any Investment (or a portion thereof) would be permitted pursuant to one or more of the exceptions contained in the definition of "Permitted Investments," the Parent Borrower may divide and classify such Investment (or a portion thereof) in any manner that complies with such definition and may later divide and reclassify any such Investment so long as the Investment (as so divided and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification.

ARTICLE VIII.  
Events of Default and Remedies

Section 8.01 Events of Default. Any of the following shall constitute an “Event of Default”:

(c) Other Defaults. Any Loan Party fails to perform or observe any covenant or agreement (other than those specified in Section 8.01(a) or (b) above) contained in any Loan Document on its part to be performed or observed and such failure continues for 30 days after notice thereof by the Administrative Agent to the Parent Borrower; or

(d) Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by or on behalf of the Parent Borrower or any other Loan Party herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be incorrect or misleading in any material respect (or in any respect if any such representation or warranty is already qualified by materiality) when made or deemed made and, to the extent capable of being cured, such incorrect representation, warranty, certification or statement of fact shall remain incorrect for a period of thirty (30) days; or

(e) Cross-Default. Any Loan Party or any Subsidiary (A) fails to make any payment beyond the applicable grace period with respect thereto, if any (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness (other than Indebtedness hereunder and intercompany Indebtedness) having an aggregate outstanding principal amount equal to or greater than the Threshold Amount or (B) fails to observe or perform any other agreement or condition relating to any such Indebtedness, or any other event occurs, the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) after the expiration of any applicable grace or cure period therefor to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, in each case, prior to its stated maturity; provided that this clause (e)(B) shall not apply to (x) secured Indebtedness that becomes due as a result of the sale or transfer or other Disposition (including a Casualty Event) of the property or assets securing such Indebtedness permitted hereunder and under the documents providing for such Indebtedness and such Indebtedness is repaid when required under the documents providing for such Indebtedness, (y) events of default, termination events or any other similar event under the documents governing Swap Contracts for so long as such event of default, termination event or other similar event does not result in the occurrence of an early termination date or any acceleration or prepayment of any amounts or other Indebtedness payable thereunder or (z) Indebtedness that upon the happening of any such default or event automatically converts into Equity Interests (other than Disqualified Stock or, in the case of a Subsidiary, Disqualified Stock or Preferred Stock) in accordance with its terms; provided, further, that with respect to the First Lien Facilities or any other first lien indebtedness permitted to be incurred hereunder in accordance with and as required by any similar provision of the First Lien Credit Agreement, in each case, that is secured by a Lien on the Collateral on a senior basis to the Obligations, such failure shall constitute an Event of Default hereunder only if the holders of such Indebtedness have caused the same to become due and payable prior to the scheduled maturity date or if such Indebtedness is not paid at final maturity; or

(f) Insolvency Proceedings, Etc. Any Loan Party or any Subsidiary (other than an Immaterial Subsidiary) institutes or consents to the institution of any proceeding under any Debtor Relief Law, a winding-up, an administration, a dissolution, or a composition or makes an assignment for the benefit of creditors or any other action is commenced (by way of voluntary arrangement, scheme of arrangement or otherwise); or appoints, applies for or consents to the appointment of any receiver, administrator, administrative receiver, trustee, custodian, conservator, liquidator, rehabilitator, judicial manager, provisional liquidator, administrator, receiver and manager, controller, monitor or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, judicial manager, provisional liquidator, administrator, administrative receiver, receiver and manager, controller, monitor or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for 60 days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or substantially all of its property is instituted without the consent of such Person and continues undismissed or unstayed for 60 days, or an order for relief is entered in any such proceeding; or

(g) Inability to Pay Debts; Attachment. (i) Any Loan Party or any Subsidiary (other than any Immaterial Subsidiary) becomes unable or admits in writing its inability or fails generally to pay its debts as they become due or suspends making payments or enters into a moratorium or standstill arrangement in relation to its Indebtedness or is taken to have failed to comply with a statutory demand (or otherwise be presumed to be insolvent by applicable Law) or (ii) any writ or warrant of attachment or execution or similar process is issued, commenced or levied against all or substantially all of the property of any such Person and is not released, vacated or fully bonded within 60 days after its issue, commencement or levy, or any analogous procedure or step is taken in any jurisdiction; or

(h) Judgments. There is entered against any Loan Party or any Subsidiary a final judgment or order for the payment of money in an aggregate amount (as to all such judgments and orders) equal to or greater than the Threshold Amount (to the extent not paid and not covered by (i) independent third-party insurance as to which the insurer has been notified of such judgment or order and does not deny coverage or (ii) an enforceable indemnity to the extent that such Loan Party or Subsidiary shall have made a claim for indemnification and the applicable indemnifying party shall not have disputed such claim) and there is a period of 60 consecutive days during which a stay of enforcement of such judgment, by reason of a pending appeal or otherwise, is not in effect; or

(i) ERISA. (i) One or more ERISA Events occur or there is or arises an Unfunded Pension Liability (taking into account only Plans with positive Unfunded Pension Liability) which ERISA Event or Events or Unfunded Pension Liability or Unfunded Pension Liabilities results or could reasonably be expected to result in liability of any Loan Party in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect, (ii) any Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA which has resulted or could reasonably be expected to result in liability of any Loan Party in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect or (iii) with respect to a Foreign Plan, a termination, withdrawal, imposition of a Lien or noncompliance with applicable Law or plan terms that would reasonably be expected to result in a Material Adverse Effect; or

(j) Invalidity of Certain Loan Documents. Any material provision of any Collateral Document, any Guaranty, the Intercompany Subordination Agreement and/or any intercreditor agreement (including, for the avoidance of doubt, the First Lien/Second Lien Intercreditor Agreement) required to be entered into pursuant to the terms of this Agreement (in each case, subject to the Perfection Exceptions), at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.03 or Section 7.04) or terminating the Aggregate Commitments and satisfaction in full of all the Obligations (other than contingent indemnification obligations as to which no claim has been asserted) ceases to be in full force and effect (except that any such failure to be in full force and effect with respect to the documents referred to in clause (vii) of the definition of "Loan Documents" shall constitute an Event of Default only if the Parent Borrower receives notice thereof and the Parent Borrower fails to remedy the relevant failure in all

material respects within 15 days of receiving said notice); or any Loan Party contests in writing the validity or enforceability of any provision of this Agreement, any Collateral Document, any Guaranty, the Intercompany Subordination Agreement and/or any intercreditor agreement (including, for the avoidance of doubt, the First Lien/Second Lien Intercreditor Agreement) required to be entered into pursuant to the terms of this Agreement; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a result of repayment in full of the Obligations (other than contingent indemnification obligations as to which no claim has been asserted) and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Loan Document or the perfected second priority Liens created thereby (except as otherwise expressly provided in this Agreement or the Collateral Documents); or

- (k) Change of Control. There occurs any Change of Control.

Section 8.02 Remedies Upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders, take any or all of the following actions:

- (a) declare the commitment of each Lender to make Loans to be terminated, whereupon such commitments shall be terminated;
- (b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;
- (c) [reserved]; and
- (d) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents, under any document evidencing Indebtedness in respect of which the Facility has been designated as "Designated Senior Debt" (or any comparable term) and/or under applicable Law;

provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrowers under any Debtor Relief Law, the obligation of each Lender to make Loans shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 [Reserved].

Section 8.04 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after an actual or deemed entry of an order for relief with respect to the Borrowers under any Debtor Relief Law), any amounts received on account of the Obligations shall, subject to First Lien/Second Lien Intercreditor Agreement and the provisions of Sections 2.17, be applied by the Administrative Agent in the following order:

- (a) first, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, disbursements and other charges of counsel payable under Section 10.04 and amounts payable under Article III and amounts owing in respect of (x) the preservation of Collateral or the Collateral Agent's security interest in the Collateral or (y) with respect to enforcing the rights of the Secured Parties under the Loan Documents) payable to the Administrative Agent and the Collateral Agent in their respective capacity as such;
- (b) second, to payment in full of Unfunded Advances/Participations;
- (c) third, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest) payable to the Lenders (including fees,

disbursements and other charges of counsel payable under Sections 10.04 and 10.05) arising under the Loan Documents and amounts payable under Article III, ratably among them in proportion to the respective amounts described in this clause (c) held by them;

(d) fourth, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans ratably among the Lenders in proportion to the respective amounts described in this clause (d) held by them;

(e) fifth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause (e) held by them;

(f) sixth, to the payment of all other Obligations of the Loan Parties owing under or in respect of the Loan Documents that are then due and payable to the Administrative Agent and the other Secured Parties, ratably based upon the respective aggregate amounts of all such Obligations then owing to the Administrative Agent and the other Secured Parties; and

(g) last, after all of the Obligations have been paid in full (other than contingent indemnification obligations not yet due and owing), to the Borrowers or as otherwise required by Law or the First Lien/Second Lien Intercreditor Agreement.

It is understood and agreed by each Loan Party and each Secured Party that the Administrative Agent and Collateral Agent shall have no liability for any determinations made by it in this Section 8.04, in each case except to the extent resulting from the gross negligence, bad faith or willful misconduct of the Administrative Agent or the Collateral Agent, as applicable (as determined by a court of competent jurisdiction in a final and non-appealable decision). Each Loan Party and each Secured Party also agrees that the Administrative Agent and the Collateral Agent may (but shall not be required to), at any time and in its sole discretion, and with no liability resulting therefrom, petition a court of competent jurisdiction regarding any application of Collateral in accordance with the requirements hereof, and the Administrative Agent and the Collateral Agent shall be entitled to wait for, and may conclusively rely on, any such determination.

#### ARTICLE IX.

##### Administrative Agent and Other Agents

###### Section 9.01 Appointment and Authorization of Agents.

(a) Each Lender hereby irrevocably appoints Antares to act on its behalf as Administrative Agent hereunder and under the other Loan Documents (subject to the provisions in Section 9.09), and designates and authorizes the Administrative Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto. The Administrative Agent may perform any of its duties through its officers, directors, agents, employees, or affiliates. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and no Loan Party shall have rights as a third party beneficiary of any of such provisions. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document no Agent shall have any duties or responsibilities, except those expressly set forth herein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent. Regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. Without limiting the foregoing, each Lender hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative

Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) [Reserved].

(c) The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest, charge or other Lien created by the Collateral Documents for and on behalf of or in trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent as Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) and Section 10.04 as if set forth in full herein with respect thereto and all references to Administrative Agent in this Article IX shall, where applicable, be read as including a reference to the Collateral Agent. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent as Collateral Agent to execute any and all documents (including releases, payoff letters and similar documents) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any intercreditor agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

Section 9.02 Delegation of Duties. The Administrative Agent may execute any of its duties and exercise its rights and powers under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct by the Administrative Agent, as determined by a final non-appealable judgment by a court of competent jurisdiction. The exculpatory provisions of this Article IX shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 9.03 Liability of Agents.

(a) No Agent-Related Person shall be (i) liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence, bad faith or willful misconduct in connection with its duties expressly set forth herein, to the extent determined in a final, non-appealable judgment by a court of competent jurisdiction), (ii) liable for any action taken or not taken by it (A) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (B) in the absence of its own gross negligence or willful misconduct as determined by the final, non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein, (iii) responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, (iv) responsible for or have any duty to ascertain or inquire into the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien, or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other

party to any Loan Document to perform its obligations hereunder, (v) responsible for or have any duty to ascertain or inquire into the value or the sufficiency of any Collateral or (vi) responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into monitor or enforce, compliance with the provisions relating to Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participant of loans, or disclosure of confidential information, to, or the restriction on any exercise of rights or remedies of, any Disqualified Institution.

(b) The Administrative Agent shall not have any duty to (i) take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Law; and (ii) to disclose, except as expressly set forth herein and in the other Loan Documents, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity; provided, further, that that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Holdings, the Borrowers, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) Any assignor of a Loan or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or Participant in the relevant Assignment and Assumption or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution. No Agent shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions.

#### Section 9.04 Reliance by Agents.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, request, consent, certificate, instrument, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, Internet or intranet website posting or other distribution statement or other document or conversation reasonably believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons. Each Agent also may rely upon any statement made to it orally or by telephone and reasonably believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with, and rely upon (and be fully protected in relying upon), advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders

against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Sections 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date, specifying its objection thereto.

Section 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Parent Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent, (vi) the creation, perfection or priority of Liens on the Collateral or (vii) compliance by Affiliated Lenders with the terms hereof relating to Affiliated Lenders. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders in accordance with Article VIII; provided, however, that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, each Lender shall, on a ratable basis based on such Lender's Pro Rata Share of the Facility,

indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), and hold harmless each Agent-Related Person in each case from and against any and all Indemnified Liabilities incurred by such Agent-Related Person; provided, however, that no Lender shall be liable for any Indemnified Liabilities incurred by an Agent-Related Person to the extent such Indemnified Liabilities are determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Agent-Related Person's own gross negligence, bad faith or willful misconduct; provided, however, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence, bad faith or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 shall apply whether or not any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limiting the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its Pro Rata Share of any costs or out-of-pocket expenses (including the fees, disbursements and other charges of counsel) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower; provided that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto; provided further, that failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation or removal of the Administrative Agent.

Section 9.08 Agents in their Individual Capacities Any Agent and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Capital Stock in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though it were not an Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, an Agent or its Affiliates may receive information regarding any Loan Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that such Agent shall be under no obligation to provide such information to them. With respect to its Loans, such Agent shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not an Agent, and the terms "Lender" and "Lenders" include such Agent in its individual capacity (unless otherwise expressly indicated or unless the context otherwise requires).

Section 9.09 Successor Agents The Administrative Agent or Collateral Agent may resign as the Administrative Agent or Collateral Agent, as applicable, upon 30 days' written notice to the Parent Borrower and the Lenders. The Required Lenders may remove the Administrative Agent or Collateral Agent from such role at any time upon 30 days' written notice to the Administrative Agent or Collateral Agent, as applicable, the Parent Borrower and the Lenders. Upon receipt of any such notice of resignation or removal, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be consented to by the Parent Borrower at all times other than during the existence of an Event of Default under Section 8.01(a), (f), or (g) (which consent of the Parent Borrower shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation or removal of the Administrative Agent or Collateral Agent, as applicable, the Administrative Agent or Collateral Agent may appoint, after consulting with the Lenders and the Parent Borrower, a successor agent. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent or Collateral Agent, as applicable, and the term "Administrative Agent" or "Collateral Agent," as applicable, shall mean such successor administrative agent or such successor collateral agent, as applicable, and the retiring Administrative Agent's or Collateral Agent's appointment, powers and duties as the Administrative Agent or Collateral Agent, as applicable, shall be terminated. After the retiring Administrative Agent's or Collateral Agent's resignation or removal hereunder as the Administrative Agent or Collateral Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent or Collateral Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent or Collateral Agent by the date which is 30 days following the retiring Administrative Agent's or Collateral Agent's notice of resignation or removal, the retiring Administrative

Agent's or Collateral Agent's resignation or removal shall nevertheless thereupon become effective and (i) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security as bailee, trustee or other applicable capacity until such time as a successor of such Agent is appointed), (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.09 and (iii) the Lenders shall perform all of the duties of the Administrative Agent or Collateral Agent, as applicable, hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, the Administrative Agent or Collateral Agent, as applicable, shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent or Collateral Agent. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor or upon the expiration of the 30-day period following the retiring Administrative Agent's or Collateral Agent's notice of resignation or removal without a successor agent having been appointed, the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents other than as specifically set forth in clause (i) above of this Section 9.09(a) but the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them solely in respect of the Loan Documents or Obligations, as applicable, while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, administrative receivership, judicial management, insolvency, liquidation, bankruptcy, reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel to the extent provided for herein and all other amounts due the Lenders and the Administrative Agent under Sections 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any administrator, administrative receiver, custodian, receiver, assignee, trustee, judicial manager, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts, in each case, due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment or composition affecting the Obligations or the rights of any

Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

The provisions of this Article IX are solely for the benefit of the Administrative Agent, the Lenders, and, except for Sections 9.01, 9.09, 9.10, 9.11, 9.13, and 9.15, none of Holdings, the Borrowers or any Subsidiary, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions.

Section 9.11 Collateral and Guaranty Matters. Each of the Lenders irrevocably authorizes the Administrative Agent and the Collateral Agent, and each of the Administrative Agent and the Collateral Agent shall to the extent requested by the Parent Borrower or, solely in the case of clause (d) below, to the extent provided for under this Agreement,

- (a) release any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than contingent indemnification obligations as to which no claim has been asserted, (ii) that is sold, disposed of or distributed or to be sold, disposed of or distributed as part of or in connection with any transaction permitted hereunder or under any other Loan Document, in each case to a Person that is not a Loan Party, (iii) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders, (iv) that constitutes Excluded Property as a result of an occurrence not prohibited hereunder or (v) owned by a Subsidiary Guarantor upon release of such Subsidiary Guarantor from its obligations under its Guaranty pursuant to clause (c) below;
- (b) release or subordinate any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document to the holder of any Permitted Lien on such property that is permitted by clauses (1), (4), (5), (6) (only with regard to Section 7.01(d)), (9), (11) (solely with respect to cash deposits), (16), (17) (other than with respect to self-insurance arrangements), (18) (solely to the extent constituting Excluded Property), (21), (23) (solely to the extent relating to a lien of the type allowed pursuant to clause (9) of the definition thereof), (25) (solely to the extent relating to a lien of the type allowed pursuant to clause (6) of the definition of "Permitted Liens" and securing obligations under Indebtedness of the type allowed pursuant to Section 7.01(d)), (26) (solely to the extent the Lien of the Collateral Agent on such property is not, pursuant to such agreements, required or permitted to be senior to or *pari passu* with such Liens), (29) (solely with respect to cash deposits), (34), (39) (only for so long as required to be secured for such letter of intent or investment), (45), (46) and (48) of the definition thereof;
- (c) release any Guarantor from its obligations under the applicable Guaranty if in the case of any Subsidiary, such Person ceases to be a Subsidiary or otherwise becomes an Excluded Subsidiary as a result of a transaction or designation permitted hereunder; provided that no such release shall occur if such Guarantor continues to be a guarantor in respect of any Specified Refinancing Debt, any Refinancing Notes, the First Lien Facilities, any New Incremental Notes or, to the extent incurred by a Loan Party (other than Holdings), any other Indebtedness; and
- (d) establish intercreditor arrangements as contemplated by this Agreement.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11. Additionally, upon reasonable request of the Parent Borrower, the Collateral Agent will return possessory Collateral held by it that is released from the security interests created by the Collateral Documents pursuant to this Section 9.11; provided that in each case of this Section 9.11, the Parent Borrower shall have delivered to the Administrative Agent and Collateral Agent a certificate of a Responsible Officer of the Parent Borrower certifying that any such transaction has been consummated in compliance with the Credit Agreement and the other Loan

Documents and that such release is permitted hereby; provided, that in the event that the Collateral Agent loses or misplaces any possessory collateral delivered to the Collateral Agent by the Parent Borrower, upon reasonable request of the Parent Borrower, the Collateral Agent shall provide a loss affidavit to the Parent Borrower, in the form customarily provided by the Collateral Agent in such circumstances.

Section 9.12 Other Agents; Arranger and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a “syndication agent,” “joint lead arranger,” or “joint bookrunner” shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such; provided that each Arranger shall be entitled to any express rights given to that Arranger under any Loan Document. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13 Affiliates of Administrative Agent.

(a) Each of Antares Holdings LP (“Antares Finance”) and any Affiliate of Antares Finance that becomes a Lender (other than the Administrative Agent in its capacity as such) or other Secured Party (each, an “Antares Lender”) shall be responsible for all of the following on its own behalf: (A) execution and delivery of the Loan Documents, on its own behalf, and acceptance of delivery thereof on its own behalf from any Loan Party, and (B) approval, execution and delivery, on its own behalf, of any amendment, consent or waiver under any of the foregoing Loan Documents or other agreements related thereto;

(b) the Administrative Agent shall have no authority to do any of the foregoing on behalf of any Antares Lender; and

(c) without limitation of the foregoing, if any Antares Lender consents to any matter requiring execution and delivery by or on behalf of the Required Lenders (as may be specified in Section 10.01, or any other provision of this Agreement or of any other Loan Document), such Antares Lender shall execute and deliver, on its own behalf, such documents or instruments as may be necessary in connection with such matter (and (with respect to Antares Lenders only), Agent shall have no authority to sign, execute or deliver any such document or instrument on behalf of any Antares Lender). If any Antares Lender has not consented to any such matter, but other Lenders constituting Required Lenders have done so, the provisions of this Section 9.13 do not require a separate signature from such Antares Lender.

Section 9.14 Appointment of Supplemental Agents, Incremental Arrangers, Incremental Notes Arrangers and Specified Refinancing Agents

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent or the Collateral Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent and the Collateral Agent are hereby authorized to appoint an additional individual or institution selected by them in their sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrativesub-agent or administrative co-agent, as applicable (any such additional individual or institution being referred to herein individually as a “Supplemental Agent” and collectively as “Supplemental Agents”).

(b) In the event that the Administrative Agent or the Collateral Agent appoints a Supplemental Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent or the Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Agent to the extent, and only to the extent, necessary to enable such Supplemental Agent to exercise such rights,

powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Agent shall run to and be enforceable by either the Administrative Agent and the Collateral Agent or such Supplemental Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall inure to the benefit of such Supplemental Agent and all references therein to the Administrative Agent and/or Collateral Agent shall be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Supplemental Agent, as the context may require.

(c) Should any instrument in writing from the Borrowers, Holdings or any other Loan Party be required by any Supplemental Agent so appointed by the Administrative Agent or the Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrowers or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent or the Collateral Agent. In case any Supplemental Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent or the Collateral Agent, as applicable, until the appointment of a new Supplemental Agent.

(d) In the event that the Parent Borrower appoints or designates any Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent pursuant to Sections 2.14, 2.15 and 2.18, as applicable, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to an agent or arranger with respect to New Commitments, New Incremental Notes or Specified Refinancing Debt, as applicable, shall be exercisable by and vest in such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to the extent, and only to the extent, necessary to enable such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to exercise such rights, powers and privileges with respect to the New Commitments, New Incremental Notes or Specified Refinancing Debt, as applicable, and to perform such duties with respect to such New Commitments, New Incremental Notes or Specified Refinancing Debt, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent shall run to and be enforceable by either the Administrative Agent or such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall inure to the benefit of such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent and all references therein to the Administrative Agent and/or Collateral Agent shall be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent, as the context may require. Each Lender hereby irrevocably appoints any Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to act on its behalf hereunder and under the other Loan Documents pursuant to Sections 2.14, 2.15 and 2.18, as applicable, and designates and authorizes such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto.

Section 9.15 Intercreditor Agreement. The Administrative Agent and the Collateral Agent are authorized by the Lenders and other Secured Parties to, to the extent required by the terms of the Loan Documents, (i) enter into the First Lien/Second Lien Intercreditor Agreement and any other intercreditor agreement contemplated by this Agreement, (ii) enter into any Collateral Document, or (iii) make or consent to any filings or take any other actions in connection therewith (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Sections 7.01 and 7.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and the parties hereto acknowledge that any intercreditor agreement, Collateral Document,

consent, filing or other action will be binding upon them. Each Lender and other Secured Party (a) understands, acknowledges and agrees that Liens will be created on Collateral pursuant to the First Lien Facilities Documentation, which Liens shall be subject to the terms and conditions of the First Lien/Second Lien Intercreditor Agreement, (b) hereby agrees that it will be bound by and will take no actions contrary to the provisions of the First Lien/Second Lien Intercreditor Agreement or any other intercreditor agreement (if entered into) and (c) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the First Lien/Second Lien Intercreditor Agreement and any other intercreditor agreement contemplated by this Agreement or Collateral Document (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Sections 7.01 and 7.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

Section 9.16 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify the Administrative Agent against, and shall make payable in respect thereof within 30 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the U.S. Internal Revenue Service or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other obligations under any Loan Document.

Section 9.17 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that:

(ii) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement is independent (within the meaning of 29 CFR § 2510.3-21, as amended from time to time) and is a bank, an insurance carrier, an investment adviser, a broker-dealer or other person that holds, or has under management or control, total assets of at least \$50 million, in each case as described in 29 CFR § 2510.3-21(c)(1)(i)(A)-(E),

(iii) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement is capable of evaluating investment risks independently, both in general and with regard to particular transactions and investment strategies (including in respect of the obligations),

(v) no fee or other compensation is being paid directly to the Administrative Agent or any of its Affiliates for investment advice (as opposed to other services) in connection with the Loans, the Commitments or this Agreement.

(c) The Administrative Agent hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans or the Commitments for an amount less than the amount being paid for an interest in the Loans or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

Section 9.18 Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 10.01 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

ARTICLE X.  
Miscellaneous

Section 10.01 Amendments, Etc. Except as otherwise expressly set forth in this Agreement or the applicable Loan Document, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (or by the Administrative Agent at the instruction of the Required Lenders) and the applicable Borrower or Loan Party, as the case may be, and acknowledged by the Administrative Agent to the extent the Administrative Agent is not a Defaulting Lender, and each such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender, or reinstate the Commitment of any Lender after the termination of such Commitment pursuant to Section 8.02, in each case without the written consent of such Lender (it being understood that the waiver of (or amendment to the terms of) any Default or Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal of, or interest on, any Loan or any fees or other amounts payable hereunder, without the written consent of each Lender directly and adversely affected thereby (and subject to such further requirements as may be applicable thereto under the last two paragraphs of this Section 10.01), it being understood that the waiver of any obligation to pay interest at the Default Rate, or the amendment or waiver of any mandatory prepayment of Loans under the Facility shall not constitute a postponement of any date scheduled for the payment of principal, interest or fees;

(c) reduce the principal of, or the rate of interest specified herein on, or change the currency of, any Loan (it being understood that a waiver of any Default or Event of Default or mandatory prepayment shall not constitute a reduction or forgiveness of principal), or (subject to clause (iii) of the proviso following clause (g) below) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly and adversely affected thereby; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrowers to pay interest at the Default Rate;

(d) change any provision of Section 8.04 or 10.09 without the written consent of each Lender directly and adversely affected thereby with respect to such change;

(e) change any provision of this Section 10.01 (other than any change to the last two paragraphs of this Section that would otherwise be permitted by this Section 10.01), or the definition of Required Lenders, or any other provision hereof specifying the number or percentage of Lenders or portion of the Loans or Commitments required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder (other than modifications in connection with repurchases of Loans, amendments with respect to the New Facilities and amendments with respect to extensions of maturity, which shall only require the written consent of each Lender directly and adversely affected thereby), without the written consent of each Lender;

(f) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the Liens on the Collateral in any transaction or series of related transactions, without the written consent of each Lender; or

(g) other than in a transaction permitted under Section 7.03 or Section 7.04, release all or substantially all of the aggregate value of the Guaranty, or all or substantially all of the Guarantors, without the written consent of each Lender;

and provided further that (i) [reserved]; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent, the Collateral Agent in their respective capacities as such, in addition to the Parent Borrower and the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and (iii) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification. Notwithstanding anything to the contrary herein, any amendment, modification, waiver or other action which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders or Affiliate Lenders (other than Debt Fund Affiliates), except that (x) no amendment, waiver or consent relating to Section 10.01(a), (b) or (c) may be effected, in each case without the consent of such Defaulting Lender or Affiliate Lender and (y) any amendment, modification, waiver or other action that by its terms adversely affects any Defaulting Lender or Affiliate Lender in its capacity as a Lender in a manner that differs in any material respect from, and is more adverse to such Defaulting Lender or Affiliate Lender than it is to, other affected Lenders shall require the consent of such Defaulting Lender or Affiliate Lender. Notwithstanding anything to the contrary

herein, any waiver, amendment, modification or consent in respect of this Agreement or any other Loan Document that by its terms affects the rights or duties under this Agreement or any other Loan Document of Lenders holding Loans or Commitments of a particular Tranche (but not the Lenders holding Loans or Commitments of any other Tranche) may be effected by an agreement or agreements in writing entered into by the Parent Borrower and the requisite percentage in interest of the Lenders with respect to such Tranche that would be required to consent thereto under this Section 10.01 if such Lenders were the only Lenders hereunder at the time.

This Section 10.01 shall be subject to any contrary provision of Section 2.14 or Section 2.18. In addition, notwithstanding anything else to the contrary contained in this Section 10.01, (a) amendments and modifications in connection with the transactions provided for by Section 2.14 or Section 2.18 that benefit existing Lenders may be effected without such Lenders' consent, (b) if the Administrative Agent and the Parent Borrower shall have jointly identified an obvious error or any error, ambiguity or omission, defect or inconsistency of a technical nature, in each case, in any provision of the Loan Documents, then the Administrative Agent and the Parent Borrower shall be permitted to amend such provision and (c) the Administrative Agent and the Parent Borrower shall be permitted to amend any provision of any Collateral Document, the Guaranty, or enter into any new agreement or instrument, to be consistent with this Agreement and the other Loan Documents or as required by local law to give effect to any guaranty, or to give effect to or to protect any security interest for the benefit of the Secured Parties, in any property so that the security interests comply with applicable Law, and in each case, such amendments, documents and agreements shall become effective without any further action or consent of any other party to any Loan Document if in the case of amendments contemplated by clause (b) the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof.

Notwithstanding anything to the contrary herein, in connection with any amendment, modification, waiver or other action requiring the consent or approval of Required Lenders, Lenders that are Debt Fund Affiliates shall not be permitted, in the aggregate, to account for more than 49.9% of the amounts actually included in determining whether the threshold in the definition of "Required Lenders" has been satisfied. The voting power of each Lender that is a Debt Fund Affiliate shall be reduced, pro rata, to the extent necessary in order to comply with the immediately preceding sentence.

Notwithstanding anything to the contrary herein, at any time and from time to time, upon notice to the Administrative Agent (who shall promptly notify the applicable Lenders) specifying in reasonable detail the proposed terms thereof, the Parent Borrower may make one or more loan modification offers to (i) all the Lenders of any Facility that would, if and to the extent accepted by any such Lender, (a) extend the scheduled Maturity Date and any amortization of the Loans and Commitments under such Facility and/or change the Applicable Rate and/or fees payable with respect to the Loans and Commitments under such Facility (in each case solely with respect to the Loans and Commitments of accepting Lenders in respect of which an acceptance is delivered) and (b) treat the Loans and Commitments so modified as a new "Facility" for all purposes under this Agreement; provided that (x) such loan modification offer is made to each Lender under the applicable Facility on the same terms and subject to the same procedures as are applicable to all other Lenders under such Facility (which procedures in any case shall be reasonably satisfactory to the Administrative Agent) and (y) no loan modification shall affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent, without its prior written consent or (ii) the specified Lenders of any Facility that would, if and to the extent accepted by any such Lender (the "Accepting Lender"), (a) extend the scheduled Maturity Date and any amortization of the Loans and Commitments under such Facility and, if applicable, change the Applicable Rate and/or fees payable with respect to the Loans and Commitments under such Facility (in each case solely with respect to the Loans and Commitments of accepting Lenders in respect of which an acceptance is delivered) and (b) treat the Loans and Commitments so modified as a new "Facility" for all purposes under this Agreement; provided that (w) in no event shall such extended Loans and Commitments (1) have covenants that are more restrictive to the Borrowers than the terms applicable to the non-extended Loans and Commitments of the original Facility from which such Loans and Commitments are extended (the "Non-Extended Loans and Commitments"), (2) have a higher Applicable Rate and/or fees than the Non-Extended Loans and Commitments or (3) receive a greater than ratable share of any optional or mandatory prepayments than such Non-Extended Loans and Commitments, in each case, prior to the final maturity date of such Non-Extended Loans and Commitments applicable at the time of such loan modification, (x) such loan modification offer is made to the Accepting Lenders under the applicable Facility on the same terms and subject to the same procedures as are applicable to all other Accepting Lenders under such Facility (which procedures in any case shall be reasonably satisfactory to the Administrative Agent), (y) if the aggregate principal amount of Loans in respect of

which Lenders shall have accepted the relevant loan modification offer shall exceed the maximum aggregate principal amount of Loans of such Accepting Lenders, as applicable, subject to the loan modification offer, then the Loans of the lenders of the applicable Facility who were not provided with the opportunity to extend their Loans may have their Loans repaid on a non-ratable basis up to such maximum amount based on the respective principal amounts with respect to which the Accepting Lenders have accepted such loan modification offer and (z) no loan modification shall affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent, without its prior written consent.

In connection with any such loan modification offer, the Parent Borrower and each accepting Lender shall execute and deliver to the Administrative Agent such agreements and other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the applicable loan modification offer and the terms and conditions thereof, and this Agreement and the other Loan Documents shall be amended in a writing (which may be executed and delivered by the Parent Borrower and the Administrative Agent and shall be effective only with respect to the applicable Loans and Commitments of Lenders that shall have accepted the relevant loan modification offer (and only with respect to Loans and Commitments as to which any such Lender has accepted the loan modification offer)) to the extent necessary or appropriate, in the judgment of the Administrative Agent, to reflect the existence of, and to give effect to the terms and conditions of, the applicable loan modification (including the addition of such modified Loans and/or Commitments as a "Facility" hereunder). No Lender shall have any obligation whatsoever to accept any loan modification offer, and may reject any such offer in its sole discretion. Notwithstanding the foregoing, no modification referred to above shall become effective unless the Administrative Agent, to the extent reasonably requested by the Administrative Agent, shall have received legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12, Section 6.14 and/or Section 6.16 with respect to Holdings and the Parent Borrower, all material Subsidiary Guarantors and each other Subsidiary Guarantor that is organized in a jurisdiction for which local counsel to the Administrative Agent in such jurisdiction advises that such deliveries are reasonably necessary to preserve the Collateral in such jurisdiction.

Section 10.02     Notices; Electronic Communications.

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and subject to paragraph (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopy, as follows:

(iii) if to any other Lender, to it at its address (or telecopy number) set forth in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through Approved Electronic Platforms, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by using Approved Electronic Platforms pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Parent Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

(e) The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Parent Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof except to the extent such reliance is deemed to be gross negligence, bad faith or willful misconduct of the Administrative Agent, Collateral Agent or Lender in a final non-appealable judgment of a court of competent jurisdiction. The Borrowers shall indemnify the Administrative Agent, the Collateral Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Parent Borrower to the extent required by Section 10.05. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies; Enforcement.

(a) No failure by any Lender, the Administrative Agent or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided hereunder and under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent or the Collateral Agent in accordance with Section 8.02 for the benefit of all the Lenders; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent or the Collateral Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as the Administrative Agent or the Collateral Agent) hereunder and under the other Loan Documents or (b) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13); and provided further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clause (b) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders. In the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the

Administrative Agent, the Collateral Agent or any Lender (or any person nominated by them) may be the purchaser of any or all of such Collateral at any such sale and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold in any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such sale.

(c) If the Administrative Agent and the Borrowers acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Borrowers shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement.

Section 10.04 Expenses. The Borrowers agree (a) to pay or reimburse the Administrative Agent and the other Agents for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents (including reasonable expenses incurred in connection with due diligence and travel, courier, reproduction, printing and delivery expenses), and any amendment, waiver, consent or other modification of the provisions hereof and thereof, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of counsel (limited to the reasonable and documented fees, disbursements and other charges of one primary counsel to the Agents and, if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions, in each case, in jurisdictions material to the interests of the Lenders) and special counsel for each relevant specialty), and (b) to pay or reimburse the Administrative Agent, the other Agents and each Lender for all reasonable documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law or in connection with any workout or restructuring), including the fees, disbursements and other charges of counsel (limited to the reasonable fees, disbursements and other charges of one counsel to the Administrative Agent, the other Agents and the Lenders taken as a whole, and, if necessary, of one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions, in each case, in jurisdictions material to the interests of the Lenders) and of special counsel for each relevant specialty and, in the event of any actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction for each Lender or group of similarly affected Lenders or Agents subject to such conflict after notification to the Parent Borrower). The foregoing costs and expenses shall include all reasonable search, filing, recording, title insurance and appraisal charges and fees, and other out-of-pocket expenses incurred by any Agent. All amounts due under this Section 10.04 shall be paid within 30 days after invoiced or demand therefor (with a reasonably detailed invoice with respect thereto) (except for any such costs and expenses incurred prior to the Closing Date, which shall be paid on the Closing Date to the extent invoiced at least three Business Days prior to the Closing Date). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent after any applicable grace periods have expired, in its sole discretion and the Borrowers shall immediately reimburse the Administrative Agent, as applicable. This Section 10.04 shall not apply with respect to Taxes other than any Taxes arising from any non-Tax cost or expense.

Section 10.05 Indemnification by the Borrower. The Borrowers shall indemnify and hold harmless each Arranger, each Agent-Related Person, each Lender, each of their respective Affiliates and each partner, director, officer, employee, counsel, agent and representative of the foregoing and, in the case of any funds, trustees and advisors and attorneys-in-fact (collectively, the “Indemnitees”) from and against (and will reimburse each Indemnatee, as and when incurred, for) any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs (including settlement costs), disbursements, and reasonable and documented or invoiced out-of-pocket fees and expenses (including the reasonable and documented fees, disbursements and other charges of (i) one counsel to the Indemnitees taken as a whole, (ii) in the case of an actual or perceived conflict of interest, where the Indemnatee affected by such conflict informs the Parent Borrower and thereafter retains its own counsel, of another firm of counsel for each such affected Indemnatee in each relevant

jurisdiction material to the interests of the Lenders, and (iii) if necessary, one local counsel in each jurisdiction material to the interests of the Indemnitees (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnitee in any way relating to or arising out of or in connection with or by reason of (x) any actual or prospective claim, litigation, investigation or proceeding in any way relating to, arising out of, in connection with or by reason of any of the following, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding): (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby or (b) any Commitment or Loan or the use or proposed use of the proceeds therefrom; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, disbursements, fees or expenses are determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from (A) the bad faith, gross negligence or willful misconduct of such Indemnitee or any of its Affiliates or controlling persons or any of the officers, directors, employees, agents, advisors, or members of any of the foregoing or (B) any dispute that is among Indemnitees (other than any dispute involving claims against the Administrative Agent, any Arranger or any other Agent, in each case in their respective capacities as such) that a court of competent jurisdiction has determined in a final and non-appealable judgment did not involve actions or omissions of the Parent Borrower or its Subsidiaries or any of their respective Affiliates; or (y) any Environmental Liability related in any way to Holdings or any of its Subsidiaries, ((x) and (y), collectively, the "Indemnified Liabilities") in all cases, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through the Approved Electronic Platform or other information transmission systems (including electronic telecommunications) in connection with this Agreement unless determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that such waiver of special, punitive, indirect or consequential damages shall not limit the indemnification obligations of the Loan Parties under this Section 10.05. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors or an Indemnitee or any other Person, and whether or not any Indemnitee is otherwise a party thereto. Should any investigation, litigation or proceeding be settled, or if there is a judgment in any such investigation, litigation or proceeding, the Borrowers shall indemnify and hold harmless each Indemnitee in the manner set forth above; provided that the Borrowers shall not be liable for any settlement effected without the Parent Borrower's prior written consent (such consent not to be unreasonably withheld, delayed or conditioned). All amounts due under this Section 10.05 shall be payable within 30 days after demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

Section 10.06 Payments Set Aside. To the extent that any payment by or on behalf of the Borrowers is made to any Agent, to any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent, such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the NYFRB Rate from time to time in

effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07      Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrowers may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee (other than to any Disqualified Institution to the extent the list of Disqualified Institutions has been made available to the Lenders) in accordance with the provisions of Section 10.07(b), (ii) by way of participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f) or (iv) to an SPC in accordance with the provisions of Section 10.07(g). Any other attempted assignment or transfer by any party hereto (other than to any Disqualified Institution) shall be null and void. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans at the time owing to it); provided that:

(i) (A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Facility and the Loans at the time owing to it under such Facility, no minimum amount shall need be assigned, and (B) in any case not described in clause (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$500,000 unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing, the Parent Borrower otherwise consents (such consent not to be unreasonably withheld, conditioned or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis;

(iii) no consent shall be required for any assignment except to the extent required by clause (b)(i)(B) of this Section 10.07 and, in addition (A) the consent of the Parent Borrower (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any assignment unless (1) an Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing at the time of such assignment, or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund (other than any Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders); provided that (1) the Parent Borrower shall be deemed to have consented to any assignment unless the Parent Borrower objects thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof and (2) during the 60 day period following the Closing Date, the Parent Borrower shall be deemed to have consented to an assignment to any Lender if such Lender was previously identified and approved in the initial allocations of the Loans and Commitments provided by the Arrangers to the Parent Borrower and (B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for any assignment unless such

assignment is to a Lender, an Affiliate of a Lender or an Approved Fund (provided that in each case the Administrative Agent shall acknowledge any such assignment);

(iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), together with a processing and recordation fee of \$3,500 (except (A) the Administrative Agent, in its sole discretion, may elect to waive such processing and recording fee in the case of any assignment and (B) no such fees shall be payable in connection with assignments by JPMCB in the primary syndication of the Initial Loans). Each Eligible Assignee that is not an existing Lender shall deliver to the Administrative Agent an Administrative Questionnaire;

(v) no such assignment shall be made (A) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary of a Defaulting Lender, (B) to any natural person, (C) to any Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders, (D) to Holdings, the Parent Borrower or any its Subsidiaries except as permitted under clause (j) below or (E) to any Affiliate Lender except as permitted under Section 10.07(i);

(vi) [reserved];

(vii) the assigning Lender shall deliver any Notes or, in lieu thereof, a lost note affidavit and indemnity reasonably acceptable to the Parent Borrower evidencing such Loans to the Parent Borrower or the Administrative Agent; and

(viii) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Parent Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans; provided that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this clause, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(c), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment, and subject to the obligations set forth in Section 10.08). Upon request, and the surrender by the assigning Lender of its Note (or, in lieu thereof, a lost note affidavit and indemnity reasonably acceptable to the Parent Borrower), the Parent Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement (other than any purported assignment or transfer to a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders) that does not comply with this clause (b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as non-fiduciary agent of the Borrowers (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register in which it shall record the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans owing to each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as Defaulting Lender. The Register shall be available for inspection by any Borrower, any Agent and any Lender (but only to entries with respect to itself), at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Parent Borrower or the Administrative Agent, sell participations to any Person (other than a natural person, an Affiliate Lender (other than a Debt Fund Affiliate), a Person that the Administrative Agent has identified in a notice to the Lenders as a Defaulting Lender or a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders) (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (in the case of any amendment, waiver or other modification described in clause (a), (b), (c) or (f) of such proviso, that directly and adversely affects such Participant). Subject to Section 10.07(e), the Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections (it being understood that the documentation required under Section 3.01(g) shall be delivered solely to the participating Lender) and Section 3.08) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; provided such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) A Participant (i) agrees to be subject to the provisions of Sections 3.08 as if it were an assignee pursuant to Section 10.07(b) and (ii) shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent that a Participant's right to a greater payment results from a change in any Law after the Participant becomes a Participant.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) (other than to a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders, or a natural person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Parent Borrower (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such

option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Administrative Agent as is required under Section 2.12(b). Each party hereto hereby agrees that an SPC shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and Section 3.08); provided that neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement (including under Section 3.01, 3.04 or 3.05), except to the extent that the SPC's right to a greater payment results from a change in any Law after the grant to the SPC takes place. Each party hereto further agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (ii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender of record hereunder. Other than as expressly provided in this Section 10.07(g), (A) such Granting Lender's obligations under this Agreement shall remain unchanged, (B) such Granting Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Granting Lender in connection with such Granting Lender's rights and obligations under this Agreement. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not, other than in respect of matters unrelated to this Agreement or the transactions contemplated hereby, institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Parent Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500, assign all or any portion of its rights hereunder with respect to any Loan to the Granting Lender and (ii) subject to Section 10.08, disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Notwithstanding anything to the contrary herein, any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents, and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(i) Notwithstanding anything to the contrary herein, any Lender may assign all or any portion of its Loans, Specified Refinancing Loans and New Loans hereunder to any Other Affiliate (including any Debt Fund Affiliate), but only if:

(i) the assigning Lender and Other Affiliate purchasing such Lender's Loans, Specified Refinancing Loans or New Loans, as applicable, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit E-2 hereto (an "Affiliate Lender Assignment and Assumption") in lieu of an Assignment and Assumption;

(ii) after giving effect to such assignment, Other Affiliates (other than Debt Fund Affiliates) shall not, in the aggregate, own or hold Loans, Specified Refinancing Loans and New Loans with an aggregate principal amount in excess of 25% of the principal amount of all Loans then outstanding (calculated as of the date of such purchase); and

(iii) such Other Affiliate (other than Debt Fund Affiliates) shall at all times thereafter be subject to the voting restrictions specified in Section 10.01.

(j) Notwithstanding anything to the contrary herein, so long as no Default or Event of Default pursuant to Sections 8.01(a), (f) or (g) exists, any Lender may assign all or any portion of its Loans, Specified Refinancing Loans and New Loans hereunder to Holdings or any of its Subsidiaries, but only if:

(i) (A) such assignment is made pursuant to a Dutch Auction open to all Lenders, Specified Refinancing Loan lenders or New Loan lenders on a pro rata basis or (B) such assignment is made as an open market purchase;

(ii) [reserved]; and

(iii) any such Loans shall be automatically and permanently cancelled immediately upon acquisition thereof by Holdings or any of its Subsidiaries.

In connection with any assignment pursuant to Section 10.07(i) or (j), each Lender acknowledges and agrees that, in connection therewith, (1) the Other Affiliates, Holdings and/or any of its Subsidiaries may have, and later may come into possession of, information regarding the Sponsor, Holdings, any of its Subsidiaries and/or any of their respective Affiliates not known to such Lender and that may be material to a decision by such Lender to participate in such assignment (including material non-public information) ("Excluded Information"), (2) such Lender, independently and, without reliance on the Other Affiliates, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates, has made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Other Affiliates, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against Other Affiliates, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information.

(k) Notwithstanding anything to the contrary herein, (i) Affiliate Lenders (other than Debt Fund Affiliates) shall not have any right to attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any other Lender to which representatives of the Parent Borrower are not then present, (ii) Affiliate Lenders (other than Debt Fund Affiliates) shall not have any right to receive any information or material prepared by the Administrative Agent or any other Lender or any communication by or among the Administrative Agent and one or more other Lenders, except to the extent such information or materials have been made available to the Parent Borrower or its representatives, (iii) [reserved] and (iv) the Sponsor and its Affiliates (other than Debt Fund Affiliates) shall not be entitled to receive advice of counsel to the Agents or other Lenders and shall not challenge any assertion of attorney-client privilege by any Agent or other Lender. Each Borrower and each Affiliate Lender (other than any Debt Fund Affiliates) hereby agrees that if a case under Title 11 of the Bankruptcy Code is commenced against the Borrowers, such Affiliate Lenders, with respect to any plan of reorganization that does not adversely affect any Affiliate Lender in any material respect as compared to other Lenders, shall be deemed to have voted in the same proportion as the Lenders that are not Affiliate Lenders voting on such matter; and each Affiliate Lender (other than any Debt Fund Affiliates) hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the Bankruptcy Code is not deemed to have been so voted, then such vote will be "designated" pursuant to Section 1126(e) of the Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the Bankruptcy Code.

(l) [Reserved].

(m) The applicable Lender, acting solely for this purpose as a non-fiduciary agent of the Borrowers (solely for tax purposes), shall maintain a register on which it enters the name and address of (i) each SPC (other than any SPC that is treated as a disregarded entity of the Granting Lender for U.S. federal income tax purposes) that has exercised its option pursuant to Section 10.07(g) and (ii) each Participant, and the amount of each such SPC's and Participant's interest in such Lender's rights and/or obligations under this Agreement complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the United States Treasury Regulations (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to

the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that such commitment, loan, letter of credit or other obligation is in registered form under Treasury Regulations Section 5f.103-1(c) and Proposed Treasury Regulations Section 1.163-5(b) (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and the Borrowers and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of the applicable rights and/or obligations of such Lender under this Agreement, notwithstanding notice to the contrary.

(n) In the event that a transfer by any of the Secured Parties of its rights and/or obligations under this Agreement (and/or any relevant Loan Document) occurred or was deemed to occur by way of novation, the Borrowers and any other Loan Parties explicitly agree that all securities and guarantees created under any Loan Documents shall be preserved for the benefit of the new Lender and the other Secured Parties.

(o) If any assignment or participation is made to any Disqualified Institution without the Parent Borrower's prior written consent pursuant to this Section 10.07, the Parent Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) [reserved], (B) in the case of outstanding Loans held by Disqualified Institutions, purchase or prepay such Loan by paying the lowest of (x) the principal amount thereof, (y) the amount that such Disqualified Institution paid to acquire such Loans and (z) the market price of such Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (C) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 10.07), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lowest of (x) the principal amount thereof, (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations and (z) the market price of such Loans, in each case *plus* accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

Section 10.08 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, trustees, representatives and agents, including accountants, legal counsel and other advisors and service providers on a need-to-know basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential in accordance with customary practices); (b) to the extent requested by any regulatory authority having jurisdiction over such Agent, Lender or its respective Affiliates or in connection with any pledge or assignment permitted under clause (f) below; (c) in any legal, judicial, administrative proceeding or other compulsory process or otherwise as required by applicable Laws or regulations or by any subpoena or similar legal process, in each case based upon the reasonable advice of the disclosing Agent's or Lender's legal counsel (in which case the disclosing Agent or Lender, as applicable, agrees (except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority), to the extent not prohibited by applicable Law, to promptly notify the Parent Borrower prior to such disclosure); (d) to any other party to this Agreement; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same (or more restrictive) as those of this Section 10.08, to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; provided that no such disclosure shall be made by such Lender or such Agent or any of their respective Affiliates to any such Person that is a Disqualified Institution (but with respect to any Lender and its Affiliates, only to the extent the list of Disqualified Institutions has been made available to such Lender); (g) with the written consent of Holdings; (h) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (i) to any state, federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Agent or Lender or any Affiliate of any Agent or Lender; (j) to any rating agency or the CUSIP Service Bureau or any similar agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Agent or Lender); (k) to any contractual counterparty (or prospective contractual counterparty) in any swap, hedge, or similar agreement or to any such contractual counterparty's (or prospective contractual counterparty's) professional advisor (other than a Disqualified Institution (but with respect to any Lender, only to the extent the list of Disqualified Institutions has been made available to such Lender)); (l) to such party's financing sources on a confidential basis;

and (m) in connection with any pledge or assignment pursuant to Sections 10.07(f) or (j), provided that such pledgee or assignee agrees to abide by the confidentiality provisions of this Section 10.08. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions; provided that such Person is advised and agrees to be bound by the provisions of this Section 10.08.

For the purposes of this Section 10.08, "Information" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that is publicly available to any Agent or any Lender prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08 by such Lender or Agent. Any Person required to maintain the confidentiality of Information as provided in this Section 10.08 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent and each Lender acknowledges that (i) the Information may include material non-public information concerning Holdings or any of its Subsidiaries, (ii) it has developed compliance procedures regarding the use of material non-public information and (iii) it will handle such material non-public information in accordance with applicable Law, including United States federal and state securities Laws.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THIS SECTION 10.08 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS, THE BORROWERS AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWERS OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS OR ANY OF ITS SUBSIDIARIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

Section 10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Secured Party is authorized at any time and from time to time, without prior notice to the Parent Borrower or any other Loan Party, any such notice being waived by Holdings (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in any currency), other than deposits in fiduciary accounts as to which a Loan Party is acting as fiduciary for another Person who is not a Loan Party and other than payroll or trust fund accounts, at any time held by, and other Indebtedness (in any currency) at any time owing by, such Lender to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Secured Party hereunder or under any other Loan Document (or other Secured Document (as defined in the Security Agreement)), now or hereafter existing, irrespective of whether or not such Agent or such Lender shall have made demand under this Agreement or any other Loan Document (or other Secured Document (as defined in the Security Agreement)) and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such Indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other

funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Secured Party agrees promptly to notify the Parent Borrower and the Administrative Agent after any such set-off and application made by such Secured Party; provided, however, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Secured Party under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Secured Party may have. Notwithstanding anything herein or in any other Loan Document to the contrary, in no event shall the assets of any Controlled Foreign Subsidiary or FSHCO (or other Excluded Property) constitute security for payment of the Obligations of the Borrower, it being understood that (a)(i) the Capital Stock of any Controlled Foreign Subsidiary or FSHCO that is directly owned by a Borrower or a Subsidiary Guarantor does not constitute such an asset, and may be pledged, to the extent set forth in Section 6.12 and (ii) proceeds of Excluded Property shall constitute security for payment of the Obligations of the Borrowers (unless such proceeds would constitute Excluded Property) and (b) the provisions hereof shall not limit, reduce or otherwise diminish in any respect the Borrowers' obligations to make any mandatory prepayment pursuant to Section 2.05(b)(ii).

Section 10.10 Interest Rate Limitation. Notwithstanding anything to the contrary in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts (and by different parties hereto in different counterparts), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

Section 10.12 Integration; Effectiveness. This Agreement and the other Loan Documents, and those provisions of the Engagement Letter and the Fee Letter that, by their terms, survive the termination or expiration of the Closing Date, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. It is expressly agreed and confirmed by the parties hereto that the provisions of the Engagement Letter and the Fee Letter shall survive the execution and delivery of this Agreement, the occurrence of the Closing Date, and shall continue in effect thereafter in accordance with their terms. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto as of the date hereof.

warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation (other than contingent indemnification or other obligations) hereunder shall remain unpaid or unsatisfied.

Section 10.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws then such provisions shall be deemed to be in effect only to the extent not so limited.

“Products” shall mean those products listed in Exhibit A attached hereto, as the same may be amended from time to time by mutual written agreement of the Parties.

“Reserved Territories” shall mean (i) the United States of America, which Cygnus has reserved to itself and the countries specified <https://www.cygnustechnologies.com/intemational-distributors> which comprise the countries in respect of which Cygnus has appointed distributors; and (ii) any other countries in respect of which Cygnus informs the Distributor by written notice that it has appointed or will appoint another distributor or has reserved to itself.

“Territory” shall mean China including Hong Kong.

### 2. APPOINTMENT

- A. Appointment. Cygnus hereby appoints Distributor as its distributor to import market and sell to Cygnus end-user customers (the “Customer” or “Customers”) the Products in the Territory and to provide services to such Customers in the Territory, for research, non-diagnostic and non-therapeutic use only in accordance with the provisions set forth in this Agreement. Distributor hereby accepts such appointment.

The nature of the appointment is:

Sole appointment. Cygnus undertakes not to appoint any third party to import, market and distribute the Products in the Territory whether as distributor, agent, reseller, wholesaler, franchise holder or otherwise, but reserves to itself the right to import, market, distribute and sell the Products to customers in the Territory.

Distributor will sell the Products to Customers upon Customers’ acceptance of the terms and conditions of use attached hereto as Exhibit C (the “Terms and Conditions”). All

Products must be sold in the form as packaged by Cygnus (with no portion of the package obscured). If Terms and Conditions conflict with the terms and conditions set forth herein, this Agreement shall govern. Distributor shall use diligent efforts to notify Cygnus of conduct by Customers that might violate the Terms and Conditions, but shall have no liability for such Customers conduct; provided, however, that Distributor shall, upon Cygnus's reasonable request, cease all sales to such Customers. Distributor is responsible for notifying the Customers of the US export control regulations described in Section 11.

- B. Territorial Limitation. Distributor shall not sell or advertise the Products outside of the Territory UNLESS the Territory is within the European Union or Switzerland, in which case Distributor shall refrain from making active sales of the Products to Customers in the Reserved Territories. For these purposes, active sales shall be understood to mean actively approaching or soliciting customers, including, but not limited to, the following actions:
- (a) visits;
  - (b) direct mail, including the sending of unsolicited emails;
  - (c) advertising in media, on the internet or other promotions, where such advertising or promotion is specifically targeted at customers in Reserved Territories;
  - (d) online advertisements addressed to Customers in Reserved Territories and other efforts to be found specifically by users in Reserved Territories, including the use of territory-based banners on third party websites and paying a search engine or online advertisement provider to have advertisements or higher search rankings displayed specifically to users in Reserved Territories; and
  - (e) advertising or promotion in any form, or translation of Distributor's website into a language other than an official language of any country forming part of the Territory, that Distributor would not reasonably carry out but for the likelihood that it will reach Customers in Reserved Territories.

Distributor shall not establish a sales, support, repair or maintenance facility for the Products outside of the Territory without the prior written consent of Cygnus.

Distributor shall refer to Cygnus all enquiries it receives for the Products for sale or delivery outside the Territory UNLESS the Territory is within the EU or Switzerland, when it shall refer to the Supplier all enquiries it receives for the Products for sale or delivery outside the EU or Switzerland.

Distributor will not distribute any competitive product without the written consent of Cygnus, except for products already distributed by the Distributor prior to the Effective Date and as set forth in Exhibit B. Distributor will give Cygnus sixty (60) days' prior written notice to request for Cygnus's consent to sell any new competitive products. Consent shall not be unreasonably withheld if Distributor can reasonably demonstrate that selling such competitive products will not have a negative impact on Distributor's performance under this Agreement.

---

Where the Territory is within the European Union, the provisions of this Section C shall apply for the term of this Agreement or for the period of five years from the Effective Date (whichever shall be the shorter).

- D. Independent Contractor. The relationship of Cygnus and the Distributor established by this Agreement is that of independent contractor and nothing contained in the Agreement shall be construed to:

- (i) give either Party the power to direct and control the day-to-day activities of the other; or
- (ii) allow Distributor to create or assume any obligations on behalf of Cygnus for any purpose whatsoever.

All sales and other agreements between Distributor and the Customers are Distributor's exclusive responsibility and shall have no effect on Cygnus's obligations under this Agreement. The difference between the Purchase Price and Distributor's sales price to the Customer shall be Distributor's sole remuneration for sale of the Products. List prices are subject to change on an annual basis and wholly at the discretion of Cygnus, and the Purchase Price will be adjusted accordingly based on the applicable discount set forth in Exhibit A; however, based on market circumstances, Cygnus and Distributor may decide to revise prices for specific Products from time to time through mutual written agreement. Price changes shall not affect unfulfilled purchase orders accepted by Cygnus prior to the effective date of the price change. Cygnus will provide Distributor with a minimum of ninety (90) calendar days advance notice of any proposed price increase for the Products. Distributor shall have control over the sales prices for Products to Customers in the Territory. Distributor agrees to share with Cygnus their list prices and the discounts offered for Cygnus products. Except where Cygnus is obligated to pay these taxes, Distributor shall pay all taxes, tariffs, and duties and the Purchase Price will be exclusive of these taxes.
- D. Orders and Acceptance. All orders for the Products submitted by Distributor shall be initiated by written purchase orders with a requested delivery date. Distributor will submit annual marketing plan for one (1) year period commencing on January 1st in November of the previous year. The marketing plan would include product promotions and technical service promotions. Cygnus consents to review these plans and revert within 15 business days of this submission if such plans can be implemented. Should Cygnus decide otherwise, Distributor and Cygnus would set aside a time period of 15 days to come to a resolution.

- E. Finances and Personnel. Distributor shall devote sufficient financial resources, technically qualified sales personnel, and service personnel to the Products to fulfill its responsibilities under this Agreement. Without limiting the generality of the foregoing, this shall include maintaining at least two (2) qualified sales agents who have appropriate knowledge and expertise for the Products in the Territory, and at least one (1) qualified person to provide technical support for the Products.
- F. Materials. Cygnus shall use commercially reasonable efforts to provide Distributor with marketing and technical information concerning the Products as well as reasonable quantities of brochures, catalogs, instructional material, advertising literature, and other Product data, with all such in the English language. Cygnus may at its discretion provide such material as printed copy or electronically. In the event that printed copy is provided, the freight charges for the delivery of such printed materials shall be paid for by Distributor. Should Distributor wish the material to be in a language of its choosing for its Territory, Distributor shall provide a translation, and be liable for the costs of producing the material in that language, and Cygnus shall approve all such material prior to production.
- G. Delivery Time. Cygnus shall minimize delivery time as much as possible and reasonably endeavor to fulfill delivery obligations. Cygnus will make reasonable effort to deliver standard Products within ten (10) business days of acceptance of the purchase order. Distributor will make every effort to provide Cygnus with accurate ordering forecasts.

## **6. TERM AND TERMINATION**

- A. Term. This Agreement takes effect on the Effective Date and shall continue in force until terminated either (i) at will, by either party giving one hundred and eighty (180) days' notice to the other or (ii) pursuant to the terms below.
- B. Termination for Cause.

(i) If either Party materially defaults in the performance of any provision of the Agreement, then the non-defaulting Party may give written notice to the defaulting Party that, if the default is not cured within thirty (30) calendar days of the written notice, the Agreement will be terminated. If the non-defaulting Party gives such notice and default is not cured during the thirty (30) calendar day period, then the Agreement shall automatically terminate at the end of that period.

(ii) Distributor acknowledges and agrees that the performance of its obligations as set forth under Section 5 (C)(i) is material to this Agreement. In the event Distributor fails to meet a sales target for any applicable Term, Cygnus shall have the right to terminate this Agreement pursuant to this section immediately without judicial intervention.

(iii) If Distributor fails to pay any amount due under this Agreement on the due date for payment and remains in default for more than 7 days Cygnus shall have the right to terminate this Agreement pursuant to this section immediately without judicial intervention.

(iv) Cygnus may terminate this Agreement immediately by notice in writing if Distributor is in breach of any of its compliance obligations under Section 10.

- C. Termination for Insolvency. This Agreement shall terminate immediately without judicial intervention, without notice, (a) upon the institution by or against either Party of insolvency, receivership or bankruptcy proceedings or any other proceedings in consequence of debt, (b) upon either party making an assignment for the benefit of creditors, or (c) upon dissolution of either company except for dissolution by merger into another company.
- D. Effect of Termination. Upon termination of this Agreement, Cygnus shall continue to fulfill, subject to the terms of the above and if so requested by Distributor, all orders accepted by Cygnus prior to the date of termination provided Distributor proves to Cygnus's satisfaction that it has the ability to pay for such products. In such instance, Distributor has the obligation to pay for all Products delivered by Cygnus, even if such delivery occurs after the termination date. Further (and without limitation to Section 5A), upon termination of this Agreement, Distributor must submit to Cygnus within thirty (30) calendar days after the effective date of termination, a list of all customers who have purchased Cygnus Products from Distributor in the past eighteen (18) months, and the Cygnus Products those customers have purchased from Distributor in the Territory.
- E. Return of Materials. All trademarks, trade names, patents, copyrights, designs, drawings, formulas or other data, photographs, samples, literature, and sales aids of every kind related to the Products and Services shall remain the property of Cygnus. Within thirty (30) calendar days after the termination of this Agreement, Distributor shall prepare all such items in its possession for shipment as Cygnus may direct, at the expense of Distributor. Distributor shall not make or retain any copies of any confidential items or information or any product literature that may have been entrusted to it. Effective upon termination of the Agreement, Distributor shall cease to use all trademarks, marks and trade names of Cygnus.

- F. Limitation on Liability. In the event of termination by either Party in accordance with any of the provisions of this Agreement, neither party shall be liable to the other, because of such termination, for compensation, reimbursement or damages on account of the loss of prospective profits or anticipated sales or on account of expenditures, inventory, investments, leases or commitments in connection with the business or goodwill of Cygnus or Distributor. Termination shall not, however, relieve either party of obligations incurred prior to the termination.
- G. Survival of Certain Terms. The provisions of Sections 3E, 3F, 4, 6, 7B, 8, 9, 12 and 13 shall survive the termination of this Agreement for any reason. All other rights and obligations of the parties shall cease upon termination of the Agreement.

## **7. LIABILITY COVERAGE AND LIMITATIONS**

- A. Products Liability. Cygnus agrees to carry product liability insurance for its Products in such amounts as Cygnus determines to be reasonable.
- B. Claims. Distributor shall, as soon as it becomes aware of a matter which may result in a product liability claim:
  - (a) give Cygnus written notice of the details of the matter;
  - (b) give Cygnus access to and allow copies to be taken of any materials, records or documents as Cygnus may require to take action under (c) below;
  - (c) allow Cygnus the exclusive conduct of any proceedings and take any action that Cygnus requires to defend or resist the matter, including using professional advisers nominated by Cygnus; and
  - (d) not admit liability or settle the matter without Cygnus's written consent.

## **8. PROPRIETARY RIGHTS AND CONFIDENTIALITY**

- A. Proprietary Rights. Distributor agrees that Cygnus owns all rights, title and interest in the Products in all of Cygnus's patents, trademarks, trade names, inventions, copyrights, know-how, and trade secrets relating to the design, manufacture, operation or service of the Products. The use by Distributor of any of these intellectual property rights is authorized only for the purposes herein set forth, and upon termination of the Agreement for any reason such authorization shall cease.
- B. Sale Conveys No Right to Manufacture or Copy. The Products are offered for sale and are sold by Distributor subject in every case to the condition that such sale does not convey any license, expressly or by implication, to manufacture, duplicate or otherwise copy or reproduce any of the Products.
- C. Confidentiality. The Parties agree that certain information each receives from the other may be the confidential information of the disclosing Party. "Confidential Information" means any non-public information disclosed by a Party either directly or indirectly to the other Party, in written, oral, visual or electronic form or by inspection of tangible

objects, relating to the Cygnus product technology and any other business matters, including but not limited to software, trade secrets, inventions (whether patentable or not), know-how, algorithms, diagrams, drawings, processes, reagents, research, product or strategic plans or collaborations or partnerships, financial information, business models, and information relating to corporate finance and governance. The receiving Party shall not, either directly or indirectly, disclose or use any Confidential Information of the disclosing Party other than the business contemplated herein without prior written authorization from the disclosing Party. To the extent that it can be established by the receiving Party by competent written evidence, Confidential Information shall not include information that:

- (i) was already known to the receiving Party, other than under an obligation of confidentiality, at the time of disclosure;
- (ii) was generally available to the public or otherwise part of the public domain at the time of its disclosure to the receiving Party;
- (iii) became generally available to the public or otherwise part of the public domain after its disclosure and other than through any act or omission of the receiving Party in breach of this Agreement;
- (iv) was subsequently lawfully disclosed to the receiving Party by a third party other than under an obligation of confidentiality;
- (v) was independently developed by the receiving Party without reference to or the use of information provided by the disclosing Party; or

If the receiving Party is required by a valid order of a court or other governmental body or otherwise required by law to disclose Confidential Information of the disclosing Party, it shall give the disclosing Party timely written notice of such requirement before disclosing any such information and shall cooperate with the disclosing Party, at the disclosing Party's expense, to seek a protective order, confidential treatment or other appropriate measures requiring, amongst other things, that the information and/or documents so disclosed be used only for the purposes for which the order was issued and parts of the information and/or documents so disclosed be redacted to limit the extent of disclosure.

## **9. TRADEMARKS AND TRADE NAMES**

- A. Use. During the term of this Agreement, Distributor shall have the right to indicate to the public that it is an authorized distributor of Cygnus Products and to advertise the Products within the Territory under the trademarks, marks and trade names that Cygnus may adopt from time to time. Distributor shall not alter or remove any Trademark applied to the Product. Except as explicitly provided for herein, nothing herein shall be deemed to grant to Distributor any right, title, license or interest in Cygnus's Trademarks. At no time during or after the term of this Agreement shall Distributor challenge or assist others to

---

challenge Cygnus's Trademarks or the registration thereof or attempt to register any trademarks, marks or trade name confusingly similar to those of Cygnus.

- B. Approval of Representations. Distributor shall respect Cygnus's trademarks and follow the instructions of Cygnus as to the usage of Cygnus's trademarks. If any of Cygnus's trademarks are to be used in conjunction with another trademark on or in relation to the Products, then the Cygnus mark shall be presented equally legibly, equally prominently, and of the same or greater size than the other but nevertheless separated from the other so that each appears to be a mark in its own right, distinct from the other mark.

#### **10. COMPLIANCE WITH LAWS INCLUDING ANTI-CORRUPTION LAWS AND COMPLIANCE WITH POLICIES**

- A. Distributor shall at its own expense comply with all laws and regulations relating to its activities under this Agreement, as they may change from time to time, and with any conditions binding on it in any applicable licenses, registrations, permits and approvals.
- B. Representations, Warranties and Covenants of Distributor. Without limitation to Section 10A, Distributor makes the following representations and warranties to Cygnus, and covenants and agrees as follows:
- (i) **Anti-Corruption Representations, Warranties and Covenants of Distributor.** Distributor hereby represents and warrants to Cygnus that Distributor has not, and covenants and agrees that it will not, in connection with the transactions contemplated by the Agreement or in connection with any other business transactions involving Cygnus or its products, make, authorize, promise or offer to make any payment or transfer anything of value, directly or indirectly, to any Government Official (meaning any officer or employee of a government, at any level, or of any government-controlled enterprise or of any public international organization, or any person acting in an official capacity for, or on behalf of, any of the foregoing, or any political party, party official or candidate for public office) or to any other person while knowing or suspecting that all or some portion of the payment or gift will be offered, given or promised to a Government Official for the purpose of influencing official action or securing an improper advantage. It is the intent of the parties that no payments or transfers of value shall be made which have the purpose or effect of public or commercial bribery, or acceptance of or acquiescence in extortion, kickbacks or other unlawful or improper means of obtaining business. This subsection shall not, however, prohibit normal and customary business entertainment or the giving of business mementos of nominal value in connection with Distributor's performance under the Agreement.
- (ii) **Distributor Certifications.** Distributor agrees that it will, and will cause each of its directors, officers, employees, agents or other representatives who have any direct involvement with any of the management or operations of the business of Distributor under the Agreement, at the request of Cygnus, and at least annually,

---

provide Cygnus with a certification in the form hereto attached and incorporated by reference as Exhibit D.

- (iii) **Familiarity with Laws.** Distributor represents, warrants and covenants that it and all of its directors, officers and employees who will provide services under this Agreement are familiar with the laws, rules, regulations and restrictions which may apply as well as the representations, warranties and covenants contained therein, and Distributor agrees to take appropriate steps to ensure compliance therewith by any such persons in connection with the activities contemplated by this Agreement.
- (iv) **Distributor's Continuing Obligation to Advise.** Distributor agrees that should it learn or have reason to know of: (i) any payment, authorization, offer, or agreement to make a payment to a Government Official for the purpose of obtaining or retaining business or securing any improper advantage for Cygnus under the Agreement or otherwise, or (ii) any other development during the term of the Agreement that in any way makes inaccurate or incomplete the representations, warranties and certifications of Distributor contained in Section 10A hereof at any time during the term of the Agreement, Distributor will immediately advise Cygnus in writing of such knowledge or suspicion and the entire basis known to Distributor therefor.
- (v) **No Governmental Ownership of Distributor.** Distributor hereby represents and warrants to Cygnus that no ownership interest, direct or indirect, in Distributor or in the contractual relationship established by the Agreement, is held or controlled by or for the benefit of any Government Official, and that it will obtain Cygnus's prior written consent before permitting a change that would result in a direct or indirect ownership interest in Distributor or in the contractual relationship established by the Agreement being held or controlled by or for the benefit of any Government Official.
- (vi) **Cygnus's Right of Investigation.** Distributor will keep accurate books and records in connection with its obligations and services to be performed under this Agreement. Distributor agrees that Cygnus shall have the right, from time to time, upon written notice to Distributor, to conduct an audit of Distributor to verify compliance with the provisions of this section. Distributor agrees to cooperate fully with such investigation, the scope, method, nature and duration of which shall be at the sole reasonable discretion of Cygnus.
- (vii) **Termination Right for Non-Compliance with Anti-Corruption Provisions.** In the event that Cygnus believes, in good faith, that Distributor has breached or may be about to breach any of the representations, warranties, covenants or agreements contained in Section 10A of this Agreement or has acted in any way that may subject Cygnus to liability under the anti-corruption laws applicable to it, Cygnus shall have the unilateral right, exercisable immediately upon written notice to

---

Distributor, to terminate the Agreement, subject to the provisions of 6B(iv) of this Agreement.

- (viii) **Disclosure to United States Government.** Distributor agrees that full disclosure of information relating to a possible violation of the anti-corruption representations, warranties or covenants contained in this Section 10A may be made at any time and for any reason to the United States government and its agencies, and to whomsoever Cygnus determines has a legitimate need to know.
- C. Without limitation to Sections 10A and 10B above, Distributor shall:
- (a) comply with all applicable laws, statutes, regulations, and codes relating to anti-bribery and anti-corruption in the Territory, any country in which goods or services are supplied and in which Cygnus or Distributor are incorporated as well as in the United States (Relevant Requirements);
  - (b) comply with the Cygnus's anti-bribery, anti-corruption and ethics policies (annexed to this Agreement as part of the Code of Business Conduct and Ethics at Exhibit E) and, in each case as Cygnus may update them from time to time (Relevant Policies).
  - (c) have and shall maintain in place throughout the term of this agreement its own policies and procedures to ensure compliance with the Relevant Requirements and the Relevant Policies, and will enforce them where appropriate;
  - (d) promptly report to Cygnus any request or demand for any undue or suspicious financial or other advantage of any kind received by Distributor in connection with the performance of this agreement;
  - (e) immediately notify Cygnus (in writing) if a public official in the Territory, any country in which goods or services are supplied and in which Cygnus or Distributor are incorporated as well as in the United States becomes an officer or employee of Distributor or acquires a direct or indirect interest in Distributor, and Distributor warrants that it has no such public officials as direct or indirect owners, officers or employees at the date of this Agreement;
  - (f) within 2 months of the date of this Agreement, and annually thereafter, certify to Cygnus in writing signed by each of its directors, officers, employees, agents or other representatives who have any direct involvement with any of the management or operations of the business of Distributor under the Agreement, in the form set out in Exhibit D. Distributor shall provide such supporting evidence of compliance as Cygnus may reasonably request.
- D. Distributor shall ensure that all of its suppliers, agents, subcontractors and other members of its group or affiliates who perform services or provide goods in connection with this Agreement do so only on the basis of a written contract which imposes on and secures from such persons terms equivalent to those imposed on Distributor in this Section 10 (Relevant Terms). Distributor shall be responsible for the observance and performance by such persons of the Relevant Terms, and shall be directly liable to Cygnus for any breach by such persons of any of the Relevant Terms.

## **11. UNITED STATES EXPORT CONTROLS**

THIS AGREEMENT IS EXPRESSLY MADE SUBJECT TO ANY LAWS, REGULATIONS, OR OTHER RESTRICTIONS ON THE EXPORT FROM THE UNITED STATES OF AMERICA OF THE PRODUCTS OR OF INFORMATION ABOUT SUCH PRODUCTS WHICH MAY BE IMPOSED FROM TIME TO TIME BY THE GOVERNMENT OF THE UNITED STATES OF AMERICA. NEITHER PARTY SHALL EXPORT OR REEXPORT, DIRECTLY OR INDIRECTLY, ANY PRODUCTS OR INFORMATION PERTAINING THERETO TO ANY COUNTRY FOR WHICH THE GOVERNMENT OR ANY AGENCY THEREOF REQUIRES AN EXPORT LICENSE OR OTHER GOVERNMENTAL APPROVAL AT THE TIME OF EXPORT OR REEXPORT WITHOUT FIRST OBTAINING SUCH LICENSE OR APPROVAL.

## **12. PATENT, COPYRIGHT AND TRADEMARK INDEMNITY**

- A. Indemnification. Cygnus shall indemnify and hold harmless Distributor from and against all damages incurred by it arising from any legal action made or brought against it by a person or entity other than Cygnus or an affiliate of Cygnus as a result of (a) any negligent or willful act or omission of Cygnus in relation to its obligations under this Agreement; (b) the breach of any provision of this Agreement by Cygnus; or (c) any infringement of intellectual property rights of a third party arising from the activities of Cygnus with regard to the Products.

Distributor shall indemnify and hold harmless Cygnus and its officers, directors and shareholders ("Cygnus Indemnitees") from and against all damages or liabilities incurred by it, her or him arising from any legal action made or brought against any of the Cygnus Indemnitees by a Person other than an affiliate of Distributor as a result of (a) any negligent or willful act or omission of Distributor in relation to its obligations under this Agreement; or (b) the breach of any provision of this Agreement by Distributor ; provided, however, that Distributor shall have the opportunities to be notified regularly regarding such legal action and shall be entitled to consent to settlement of such legal action against Cygnus Indemnitees.

Distributor agrees that Cygnus or its designee has the right to defend, or at its option to settle, any claim, suit or proceeding brought against Cygnus, Distributor or its customer on the issue of infringement or alleged infringement of any third party intellectual property by any Products sold hereunder, or the use thereof, subject to the limitations hereinafter set forth. Cygnus shall have sole control of any such action or settlement negotiations. Cygnus shall have the right to change, modify, or discontinue the sale of any Products that it determines may, or may be deemed to infringe any third party intellectual property rights.

- 
- B. Limitation. Notwithstanding the provisions of Subsection 12A. above, Cygnus assumes no liability for (a) infringements covering the use of the Products in any manner other than the intended use of the Products as set forth in Cygnus' printed materials; (b) any trademark infringement involving any marking or branding not applied by Cygnus or involving any marking or branding applied at the request of Distributor; or (c) any liability arising from a modification or servicing of a Product, or any part thereof, unless such modification or servicing was done by Cygnus.
- C. Entire Liability. The foregoing provision of this Section 12 states the entire liability and obligations of Cygnus and the exclusive remedy of Distributor and its customers, with respect to any alleged patent or trademark infringement by the Products or any part thereof.

### **13. GENERAL PROVISIONS**

- A. Governing Law. This Agreement shall be governed by and construed in accordance with laws of California, United States without giving effect to any of its conflict of law principles or provisions.
- B. Arbitration. All disputes between the parties arising out of or relating to this Agreement (other than actions seeking only equitable remedies) shall be settled by binding arbitration; (a) if an action is brought by Distributor, in San Mateo County, California pursuant to the Commercial Arbitration Rules of the American Arbitration Association; or (b) if an action is brought by Cygnus, in Beijing pursuant to the Rules of the China. The arbitrator may award any legal or equitable remedy and may, in his or her own discretion, require one party to pay the costs of the arbitration as well as the arbitrator's fees and expenses, including reasonable attorney's fees, of the other party.
- C. Entire Agreement. This Agreement sets forth the entire agreement and understanding of the parties relating to the subject matter herein and merges all prior discussions between them. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, shall be effective unless signed in writing by both parties.
- D. Notices. Unless otherwise provided for in this Agreement, any notice required or permitted by this Agreement shall be in writing and shall be sent by prepaid registered or certified mail, return receipt requested, addressed to the other party at the address shown at the beginning of this Agreement or at such other address for which such party gives notice hereunder. Such notice shall be deemed to have been given five (5) business days after deposit in the mail.
- E. Force Majeure. Nonperformance of either party shall be excused to the extent that performance is rendered impossible by strike, fire, flood, governmental acts or orders or restrictions, failure of suppliers, or any other reason where failure to perform is beyond the control of and not caused by the negligence of the non-performing party.

- 
- F. Non-assignability and Binding Effect. A mutually agreed consideration for Cygnus and Distributor for entering into this Agreement is the reputation, business standing, and goodwill already honored and enjoyed by both parties under their present ownership, and accordingly, both parties agree that their rights and obligations under this Agreement may not be transferred or assigned (except to subsidiary companies) directly or indirectly without the prior written consent of the other party. Subject to the foregoing sentence, this Agreement shall be binding upon and inure to the benefit of the parties hereto, their successors and permitted assigns. Notwithstanding the foregoing, Cygnus shall have the right to assign all of its rights and responsibilities under this Agreement without Distributor's consent to a third party that acquires Cygnus or substantially all of the assets of Cygnus related to this Agreement.

- G. Partial Invalidity. If any provision of this Agreement is held to be invalid by a court of competent jurisdiction, then the remaining provisions shall nevertheless remain in full force and effect. The parties agree to renegotiate in good faith any term held invalid and to be bound by the mutually agreed substitute provision.
- H. Legal Expenses. The prevailing party in any legal action brought by one party against the other and arising out of this Agreement shall be entitled, in addition to any other rights and remedies it may have, to reimbursement for its expense, including arbitration costs and reasonable attorney's fees.
- I. Counterparts. This Agreement shall be executed in two counterparts, each of which shall be deemed an original, each party retaining one copy thereof.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized representatives.

LEASE

THIS LEASE, made as of the date specified in the Basic Lease Information, by and between the landlord specified in the Basic Lease Information (“**Landlord**”), and the tenant specified in the Basic Lease Information (“**Tenant**”).

W I T N E S S E T H:

ARTICLE 1

Premises

1.1 Lease of Premises. Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, for the term and subject to the covenants hereinafter set forth, to all of which Landlord and Tenant hereby agree, the building commonly known as 30 Ingold Road, Burlingame, California (the “**Building**”) and all other improvements (together with the Building, collectively, the “**Existing Improvements**”) on the land legally described in **Exhibit A** (the “**Land**”), all as specified in the Basic Lease Information (collectively, the “**Premises**”), and as approximately outlined on **Exhibit B** attached hereto. Landlord and Tenant stipulate and agree that, for purposes of this Lease, the Building contains the number of square feet of rentable area specified in the Basic Lease Information and the Land contains the number of acres specified in the Basic Lease Information, and neither the Building nor the Land shall be subject to remeasurement during the Term.

1.2 Premises “As Is.” Tenant acknowledges that it is presently in possession of the Premises and is fully aware of the condition of the Premises. Landlord shall have no obligation to construct or install any improvements in the Premises or to remodel, renovate, recondition, alter or improve the Premises in any manner, and Tenant shall accept the Premises “as is” and in its existing condition on the Commencement Date. Landlord and Tenant expressly agree that there are and shall be no implied warranties of merchantability, habitability, fitness for a particular purpose, or any other kind arising out of this Lease and there are and shall be no warranties that extend beyond the warranties, if any, expressly set forth in this Lease. For purposes of Section 1938(a) of the California Civil Code, Landlord hereby discloses to Tenant, and Tenant hereby acknowledges, that the Premises have not undergone inspection by a Certified Access Specialist (CASP). As required by Section 1938(e) of the California Civil Code, Landlord hereby states as follows: “A Certified Access Specialist (CASP) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.” Notwithstanding anything to the contrary contained in this Lease, if Tenant obtains a CASp inspection or if Tenant desires that any improvements, repairs or maintenance recommended in a CASp inspection report be performed, then Tenant shall be responsible for the costs of any improvements, repairs or maintenance to the Premises which are required in any CASp inspection or report or that are desired by Tenant for any reason.

1.3 Parking. During the Term, as the sole occupant of the Premises (and the Property), Tenant shall have the exclusive right to use all parking spaces located on the Property.

1 . 4 Signage. Notwithstanding anything contained in the Lease to the contrary, during the Term, Tenant shall have the right, at Tenant's sole cost and expense, to maintain exterior signage in the locations currently utilized by Tenant at the Premises. Landlord shall not be entitled to install or erect any other signage on the Premises. Upon the termination of this Lease, Tenant may, if it desires, at its sole cost and expense, remove any signage containing Tenant's name or logo in accordance with Section 7.2 below.

1 . 5 Tangible and Intangible Personal Property. Tenant shall have the right, throughout the Term and at no additional cost, to use any tangible personal property, if any, that was conveyed to Landlord by Tenant prior to or concurrently with the Commencement Date pursuant to the Purchase Agreement (the "**Tangible Property**") and Tenant shall have the right to use such permits and licenses conveyed to Landlord pursuant to the Purchase Agreement that are necessary for the continuing use of the Premises and operation of Tenant's business on the Premises (the "**Intangible Property**" and together with the Tangible Property, the "**Licensed Property**"). Landlord hereby makes no representations or warranties regarding the condition of the Licensed Property, and Tenant accepts the Licensed Property in its currently existing, "AS-IS, WHERE-IS, WITH ALL FAULTS," condition. The Licensed Property specifically excludes all warranties, guaranties, indemnities, licenses, permits, entitlements, governmental approvals and certificates of occupancy obtained by Landlord or necessary for Landlord's development plan or used in connection with Landlord's development plan. Tenant shall continue to use the Licensed Property in connection with the operation, management and maintenance of the Premises. Tenant shall maintain any personal property comprising the Licensed Property in good condition, repair and working order, reasonable wear and tear excepted, and none of such personal property shall be removed from the Premises, unless replaced by unencumbered personal property of equal or greater utility and value. Tenant shall not cause or permit any liens, encumbrances or security interests of any kind or nature to attach to the Licensed Property during the Term. Otherwise, Tenant shall surrender the Licensed Property in its "AS-IS, WHERE-IS, WITH ALL FAULTS," condition upon the expiration or earlier termination of this Lease.

## ARTICLE 2

### Term

2 . 1 Term of Lease. The term of this Lease (the "**Term**") shall be the term specified in the Basic Lease Information, which shall commence on the commencement date specified in the Basic Lease Information (the "**Commencement Date**") and, unless sooner terminated as hereinafter provided, shall end on the expiration date specified in the Basic Lease Information (the "**Expiration Date**").

2 . 2 Holding Over. Tenant has no right to retain possession of the Premises or any part thereof beyond the expiration of the Term or the termination of this Lease. If, without consent by Landlord, Tenant holds possession of the Premises for more than ten (10) days after the expiration or earlier termination of this Lease, then such holding over shall be without Landlord's consent and if Landlord accepts Base Rent after the expiration or earlier termination of this Lease, shall be on the basis of a month-to-month tenancy subject to all of the terms and conditions of this Lease, except that the Base Rent payable during such month-to-month tenancy shall be equal to two hundred percent (200%) of the Base Rent in effect at the expiration of the Term of this Lease, prorated for an partial calendar months. Landlord and Tenant each shall have the right to terminate such month to month tenancy by giving at least thirty (30) days' written notice of termination to the other at any time, in which event such tenancy shall terminate on the termination date set forth in such termination notice. Nothing contained herein shall be construed as consent by Landlord to any holding over by Tenant. Tenant acknowledges that Landlord's development plans require that Tenant and all subtenants vacate the Premises no later than the expiration of the Term or earlier termination of this Lease and that Landlord will be significantly damaged if Tenant or any subtenant fails to timely vacate the Premises. Therefore, if the Term expires and Tenant or any subtenant holds over or otherwise fails to surrender possession of the Premises at the end of the Term in the manner required under this Lease, in addition to all rights and remedies of Landlord provided for in this Lease or at law or equity,

Tenant shall indemnify, protect, defend and hold Landlord entirely free and harmless from and against any and all damages, losses, claims, suits, actions, costs, expenses and liabilities (including without limitation, attorneys' fees and costs) arising from or attributable to Tenant's or subtenant's failure to vacate the Premises when due, including, without limitation, losses due to construction delays, carry costs and other similar damages.

2.3 Tenant's Right to Terminate. Tenant shall have the option to terminate and cancel this Lease at any time during the Term only by doing each of the following: (i) Tenant shall provide Landlord with no less than thirty (30) days prior written notice (the "**Termination Notice**"), which Termination Notice shall specify the effective date of such early termination (the "**Early Termination Date**") and (ii) concurrently with the delivery of the Termination Notice, Tenant shall deliver a payment (the "**Termination Payment**") to Landlord in the aggregate amount of all of the monthly Rent that would be due from Tenant to Landlord each month for the remainder of the Term after the Early Termination Date so that Landlord will have received the Aggregate Rent Consideration. For example, if Tenant delivers the Termination Notice and Tenant has paid Base Rent through the end of the sixth month of the Term, the Termination Payment due to Landlord will be \$2,306,087.06 (calculated as the remaining seventeen (17) months of Base Rent to be paid through the end of the Term, multiplied by the Base Rent of One Hundred Thirty Five Thousand Six Hundred Fifty Two and 18/100 Dollars (\$135,652.18) per month). As a further example, if Tenant delivers the Termination Notice and Tenant has paid Base Rent through the end of the 20th month of the Term, the Termination Payment due to Landlord will be \$406,956.54 (calculated as the remaining three (3) months of Base Rent to be paid through the end of the Term, multiplied by the Base Rent of One Hundred Thirty Five Thousand Six Hundred Fifty Two and 18/100 Dollars (\$135,652.18) per month). Following Tenant's delivery of the Termination Notice and the Termination Payment, the Expiration Date of the Lease shall be the Early Termination Date for all purposes of this Lease, and the Term shall expire on the Early Termination Date. On or before the Early Termination Date, Tenant shall surrender the Premises to Landlord in the condition otherwise required hereunder.

### ARTICLE 3

#### Rent

3.1 Base Rent. Commencing on the Commencement Date and continuing thereafter throughout the Term, Tenant shall pay to Landlord monthly base rent as specified in the Basic Lease Information (the "**Base Rent**").

3.2 Landlord's Property Tax Obligation. Commencing on the Commencement Date and continuing thereafter throughout the Term, Landlord shall pay any and all Property Taxes (as defined below) related to the Property. The parties acknowledge and agree that in no event shall Tenant have any obligation to pay (or to reimburse Landlord for) any Property Taxes. As used herein, "**Property Taxes**" shall mean all taxes, assessments, excises, levies, fees and charges (and any tax, assessment, excise, levy, fee or charge levied wholly or partly in lieu thereof or as a substitute therefor or as an addition thereto) of every kind and description, general or special, ordinary or extraordinary, foreseen or unforeseen, secured or unsecured, whether or not now customary or within the contemplation of Landlord and Tenant, that are levied, assessed, charged, confirmed or imposed by any public or government authority on or against, or otherwise with respect to, the Premises or any part thereof or any personal property used in connection with the Premises. Tenant is responsible to pay all taxes levied, assessed, charged, confirmed or imposed on Tenant's tangible or intangible personal property, trade fixtures and equipment.

3.3 Additional Rent. Throughout the Term, Tenant shall pay, as additional rent and in addition to Base Rent, all other amounts of money and charges required to be paid by Tenant under this Lease (including, without limitation, the costs of any Tenant Directed Insurance as defined below), whether or

not such amounts of money or charges are designated “**additional rent**.” As used in this Lease, “**rent**” shall mean and include Base Rent and all additional rent payable by Tenant in accordance with this Lease.

3.4 Utility Charges. During the Term, Tenant shall promptly pay directly to the provider, as the same become due, all charges for water, gas, electricity, telephone, sewer service, waste pick up, and any other utilities, materials or services furnished directly to or used by Tenant on or about the Premises during the Term, together with any taxes thereon. If Tenant fails to timely pay any such charges for water, gas, electricity, telephone, sewer service, waste pick-up or any other utility charges, Landlord, in its sole discretion, may pay such amounts directly and include such charges as additional rent.

3.5 Landlord’s Insurance Costs. If Landlord obtains any Tenant Directed Insurance (defined below), then within five (5) business days after written demand from Landlord (such demand indicating the amount of the insurance premium and other costs for any insurance obtained in connection therewith), Tenant shall pay as additional rent the full amount of the insurance premium and other costs for any insurance obtained by Landlord as described in Section 8.3 below.

3.6 Rent Payment. Tenant shall pay Base Rent to Landlord, in advance, on or before the first (1<sup>st</sup>) day of each and every calendar month during the Term without notice, demand, deduction or offset. Base Rent shall be prorated for any partial calendar months during the Term. All other additional rent shall be paid in arrears within thirty (30) days of an invoice together with reasonable supporting documentation. Tenant shall pay all rent to Landlord in lawful money of the United States of America, at the address for the payment of rent specified in the Basic Lease Information, or to such other person or at such other place as Landlord may from time to time designate in writing. For convenience, Tenant may include payment of the estimated amount of additional rent and any other charges, if any, and the Base Rent in one check.

3.7 Late Payment. Tenant acknowledges that the late payment by Tenant of any rent will cause Landlord to incur costs and expenses, the exact amount of which is extremely difficult and impractical to fix. Such costs and expenses will include administration and collection costs and processing and accounting expenses. Therefore, if any rent is not received by Landlord within five (5) business days after the date such payment is due (with respect to regularly scheduled payments such as Base Rent) or within five (5) business days after any additional rent was due, Tenant shall immediately pay to Landlord a late charge equal to five percent (5%) of such delinquent amount; provided, however, that on the first occasion of any late payment by Tenant during any calendar year of the Term, Landlord shall give Tenant notice of such late payment and Tenant shall have a period of five (5) business days thereafter in which to make such payment before any late charge is assessed. If any rent remains delinquent for a period of thirty (30) days after the date such payment was due, then, in addition to such late charge, interest shall accrue on such rent from the thirty-first (31<sup>st</sup>) day after such payment became due until paid at the lesser of (i) the annual “Bank Prime Loan” rate cited in the Federal Reserve Statistical Release Publication H. 15(519), published weekly (or such other comparable index as Landlord and Tenant shall reasonably agree upon if such rate ceases to be published) plus three (3) percentage points, and (ii) the highest rate permitted by applicable law. Landlord and Tenant agree that such late charge represents a reasonable estimate of such costs and expenses and is fair reimbursement to Landlord. In no event shall such late charge be deemed to grant to Tenant a grace period or extension of time within which to pay any rent or prevent Landlord from exercising any right or enforcing any remedy available to Landlord upon Tenant’s failure to pay any rent when due under this Lease. The parties agree that the above referenced late charge is not a penalty or forfeiture but represents a reasonable estimate of the costs and expenses to be incurred by Landlord in connection with the late payment of rent

3.8 No Accord and Satisfaction. No payment by Tenant of an amount less than the full amount of any rent due hereunder shall be deemed to be anything other than a partial payment on account of the earliest due rent, nor shall any endorsement or statement on any check or letter accompanying any such

partial payment be deemed an accord and satisfaction, and Landlord may accept such partial payment without prejudice to Landlord's right to recover the balance due of such rent or to pursue any remedy available under this Lease, at law or in equity. Landlord may accept any partial payment from Tenant without invalidating any default notice required to be given under this Lease (to the extent such default notice is required) and without invalidating any notice required by any law pertaining to recovery of possession of the Premises or enforcement of any remedy after a default by Tenant.

3 . 9 Security Deposit. Tenant concurrently with the execution of this Lease shall deposit the Security Deposit with Landlord, and will keep on deposit at all times during the Term, and any extensions thereof, the sum set forth in the Basic Lease Information, the receipt of which is hereby acknowledged, as security for the payment by Tenant of all sums herein agreed to be paid and for the faithful performance of all the terms, conditions, and covenants of this Lease. If, at any time during the Term, Tenant shall be in default in the performance of any provision of this Lease (after any applicable notice and cure periods), Landlord shall have the right to use said Security Deposit, or so much thereof as necessary, in payment of any sums in default as aforesaid, in reimbursement of any expense incurred by Landlord, and in payment of any damages incurred by Landlord by reason of Tenant's default. In such event, Tenant shall, on written demand of Landlord, forthwith remit to Landlord a sufficient amount in cash to restore the Security Deposit to its original amount. In the event Security Deposit has not been utilized as aforesaid, the Security Deposit, or as much thereof as has not been utilized for such purposes, shall be refunded to Tenant, without interest, within sixty (60) days after the later of (i) termination of the Lease or (ii) surrender and acceptance of the Premises; provided, however, Landlord may retain the same as security for payment of any Additional Rent attributable to the period prior to such termination until said amounts are calculated and paid in accordance with the provisions hereof. Landlord shall have the right to commingle the Security Deposit with other funds of Landlord. Landlord shall deliver the funds deposited herein by Tenant to the purchaser of Landlord's interest in the Premises in the event such interest shall be sold, and thereupon Landlord shall be discharged from further liability with respect to the Security Deposit. If claims of Landlord exceed the Security Deposit, Tenant shall remain liable for the balance of such claims.

3 . 1 0 Guaranty of Lease. The obligations of Tenant under this Lease shall be guaranteed jointly and severally by the entity shown in the Basic Lease Information above ("**Guarantor**"), pursuant to a Guaranty in the form of **Exhibit E** attached hereto (the "**Lease Guaranty**").

3 . 1 1 Tenant's Obligation to Pay the Aggregate Rent Consideration. Tenant and Landlord acknowledge that this Lease, the Aggregate Rent Consideration and the Term of this Lease are a part of the bargained for consideration between the parties, that the Purchase Price under the Purchase Agreement (defined in Section 15.7 hereof) was agreed upon in contemplation of and with the agreement of Landlord and Tenant that the full amount of the Aggregate Rent Consideration will be paid from Tenant to Landlord in all circumstances, and that Landlord (as Buyer under the Purchase Agreement) would not have entered into the Purchase Agreement, this Lease nor would Landlord have agreed to the Base Rent to be paid by Tenant pursuant to this Lease, but for Tenant's agreement and obligation to pay the Aggregate Rent Consideration and to fully perform all of its obligations under this Lease. Accordingly, Tenant represents, warrants and agrees that if this Lease terminates, expires or is terminated for any reason on or before the Expiration Date, Tenant shall pay the Termination Payment to Landlord or otherwise pay such amounts as may be necessary so that Landlord receives the Aggregate Rent Consideration. This Section 3.11 shall survive the termination or expiration of the Lease.

#### ARTICLE 4 Use of the Premises

4 . 1 Permitted Use. Tenant shall use the Premises for any uses permitted by Legal Requirements. Without limiting the generality of the foregoing, Landlord acknowledges that Tenant

intends to continue occupying and using the Premises in a similar manner to its occupancy and use thereof prior to the Commencement Date, which may include, without limitation, holding events at the Premises (both inside and outside the Building), and that no notice to or approval from Landlord shall be required in connection with the use of the Premises for any lawful purpose. Tenant shall not do or permit to be done in, on or about the Premises, nor bring or keep or permit to be brought or kept therein, anything which is prohibited by or will in any way conflict with any Legal Requirements now in force or which may hereafter be enacted or that will unreasonably interfere with or delay Landlord's proposed entitlements for the redevelopment of the Property. Tenant shall comply with the requirements of all documents recorded in the Official Records of San Mateo County, California, as of the Commencement Date. Tenant shall not use or allow the Premises to be used for any unlawful activity, nor shall Tenant cause or maintain any nuisance in, on or about the Premises or commit any waste in, on or about the Premises.

4 . 2 Environmental Definitions. As used in this Lease, "**Hazardous Material**" shall mean any substance that is (a) defined under any Environmental Law (as defined below) as a hazardous substance, hazardous waste, hazardous material, pollutant or contaminant, (b) a petroleum hydrocarbon, including crude oil or any fraction or mixture thereof, (c) hazardous, toxic, corrosive, flammable, explosive, infectious, radioactive, carcinogenic or a reproductive toxicant, or (d) otherwise regulated pursuant to any Environmental Law. As used in this Lease, "**Environmental Law**" shall mean all federal, state and local laws, statutes, ordinances, regulations, rules, judicial and administrative orders and decrees, permits, licenses, approvals, authorizations and similar requirements of all federal, state and local governmental agencies or other governmental authorities pertaining to the protection of human health and safety or the environment, now existing or later adopted during the Term of this Lease. As used in this Lease, "**Permitted Activities**" shall mean the lawful activities of Tenant that are part of the ordinary course of Tenant's business. As used in this Lease, "**Permitted Materials**" shall mean Hazardous Materials stored and handled from time to time by Tenant in accordance with Environmental Laws and in the ordinary course of conducting Permitted Activities. Landlord acknowledges that, as of the Effective Date (as defined in the Purchase Agreement), the Permitted Materials include those Hazardous Materials (and in the approximate quantities) described on Exhibit D attached hereto.

#### 4.3 Environmental Requirements.

(a) Tenant hereby agrees that: (i) Tenant shall not use, store or otherwise handle, or permit any use, storage or other handling of, any Hazardous Material in, on or about the Premises during the Term, other than Permitted Materials that are used, stored and handled in compliance with all applicable Environmental Laws and good Hazardous Materials handling practices; (ii) Tenant shall obtain and maintain in effect all permits and licenses required pursuant to any Environmental Law for Tenant's activities on the Premises during the Term, and Tenant shall at all times during the Term comply with all applicable Environmental Laws; (iii) Tenant shall not install after the Commencement Date any aboveground or underground storage tank or any subsurface lines for the storage or transfer of any Hazardous Material, except for the lawful discharge of waste to the sanitary sewer, and Tenant shall at all times during the Term store all Hazardous Materials in a manner that protects the Premises and the environment from accidental spills and releases; (iv) Tenant shall not cause or permit to occur during the Term any unauthorized release of any Hazardous Material or any condition of pollution or nuisance on or about the Premises, whether affecting surface water or groundwater, air, the land or the subsurface environment; (v) Tenant shall promptly remove from the Premises any Hazardous Material which is introduced onto the Premises by Tenant after the Commencement Date which is not a Permitted Material and, on or before the date Tenant ceases to occupy the Premises, Tenant shall remove from the Premises all Hazardous Materials and all Permitted Materials introduced by Tenant on the Premises after the Effective Date (as defined in the Purchase Agreement); and (vi) if any unauthorized release of a Hazardous Material to the environment results in any condition of pollution or nuisance occurring on or about or beneath the Premises and the same arises from any act or omission of Tenant or its agents, officers,

employees, contractors, invitees or licensees during the Term, Tenant shall, at Tenant's sole cost and expense, promptly undertake all remedial measures required to clean up and abate or otherwise respond to such unauthorized release, pollution or nuisance in accordance with all applicable Environmental Laws. Landlord and Landlord's representatives shall have the right, but not the obligation, upon reasonable prior notice to Tenant and in accordance with the terms and conditions of Section 4.5 below, to enter the Premises at any reasonable time for the purpose of inspecting the storage, use and handling of any Hazardous Material on the Premises in order to determine Tenant's compliance with the requirements of this Lease and applicable Environmental Law. If Landlord gives written notice to Tenant that Tenant's use, storage or handling of any Hazardous Material on the Premises does not comply with this Lease or applicable Environmental Law, Tenant shall correct any such violation within ten (10) business days after Tenant's receipt of such notice from Landlord.

(b) Tenant shall indemnify and defend Landlord against and hold Landlord harmless from all claims, demands, actions, judgments, liabilities, costs, expenses, losses, damages, penalties, fines and obligations of any nature (including reasonable attorneys' fees and disbursements incurred in the investigation, defense or settlement of claims) (collectively, "**Claims**") that Landlord may incur as a result of, or in connection with, claims arising from the presence, use, storage, transportation, treatment, disposal, release or other handling, on or about or beneath the Premises, of any Hazardous Material introduced or permitted on or about or beneath the Premises by any act or omission of Tenant or its agents, officers, employees, or contractors on or after the Commencement Date. Notwithstanding anything contained in the Lease to the contrary, Tenant's obligations with respect to remediation of Hazardous Materials and to indemnify Landlord for Hazardous Materials at the Premises shall only apply to Hazardous Materials that Landlord proves were first introduced to the Premises following the Commencement Date. Landlord shall indemnify and defend Tenant against and hold Tenant harmless from all Claims that Tenant may incur as a result of, or in connection with, claims arising from the presence, use, storage, transportation, treatment, disposal, release or other handling, on or about or beneath the Premises, of any Hazardous Material introduced on or about or beneath the Premises by any act or omission of Landlord or its agents, officers, employees or contractors on or after the Commencement Date.

(c) The liability of Landlord and Tenant under this Section 4.3 shall survive the termination of this Lease with respect to acts or omissions that occur before such termination.

#### 4.4 Compliance with Legal Requirements.

(a) Tenant shall, at Tenant's sole cost and expense, promptly comply with all laws, ordinances, rules, regulations, orders and other requirements of any government or public authority now in force or which may hereafter be in force, and with all directions and certificates of occupancy issued pursuant to any law by any governmental agency or officer, insofar as any thereof relate to or are required by the condition, use or occupancy of the Premises or the operation, use or maintenance of any personal property, fixtures, machinery, equipment or improvements in the Premises, including, without limitation, the Americans with Disabilities Act (collectively, "**Legal Requirements**"); provided, however, that Tenant shall not be required to perform any structural changes to the Premises or modifications to the building systems and equipment of the Premises unless such changes or modifications are related to or affected or triggered by (i) Tenant's alterations made to the Premises following the Commencement Date, (ii) Tenant's use of the Premises for any purpose, it being acknowledged and agreed that Tenant, at its sole cost and expense, shall be responsible for complying with all laws necessary or that are required in order for Tenant to use and occupy the Premises or (iii) Tenant's particular employees or employment practices.

(b) Tenant shall be responsible, at Tenant's sole cost and expense, for causing the Premises to comply with all Legal Requirements during the Term. Landlord shall have no obligation to perform any improvements, repairs or maintenance or to make any alterations to the Premises to cause the

Premises to comply with any Legal Requirements or to cause the Premises to be suitable for Tenant's use and purposes.

(c) Tenant acknowledges that Landlord intends to develop and construct a multi-unit residential apartment community on the Premises and, accordingly, the Premises will eventually be demolished by Landlord upon the termination of the Lease. Tenant further acknowledges, consents and agrees that Landlord and Landlord's architects, engineers, consultants, vendors and other representatives, together with any prospective buyers or tenants of Landlord, may upon prior reasonable notice to Tenant, conduct studies, test, sampling and investigations at the Premises (including invasive testing sampling) and further that Landlord may conduct construction activity, such as earthwork, demolition and relocation of utilities on the Land (except physical demolition or construction on the Building) provided that such construction activity does not unreasonably interfere with Tenant's use and occupancy of the Premises. Tenant agrees that Landlord shall have no liability to Tenant for any inconvenience, noise, vibrations, dust, temporary road or driveway closures, or temporary loss of utilities that result from such activity by Landlord provided that such construction activity does not unreasonably interfere with Tenant's use and occupancy of the Premises.

4.5 Entry by Landlord. Except as otherwise expressly provided herein below, Landlord shall have the right to enter the Premises at reasonable hours upon at least forty-eight (48) hours advance notice (provided that no advance notice need be given if an emergency (as determined by Landlord in its good faith judgment) necessitates an immediate entry), to (a) inspect the Premises, (b) exhibit the Premises to prospective purchasers, tenants or lenders, (c) post notices of non-responsibility, (d) make any repairs to the Premises, and (e) conduct invasive and non-invasive tests, analysis, investigations and studies of the condition of the Premises provided that such construction activity does not unreasonably interfere with Tenant's use and occupancy of the Premises; provided that, Landlord shall at all times be accompanied by a representative of Tenant during any entry into the Building by Landlord (or so long as Tenant makes a representative available). Tenant waives all claims for damages for any injury or inconvenience to or interference with Tenant's business, any loss of occupancy or quiet enjoyment of the Premises or any other loss occasioned by such entry provided that any such entry (and any work in connection therewith) shall be concluded as promptly as reasonably practicable and so as to cause as little interference to Tenant as reasonably practicable. In any entrance into the Premises pursuant to the provisions of this Section 4.5, Landlord shall comply with Tenant's reasonable security and confidentiality procedures previously detailed by Tenant to Landlord, except to the extent Landlord or its agents reasonably determine that an emergency makes compliance with such procedures impracticable. Notwithstanding anything to the contrary contained in this Section 4.5, Tenant may designate certain areas of the Premises as "Secured Areas" as reasonably required for purposes of securing certain valuable property and confidential information, including, without limitation, as may be required by legal Requirements, and Landlord shall have no right whatsoever to enter such Secured Areas unless accompanied by a representative of Tenant.

## ARTICLE 5

### Utilities

5.1 Tenant's Responsibilities. Tenant shall pay, directly to the appropriate supplier before delinquency, for all water, gas, heat, light, power, telephone, sewer, refuse disposal and other utilities and services supplied to the Premises, together with all taxes, assessments, surcharges and similar expenses relating to such utilities and services. Tenant, at Tenant's sole cost and expense, shall furnish the Premises with all telephone service, window washing, security service, janitorial, scavenger and disposal services, property management services, and other services required or desired by Tenant for the use of the Premises permitted by this Lease. Tenant shall keep, maintain and replace, as necessary, in good condition and repair, the plumbing system, utility lines and connections and other utility fixtures and equipment serving the Premises, including, without limitation, water, sewer, telephone, electrical and gas connections, to their

respective points of connection with the Premises. Except to the extent otherwise expressly provided in Section 5.2 below, Landlord shall have no obligation whatsoever to provide any property management services or any other services to Tenant under this Lease. If Landlord retains a property manager during the Term, then such property manager shall not have an office on the Premises, and Landlord shall be solely responsible (with no reimbursement from Tenant) for all costs and expenses incurred in connection with Landlord's property manager.

5.2 Landlord's Responsibilities. Tenant hereby waives the provisions of California Civil Code Section 1932(1), 1941 and 1942 or any other applicable existing or future Legal Requirement permitting the termination of this Lease due to such interruption, failure or inability. Landlord shall not be in default under this Lease or be liable for any damage or loss directly or indirectly resulting from, nor shall the rent be abated (except as otherwise expressly provided herein below) or a constructive or other eviction be deemed to have occurred by reason of, any interruption of or failure to supply or delay in supplying any such utilities and services or any limitation, curtailment, rationing or restriction on use of water, electricity, gas or any resource or form of energy or other service serving the Premises, whether such results from mandatory restrictions or voluntary compliance with guidelines; provided, however, that Landlord shall, however, use reasonable and diligent efforts to restore or to cause the restoration of the interrupted utility service, if and to the extent that the interruption or failure is caused by or the result of, directly or indirectly, the negligence or willful misconduct of Landlord or Landlord's agents, employees, officers or contractors. Notwithstanding anything contained herein to the contrary, if any interruption in, or failure or inability to provide any utilities to the Premises is caused by or the result of, directly or indirectly, the negligence or willful misconduct of Landlord or Landlord's agents, employees, officers or contractors and continues for three (3) or more consecutive days after Tenant's written notice thereof to Landlord and Landlord fails to restore or commence repairs or work to restore such interruption or failure, then Tenant shall be entitled to an abatement of Base Rent, which abatement shall be based on the extent of Tenant's inability to reasonably use the Premises for Tenant's business. The abatement provisions set forth above shall be inapplicable to any interruption in, or failure or inability to provide any utilities that is caused by (x) damage by fire or other casualty or a taking (it being acknowledged that such situations shall be governed by Articles 11 and 12, respectively), (y) the negligence or willful misconduct of Tenant or Tenant's agents, employees, officers or contractors, or (z) by any act other than the acts of Landlord, it being acknowledged and agreed to by Tenant that Tenant is responsible for causing all utilities to be furnished to the Premises throughout the Term.

## ARTICLE 6

### Maintenance and Repairs

6.1 Obligations of Landlord. Except to the extent that Landlord or its agents, employees or contractors causes any damage to the Premises or as otherwise set forth in Section 6.3 below, Landlord shall have no obligation to maintain or repair the Premises during the Term. Landlord shall, at Landlord's expense, promptly repair any damage to the Premises caused by Landlord or any agent, employee or contractor of Landlord.

6.2 Obligations of Tenant. Tenant shall, at all times during the Term of this Lease and at Tenant's sole cost and expense, maintain the Premises in good order and operating condition, ordinary wear and tear excepted, in order to permit Tenant to operate its then current business activities at the Premises, as reasonably determined by Tenant; provided that (i) Tenant's obligations regarding maintenance of the Premises shall be limited to maintaining the Premises in the same condition as of the Commencement Date, normal and wear excepted, (ii) in no event shall Landlord be required make any capital improvements, repairs or replacements to the Premises (including, without limitation, the structural portions of the Premises or the major building systems of the Premises) during the Term, and (iii) subject to Section 7.2 below, upon Tenant's surrender of the Premises to Landlord on the expiration or earlier termination of the Term, Tenant

shall not be required to repair or replace any portion of the Premises to the extent that the Premises (or any portions thereof) was in the same condition as of the Commencement Date, ordinary wear and tear excepted. Subject to the terms and conditions of Section 8.4 and Article 11 below, Tenant shall, at Tenant's expense, promptly repair any damage to the Premises caused by Tenant or any agent, officer, employee, contractor, licensee or invitee of Tenant.

6 . 3 Capital Repairs and Replacements. Landlord shall have no obligation to make any capital repairs of any kind or nature during the Term. If Tenant determines that any capital repairs are desired or necessary for Tenant's continued lawful use of the Premises, then Tenant may make such repairs or replacements at its sole costs and expense. If Landlord is required by law to make any capital repairs or replacements to the Premises for any reason, then Landlord may terminate this Lease with thirty (30) days prior written notice to Tenant, or Landlord may elect to make such repairs and Tenant shall pay to Landlord the actual costs of such capital repairs and/or reimburse Landlord for the cost of such capital repairs within thirty (30) days after delivery of written demand therefore from Tenant.

## ARTICLE 7 Alteration of the Premises

7 . 1 Alterations. Landlord agrees to allow Tenant to make such alterations to the Premises as are in the reasonable opinion of Tenant necessary for the operation of Tenant's business. Landlord shall have no obligation to reimburse Tenant or pay for any alterations approved by Landlord. Tenant will not make any structural alterations to the Premises or any part thereof without first providing to Landlord the architectural plans and specifications relating thereto. All alterations, additions and improvements in or to the Premises to which Landlord consents (or is deemed to have consented) shall be made by Tenant at Tenant's sole cost and expense as follows:

(a) With respect to those alterations requiring Landlord's consent, Tenant shall submit to Landlord, for Landlord's written approval, complete plans and specifications for all work to be done by Tenant. Such plans and specifications shall be prepared by responsible licensed architect(s) and engineer(s) reasonably approved by Landlord (provided that, Landlord hereby approves those architects and engineers, if any, listed on Exhibit C attached hereto), shall comply with all Legal Requirements, shall be in a form sufficient to secure the approval of all government authorities with jurisdiction over the Premises, and shall be otherwise satisfactory to Landlord in Landlord's reasonable discretion (provided that, in no event shall Tenant be required to construct improvements to any particular LEED standard, except as may be required by Legal Requirements).

(b) Tenant shall obtain all required permits for the work. Tenant shall engage responsible licensed contractor(s) to perform all work, each of whom shall be subject to Landlord's reasonable approval; provided that, Landlord hereby approves those contractors, if any, listed on Exhibit C attached hereto; and further provided that, in no event shall Landlord require Tenant to use union labor. Tenant shall perform all work in accordance with the plans and specifications approved by Landlord (with respect to those alterations requiring Landlord's consent), in a good and workmanlike manner, in full compliance with all applicable Legal Requirements. Tenant shall pay for all work (including the cost of all utilities, permits, fees, taxes, and property and liability insurance premiums in connection therewith) required to make the alterations, additions and improvements. Under no circumstances shall Landlord be liable to Tenant for any damage, loss, cost or expense incurred by Tenant on account of design of any work, construction of any work, or delay in completion of any work.

(c) Tenant shall give written notice to Landlord of the date on which construction of any work will be commenced at least five (5) days prior to such date. Tenant shall keep the Premises free from mechanics', materialmen's and all other liens arising out of any work performed, labor supplied,

materials furnished or other obligations incurred by Tenant. Tenant shall promptly and fully pay and discharge all claims on which any such lien could be based. Tenant shall have the right to contest the amount or validity of any such lien, provided Tenant gives prior written notice of such contest to Landlord, prosecutes such contest by appropriate proceedings in good faith and with diligence, and, upon request by Landlord, furnishes such bond as are sufficient to remove the lien from title to the Premises. Landlord shall have the right to post and keep posted on the Premises any notices that may be provided by law or which Landlord may deem to be proper for the protection of Landlord and the Premises from such liens, and to take any other action Landlord deems necessary to remove or discharge liens or encumbrances at the expense of Tenant.

(d) Landlord shall approve or disapprove of any matter requiring Landlord's approval under this Article 7 no later than ten (10) days following its receipt of Tenant's request for approval. Landlord agrees not to unreasonably condition or object to any matter requiring Landlord's approval under this Article 7. If Landlord disapproves of any matter requiring Landlord's approval under this Article 7, Landlord shall detail with specificity the reason for its objection in such disapproval notice. If Landlord fails to respond to any request for approval under this Article 7 within ten (10) days following Tenant's delivery of a written request for Landlord's approval, then Tenant may provide a second written notice to Landlord, which notice shall state that failure to approve or disapprove such request within five (5) days shall constitute Landlord's consent to the proposed matter. Landlord's failure to approve or disapprove of such matter within five (5) days of Tenant's second request for approval shall be deemed Landlord's approval of such matter. Landlord shall have no right to charge Tenant any coordination, supervision, management or other fees in connection with any alterations performed by Tenant.

7.2 Landlord's Property; Surrender. All alterations, additions, fixtures and improvements, made in or to the Premises by Landlord or Tenant shall become part of the Premises and Landlord's property and, notwithstanding anything contained herein to the contrary, Tenant shall not be required to remove any such alterations, additions, fixtures and improvements, at the expiration or earlier termination of this Lease. All movable furniture, equipment, trade fixtures (whether or not attached to the Premises), signage containing Tenant's name or logo, cameras (whether or not affixed to the interior or exterior of the Premises), computers, office machines and other personal property shall remain the property of Tenant. Upon termination of this Lease, Tenant may, at Tenant's expense, remove any such movable furniture, equipment, trade fixtures, signage, cameras, computers, office machines and other personal property from the Premises that Tenant desires; provided, however, that, notwithstanding anything to the contrary contained in this Lease, upon Tenant's vacation and surrender of the Premises to Landlord, (i) all piping, electrical, and cabling in the Premises relating to such removals will remain in its "as-is" condition, (ii) in no event shall Tenant be obligated to repair or restore any holes, penetrations or other openings in the walls (interior or exterior), floors, ceilings or monuments in connection with, resulting from or caused by the removal of Tenant's movable furniture, equipment, trade fixtures, signage, cameras, computers, office machines and other personal property, (iii) Tenant shall remove and dispose of in accordance with Environmental Law any and all Hazardous Materials brought onto the Property by Tenant after the Effective Date (as defined in the Purchase Agreement); and (iv) Tenant shall terminate or cancel any operating permits, utility service contracts or other service contracts affecting the Premises so that all such contracts and services are terminated on or before the expiration of this Lease. Any moveable furniture, equipment, trade fixtures, signage, cameras, computers, office machines or other personal property that Tenant does not remove from the Premises shall become the personal property of Landlord, which may be disposed of by Landlord in Landlord's sole discretion, and Tenant shall have no obligation to pay for the cost of removal thereof.

ARTICLE 8  
Indemnification and Insurance

8.1 Damage or Injury. Landlord shall not be liable to Tenant, and Tenant hereby waives all claims against Landlord, for any damage to or loss or theft of any property or for any bodily or personal injury, illness or death of any person in, on or about the Premises arising at any time and from any cause whatsoever, except to the extent caused by the negligence or willful misconduct of Landlord. Tenant shall indemnify and defend Landlord and Landlord's officers, directors, members, managers, shareholders, agents, employees, lenders, consultants, engineers and assigns (collectively, "**Landlord's Indemnitees**") against and hold Landlord and Landlord's Indemnitees harmless from all Claims arising from or related to Tenant's use of the Premises during the Term or any damage, bodily or personal injury, illness or death of any person occurring (i) within the Building during the Term from any cause whatsoever (except to the extent caused by the negligence or willful misconduct of Landlord, or its agents, contractors, officers, or employees), or (ii) in, on or about any part of the Premises outside the Building to the extent such damage, bodily or personal injury, illness or death is caused by negligence or willful misconduct of Tenant or its agents, contractors, officers, or employees. Landlord shall indemnify and defend Tenant against and hold Tenant harmless from all Claims arising from or related to any damage, bodily or personal injury, illness or death of any person occurring in, on or about any part of the Premises to the extent such damage, bodily or personal injury, illness or death is caused by negligence or willful misconduct of Landlord or its agents, contractors, officers, or employees. This section 8.1 shall survive the termination of this Lease with respect to any damage, bodily or personal injury, illness or death occurring prior to such termination.

8.2 Tenant's Insurance Coverages. Tenant shall, at all times during the Term of this Lease and at Tenant's sole cost and expense, obtain and keep in force the insurance coverages and amounts set forth in this Section 8.2.

(a) Tenant shall maintain commercial general liability insurance, including contractual liability, broad form property damage liability, fire legal liability, premises and completed operations, and medical payments, with limits not less than One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) general aggregate, insuring against claims for bodily injury, personal injury and property damage arising from the use, occupancy or maintenance of the Premises. Tenant shall maintain business auto liability insurance with limits not less than One Million Dollars (\$1,000,000) per accident covering owned, hired and non-owned vehicles used by Tenant. Tenant shall maintain umbrella or excess liability insurance with limits not less than Three Million Dollars (\$3,000,000) per occurrence and general aggregate. Tenant shall carry workers' compensation insurance for all of its employees in statutory limits in the state in which the Premises is located. Tenant shall maintain property insurance for all personal property of Tenant in an amount not less than the full replacement cost. Any deductibles selected by Tenant shall be the sole responsibility of Tenant.

(b) Tenant shall maintain "all-risk" (now referred to as special form causes of loss) property insurance covering Tenant's moveable furniture, equipment, trade fixtures, signage, cameras, computers, office machines and other personal property located within the Premises, and any alterations or improvements made by Tenant to the interior of the Premises following the Commencement Date, against loss or damage resulting from fire and other insurable loss. Such insurance shall be in such amounts as Tenant may deem appropriate in its sole and absolute discretion. Tenant shall not be required to carry flood or earthquake or windstorm insurance.

(c) All insurance and all renewals thereof shall be issued by companies with a rating of at least "A-" "VIII" or better in the current edition of Best's Insurance Reports and be licensed to do and doing business in the state in which the Premises is located. Any policy required to be maintained hereunder by Tenant may be maintained under a so-called "blanket policy", insuring other parties and other locations,

so long as the amount of insurance to be provided hereunder is not thereby diminished. Tenant shall endeavor to issue a certificate of insurance that expressly provides that the policy shall not be canceled or materially altered without ten (10) days' prior written notice to Landlord. All liability insurance (except workers' compensation – employers liability) shall include Landlord and any other parties designated by Landlord (including any investment manager, asset manager or property manager) as an additional insured under "blanket endorsement", shall be primary and noncontributing with any insurance which may be carried by Landlord, shall, subject to policy terms, conditions and exclusions, afford coverage for claims for bodily injury and/or property damage based on any act, omission, event or condition that occurred or arose (or the onset of which occurred or arose) during the policy period, and Landlord, although included as an additional insured, shall nevertheless be entitled to seek recovery under the policy for any loss, injury or damage to Landlord. Tenant shall deliver certificates of insurance, acceptable to Landlord, to Landlord at least ten (10) days before expiration of each policy. If Tenant fails to insure or fails to furnish any such insurance certificate, and such failure continues for ten (10) days following written notice from Landlord, then Landlord shall have the right to effect such insurance for the benefit of Tenant, and Tenant shall pay to Landlord on written demand, as additional rent, all premiums paid by Landlord.

### 8.3 Landlord's Insurance Coverages.

(a) Tenant may request in writing that Landlord obtain property insurance, commercial generally liability insurance or such other insurance coverages as Tenant may reasonably request to Landlord. Landlord shall review any such written request from Tenant and, within ten (10) business days of such request, Landlord shall, in Landlord's reasonable discretion, consent to the obtaining of such insurance requested or shall discuss and confer with Tenant to attempt to come to an agreement on the type and amount of insurance to be procured by Landlord, and if Landlord and Tenant come to an agreement with respect to such insurance, Landlord shall promptly and in good faith procure such insurance ("**Tenant Directed Insurance**"). Tenant shall pay in advance as additional rent any premiums, deductibles or other cost of any Tenant Directed Insurance in accordance with the procedures set forth in Section 3.5.

(b) Except for any Tenant Directed Insurance obtained by Landlord as set forth above, Landlord may, but is not required to, carry property insurance or any other insurance. Landlord shall provide Tenant with written notice of any insurance it obtains in connection with the Property. If Tenant does not request that Landlord carry property insurance or any other insurance and Landlord elects to do so, or if Tenant requests that Landlord carry the Tenant Directed Insurance and Landlord thereafter elects to carry insurance in excess of the Tenant Directed Insurance (any such insurance or excess insurance is referred to herein as "**Landlord Elected Insurance**"): (i) Landlord will carry such Landlord Elected Insurance at its own expense, (ii) it will have the sole right to all proceeds and benefits of the Landlord Elected Insurance; and (iii) it will not be required to add Tenant as an additional insured on the Landlord Elected Insurance.

(c) Notwithstanding any of the foregoing in Sections 8.3(a) and (b) above, whether or not Landlord obtains the Tenant Directed Insurance or the Landlord Elected Insurance, for purposes of Section 8.4 below Landlord shall be deemed to carry "all-risk" (now referred to as special form causes of loss) property insurance covering the Premises (including any additions, alterations or improvements thereto, except those alterations or improvements made by Tenant to the interior of the Premises following the Commencement Date) against loss or damage resulting from fire and other insurable loss (the "**Building Insurance**"). Such Building Insurance shall be deemed to be on a one hundred percent (100%) replacement cost basis (exclusive of costs for excavation, foundations and footings).

8.4 Subrogation. Each party hereto hereby releases the other respective party and the respective partners, shareholders, agents, employees, officers, directors and authorized representatives of such released party, from any claims such releasing party may have for damage to the Premises or any of

such releasing party's fixtures, personal property, improvements and alterations in or about the Premises that is caused by or results from risks insured against under any fire and extended coverage insurance policies actually carried by such releasing party or deemed to be carried by such releasing party; provided, however, that such waiver shall be limited to the extent of the net insurance proceeds payable by the relevant insurance company with respect to such loss or damage (or in the case of deemed coverage, the net proceeds that would have been payable). For purposes of this Section 8.4, Landlord and Tenant shall be deemed to be carrying any of the insurance policies that they are required to carry pursuant to this Article 8 but do not actually carry, and Tenant's property insurance shall be deemed to be on a one hundred percent (100%) replacement cost basis with respect to the personal property, alterations and improvements required to be covered by such property insurance. Each party hereto shall cause each such fire and extended coverage insurance policy obtained by it to provide that the insurance company waives all rights of recovery by way of subrogation against the other respective party and the other released parties in connection with any matter covered by such policy.

## ARTICLE 9

### Assignment or Sublease

9 . 1 Prohibition. Tenant shall not, without the prior written consent of Landlord (which consent shall not be unreasonably withheld, conditioned or delayed), assign this Lease or any interest herein, sublease the Premises or any part thereof, permit the use or occupancy of the Premises by any person or entity other than Tenant, or pledge, mortgage or hypothecate this Lease or any interest herein. If any subtenant, transferee or assignee is obligated to pay any amount in excess of the Rent required to be paid hereunder by Tenant, however such amounts may be characterized, including, without limitation, key rent or bonus rent (hereafter "Excess Rent"), Landlord shall be entitled to receive one hundred percent (100%) of such Excess Rent.

9.2 Landlord's Consent. If Tenant wishes to obtain Landlord's consent to any assignment of this Lease or sublease of all or any part of the Premises, Tenant shall give written notice to Landlord identifying the intended assignee or subtenant by name and address and specifying the terms of the intended assignment or sublease. Tenant shall give Landlord such additional information concerning the intended assignee or subtenant (including complete financial statements and a business history) or the intended assignment or sublease (including true copies thereof) as Landlord requests. Landlord shall approve or disapprove of any such assignment or subletting within thirty (30) days of Tenant's request for consent. If Landlord fails in writing, within thirty (30) days following Tenant's delivery of a written request for Landlord's consent, to approve or disapprove any proposed assignment or sublease, then Tenant may provide a second written notice to Landlord, which notice shall state that Landlord's failure to approve or disapprove such request within ten (10) days shall constitute Landlord's consent to the proposed assignment or sublease. Landlord's failure to approve or disapprove of any assignment or subletting within ten (10) days of Tenant's second request for consent shall be deemed Landlord's approval of the assignment or subletting. If Landlord disapproves any assignment or subletting, Landlord shall provide Tenant written notice with the reasons for such disapproval.

9.3 Documentation. No permitted assignment or subletting by Tenant shall be effective until there has been delivered to Landlord a fully executed counterpart of the assignment or sublease. Tenant agrees that the instrument by which any assignment or sublease to which Landlord consents is accomplished shall expressly provide that the assignee or subtenant will perform all of the covenants to be performed by Tenant under this Lease (in the case of a sublease, only insofar as such covenants relate to the portion of the Premises subject to such sublease) as and when performance is due after the effective date of the assignment or sublease.

9.4 Tenant Not Released. No assignment or sublease whatsoever shall release Tenant from Tenant's obligations and liabilities under this Lease or alter the primary liability of Tenant to pay all rent and to perform all obligations to be paid and performed by Tenant. No assignment or sublease shall amend or modify this Lease in any respect, and every assignment and sublease shall be subject and subordinate to this Lease. The acceptance of rent by Landlord from any other person or entity shall not be deemed to be a waiver by Landlord of any provision of this Lease. Consent to one assignment or sublease shall not be deemed consent to any subsequent assignment or sublease. Except in connection with a transfer described in Section 9.5 below, Tenant shall pay to Landlord all reasonable direct costs and shall reimburse Landlord for all reasonable expenses incurred by Landlord in connection with any assignment or sublease requested by Tenant, such cost shall be no less than One Thousand Five Hundred Dollars (\$1,500) and shall not exceed Five Thousand Dollars (\$5,000) in connection with any one transfer. If any assignee, subtenant or successor of Tenant defaults in the performance of any obligation to be performed by Tenant under this Lease, Landlord may proceed directly against Tenant without the necessity of exhausting remedies against such assignee, subtenant or successor. Landlord may consent to subsequent assignments or subleases or amendments or modifications to this Lease with assignees, subtenants or successors of Tenant, without notifying Tenant or any successor of Tenant and without obtaining any consent thereto from Tenant or any successor of Tenant, and such action shall not release Tenant from liability under this Lease.

9.5 Permitted Transfers. Notwithstanding anything to the contrary in Sections 9.1 or 9.2 above, but subject to Sections 9.3 and 9.4 above, Tenant may assign this Lease or sublet the Premises or any portion thereof, without Landlord's consent, to (a) any affiliate of Tenant or Tenant's parent (or one or more of the constituent owners of Tenant or Tenant's parent), (b) any partnership, corporation or other entity which controls, is controlled by, or is under common control with Tenant or Tenant's parent, (c) any partnership, corporation or other entity resulting from a merger or consolidation with Tenant or Tenant's parent, or (d) any person or entity which acquires all or substantially all the assets of Tenant as a going concern (including by means of a purchase of all or substantially all of Tenant's stock) provided that (i) Landlord receives at least ten (10) business days' prior written notice of the assignment or subletting (or, if such disclosure is prohibited by Legal Requirements or any confidentiality agreement to which Tenant is legally bound, Landlord receives written notice within five (5) days following such assignment or subletting), together with evidence that the requirements of this Section 9.5 have been met, (ii) the transferee assumes (in the event of an assignment) in writing all of Tenant's obligations under this Lease, or agrees (in the event of a sublease) that such subtenant will, at Landlord's election, attorn directly to Landlord in the event that this Lease is terminated for any reason, (iii) in the case of an assignment by means of a purchase of all or substantially all of Tenant's stock, the essential purpose of such assignment is to transfer an active, ongoing business with substantial assets in addition to this Lease, and in the case of an assignment (by any means), or a sublease, the transaction is for legitimate business purposes unrelated to this Lease and the transaction is not a subterfuge by Tenant to avoid its obligations under this Lease or the restrictions on assignment and subletting contained herein, and (iv) Maravai Life Sciences Holdings, LLC, a Delaware limited liability company, shall remain liable as Guarantor under the Guaranty unless and until a replacement guarantor is agreed upon by the parties.

9.6 Subordination. All subleases shall be subordinate in all respects to this Lease. If this Lease terminates for any reason or expires, all subleases shall automatically terminate and expire concurrently with this Lease and Landlord may immediately proceed to evict Tenant and any subtenants after the expiration or earlier termination of this Lease. This Lease does not provide non-disturbance or recognition rights as to any sublease or any subtenant. Landlord may in its sole discretion, accept any cure of any Tenant default under this Lease by any subtenant, but Landlord is under no obligation to accept any such cure.

ARTICLE 10  
Events of Default and Remedies

10.1 Default by Tenant. The occurrence of any one or more of the following events (“**Event of Default**”) shall constitute a breach of this Lease by Tenant:

(a) Tenant fails to pay Base Rent or any additional rent or other amount of money or charge payable by Tenant hereunder as and when such Base Rent or additional rent or amount or charge becomes due and payable and such failure continues for more than five (5) business days from the date such sums are due, provided, however, that on one (1) occasion during any calendar year of the Term, Landlord shall give Tenant notice of such late payment and Tenant shall have a period of five (5) business days thereafter in which to make such payment before such failure to pay constitutes an Event of Default (provided that, if such failure to pay is not cured within such five (5) business day period, Landlord may exercise all remedies described in this Lease with respect thereto; or

(b) Except for any monetary default described in Section 10.1(a) above or any unpermitted transfer or sublet described in Section 10.1(f) below, Tenant fails to perform or observe any other agreement, covenant or condition of this Lease to be performed or observed by Tenant as and when performance or observance is due and such failure continues for more than thirty (30) days after Landlord gives written notice thereof to Tenant; provided, however, that if, by the nature of such agreement, covenant or condition, such failure cannot reasonably be cured within such period of thirty (30) days, an Event of Default shall not exist as long as Tenant commences with due diligence and dispatch the curing of such failure within such period of thirty (30) days and, having so commenced, thereafter prosecutes with diligence and dispatch and completes the curing of such failure within a reasonable time; or

(c) Tenant or Guarantor (i) is generally not paying their debts as they become due, (ii) files, or consents by answer or otherwise to the filing against either of them of, a petition for relief or reorganization or arrangement or any other petition in bankruptcy or liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction, (iii) makes an assignment for the benefit of creditors, (iv) consents to the appointment of a custodian, receiver, trustee or other officer with similar powers of Tenant or Guarantor or of any substantial part of Tenant’s or Guarantor’s property, or (v) takes action for the purpose of any of the foregoing;

(d) A court or governmental authority of competent jurisdiction enters an order appointing, without consent by Tenant or Guarantor, a custodian, receiver, trustee or other officer with similar powers with respect to Tenant or Guarantor or with respect to any substantial part of Tenant’s or Guarantor’s property, or constituting an order for relief or approving a petition for relief or reorganization or any other petition in bankruptcy or for liquidation or to take advantage of any bankruptcy or insolvency law of any jurisdiction, or ordering the dissolution, winding-up or liquidation of Tenant or Guarantor, or if any such petition is filed against Tenant or Guarantor and such petition is not dismissed within sixty (60) days;

(e) Tenant vacates or abandons the Premises for a period of thirty (30) consecutive days or more;

(f) This Lease or the estate of Tenant hereunder shall be transferred, sublet, assigned to or shall pass to or devolve under any other person or party except as expressly provided in this Lease; or

(g) Any default occurs under the Lease Guaranty.

## 10.2 Remedies Upon Default.

(a) Landlord shall have the remedy described in California Civil Code Section 1951.2. If an Event of Default occurs, Landlord at any time thereafter shall have the right to give a written termination notice to Tenant and on the date specified in such notice, Tenant's right to possession shall terminate and this Lease shall terminate. Upon such termination, Landlord shall have the right to recover from Tenant:

- (i) The worth at the time of award of all unpaid rent which had been earned at the time of termination;
- (ii) The worth at the time of award of the amount by which all unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided;
- (iii) The worth at the time of award of the amount by which all unpaid rent for the balance of the Lease Term after the time of award exceeds the amount of such rental loss that Tenant proves could be reasonably avoided; and
- (iv) All other amounts necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom.
- (v) The Termination Payment that would have been due if Tenant had elected to terminate this Lease as provided in Section 2.3 above so that Landlord receives the Aggregate Rent Consideration.

(vi) The "worth at the time of award" of the amounts referred to in clauses (i) and (ii) above shall be computed by allowing interest at ten percent (10%) per annum. The "worth at the time of award" of the amount referred to in clause (iii) above shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

(b) Landlord shall have the remedy described in California Civil Code Section 1951.4 (lessor may continue lease in effect after lessee's breach and abandonment and recover rent as it becomes due, if lessee has the right to sublet or assign, subject only to reasonable limitations). Accordingly, even though Tenant has breached this Lease and an Event of Default has occurred, this Lease shall continue in effect for so long as Landlord does not terminate Tenant's right to possession, and Landlord shall have the right to enforce all its rights and remedies under this Lease, including the right to recover all rent as it becomes due under this Lease. Acts of maintenance or preservation or efforts to relet the Premises or the appointment of a receiver upon initiative of Landlord to protect Landlord's interest under this Lease shall not constitute a termination of Tenant's right to possession unless written notice of termination is given by Landlord to Tenant.

(c) The parties acknowledge and agree that Landlord would not have entered into this Lease, except for Tenant's agreement to pay the Aggregate Rent Consideration throughout the Term, therefore, notwithstanding anything contrary in this Lease, Landlord and Tenant agree that Landlord shall have no obligation to re-let the premises or otherwise mitigate the damages suffered by Landlord upon the occurrence of a breach or an Event of Default by Tenant. Tenant hereby waives any right that it may have to require Landlord to mitigate damages upon the occurrence of a breach or an Event of Default by Tenant. Tenant represents, warrants and agrees that it will pay the Termination Payment as provided in Section 2.3

above if this Lease is terminated after the Commencement Date due to a breach or the occurrence of an Event of Default by Tenant that results in or causes the termination of this Lease by Landlord or Tenant. Tenant further acknowledges and agrees that the application or enforcement of California Civil Code Section 1951.2 shall not operate to limit, reduce or otherwise prohibit the full payment of the Aggregate Rent Consideration to Landlord.

(d) The remedies provided for in this Lease are in addition to all other remedies available to Landlord at law or in equity by statute or otherwise. Tenant hereby waives, for Tenant and for all those claiming under Tenant, any and all rights now or hereafter existing to redeem by order or judgment of any court or by any legal process or writ, Tenant's right of occupancy of the Premises after any termination of this Lease.

10.3 Landlord's Right to Cure Defaults. All agreements to be performed by Tenant under this Lease shall be at Tenant's sole cost and expense and without any abatement of rent. If Tenant fails to pay any sum of money required to be paid by Tenant hereunder or fails to perform any other act on Tenant's part to be performed hereunder, Landlord shall have the right, without waiving or releasing Tenant from any obligations of Tenant, but shall not be obligated, to make any such payment or to perform any such other act on behalf of Tenant in accordance with this Lease; provided, however, that unless in Landlord's good faith judgment earlier payment or performance is required by reason of emergency, or to preclude jeopardy to the health, safety or quiet enjoyment of the Premises by its tenants or occupants or further damage or loss to Landlord or the Premises, or to cure a violation of any Legal Requirement, then Landlord shall provide Tenant with not less than ten (10) days prior written notice that Landlord will make such payment or perform such obligation on Tenant's behalf if the same is not paid or performed by Tenant prior to the expiration of such ten (10) day period. All sums so paid by Landlord and all necessary incidental costs shall be deemed additional rent hereunder and shall be payable by Tenant to Landlord on demand, together with interest on all such sums from the date of expenditure by Landlord to the date of repayment by Tenant at the Interest Rate. Landlord shall have, in addition to all other rights and remedies of Landlord, the same rights and remedies in the event of the nonpayment of such sums plus interest by Tenant as in the case of default by Tenant in the payment of rent.

10.4 Landlord Default. If Landlord defaults under this Lease, Tenant shall give written notice to Landlord specifying such default with particularity, and Landlord shall have thirty (30) days after receipt of such notice within which to cure such default; provided, however, that if such default cannot reasonably be cured within such period of thirty (30) days, a default by Landlord shall not exist as long as Landlord commences with due diligence and dispatch the curing of such default within such period of thirty (30) days and, having so commenced, thereafter prosecutes with diligence and dispatch and completes the curing of such default within a reasonable time. If Landlord fails to perform any of its material obligations hereunder within the time period provided in the preceding sentence, and Tenant's ability to use and occupy the Premises is materially impaired as a result thereof, Tenant may, but shall not be obliged to, and without waiving any default of Landlord or releasing Landlord from any obligations to Tenant hereunder, give Landlord a second written notice regarding the subject default. If Landlord fails to cure or commence the curing of such default within ten (10) business days after receipt of said second notice expressly stating Tenant's intention to exercise its rights under this Section 10.4, then Tenant shall have all rights and remedies available to it at law and in equity.

## ARTICLE 11

### Damage or Destruction

11.1 Restoration. Landlord shall not be obligated to repair or replace any portion of the Premises if the Premises, or any part thereof, is damaged by fire or other casualty during the Term of this Lease. Landlord shall not be obligated to repair any damage to, or to make any replacement of, any moveable

furniture, equipment, trade fixtures, signage, cameras, computers, office machines or any alterations or improvements made by Tenant to the interior or exterior of the Premises following the Commencement Date.

11.2 Termination of Lease. If the Premises, or any part thereof, is damaged by fire or other casualty during the Term of this Lease, then Landlord shall have the right, at Landlord's option, to give written notice to Tenant within sixty (60) days after the date of the occurrence of such damage of Landlord's intention to terminate this Lease effective as of the date that is sixty (60) days after Tenant's receipt of such notice. In the event Landlord elects to terminate this Lease, Tenant shall have the right, within thirty (30) days after receipt of such notice, to give written notice to Landlord of Tenant's election to either (i) complete and pay the cost of repair of such damage (except that Tenant shall have the right to use any available proceeds from insurance carried by Landlord or Tenant to complete such restoration work), in which event this Lease shall continue in full force and effect, and Tenant shall make such repairs as soon as reasonably possible or (ii) confirm in writing that the Lease shall terminate and Tenant shall pay the Termination Payment as provided in Section 2.3 above.

11.3 Waivers. The provisions of this Article 11, constitute an express agreement between Landlord and Tenant with respect to any and all damage to, or destruction of, all or any part of the Premises, and any statute or regulation of the State of California, including, without limitation, Sections 1932(2) and 1933(4) of the California Civil Code, with respect to any rights or obligations concerning damage or destruction in the absence of an express agreement between the parties, and any other statute or regulation, now or hereafter in effect, shall have no application to this Lease or any damage or destruction to all or any part of the Premises.

11.4 Insurance Proceeds Upon Casualty. Any available insurance proceeds shall be used to pay the cost of restoration of the Premises to the extent Tenant elects to commence restoration work pursuant to section 11.2 above. If Tenant does not elect to commence restoration work, then any available insurance shall be assigned and/or delivered to Landlord; provided, that in the event any proceeds are received from any Tenant Directed Insurance policy, such proceeds shall be applied to the Aggregate Rent Consideration and reduce, on a dollar for dollar basis, any subsequent Termination Payment owed by Tenant to Landlord. If insurance proceeds, together with any related deductible, are insufficient to complete the restoration, then Tenant shall pay all costs necessary to complete any restoration work Tenant elects to complete. Notwithstanding anything to the contrary above or elsewhere in this Lease, the disbursement of insurance proceeds shall be subject to the rights of any mortgagees, lienholders or any other party with a security interest in the Premises, as set forth in their respective encumbrances and as permitted by law, to (a) retain all or any portion of the insurance proceeds for themselves to the extent that their security interest in the Premises is impaired, or (b) control the disbursement of any such insurance proceeds.

## ARTICLE 12

### Eminent Domain

12.1 Condemnation. Landlord shall have the right to terminate this Lease if any material part of the Premises is taken by exercise of the power of eminent domain during the Term. Tenant shall have the right to terminate this Lease if any part of the Premises is taken by exercise of the power of eminent domain during the Term. In each such case, Landlord or Tenant shall exercise such termination right by giving written notice to the other within thirty (30) days after the date of such taking. If either Landlord or Tenant exercises such right to terminate this Lease in accordance with this Section 12.1, this Lease shall terminate as of the date of such taking and Tenant shall pay the Termination Payment to Landlord upon the date of such taking in accordance with Section 2.3. If neither Landlord nor Tenant exercises such right to terminate this Lease in accordance with this Section 12.1, this Lease shall terminate as to the portion of the Premises so taken as of the date of such taking and shall remain in full force and effect as to the portion of

the Premises not so taken, and Base Rent shall be reduced as of such date in the proportion that the area of the Premises so taken bears to the total area of the Premises. If all of the Premises is taken by exercise of the power of eminent domain during the Term of this Lease, this Lease shall terminate as of the date of such taking and Tenant shall pay the Termination Payment to Landlord upon the date of termination in accordance with Section 2.3.

12.2 Award. If all or any part of the Premises is taken by exercise of the power of eminent domain, all awards, compensation, damages, income, rent and interest payable in connection with such taking shall, except as expressly set forth in this Section 12.2, be paid to and become the property of Landlord, and Tenant hereby assigns to Landlord all of the foregoing. Without limiting the generality of the foregoing, Tenant shall have no claim against Landlord or the entity exercising the power of eminent domain for the value of the leasehold estate created by this Lease or any unexpired Term. Tenant shall have the right to claim and receive directly from the entity exercising the power of eminent domain only the share of any award determined to be owing to Tenant for the taking of improvements owned and installed by Tenant and used by Tenant in the conduct of Tenant's business in the portion of the Premises so taken, for the taking of Tenant's movable furniture, equipment, trade fixtures and personal property, for loss of goodwill, for interference with or interruption of Tenant's business, or for removal and relocation expenses.

12.3 Temporary Use. Notwithstanding Sections 12.1 and 12.2 hereof to the contrary, if the use of all or any part of the Premises is taken by exercise of the power of eminent domain during the Term on a temporary basis for a period less than the Term remaining after such taking, this Lease shall continue in full force and effect, Tenant shall continue to pay all of the rent and to perform all of the covenants of Tenant in accordance with this Lease, to the extent reasonably practicable under the circumstances, and the condemnation proceeds in respect of such temporary taking shall be paid to Tenant.

12.4 Definition of Taking. As used herein, a "taking" means the acquisition of all or part of the Premises for a public use by exercise of the power of eminent domain or voluntary conveyance in lieu thereof and the taking shall be considered to occur as of the earlier of the date on which possession of the Premises (or part so taken) by the entity exercising the power of eminent domain is authorized as stated in an order for possession or the date on which title to the Premises (or part so taken) vests in the entity exercising the power of eminent domain.

## ARTICLE 13 Subordination and Sale

13.1 Subordination, Non-Disturbance and Attornment. Tenant agrees to subordinate this Lease and all of the rights of Tenant hereunder to the lien of any mortgage or mortgages now or hereafter placed on the Premises provided, and only if, the mortgagee named in any such mortgage agrees in writing to recognize this Lease in the event of foreclosure of such mortgage or sale under such trust deed so long as Tenant is not in default under this Lease beyond any applicable periods for notice and cure. The waiver by Landlord or Tenant of any breach of any covenant in this Lease shall not be deemed to be a waiver of any subsequent breach of the same or any other covenant in this Lease, nor shall any custom or practice which may grow up between Landlord and Tenant in the administration of this Lease be construed to waive or to lessen the right of Landlord or Tenant to insist upon the performance by Landlord or Tenant in strict accordance with this Lease. The subsequent acceptance of rent hereunder by Landlord or the payment of rent by Tenant shall not waive any preceding breach by Tenant of any covenant in this Lease, nor cure any Event of Default, nor waive any forfeiture of this Lease or unlawful detainer action, other than the failure of Tenant to pay the particular rent so accepted, regardless of Landlord's or Tenant's knowledge of such preceding breach at the time of acceptance or payment of such rent.

16. Headings. Headings are used for convenience only and shall not be considered when construing the Lease or this Amendment.

Landlord and Tenant each hereby indemnifies the other against and from any claims for any brokerage commissions and all costs, expenses and liabilities in connection therewith, including, without limitation, reasonable attorneys' fees and expenses, for any breach of the foregoing. The foregoing indemnification shall survive the termination of the Lease for any reason.

(b) Section 3(c) of the Lease is hereby deleted in its entirety and is of no further force or effect.

4. Landlord Addresses. Section 29 of the Lease is hereby modified to provide that all notices, requests, approvals, and other communications required or permitted for Landlord shall be delivered to the following addresses:

Landlord: Quantico Buildings, LLC  
c/o Duke Realty Corporation  
Attn.: V.P., Asset Mgmt. & Customer Service  
4900 Seminary Road, Suite 900  
Alexandria, VA 22311

5. Maintenance and Repairs. The following new Section 14(e) is hereby inserted into the Lease immediately after Section 14(d):

“(e) Commencing as of the Effective Date and for the remainder of the Term of the Lease, Landlord, as its expense, shall be responsible for the maintenance and repair of the four (4) heating, ventilation and air-conditioning units located on the rooftop of the Building and the twenty-eight (28) VAV boxes serving the Premises (the “HVAC” Equipment”), in accordance with manufacturer recommendations and customary maintenance contract specifications, including all repairs and/or replacements thereto if necessary. In the event that (i) Landlord fails to inspect the HVAC Equipment within twenty-four (24) hours after notice from Tenant to Landlord that the HVAC Equipment is not operating at a reasonable level of performance for the Premises as configured and used on the Effective Date, or (ii) following such inspection, Landlord fails to cure or commence to cure any required repair to the HVAC Equipment within forty-eight (48) hours after such inspection of the HVAC Equipment, Tenant may undertake all reasonable action to cure Landlord’s failure to cure any required repair to the HVAC Equipment. If Tenant elects to perform such repair to the HVAC Equipment, Tenant shall, prior to commencement of said work, provide to Landlord a specific description of the work to be performed by Tenant and the name of Tenant’s contractor. Any materials used shall be of equal or better quality than currently exists in the Building, and Tenant’s contractor shall be adequately insured and of good reputation.

Landlord agrees to reimburse Tenant on demand for all reasonable, third party out-of-pocket expenses incurred by Tenant in connection therewith, provided that Tenant delivers to Landlord adequate bills or other supporting evidence substantiating said cost. In the event that any component of the HVAC Equipment fails to operate at a reasonable level of performance for the Premises as configured and used on the Effective Date more than three (3) times in any twelve (12) consecutive month period, then Tenant shall have the right, at Tenant's expense, to have a qualified HVAC engineer, licensed to do business in Virginia, inspect the HVAC Equipment and provide recommendations to Landlord for correction. In the event that such recommendation is to replace any component of the HVAC Equipment, then the Landlord may or may not make such replacement; provided, however, that (i) Landlord shall use commercially reasonable efforts to repair such component of HVAC Equipment such that it operates as intended by the manufacturer, and (ii) if such component of the HVAC Equipment is not replaced and such failure occurs again within a six (6) month period, then Landlord shall replace the required components of the HVAC Equipment with new parts of similar or better quality to the original HVAC Equipment.

6. Tenant Improvements.

(a) Landlord's Obligations. Tenant is accepting possession of the Premises for the Term of the Lease as extended hereby in "AS IS" condition without representation or warranty by Landlord of any kind except as otherwise expressly set forth in the Lease, and with the understanding that Landlord shall have no responsibility with respect to the construction of any interior improvements within the Premises, except to perform certain work (the "Tenant Improvements"), in a good and workmanlike manner, and in accordance with all applicable laws, ordinances, regulations and building codes and the terms of this Paragraph 6. Except as expressly provided in this Amendment, no free rent, moving allowances, tenant improvement allowances or other financial concessions contained in the Lease shall apply to the Term of the Lease as extended hereby. Landlord shall use commercially reasonable speed and diligence to Substantially Complete (as defined below) the Tenant Improvements on or before January 15, 2010, subject to Tenant Delay (as defined below).

(b) Construction Drawings. Promptly following the date hereof, Landlord shall prepare and submit to Tenant, at Landlord's expense, a set of construction drawings (the "CD's") covering all work to be performed by Landlord in constructing and installing the Tenant Improvement, which shall be based on the scope of work attached as **Exhibit A** hereto (the "Scope of Work") and the space plan attached as **Exhibit B** hereto (the "Space Plan"). Tenant shall have ten (10) days after receipt of the CD's in which to review the CD's and to give to Landlord written notice of Tenant's approval of the CD's or its requested changes to the CD's. Any changes to the CD's requested by Tenant shall not materially alter the exterior appearance or basic nature of the Building or the Building systems. If Tenant fails to approve or request changes to the CD's within ten (10) days after its receipt thereof, Tenant shall be deemed to have approved the CDs, and the same shall thereupon be final. If Tenant requests any changes to the CD's, Landlord shall provide Tenant with a breakdown of the cost of said changes, including the cost, if any, to revise the CD's. Tenant shall have ten (10) days to approve or disapprove the changes and associated costs. If Tenant approves the changes and associated costs, Landlord shall make said changes and shall, within ten (10) days of its receipt of such request, submit the revised portion of the CD's to Tenant. Within five (5) days of receipt Tenant shall either approve the CD's and the revised portion thereof or advise of any final comments to the revised portions. Notwithstanding anything set forth in this Amendment to the contrary, such approved changes and costs shall be deemed a Change Order (as defined below) and Tenant shall pay to Landlord the cost of such approved changes in accordance with (d) below. Tenant may not thereafter disapprove the revised portions of the CD's unless Landlord has unreasonably failed to incorporate reasonable comments of Tenant and, subject to the foregoing, the CD's, as modified by said revisions, shall be deemed to be final upon the submission of said revisions to Tenant.

Tenant shall at all times in its review of the CD's, and of any revisions thereto, act reasonably and in good faith. Without limiting the foregoing, Tenant agrees to confirm Tenant's consent to the CD's as finalized pursuant to this subparagraph (b) in writing within five (5) days following Landlord's written request therefor. Landlord shall be responsible for submitting the final CD's to the applicable governmental authority for a building permit, if required, and, in the event that said authority requires any changes to the CD's as a result of Tenant's changes to the Scope of Work and the Space Plan, Tenant shall be responsible for the increased costs.

(c) Schedule. Landlord shall provide Tenant with a proposed schedule for the completion of the Tenant Improvements and shall notify Tenant of any material changes to said schedule. Landlord and Tenant acknowledge and agree that (i) Tenant shall be conducting business within the Premises during Landlord's completion of the Tenant Improvements, (ii) Tenant will use reasonable efforts to cooperate with Landlord in connection with its completion of the Tenant Improvements, and (iii) except for Landlord's gross negligence or willful misconduct, Landlord will have no liability for its entry into the Premises pursuant thereto. Notwithstanding the foregoing, while completing the Tenant Improvements, Landlord shall use reasonable efforts not to interfere with Tenant's business operations at the Premises, and shall perform work on the Tenant Improvements after normal business hours unless otherwise agreed by Tenant.

(d) Change Orders. After the CD's have been finalized pursuant to subparagraph (b) above, Tenant shall have the right to request changes to the CD's at any time following the date hereof by way of written change order (each, a "Change Order", and collectively, "Change Orders"). Provided such Change Order is reasonably acceptable to Landlord, Landlord shall prepare and submit promptly to Tenant a memorandum setting forth the impact on cost and schedule resulting from said Change Order (the "Change Order Memorandum of Agreement"). Said cost shall include a fee equal to ten percent (10%) payable to Landlord (or its subsidiary or affiliate) as general contractor, and any applicable architectural and engineering fees. Tenant shall, within five (5) days following Tenant's receipt of the Change Order Memorandum of Agreement, either (a) execute and return the Change Order Memorandum of Agreement to Landlord, or (b) retract its request for the Change Order. If the cost to construct the Tenant Improvements will increase as a result of a Change Order, as set forth in the Change Order Memorandum of Agreement (an "Increase"), Tenant shall pay to Landlord (or Landlord's designee), (i) fifty percent (50%) of such Increase within ten (10) days following execution of the Change Order Memorandum of Agreement, and (ii) the remaining fifty percent (50%) of such Increase within ten (10) days following Substantial Completion of the Tenant Improvements. Landlord shall not be obligated to commence any work set forth in a Change Order until such time as tenant has delivered to Landlord the Change Order Memorandum of Agreement executed by Tenant and, if applicable, Tenant has paid Landlord for said Change Order in accordance with the terms outline above.

(e) Definitions. For purposes of this Amendment, (i) "Substantial Completion" (or any grammatical variation thereof) shall mean completion of construction of the Tenant Improvements, subject only to punchlist items (the completion of which does not materially affect Tenant's use and occupancy of the Leased Premises) to be identified by Landlord and Tenant in a joint inspection of the Leased premises, and (ii) "Tenant Delay" shall mean any delay in the completion of the Tenant Improvements attributable to Tenant, including, without limitation, (A) Tenants's failure to meet any time deadlines specified herein, (B) Change Orders, (C) the performance of any other work in the Leased Premises by any person, firm or corporation employed by or on behalf of Tenant, or any failure to complete or delay in completion of such work, or (D) any other act or omission of Tenant that actually causes a delay.

7. Option to Extend.

(a) Paragraph 8 of the Second Amendment is hereby deleted in its entirety and is of no further force or effect.

(b) Provided that (i) no Event of Default has occurred and is then continuing, (ii) the creditworthiness of Tenant has not materially declined relative to its creditworthiness as of the date hereof, and (iii) Tenant originally named herein (or a Related Entity, as defined in Section 12(f) of the Lease) remains in possession of the Premises, Tenant shall have one (1) option to extend the Term of the Lease for one (1) additional period of five (5) years (the "Extension Term"). The Extension Term shall be upon the same terms and conditions contained in the Lease, except (x) Tenant shall not have any further option to extend, (y) any improvement allowances or other concessions applicable to the Premises under this Lease shall not apply to the Extension Term, and (z) the Base Rent shall be adjusted as sets forth herein ("Rent Adjustment"). Tenant shall exercise such option by delivering to Landlord, no later than two hundred seventy (270) days prior to the expiration of the Term of the Lease, written notice of Tenant's desire to extend the Term of the Lease. Tenant's failure to properly exercise such option shall be deemed a waiver of such option. If Tenant properly exercised its option to extend, Landlord, shall notify Tenant of the Rent Adjustment no later than two hundred ten (210) days prior to the commencement of Landlord a written objection thereto within ten (10) business days after receipt thereof. If Tenant properly exercise its option to extend, Landlord shall provide and Tenant shall execute an amendment to this Lease reflecting the terms and conditions of the Extension Term within thirty (30) days after Tenant's acceptance (or deemed acceptance) of the Rent Adjustment.

(c) The Base Rent as adjusted for the Extension Term shall be an amount equal to the Base Rent (plus any improvement allowances or other concessions) then being paid by tenants under leases signed in the immediately preceding six (6) month period for space in the Building or other similar buildings within five (5) miles of the Building, of comparable size and quality and with similar or equivalent improvements as are found in the Building (taking into consideration concessions such as rental waivers, abatement, improvement allowances and lease assumptions granted to such tenants if not included in Landlord's calculation of the Rent Adjustment), provided, however, that if Tenant delivers to Landlord a written objection to Landlord's proposed Rent Adjustment within thirty (30) days after Tenant's receipt of Landlord's proposed Rent Adjustment, and the parties cannot agree on a Base Rent for the Extension Term within thirty (30) days after Tenant's written objection, then Tenant may retract its exercise of its option to extend, or Tenant may choose arbitration to determine the Rent Adjustment. If Tenant chooses arbitration, Tenant shall give Landlord written notice of its desire to seek arbitration within five (5) days after expiration of such thirty (30) day period ("Arbitration Notice"). Within Ten (10) days after Tenant provides Landlord with its Arbitration Notice, the parties shall each appoint an appraiser to determine the Base Rent as adjusted for the Extension Term for the Leased Premises. Each appraiser so selected shall be an MAI appraiser having at least ten (10) years prior experience in the appraisal of comparable space in the metropolitan area in which the Leased Premises are located, and with a working knowledge of current rental rates and practices. If the two appraisers cannot agree upon the Base Rent as adjusted for the Extension Term for the Leased Premises within twenty (20) days after their appointment, then, within ten (10) days after the expiration of such twenty (20) day period, the two appraisers shall select a third appraiser meeting the above criteria. Once the third appraiser has been selected as provided for above, then such third appraiser shall, within ten (10) days after appointment, make its determinations of the Base Rent as adjusted for the Extension Term. The average of the two closest determination of the Base Rent as adjusted for the Extension Term shall be used as the Base Rent for the applicable Extension Term and shall be binding on both Landlord and Tenant. Landlord and Tenant shall each bear the cost of its appraiser and shall share the cost of the third. If Tenant fails to provide the Arbitration Notice as provided above, then Tenant's exercise of its option to extend shall be

deemed retracted. The monthly rental installments shall be an amount equal to one-twelfth (1/12) of the Base Rent as adjusted for the Extension Term and shall be paid at the same time and in the same manner as provided in the Lease.

8. Right of First Offer.

(a) Landlord and Tenant acknowledge and agree that the expansion option set forth in Paragraph 7 of the Second Amendment has expired by its terms and is of no further force or effect. Accordingly, said Paragraph 7 of the Second Amendment is hereby deleted in its entirety.

(b) Provided that (i) no Event of Default has occurred and is then continuing, (ii) the creditworthiness of Tenant has not materially declined relative to its creditworthiness as of the date hereof, and (iii) Tenant originally named herein (or a Related Entity, as defined in Section 12(f) of the Lease) remains in possession of the Premises, and subject to Landlord's right to renew or extend the lease term of any other tenant (including the Replacement Tenant, as defined below) with respect to the portion of the Offer Space (as defined herein) now or hereafter leased by such other tenant, Landlord shall, before entering into a lease with a third party for that space in the Building located contiguous to the Premises, known as Suite 120 and consisting 7,904 rentable square feet, as shown on Exhibit C attached hereto (the "Offer Space"), notify Tenant in writing of the availability of the Offer Space for leasing and setting forth the terms and conditions upon which Landlord is willing to lease the Offer Space to Tenant ("Landlord's Notice"). Tenant shall have seven (7) business days from its receipt of Landlord's Notice to deliver to Landlord a written notice agreeing to lease the Offer Space on the terms and conditions contained in Landlord's Notice ("Tenant's Acceptance"). In the event that Tenant declines to exercise its right of first offer or Tenant fails to deliver Tenant's Acceptance to Landlord within said seven (7)-business day period, such failure shall be conclusively deemed a rejection of the Offer Space and a waiver by Tenant of this right of first offer, whereupon, except as provided in subsection (c) below, Tenant shall be deemed to have waived its rights with respect to the Offer Space and Landlord shall be free to lease the Offer Space to a third party. Tenant acknowledges and agrees that Landlord has previously notified Tenant of a pending transaction that would terminate the lease with the tenant currently occupying the Offer Space and that Landlord currently is negotiating with a replacement tenant to lease the Offer Space ("Replacement Tenant"). Tenant has informed Landlord that; as of the date hereof, Tenant has declined to lease the Offer Space.

(c) The Base Rent for the Offer Space shall be an amount equal to the Base Rent (plus any improvement allowances or other concessions) then being quoted to prospective tenants for space in the vicinity of comparable size and quality and with similar or equivalent improvements as are found in the Building. The term for the Offer Space shall be co-terminous with the then-current term (the "Current Term") for the then-existing Premises (the "Existing Premises"); provided, however, that the minimum term for the Offer Space shall be three (3) years and the Current Term for the Existing Premises shall be extended as provided above, the Base Rent for such period added to the Current Term shall be the same rental rate per square foot (including periodic escalations) then in effect for the Offer Space.

(d) If Tenant properly exercises its right of first offer, Landlord and Tenant shall enter into an amendment to the Lease adding the Offer Space to the Premises upon the Terms and conditions set forth herein and making such other modifications to the Lease as are appropriate under the circumstances. If Tenant shall fail to enter into such amendment within ten (10) days following Tenant's Acceptance and receipt of such amendment to the Lease, then Landlord may terminate this right of first offer by notifying Tenant in writing, in which event Tenant shall have no further rights with respect to the Offer Space and Landlord shall be free to lease the Offer Space to a third party.

(e) In the event that (i) Tenant declines the offer set forth in Landlord's Notice or fails to exercise its right of first offer, and (ii) within the ninety (90) day period following Tenant's receipt of Landlord's Notice, Landlord receives an arms-length offer to lease the Offer Space that Landlord is willing to accept from a bona fide third party on monetary terms that are ten percent (10%) or more favorable than the monetary terms in Landlord's Notice, then Landlord shall be required to present to Tenant a modified Landlord's Notice matching such terms, pursuant to this right of first offer, in the same manner that the original Landlord's Notice was submitted to Tenant, and Tenant shall have the same rights and obligations thereafter (with the exception of this subparagraph (e)) with respect to the Offer Space; provided, however, that (A) the seven (7) business day period referenced in subparagraph (b) shall be revised to five (5) business days, and (B) the ten (10) day period referenced in subparagraph (d) above shall be revised to seven (7) days.

9.   Ratification  . Except as otherwise expressly modified by the terms of this Amendment, the Lease remains unchanged and shall continue in full force and effect. All terms, covenants, and conditions of the Lease not expressly modified herein are hereby confirmed and ratified and remain in full force and effect, and, as further amended hereby, constitute valid and binding obligations of Tenant enforceable according to the terms thereof. In case of conflict between the Lease and this Amendment, the terms of this Amendment shall control.

10.   Tenant's Representations and Warranties  . The undersigned represents and warrants to Landlord that (i) Tenant is duly organized, validly existing and in good standing in accordance with the laws of the state under which it was organized and if such state is not the state in which the Premises are located, that it is authorized to do business in such state; (ii) all action necessary to authorize the execution of this Amendment has been taken by Tenant; and (iii) the individual executing and delivering this Amendment on behalf of Tenant has been authorized to do so, and such execution and delivery shall bind Tenant. Tenant, at Landlord's request, shall provide Landlord with evidence of such authority.

11.   Entire Agreement  . Tenant acknowledges that neither Landlord nor any broker, agent, or employee of Landlord has made any representation or promise with respect to the Premises, the Building or the land on which the Building is situated except as expressly set forth herein, and no right is being acquired by Tenant except as expressly set forth herein. The Lease (as amended by this Amendment) contains the entire agreement of the parties and supersedes all prior agreements, negotiations, letters of intent, proposals, representations, warranties and discussions between the parties. The Lease (as amended by this Amendment) may not be changed in any manner, except by an instrument in writing signed by both parties hereto.

12.   Binding Effect  . All of the covenants contained in this Amendment, including, but not limited to, all covenants of the Lease as modified hereby, shall be binding upon and shall inure to the benefit of the parties hereto and their respective heirs, legal representatives and permitted successors and assigns.

13.   Examination of Amendment  . Submission of this instrument for examination or signature to Tenant does not constitute a reservation or option, and it is not effective until execution by and delivery to both Landlord and Tenant.

14.   Effectiveness  . The submission of this Amendment shall not constitute an offer, and this Amendment shall not be effective and binding unless and until fully executed and delivered by each of the parties hereto.

15.   Counterparts  . This Amendment may be executed in multiple counterparts, each of which shall be an original, but all of which shall constitute one and the same Amendment.

16. Headings. Headings are used for convenience only and shall not be considered when construing the Lease or this Amendment.

17. Brokers. Except for Studley (Virginia), Inc. (used in the Commonwealth of Virginia by Studley, Inc., a New York corporation) ("Broker"), representing Tenant, whose commission shall be paid by Landlord, Landlord and Tenant each represents and warrants to the other that neither party has engaged or had any conversation or negotiations with any broker, finder or other third party concerning the matters set forth in this Amendment who would be entitled to any commission or fee based on the execution of this Amendment. Landlord and Tenant each hereby indemnifies the other against and from any claims for any brokerage commissions and all costs, expenses and liabilities in connection therewith, including, without limitation, reasonable attorneys' fees and expenses actually incurred, for any breach of the foregoing. The foregoing indemnification shall survive the termination of the Lease for any reason. Further, Tenant represents and warrants to Landlord that Broker has not discussed this Amendment or the subject matter thereof with any other real estate broker, agent or salesperson, so as to create any legal right in any such broker, agent or salesperson to claim a real estate commission or similar fee with respect to this Amendment and other transactions contemplated by this Amendment. Tenant hereby indemnifies Landlord against, and agrees to hold, save, and defend Landlord harmless from, any liability or claim (and all expenses, including attorneys' fees, actually incurred in defending any such claim or enforcing this indemnity) for a real estate brokerage commission or similar fee or compensation arising out of or in any way connected with any claim of agency or cooperative relationship with the indemnitor and relating to this Amendment, other than the compensation to Broker.

## SECOND AMENDMENT TO DEED OF LEASE

THIS SECOND AMENDMENT TO DEED OF LEASE (the "Amendment") is entered into as of January 27, 2004, by and between Winkler-Southern Towers Limited Partnership (hereinafter referred to as "Landlord"), a Virginia limited partnership as successor in interest to TransDulles Center, Inc. ("TCI"), and Glen Research Corporation, a Virginia corporation (hereinafter referred to as "Tenant"). This Amendment shall be effective as of January 1, 2004 (the "Effective Date").

### RECITALS:

A. TCI, as landlord, and Tenant, as tenant, entered into that certain Deed of Lease (the "Initial Lease"), dated June 25, 1997, with respect to certain premises containing approximately Twenty-One Thousand Five Hundred Twenty-Six (21,526) rentable square feet located at 22825 Davis Drive, Sterling, Virginia 20164 (the "Building"), which Building, also referred to as TransDulles Centre Building 8, is located on a parcel of land within the office and warehouse park known as TransDulles Centre (the "Centre").

B. The Initial Lease was amended by that certain First Amendment to Deed of Lease dated August \_\_, 1997 between TCI and Tenant (the "First Amendment"). The Initial Lease, as amended by the First Amendment, is herein referred to as the "Lease".

C. Landlord succeeded to TCI's interest in the Lease and is the current Landlord under the Lease.

D. Landlord and Tenant desire to amend certain terms and conditions of the Lease as hereinafter set forth.

### WITNESSETH:

NOW, THEREFORE, in consideration of the foregoing recitals, Landlord and Tenant, intending to be legally bound, do hereby agree, and amend the Lease, as follows:

1. Defined Terms. Unless otherwise defined herein, all capitalized terms used in this Amendment shall have the same meaning ascribed to such terms in the Lease.

2. Term. Notwithstanding anything to the contrary in the Lease, the Term of the Lease is hereby extended to, and shall expire on, December 31, 2009. The twelve (12)-month period commencing on the Effective Date, and each successive twelve (12)-month period thereafter during the Term of the Lease (as such Term may be extended pursuant to the terms of this Amendment), shall each be a "Lease Year".

3. Base Rent. The Rent Schedule attached to the First Amendment as a new Amended Exhibit C is hereby deleted in its entirety, and the new Second Amendment Revised Rent Schedule attached to this Amendment as Exhibit "A" and made a part hereof is substituted therefor. All references in the Lease, as amended hereby, to Exhibit C, Rent Schedule shall be deemed to refer to the Second Amendment Revised Rent Schedule attached to this Amendment as Exhibit "A". In the event of any inconsistencies between the operation of Section 3(c) of the Lease, and the provisions of the Second Amendment Revised Rent Schedule attached to this Amendment as Exhibit "A", the provisions of the Second Amendment Revised Rent Schedule shall control.

4. Security Deposit. At any time after December 31, 2005 (the "Deposit Date"), Tenant may send a written notice to Landlord expressly requesting that Landlord reduce the amount of the Security Deposit from Twenty Thousand and 00/100 Dollars (\$20,000.00) to Ten Thousand and 00/100 Dollars (\$10,000.00). IF Tenant's notice is sent to Landlord after the Deposit Date, the amount of the Security Deposit shall be so reduced within ten

(10) days if no Event of Default exists on the date Landlord receives Tenant's notice, and no event has occurred or a condition exists on the date Landlord receives Tenant's notice which with the giving of notice or the passage of time, or both, would constitute a monetary Event of Default under the Lease (provided, however, that if the event which has occurred or the condition which exists on the date Landlord receives Tenant's notice, which with the giving of notice or the passage of time, or both, would constitute a monetary Event of Default under the Lease, is timely cured by Tenant within the cure period specified in the Lease then Tenant's rights hereunder shall be reinstated as if said event or condition never existed except for any delay associated with Tenant's cure). The reduced Security Deposit, if any, shall be subject to all other provisions of the Lease concerning the Security Deposit (including, without limitation, Section 10 thereof). If the Security Deposit is held by Landlord in the form of cash and the Security Deposit is to be reduced in accordance with the preceding provisions of this Section 4, then Landlord shall pay the Ten Thousand and 00/100 Dollars (\$10,000.00) reduction amount to Tenant by check or wire transfer. If the Security Deposit is held by Landlord in the form of a letter of credit and the Security Deposit is to be reduced in accordance with the preceding provisions of this Section 4, Landlord shall provide written notice to Tenant that Tenant is entitled to reduce the letter of credit to the amount of Ten Thousand and 00/100 Dollars (\$10,000.00) and the Security Deposit shall be reduced only by Tenant delivering to Landlord a binding and enforceable amendment to the letter of credit then held by Landlord reducing the amount that may be drawn thereunder to Ten Thousand and 00/100 Dollars (\$10,000.00). Landlord has no obligation whatsoever to reduce the Security Deposit unless Tenant sends such notice to Landlord after the Deposit Date and all the provisions, conditions and requirements of this Section 4 are fully satisfied.

5. Tenant Improvement Allowance (a)(i) Effective upon the Effective Date, Landlord shall make available to Tenant an allowance (the "Tenant Improvement Allowance") to renovate and remodel the interior of the Premises (collectively, the "Tenant Improvements") in the amount of One Hundred Sixty-One Thousand Four Hundred Forty-Five and 00/100 Dollars (\$161,445.00) (the "Tenant Work Allowance"); subject, however, to the provisions of this Section 5. The Tenant Improvement Allowance proceeds may be used only for the following items paid by Tenant: (A) hard and soft costs to remodel and renovate the Premises (incurred before or after the date of this Amendment); (B) soft costs associated with planning, permitting and managing such renovation and remodeling (incurred before or after the date of this Amendment); (C) Tenant's costs for security installations and related equipment (incurred before or after the date of this Amendment); and (D) telecom and data cabling (incurred before or after the date of this Amendment).

(ii) If the aggregate amount of Tenant Improvement Allowance proceeds requested by Tenant between the Effective Date and December 31, 2004 is less than One Hundred Sixty-One Thousand Four Hundred Forty-Five and 00/100 Dollars (\$161,445.00), then the difference between such two amounts shall be applied by Landlord as a credit to the next due monthly installments of Base Rent until such difference is reduced to zero.

(b)(i) If Landlord manages the renovation and remodeling of the Premises or is otherwise involved to a greater degree than the review of Tenant's plans and specifications, Landlord shall charge Tenant (and Landlord may reduce the Tenant Improvement Allowance by) as a construction management fee an amount equal to four percent (4%) of the total direct and indirect hard and soft costs incurred in remodeling or renovating the Premises (including, without limitation, material and labor, contractor's profit and contractor's general overhead and all other items identified at Sections 5(a)(i)(A)-(D) above). If Landlord is not entitled to a fee as set forth in the immediately preceding sentence, Tenant nonetheless shall pay to Landlord, within ten (10) days of Landlord's demand therefor, all costs and expenses incurred by Landlord to review plans and specifications received from Tenant and to inspect such work (without regard to the provisions of Exhibit E to the Lease).

(ii) Subject to Landlord's prior written approval of (A) Tenant's plans and specifications, (B) Tenant's contractor and (C) Tenant's architect (in each case not to be unreasonably withheld or delayed), Tenant may use its own contractors to remodel the Premises. Among other things, in such instance, Tenant and Tenant's contractors shall be solely responsible for obtaining all necessary governmental permits and approvals.

(c) Except as otherwise provided in this Section 5, Tenant Improvement Allowance proceeds shall

be disbursed and available to Tenant subject to the terms and conditions set forth in Section 2 of Exhibit E of the Lease (which include, among other things, the delivery of lien waivers as a condition to each payment of any Tenant Improvement Allowance proceeds) and the delivery to Landlord of such other documentation as Landlord may reasonably request. For purposes of this Section 5, all references in such Exhibit E to the Tenant Work Allowance shall mean the Tenant Improvement Allowance, and the total aggregate amount available and payable to Tenant on account of the Tenant Improvement Allowance and the Tenant Improvements is One Hundred Sixty-One Thousand Four Hundred Forty-Five and 00/100 Dollars (\$161,445.00). For purposes of this Section 5, all references in such Exhibit E to the Tenant Work shall mean the Tenant Improvements. For purposes of illustration only, this Section 5 does not constitute Landlord's consent to or approval of any particular work, improvements, alterations, renovations, remodeling or the like, and Tenant may not perform (or allow to be performed) any work to the Premises contemplated by this Section 5 without complying with all the provisions of the Lease as to Landlord's approval of such work or the performance thereof; including, without limitation, the provisions of Section 8, Section 14(b) and Exhibit E of the Lease. In addition, all Tenant Work and the performance thereof shall comply with such reasonable rules and regulations as Landlord, and its representatives, may make.

6. Antenna/Satellite. (a) Tenant shall be permitted, at Tenant's sole expense, to install on the roof of the Building, maintain and use a single antenna or a single satellite dish for the purpose of transmitting and receiving communication signals (the "Antenna"), provided that all of the following conditions shall be satisfied at all times (each of which Tenant agrees to satisfy, perform and comply with if Tenant elects to place an Antenna on the roof of the Building):

- (i) Tenant shall give Landlord thirty (30) day's advance written notice of the date Tenant intends to install the Antenna.
- (ii) The design, construction, screening, size, style, material, location, adequacy and method of installation of the Antenna shall be subject to Landlord's prior Written approval (not to be unreasonably withheld or delayed).
- (iii) Tenant's installation, maintenance and removal of the Antenna shall be subject to the supervision of Landlord or Landlord's contractor (roof or otherwise). Tenant agrees to reimburse Landlord, upon demand, for all actual out-of-pocket third party costs and expenses incurred by Landlord in connection with Landlord's review of the Antenna's design, construction and location and the supervision of its installment or removal.
- (iv) At Tenant's sole cost and expense, Tenant shall obtain all permits, approvals and licenses necessary for the installation, use and maintenance of the Antenna and Tenant shall comply with all laws, rules, codes, regulations, requirements and the like applicable to the installation, use and maintenance of the Antenna.
- (v) Any and all utility costs related to the installation and operation of the Antenna shall be the sole responsibility of Tenant.
- (vi) Tenant's installation of the Antenna shall be performed in a manner so as not to adversely affect or vitiate any warranty or guaranty applicable to the roof of the Building.
- (vii) Tenant shall be responsible for the payment of any and all additional real estate or personal property taxes assessed against the Building and/or Property and any increases in Landlord's insurance premiums resulting from the installation or use of the Antenna on the basis of reasonable documentation provided to Tenant.
- (viii) The Antenna shall be operated and maintained in such a manner as will not interfere with the operations, electronic transmissions or electronic receptions of any other tenant in the Building (provided,

however, that if the Antenna is causing interference with another antenna, satellite dish or the like installed subsequent to the installation of the Antenna, Tenant shall reasonably cooperate with Landlord (at Landlord's expense) in relocating the Antenna so as to prevent such interference (provided same does not already affect the functionality of the Antenna).

(ix) Tenant shall not permit any person or entity, other than Tenant, to make any direct or indirect use of the Antenna.

(b)(i) Tenant shall remove the Antenna upon the expiration or sooner termination of the term of the Lease. The cost of such removal shall be the sole expense of Tenant. Tenant agrees to return the Building to its original condition upon removal of the Antenna, reasonable wear and tear excepted. If, during the Term of the Lease, as amended hereby, it is necessary to replace or repair the roof, Tenant shall temporarily relocate the Antenna.

(ii) Tenant shall repair, at Tenant's sole expense, any damage to the Building or Property resulting from the installation, operation, use, maintenance or removal of the Antenna.

(iii) Other than willful misconduct by Landlord, Landlord's agents, employees or contractors, Tenant agrees to, and shall, indemnify, defend and hold harmless Landlord from and against any and all losses, damages, liabilities, obligations, claims, demands, costs and expenses whatsoever caused by or resulting from the installation, maintenance, operation, use or removal of the Antenna.

(iv) Tenant agrees that it shall, at its own expense, cause its employees and contractors performing any work on or about the roof of the Building to comply with all applicable laws, codes, rules, regulations and other legal requirements regarding safety, a safe workplace and the like (including, without limitation, and all, if any, OSHA requirements) and all policies of insurance maintained by Landlord (provided said insurance requirements have been provided to Tenant) or Tenant. Tenant, on its own behalf and on behalf of its agents, employees and contractors, assumes (and irrevocably and unconditionally waives all claims against Landlord arising out of or relating to) all risks associated with the presence, installation, maintenance, operation, use and removal of the Antenna. Without in any way limiting or modifying any of Landlord's rights or remedies, Tenant shall cause its contractors (and all other persons performing work on the roof) to execute and deliver a release similar to the provisions of the immediately preceding sentence to Landlord before performing any work on or about the Building, and no work may commence unless such release is delivered to Landlord.

(c) Landlord makes no representation or warranty of any kind whatsoever as to the suitability of the roof of the Building for the installation of the Antenna, the quality of the transmissions or receptions of any Antenna (or the ability of any Antenna to send or receive information or otherwise operate), or the cost of installation, operation, use, maintenance or removal the Antenna.

Tenant's obligations and liabilities under this Section 6 shall survive the expiration or sooner termination of the Lease, as amended hereby.

7. Expansion Option. (a) Section 31 of the Lease is hereby deleted in its entirety.

(b)(i) Tenant shall have the right and option, subject to the following provisions of this Section 7, one time only to elect to lease all of the Expansion Space (as defined below). The "Expansion Space" is the portion of the Building located adjacent to the Premises, as described on Exhibit "B" attached hereto and made a part hereof.

(ii) (A) If, at any time prior to December 31, 2005, Landlord receives a bona fide written offer to lease all of the Expansion Space that Landlord desires to accept or if Landlord is prepared to submit an offer on terms acceptable to Landlord, then Landlord shall promptly notify Tenant in writing and forward to Tenant a

copy of the applicable terms so acceptable to Landlord (including the date on which the Expansion Space could be available for occupancy by Tenant) (such notice is hereinafter referred to as the "Landlord's Notice"). Within ten (10) days after Tenant's receipt of the Landlord's Notice, Tenant shall have the right and option to lease the Expansion Space (or the entirety of the space identified in the Landlord's Notice) at the rent and in accordance with all other provisions of the Landlord's Notice (except that Tenant's right to use the Expansion Space shall expire on the date the Term of the Lease with respect to the Premises expires, without regard to the terms of the Landlord's Notice, and the amount and value of concessions provided by Landlord to Tenant may be less than those set forth in the Landlord's Notice under the terms outlined in Section 7 (B) below) if, and only if: the Lease, as amended hereby, is then in full force and effect; no material adverse change in Tenant's financial condition has occurred since the Lease was first executed which, in Landlord's sole but reasonable discretion, would impair Tenant's ability to perform any of its obligations under the Lease, as amended hereby; during the one (1)-year period preceding the date on which Tenant otherwise could exercise the option to expand, Tenant has not committed two (2) or more monetary defaults as to which Landlord has issued a notice in accordance with the provisions of Paragraph 17 of the Lease; during the one (1)-year period preceding the date on which Tenant otherwise could exercise the option to expand, Tenant has not committed two (2) or more non-monetary defaults as to which Landlord has issued a notice in accordance with the provisions of Paragraph 17 of the Lease; and no Event of Default shall be existing at the time of Tenant's receipt of the Landlord's Notice (and at such time no event has occurred at the time of exercise, which with the passage of time or the giving of notice, or both, could be deemed an Event of Default or breach by Tenant under the Lease, as amended hereby provided, however, that if the event which has occurred or the condition which exists on the date Landlord receives Tenant's notice, which with the giving of notice or the passage of time, or both, could be deemed an Event of Default or breach by Tenant under the Lease, is timely cured by Tenant within the cure period specified in the Lease then Tenant's rights hereunder shall be reinstated as if said event or condition never existed except for any delay associated with Tenant's cure). Tenant shall exercise such option only by delivery of written notice of such election to Landlord within such 10-day period. If Tenant fails to give Landlord written notice of Tenant's election to lease all the Expansion Space within the above-referenced 10-day period, Tenant's rights under this Section 7 shall automatically terminate and be null and void. TIME IS OF THE ESSENCE of this Section 7.

(B) Notwithstanding anything to the contrary in Section 7(b)(ii)(A) above, if the initial term of the lease transaction referred to in the Landlord's Notice would expire after December 31, 2009, and the lease transaction referred to in the Landlord's Notice includes rent abatement, a tenant improvement allowance or other concessions, allowances or benefits), then all such abatement, allowances, concessions and benefits provided Tenant under the Lease, as amended hereby, with respect to the Expansion Space shall be reduced so that the net effective base rent payable by Tenant with respect to the period ending December 31, 2009 equals the net effective base rent (the base rent after factoring in all concessions) that would be paid by such third party with respect to the same period. In no event shall the Base Rent and Additional Rent per square foot with respect to the Expansion Space be less than the Base Rent and Additional Rent per square foot (for the correlating time periods as they may occur) for the Premises under the Second Amendment Revised Rent Schedule attached hereto as Exhibit "A".

(c) If Tenant exercises its option to lease the Expansion Space, Landlord shall deliver the Expansion Space to Tenant in its "AS-IS, WHERE-IS" condition on the date the Expansion Space is delivered to Tenant; except that the Landlord shall perform or provide any tenant improvement work or allowance so as to ready the Expansion Space for the initial occupancy by Tenant as may be set forth in the Landlord's Notice.

(d) If Tenant exercises its option to expand the Premises pursuant to this Section 7, the Premises shall be expanded to include the Expansion Space, and, among other things, Tenant's obligation to pay Base Rent and Additional Rent with respect to the Expansion Space, shall commence on the date Landlord delivers possession of the Expansion Space to Tenant; however Landlord shall not deliver possession of the Expansion Premises to Tenant prior to the availability date set forth in the Landlord's Notice and Tenant shall have a minimum of thirty (30) days' prior written notice of the date Landlord intends to deliver possession.

(e) If any prior tenant or occupant of all or any of the Expansion Space holds over or otherwise

refuses to surrender or vacate such space by the availability date set forth in Landlord's notice, Landlord shall not be liable to Tenant, and the date on which Tenant's obligations for Base Rent and Additional Rent with respect to the Expansion Space shall be delayed until possession of such space is available.

(f) Upon Tenant's exercise of its option to lease the Expansion Space, Landlord and Tenant shall commence negotiation of an appropriate amendment to this Lease to, among other things: add the Expansion Space to the Premises; adjust Tenant's pro rata share for purposes of Paragraphs 3(e) and 11 of the Lease; and set forth Tenant's obligations with respect to Base Rent and Additional Rent with respect to the Expansion Space. Landlord and Tenant shall work diligently to execute such amendment within fourteen (14) days after Tenant's exercise of its option; however, failure to execute any such amendment shall not affect the enforceability, validity, or effectiveness of this Lease, the exercise of Tenant's option or any of Tenant's obligations or liabilities with respect to the Expansion Space.

(g) Notwithstanding anything to the contrary in this Section 7, Tenant's right of first refusal shall not apply to and Landlord shall not be obligated to offer to Tenant any space that is subject to an expiring lease if the tenant then occupying such space renews its lease of such space pursuant to a right to do so in such tenant's lease or pursuant to the mutual agreement of such tenant and Landlord.

(h) Tenant's rights under this Section 7 may not be assigned to any person or entity that is not the Tenant under the Lease, as amended hereby, and no portion of the Expansion Space may be used by any person or entity that is not the Tenant under the Lease, as amended hereby.

8. Term Renewal Option

(a) (i) Section 6 of the Lease is hereby deleted in its entirety.

(ii) Tenant shall have the option to extend the Term for one additional term of three (3) years (the "Renewal Term") upon all the same terms, covenants and conditions of this Lease (including, but not limited to, the payment of additional rent, but excluding such things as the performance of any additional work by Landlord or the payment of any additional sum by Landlord to or for the benefit of Tenant [such as an additional Tenant Work Allowance or an additional Tenant Improvement Allowance]), except that the annual Base Rent payable by Tenant with respect to each Lease Year during the Renewal Term shall be the amount determined pursuant to Section 8(c) below. Upon the extension of the Term for the Renewal Term, no further or other Renewal Term shall remain or be available and in no event whatsoever may the Term be extended for more than a total of three (3) years pursuant to this Section 8.

(b) The option to so extend the Term pursuant to this Section 8 (the "Option") shall be effective only if: the Lease, as amended hereby, is then in full force and effect; no material adverse change in Tenant's financial condition has occurred since the Lease was first executed which in Landlord's sole, but reasonable, discretion would impair Tenant's ability to perform any of its obligations under the Lease, as amended hereby; during the one (1)-year period preceding the date on which Tenant otherwise could exercise the Option, Tenant has not committed two (2) or more monetary defaults as to which Landlord has issued a notice in accordance with the provisions of Paragraph 17 of the Lease and during the one (1)-year period preceding the date on which Tenant otherwise could exercise the Option, Tenant has not committed two (2) or more non-monetary defaults as to which Landlord has issued a notice in accordance with the provisions of Paragraph 17 of the Lease and no Event of Default shall be existing on the commencement date of the Renewal Term (and at such time no event has occurred at the time of exercise, which with the passage of time or the giving of notice, or both, could be deemed an Event of Default or breach by Tenant under the Lease, as amended hereby provided, however, that if the event which has occurred or the condition which exists on the commencement date of the Renewal Term, which with the giving of notice or the passage of time, or both, could be deemed an Event of Default or breach by Tenant under the Lease, is timely cured by Tenant within the cure period specified in the Lease then Tenant's rights hereunder shall be reinstated as if said event or condition never existed except for any delay associated with Tenant's cure). To be effective, the Option must be exercised by written notice to Landlord given not less than nine (9) months, and not more than twelve (12) months, prior to the expiration of the current Term; TIME BEING OF THE ESSENCE. The Option shall be exercised by Tenant sending written notice (the

“Tenant’s Notice”) to Landlord within the aforesaid time period and, upon (i) giving of such notice and (ii) satisfaction of all conditions to the effectiveness of such Option, the Term of this Lease shall be extended for the Renewal Term without any further instrument, lease or agreement; provided, however, that Tenant and Landlord agree that prior to the commencement of the Renewal Term Landlord shall produce, and Landlord and Tenant shall execute, an addendum, in form and substance reasonably satisfactory to Landlord and Tenant, amending this Lease to set forth the extension of the Term and the annual Base Rent payable thereunder. Failure to execute any such amendment or addendum shall not affect the enforceability, validity, or effectiveness of this Lease.

(c) If Tenant exercise its option to extend the Term for the Renewal Term within the period set forth above, Landlord shall send Landlord’s determination of annual Base Rent for each Lease Year during the Renewal Term (the “Landlord’s Determination”) to Tenant within thirty (30) days after Landlord’s receipt of the Tenant’s Notice. Landlord’s determination of the annual Base Rent for the Renewal Term shall include improvement allowances, commissions, free rent, other lease concessions, rate escalations, operating costs and taxes. The annual Base Rent for the first lease year of the Renewal Term shall equal ninety-five percent (95%) of Fair Market Rent (as defined below). “Fair Market Rent” means the total rent, taking into consideration all factors enumerated in the preceding sentence, being charged to similar tenants for similar space in other single-story buildings in the Route 28 North corridor submarket. The parties shall negotiate in good faith and shall have thirty (30) days after Tenant’s receipt of such determination in which to agree on such annual Base Rent. If during such thirty (30) day period the parties agree on the amount of such annual Base Rent payable during each lease year of such Renewal Term, then they shall promptly execute an amendment to the Lease stating the annual Base Rent so agreed upon and evidencing other renewal terms. If during such thirty (30) day period the parties are unable, for any reason whatsoever, to agree on such annual Base Rent, then within five (5) business days thereafter (i) Tenant shall have the right in its sole discretion, by written notice to Landlord, to void Tenant’s exercise of its right of renewal and the Lease shall expire at the end of the Lease Term (i.e., December 31, 2009); or (ii) provide irrevocable written notice to Landlord of its desire to determine the Fair Market Rent in accordance with the terms contained in this Section 8(c) and the parties shall each appoint a real estate appraiser or agent (an “appraiser”) who shall be licensed in the Commonwealth of Virginia and who specializes in the field of commercial real estate leasing, has at least ten (10) years of experience and is recognized within the field as being reputable and ethical. If Tenant fails to timely terminate its exercise of its right of renewal as provided in Subpart (i) of the immediately preceding sentence and fails to timely provide written notice to Landlord of its desire to determine the Fair Market Rent as provided in Subpart (ii) of the immediately preceding sentence, Tenant shall be deemed to have terminated its right to renew. If Tenant timely provides written notice to Landlord in accordance with the terms of the second (2nd) immediately preceding sentence, such two individuals shall each determine within ten (10) business days after their appointment such Fair Market Rent. If such two appraisers agree on such Fair Market Rent, then the annual Base Rent for the first lease year of the Renewal Term shall equal ninety-five percent (95%) of such Fair Market Rent. If such two appraisers do not agree on such Fair Market Rent, but the difference (the “Appraisal Difference”) between the Fair Market Rent determinations between each such appraiser does not exceed five percent (5%) of the lower of the two (2) values, then the then the Annual Base Rent for the first lease year of the Renewal Term shall equal ninety-five percent (95%) of the average of such two values. If such individuals do not agree on such Fair Market Rent within such ten (10) business day period, and the Appraisal Difference exceeds five percent (5%) of the lower of the two (2) values, then the two individuals shall, within five (5) additional days, render separate written reports of their determinations and together appoint a third similarly qualified individual. The third individual shall within fifteen (15) days after his or her appointment make a determination of such Fair Market Rent. The annual Base Rent applicable during the first lease year of such Renewal Term shall equal ninety-five percent (95%) of the average of the two closest determinations of the three (3) individuals respective determinations. Upon the determination of the annual Base Rent for the Renewal Term in accordance with the terms of this provision, regardless of whether such annual Base Rent was determined by two or three appraisers pursuant to the terms hereof or the minimum amounts specified herein, such annual Base Rent for the Renewal Term shall be final and conclusive as to the amount of such annual Base Rent for the Renewal Term. Landlord and Tenant shall each bear the cost of its appraiser and shall share equally the cost of the third appraiser. Upon determination of the Annual Base Rent pursuant to this provision, the parties shall promptly execute an amendment to the Lease stating the Annual Base Rent and other applicable renewal terms and the Lease shall

continue in full force and effect.

All rights granted to Tenant under this Section may be exercised by any Permitted Transferee who succeeds as Tenant hereunder the Lease or any other assignee.

9. Hazardous Materials. The phrase “(including, without limitation, chlorinated solvents”) is hereby added to the end of the second sentence of Paragraph 5(b) of the Lease.

10. Lender's Consent. Landlord and Tenant each acknowledge and agree that this Amendment is subject to Landlord obtaining the unconditional written consent of Landlord's lender to the execution of this Amendment, and that if such consent shall not be obtained in writing by Landlord, with written evidence provided to Tenant by the tenth (10<sup>th</sup>) business day after this Amendment is signed by Tenant and delivered to Landlord, then either party may terminate this Amendment by sending written notice of termination to the other until such time that Landlord receives such written consent from Landlord's lender and provides written evidence thereof to Tenant. Upon any termination of this Amendment pursuant to this Amendment, Landlord's delivery to Tenant of a fully executed Amendment shall constitute written evidence to Tenant that Landlord has received the lenders written consent hereto.

11. Severability. If any provision of this Amendment is held to be invalid or unenforceable, the same shall not affect the validity or enforceability of any of the other provisions of this Amendment, which shall continue in full force and effect, as if the invalid or unenforceable provision had been deleted.

12. Interpretation. If any provision of this Amendment conflicts with any provision of the Lease, the provisions of this Amendment shall be controlling.

13. Entire Agreement. The Lease, as amended by this Amendment, constitutes the entire agreement between the Landlord and Tenant with respect to the subject matter hereof, superseding all, if any, prior verbal discussions or agreements between Landlord and Tenant. The Lease, as amended by this Amendment, may be further amended only in writing signed by both the Landlord and Tenant.

14. Full Force and Effect. Except as expressly modified by the terms of this Amendment, all terms and conditions of the Lease shall continue in full force and effect, and shall bind the parties hereto, and their respective successors and assigns. As expressly modified by this Amendment, the Lease constitutes the valid and legally binding obligation of Tenant, fully enforceable against Tenant in accordance with its terms. This Amendment shall become effective only upon its execution and delivery by Landlord and Tenant.

15. Tenant Representations. Tenant hereby ratifies, confirms and affirms the Lease, as amended hereby, and hereby represents and warrants that, as of the date this Amendment is executed by Tenant, (i) neither the Tenant nor the Landlord is in default or breach of the Lease, as amended hereby, nor has any event occurred, which with the passage of time or the giving of notice, or both, could be deemed an event of default or breach by Landlord or Tenant under the Lease, as amended hereby, and (ii) Tenant has no right or claim against any rent or other amounts now or hereafter payable by Tenant under the Lease, as amended hereby, and has no defenses or offsets otherwise with respect to the Lease, as amended hereby, or any of Tenant's obligations or liabilities under the Lease, as amended hereby.

16. Counterparts. This Amendment may be executed in counterparts, each of which counterparts shall be an original, but all of which counterparts shall constitute one and the same agreement.

17. Brokerage Commissions. Tenant and Landlord warrant and represent to the other that they have not had any dealings with any realtor, broker or agent in connection with the negotiation of this Amendment except for Julien J. Studley, Inc. as representative of Tenant (whose commission shall be paid by Landlord pursuant to the terms of a separate written agreement between Landlord and Julien J. Studley, Inc.)

and The Mark Winkler Company as the representative of Landlord (whose commission shall be paid by Landlord pursuant to the terms of a separate written agreement between Landlord and The Mark Winkler Company. Tenant and Landlord each agrees to indemnify and hold the other harmless against any claims for brokerage or other commissions arising by reason of a breach by the breaching party of this representation and warranty.

IN WITNESS WHEREOF, this Amendment has been executed and sealed by Landlord and Tenant as of the day and year first written above.

**DEED OF LEASE**

THIS DEED OF LEASE, (hereinafter referred to as "Lease"), is made this 25<sup>th</sup> day of June 1997, by and between TransDulles Center, Inc., a Virginia corporation, or assigns (hereinafter referred to as "Landlord") and Glen Research Corporation., a Virginia corporation, (hereinafter referred to as "Tenant").

WITNESSETH:

WHEREAS, Landlord and Tenant desire to create a leasehold estate in favor of Tenant in the Premises (as hereinafter defined).

NOW, THEREFORE, in consideration of the Premises, and of the covenants and agreements herein contained, the parties hereto agree as follows:

1. PREMISES. Effective as of the Commencement Date, Landlord shall lease unto Tenant and Tenant shall lease from Landlord approximately 21,526 rentable square feet as outlined in Exhibit A ("Premises"), for a building of approximately 57,600 square feet ("Building"), which Building is located on a parcel of land commonly known as 22825 Davis Drive Sterling, Virginia, Tax Map No. 81-F-16-57A ("Property") as shown on Exhibit A. The parties stipulate that for all purposes under this Lease, the size of the Premises shall be deemed to be 21,526 square feet.

Landlord has completed construction of the "Building Shell" as described in Exhibit B hereto. Tenant has inspected the Building Shell and the Premises, and accepts the same in "AS IS" condition as of the date of execution of this Lease.

2. COMMENCEMENT DATE AND LEASE TERM.

(a) The initial term of this Lease shall be for a period of seven (7) years (hereafter referred to as "Term"), commencing on the "Commencement Date." The Commencement Date shall be the earlier of (i) the date Tenant commences beneficial use of the Premises, determined as set forth herein below, or (ii) October 1, 1997. Notwithstanding any other provision of this Lease, should Landlord fail to timely review the Tenant Plans as provided in the Work Letter attached hereto as Exhibit E (the "Work Letter") (such failure referred to as "Landlord Delay"), or should Tenant be delayed as a result of earthquake; war; riots; or strikes (delay from such enumerated causes, and no other cause, whether or not such cause may be similar to such enumerated causes, being referred to as "Force Majeure Delay"), and should Tenant not commence beneficial use of the Premises until a date subsequent to October 1, 1997 solely as a result of such Landlord Delay, or as a result of Force Majeure Delay, the Commencement Date shall be postponed from October 1, 1997 by the number of days after October 1, 1997 equal to the number of days of such Landlord Delay or Force Majeure Delay, but only to the extent that Tenant was actually delayed in commencing beneficial use of the Premises solely as a result of such Landlord Delay or Force Majeure Delay; under no circumstances shall the Commencement Date be postponed to the extent that any delay in Tenant's commencing the beneficial use of the Premises beyond October 1, 1997 is attributable in whole or in part to any cause other than Landlord Delay or Force Majeure Delay. The initial twelve (12) month period after the Commencement Date and each successive twelve (12) month period thereafter during the initial Term and any renewal periods shall be hereinafter referred to as a "Lease Year." If the Commencement Date is not the first day of a month, then the Term shall be the period set forth above plus the partial month in which the Commencement Date occurs. The Term shall also include any properly exercised renewal of the term of this Lease as provided in Paragraph 6 below.

(b) Notwithstanding the provisions of paragraph 2(a) above, provided that (i) this Lease is in full force and effect, and (ii) Tenant shall not, within the two (2) year period preceding the first day on which Tenant may issue a Notice of Termination in accordance with the provisions of this Paragraph 2(b), have either (x) committed more than two monetary defaults as to which Landlord has issued a notice in accordance with the provisions of Paragraph 17 hereof, or (y) committed more than two non-monetary defaults as to which Landlord issued a notice in accordance with the provisions of paragraph 17 hereof, Tenant shall have the option to terminate this Lease as of the last day of the fifth (5th) Lease Year (the "Termination Date"). To exercise such option, Tenant shall provide Landlord with written notice (the "Notice of Termination") of its exercise of such option at least Two Hundred Seventy (270) days, but no more than Three Hundred Sixty (360) days, prior to the Termination Date, time being of the essence, which Notice of Termination must be accompanied by payment to Landlord of a termination fee in the amount of Two Hundred Thirteen Thousand Seven Hundred Eighteen Dollars (\$213,718.00). If between the date of issuance of the Notice of Termination and the Termination Date, Tenant shall have committed or suffered an Event of Default under this Lease, or should Tenant fail to vacate the Premises by the Termination Date, time being of the essence, Landlord may, at its sole option, (i) nullify the election to terminate in which event the Lease shall remain in full force and effect, subject to its terms, or (ii) without further notice declare an Event of Default under this Lease, and in addition to retaining the Termination Fee, Landlord may exercise all other rights and remedies for an Event of Default as hereinafter provided, or (iii) deem Tenant to be holding over in accordance with the provisions of paragraph 18 hereinbelow. The option granted hereunder is personal to Tenant, and may not be exercised by any transferee or assignee of Tenant other than an "Affiliate" as defined in Paragraph 12(f) hereof; the option is exercisable only as to the entirety of the Premises, and not as to a portion thereof.

3. RENT. As rent for the Premises (all of which is hereinafter referred to collectively as "Rent"), Tenant shall pay to Landlord all of the following:

(a) Base Rent. Subject to escalation pursuant to Paragraph 3(c) below Tenant shall pay, without offset, demand or counterclaim, as base rent (hereafter referred to as the "Base Rent") for each Lease Year the sums identified on the attached Exhibit C, Rent Schedule. The monthly installments shall be payable in advance on the first day of each and every month during the said Term at the office of TransDulles Center, Inc., c/o The Mark Winkler Company, 4900 Seminary Road, Suite 900, Alexandria, Virginia 22311, or at such other place as Landlord may hereafter designate in writing. Rent checks are to be made payable to TransDulles Center, Inc., or such other person, firm or corporation as Landlord may

hereafter designate in writing, except that the first such installment, in the amount of Fifteen Thousand Nine Hundred Sixty Five Dollars and twelve cents (\$15,965.12) shall be due on or before the Commencement Date.

(b) Intentionally Omitted.

(c) Rent Escalations. At the beginning of the second Lease Year and at the beginning of each Lease Year thereafter, throughout the Term, the Base Rent then in effect shall be increased by three percent (3%) of the previous Lease Year's Base Rent, it being the intent hereof that all increases set forth herein shall be compounded.

(d) Intentionally Omitted.

(e) Tax on Lease. Tenant's pro rata share of any federal, state or local tax (including gross receipts tax) assessment, levy or other charge (other than any income tax or real property tax) (hereinafter collectively referred to as "Tax") if now or hereafter directly or indirectly upon (a) Landlord with respect to this Lease or the value thereof, (b) Tenant's use or occupancy of the Premises, or (c) the Base Rent or any other sum payable under this Lease, payment of such Tax shall be paid by Tenant as Additional Rent. Landlord estimates said amount to be one cent (\$0.01) per rentable square foot for the first Lease Year.

Landlord shall annually notify Tenant of the amount which Landlord estimates will be the Tax for each tax year within thirty (30) days of receipt by Landlord of a bill for gross receipts tax from Loudoun County, and Tenant shall pay such amount in equal monthly installments in advance on or before the first day of each of the twelve (12) months after the date of such notice. Landlord shall annually submit to Tenant a statement showing Tenant's pro rata share of the actual Tax for the current tax year, the amount thereof theretofore paid by Tenant, and the amount of the resulting balance due thereon or overpayment thereof. Such balance due shall be paid by Tenant, without interest, within thirty (30) days after the date of such statement. Official tax bills rendered by the taxing authority shall be presumptive evidence of the actual amount of Tax. Tenant shall have the right to audit Landlord's records pertaining to such Tax in accordance with paragraph 11 below.

(f) Tenant does hereby take and hold the Premises at the Rent hereinabove specifically reserved and payable as aforesaid, and upon and subject to the terms and conditions herein contained.

(g) Late Payment. If Tenant fails to pay any installment of Rent on or before the first (1st) day of the calendar month when such installment becomes due and payable, and, if on more than one occasion during each twelve (12) month period of the Term Tenant fails to pay such installment within five (5) calendar days after the date Landlord presents notice, then on such second and subsequent occasion during each twelve (12) month period of the Term, Tenant shall pay to Landlord a late charge of five per cent (5%) of the amount of such installment, and, in addition, any unpaid installment shall bear interest at that rate per annum which is two per cent (2%) greater than the "prime rate" then in effect at Morgan Guaranty Trust Company of New York, New York, New York (hereinafter the "Interest Rate"), from the date such installment became due and payable to the date of payment by Tenant provided, however, that nothing herein contained shall be construed or implemented in such a manner as to allow Landlord to charge or receive interest in excess of the maximum legal rate then allowed by law. Such late charge and interest shall constitute Additional Rent hereunder and shall be due and payable with the next monthly installment of Rent. Nothing in this paragraph shall be deemed to be in derogation of Landlord's rights under Paragraph 17.

(h) Additional Rent. With respect to this Lease, Additional Rent shall mean any and all monetary obligations for which Tenant is responsible under the terms, covenants and conditions of this Lease, including but not limited to, Base Rent escalations, taxes, late fees, interest payments, and Operating Costs.

(i) Tenant's Proportionate Share. Landlord and Tenant agree that Tenant's "pro rata share" for purposes of Paragraphs 3(e) and 11 shall be thirty seven and thirty seven one hundredths percent (37.37%), the approximate and agreed upon ratio that the area of the Premises bears to the total rentable area of the Building.

4. INTENTIONALLY OMITTED.

5. USE OF PREMISES.

(a) Tenant may occupy and use the Premises for the preparation of materials used in DNA research, and for research and development and general office and warehousing purposes associated with such preparation, and for no other purpose without the consent of Landlord, subject, however, to the terms and provisions of any covenants, easements, conditions or restrictions which affect the use of the Premises. Tenant shall not permit any unlawful occupation, business or trade to be conducted on any of the Premises or any use to be made thereof contrary to applicable laws or regulations. Tenant shall not use or occupy or permit any of the Premises to be used or occupied, nor do or permit anything to be done in or on any of the Premises, in a manner which would (i) violate any certificate of occupancy affecting any of the Premises, (ii) make void or voidable any insurance then in force with respect to any of the Premises, (iii) make it difficult or impossible to obtain fire or other insurance which is required hereunder, or cause the cost of maintaining such insurance to increase, (iv) cause structural damage to the Building, or (v) constitute a public or private nuisance or waste.

(b) As part of its obligation to comply with laws and other requirements under Paragraph 5(a) of this Lease, Tenant shall not (either with or without negligence) generate, use, store, or cause or permit the escape, disposal or release of any Hazardous Materials in or about the Building or the Property or the Premises, except in strict accordance with applicable laws. Hazardous Materials shall mean (a) "hazardous wastes", as defined by the Resource Conservation

and Recovery Act of 1976, as amended from time to time, (b) "hazardous substances", as defined by the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended from time to time, (c) "toxic substances", as defined by the Toxic Substances Control Act, as amended from time to time, (d) "hazardous materials", as defined by the Hazardous Materials Transportation Act, as amended from time to time, (e) any applicable state or local laws and the regulations adopted under these acts, as amended from time to time, (f) oil or other petroleum products whether refined or unrefined, (g) any highly combustible substance and (h) any substance whose presence in Landlord's reasonable judgment could be detrimental to the Building or the Property or the Premises or hazardous to health or the environment. If any lender or governmental agency shall ever require testing to ascertain whether or not there has been any release of Hazardous Materials, then the reasonable costs thereof shall be reimbursed by Tenant to Landlord upon demand as additional charges if such requirement applies to the Premises. In addition, Tenant shall execute affidavits, representations and the like from time to time at Landlord's request concerning Tenant's best knowledge and belief regarding the presence of Hazardous Materials in the Premises. In all events, Tenant shall indemnify and hold Landlord harmless of and from any and all costs and expenses of any nature arising from the release of Hazardous Materials in the Premises occurring while Tenant is in possession, or elsewhere on the Property and any adjacent real estate owned by Landlord, if caused by Tenant or persons acting under Tenant. The within covenants shall survive the expiration or earlier termination of the Lease.

(c) If Tenant fails to comply with any applicable law or regulation or if Landlord reasonably believes the violation of any law or regulation is threatened, Landlord shall have the right (but not the obligation) following thirty (30) days written notice to Tenant unless Tenant commences to act during or prior to such period, and diligently pursues the cure of such failure to comply (unless such failure or threatened failure causes imminent threat to life or property in which case no notice is required), to act in place of Tenant and to take such action as it may deem necessary or desirable to ensure compliance or to mitigate, abate or correct the violation or threatened violation. All reasonable costs of any kind whatsoever incurred by Landlord in connection therewith, including consultants' and reasonable attorneys' fees, shall be payable on demand, shall bear interest at the default rate until paid, and shall constitute additional rent.

(d) Tenant shall indemnify, defend and hold Landlord harmless from and against any and all claims, losses, damages, liabilities, cost and expenses, including attorneys' fees, arising from Tenant's failure to comply with all applicable laws and regulations. The foregoing provisions shall survive the expiration or earlier termination of this Lease.

#### 6. OPTION TO EXTEND TERM.

(a) Renewal Period. Provided that (i) this Lease is then in full force and effect, and (ii) no material adverse change in Tenant's financial condition has occurred, and (iii) Tenant shall not, within the two (2) year period preceding the first day on which Tenant may issue a Notice of Renewal in accordance with the provisions of this Paragraph 6, have either (x) committed more than two monetary defaults as to which Landlord has issued a notice in accordance with the provisions of Paragraph 17 hereof, or (y) committed more than two non-monetary defaults as to which Landlord issued a notice in accordance with the provisions of Paragraph 17 hereof, and (iv) Tenant shall not then be in default, and shall not default in the performance of any of its obligations under this Lease at any time between the date of issuance of the Notice of Renewal contemplated by Paragraph 6(b) below and the expiration of the initial lease Term, Tenant shall have the option to renew this Lease for one (1) additional three (3) year term, with the Base Rent in such renewal period, being equal to the previous year's Base Rent, increased by five per cent (5%).

(b) Notice Required. Tenant shall give Landlord written notice of its intent to exercise its option to extend the Lease Term ("Notice of Renewal") at Least Two Hundred Forty (240) days, but no more than Three Hundred Sixty (360) days, prior to the end of the initial Term, time being of the essence. Should Landlord fail to receive a Notice of Renewal within the aforementioned notice period, time being of the essence, then Tenant's renewal option shall expire without action by either party and Landlord shall not need to advise Tenant in writing of Tenant's neglect in reference to the notice period.

#### 7. INTENTIONALLY OMITTED.

#### 8. TENANT IMPROVEMENTS.

The respective rights and obligations of the parties with respect to the design and construction of the Tenant Work are set forth in the Work Letter attached hereto as Exhibit E hereto.

#### 9. INTENTIONALLY OMITTED.

#### 10. SECURITY DEPOSIT.

(a) Contemporaneously with the execution of this Lease, the sum of Seventy Five Thousand Dollars (\$75,000.00) shall be delivered to Landlord as a Security Deposit (the "Security Deposit") pursuant to this Lease, as security for the payment and performance by Tenant of all Tenant's obligations, covenants, conditions and agreements under this Lease. The Security Deposit may, at Tenant's election, be posted either in cash, or in the form of a letter of credit ("Letter of Credit") in accordance with the provisions of paragraph 10 (b) below. If the Security Deposit is in the form of cash, it shall bear interest at Crestar Bank's passbook rate in effect as of the date of execution of this Lease, which interest shall be added to and shall become part of the Security Deposit, subject to disposition as provided herein. Upon the expiration of the Term hereof, or any extension or renewal thereof, Landlord shall, if Tenant is not in default, return such Security Deposit to Tenant, less such portion thereof as Landlord shall have appropriated as provided herein to make good any default by Tenant with respect to Tenant's obligations within sixty (60) days after such expiration. If Tenant shall default in the performance of any of its obligations under this Lease, Landlord shall have the right, but not the obligation, to apply the

portion of the Security Deposit reasonably required to remedy such default, in which event Tenant shall promptly deposit with Landlord the amount necessary to restore the Security Deposit to its original amount. In the case of a non-monetary default, Landlord may exercise such right only after providing Tenant with notice of default and opportunity to cure to the extent and in the manner required under other provisions of this Lease. The Security Deposit shall not be deemed liquidated damages, and Landlord's application of said Security Deposit to reduce its damages shall not preclude recovery from Tenant of any additional damages incurred by Landlord. If the Landlord sells or transfers its interest in the Building, Landlord shall transfer the Security Deposit, and, provided that Landlord has, in fact, done so, the Landlord shall be released from all liability to Tenant for the return of such Security Deposit.

(b) Any Letter of Credit tendered as and for the Security Deposit shall be (i) unconditional; (ii) irrevocable; (iii) issued by a financial institution reasonably approved by Landlord in Landlord's reasonable discretion; (iv) in a form permitting partial and multiple drawings; (v) for either multiple terms of one (1) year each in duration, renewed at least sixty (60) days prior to the expiration thereof, the entire term extending until the date which is ninety (90) days after the expiration of the Lease Term, as such Lease Term may be extended pursuant to the provisions of the Lease, or at Tenant's option for a single term extending until the date which is ninety (90) days after the expiration of the Lease Term, as such Lease Term may be extended pursuant to the provisions of the Lease; and (vi) be in a form and substance acceptable to the Landlord, in its reasonable discretion. Tenant shall provide Landlord with a replacement Letter of Credit at least sixty (60) days prior to the expiration of the immediately preceding Letter of Credit. If a partial drawing occurs under the Letter of Credit, the Tenant shall, upon demand but not more than five (5) days after such partial drawing, cause the financial institution to reissue the Letter of Credit in the amount then currently required under the terms of this Lease. Notwithstanding the foregoing, the Landlord shall be entitled to draw down on the Letter of Credit, without any notice, at any time on or after the earlier of (i) the occurrence of an Event of Default by Tenant under this Lease; or (ii) the thirtieth (30th) day preceding the expiration date of the Letter of Credit in the event Tenant is required to and fails to timely replace the Letter of Credit. Landlord shall provide Tenant with written notice of any draws made on the Letter of Credit.

(c) Subject to the conditions set forth below, the Security Deposit shall be reduced (i) at the end of the twenty-fourth full calendar month of the Lease Term to Sixty Thousand Dollars (\$60,000.00); (ii) at the end of the forty-eighth full calendar month of the Lease Term to Forty Thousand Dollars (\$40,000.00); and (iii) at the end of the sixtieth (60th) full calendar month of the Lease Term to Twenty Thousand Dollars (\$20,000.00), where it shall remain for the balance of the Lease Term, as such Lease Term may be extended pursuant to the provisions of this Lease. If the Security Deposit is in the form of a Letter of Credit, the Letter of Credit may be replaced by a new Letter of Credit or cash in the amount of the reduced Security Deposit; however, any replacement Letter of Credit shall otherwise be in accordance Paragraph 10 (b) hereof. No reduction of the Security Deposit as provided herein shall occur unless as of the date set forth for each reduction: (x) this Lease shall be in full force and effect, (y) there shall have been no material adverse change in Tenant's financial condition between the date of execution of this Lease and the date set forth for such reduction, and (z) Tenant shall not have committed more than two monetary defaults as to which Landlord has issued a notice in accordance with the provisions of Paragraph 17 hereof, nor committed more than two non-monetary defaults as to which Landlord has issued a notice in accordance with the provisions of Paragraph 17 hereof, in the two year period preceding the scheduled reduction. Should the Security Deposit not be reduced as a result of Tenant's failure to satisfy the conditions set forth in (z) above, but should all such conditions be satisfied as of the next scheduled reduction in the Security Deposit as provided herein, the Security Deposit shall then be reduced to the amount set forth in accordance with the schedule, despite the fact that there was no interim reduction. By way of example, should the Security Deposit not be reduced at the end of the twenty-fourth full calendar month of the Lease Term due to Tenant's failure to satisfy the conditions set forth in (z) above, the Security Deposit shall remain at Seventy Five Thousand Dollars (\$75,000.00) between the twenty-fourth and forty-eighth full calendar months of the Term; provided Tenant satisfies the conditions set forth in (z) above between the twenty-fourth and forty-eighth full calendar months of the Lease Term, and should the conditions set forth in (x) and (y) above both be satisfied, at the end of the forty eighth full calendar month, the Security Deposit shall be reduced to Forty Thousand Dollars (\$40,000.00).

11. OPERATING COSTS. Tenant shall pay as Additional Rent its pro rata share of Operating Costs of the Building and Property. The projected preliminary estimated calendar year 1997 Operating Costs for the Premises are \$1.45 per rentable square foot of the Premises. This amount shall be adjusted on an annual basis in accordance with the procedures outlined below.

(a) Definition. As used herein, the term "Operating Costs" means (except as specifically excluded below) the actual costs incurred in owning, operating and maintaining the Building and Property during each year of the Lease Term. Such operation and maintenance costs shall include, by way of example rather than of limitation, (i) real property, county, and other similar taxes or assessments, including but not limited to any special assessments, levied against any or all of the Building and Property; (ii) charges or fees for, and taxes on, the furnishing of water, sewer service, gas, fuel, electricity or other utility services to the Premises and common areas of the Building and Property; (iii) costs of providing trash removal service, landscaping service, snow removal service, and of maintaining grounds, common areas of the Building and adjacent parking and mechanical systems of the Building; (iv) all other reasonable costs of maintaining, repairing or replacing any or all of the Building, except (a) costs for repairs, maintenance and replacements required due to defective materials, installations or workmanship at the time of initial construction of the Building and Property and expenses incurred in connection with the enforcement of any warranty rights in connection therewith, or (b) costs to repair the roof, foundation, interior load bearing partitions, exterior walls and window systems, except to the extent any such structural repair is required due to Tenant's negligence or willful misconduct; (v) charges or fees for any necessary governmental permits; (vi) customary and reasonable management fees under a management agreement (not to exceed four per cent (4%) of gross rents collected in respect of the Building), and related overhead and expenses; (vii) premiums for hazard, liability, workmen's compensation or similar insurance upon any or all of the Building and Property as maintained by Landlord under Paragraph 20; (viii) costs arising under service contracts with independent contractors for servicing, maintenance and repair of building equipment and systems; and (ix) the cost of any other items which, under generally accepted accounting principles consistently applied

from year to year with respect to the Building and Property, constitute operating or maintenance costs attributable to any or all of the Premises. If the Building is less than ninety five per cent (95%) occupied, Operating Costs shall include all additional costs and expenses of operation, maintenance which Landlord determines that it would have paid or incurred if the Building had been ninety five per cent (95%) occupied. Landlord and its agents reserve the right to enter onto the Premises at reasonable times upon reasonable notice from Landlord or its agent and accompanied by a representative of Tenant, excepting emergency, for the specific purpose of managing and maintaining the Premises. Landlord agrees that it shall make no profit from its collection of Operating Costs.

(b) Notwithstanding anything to the contrary herein, Operating Costs shall not include (i) any costs (including payments of principal and interest under any mortgage and any ground rental payments) associated with the initial construction of the Building, (ii) costs of development of the Property or the Premises, (iii) costs of painting or decorating areas of the Building other than common and public areas, and exterior elements (iv) brokerage commissions, legal fees, construction costs and concessions or inducements to any tenant in connection with leasing premises in the Building, and advertising expenses in connection with the leasing of the Building, (v) legal fees relating to tenant leases, financings of the Building, and zoning and land-use issues and violations by Landlord under tenant leases, (vi) salaries and other compensation paid to officers or executives of Landlord or any partner, principal or owner of the entity comprising Landlord, (vii) fees or charges paid to any party affiliated with Landlord on account of the provision by such entity of goods or services constituting Operating Costs of the Building to the extent such fees or charges exceed the fees or charges that would have been incurred to an independent entity in an arm's length transaction, (viii) any expenses reimbursable by any tenant of the Building, insurance company or condemning authority, or actually reimbursed by any other source, (ix) charges for heating and air conditioning service furnished to other tenants of the Building during other than normal business hours as determined by Landlord, (x) advertising and marketing costs, (xi) Landlord's income taxes, (xii) repairs or other work occasioned by fire or other casualty of an insurable nature, but only to the extent of any recovery actually received by Landlord, (xiii) costs of any capital improvements made to the Building or the Premises (except to the extent that such improvements are either: (x) in the nature of repairs which under generally accepted accounting principles should be classified as capital improvements, (y) for the purpose of reducing Operating Costs, or (z) which are required under any governmental law or regulation that was not applicable to the Project as of the Date of Lease (which are not a result of the nature of Tenant's specific use of the Premises, which capital improvements shall be the responsibility of Tenant), in which cases the cost of such improvements which shall be amortized on a straight-line basis over the improvement's useful life, not to exceed the useful life of the Building, together with interest on the unamortized balance of such cost at the Interest Rate, or such higher rate as may have been paid by Landlord on funds borrowed for the purposes of constructing such capital improvements), and (xiv) costs arising from Landlord's civic activities or charitable or political contributions, all of which costs are the responsibility of the Landlord except where agreed to otherwise by the parties in writing.

(c) In order to provide for current payments, a statement of Landlord's estimate of expenses as initially set forth in Paragraph 11 (a) above, together with the amount of Tenant's Additional Monthly Rent resulting therefrom, shall be submitted by Landlord to Tenant prior to the beginning of each calendar year or part thereof during the Term. Tenant shall pay monthly, one-twelfth (1/12th) of Tenant's pro rata share of Landlord's estimate of Operating Costs. Further, from time to time during any calendar year, Landlord may submit to Tenant a revised statement of Landlord's estimate of Tenant's pro rata share of any Operating Costs and within thirty (30) days after delivery of such statement (including any statement delivered after the expiration or termination of this Lease), Tenant shall pay to Landlord, as Additional Monthly Rent an amount equal to one-twelfth (1/12th) of the revised amount so estimated. After the end of each fiscal year, Landlord will, as soon as practical, but in no event later than twelve (12) months after the end of each fiscal year, submit to Tenant a statement of the actual expenses, incurred for Operating Costs for the preceding fiscal year. Such statement shall also indicate the amount of Tenant's excess payment or underpayment based on the Landlord's estimate. Notwithstanding any other provision of this Lease, Tenant shall not be responsible for the payment of any Operating Expenses which are not reflected in a statement of actual expenses issued to Tenant within twelve (12) months of the end of the fiscal year in which such expenses were incurred.

If Additional Rent paid by Tenant during the preceding calendar year shall be in excess of, or less than its share of the actual expenses incurred by Landlord for Operating Costs for that year, Landlord and Tenant agree to make the appropriate adjustment following the submission of Landlord's statement by Tenant paying any Additional Rent due with the installment of rent due for the month following submission of Landlord's statement, or Tenant deducting its excess payment from the installment of rent for such month.

During the final year of the Lease Term if Tenant overpays its portion of Operating Costs, said over payment amount shall be returned by Landlord within thirty (30) days of termination provided no event of default has occurred or is occurring.

Within sixty (60) days after the receipt of Landlord's statement showing actual figures for the year, Tenant shall have the right to request copies of a statement of "Operating Costs of the Building" prepared by the Landlord on an accrual basis, in accordance with a method of accounting consistently applied from year to year, which shall be supplied to the Tenant within a reasonable time after Tenant's written request, but no such request shall extend the time for payment as set forth in the preceding Paragraph. Unless Tenant asserts specific error(s) within thirty (30) days after Landlord has complied with Tenant's request, the statement submitted by Landlord shall be deemed to be correct. Provided Tenant timely asserts such specific errors, and is current in its obligations to Landlord for the payment of all sums due to Landlord as Rent under this Lease, and there is no existing Event of Default under the Lease, Tenant shall have the right, exercisable no more than once per Lease Year, to cause Landlord's books and records showing Taxes and Operating Expenses for the prior Lease Year to be examined by a Certified Public Accountant, engaged by Tenant, upon no less than

thirty (30) days prior written notice and during normal business hours at any time within one hundred and eighty (180) days following the expiration of the prior Lease Year. No such Certified Public Accountant may be engaged on a contingent fee basis. Such examination shall, at Landlord's option, occur at the offices of the Landlord's management agent, and shall not take more than thirty (30) days to complete. Any information obtained by Tenant from such examination will be treated as confidential unless and until such information has been publicly disclosed by Landlord; provided, however, that nothing herein contained shall limit or impair the right or obligation of Tenant to disclose such information when required to do so by law or to appropriate regulatory authorities having jurisdiction over its affairs, or to use the same in connection with the enforcement of the terms and conditions of the Lease. As a condition of such examination, Landlord may require any party reviewing or having access to Landlord's records to execute and deliver to Landlord a confidentiality agreement substantially in the form attached hereto as Exhibit D. In the event that such examination reveals that Operating Expenses or Taxes for any Lease Year have been overstated, Landlord shall afford a credit to Tenant against the next monthly payments of estimated Operating Costs due as contemplated by this Paragraph 12(c) for any overpayments previously made by Tenant; similarly, if such examination reveals that Operating Expenses or Taxes for any Lease Year have been understated, Tenant shall pay to Landlord, within thirty (30) days of completion of such examination, the amount by which Operating Expenses have been understated. If such examination reveals that Operating Expenses for any Lease Year have been overstated by ten percent (10%) or more, Landlord shall reimburse Tenant for the reasonable costs of such examination within thirty (30) days of presentation of a proper invoice therefor.

11.1 COSTS OF OPERATING THE PREMISES. In addition to the Rent and Additional Rent provided elsewhere herein, Tenant shall be responsible for making direct payment of all costs incurred in operating the Premises to the parties providing service to the Premises, including without limitation, gas, electricity and telephone service, as well as trash removal and janitorial services. Costs of water and sewer service shall be included as a component of Operating Expenses, to be borne by Tenant as provided in Paragraph 10 above. Tenant shall at all times maintain the Premises in a neat and clean manner, and shall place all trash in its dumpster. Tenant shall, at its sole cost and expense, arrange for the placement of a dumpster for the disposal of Tenant's trash in a location designated by Landlord, which location shall be in the general vicinity of Tenant's loading dock; Tenant shall not place a dumpster in any location other than as designated by Landlord; no additional rent shall be charged to Tenant for the placement of such dumpster.

## 12. ASSIGNMENT AND SUBLETTING.

(a) Tenant shall not assign this Lease or any of Tenant's rights or obligations hereunder, or sublet or permit anyone to occupy the Premises or any part thereof, without (i) the prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. No assignment or transfer of this Lease may be effected by operation of law or otherwise without Landlord's prior written consent. Any assignment, subletting or occupancy, Landlord's consent thereto or Landlord's collection or acceptance of rent from any assignee, subtenant or occupant, shall not be construed as a waiver or release of Tenant from liability hereunder (if being understood that Tenant shall at all times remain primarily liable as a principal and not as a guarantor or a surety) and shall not be construed as relieving Tenant or any assignee, subtenant or occupant from the obligation of obtaining Landlord's prior written consent to any subsequent assignment, subletting or occupancy. Tenant assigns to Landlord any sum due from any assignee, subtenant or occupant of Tenant as security for Tenant's performance of its obligations pursuant to this Lease. Tenant authorizes each such assignee, subtenant or occupant to pay such sum directly to Landlord if such assignee, subtenant or occupant receives written notice from Landlord specifying that such rent shall be paid directly to Landlord. Landlord's collection of such rent shall not be construed as an acceptance of such assignee, subtenant or occupant as a tenant nor a waiver of any default hereunder by Tenant. All restrictions and obligations imposed pursuant to this Lease on Tenant or the use and occupancy of the Premises shall be deemed to extend to any subtenant, assignee or occupant of Tenant, and Tenant shall cause such persons to comply with all such restrictions and obligations. Tenant shall not mortgage or hypothecate this Lease without Landlord's written consent, which consent may be granted or withheld in Landlord's sole and absolute discretion. Tenant shall pay the expenses (including attorney's fees and hourly fees for Landlord's employees and agents) incurred by Landlord in connection with reviewing Tenant's request for Landlord to give its consent to any assignment, subletting, occupancy or mortgage, and Landlord's receipt of reimbursement for such expenses from Tenant (not to exceed five hundred dollars (\$500.00)) shall be a condition to Landlord providing its consent to such assignment, subletting, occupancy or mortgage.

(b) If Tenant is a partnership, then any dissolution of Tenant or a withdrawal or change, whether voluntary, involuntary, or by operation of law, of partners owning a controlling interest in Tenant shall be deemed a voluntary assignment of this Lease. If Tenant is a Corporation or a partnership with a corporate general partner, then any dissolution, merger, consolidation or other reorganization of Tenant (or such corporate general partner), or any sale or transfer of a controlling interest of its capital stock, shall be deemed a voluntary assignment of this Lease. Whether Tenant is a partnership, corporation or any other type of entity, then at the option of Landlord, a sale of all or substantially all of its assets or a change in its name shall also be deemed a voluntary assignment of this Lease.

(c) If Tenant wants to assign, sublet or otherwise transfer all or part of the Premises or this Lease, then Tenant shall give Landlord written notice ("Tenant's Request Notice") of the identity of the proposed assignee or subtenant and its business, all terms of the proposed assignment or subletting, the commencement date of the proposed assignment or subletting (the "Proposed Sublease Commencement Date"), the area proposed to be assigned or sublet (the "Proposed Sublet Space") and such other information as Landlord may reasonably request. Tenant shall also transmit therewith the most recent financial statement or other evidence of financial responsibility of such assignee or subtenant and a certification executed by Tenant and such proposed assignee or subtenant stating whether any premium or other consideration is being paid for the proposed assignment or sublease.

(d) If Tenant proposes to assign this Lease, Landlord may, at its option, upon written notice to Tenant given within thirty (30) days after its receipt of Tenant's notice of proposed assignment, together with all other necessary

information, elect to recapture the Premises and terminate this Lease. If Tenant proposes to sublease all or part of the Premises for the remainder of the Term, or for a portion of the Term ending within the last twelve (12) months thereof, Landlord may, at its option upon written notice to Tenant given within thirty (30) days after its receipt of Tenant's notice of proposed subletting, together with all other necessary information, elect to recapture such portion of the Premises as Tenant proposes to sublease and upon such election by Landlord, this Lease shall terminate as to the portion of the Premises recaptured. If a portion of the Premises is recaptured, the Rent payable under this Lease, and, if the area recaptured constitutes more than fifty percent (50%) of the Rentable Square Feet of the Premises prior to such recapture, the Security Deposit, shall be proportionately reduced based on the square footage of the Rentable Square Feet retained by Tenant and the square footage of the Rentable Square Feet leased by Tenant immediately prior to such recapture and termination, and Landlord and Tenant shall thereupon execute an amendment to this Lease in accordance therewith. Landlord may thereafter, without limitation, lease the recaptured portion of the Premises to the proposed assignee or subtenant without liability to Tenant. Upon any such termination, Landlord and Tenant shall have no further obligations or liabilities to each other under this Lease with respect to the recaptured portion of the Premises, except with respect to obligations or liabilities which accrue or have accrued hereunder as of the date of such termination (in the same manner as if the date of such termination were the date originally fixed for the expiration of the Term hereof). No reduction in the Security Deposit as a result of the recapture of an area of the Premises shall occur until sixty (60) days following the recovery by Landlord of possession of the portion of the Premises recaptured, and prior to any such reduction, Landlord shall have the right to deduct from the Security Deposit the amount the damages, if any, sustained by Landlord as a result of the failure to Tenant to deliver possession of the portion of the Premises recaptured in the condition required by Paragraph 26 of this Lease, as if the date of recapture were the date of the expiration of the Lease Term.

(e) If any sublease, assignment or other transfer (whether by operation of law or otherwise) provides that the subtenant, assignee or other transferee (or any affiliate thereof) is to pay any amount in excess of the rent and other charges due under this Lease, then, whether such excess be in the form of an increased rental, lump sum payment, payment for the sale or lease of fixtures or other leasehold improvements or any other form (and if the applicable space does not constitute the entire Premises, the amount and existence of such excess shall be determined on a pro rata basis), Tenant shall pay to Landlord fifty percent (50%) of any such excess upon such terms as shall be specified by Landlord and in no event later than ten (10) days after Tenant's receipt thereof. Tenant shall in all events diligently pursue the collection of all amounts owed by any subtenant, assignee or other transferee. Landlord shall have the right to inspect and audit Tenant's books and records relating to any sublease, assignment or other transfer. Any sublease, assignment or other transfer shall be effective on forms supplied or approved by Landlord.

(f) Notwithstanding anything in this Paragraph 12 to the contrary, provided (i) this Lease shall be in full force and effect, and (ii) Tenant shall not, within the two (2) year period preceding the preceding the assignment or subletting contemplated hereby, have either (x) committed more than two monetary defaults as to which Landlord has issued a notice in accordance with the provisions of Paragraph 17 hereof, or (y) committed more than two non-monetary defaults as to which Landlord issued a notice in accordance with the provisions of Paragraph 17 hereof, Tenant may, without Landlord's consent, but after providing written notice to Landlord, assign this Lease or sublet all or any portion of the Premises to any Related Entity (as hereinafter defined) provided that (u) in the event of an assignment, such Related Entity assumes in full all of Tenant's obligations under this Lease; (v) Landlord is provided with a counterpart of the fully executed agreement of assignment or sublease; (w) Tenant remains liable under the terms of this Lease; (x) such Related Entity is not a governmental entity or agency; (y) such Related Entity's use of the Premises is the substantially the same as that of Tenant, or is otherwise consistent with the provisions of Paragraph 5(a) hereof; and (z) such Related Entity does not require additional services other than those agreed to be provided by Landlord under the terms of this Lease. "Related Entity" shall be defined as any parent company, subsidiary, affiliate or related corporate entity of Tenant, which controls, is controlled by, or is under common control with Tenant, or which acquires substantially all of the assets of Tenant, and which Related Entity has a net worth equal to or greater than that of Tenant as of the date of the execution of this Lease.

13. CASUALTY DAMAGE. In the event of damage or destruction of the Premises by fire or any other casualty, this Lease shall not be terminated, but the Premises shall be promptly and fully repaired or restored, as the case may be, to substantially the same condition as existed prior to such fire or other casualty, by Landlord at its own cost and expense in an amount not to exceed the amount of insurance proceeds available. Due allowance, however, shall be given for reasonable time required for adjustment and settlement of insurance claims, and for such other delays as may result from government restrictions, and controls on construction, if any, and for strikes, national emergencies and other conditions beyond the control of Landlord. It is agreed that in any of the aforesaid events, this Lease shall continue in full force and effect, but if the condition is such so as to make the entire Premises untenable for practical use for Tenant's purposes, then the Rent which Tenant is obligated to pay hereunder shall abate as of the date of the occurrence until the Premises have been fully and completely restored by Landlord. Any unpaid or prepaid Rent for the month in which said condition occurs shall be prorated. If the Premises are partially damaged or destroyed but the Tenant can still make practical use of the balance of the Premises; then during the period that Tenant is deprived of the use of the damaged portion of said Premises, Tenant shall be required to pay Rent covering only that part of the Premises that it is able to occupy, based on that portion of total rent which the amount of square foot area remaining that can be occupied bears to the total square foot area of all the Premises covered by this Lease. In the event that twenty five per cent (25%) or more of the Premises are damaged or destroyed by fire or other casualty so as to be untenable for practical use for Tenant's purposes and it shall require more than one hundred eighty (180) days for Landlord to substantially complete restoration of same as reasonably concurred on by Tenant, then either party hereto upon written notice delivered within thirty (30) days of the fire or other casualty to the other party may terminate this Lease, in which case the Rent shall be apportioned and paid to the date of said fire or other casualty. Subject to the foregoing, no compensation, or claim, or diminution of Rent will be allowed or paid, by Landlord, by reason of consequential damages, inconvenience, annoyance, or injury to business, arising from the necessity of repairing the Premises or any portion of the Building of which they are a part, however the necessity may occur.

#### 14. MAINTENANCE AND REPAIRS:

(a) Subject to Tenant's responsibilities set forth in Paragraph 14 (d), Landlord shall keep the Building and all machinery, equipment and fixtures attached to, or used in connection with the operation of the Building, including all electrical, heating, mechanical, sanitary, sprinkler, utility, power, plumbing, cleaning, refrigeration, ventilating, air conditioning and elevator systems and equipment (excluding, however, lines, improvements, systems and machinery for water, gas, steam and electricity owned and maintained by any public utility company or governmental agency or body and excluding also any of Tenant's property) in good order and repair, consistent with similar properties in the Sterling, Virginia area. Landlord reserves the right of access to the Premises for the purposes of such operation, cleaning, maintenance, safety, security and repairs, and agrees that it shall use reasonable efforts (except in the case of emergency) to provide reasonable advance notice to Tenant of its intent to enter the Premises for such purposes. The cost for maintaining the Building and Premises in good order and repair as contemplated by this paragraph 14 (a) shall be an Operating Cost for purposes of paragraph 11 hereof. There shall be no abatement in rents due and payable hereunder and no liability on the part of Landlord by reason of any inconvenience, annoyance or disruption arising from Landlord's making reasonable repairs, additions or improvements to the Building or Premises in accordance with its obligations hereunder. Notwithstanding the above, if, pursuant to this Lease, Landlord performs any work or interrupts any service that Landlord is required to supply, Landlord agrees to cooperate with the reasonable requests of Tenant to perform such work, or to schedule such service interruption, as the case may be, in a manner designed to minimize, to the extent practicable, any interference with Tenant's business, provided Tenant's requests do not increase the cost to Landlord of performing such work (unless Tenant agrees in writing prior to the commencement of such work to reimburse Landlord for any such additional costs). Notwithstanding the foregoing, if Landlord's performance of its work in the demised premises, or interruption of services, as the case may be, during regular business hours results in a material interruption in Tenant's business operations in a material portion of the Premises and requires Tenant to cease its business operations in the affected portion of the Premises for more than five (5) consecutive business days, then unless Landlord performs such work or interrupts such service at other than regular business hours without charge to Tenant, the Rent shall be abated pro rata based on the area so affected for each business day in excess of five (5) consecutive business days that such cessation shall continue. Except to the extent expressly permitted by this Lease, Tenant will not do or permit anything to be done in the Premises or the Building of which they form a part or bring or keep anything therein which shall in any way increase the rate of fire or other insurance for said Building, or on the property kept therein, or obstruct, or interfere with the rights of other tenants, or in any way injure or annoy them, or those having business with them, or conflict with them or conflict with the fire laws or regulations, or with any insurance policy upon said Building or any part thereof, or with any statutes, rules or regulations enacted or established by the appropriate governmental authority. If any increase in the rate of fire insurance or other insurance is stated by any insurance company or by any insurance rate bureau due to any activity or equipment of Tenant, such statement shall be conclusive evidence that the increase in such rate is caused by such activity or equipment, and Tenant shall be liable for such increase and shall reimburse Landlord therefor upon demand, and any such sum shall be considered additional rent payable hereunder. Landlord shall use commercially reasonable efforts to notify Tenant of any such increase in rates occurring as a result of Tenant's activities, in order that Tenant might consider modifying or discontinuing such activities so as to avoid, reduce, or reverse such increase.

In the event Landlord elects to make substantial improvements or additions to the Building, Property or Premises, such improvements or additions shall not adversely affect Tenant's use of or access to the Premises unless Landlord has obtained the prior written consent of Tenant, which consent shall not be unreasonably withheld, to make such improvements or additions which affect Tenant's Premises in an adverse manner. Landlord shall be free to make improvements or additions to the Building, Property or Premises which do not have an adverse effect on Tenant's use of or access to the Premises.

(b) After substantial completion of Building or Premises, except as hereinafter expressly set forth Tenant will not make any alterations, installments, changes, replacements, additions or improvements, collectively "Alterations", in or to the Premises or any part thereof, without the prior written consent of Landlord, not to be unreasonably withheld or delayed. If Landlord affords its consent to such Alterations, Landlord shall elect, at the time it affords its consent, whether Tenant shall be required to remove such Alterations and restore the Premises to their original condition upon the expiration of the Term, and said written consent shall include Landlord's election. It is expressly understood that all Alterations shall be performed in a good and workmanlike manner and shall conform to all rules and regulations established from time to time by any applicable underwriter's association and conform to all requirements of local, state and federal governments. All Alterations shall be made at Tenant's sole expense, by contractors, or subcontractors reasonably approved by Landlord, and only after (i) Tenant has obtained all necessary permits from governmental authorities and (ii) Tenant has submitted complete plans and specifications to Landlord with respect to the Alterations and Landlord has approved them, which approval shall not be unreasonably withheld, conditioned or delayed. If any mechanic's lien is filed against the Premises or the Building for work or materials furnished to Tenant, the lien shall be discharged or bonded off by Tenant, solely at Tenant's expense, within thirty (30) days after Tenant receives notice thereof. Tenant shall indemnify and hold harmless Landlord from any and all expenses (including attorney's fees), liens and claims or damage to persons, property, or the Building which may arise from the making of any Alterations. Tenant will deliver to Landlord a complete set of "as-built" plans showing the approved Alterations. Notwithstanding anything contained herein, ordinary and typical office decorations, painting and carpeting shall not be included within the definition of "Alterations" which require Landlord's prior approval.

It is also expressly understood that all Alterations upon the Premises (whether with or without Landlord's consent), shall at the election of Landlord, as provided in the written consent required herein above, remain upon the Premises and be surrendered with the Premises at the expiration of this Lease without disturbance, molestation or injury. Notwithstanding the foregoing, provided (i) this Lease is in full force and effect, and (ii) that Tenant shall not then be in default in the performance of any obligation under this Lease, Tenant shall have the right to remove, prior to the expiration

or termination of this Lease, all movable furniture, fixtures or equipment installed in the Premises solely at Tenant's expense. Should Landlord elect that alterations, installments, changes, replacements, additions to or improvements made by Tenant are not to remain on the Premises, Tenant hereby agrees that within five (5) days following the expiration of the term of this Lease, Landlord shall have the right to cause same to be removed at Tenant's sole cost and expense. Tenant hereby agrees to reimburse Landlord for the reasonable cost of such removal together with the cost of restoring the Premises to its original condition.

(c) Tenant shall not install any other equipment of any kind or nature whatsoever which will or may necessitate any changes, replacements or additions to the water supply system, sewer system, the components of the Building Shell as identified in Exhibit B hereto or the electrical system of the Premises without the prior written consent of the Landlord, which consent shall not be unreasonably withheld or delayed. In the event that Tenant wishes to install machinery or mechanical equipment which may cause noise or vibration to be transmitted to the structure of the Building or any space therein, such machinery shall be installed and maintained by Tenant, at Tenant's expense, on vibration eliminators or other devices sufficient to eliminate such noise and vibration. Tenant may, at its expense, install and remove additional equipment and machinery used or useful in Tenant's business, which equipment and machinery shall remain the property of Tenant and shall not become part of the real estate, provided that such installation shall not reduce the value of the Premises or its usefulness. Any equipment of Tenant not removed by Tenant within ten (10) days after the expiration or earlier termination of this Lease shall be considered abandoned by Tenant and may be appropriated, sold, destroyed or otherwise disposed of by Landlord without first giving notice thereof and without obligation to account therefor. Notwithstanding any other provision of this Lease, Tenant may not install any equipment which emits electromagnetic, microwave, ultrasonic, laser, or other radiation at levels which Landlord reasonably determines causes a risk to persons or property, or interferes with telecommunications transmissions or computer use.

(d) Subject to Landlord's obligations to maintain and repair the Premises in accordance with this Paragraph 14, Tenant agrees that it will take good care of the Premises and the fixtures therein and will, at the expiration or other termination of the term hereof, surrender and deliver up the same in like good order and conditions as the same now is or shall be at the commencement of the Term hereof, ordinary wear and tear excepted. Without limiting the generality of the foregoing, Tenant shall promptly make all repairs to the Premises or to any part of the Building, to the extent such repairs are not covered by insurance and if such repairs are necessitated by any act or omission of Tenant, any subtenant, assignee or concessionaire of Tenant, any of its respective agents or employees, or by the failure of Tenant to perform any of its obligations under this Lease.

#### 15. PARKING AND LOADING AREAS.

(a) During the Term of this Lease, and any renewal thereof, Tenant shall have, without charge, the right to utilize thirty one (31) vehicle parking spaces in the Building's parking facilities on a nonexclusive basis with other tenants of the Building, upon such non-financial terms and conditions as may from time to time be established by Landlord. Landlord reserves the right in its absolute discretion to determine whether the parking facilities are becoming crowded and to allocate and assign parking spaces among Tenant and the other tenants, provided that Tenant shall at all times have a right to use its pro rata share of parking spaces within the parking facilities, including the right to a pro rata number of reserved parking spaces, if any. It is understood and agreed that Landlord assumes no responsibility, and shall not be held liable, unless caused by Landlord's negligence, for any damage or loss to any automobiles parked in the parking facilities or to any personal property located therein, or for any injury sustained by any person in or about the parking facilities.

(b) During the Term of this Lease, and any renewal thereof, Tenant shall have, without charge, the right to utilize the paved areas adjacent to the Premises which have been designed and constructed for use as loading docks to serve the Premises and to provide access to the drive in door in the Premises. Landlord shall not be liable to Tenant as a result of any inability of Tenant to access such docks or drive in door due to the parking of vehicles in the vicinity of such loading docks and drive in area, or otherwise. Tenant may, at its sole expense, and subject to the reasonable approval of Landlord as to size, design, color, content and location, post signs on the exterior of the Premises to attempt to restrict parking in the vicinity of such loading docks and drive in area.

16. SIGNAGE. Tenant shall be entitled to install, at its sole expense, one (1) building mounted exterior sign on the side of the Building which faces in the direction of Davis Drive, providing identification of Tenant at Tenant's expense, subject to Landlord's reasonable approval as to location, design, color, lighting, and specifications, and to applicable Loudoun County regulations.

#### 17. EVENT OF DEFAULT.

(a) Definition. As used in the provisions of this Lease, each of the following events shall constitute, and is hereinafter referred to as, an "Event of Default":

(i) If Tenant (1) fails to pay Rent, Additional Rent or any other sum which Tenant is obligated to pay by any provision of this Lease, when and as it is due and payable hereunder and without demand therefor, or (2) in any material respect violates any of the terms, conditions or covenants set forth in the provisions of this Lease; or

(ii) If Tenant (1) applies for or consents to the appointment of a receiver, trustee or liquidator of Tenant or of all or a substantial part of its assets, (2) files a voluntary petition in bankruptcy or admits in writing its inability to pay its debts as they come due, (3) makes an assignment for the benefit of its creditors, (4) files a petition or an answer seeking a reorganization or an arrangement with creditors, or seeks to take advantage of any insolvency law, (5)

performs any other act of bankruptcy, or (6) files an answer admitting the material allegations of a reorganization insolvency proceeding.

(iii) If an order of relief or other order, judgement or decree is entered by any court of competent jurisdiction adjudicating Tenant as insolvent, or otherwise entitled to the protection of or subject to any bankruptcy statute, approving a petition seeking such a reorganization, or appointing a receiver, trustee or liquidator of Tenant or otherwise commence with respect to Tenant or any of its assets any proceeding under any bankruptcy, reorganization, arrangement, insolvency, readjustment, receivership or similar law, and if such order, judgement, decree or proceeding continues unstayed for more than sixty (60) consecutive days after the expiration of any stay thereof.

(b) Notice to Tenant, Grace Period. Anything contained in the provisions of this Paragraph to the contrary, notwithstanding, upon the occurrence of an Event of Default Tenant shall not be deemed to be in default, and Landlord shall not exercise any right or remedy which it holds under any provision of this Lease or under applicable law unless and until:

(i) Landlord has given written notice thereof to Tenant, and

(ii) Tenant has failed, (1) if such Event of Default consists of the failure to pay money, within five (5) calendar days after the date Landlord presents notice to pay all of such money, together with interest thereon and any late payment charge which may be due hereunder of five per cent (5%) levied on all monies due to Landlord as of the Notice of Default in accordance with Paragraph 3(g), or (2) if such Event of Default consists of something other than the failure to pay money, within fifteen (15) business days thereafter to commence actively, diligently and in good faith to proceed to cure such Event of Default and to continue to do so until it is fully cured; provided however, if Tenant commences to cure such default during such fifteen (15) day period, and such default cannot be cured within such period despite diligent effort, Tenant shall be afforded such additional time as may reasonably be required to affect a cure provided that Tenant continues to diligently pursue such cure.

(iii) No such notice shall be required, and Tenant shall be entitled to no such grace period, more than twice with respect to monetary default during each twelve (12) month period of the Term, or (2) if Tenant has substantially terminated or is in the process of substantially terminating its continuous occupancy and use of the Premises for the purpose set forth in the provisions of Paragraph 5, or (3) if any Event of Default enumerated in the provisions of Paragraphs, 17(a)(ii) or 17(a)(iii) has occurred.

(c) Landlord's Rights upon Event of Default. Upon the occurrence of an Event of Default, Landlord, at its option, may terminate this Lease or pursue any and all other remedies available to it under the laws of the Commonwealth of Virginia, including, by way of example rather than of limitation, the rights to

(i) re-enter and repossess the Premises, with lawful force, and any and all improvements thereon and additions thereto;

(ii) immediately recover an amount equal to the present value (as of the date of Tenant's default) of the Base Rent and Additional Rent which would have become due through the date on which the Lease Term would have expired but for Tenant's default, which damages shall be payable to Landlord in a lump sum on demand. For purposes of this Section, present value shall be computed by discounting at a rate equal to one (1) whole per cent point above the "prime rate" then in effect at Morgan Guaranty Trust Company of New York, and collect such balance in any manner not inconsistent with applicable law; and/or

(iii) relet any or all of the Premises for Tenant's account for any or all of the remainder of the Lease Term, or pay to Landlord, any deficiency in the Rent and any other sum which Tenant is obligated to pay resulting, with respect to such remainder, from such reletting, as well as the out-of-pocket cost to Landlord of any reasonable fees relating to reletting of the Premises including but not limited to construction costs, brokerage fees, reasonable attorney's fees or of any repairs or other action (including those taken in exercising Landlord's rights under any provision of this Lease) taken by Landlord on account of such Event of Default.

(d) Right of Landlord to Cure Tenant's Default. If Tenant defaults in the performance of any of its obligations under this Lease, then Landlord shall have the right (but not the duty) to perform such obligation, and Tenant shall reimburse Landlord for any costs and expenses thereby incurred, together with interest thereon at that rate per annum which is two per cent (2%) greater than the "prime rate" then in effect at Morgan Guaranty Trust Company of New York, from the date such costs and expenses are incurred by Landlord to the date of payment thereof by Tenant; provided, however, that nothing herein contained shall be construed or implemented in such a manner as to allow Landlord to charge or receive interest in excess of the maximum legal rate then allowed by law. Such payment and interest shall constitute Additional Rent hereunder, which shall be due and payable with the next monthly installment of Rent; but the making of such payment or the taking of such action by Landlord shall not operate to cure such default or to stop Landlord from the pursuit of any remedy to which Landlord would otherwise be entitled.

(e) Lien on Personal Property. As security for all of Tenant's obligations under this Lease, Tenant hereby grants to Landlord a Uniform Commercial Code Security interest in all of Tenant's tangible and intangible personal property now or hereafter located upon the Premises. Landlord may enforce its security interest pursuant to any applicable law then in effect. Tenant shall, within five (5) days after request, execute any document, including financing statements, required by Landlord to perfect the security interest herein provided. The security interest provided herein shall be in addition to, and not in lieu of, any common law or statutory Landlord lien provided under applicable law, and Landlord's

rights and remedies provided in this section shall be in addition to, and not in lieu of, any other rights and remedies available to Landlord pursuant to the terms of this Lease or pursuant to applicable law. Provided, however, that Landlord's lien (i) shall be subordinate to any purchase money financing for the acquisition of such items as good, wares, equipment, fixtures and furniture used in the ordinary course of business, or to any blanket lien on Tenant's assets granted by Tenant to secure Tenant's obligations for credit extended to Tenant by an institutional lender, and (ii) shall be waived with respect to items leased by Tenant under bona fide leases; Landlord shall execute such documents as Tenant may reasonably request to confirm the subordination and/or waiver of its security interest as provided herein.

(f) No Waiver. If Landlord institutes legal proceedings against Tenant as to any matter under this Lease and a compromise or settlement is made, Landlord shall not be deemed to have waived any rights under this Lease except as explicitly set forth in a written agreement signed by Landlord evidencing such compromise or settlement. No waiver by Landlord of any breach of any covenant, condition, or agreement in this Lease shall operate as a waiver of such covenant or condition itself or of any subsequent breach thereof. No payment by Tenant or receipt by Landlord of a lesser amount than the monthly installments of Rent herein stipulated shall be deemed to be other than a payment on account, nor shall any endorsement or statement on any check or letter accompanying a check for payment of Rent be deemed an accord and satisfaction, and Landlord may accept such check prepayment without prejudice to Landlord's right to recover the balance of such Rent or to pursue any other remedy provided in the Lease. No re-entry by Landlord, and no acceptance by Landlord of keys from Tenant, shall be considered an acceptance of a surrender of the Lease.

18. HOLDING OVER. Tenant acknowledges that it is extremely important that Landlord have substantial advance notice of the date on which Tenant will vacate the Premises, because Landlord will (a) require an extension period to locate a replacement tenant, and (b) plan its entire leasing and renovation program for the Building in reliance on its lease expiration dates. Tenant also acknowledges that if Tenant fails to surrender the Premises at the expiration or earlier termination of the Lease Term, then it will be conclusively presumed that the value to Tenant of remaining in possession, and the loss that will be suffered by Landlord as a result thereof, far exceed the Base Rent and Additional Rent that would have been payable had the Lease Term continued during such holdover period. Therefore, if Tenant (or anyone claiming through Tenant) does not immediately surrender the Premises or any portion thereof upon the expiration or earlier termination of the Lease Term, then the rent shall be increased to equal One Hundred Fifty per cent (150%) of the Base Rent, plus Additional Rent and other sums that would have been payable pursuant to the provisions of this Lease if the Lease Term had continued such holdover period. Such rent shall be computed by Landlord on a monthly basis and shall be payable on the first day of such holdover period and the first day of each calendar month thereafter during such holdover period until the Premises have been vacated. Notwithstanding any other provision of this Lease, Landlord's acceptance of such rent shall not in any manner adversely affect Landlord's other rights and remedies, including Landlord's right to evict Tenant and to recover all damages. Any holdover shall be deemed to be a tenancy-at-sufferance and not a tenancy-at-will or tenancy from month-to-month; provided, however, that Landlord may, in addition to its other remedies, elect, in its sole discretion, to treat such holdover as the creation of a month-to-month tenancy with Tenant. In no event shall any holdover be deemed a permitted extension or renewal of the Lease Term, and nothing contained herein shall be construed to constitute Landlord's consent to any holdover or to give Tenant any right with respect thereto. Except as otherwise specifically provided in this Article, all terms of this Lease shall remain in full force and effect during the holdover period.

19. LANDLORD'S RIGHT OF ENTRY. Landlord and its agents shall be entitled to enter the Premises at any reasonable time, using commercially reasonable efforts to afford no less than twenty four (24) hours prior notice, and to coordinate such entry so as to be accompanied by a representative of Tenant, except in emergency,

- (a) To inspect the Premises;
- (b) To exhibit the Premises to any existing or prospective purchaser or mortgagee thereof or, during the last nine (9) months of the Term, any prospective tenant thereof;
- (c) To make any reasonable and necessary alteration, improvement or repair to the Premises; or
- (d) For any other reasonable purpose relating to the operation or maintenance of the Premises; provided, that Landlord shall (i) give Tenant reasonable prior notice of its intention to enter the Premises, except in the case of emergency, and (ii) use reasonable efforts to avoid thereby interfering any more than is reasonably necessary with Tenant's use and enjoyment thereof.

## 20. LIABILITY, TENANT'S INDEMNITY, INSURANCE.

(a) Landlord shall not be liable for, and Tenant shall indemnify and hold Landlord harmless from and against, any injury, loss or damage of whatever nature to any persons or property arising within the Premises unless caused by the willful or gross negligent act or omission of Landlord, its agents, employees or contractors. Commencing with the date on which the Premises are made available to Tenant and continuing thereafter throughout the Lease Term, Tenant shall maintain, at its sole expense, (i) general comprehensive public liability insurance, including bodily injury, property damage or other loss, insuring Tenant, Landlord, Landlord's Lender, Landlord's Ground Lessor and Landlord's appointed agent with respect to the Premises and their appurtenances, in a company or companies reasonably satisfactory to Landlord, in an amount not less than Three Million Dollars (\$3,000,000), (ii) all-risk property and casualty insurance, including theft, written at replacement cost value and with replacement cost endorsement, covering all of Tenant's personal property in the Premises, and (iii) if, and to the extent required by law, worker's compensation or similar insurance offering statutory coverage and containing statutory limits. Such policies shall be maintained in companies and in form reasonably acceptable to Landlord and will be written as primary policy coverage and not contributing with, or in excess of, any coverage Landlord shall carry. On or before the Commencement Date, Tenant shall deliver to Landlord certificates issued by the insurance

company or companies certifying that insurance in at least the amount set forth above, naming Landlord, Landlord's lender and Ground Lessor as an additional insured, is in full force and effect for one (1) year, and provide for at least thirty (30) days written notice to Landlord.

In addition, Tenant shall require any contractor retained by it to perform any Alteration to carry and maintain at Tenant's or such contractor's expense (and furnish the policy, policies or certificates thereof to Landlord, Landlord's lender and Ground Lessor) during such times as contractor is working in the Premises, (i) comprehensive general liability insurance policy, including, but not limited to, contractor's liability coverage, contractual liability coverage, complete operations coverage, broad form property damage endorsement and contractor's protective liability coverage, to afford protection with limits per person and for each occurrence, of not less than One Million (\$1,000,000), combined single limit, with respect to personal injury and death and property damage, such insurance to provide for no deductible, to name Landlord, Landlord's lender and Ground Lessor as additional insureds and (ii) worker's compensation insurance or similar insurance in form and amounts as required by law.

Landlord shall maintain insurance coverage for the Building, the cost of such insurance shall be an Operating Cost for purposes of paragraph 11 hereof, in such amounts and with such carriers as shall be reasonable and necessary from time to time including (a) fire insurance, with standard extended coverage endorsement including demolition costs, increased costs of construction, and contingent liability from changes in building codes on the Premises, in an amount not less than the full replacement value from time to time of the Premises; (b) flood insurance in an amount Landlord may from time to time reasonably require, if the Premises are located in an area designated as "flood prone" pursuant to the national Flood Insurance Act of 1968 and the Flood Disaster Protection Act; (c) difference-in-conditions coverage (including flood and earthquake to the extent available) to the extent not covered under (a) and (b) above, in an amount Landlord from time to time may reasonably require; (d) rental value insurance in an amount equal to one (1) year gross rent; (e) steam boiler and machinery breakdown direct damage insurance and third-party liability coverage (if applicable and if not covered under the comprehensive general liability policy), with full comprehensive coverage on a repair and replacement cost basis, for all boilers and machinery which form a part of the Premises, including business interruption insurance in connection therewith in accordance with (d) above; and (f) such other insurance as Landlord may require against such other insurable hazards which at the time are customary and prudent under the circumstances.

(b) All damages to the Premises or the Building of which they are a part, caused by Tenant, or the agents, servants, employees and invitees of Tenant, will be repaired by Landlord at the expense of Tenant, to the extent not covered by insurance proceeds, with the right on the part of Landlord to elect in its discretion to regard the same as Additional Rent, in which event such cost or charge shall become Additional Rent payable with the installment of Rent next becoming due or thereafter falling due under the terms of this Lease. This provision shall be construed as an additional remedy granted to Landlord and not in limitation of any other rights and remedies which Landlord has or may have in said circumstances.

(c) All personal property of Tenant in the Premises or in the Building of which the Premises is a part shall be at the sole risk of Tenant. Landlord shall not be liable for any accident to or damage to the property of Tenant resulting from the use or operation of the heating, cooling, electrical or plumbing apparatus or any other cause whatsoever. Landlord shall not be liable in damages, nor shall this Lease be affected, for conditions arising or resulting, and which may affect the Building of which the Premises is a part, due to construction on contiguous premises unless such construction renders the Premises untenantable or practical use for Tenant's purposes.

(d) Landlord assumes no liability or responsibility whatsoever to the conduct and operations of the business to be conducted in the Premises. Landlord shall not be liable for any accident to or injury to any person or persons or property in or about the Premises which are caused by the conduct and operation of said business or by virtue of equipment or property of Tenant in said Premises.

(e) Except to the extent caused by the gross negligence or willful misconduct of Landlord, its agents or employees, Landlord shall have no liability to Tenant, its employees, agents, invitees, licensees, customers, clients, family members or guests for any damage, compensation or claim arising from the necessity of repairing any portion of the Premises or the Building, any interruption in the use of the Premises, accident or damage resulting from the use or operation (by Landlord, Tenant or any other person) of heating, cooling, electrical or plumbing equipment or apparatus, or from untenantability of the Premises resulting from fire or other casualty subject to Paragraph 13, or from any robbery, theft, mysterious disappearance and/or any other casualty, or from any leakage in any part or portion of the Premises or the Building, or from water, rain or snow that may leak into or flow from any part of the Premises, or from drains, pipes or plumbing work in the Building, or from any other cause whatsoever. Any goods, property or personal effects, stored or placed by Tenant in or about the Premises shall be at the risk of Tenant, and Landlord shall not in any manner be held responsible therefor. The employees of Landlord are prohibited from receiving any packages or other articles delivered to the Premises for Tenant, and if any such employee receives any such package or article, at the request of Tenant, such employee shall be the agent of Tenant for such purposes and not of Landlord.

21. WAIVER OF SUBROGATION. If either party hereto is paid any proceeds under any policy of insurance naming such party as an insured (or would be paid such proceeds if it had maintained all of the insurance coverages it is required under this Lease to maintain), on account of any loss, damage or liability, then such party hereby releases the other party hereto, to and only to the extent of the amount of such proceeds, from any and all liability for such loss, damage or liability, notwithstanding that such loss, damage or liability, may arise out of the negligent act or omission of the other party, its agents or employees, provided, that such release shall be effective only with respect to loss or damage occurring during such time as the appropriate policy of insurance of the releasing party provides that such release shall not impair the effectiveness of such policy or the insured's ability to recover thereunder. Each party hereto shall use reasonable efforts to

have a clause to such effect included in its said policies, and shall promptly notify the other in writing if such clause cannot be included in any such policy, in which event neither party hereto shall be required to have its said insurance policies contain such a clause and to the provisions of this Paragraph shall be of no further force or effect.

22. EMINENT DOMAIN.

(a) If any or all of the Premises are taken by the exercise of any power of eminent domain or are conveyed to or at the direction of any governmental entity under a threat of any such taking (each of which is hereinafter referred to as a "Condemnation"), Landlord, subject to subparagraph (c) below shall be entitled to collect from the condemning authority thereunder the entire amount of any award made in any such proceeding or as consideration for such deed, without deduction therefrom for any leasehold or other estate held by Tenant by virtue of this Lease.

(b) Tenant, subject to subparagraph (c) below hereby (i) assigns to Landlord all of Tenant's right, title and interest, if any, in and to any such award, (ii) waives any right which it may otherwise have in connection with such Condemnation, against Landlord or such condemning authority, to any payment for (a) the value of the then unexpired portion of the Term, (b) leasehold damages (except the unamortized portion of any improvements paid for by Tenant and title to which is retained by Tenant, provided such amount does not diminish and/or delay any award or payment which Landlord would otherwise receive as a result of such condemnation), and (c) any damage to or diminution of the value of Tenant's leasehold interest hereunder or any portion of the Premises not covered by such Condemnation; and (iii) agrees to execute any and all further documents which may be required in order to facilitate the Landlord's collection of any and all such awards.

(c) Notwithstanding the foregoing provisions of this Paragraph, Tenant may seek a separate award pursuant to Section 25-46.21: 1 of the Code of Virginia, as amended, so long as such separate award in no way diminishes and/or delays any award or payment which Landlord would otherwise receive as a result of such Condemnation.

23. EFFECT OF CONDEMNATION.

(a) If (i) all of the Premises or parking lot, are covered by a Condemnation, or (ii) if any part of the Premises is covered by a Condemnation and the remainder thereof is insufficient for the reasonable operation therein of Tenant's business, or (iii) any of the Building is covered by a Condemnation and, in Landlord's reasonable opinion, reasonably concurred in by Tenant, it would be impractical to restore the remainder thereof, then, in any such event, the Term shall terminate on the date upon which possession of so much of the Premises as is covered by such Condemnation is taken by the condemning authority thereunder, and all Rent (including, by way of example rather than of limitation, any Operating Costs payable pursuant to the provisions of Paragraph 11), taxes, and other charges payable hereunder shall be prorated and paid to such date.

(b) If there is a Condemnation and the Term does not terminate pursuant to the foregoing provisions of this Paragraph, the operation and effect of this Lease shall be unaffected by such Condemnation, except that the Base Monthly Rent payable under the provisions of Paragraph 3 shall be reduced in proportion to the square footage, if any, of the Premises covered by such Condemnation; to the extent that the Condemnation covers a portion of the parking lot, the Base Monthly rent shall be reduced in an amount equal to the loss of value which Tenant can establish results from such Condemnation.

(c) If there is a Condemnation, Landlord shall have no liability to Tenant on account of any (i) interruption of Tenant's business upon the Premises, (ii) diminution in Tenant's ability to use the Premises, or (iii) other injury or damage sustained by Tenant as a result of such Condemnation.

(d) Except for any separate award to Tenant under the provisions of Paragraph 23, Landlord shall be entitled to conduct any such condemnation proceeding and any settlement thereof free of interference from Tenant, and Tenant hereby waives any right which it might otherwise have to participate therein.

24. MECHANIC'S AND MATERIALMEN'S LIENS. Excluding labor or materials provided in connection with the construction of the Building by Landlord, Tenant shall bond, remove or have removed any mechanic's, materialmen's or other lien filed or claimed against any or all of the Premises, by reason of labor or materials provided for or at the request of Tenant of any of its contractors or subcontractors within thirty (30) days of notice of filing said lien.

25. QUIET ENJOYMENT. Landlord hereby covenants that Tenant, on paying the Rent and performing the covenants set forth herein, shall without interference from Landlord peaceably and quietly hold and enjoy, throughout the Term, (i) the Premises, and (ii) such rights as Tenant may hold hereunder with respect to the Premises.

26. SURRENDER.

(a) Upon the expiration or earlier termination of the Term, Tenant shall surrender the Premises to Landlord in good order, cleanliness and repair, ordinary wear and tear excepted.

(b) Subject to Paragraph 14(c) hereof, any and all improvements, repairs, alterations and all other property attached to, used in connection with or otherwise installed upon the Premises (i) shall, immediately upon the completion of the installation thereof, be and become Landlord's property without payment therefor by Landlord, and (ii) shall be surrendered to Landlord upon the expiration or earlier termination of the Term, except that any machinery, equipment or trade fixtures installed by Tenant and used in the conduct of Tenant's trade or business (rather than to service

the Premises) shall remain Tenant's property and shall be removed by Tenant within five (5) days after the expiration or earlier termination of the Term, and Tenant shall promptly and thereafter fully restore any of the Premises or the Building damaged by such installation or removal thereof.

27. SUBORDINATION. This Lease is subject and subordinate to all ground or underlying leases and to all mortgages and/or deeds of trust which may now or hereafter affect such leases or the real property of which the Premises form a part, and to all renewals, modifications, consolidations, re-castings, replacements and extensions thereof. If a written subordination agreement consistent with the foregoing shall be required by any such mortgagee or ground lessor, Tenant agrees to execute the same within fifteen (15) days of Landlord's request. At the option of any landlord under any ground or underlying lease to which this Lease is now or may hereafter become subject to or subordinate, Tenant agrees that neither the cancellation nor termination of such ground or underlying lease shall by operation of law or otherwise, result in cancellation or termination of this Lease or the obligations of Tenant hereunder, and Tenant covenants and agrees to attorn to such landlord or any successor to Landlord's interest in such ground or underlying lease and in that event, this Lease shall continue as a direct lease between Tenant herein and such Landlord or its successor; and, in any case, such Landlord or successor under such ground or underlying lease shall not be bound by this Lease or any amendment or modification of this Lease unless, prior to the termination of such ground or underlying lease, a copy of this Lease or amendment or modification thereof, as the case may be, shall have been delivered to such landlord or successor, and approved thereby. Landlord agrees to use commercially reasonable efforts to obtain a reasonably acceptable subordination, non-disturbance and attornment agreement from any future ground lessor, or any future holder of a mortgage or deed of trust to which this Lease is subordinate.

28. ESTOPPEL CERTIFICATE. Landlord and Tenant agree from time to time, upon not less than fifteen (15) days' prior written notice by the other party, to execute, acknowledge and deliver to such party or to any existing or prospective owner or mortgagee of the Building or land upon which such Building has been built, or any interest in either, a statement in writing (i) certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, stating the modifications and that the Lease is in full force and effect as modified), (ii) stating the dates to which the Rent and any other charges hereunder have been paid by Tenant, (iii) stating whether or not, to the knowledge of such party, the other party is in default in the performance of any covenant, agreement or condition contained in this Lease, and if so, specifying each such default of which such party may have knowledge, (iv) stating that Tenant shall give notice to any mortgagee prior to seeking to terminate the Lease by reason of any act or omission of Landlord until such mortgagee has reasonable time, at its option, to remedy such act or omission, and (v) stating the address to which notices to Tenant, or Landlord, as the case may be, should be sent. Any such statement may be relied upon by any existing or prospective owner or mortgagee of the Building or aforesaid land or any interest in either or any assignee of any such person.

29. NOTICES. Any notice, demand, consent, approval request or other communication or document to be provided hereunder to a party hereto, shall be in writing and shall be deemed to have been provided after being sent by certified or registered mail, return receipt requested, in the United States mail or by personal delivery or commercial courier, against receipt. Any and all notices or other communications to Landlord and Tenant shall be given as follows:

Landlord shall notify Tenant in writing if such Right of Offer Space is or will become available. Tenant shall then have a period often (10) business days after receipt of such notice, time being of the essence, in which to elect in writing either to lease the Right of Offer Space described in Landlord's notice or refuse to lease the same. The Rent for the Right of Offer Space shall be equal to the then prevailing Market Rate as determined by Landlord based upon current similar transactions for space available of similar size in buildings of comparable age, location and quality in the Sterling, Virginia area, but in no event less than the terms set forth in this Lease, subject to increase as provided herein. Tenant's Right of Offer shall be exercised only with respect to all of such Right of Offer Space offered, and not to any portion thereof. Failure of Tenant to timely respond shall automatically and conclusively be deemed refusal to lease such Right of Offer Space, and Tenant shall thereafter have no further Right of Offer with respect to such space.

(b) If Tenant exercises its Right of Offer, Tenant shall, within thirty (30) days after Tenant delivers to Landlord notice of the exercise of such option, enter into a written agreement with Landlord modifying and supplementing this Lease as follows:

- (i) The Right of Offer Space shall be added to the definition of Premises under the Lease.
- (ii) The Lease term with respect to such Right of Offer Space shall be coterminous with the Lease term with respect to the initial Premises.
- (iii) The monthly Rent under the Lease for the Right of Offer Space shall be increased by an amount equal to the product obtained by multiplying (I) the number of square feet of net rentable area in the Right of Offer Space times (2) the rent determined in accordance with paragraph 31(a) above. Additionally, Tenant's pro rata share of Operating Costs shall be increased by the amount of the Operating Costs allocable to the Right of Offer Space (i.e. in the same manner as Tenant shall be responsible for Operating Costs allocable to the original Premises under this Lease).
- (iv) The commencement date for the Right of Offer Space shall be a date after Landlord's receipt of notice of Tenant's election to lease the Right of Offer Space which is the earlier of either (y) sixty (60) days after the prior tenant of the Right of Offer Space vacates such space, or (z) the date Tenant actually occupies the same for the conduct of business.
- (v) All other terms and conditions contained in this Lease shall apply to the Right of Offer Space as a result of Tenant's election hereunder.

(c) Landlord shall not be liable for the failure to give possession of the Right of Offer Space to Tenant by reason of the unauthorized holding over or retention of possession of any other tenant or occupants thereof; nor shall such failure impair the validity of this Lease nor extend the term thereof; provided, however, in no event shall Tenant be obligated to pay Rent for such Right of Offer Space until Landlord delivers Tenant possession of such space.

(d) This Right of Offer shall terminate three hundred and sixty-five (365) days prior to the expiration of the initial Term of this Lease.

(e) This Right of Offer is personal to Tenant. Upon any assignment or subletting of the Premises, the rights afforded to Tenant under this Paragraph 31 shall automatically terminate.

IN WITNESS WHEREOF, each party hereto has executed and ensealed this Lease, or has caused it to be executed and ensealed on its behalf by its duly authorized representatives, the day and year first above written.

### THIRD AMENDMENT TO LEASE AGREEMENT

This **THIRD AMENDMENT TO LEASE AGREEMENT** (“**Amendment**”) is entered into as of September 2, 2020 (“**Effective Date**”), by and between **WATERIDGE PROPERTY OWNER, LP**, a Delaware limited partnership (“**Landlord**”), and **TRILINK BIOTECHNOLOGIES, LLC**, a Delaware limited liability company (“**Tenant**”), with reference to the facts set forth in the Recitals below.

#### RECITALS

A. Landlord (as successor-in-interest to 10770 Wateridge Investors LLC, a California limited liability company) and Tenant are parties to that certain Lease Agreement dated July 17, 2018, as amended by that certain First Amendment to Lease Agreement dated May 15, 2019, and that certain Second Amendment to Lease Agreement dated October 1, 2019 (collectively, “**Lease**”), for certain premises commonly referred to as Suite number 100 (“**Existing Premises**”) on the first (1st) and second (2nd) floors of the building located at 10770 Wateridge Circle, San Diego, California 92121 (“**Building**”), as more specifically described in the Lease. Except as otherwise defined herein, all capitalized terms used herein shall have the meanings ascribed to them in the Lease.

B. Landlord and Tenant have agreed to make certain modifications to the Lease as more fully provided below.

#### AMENDMENT

NOW, THEREFORE, in consideration of the Recitals above, the mutual covenants and conditions below, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Premises.

a. Expansion Premises. Effective as of the Expansion Commencement Date (as defined below), Tenant shall lease approximately 16,283 Rentable Square Feet of additional space located within Suite 110 on the first (1st) floor of the Building (“**Expansion Premises**”). The Expansion Premises are depicted as Suite 110 on Exhibit “A” attached hereto and incorporated herein by this reference. The lease term for the Expansion Premises (“**Expansion Term**”) shall begin on the Expansion Commencement Date and expire on the Expiration Date. Tenant’s lease of the Expansion Premises shall be on all of the same terms and conditions as the Lease, except as specifically provided in this Amendment. As used herein, the “**Expansion Commencement Date**” shall be the earlier to occur of (i) the date upon which Tenant first commences to conduct business in the Expansion Premises, and (ii) the date upon which the Expansion Improvements are Substantially Complete pursuant to the terms and conditions of, and as that term is defined in, the Expansion Work Letter attached to this Amendment as Exhibit “B” (“**Expansion Work Letter**”), which date is currently estimated to be March 15, 2021 (“**Estimated Expansion Commencement Date**”).

b. Existing Premises. Notwithstanding any provision of the Lease to the contrary, Landlord and Tenant hereby stipulate and agree that, as of the Expansion Commencement Date, (a) the Existing Premises shall be deemed to contain 101,693 Rentable Square Feet (reduced from 102,575 as a result of recalculation of common area space), and (b) the Building shall be deemed to contain 183,565 Rentable Square Feet. The Existing Premises are depicted as Suites 100 and 200 on Exhibit “A” attached hereto and incorporated herein by this reference.

c . **Total Premises.** Notwithstanding any provision of the Lease to the contrary, beginning on the Expansion Commencement Date (a) the “**Premises**” shall mean the Existing Premises and the Expansion Premises collectively, and (b) the Premises shall consist of a total of 117,976 Rentable Square Feet.

2 . **Delivery of Expansion Premises.** Landlord will endeavor to tender possession of the Expansion Premises to Tenant with the Expansion Improvements Substantially Complete on or before the Estimated Expansion Commencement Date; provided, that if the date on which Landlord actually tenders possession of the Expansion Premises to Tenant in such condition does not occur on or before the Estimated Expansion Commencement Date, this Amendment shall not be void or voidable, the Expansion Term shall not be extended, and Landlord shall not be liable to Tenant for any loss or damage resulting therefrom; provided further that Landlord shall use commercially reasonable efforts to tender to Tenant delivery of possession of the Expansion Premises in such condition as soon as reasonably possible after the Estimated Expansion Commencement Date. Notwithstanding the foregoing, Tenant’s obligation to pay Basic Rent, Operating Expenses and Real Property Taxes shall not begin until the actual Expansion Commencement Date. If Landlord is unable to deliver possession of the Expansion Premises to Tenant with the Expansion Improvements Substantially Complete on or before the date which is thirty (30) days after the Estimated Expansion Commencement Date (“**Outside Expansion Delivery Date**”), which Outside Expansion Delivery Date shall be extended on a day-for-day basis for any delay caused by an event of Force Majeure, a Tenant Delay (as that term is defined in the Expansion Work Letter) or similar matters beyond the reasonable control of Landlord, Tenant shall be entitled to receive an abatement of the Basic Rent attributable to the Expansion Premises on a day-for-day basis for each day between the Outside Expansion Delivery Date and the actual date on which possession of the Expansion Premises is delivered to Tenant with the Expansion Improvements Substantially Complete (“**Actual Expansion Delivery Date**”), to be applied as a credit toward the Basic Rent next due and payable for the Expansion Premises (for example, if the Outside Expansion Delivery Date is April 15, 2021, and the Actual Expansion Delivery Date is April 20, 2021, then Tenant shall receive a credit toward Basic Rent in an amount equal to four (4) days of the Basic Rent attributable to the Expansion Premises). The remedy set forth in this Section 2 shall be Tenant’s sole and exclusive remedy at law or equity for the matters described herein.

3 . **Early Access.** The terms and conditions of Section 41.1 of the Lease shall apply to the Expansion Premises except as follows: (a) the reference in the first sentence to “sixty (60) days” shall be replaced with “four (4) weeks”, (b) all references to the “Commencement Date” shall mean the Expansion Commencement Date, and (c) all references to the “Premises” shall mean the Expansion Premises.

4 . **Basic Rent.** Beginning on the Expansion Commencement Date, the Basic Rent payable by Tenant for the entire Premises shall be pursuant to the following schedule:

<b>Period of Term</b>	<b>Basic Rent per RSF per Month</b>	<b>Monthly Installments of Basic Rent</b>	<b>Annual Basic Rent</b>
Expansion Commencement Date – October 31, 2022*	\$3.74	\$441,230.24	\$5,294,762.88
November 1, 2022 – October 31, 2023	\$4.09	\$482,521.84	\$5,790,262.08

November 1, 2029 – May 31, 2030	\$5.03	\$593,419.28	\$4,153,934.96

\*Provided that Tenant is not in default under the Lease beyond any applicable notice and cure period, the monthly installments of Basic Rent for the Expansion Premises shall be abated by fifty percent (50%) for months two (2) through nine (9) of the Expansion Term (i.e., the total Basic Rent payable during such months shall be \$410,781.03 per month). Tenant shall continue to pay the Basic Rent for the Existing Premises and all Additional Rent during such abatement period. The monthly installments of Basic Rent and estimated Additional Rent for the Expansion Premises for the first (1<sup>st</sup>) full month of the Expansion Term shall be paid by Tenant to Landlord concurrently with Tenant's execution and delivery of this Amendment. Prior to the Expansion Commencement Date, Tenant shall continue to pay Basic Rent and Additional Rent for the Existing Premises pursuant to the Lease.

5. Expansion Improvement Allowance. Landlord shall provide Tenant with a tenant improvement allowance of up to One Hundred Sixty-Five and 00/100 Dollars (\$165.00) per Rentable Square Foot of the Expansion Premises (i.e., up to \$2,686,695.00) ("**Expansion Improvement Allowance**") to be used toward construction of the Expansion Improvements in the Expansion Premises pursuant to the Expansion Work Letter.

6. Tenant's Percentage. Effective as of the Expansion Commencement Date, Tenant's Percentage, pursuant to Section 1.13 of the Lease, shall be 64.27%.

7. Security Deposit. The Security Deposit (as provided in Sections 1.14 and 7.1 of the Lease) shall remain at \$571,018.41 (the amount currently held by Landlord) pursuant to Section 7.1 of the Lease.

8. Tenant's Vehicle Parking Spaces. Effective as of the Expansion Commencement Date, Tenant's Vehicle Parking Spaces shall mean three hundred fifty-four (354) unreserved parking spaces.

9. Option Terms. For clarification and the avoidance of doubt, the Options set forth in Section 3.2 of the Lease shall apply to the entire Premises (i.e., the Existing Premises and the Expansion Premises), and not to any portion thereof.

10. Termination Option. Notwithstanding any provision of the Lease to the contrary, the Termination Option set forth in Section 41.7 of the Lease shall apply to the entire Premises (inclusive of the Expansion Premises); provided, however, that for purposes of calculating the Termination Fee, the "Tenant Improvement Allowance" shall include the Expansion Improvement Allowance, and the "Basic Rent" shall mean the Basic Rent payable for the entire Premises. The revised amount of the Termination Fee (as calculated pursuant to the Lease, as modified by the immediately preceding sentence) shall be specified in the Expansion Commencement Letter (as defined below).

11. Right of First Refusal. For clarification and the avoidance of doubt, the ROFR set forth in Section 41.6 of the Lease has expired and is of no further force or effect.

12. Expansion Commencement Letter. The Expansion Commencement Date and the revised Termination Fee, among other things, shall be specified in a Memorandum of Lease Terms, which shall be

in the form of **Exhibit "C"** ("**Expansion Commencement Letter**"), attached hereto and incorporated herein by this reference, and shall be executed by Tenant as soon as practicable after Landlord's completion and delivery thereof to Tenant.

13. Condition of Expansion Premises. Except as expressly provided in this Amendment and the Expansion Work Letter, Tenant hereby accepts the Expansion Premises and all other portions of the Premises in their "as is" condition and acknowledges that Landlord shall not be obligated to provide or pay for any improvement work or services related to the improvement of the Expansion Premises or any other portion of the Premises. Tenant also acknowledges that Landlord has made no representation or warranty regarding the condition of the Expansion Premises or any other portion of the Premises. For purposes of Section 1938 of the California Civil Code, Landlord hereby discloses to Tenant that the Premises (including the Expansion Premises) have not as of the Effective Date been inspected by a Certified Access Specialist (CASP), as that term is defined in California Civil Code Section 55.52. In accordance with subsection (e) of Section 1938 of the California Civil Code, Tenant is further notified as follows:

A Certified Access Specialist (CASP) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

14. Brokers. Tenant warrants that it has had no dealings with any real estate broker, finder or agent in connection with the negotiation of this Amendment except for Cushman & Wakefield (Ted Jacobs), representing Tenant, and Jones Lang LaSalle (Chad Urie, Tim Olson and Grant Schoneman), representing Landlord, and that it knows of no other real estate broker, finder or agent who is or might be entitled to a commission in connection with this Amendment. Tenant shall be solely responsible for the payment of any fee due to any other broker, finder, agent or other party claiming under Tenant, and shall hold Landlord free and harmless against any liability in respect thereto, including attorneys' fees and costs incurred by Landlord in connection therewith.

15. Defined Terms. Unless otherwise specifically defined in this Amendment, terms with initial capital letters in this Amendment shall have the same meaning as such terms have in the Lease.

16. No Construction Against Party Drafting Amendment. Landlord and Tenant acknowledge and agree that each of them, and their respective professional advisors, have reviewed this Amendment and that the provisions of this Amendment shall not be construed against either party. The rule of construction that ambiguities are to be construed against the party drafting the agreement shall not apply to the interpretation of this Amendment and is waived.

17. Counterpart Execution. This Amendment may be executed in multiple counterparts, each of which when so executed and delivered shall be deemed to be an original and all of which together shall constitute one instrument.

18. Continued Effect. Except as specifically modified by this Amendment, all of the terms, conditions and provisions of the Lease shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have executed this Amendment as of the Effective Date.

The Premises are leased in their "AS-IS" condition in accordance with Article 14; provided however, the Premises will be improved by Landlord with the Tenant Improvements described in the Work Letter Agreement, a copy of which is attached hereto, marked as Exhibit "B" and incorporated herein by this reference ("Work Letter Agreement"). The parties hereto agree that this Lease is upon and subject to the terms, covenants and conditions herein set forth. Each of Landlord and Tenant covenants as a material part of the consideration for this Lease to keep and perform each and all of said terms, covenants and conditions by it to be kept and performed.

Prior to completion of the Tenant Improvements, Landlord shall cause the Rentable Square Feet of the Building and the Premises to be recalculated by McFarlane Architects ("Architect"), which recalculation shall be conclusive upon Landlord and Tenant, and, if different than the number of Rentable Square Feet set forth in Section 1.6, the Basic Rent, Tenant's Percentage and Security Deposit shall be adjusted accordingly. The Memorandum of Lease Terms (as defined in Section 3) shall indicate, among other things, the actual Rentable Square Feet of the Premises and Building, the Basic Rent, Tenant's Percentage, Security Deposit, Tenant's Vehicle Parking Spaces and the Tenant Improvement Allowance, as adjusted pursuant to this Section 2.2.1.

2.2.2. Landlord reserves the right (a) to modify the standards utilized hereunder for the measurement of Rentable Square Feet (so long as any such modification is reasonably consistent with then prevailing Institutional Owner Practices (defined below)) and (b) consistent with any such modifications of measurement standards, to adjust the Rentable Square Feet of the Premises and the Building and/or portions thereof and any economic terms set forth herein (such as Tenant's Percentage) calculated on the basis thereof; provided that Landlord shall have no right to adjust the Basic Rent then in effect as a result of any such modification.

**2.3 Common Areas.** Tenant and its employees, invitees and agents shall have the nonexclusive right to use in common with Landlord and other tenants or occupants of the Project and their respective employees, invitees and agents, subject to the Rules and Regulations referred to in Section 36.1 below and all covenants, conditions and restrictions affecting the Project, any of the following areas which may be appurtenant to the Premises (collectively, "Common Areas"):

### ARTICLE 3

#### TERM

**3.1 Initial Term.** The "Initial Term" of this Lease shall be for the period designated in Section 1.7, commencing on the Commencement Date and ending on the last day of the month in which the expiration of such period occurs, unless sooner terminated as hereinafter provided; provided that if the Commencement Date occurs on a day other than the first day of any calendar month, for purposes of calculating the date ("Expiration Date") on which the Term is scheduled to expire and the timing of all scheduled increases in Basic Rent during the Term, the Commencement Date shall be deemed to be the first day of the calendar month following the Commencement Date. The Commencement Date, the date upon which the Initial Term of this Lease shall end unless sooner terminated pursuant to the provisions hereof, the Rentable Square Feet in the Premises and Tenant's Percentage as determined pursuant to Section 2.2 above shall be specified in a Memorandum of Lease Terms, which shall be in the form of Exhibit "C", attached hereto and incorporated herein by this reference ("Memorandum of Lease Terms"), and shall be executed by Tenant as soon as practicable after the Commencement Date. As used herein, "Term" shall refer to the Initial Term as it may be extended by written agreement of Landlord and Tenant, including, without limitation, as a result of Tenant's exercise of its Options in accordance with Section 3.2 below.

**3.2 Option Terms.** Tenant shall have the right and option ("Option") to extend the Term of this Lease for two (2) additional periods of five (5) years each (each an "Option Term" and collectively the "Option Terms"). Each Option Term shall commence on the day immediately succeeding the expiration date of the then current term and shall end on the day immediately preceding the fifth (5<sup>th</sup>) anniversary of the first day of such Option Term. Notwithstanding any provision of this Section 3.2 to the contrary, the Options shall be personal to the original Tenant named herein (i.e., Trilink Biotechnologies, LLC) ("Original Tenant") and any Permitted Transferee to whom this Lease is assigned pursuant to a Permitted Transfer (as those terms are defined in Section 27.1.1 below).

3.2.1. Tenant shall exercise each Option by giving written notice to Landlord of its election to do so not earlier than twelve (12) months and not later than nine (9) months prior to the expiration of the then current term. The giving of such notice of extension by Tenant shall automatically extend the Term of this Lease for

such Option Term, and no instrument of renewal or extension need be executed. In the event that Tenant fails to give timely notice to Landlord, this Lease shall automatically terminate at the end of the then current term and Tenant shall have no further option to extend the Term of this Lease. The Options shall be exercisable by Tenant only on the express condition that (i) at the time of the exercise, and at all times between the time of such exercise and the commencement of the Option Term, Tenant shall not be in Default under any of the provisions of this Lease, and (ii) Tenant shall not have been ten (10) or more days late in the payment of Monthly Basic Rent more than once during any twelve (12) consecutive month period during the Term.

3.2.2. The Option Terms shall be on all the terms and conditions of this Lease, except that: (i) during the first Option Term, Tenant shall have only the second Option to extend the Term as provided by this Section 3.2, and during the second Option Term, Tenant shall have no further right or option to extend the Term as provided by this Section 3.2; (ii) the Basic Rent for the Option Term shall be equal to the Fair Market Rental Value of the Premises for such Option Term, determined pursuant to Subsection 3.2.3 below; and (iii) Tenant shall not be entitled to any abatement of Basic Rent or any tenant improvement allowance during such Option Term unless otherwise determined to be included in the Fair Market Rental Value in accordance with Section 3.2.3 below. If Tenant subleases any portion of the Premises or assigns or otherwise transfers any interest under this Lease (other than in connection with a Permitted Transfer), the Options shall lapse. If Tenant subleases any portion of the Premises or assigns or otherwise transfers any interest of Tenant under this Lease (other than in connection with a Permitted Transfer) to any person or entity after the exercise of an Option but prior to the commencement of the applicable Option Term (whether with or without Landlord's consent), such Option shall lapse and the Term of this Lease shall expire as if such Option was not exercised.

3.2.3. For the purposes hereof, "Fair Market Rental Value" of the Premises shall mean the prevailing annual market rental value (which rental value determination may include increases in Rent during the Option Term) for Class "A" office, manufacturing, and laboratory/research and development space of comparable size, quality and location in comparable first-class office and laboratory/research and development buildings located in the Sorrento Mesa submarket of San Diego, California, as of the date of commencement of the applicable Option Term ("Comparable Transactions"), taking into consideration the amenities offered in or near the Project and the amount, availability and cost of parking; provided, however, that in calculating the Fair Market Rental Value, no consideration shall be given to (1) the fact that Landlord is or is not required to pay a real estate brokerage commission in connection with Tenant's exercise of its right to lease the Premises during the Option Term or the fact that landlords are or are not paying real estate brokerage commissions in connection with such comparable space, and (2) any period of rental abatement, if any, granted to tenants in comparable transactions in connection with the design, permitting and construction of tenant improvements in such comparable spaces. The Fair Market Rental Value shall additionally include a determination as to whether, and if so to what extent, Tenant must provide Landlord with financial security, such as a letter of credit or security deposit, for Tenant's Rent obligations in connection with Tenant's lease of the Premises during the Option Term. Such determination shall be made by reviewing the extent of financial security then generally being imposed in Comparable Transactions from tenants of comparable financial condition and credit history to the then existing financial condition and credit history of Tenant (with appropriate adjustments to account for differences in the then-existing financial condition of Tenant and such other tenants).

3.2.4. Promptly after receiving Tenant's notice of its election to exercise an Option to extend the Term of this Lease, Landlord shall provide Tenant with Landlord's good faith estimate of the Fair Market Rental Value of the Premises for the applicable Option Term ("Landlord's Fair Market Rental Value Notice"), in the event that Tenant objects to Landlord's determination of the Fair Market Rental Value within fifteen (15) business days following Tenant's receipt of Landlord's Fair Market Rental Value Notice, Landlord and Tenant shall attempt to agree upon the Fair Market Rental Value using their best good faith efforts. If Landlord and Tenant fail to reach agreement within ten (10) business days following Tenant's objection to the Fair Market Rental Value ("Outside Agreement Date"), then each party shall make a separate determination of the Fair Market Rental Value within ten (10) business days after the Outside Agreement Date, and such determinations shall be submitted to arbitration in accordance with Subsection 3.2.4(A) through Subsection 3.2.4(G) below.

(A) Landlord and Tenant shall each appoint one arbitrator who shall be a real estate broker or attorney who shall have been active over the five (5) year period ending on the date of such appointment in the leasing of office and laboratory/research and development properties in the Sorrento Mesa submarket of San Diego, California. The determination of the arbitrators shall be limited solely to the issue of whether Landlord's or

Tenant's submitted Fair Market Rental Value is the closest to the actual Fair Market Rental Value, as determined by the arbitrators, taking into account the requirements of Subsection 3.2.3. Each such arbitrator shall be appointed within fifteen (15) days after the applicable Outside Agreement Date.

(B) The two (2) arbitrators so appointed shall within ten (10) days of the date of the appointment of the last appointed arbitrator agree upon and appoint a third arbitrator who shall be qualified under the same criteria set forth hereinabove for qualification of the initial two (2) arbitrators.

(C) The three (3) arbitrators shall within thirty (30) days of the appointment of the third arbitrator reach a decision as to whether the parties shall use Landlord's or Tenant's submitted Fair Market Rental Value and shall notify Landlord and Tenant thereof.

(D) The decision of the majority of the three (3) arbitrators shall be binding upon Landlord and Tenant.

(E) If either Landlord or Tenant fails to appoint an arbitrator within fifteen (15) days after the applicable Outside Agreement Date, then the arbitrator appointed by one of them shall reach a decision, notify Landlord and Tenant thereof and such arbitrator's decision shall be binding upon Landlord and Tenant.

(F) If the two (2) arbitrators fail to agree upon and appoint a third arbitrator, or if both parties fail to appoint an arbitrator, then the appointment of the third arbitrator or any arbitrator shall be dismissed and the matter to be decided shall be forthwith submitted to arbitration under the provisions of the American Arbitration Association, but subject to the instruction set forth in this Subsection 3.2.4.

(G) The cost of the arbitration shall be paid by Landlord and Tenant equally.

#### **ARTICLE 4**

##### **DELIVERY**

Landlord will endeavor to tender possession of the Premises to Tenant with the Tenant Improvements Substantially Complete on or before the Estimated Commencement Date; provided, that if the date on which Landlord actually tenders possession of the Premises to Tenant in such condition does not occur on or before the Estimated Commencement Date, this Lease shall not be void or voidable, the Term of this Lease shall not be extended, and Landlord shall not be liable to Tenant for any loss or damage resulting therefrom; provided further that Landlord shall use commercially reasonable efforts to tender to Tenant delivery of possession of the Premises in such condition as soon as reasonably possible after the Estimated Commencement Date. Notwithstanding the foregoing, the Term and Tenant's obligation to pay Base Rent, Operating Expenses and Real Property Taxes shall not begin until the actual Commencement Date. Notwithstanding the foregoing, if Landlord is unable to deliver possession of the Premises to Tenant with the Landlord Work and Tenant Improvements Substantially Complete on or before the date which is sixty (60) days after the Estimated Commencement Date ("First Outside Delivery Date"), which First Outside Delivery Date shall be extended on a day-for-day basis for any delay caused by an event of Force Majeure (as defined in Section 36.8 below), a Tenant Delay (as that term is defined in the Work Letter Agreement) or similar matters beyond the reasonable control of Landlord, Tenant shall be entitled to receive an abatement of Basic Rent on a day-for-day basis for each day between the First Outside Delivery Date and the actual date on which possession of the Premises is delivered to Tenant with the Landlord Work and Tenant Improvements Substantially Complete ("Actual Delivery Date"), to be applied as a credit toward the Basic Rent next due and payable under this Lease (for example, if the Estimated Commencement Date is October 1, 2019, and the Actual Delivery Date is October 5, 2019, then Tenant shall receive a credit toward Basic Rent in an amount equal to four (4) days of Basic Rent). Notwithstanding the foregoing, if Landlord is unable to deliver possession of the Premises to Tenant with the Landlord Work and Tenant Improvements Substantially Complete on or before the date which is one hundred eighty (180) days after the Estimated Commencement Date ("Second Outside Delivery Date"), which Second Outside Delivery Date shall be extended on a day-for-day basis for any delay caused by an event of Force Majeure, a Tenant Delay or similar matters beyond the reasonable control of Landlord, then Tenant shall have the right to terminate this Lease by delivering Notice thereof to Landlord no later than five (5) business days after the Second Outside Delivery Date, which termination shall be effective as of the date of such Notice. Tenant's failure to deliver a Notice of termination within five (5) business days after the Second Outside Delivery Date shall be deemed

Tenant's waiver of its right to terminate this Lease due to a delay in delivery of the Premises. The remedies set forth in this Article 4 shall be Tenant's sole and exclusive remedies at law or equity for the matters described herein.

## ARTICLE 5

### RENT

**5.1 Basic Rent.** Tenant shall pay Landlord as consideration for the use and enjoyment of the Premises the Basic Rent designated in Section 1.12 (subject to proration as hereinafter provided) in equal monthly installments, each in advance on the first day of each calendar month during the Term commencing on the Commencement Date, except that the first month's Rent shall be paid to Landlord upon delivery to Landlord of a copy of this Lease, executed by Tenant. If the Term of this Lease commences on a day other than the first day of a calendar month or ends on a day other than the last day of a calendar month, then the Rent for such period shall be prorated on the basis of a thirty (30) day month. Provided that Tenant is not then in default under this Lease beyond any applicable notice and cure period, monthly installments of Basic Rent shall be abated by fifty percent (50%) for months two (2) through fifteen (15) of the Initial Term ("Abatement Period") (such that the Basic Rent payable during such months is at a rate of \$1.87 per Rentable Square Foot per month). All other terms and provisions of this Lease shall apply to the Premises both during the Abatement Period and thereafter.

**5.2 Additional Rent.** In addition to the Basic Rent, Tenant agrees to pay as Additional Rent (defined below) the amount of Rent adjustments and other charges required by this Lease. Other charges to be paid by Tenant hereunder, including, without limitation, payments for Operating Expenses, Real Property Taxes, insurance, insurance deductibles and repairs shall be considered "Additional Rent" for purposes of this Lease. The term "Rent" as used in this Lease shall mean Basic Rent and Additional Rent and all other amounts payable by Tenant pursuant to this Lease. When no other time is stated herein for payment, payment of any amount due from Tenant to Landlord hereunder shall be made within ten (10) business days after Tenant's receipt of Landlord's invoice or statement therefor. All Rent shall be paid to Landlord, without prior demand and without any deduction or offset except as specified herein, in lawful money of the United States of America, at the address designated in Section 1.2 hereof or to such other person or at such other place as Landlord may from time to time designate in writing.

**5.3 Late Payment.** If Tenant fails to pay any installment of Rent when due or in the event Tenant fails to make any other payment for which Tenant is obligated under this Lease when due, such late amount shall accrue interest and Tenant shall pay Landlord as Additional Rent interest on such amount at an annual rate ("Default Rate") equal to the lesser of: (a) the then prevailing prime rate of Bank of America NT & SA ("Prime Rate") plus six (6) percentage points or (b) the maximum rate permitted by law from the date such amount became due until such amount is paid. If the format or components of the Prime Rate are materially changed, or if the Prime Rate ceases to exist, Landlord shall substitute a prime rate or alternative base rate of interest that is maintained by the Bank of America NT & SA or similar financial institution which Landlord determines in its reasonable business judgment. In addition to said interest, Tenant shall pay to Landlord concurrently with any installment of Rent, or other payment, not paid within five (5) days of the date upon which it is due, and Landlord may demand same from Tenant, as Additional Rent, a late charge equal to eight percent (8%) of the late amount to compensate Landlord for the extra costs incurred as a result of such late payment. THE PARTIES AGREE THAT ANY SUCH LATE PAYMENT MAY CAUSE LANDLORD TO INCUR ADMINISTRATIVE COSTS AND OTHER DAMAGE, THE EXACT AMOUNT OF WHICH WOULD BE IMPRACTICABLE OR EXTREMELY DIFFICULT TO ASCERTAIN, AND THAT SUCH INTEREST AND LATE CHARGE REPRESENT A FAIR AND REASONABLE ESTIMATE OF THE DETRIMENT THAT LANDLORD WILL SUFFER BY REASON OF LATE PAYMENT BY TENANT. Acceptance of any such interest and late charge shall not constitute a waiver of any Tenant Default with respect to the overdue amount, or prevent Landlord from exercising any of the other rights and remedies available to Landlord hereunder or at law.

**5.4 Additional Late Payment Remedies.** If any payment of Rent made by check, draft or money order is returned to Landlord due to insufficient funds, or otherwise, Landlord shall have the right, at any time thereafter and upon Notice (defined below) to Tenant, to require Tenant to make all subsequent payments of Rent by cashier's or certified check. Any payment returned to Landlord shall be subject to a handling charge of \$50.00. If Tenant fails to pay an installment of Basic Rent within ten (10) days following the date the same is due on any three (3) or more occasions during any twelve (12) month period, Landlord shall have the right, in addition to any other

rights or remedies it may have hereunder or at law, to require Tenant thereafter to pay installments of Basic Rent quarterly in advance.

#### 6.1 Definitions. For the purposes of this Lease, the following terms shall be defined as follows:

6.1.1. **Operating Expenses:** "Operating Expenses" shall consist of all costs of operation, management, ownership, insurance, maintenance and repair of the Project, including without limitation the Building, the Common Areas and all other portions of the Project. Operating Expenses shall include, without limitation, the following: (a) any and all non-tax assessments payable by Landlord for, or costs or expenses incurred by Landlord in connection with, the Building or the Project pursuant to any covenants, conditions or restrictions, reciprocal easement agreements, tenancy-in-common agreements or similar restrictions and agreements affecting the Building or the Project; (b) assessments and any taxes or assessments hereafter imposed in lieu thereof; (c) Rent taxes and gross receipts taxes (whether assessed against Landlord or assessed against Tenant and paid by Landlord, or both); (d) water and sewer charges; (e) accounting, legal and other consulting fees incurred by Landlord in connection with the Project or any portion thereof; (f) the net cost and expense of insurance, and any associated insurance deductibles, for which Landlord and/or the owner(s) and/or the operator(s) of the Project is (are) responsible or any first mortgagee with a lien affecting the Premises reasonably deems necessary in connection with the operation of the Building or the Project; (g) utilities, including, but not limited to, any and all costs and fees associated with the installation, maintenance, repair, or replacement of intrabuilding network telephone and data cable; (h) janitorial services, security, labor, utilities surcharges or any other costs levied, assessed or imposed by, or at the direction of, or resulting from statutes, including, but not limited to, the Americans with Disabilities Act (42 U.S.C. Section 12101 et seq.), or regulations or interpretations thereof promulgated by, any federal, state, regional, local or municipal governmental authority, agency or subdivision (each, a "Governmental Authority") in connection with the use or occupancy of the Project or any portion thereof; (i) costs and expenses incurred or suffered by Landlord in connection with transportation or energy management programs; (j) the cost (amortized over such period as is customary under sound institutional real estate property management procedures ("Institutional Owner Practices"), together with interest at a rate ("Interest Rate") equal to the Prime Rate plus two (2) percentage points on the enumerated balance); (i) of any capital improvements or replacements intended as labor-saving devices or to effect other economies in the maintenance or operation of, or stability of services to, the Building (including Building Common Areas) or the Project Common Areas by Landlord or by the owner(s) and/or the operator(s) thereof, or (ii) of replacing any equipment, systems or materials needed to operate the Project or any portion thereof at the same quality levels as prior to the improvement or replacement or as mandated by revisions or governmental interpretations of any applicable Laws (defined below) or (iii) which are designed to reduce Operating Expenses or to comply with Laws; (k) costs incurred in the management of the Project, including supplies, materials, equipment, on-site management office rent, wages and salaries of employees used in the management, operation and maintenance thereof, payroll taxes and similar governmental charges with respect thereto, and a Building management fee (not to exceed three percent (3%) of gross receipts, grossed up to reflect ninety-five percent (95%) occupancy if the Building is less than ninety-five percent (95%) occupied; provided, however, that for each calendar year after the first full calendar year of the Initial Term, such management fee shall not increase by more than six percent (6%) over the maximum permitted management fee for the immediately preceding calendar year, on a cumulative, compounding basis and regardless of the actual gross receipts for such preceding year; provided, however, that if the actual gross receipts and corresponding management fee for any calendar year are greater than the maximum amount permitted to be charged to Tenant hereunder, then the difference shall be added to the management fee for succeeding years of the Term until exhausted); (l) all costs and expenses for air-conditioning, waste disposal, heating, ventilating, elevator repair and maintenance, supplies, materials, equipment, and tools incurred in connection with the Project or any portion thereof (except as the same is payable to Landlord by tenants of the Project under their leases for space in the Project); (m) repair and maintenance of the roof and structural portions of the Building and the Common Areas, including the plumbing, heating, ventilating, air conditioning and electrical systems installed or furnished by Landlord; (n) maintenance costs of the Building, the Common Areas and the Project or any portion thereof, including utilities and payroll expenses, rent of personal property used in maintenance and all other upkeep; (o) costs and expenses of gardening and landscaping the Project or any portion thereof; (p) maintenance of signs located in or about the Project (other than Tenant's signs or the signs of other tenants or occupants of the Building who are responsible to maintain their own signs); (q) personal property taxes

levied on or attributable to personal property of Landlord or the owner(s) and/or operator(s) of the Project used in connection with the Project; (r) reasonable audit or verification fees incurred in connection with the Project; and (s) the costs and expenses of repairs (including latent defects), resurfacing, maintenance, painting, lighting, cleaning, refuse removal, security and similar items incurred with respect to the Project, including appropriate reserves.

Operating Expenses shall not include: (A) depreciation on the Building or equipment therein; (B) Landlord's executive salaries (above building manager); (C) real estate broker's commissions; (D) legal fees and disbursements incurred for collection of tenant accounts or negotiation of leases, or relating to disputes between Landlord and other tenants and occupants of the Building or Project; (E) the cost of any capital improvements unless specifically permitted by this Section 6.1.1, parts (a) through (s), inclusive; (F) amounts received by Landlord on account of proceeds of insurance to the extent the proceeds are reimbursement for expenses which were previously included in Operating Expenses; (G) payments of principal and interest on any mortgages upon the Project or Building; (H) payments of ground rent pursuant to any ground lease covering the Project or Building; (I) the costs of gas, steam or other fuel; operation of elevators and security systems; heating, cooling, air conditioning and ventilating; chilled water, hot and cold domestic water, sewer and other utilities or any other service work or facility, or level or amount thereof, provided to any other tenant or occupant in the Project which either (x) is not required to be supplied or furnished by Landlord to Tenant under the provisions of this Lease or (y) is supplied or furnished to Tenant pursuant to the terms of this Lease with separate or additional charge; (J) the cost of providing any service directly to and paid directly by a single individual lessee, or costs incurred for the benefit of a single lessee; (K) costs of any items to the extent Landlord actually receives reimbursement therefor from insurance proceeds, under warranties, or from a lessee or other third party, or which are paid out of reserves previously included in Operating Expenses; (L) costs incurred due to Landlord's breach of a law or ordinance; (M) repairs necessitated by the gross negligence or willful misconduct of Landlord or Landlord's employees, agents, or contractors; (N) Landlord's costs of any services provided to lessees or other occupants for which Landlord is actually reimbursed by such lessees or other occupants as an additional charge or rental over and above the basic rent (and escalations thereof) payable under the lease with such lessee or other occupant; (O) costs in connection with services that are provided to another lessee or occupant of the Project, but are not offered to Tenant; (P) salaries of employees of Landlord above those performing property management and facilities management duties for the Building; (Q) costs or expenses incurred in connection with the financing or sale of the Project or any portion thereof; (R) costs of environmental testing, monitoring, removal or remediation of any Hazardous Materials in the Project that are in existence at the Project prior to the Commencement Date except to the extent caused or exacerbated by Tenant; (S) the costs of acquiring investment-grade art; (T) fines, penalties, interest or other amounts imposed in connection with the Landlord's failure to pay any tax when due; (U) any item that, if included in Operating Expense, would involve a double collection for such item by Landlord; and (V) any cost that is expressly excluded from Operating Expenses in an express provision contained in this Lease.

6.1.2. **Real Property Taxes:** "Real Property Taxes" shall mean and include any form of assessment, re-assessment, license fee, license tax, business license fee, commercial rent tax, levy, charge, penalty, tax or similar imposition, imposed by any authority having the direct power to tax, including any Governmental Authority, or any school, agricultural, lighting, drainage or other improvement or special assessment district thereof, as against any legal or equitable interest of Landlord in the Building, the Premises or the Project, including but not limited to the following:

(A) any tax on Landlord's "right" to other income from the Project or any portion thereof or as against Landlord's business of leasing the Project or any portion thereof;

(B) any assessment, tax, fee, levy or charge in substitution, partially or totally, of any assessment, tax, fee, levy or charge previously included within the definition of real estate tax, including but not limited to, any assessments, taxes, fees, levies and charges that may be imposed by any Governmental Authority for such services as fire protection, street, sidewalk or road maintenance, refuse removal and for other governmental services formerly provided without charge to property owners or occupants, it being the intention of Tenant and Landlord that all such new and increased assessments, taxes, fees, levies and charges be included within the definition of "Real Property Taxes" for the purposes of this Lease;

(C) any assessment, tax, fee, levy or charge allocable to or measured by the area of any premises in the Project or the Rent payable hereunder and under any other leases for premises in the Building, the Parking Area or the Project, including without limitation any gross income tax or excise tax levied by any

Governmental Authority or any political subdivision thereof, with respect to the receipt of such Rent, or upon or with respect to the possession, leasing, operating, management, maintenance, alteration, repair, use or occupancy by tenants of their premises in the Project, or any portion thereof; and

(D) any assessment, tax, fee, levy or charge upon this transaction or any document creating or transferring an interest or an estate in the Project or any portion thereof, or based upon a reassessment of the Project or any portion thereof by virtue of a “change in ownership”, and as a result thereof, and to the extent that in connection therewith, the Building is reassessed for real estate tax purposes by the appropriate Governmental Authority pursuant to the terms of Proposition 13 (as adopted by the voters of the State of California in the June, 1978 election, or any successor statute).

Notwithstanding any provision of this Section 6.1.2 expressed or implied to the contrary, “Real Property Taxes” shall not include Landlord’s federal or state income, franchise, inheritance or estate taxes or any fines, penalties or interest arising out of a failure by Landlord to pay any Real Property Taxes when due.

6.1.3. **Tenant’s Percentage.** “Tenant’s Percentage” means the percentage set forth in Section 1.13; provided, however, that Landlord reserves the right from time to time during the Term of this Lease to recalculate Tenant’s Percentage, in which case Tenant’s Percentage shall mean that numeric figure obtained by dividing the Rentable Square Feet of the Premises, as adjusted pursuant to Section 2.2, by the total Rentable Square Feet of the Building.

## **6.2 Calculation Methods and Adjustments.**

6.2.1. Subject to the provisions of this Section 6.2, all calculations, determinations, allocations and decisions to be made hereunder with respect to Operating Expenses and Real Property Taxes shall be made on a triple net basis in accordance with the good faith determination of Landlord applying sound accounting and property management principles consistently applied which are consistent with Institutional Owner Practices. Landlord shall have the right to equitably allocate some or all Operating Expenses among particular classes or groups of tenants in the Project or Building (for example, retail tenants) to reflect Landlord’s good faith determination that measurably different amounts or types of services, work or benefits associated with Operating Expenses, as applicable, are being provided to or conferred upon such classes or groups. All discounts, reimbursements, rebates, refunds, or credits (collectively, “Reimbursements”) attributable to Operating Expenses or Real Property Taxes received by Landlord in a particular year shall be deducted from Operating Expenses or Real Property Taxes, as applicable, in the year the same are received; provided, however, if such practice is consistent with Institutional Owner Practices, Landlord may treat Reimbursements generally (or under particular circumstances) on a different basis.

6.2.2. As of the date of this Lease, Tenant shall pay Additional Rent under this Article 6 based on the Operating Expenses and Real Property Taxes for the Project. If the Project at any time contains more than one building, Landlord shall have the right, from time to time, to equitably allocate some or all of the Operating Expenses and/or Real Property Taxes for the buildings comprising the Project among the Building and some or all of the other buildings of the Project. In such event, Landlord shall reasonably determine a method of allocating such Operating Expenses and/or Real Property Taxes attributable to the Building and/or such other building(s) of the Project to the Building and/or such other building(s) and Tenant shall be responsible for paying its proportionate share of such expense(s) which are allocated to the Building. Landlord shall also have the right, from time to time, to require Tenant to pay Tenant’s Percentage of Operating Expenses and Real Property Taxes based solely on the Operating Expenses and Real Property Taxes for the Building.

**6.3 Payment of Tenant’s Percentage of Operating Expenses and Real Property Taxes.** This shall be a triple net Lease and Basic Rent shall be paid to Landlord absolutely net of all costs and expenses, except as specifically provided to the contrary in this Lease. The provisions for payment of Tenant’s Percentage of Operating Expenses and Tenant’s Percentage of Real Property Taxes are intended to pass on to Tenant, and reimburse Landlord for, all costs and expenses of the nature described in Section 6.1 incurred in connection with the ownership, operation, management, insurance, maintenance and repair of the Project. For each calendar year of the Term, Tenant shall pay Tenant’s Percentage of the Operating Expenses and Tenant’s Percentage of the Real Property Taxes paid or incurred by Landlord for such year as Additional Rent. Tenant shall pay such amounts as follows:

6.3.1. **Estimate of Annual Operating Expenses and Real Property Taxes.** At the beginning of each calendar year, or as soon thereafter as practicable, Landlord shall deliver to Tenant a reasonable estimate

("Estimated Statement") of Tenant's Percentage of Operating Expenses and Tenant's Percentage of Real Property Taxes for the then current calendar year. Landlord may revise its estimates of Tenant's Percentage of Operating Expenses and Tenant's Percentage of Real Property Taxes for any year from time to time in its reasonable discretion, and upon receipt of a revised Estimated Statement, Tenant shall begin making payments under this Section 6.3.1 in accordance with such revised estimates. For each calendar year during the Term of this Lease, or portion thereof, Tenant shall pay to Landlord the estimated Tenant's Percentage of Operating Expenses and the estimated Tenant's Percentage of Real Property Taxes, as specified in the Estimated Statement. These estimated amounts shall be divided into twelve (12) equal monthly installments. Tenant shall pay to Landlord, concurrently with the regular monthly Basic Rent payment next due following the receipt of such an Estimated Statement, an amount equal to one monthly installment multiplied by the number of months from the commencement of the calendar year for which such estimates were prepared to the month of such payment, both months inclusive, less any amounts paid under this Section 6.3.1 after commencement of such calendar year based on the last Estimated Statement delivered by Landlord. Subsequent payments under this Section 6.3.1 shall be payable concurrently with the regular monthly Rent payments for the balance of that calendar year and shall continue until the next Estimated Statement is delivered by Landlord. Failure of Landlord to deliver an Estimated Statement for any calendar year shall not relieve Tenant of its obligation to make estimated payments of Tenant's Percentage of Operating Expenses and Tenant's Percentage of Real Property Taxes under this Section 6.3.1.

**6.3.2. Annual Reconciliation.** At the end of each calendar year or as soon thereafter as practicable Landlord shall deliver to Tenant a statement ("Annual Reconciliation") of (a) the actual annual Operating Expenses and Tenant's Percentage of Operating Expenses for the preceding year, and (b) the actual annual Real Property Taxes and Tenant's Percentage of Real Property Taxes for the preceding year. If for any year, the sum of Tenant's Percentage of Operating Expenses and Tenant's Percentage of Real Property Taxes (as specified in the Annual Reconciliation) is less than the total amount of the estimated payments made by Tenant under Section 6.3.1 above for such year, then any such overpayment, or overpayments, shall be credited toward the monthly Rent next falling due after determination by Landlord of such overpayment or overpayments and shall be paid to Tenant in a lump sum for periods after the expiration of the Term. Similarly, if for any year, the sum of Tenant's Percentage of Operating Expenses and Tenant's Percentage of Real Property Taxes (as specified in the Annual Reconciliation) is more than the total amount of the estimated payments made by Tenant under Section 6.3.1 above for such year, then any such underpayment, or underpayments, shall be paid by Tenant to Landlord concurrently with the next regular monthly Basic Rent payment coming due after Tenant's receipt of the Annual Reconciliation (or if the Term shall have expired or terminated, within thirty (30) days following Tenant's receipt of such Annual Reconciliation).

**6.3.3. Survival of Reconciliation.** Even though the Term shall have expired and Tenant shall have vacated the Premises, when the final determination of Tenant's Percentage of actual annual Operating Expenses, and/or of Tenant's Percentage of actual annual Real Property Taxes, for the year in which this Lease terminates is delivered to Tenant, (a) Tenant shall immediately pay any amounts payable to Landlord under Section 6.3.2 above (as a result of any underpayments by Tenant under Section 6.3.1 above), and/or (b) conversely, Landlord shall promptly rebate any amounts payable to Tenant under Section 6.3.2 (as a result of any overpayments under Section 6.3.1 above) provided that no Tenant Default existed at the expiration or earlier termination of this Lease.

**6.4 Review of Annual Reconciliation.** Provided that Tenant is not then in default with respect to its obligations under this Lease and provided further that Tenant strictly complies with the provisions of this Section 6.4, Tenant shall have the right, at Tenant's sole cost and expense and upon thirty (30) days prior Notice ("Review Notice") to Landlord delivered no later than sixty (60) days after an Annual Reconciliation is delivered to Tenant, to reasonably review or audit Landlord's supporting books and records (at Landlord's manager's corporate offices) for any portion of the Operating Expenses or Real Property Taxes for the particular year covered by such Annual Reconciliation, in accordance with the procedures set forth in this Section 6.4. To the extent that any amounts specified in such Annual Reconciliation were not previously paid, Tenant shall pay all such amounts to Landlord simultaneously with Tenant's delivery the Review Notice. Except as expressly provided herein, any review or audit of records under this Section 6.4 shall be at the sole expense of Tenant, shall be conducted by independent certified public accountants of national standing which are not compensated on a contingency fee or similar basis relating to the results of such review or audit and shall be completed within sixty (60) days after Landlord provides Tenant with access to Landlord's supporting books and records. Tenant shall, within thirty (30) days after completion of any such review or audit, deliver Notice to Landlord specifying the items described in the Annual Reconciliation that are claimed to be incorrect by such review or audit ("Dispute Notice"). The right of Tenant under this Section 6.4 may only be exercised once for each year covered by any Annual Reconciliation, and if Tenant fails to deliver a Review

Notice within the sixty (60) day period described above or a Dispute Notice within the thirty (30) day period described above, or if Tenant fails to meet any of the other above conditions of exercise of such right, the right of Tenant to review or audit a particular Annual Reconciliation (and all of Tenant's rights to make any claim relating thereto) under this Section 6.4 shall automatically be deemed waived by Tenant. Tenant acknowledges and agrees that any records of Landlord reviewed or audited under this Section 6.4 (and the information contained therein) constitute confidential information of Landlord, which shall not be disclosed other than to Tenant's accountants performing the review or audit and principals of Tenant who receive the results of the review or audit. If Landlord disagrees with Tenant's contention that an error exists with respect to the Annual Reconciliation in dispute, Landlord shall have the right to cause another review or audit of that portion of the Annual Reconciliation to be made by a firm of independent certified public accountants of national standing selected by Landlord ("Landlord's Accountant"). In the event of a disagreement between the two accounting firms, the review or audit of Landlord's Accountant shall be deemed to be correct and shall be conclusively binding on both Landlord and Tenant. In the event that it is finally determined pursuant to this Section 6.4 that a particular Annual Reconciliation overstated amounts payable by Tenant under this Article 6 with respect to the applicable year by more than five percent (5%), Landlord shall reimburse Tenant for the reasonable costs of Tenant's accountant and Landlord shall be liable for the costs of Landlord's Accountant. In all other cases, Tenant shall reimburse Landlord for the reasonable costs of Landlord's Accountant.

## ARTICLE 7

### SECURITY DEPOSIT

**7.1 Security Deposit.** Tenant shall deposit with Landlord, upon delivery to Landlord of a copy of this Lease executed by Tenant, the Security Deposit designated in Section 1.14. Said sum shall be held by Landlord as security for the full and faithful performance by Tenant of all of the terms, covenants and conditions of this Lease to be kept and performed by Tenant during the Term hereof and any extension hereof. Landlord shall have the right, but not the obligation, to apply all or any portion of the Security Deposit for the payment of Rent or any other sum due hereunder, to cure any default by Tenant of its obligations with respect to the restoration and surrender of the Premises or to cure any Tenant Default at any time, in which event Tenant shall be obligated to restore the Security Deposit to its original amount within ten (10) business days, and Tenant's failure to do so shall be deemed to be a Default under this Lease. Tenant hereby irrevocably waives and relinquishes any and all rights, benefits, or protections, if any, Tenant now has, or in the future may have, under Section 1950.7 of the California Civil Code, any successor statute, and all other provisions of law, now or hereafter in effect, including, but not limited to, any provision of law which: (a) establishes the time frame by which a landlord must refund a security deposit under a lease, or (b) provides that a landlord may claim from a security deposit only those sums reasonably necessary to remedy defaults in the payment of Rent, to repair damage caused by a tenant, or to clean the subject premises. Tenant acknowledges and agrees that: (i) any statutory time frames for the return of a security deposit are superseded by the express period identified in this Section 7.1 and (ii) rather than be so limited, Landlord may claim from the Security Deposit: (A) any and all sums expressly identified in this Section 7.1, and (B) any additional sums reasonably necessary to compensate Landlord for any and all losses or damages caused by Tenant's default of this Lease, including, but not limited to, all damages or Rent due upon termination of this Lease pursuant to Section 1951.2 of the California Civil Code, as amended and recodified from time to time. Landlord shall not be required to keep the Security Deposit separate from its general funds, and Tenant shall not be entitled to interest on such Security Deposit. Within thirty (30) days following the expiration of the Term, Landlord shall (provided that Tenant is not in Default under this Lease) return the Security Deposit to Tenant, less such portion as Landlord shall have applied in accordance with this Section 7.1. Should Landlord sell its interest in the Premises during the Term hereof and if Landlord deposits with (or gives a credit to) the purchaser thereof the then balance of the Security Deposit held by Landlord, Landlord shall be released from any further liability with respect to the Security Deposit.

**7.2 Lease Guaranty.** As a condition precedent to the effectiveness of this Lease, Tenant shall deliver to Landlord a Lease Guaranty in the form of Exhibit "D-1" executed by Guarantor concurrently with the execution and delivery of this Lease.

**7.3 Letter of Credit.** If at any time during the Term Guarantor's annual earnings before interest, taxes, depreciation and amortization ("EBITDA") is less than Twenty Million Dollars (\$20,000,000.00), Tenant shall immediately deliver Notice thereof to Landlord and, within ten (10) business days thereafter, Tenant shall deposit with Landlord the Letter of Credit (as defined in Exhibit "D-2") in the Letter of Credit Amount as set forth in

Section 1.14. The Letter of Credit shall be provided by Guarantor as the applicant thereunder and shall comply with the requirements of Exhibit "D-2" attached hereto and incorporated by reference herein. If Tenant fails to provide such Letter of Credit within the ten (10) business day period set forth above, such failure shall be deemed a Tenant Default, without notice or opportunity to cure. Tenant shall deliver to Landlord a certified earnings report for Guarantor ("Earnings Report") within ten (10) business days after the Commencement Date and thereafter within ten (10) business days after Landlord's written request therefor (or as soon as reasonably practicable after the preparation of same by Guarantor), which request shall not be made more frequently than once in any consecutive twelve (12) month period unless Tenant is in default under this Lease. The Earnings Report shall include Guarantor's then current EBITDA; however, delivery of such Earnings Report shall not relieve Tenant of the obligation to immediately notify Landlord in writing if Guarantor's EBITDA is less than Twenty Million Dollars (\$20,000,000.00).

## ARTICLE 8

### USE

**8.1 General.** Tenant shall use the Premises for the Permitted Use set forth in Section 1.16 above, and shall not use or permit the Premises to be used for any other purpose without the prior written consent of Landlord. Nothing contained herein shall be deemed to give Tenant any exclusive right to such use in the Project or any portion thereof (excluding only the Premises).

### **8.2 Laws/CC&R's.**

8.2.1. Tenant shall not use or occupy the Premises in violation of any applicable laws, regulations, rules, orders, statutes or ordinances of any Governmental Authority, office, board or private entity in effect on or after the Effective Date and applicable to the Project or the use or occupancy of the Project, including, without limitation, the rules, regulations and requirements of the Pacific Fire Rating Bureau, and of any similar body, the Americans with Disabilities Act (42 U.S.C. Section 12101 et seq.) ("ADA") and Hazardous Material Laws (as defined in Section 8.3.7 below) (collectively, "Laws") or in violation of any government-issued permit for the Building or Project or any of the Rules and Regulations (as defined below), and shall, upon Notice from Landlord, discontinue any use of the Premises which is declared by any Governmental Authority having jurisdiction to be a violation of any Laws, or of any government-issued permit for the Building or Project. On or before the Commencement Date, Landlord shall cause the Building and the Premises to comply with all applicable Laws (including, but not limited to, any obligation imposed pursuant to the ADA). Except as expressly set forth in the immediately preceding sentence, Tenant shall cause the Premises to comply with all applicable Laws and shall comply with any direction of any Governmental Authority having jurisdiction which shall, by reason of the nature of Tenant's use or occupancy of the Premises, impose any obligation (including, but not limited to, any obligation imposed pursuant to the ADA as a result of Tenant's particular use of the Premises), upon Tenant or Landlord with respect to the Premises or with respect to the use or occupancy thereof; provided, however, unless resulting from an Alteration performed by Tenant or by Tenant's specific use of the Premises (as opposed to general office and laboratory/research and development use), Tenant shall not be responsible for any obligation imposed by the ADA after completion of the initial Tenant Improvements with respect to the Common Areas (except its prorata share of compliance costs included in Operating Expenses). Tenant shall comply with all rules, orders, regulations and requirements of the Pacific Fire Rating Bureau or any other organization performing a similar function. Tenant shall not do or permit to be done in or about the Premises anything which causes the insurance on the Premises, the Building or the Project or any portion thereof to be canceled or the cost thereof increased. Tenant shall promptly, upon demand, reimburse Landlord for any additional premium charged for any insurance policy by reason of Tenant's failure to comply with the provisions of this Section 8.2. In determining whether increased premiums are a result of Tenant's use of the Premises, a schedule issued by the organization computing the insurance rate on the Project or the Tenant Improvements showing the various components of such rate shall be conclusive evidence of the several items and charges which make up such rate. Tenant shall promptly comply with all reasonable requirements of the insurance authority or any present or future insurer relating to the Premises. Tenant shall not do or permit anything to be done in or about the Premises which will in any way obstruct or interfere with the rights of Landlord or other tenants or occupants of the Building, the Parking Area or the Project, or injure or unreasonably annoy them, or use or allow the Premises to be used for any improper, immoral, unlawful or objectionable purpose, nor shall Tenant cause, maintain or permit any legal nuisance in or about the Premises or the Project. Tenant shall comply with all restrictive covenants and obligations created by private contracts that affect the use and operation of

the Premises, the Building, the Common Areas or any other portion of the Project. Tenant shall not commit or suffer to be committed any waste in or upon the Premises or the Project and shall keep the Premises in first class repair and appearance. If any governmental license or permit shall be required for the proper and lawful conduct of Tenant's business in the Premises, Tenant, at its expense, shall procure, maintain and comply with the terms and conditions of each such license or permit.

Without limiting the generality of the foregoing:

(A) Landlord and Tenant agree to cooperate, and Tenant shall use its commercially reasonable efforts to participate in governmentally mandated regulations or voluntary traffic management programs applicable to businesses located in the area or to the Project. Neither this Section 8.2.1(A) nor any other provision of this Lease, however, is intended to or shall create any rights or benefits in any other person, firm, company, Governmental Authority or the public. Upon Tenant's failure to comply with this Section 8.2.1(A), Landlord may suspend Tenant's parking privileges in addition to taking such other remedies as may be available to a landlord against a defaulting tenant.

(B) Landlord and Tenant agree to cooperate and comply with any and all guidelines or controls imposed upon either Landlord or Tenant by any Governmental Authority or by any energy conservation association to which Landlord is a party concerning energy management

(C) All costs, fees, assessments and other charges paid by Landlord to any Governmental Authority or voluntary association in connection with any program of the types described in Sections 8.2.1(A) and 8.2.1(B) above, and all costs and fees paid by Landlord to any Governmental Authority or third party pursuant to or to effect such program, shall be included in Operating Expenses for the purposes of Article 6, whether or not specifically listed in such Article 6.

(D) Tenant shall be liable for all penalties, noncompliance costs or other losses, costs or expenses incurred by Landlord primarily as a result of Tenant's failure to comply with any of the provisions of Sections 8.2.1(A) through 8.2.1(C) above. Any such amount shall be payable by Tenant to Landlord within ten (10) business days after Landlord's demand therefor as Additional Rent. Failure of Tenant to pay any amount due pursuant to this Section 8.2.1(D) when due shall be deemed a Tenant Default pursuant to this Lease.

8.2.2. Tenant shall be responsible for all structural engineering reasonably required to determine structural load for any of Tenant's furniture, fixtures, equipment, other personal property, Alterations and Tenant Improvements; provided that Landlord reserves the right to prescribe the weight and position of all file cabinets, safes and heavy equipment which Tenant desires to place in the Premises so as to properly distribute the weight thereof. Further, Tenant's business machines and mechanical equipment which cause vibration or noise that may be transmitted to the Building structure or to any other space in the Building shall be so installed, maintained and used by Tenant as to eliminate such vibration or noise.

### **8.3 Hazardous Materials.**

8.3.1. Tenant shall not cause or permit any Hazardous Materials (as defined in Section 8.3.7 below) to be brought upon, kept or used in or about the Premises, the Building or the Project in violation of applicable Laws by Tenant or any of its employees, agents, representatives, contractors or invitees (collectively with Tenant, each a "Tenant Party"). If (a) Tenant breaches such obligation, (b) the presence of Hazardous Materials as a result of such a breach results in contamination of the Project, any portion thereof, or any adjacent property, (c) contamination of the Premises otherwise occurs during the Term or any extension or renewal hereof or holding over hereunder or (d) contamination of the Project occurs as a result of Hazardous Materials that are placed on or under or are released into the Project by a Tenant Party, then Tenant shall indemnify, save, defend (at Landlord's option and with counsel reasonably acceptable to Landlord) and hold the Landlord Indemnified Parties (as defined in Section 22.1.2 below) harmless from and against any and all Claims (as defined in Article 20 below) of any kind or nature, including (i) diminution in value of the Project or any portion thereof, (ii) damages for the loss or restriction on use of rentable or usable space or of any amenity of the Project, (iii) damages arising from any adverse impact on marketing of space in the Project or any portion thereof and (iv) sums paid in settlement of Claims that arise before, during or after the Term as a result of such breach or contamination. This indemnification by Tenant includes costs incurred in connection with any investigation of site conditions or any clean-up, remedial, removal or restoration work required by any Governmental Authority because of Hazardous Materials present in the air, soil or

groundwater above, on, under or about the Project. Without limiting the foregoing, if the presence of any Hazardous Materials in, on, under or about the Project, any portion thereof or any adjacent property caused or permitted by any Tenant Party results in any contamination of the Project, any portion thereof or any adjacent property, then Tenant shall promptly take all actions at its sole cost and expense as are necessary to return the Project, any portion thereof or any adjacent property to its respective condition existing prior to the time of such contamination; provided that Landlord's written approval of such action shall first be obtained, which approval Landlord shall not unreasonably withhold; and provided, further, that it shall be reasonable for Landlord to withhold its consent if such actions could have a material adverse long-term or short-term effect on the Project, any portion thereof or any adjacent property. Tenant's obligations under this Section shall not be affected, reduced or limited by any limitation on the amount or type of damages, compensation or benefits payable by or for Tenant under workers' compensation acts, disability benefit acts, employee benefit acts or similar legislation. Notwithstanding anything to the contrary in this Lease, Tenant shall have no liability, responsibility, duty or obligation for any Hazardous Materials conditions existing as of the Commencement Date to the extent not caused, contributed to or exacerbated by a Tenant Party.

8.3.2. Landlord acknowledges that it is not the intent of this Article to prohibit Tenant from operating its business for the Permitted Use. Tenant may operate its business according to the custom of Tenant's industry so long as the use or presence of Hazardous Materials is strictly and properly monitored in accordance with applicable Laws. As a material inducement to Landlord to allow Tenant to use Hazardous Materials in connection with its business, Tenant agrees to deliver to Landlord (a) a list identifying each type of Hazardous Material to be present at the Premises that is subject to regulation under any environmental applicable Laws (other than customary quantities of typical office and cleaning supplies, provided no permits or approvals from, and no notice or disclosure to, any Governmental Authorities is required in connection with the presence of such supplies at the Premises), (b) a list of any and all approvals or permits from Governmental Authorities required in connection with the presence of such Hazardous Material at the Premises and (c) correct and complete copies of (i) notices of violations of applicable Laws related to Hazardous Materials and (ii) plans relating to the installation of any storage tanks to be installed in, on, under or about the Project (provided that installation of storage tanks shall only be permitted after Landlord has given Tenant its written consent to do so, which consent Landlord may withhold in its sole and absolute discretion) and closure plans or any other documents required by any and all Governmental Authorities for any storage tanks installed in, on, under or about the Project for the closure of any such storage tanks (collectively, "Hazardous Materials Documents"). Tenant shall deliver to Landlord updated Hazardous Materials Documents, within fourteen (14) days after receipt of a written request therefor from Landlord, not more often than once per year, unless (m) there are any changes to the Hazardous Materials Documents or (n) Tenant initiates any Alterations or changes its business, in either case in a way that involves any material increase in the types or amounts of Hazardous Materials. For each type of Hazardous Material listed, the Hazardous Materials Documents shall include (t) the chemical name, (u) the material state (e.g., solid, liquid, gas or cryogen), (v) the concentration, (w) the storage amount and storage condition (e.g., in cabinets or not in cabinets), (x) the use amount and use condition (e.g., open use or closed use), (y) the location (e.g., room number or other identification) and (z) if known, the chemical abstract service number. Notwithstanding anything in this Section to the contrary, Tenant shall not be required to provide Landlord with any Hazardous Materials Documents containing information of a proprietary nature, which Hazardous Materials Documents, in and of themselves, do not contain a reference to any Hazardous Materials or activities related to Hazardous Materials. Landlord may, at Landlord's expense, cause the Hazardous Materials Documents to be reviewed by a person or firm qualified to analyze Hazardous Materials to confirm compliance with the provisions of this Lease and with applicable Laws. In the event that a review of the Hazardous Materials Documents indicates non-compliance with this Lease or applicable Laws, Tenant shall, at its expense, diligently take steps to bring its storage and use of Hazardous Materials into compliance. Notwithstanding anything in this Lease to the contrary or Landlord's review into Tenant's Hazardous Materials Documents or use or disposal of hazardous materials, however, Landlord shall not have and expressly disclaims any liability related to Tenant's or other tenants' use or disposal of Hazardous Materials, it being acknowledged by Tenant that Tenant is best suited to evaluate the safety and efficacy of its Hazardous Materials usage and procedures.

8.3.3. At any time, and from time to time, Landlord shall have the right to conduct appropriate tests of the Project or any portion thereof to demonstrate that Hazardous Materials are present or that contamination has occurred due to the acts or omissions of a Tenant Party. Tenant shall pay all reasonable costs of such tests if such tests reveal that Hazardous Materials exist at the Project in violation of Tenant's obligations under this Lease.

8.3.4. Tenant shall not install or utilize any underground or other storage tanks storing Hazardous Materials on the Premises without Landlord's prior written consent, which consent may be withheld in

Landlord's sole and absolute discretion. Subject to the foregoing, if underground or other storage tanks storing Hazardous Materials installed or utilized by Tenant are located on the Premises, or are hereafter placed on the Premises by Tenant (or by any other party, if such storage tanks are utilized by Tenant), then Tenant shall monitor the storage tanks, maintain appropriate records, implement reporting procedures, properly close any underground storage tanks, and take or cause to be taken all other steps necessary or required under the applicable Laws.

8.3.5. Tenant shall promptly report to Landlord any actual or suspected presence of toxic or potentially toxic mold or water intrusion at the Premises of which Tenant has notice.

8.3.6. Tenant's obligations under this Section 8.3 shall survive the expiration or earlier termination of the Lease. During any period of time needed by Tenant or Landlord after the termination of this Lease to complete the removal from the Premises of any Hazardous Materials, Tenant shall be deemed a holdover tenant and subject to the provisions of Section 8.3.

8.3.7. As used in this Lease, the term "Hazardous Material" means any toxic, explosive, corrosive, flammable, infectious, radioactive, carcinogenic, mutagenic or otherwise hazardous substance, material or waste that is or becomes regulated by applicable Laws or any Governmental Authority, and the term "Hazardous Material Laws" means and includes all now and hereafter existing statutes, laws, ordinances, codes, regulations, rules, rulings, orders, decrees, directives, policies and requirements by any federal, state or local governmental authority regulating, relating to, or imposing liability or standards of conduct concerning public health and safety, the environment or any Hazardous Material, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (42 U.S.C. Section 9601 et seq.), Resource Conservation and Recovery Act, as amended (42 U.S.C. Section 6901 et seq.), and California Health and Safety Code (Sections 25100, 25249.5, 25316 and 39000, et seq. in each case).

8.3.8. Notwithstanding anything to the contrary in this Lease, Landlord shall have sole control over the equitable allocation of control areas (as defined in the California Building Standards Code) within the Project for the storage of Hazardous Materials. Without limiting the foregoing, if the use of Hazardous Materials by Tenant is such that Tenant utilizes fire control areas in the Project in excess of Tenant's Percentage of the Building or the Project, as applicable, then Tenant shall, at its sole cost and expense and upon Landlord's written request, establish and maintain a separate area of the Premises classified by the California Building Standards Code as a "Group H" occupancy area for the use and storage of Hazardous Materials, or take such other action as is necessary to ensure that its share of the fire control areas of the Building and the Project is not greater than Tenant's Percentage of the Building or the Project, as applicable. Notwithstanding anything in this Lease to the contrary, Landlord shall not have and expressly disclaims any liability related to Tenant's or other tenants' use or disposal of fire control areas, it being acknowledged by Tenant that Tenant and other tenants are best suited to evaluate the safety and efficacy of its Hazardous Materials usage and procedures.

**8.4 Odors and Exhaust.** Tenant acknowledges that Landlord would not enter into this Lease with Tenant unless Tenant assured Landlord that under no circumstances will any other occupants of the Building or the Project (including persons legally present in any outdoor areas of the Project) be subjected to odors or fumes (whether or not noxious), and that the Building and the Project will not be damaged by any exhaust, in each case from Tenant's operations. Landlord and Tenant therefore agree as follows:

8.4.1. Tenant shall not cause or permit (or conduct any activities that would cause) any release of any odors or fumes of any kind from the Premises.

8.4.2. If the Building has a ventilation system that, in Landlord's judgment, is adequate, suitable, and appropriate to vent the Premises in a manner that does not release odors affecting any indoor or outdoor part of the Project, Tenant shall vent the Premises through such system. If Landlord at any time determines that any existing ventilation system is inadequate, or if no ventilation system exists, Tenant shall in compliance with applicable Laws vent all fumes and odors from the Premises (and remove odors from Tenant's exhaust stream) as Landlord requires. The placement and configuration of all ventilation exhaust pipes, louvers and other equipment shall be subject to Landlord's approval. Tenant acknowledges Landlord's legitimate desire to maintain the Project (indoor and outdoor areas) in an odor-free manner, and Landlord may require Tenant to abate and remove all odors in a manner that goes beyond the requirements of applicable Laws.

8.4.3. Tenant shall, at Tenant's sole cost and expense, provide odor eliminators and other devices (such as filters, air cleaners, scrubbers and whatever other equipment may in Landlord's judgment be necessary or appropriate from time to time) to completely remove, eliminate and abate any odors, fumes or other substances in Tenant's exhaust stream that, in Landlord's judgment, emanate from Tenant's Premises. Any work Tenant performs under this Section shall constitute Alterations.

8.4.4. Tenant's responsibility to remove, eliminate and abate odors, fumes and exhaust shall continue throughout the Term. Landlord's construction of the Tenant Improvements shall not preclude Landlord from requiring additional measures to eliminate odors, fumes and other adverse impacts of Tenant's exhaust stream (as Landlord may designate in Landlord's discretion). Tenant shall install additional equipment as Landlord requires from time to time under the preceding sentence. Such installations shall constitute Alterations.

8.4.5. If Tenant fails to install satisfactory odor control equipment within ten (10) business days after Landlord's demand made at any time, then Landlord may, without limiting Landlord's other rights and remedies, require Tenant to cease and suspend any operations in the Premises that, in Landlord's determination, cause odors, fumes or exhaust. For example, if Landlord determines that Tenant's production of a certain type of product causes odors, fumes or exhaust, and Tenant does not install satisfactory odor control equipment within ten (10) business days after Landlord's request, then Landlord may require Tenant to stop producing such type of product in the Premises unless and until Tenant has installed odor control equipment satisfactory to Landlord.

## ARTICLE 9

### MOLD

Tenant agrees to use commercially reasonable efforts to maintain the Premises in a manner that prevents the occurrence of an infestation of toxic, or potentially toxic, mold, mildew, microbial growths, and any associated mycotoxins in the Premises, and shall comply, at a minimum, with the following: (a) Tenant agrees to immediately fix/abate any water intrusion in the Premises to the extent such action is required to be undertaken by Tenant pursuant to its maintenance obligations under this Lease, or, if not within Tenant's maintenance obligations, then Tenant agrees to immediately notify Landlord of any such water intrusion; (b) Tenant agrees to use all reasonable care to close all windows and other openings in the Premises to prevent outdoor water from penetrating into the interior unit; (c) Tenant agrees to clean and dry any visible moisture on windows, walls, and other surfaces, including personal property, as soon as reasonably possible after discovery; (d) Tenant agrees to keep the Premises free of dirt and debris that could reasonably be expected to harbor mold; (e) Tenant agrees to regularly clean and sanitize kitchens and other surfaces within the Premises where water, moisture condensation, and mold could reasonably be expected to collect; (f) Tenant agrees not to interfere with regular air flow and circulation throughout the Premises; (g) Tenant agrees to limit the indoor watering of plants; (h) Tenant agrees to use commercially reasonable efforts to prevent the overflow or release of water from bathrooms or kitchens, including but not limited to toilets, sinks, kitchen appliances, and other receptacles of water; (i) Tenant agrees not to obstruct fresh air supply to furnace, air conditioner or heater ducts; (j) Tenant agrees to maintain and not obstruct ventilation at all locations in the Premises; (k) Tenant agrees to use commercially reasonable efforts to prevent the clogging of all plumbing within the Premises; (l) Tenant agrees not to engage in any conduct that would reasonably be expected to promote or create mold growth; (m) Tenant agrees to report, within forty-eight (48) hours after Tenant discovery, the following to Landlord: (i) any non-working fan, heater, air conditioner or ventilation system; (ii) plumbing leaks, drips, sweating pipes, wet spots; (iii) overflows from bathroom, kitchen, or other facilities, including, but not limited to, tubs, showers, shower enclosures, toilets, sinks, kitchen appliances, or other receptacles of water, especially in cases where the overflow may have permeated walls, floors, ceilings or fixtures; (iv) water intrusion of any kind; (v) any mold or black or brown spots or moisture on surfaces inside the Premises; (vi) broken plumbing systems or standing water near structures within the Premises; and (vii) any odors consistent with mold growth within the Premises. Tenant agrees not to commence any mold investigation, testing, remediation or repair without first obtaining the prior written consent of Landlord. If Landlord consents to any mold investigation, remediation or repair by Tenant, Tenant agrees to not use any methods of mold investigation, testing, remediation and repair that are speculative and not generally accepted within the scientific community, and Landlord reserves the right to approve any and all third parties retained by Tenant to conduct any such mold investigation, testing, remediation and repair. As of the Effective Date such speculative and generally unaccepted methods of investigation, testing, remediation and repair include: (A) any use of settled dust vacuum sampling; (B) any use of interior wall cavity air sampling; (C) Tenant's

use of do-it-yourself mold investigation kits; and (D) use of any other methods that have not been peer reviewed and generally accepted within the scientific community.

### NOTICES

**10.1 Method of Delivery.** Any notice, consent, approval or objection required or permitted by this Lease (a “Notice”) shall be in writing and may be delivered: (a) in person (by hand or by messenger or courier service) or (b) by certified or registered mail or United States Postal Service Express Mail, with postage prepaid, or (c) by a nationally recognized overnight delivery service that provides delivery verification, or (d) by facsimile transmission, addressed to Tenant at the Premises and to Landlord at each of the addresses designated in Section 1.2, and shall be deemed sufficiently given if served in a manner specified in this Article 10. Either party may specify a different address for Notice purposes by Notice to the other.

**10.2 Receipt of Notices.** Any Notice sent by registered or certified mail, return receipt requested, shall be deemed given on the date of delivery shown on the receipt card, or if no delivery date is shown, the postmark thereon. Notices delivered by United States Postal Service Express Mail or overnight delivery service that guarantees next day delivery shall be deemed given on the next business day after delivery of the same to the United States Postal Service or overnight delivery service. If any Notice is transmitted by facsimile transmission or similar means, the same shall be deemed served or delivered upon telephone confirmation of receipt of the transmission thereof, provided a copy is also delivered on or before the next business day via one of the methods in Section 10.1(a)-(c) above. If any Notice is received on a Saturday, Sunday or legal holiday, it shall be deemed received on the next business day.

**10.3 Statutory Service of Notice.** When a statute permits, or requires, service of a notice in a particular manner, service of that notice (or a similar Notice permitted, or required, by this Lease) in the manner permitted, or required, by this Article 10 shall replace and satisfy the statutory service-of-notice procedures, including, but not limited to, those required by California Code of Civil Procedure Section 1162, or any similar or successor statute.

## ARTICLE 11

### BROKERS

Tenant warrants that it has had no dealings with any real estate broker, finder or agent in connection with the negotiation of this Lease except for the broker(s) whose name(s) is (are) set forth in Section 1.16, whose commission shall be payable by Landlord pursuant to one or more separate agreements, and that it knows of no other real estate broker, finder or agent who is or might be entitled to a commission in connection with this Lease. Tenant shall be solely responsible for the payment of any fee due to any other broker, finder, agent or other party claiming under Tenant, and shall hold Landlord free and harmless against any liability in respect thereto, including attorneys’ fees and costs incurred by Landlord in connection therewith.

## ARTICLE 12

### HOLDING OVER

If Tenant holds over after the expiration or earlier termination of the Term hereof without the express written consent of Landlord, Tenant shall become a Tenant at sufferance, at a Basic Rent equal to one hundred fifty percent (150%) of the Rent payable during the last month of the Term, and otherwise subject to the terms, covenants and conditions herein specified, so far as applicable. Acceptance by Landlord of Rent after such expiration or earlier termination without Landlord’s prior written consent shall not waive Landlord’s right to evict Tenant without thirty (30) days prior written notice. The foregoing provisions of this Article 12 are in addition to and do not affect Landlord’s right of reentry or any rights of Landlord hereunder or as otherwise provided by law. If Tenant fails to surrender the Premises upon the expiration or earlier termination of this Lease, Tenant shall indemnify, defend and hold Landlord harmless from all Claims, including, without limitation, any claim made by any succeeding tenant founded on or resulting from such failure to surrender, lost profits and other consequential damages, and any and all

attorneys' fees and costs incurred by Landlord in connection Tenant's failure to surrender the Premises in accordance with the provisions of this Lease on the expiration or earlier termination of this Lease.

## ARTICLE 13

### TAXES ON TENANT'S PROPERTY

**13.1 Personal Property and Fixtures.** Tenant shall be liable for and shall pay, at least ten (10) days before delinquency, all taxes levied against any of Tenant's Personal Property (defined below) placed by Tenant or any Tenant Party in or about the Premises. If any such taxes on Tenant's Personal Property are levied against Landlord or Landlord's property, or if the assessed value of the Premises, Building or Project is increased by the inclusion therein of a value placed upon such Tenant's Personal Property, and if Landlord, after Notice to Tenant, pays the taxes based upon such increased assessment, which Landlord shall have the right to do regardless of the validity thereof (but only under proper protest if so requested by Tenant), Tenant shall, upon demand, repay to Landlord the taxes so levied against Landlord, or the portion of such taxes resulting from such increase in the assessment.

**13.2 Tenant Improvements.** If the Leasehold Improvements (defined below) in the Premises, whether installed and/or paid for by Landlord or Tenant and whether or not affixed to the real property so as to become a part thereof, are assessed for real property tax purposes at a valuation higher than the valuation at which tenant improvements conforming to Landlord's "Building Standard Improvements" (as defined in the Work Letter Agreement) for other space in the Building are assessed, then the real property taxes and assessments levied against the Building or Project by reason of such excess assessed valuation shall be deemed to be taxes levied against Tenant's Personal Property and shall be governed by the provisions of Section 13.1 above. If the records of the County Assessor are available and sufficiently detailed to serve as a basis for determining whether the Leasehold Improvements are assessed at a higher valuation than Landlord's "Building Standard Improvements", such records shall be binding on both Landlord and Tenant. If the records of the County Assessor are not available or sufficiently detailed to serve as a basis for making said determination, the actual cost of construction shall be used.

**13.3 Additional Taxes.** Tenant shall pay to Landlord, within ten (10) days of Landlord's demand therefor, and in such manner and at such times as Landlord shall direct from time to time by written notice to Tenant, any excise, sales, privilege or other tax, assessment or other charge (other than income or franchise taxes) imposed, assessed or levied by any Governmental Authority upon Landlord on account of: (a) the Rent payable by Tenant hereunder (or any other benefit received by Landlord hereunder), including, without limitation, any gross receipts tax, license fee or excise tax levied by any Governmental Authority, (b) this Lease, Landlord's business as a lessor hereunder, and the possession, leasing, operation, management, maintenance, alteration, repair, use or occupancy of any portion of the Premises (including, without limitation, any applicable possessory interest taxes), (c) this transaction or any document to which Tenant is a party creating or transferring an interest or an estate in the Premises, or (d) otherwise in respect of or as a result of the agreement or relationship of Landlord and Tenant hereunder.

## ARTICLE 14

### CONDITION OF PREMISES

**14.1 As Is.** Tenant acknowledges and agrees that, except with respect to the Landlord Work: (a) Tenant has inspected, or has had the opportunity to inspect, the Project, the Building and the Premises and, subject to Landlord's obligations under this Lease, acknowledges that the same are acceptable for Tenant's intended use and agrees to accept them in their "AS IS, WHERE IS" condition, (b) except as expressly provided in this Lease, neither Landlord nor any agent of Landlord has made any representation or warranty with respect to the Premises, the Building, the Parking Area or any other portion of the Project or with respect to the condition thereof or the suitability of the same for the conduct of Tenant's business, (c) except as expressly provided in the Work Letter Agreement and Section 16.2 below, and subject to the express representations and warranties of Landlord set forth in this Lease, Landlord shall have no obligation to alter, remodel, improve, repair, decorate or paint the Premises or any part thereof, or any portion of the Building or Project and (d) except as expressly provided in this Lease, Landlord shall have no obligation to provide Tenant with any allowance, rent credit or abatement in connection with Tenant's entering into this Lease. The taking of possession of the Premises by Tenant shall conclusively establish that the Project, the Building and the Premises were at such time in good order and clean condition and that Landlord shall

have discharged all of its obligations under the Work Letter Agreement (subject to any punch list items as set forth in the Work Letter Agreement), and the execution of this Lease by Tenant shall conclusively establish that the Premises, the Building, the Project and the Parking Area were in good and sanitary order, condition and repair at such time, except for latent defects, if any. Without limiting the foregoing, Tenant's execution of the Memorandum of Terms shall constitute a specific acknowledgment and acceptance of the various start-up inconveniences that may be associated with the use of the Building, the Parking Area and other portions of the Project, such as certain construction obstacles (e.g., scaffolding), delays in use of freight elevator service, unavailability of certain elevators for Tenant's use, uneven air-conditioning services and other typical conditions incident to recently constructed (or recently modified) office and laboratory/research and development buildings. Tenant (for itself and all other claiming through Tenant) hereby irrevocably waives and releases its right to terminate this Lease under Section 1932(1) of the California Civil Code. Notwithstanding anything to the contrary in this Lease, Landlord represents, to the actual knowledge of Steve Bollert, without a duty to inquire or investigate, that, as of the Commencement Date, (a) the Premises are not in material violation of any Laws, and (b) there are no damages or defects existing in the Premises that would not be visible upon an in-person inspection of the Premises.

**14.2 Limited Warranty.** Notwithstanding the foregoing provisions of Section 14.1, Landlord hereby warrants that all Building Systems (as that term is defined in Section 15.1 below) servicing the Premises shall be in good working order and condition for a period of twelve (12) months beginning on the Commencement Date. In the event of a failure of the foregoing warranty, provided that Tenant delivers Notice thereof to Landlord within the applicable twelve (12) month period, then Landlord shall cure such failure within a reasonable period of time after receiving such Notice and the cost thereof shall be at Landlord's sole cost and expense and shall not be included in Operating Expenses, except to the extent such failure is caused by Tenant or any Tenant Party, in which event Tenant shall reimburse Landlord for the cost to cure such failure.

## ARTICLE 15

### ALTERATIONS

**15.1 Alterations and Major Alterations.** Except for Permitted Alterations, Tenant shall make no alterations, additions, or improvements in or to the Premises (collectively, the "Alterations") without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed for all Alterations other than Major Alterations (which shall be granted in Landlord's sole discretion), and then only by licensed contractors or mechanics approved by Landlord in writing, which approval shall not be unreasonably withheld, conditioned or delayed (provided that any contractors performing any Major Alterations shall be subject to approval by Landlord in its sole and absolute discretion). Tenant shall submit to Landlord plans and specifications for any proposed Alterations to the Premises, and may not make such Alterations until Landlord has approved such plans and specifications and the contractor performing any Alterations in writing. Tenant shall construct such Alterations in accordance with the plans and specifications approved by Landlord and in compliance with all applicable Laws, and shall not amend or modify such plans and specifications without Landlord's prior written consent. If any proposed Alterations require the consent or approval of any lessor of a superior lease or the holder of a mortgage encumbering the Premises, Tenant acknowledges that such consent or approval must be secured prior to the construction of such Alterations. Tenant agrees not to construct or erect partitions or other obstructions that might interfere with Landlord's free access to mechanical installations or service facilities of the Building or interfere with the moving of Landlord's equipment to or from the enclosures containing said installations or facilities. All Alterations shall be done at such times and in such manner as Landlord may from time to time reasonably designate. Tenant will pay the entire cost and expense of all Alterations, including, without limitation, for any painting, restoring or repairing of the Premises or the Building necessitated by the Alterations, and Landlord's actual out-of-pocket third party review and Landlord's supervision fee in an amount equal to five percent (5%) of the cost of the Alterations in question (except for Permitted Alterations). Tenant will also obtain and/or require: (a) builder's "all-risk" insurance (or the equivalent thereof) in an amount at least equal to the replacement value of the Alterations; (b) liability insurance insuring Tenant and each of Tenant's contractors against construction related risks in at least the form, amounts and coverage required of Tenant under Article 22; and (c) if requested by Landlord, demolition (if applicable) and payment and performance bonds in an amount not less than the full cost of the Alterations. The insurance policies described in clause (b) of this Section 15.1 must name Landlord, Landlord's lender (if any), Bollert/LeBeau Inc. and/or Bioscience Properties, Inc. ("Property Manager") and other parties reasonably requested by Landlord as additional insureds, specifically including completed operations. Tenant covenants and agrees that all Alterations done by Tenant shall be performed in full compliance with all Laws. If any Governmental Authority

requires any alterations or modifications to the Building or the Premises as a result of Tenant's Permitted Use of the Premises or as a result of any Alteration to the Premises made by or on behalf of Tenant, Tenant will pay the cost of all such alterations or modifications. If any such Alterations involve any modifications to (i) the structural portions of the Building, (ii) the mechanical, electrical, plumbing, fire/life safety or heating, ventilating and air conditioning systems of the Building (collectively, "Building Systems") or (iii) any portion of the Building outside of the interior of the Premises (a "Major Alteration"), it shall be reasonable for Landlord to withhold its consent to any such Major Alterations and it shall be reasonable for Landlord to condition its consent to any Major Alterations on Landlord making the Major Alterations, provided that Landlord may first require Tenant to deposit with Landlord an amount sufficient to pay the cost of the Major Alterations (including, without limitation, reasonable overhead, administrative costs and profit). Before commencing any work, Tenant shall give Landlord at least ten (10) days' Notice of the proposed commencement of such work and shall, if required by Landlord, deliver a copy of the completion and payment bond required by Landlord in form, substance and amount satisfactory to Landlord. "Permitted Alterations" means only cosmetic and non-structural Alterations and usual and customary maintenance and repairs of Leasehold Improvements if and to the extent that such cosmetic and non-structural Alterations, maintenance and repairs: (A) are of a type and extent which are customarily permitted to be made without consent by landlords acting consistently with Institutional Owner Practices leasing similar space for similar uses to similar tenants, (B) are in compliance with the Rules and Regulations and all applicable Laws, (C) are not Major Alterations, and (D) do not cost more than Fifty Thousand and 00/100 Dollars (\$50,000.00) in each instance.

**15.2 Removal of Alterations and Tenant's Personal Property.** The Tenant Improvements together with all Alterations upon the Premises made by Tenant after the Commencement Date, including, without limitation, all wall coverings, built-in cabinet work, paneling and the like (collectively, "Leasehold Improvements"), shall, at Landlord's election given at the time Landlord approves such Alterations, either be removed by Tenant or shall become the property of Landlord and shall remain upon, and be surrendered with, the Premises at the end of the Term hereof; provided, however, that if Landlord, by Notice to Tenant at the time Landlord approves such Alterations, requires Tenant to remove any such Leasehold Improvements, Tenant shall repair all damage resulting from such removal or, at Landlord's option, shall pay to Landlord the cost of such removal, as reasonably estimated by Landlord, prior to the expiration of the Term of this Lease. Notwithstanding the foregoing, Tenant shall not be required, nor have the right, to remove the Tenant Improvements furnished pursuant to the Work Letter Agreement. All articles of personal property and all business and trade fixtures, cabling, machinery and equipment, furniture and movable partitions owned by Tenant or any other Tenant Party or that are installed by or for Tenant or any other Tenant Party at its expense in the Premises (collectively, "Tenant's Personal Property") shall be and remain the property of Tenant and shall be removed by Tenant prior to the expiration of the Term, and Tenant shall repair all damage to the Premises, if any, resulting from such removal. If Tenant shall fail to remove any of the foregoing from the Premises prior to termination of this Lease for any cause whatsoever, Tenant shall be deemed to be holding over in the Premises without the consent of Landlord and Landlord may, at its option, remove the same in any manner that Landlord shall choose, and store the same without liability to Tenant for loss thereof. In such event, Tenant agrees to pay to Landlord upon demand, any and all expenses incurred in such removal (including court costs and attorneys' fees) and storage charges thereon, for any length of time that the same shall be in Landlord's possession or control. Landlord may, at its option, without Notice, sell such property, or any of the same, at a private sale and without legal process, for such price as Landlord may obtain and apply the proceeds of such sale to any amounts due under this Lease from Tenant to Landlord and/or to all expenses, including attorneys' fees and costs, incident to the removal and/or sale thereof.

## ARTICLE 16

### REPAIRS

**16.1 Tenant Obligations.** Tenant shall, when and if needed, at Tenant's sole cost and expense and subject to Section 14.2 and Article 15 above, make all repairs to the Premises and every part thereof (including all structural and non-structural parts, but excluding the roof membrane) to maintain the Premises in the condition and repair that existed as of the Commencement Date, reasonable wear and tear and casualty damage excepted, and free from any Hazardous Materials. Except as expressly set forth in Section 14.2 above and Section 16.2 below, all Supplemental Equipment and all Building Systems exclusively serving the Premises shall be maintained, repaired and replaced as needed by Tenant at Tenant's sole cost and expense and Landlord shall have no liability for the operation, repair, maintenance or replacement of any Supplemental Equipment, nor shall Landlord have any liability for the operation, repair or maintenance of any Building Systems exclusively serving the Premises. "Supplemental

Equipment” means any items that are installed within the Premises by or at the direction of Tenant or that exclusively serve the Premises (other than standard Building Systems), including, without limitation: (A) any supplemental, specialty or non-Building standard electrical (including lighting), mechanical, plumbing, heating, ventilation and air conditioning systems, fixtures and equipment; (B) any supplemental, specialty or non-Building standard fire, life, safety or security systems, fixtures and equipment; and (C) all video, audio, communications or computer systems, fixtures and equipment (including cabling). Without limiting the foregoing, Tenant shall maintain, at its sole cost and expense, a contract for the regular maintenance and repair of the heating, ventilation and air conditioning systems, fixtures and equipment located in or exclusively serving the Premises.

**16.2 Landlord Obligations.** Landlord shall maintain, repair and replace the structural portions of the Building (including, without limitation, the roof structure, roof membrane, slab and exterior walls) outside of the Premises, the Parking Area and the Building Systems, and, except as expressly set forth in Section 14.2 above, the costs incurred by Landlord in performing such maintenance, repairs and replacements shall be included in Operating Expenses to the extent permitted under Section 6.1 above. For purposes of clarification, Landlord shall have no obligation to repair, maintain or replace any part of the Premises, any Building Systems exclusively serving the Premises (except as expressly set forth in Section 14.2 above) or any Supplemental Equipment. Landlord shall not be liable for any failure to make any repairs or replacements or to perform any maintenance to the extent that the need for such repairs, replacements or maintenance is caused by the negligence or willful misconduct of any Tenant Party. Except as provided in Articles 23 and 24 hereof, there shall be no abatement of Rent and no liability of Landlord by reason of any injury to or interference with Tenant’s business arising from the making of any repairs, alterations, improvements or replacements in or to any portion of the Building or the Premises or in or to fixtures, appurtenances and equipment therein. Tenant waives the right to make repairs and replacements at Landlord’s expense under any Law now or hereafter in effect including Section 1941 and 1942 of the California Civil Code (as the same may be amended from time to time) and any successor statute and similar Law now or hereafter in effect.

## **ARTICLE 17**

### **LIENS**

Tenant shall not cause or permit to be filed against the Premises, the Building or the Project or of any portion thereof or against Tenant’s leasehold interest in the Premises any mechanics’, materialmen’s or other liens, including without limitation any state, federal or local “superfund” or Hazardous Materials cleanup lien imposed as a result of the presence of Hazardous Materials in, on or about the Premises, the Building or any other portion of the Project. Landlord shall have the right at all reasonable times to post and keep posted on the Premises any notices that it deems necessary for protection from such liens. Tenant shall discharge any lien filed against the Premises or against the Building for work claimed to have been done for, or materials claimed to have been furnished to, Tenant, by bond or otherwise, within ten (10) business days after the filing thereof, at the cost and expense of Tenant. If any such liens are filed and Tenant fails to discharge them pursuant to the foregoing sentence, Landlord may, without waiving its rights and remedies based on such breach of Tenant and without releasing Tenant from any of its obligations hereunder, cause such lien(s) to be released by any means it shall deem proper, including payments in satisfaction of the claim giving rise to such lien or by obtaining a corporate statutory mechanic’s lien release bond in an amount equal to one hundred fifty percent (150%) of such lien claim. Tenant shall: (a) pay to Landlord, immediately upon Notice from Landlord, any cost or expense, including, without limitation, attorneys’ fees and costs, incurred by Landlord by reason of Tenant’s failure to discharge any such lien, together with interest thereon at the maximum rate per annum permitted by Law from the date of such payment by Landlord and (b) shall indemnify, defend and hold the Landlord Indemnified Parties harmless from and against any liens.

## **ARTICLE 18**

### **ENTRY BY LANDLORD**

Landlord reserves and shall at any and all reasonable times and upon at least twenty-four (24) hours prior notice to Tenant (except in the case of an emergency) and during normal business hours (except in the case of an emergency) have the right to enter the Premises to supply any service to be provided by Landlord to Tenant hereunder, to inspect the same, to show the Premises to prospective purchasers, lenders, or investors and during the last twelve (12) months of the Term or following a default by Tenant to prospective tenants, to post notices of non-responsibility, to alter, improve or repair the Premises or any other portion of the Building and/or the Project, as

provided in Section 2.4 above, or for any other reasonable purpose, all without being deemed guilty of any eviction of Tenant and without abatement of Rent. Landlord may, in order to carry out such purposes, erect scaffolding and other necessary structures where reasonably required by the character of the work to be performed, provided that the business of Tenant shall be interfered with as little as is reasonably practicable. Tenant hereby waives any claim for damages for any injury or inconvenience to or interference with Tenant's business, for any loss of occupancy or quiet enjoyment of the Premises and for any other loss in, upon and about the Premises, the Building or the Project on account of Landlord's entry or work permitted by this Article 18 or by Section 2.4 above, except to the extent caused by Landlord's gross negligence or willful misconduct; provided, however, that in no event shall Landlord be liable for consequential damages or lost profits. Without limiting the foregoing, Landlord shall use commercially reasonable efforts to minimize any disruption or interference to Tenant's business during such entry. Landlord shall at all times have and retain a key with which to unlock all doors in the Premises, excluding Tenant's vaults and safes. Landlord shall have the right to use any and all means that Landlord may deem proper to open said doors in an emergency in order to obtain entry to the Premises. Any entry to the Premises obtained by Landlord by any of said means, or otherwise, shall not be construed or deemed to be a forcible or unlawful entry into the Premises, or an eviction of Tenant from the Premises or any portion thereof, and any damages caused on account thereof shall be paid by Tenant.

## ARTICLE 19

### UTILITIES AND SERVICES

**19.1 Premises Utilities.** Notwithstanding anything to the contrary in this Lease, Tenant shall pay for the cost of all water (including the cost to service, repair and replace reverse osmosis, de-ionized and other treated water), electricity, gas, heating, ventilation and air-conditioning ("HVAC"), light, power, telephone, internet service, cable television, other telecommunications and other utilities supplied to the Premises, together with any fees, surcharges and taxes thereon. All such utilities and services provided to the Premises that are separately metered shall be paid by Tenant directly to the supplier of such utilities or services. If any such utility is not separately metered to Tenant, Tenant shall pay Tenant's Percentage of all charges of such utility jointly metered with other premises as Additional Rent or, in the alternative, Landlord may, at its option, monitor the usage of such utilities by Tenant and charge Tenant with the cost of purchasing, installing and monitoring such metering equipment, which cost shall be paid by Tenant as Additional Rent. Landlord may base its bills for utilities on reasonable estimates; provided that Landlord adjusts such billings promptly thereafter or as part of the next Annual Reconciliation to reflect the actual cost of providing utilities to the Premises. In the event that the Building or Project is less than fully occupied during a calendar year, Tenant acknowledges that Landlord may extrapolate utility usage that varies depending on the occupancy of the Building or Project (as applicable) to equal Landlord's reasonable estimate of what such utility usage would have been had the Building or Project, as applicable, been one hundred percent (100%) occupied during such calendar year; provided, however, that Landlord shall not recover more than one hundred percent (100%) of the cost of such utilities. Landlord may, in Landlord's sole and absolute discretion, at any time and from time to time, contract, or require Tenant to contract, for utility services (including generation, transmission, or delivery of the utility service) with a utility service provider(s) of Landlord's choosing. Tenant shall fully cooperate with Landlord and any utility service provider selected by Landlord. Tenant shall permit Landlord and the utility service provider to have reasonable access to the Premises and the utility equipment serving the Premises, including lines, feeders, risers, wiring, pipes, and meters. Tenant shall either pay or reimburse Landlord for all costs associated with any change of utility service, including the cost of any new utility equipment, within ten (10) business days after Landlord's written demand for payment or reimbursement.

**19.2 Janitorial Service.** Tenant, at its sole cost and expense, shall enter into an agreement for regular janitorial services for the Premises with a company which is fully bonded and insured and approved by Landlord in its reasonable discretion. Tenant shall keep the Premises at all times in a clean and orderly condition, at Tenant's expense and to the reasonable satisfaction of Landlord. Unless otherwise agreed to by Landlord, no one other than persons approved by Landlord shall be permitted to enter the Premises for the purpose of providing janitorial or cleaning service.

**19.3 Landlord Exculpation.** Landlord's failure to furnish or cause to be furnished any service which Landlord is required or elects to provide hereunder shall not result in any liability to Landlord. Landlord shall not be responsible or liable for any loss, damage, or expense that Tenant may incur as a result of any change of utility service, including any change that makes the utility supplied less suitable for Tenant's needs, or for any failure,

interruption, stoppage, or defect in any utility service. In addition, Tenant shall not be entitled to any abatement or reduction of Rent, no eviction of Tenant shall result from and Tenant shall not be relieved from the performance of any covenant or agreement in this Lease by reason of any such change, failure, interruption, stoppage or defect. In the event of any such failure, interruption, stoppage or defect of a service which Landlord is required to provide hereunder, Landlord shall diligently attempt to cause service to be resumed promptly. Notwithstanding the foregoing, in the event that Tenant is prevented from using, and does not use, the Premises or any portion thereof, as a result of a failure to provide any services or utilities to the Premises, to the extent within Landlord's reasonable control, which Landlord is required to provide under this Lease (an "Abatement Event"), then Tenant shall give Landlord written Notice of such Abatement Event, and if such Abatement Event continues for five (5) consecutive business days after Landlord's receipt of such Notice ("Eligibility Period") and Landlord does not diligently commence and pursue to completion the remedy of such Abatement Event, then, except to the extent covered by business interruption or similar insurance carried or required to be carried by Tenant hereunder, Basic Rent, Tenant's Percentage of Operating Expenses and Tenant's Percentage of Real Property Taxes shall be abated or reduced, as the case may be, after expiration of the Eligibility Period for such time that Tenant continues to be so prevented from using, and does not use, the Premises or a portion thereof, in the proportion that the rentable area of the portion of the Premises that Tenant is prevented from using, and does not use, bears to the total rentable area of the Premises. If, however, Tenant reoccupies any portion of the Premises during such period, the Basic Rent, Tenant's Percentage of Operating Expenses and Tenant's Percentage of Real Property Taxes allocable to such reoccupied portion, based on the proportion that the rentable area of such reoccupied portion of the Premises bears to the total rentable area of the Premises, shall be payable by Tenant from the date Tenant reoccupies such portion of the Premises. Such right to abate Basic Rent, Tenant's Percentage of Operating Expenses and Tenant's Percentage of Real Property Taxes shall be Tenant's sole and exclusive remedy at law or in equity for an Abatement Event. Except as expressly provided in this Section 19.3, nothing contained herein shall be interpreted to mean that Tenant is excused from paying Rent due hereunder.

**19.4 Limitations on Tenant's Utilities.** Tenant shall not, without Landlord's prior written consent, use any device in the Premises (including data processing machines) that will in any way (a) increase the amount of ventilation, air exchange, gas, steam, electricity or water required or consumed in the Premises based upon Tenant's Percentage of the Building or Project (as applicable) beyond the existing capacity of the Building or the Project usually furnished or supplied for the Permitted Use or (b) exceed Tenant's Percentage of the Building's or Project's (as applicable) capacity to provide such utilities or services. If Tenant shall require utilities or services in excess of those usually furnished or supplied for tenants in similar spaces in the Building or the Project by reason of Tenant's equipment or extended hours of business operations, then Tenant shall first procure Landlord's consent for the use thereof, which consent shall not be unreasonably withheld, conditioned or delayed (except that Landlord may condition such consent upon the availability of such excess utilities or services), and Tenant shall pay as Additional Rent an amount equal to the cost of providing such excess utilities and services.

**19.5 Common Area Water.** Landlord shall provide water in the Common Area for, to the extent applicable, lavatory and landscaping purposes only, which water shall be from the local municipal or similar source.

**19.6 Energy Tracking.** Within ten (10) business days following Landlord's written request therefor, Tenant shall deliver to Landlord copies of any invoices for utility services provided to the Premises and related information reasonably requested by Landlord in connection with the requirements of California Public Resources Code Section 25402.10, the corresponding regulations adopted by the California Energy Commission and provided in California Code of Regulations, Title 20, Division 2, Chapter 4, Article 9, Sections 1680-1684, and any supplemental and/or successor statute or regulations concerning the reporting of energy usage and efficiency relative to commercial buildings. Tenant acknowledges that any utility information for the Premises, the Building and the Project may be shared with third parties, including Landlord's consultants and Governmental Authorities. In addition to the foregoing, Tenant shall comply with all applicable Laws related to the disclosure and tracking of energy consumption at the Premises. The provisions of this Section shall survive the expiration or earlier termination of this Lease.

**19.7 Reservation of Rights.** Landlord reserves the right to stop service of the plumbing, ventilation, air conditioning and utility systems, when Landlord deems necessary or desirable, due to accident, emergency or the need to make repairs, alterations or improvements, until such repairs, alterations or improvements shall have been completed, and Landlord shall further have no responsibility or liability for failure to supply plumbing, ventilation, air conditioning or utility service when prevented from doing so by Force Majeure (as defined in Section 36.8).

below) or, to the extent permitted by applicable Law, Landlord's negligence. Without limiting the foregoing, it is expressly understood and agreed that any covenants on Landlord's part to furnish any service pursuant to any of the terms, covenants, conditions, provisions or agreements of this Lease, or to perform any act or thing for the benefit of Tenant, shall not be deemed breached if Landlord is unable to furnish or perform the same by virtue of Force Majeure or, to the extent permitted by applicable Law, Landlord's negligence.

## ARTICLE 20

### INDEMNIFICATION AND EXCULPATION OF LANDLORD

Tenant shall indemnify, defend and hold harmless the Landlord Indemnified Parties (as defined in Section 22.1.2 below) from and against any and all claims, demands, penalties, fines, liabilities, actions (including, without limitation, informal proceedings), settlements, judgments, damages, losses, costs and expenses (including attorneys' fees and costs) of whatever kind or nature, known or unknown, contingent or otherwise, incurred or suffered by or asserted against such Landlord Indemnified Party (collectively, "Claims") arising from or in connection with, directly or indirectly, (a) any cause whatsoever in the Premises (including, but not limited to, Claims resulting in whole or in part from the negligence of the Landlord Indemnified Party), except to the extent directly caused by the gross negligence or intentional misconduct of such Landlord Indemnified Party, (b) the presence at or use or occupancy of the Premises or Project by a Tenant Party, (c) any act, neglect, fault or omission on the part of any Tenant Party, or (d) a breach or default by Tenant in the performance of any of its obligations hereunder. Payment shall not be a condition precedent to enforcement of the foregoing indemnity. In case any action or proceeding shall be brought against any Landlord Indemnified Party by reason of any such Claim, at such Landlord Indemnified Party's option, upon Notice from Landlord, Tenant shall defend the same at Tenant's expense by counsel selected by Landlord in its sole discretion. Tenant, as a material part of the consideration to Landlord, hereby assumes all risk of damage to property (including, without limitation, any damage to personal property or scientific research, including loss of records kept by Tenant within the Premises (in each case, regardless of whether such damage is foreseeable)) or injury to Tenant or any other Tenant Parties in, upon or about the Premises, the Building, the Parking Area or the Project from any cause whatsoever and hereby waives all Claims (including consequential damages and claims for injury to Tenant's business or loss of income arising out of any loss of use of the Premises, the Building, the Parking Area or the Project or any equipment or facilities therein, or relating to any such damage or destruction of personal property as described in this Section) in respect thereof against each Landlord Indemnified Party, except that which is solely caused by, or solely the result of: (i) any Landlord Default (defined below), (ii) the grossly negligent acts of such Landlord Indemnified Party, or (iii) the willful misconduct of such Landlord Indemnified Party. Landlord shall not be liable for any damages arising from any act, omission or neglect of any other tenant in the Building or the Project, or of any other third party, except to the extent arising from the gross negligence or willful misconduct of Landlord. Tenant acknowledges that security devices and services, if any, while intended to deter crime, may not in given instances prevent theft or other criminal acts. Landlord shall not be liable for injuries or losses caused by criminal acts of third parties, and Tenant assumes the risk that any security device or service may malfunction or otherwise be circumvented by a criminal. If Tenant desires protection against such criminal acts, then Tenant shall, at Tenant's sole cost and expense, obtain appropriate insurance coverage. Without limitation on other obligations of Tenant that survive the expiration of the Term, the clauses of this Article 20 shall survive the expiration or earlier termination of this Lease until all Claims against the Landlord Indemnified Parties involving any of the indemnified matters are fully, finally, and absolutely barred by the applicable statutes of limitations.

Subject to the provisions of Section 22.4 below, Landlord shall indemnify, defend and hold harmless Tenant from and against any and all third party claims, demands, penalties, fines, liabilities, actions (including, without limitation, informal proceedings), settlements, judgments, damages, losses, costs and expenses (including reasonable attorneys' fees and costs) of whatever kind or nature, known or unknown, contingent or otherwise, incurred or suffered by or asserted against Tenant to the extent proximately caused by the gross negligence or willful misconduct of Landlord in connection with Landlord's activities on or about the Building or Project.

## ARTICLE 21

### DAMAGE TO TENANT'S PROPERTY

Notwithstanding the provisions of Article 20 or anything to the contrary in this Lease, no Landlord Indemnified Party shall be liable for: (a) loss or damage to any property by theft or any other cause whatsoever, (b)

any injury or damage to persons resulting from fire, storms, earthquakes, explosion, falling plaster, steam, gas, electricity, water or rain which may leak from any part of the Building or the Project or from the pipes, appliances or plumbing work therein or from the roof, street or sub-surface or from any other place or resulting from dampness or any other cause whatsoever, except that which is solely caused by, or solely the result of: (i) the grossly negligent acts of such Landlord Indemnified Party, (ii) the willful misconduct of such Landlord Indemnified Party, or (iii) any latent defect in the Premises, the Building or any other portion of the Project that is not promptly remedied by Landlord following Landlord's receipt of notice thereof. Tenant shall immediately give Notice to Landlord in case of the occurrence of any fire or accidents in or about the Premises, the Building or any other portion of the Project, or the discovery of any defects therein (including, without limitation, any latent defect in the Premises) or in any fixtures or equipment that are the property of Landlord, Tenant or any other tenant or occupant of premises in the Project.

Without limiting the foregoing, Tenant acknowledges that safety and access control devices, services and programs provided by Landlord, if any, while intended to deter crime and ensure safety, may not in given instances prevent theft or other criminal acts, or ensure safety of persons or property. The risk that any safety or access control device, service or program may not be effective, or may malfunction, or be circumvented by a criminal, is assumed by Tenant with respect to Tenant's property and interests, and Tenant shall obtain insurance coverage to the extent Tenant desires protection against such criminal acts and other losses, as further described in Article 22. Tenant agrees to cooperate in any reasonable safety or security program developed by Landlord or required by Law.

## ARTICLE 22

### INSURANCE

**22.1 Tenant's Insurance.** Tenant shall, during the Term hereof (and during any period that Tenant may enter, occupy and/or use the Premises prior to the Commencement Date and any holdover period), at its sole cost and expense, keep in full force and effect the following insurance:

22.1.1. Property insurance insuring against any perils included within the classification "All Risk," including, without limitation, fire, windstorm, cyclone, tornado, hail, earthquake, explosion, riot, riot attending a strike, civil commotion, aircraft, vehicle, smoke damage, vandalism, malicious mischief and sprinkler leakage. Such insurance shall insure all property owned by Tenant or any other Tenant Party, for which Tenant or any other Tenant Party is legally liable or that was installed at the expense of Tenant or any other Tenant Party, and which is located in the Building, including, without limitation, furniture, furnishings, installations, fixtures and equipment, any other personal property, and in addition, all improvements and betterments to the Premises, including all Leasehold Improvements, in an amount not less than one hundred percent (100%) of the full replacement cost thereof. For the purposes of this Section 22.1.1, the Premises shall consist of the floor area shown in the Outline of Premises, consisting of the cubic space spanning from the floor slab to the bottom surface of the floor slab of the floor immediately above the Premises ("Upper Slab"), without any offsets or deductions that are included for the Permitted Use of Tenant. Such cubic space shall include the plenum space which is bounded by the lower surface of the Upper Slab and the suspended ceiling of the Premises. Such policy shall name Landlord, any mortgagees of Landlord and any other additional parties designated by Landlord as loss payees, as their respective interests may appear.

22.1.2. Commercial General Liability Insurance insuring Tenant on the current ISO CG 00 01 occurrence form or any equivalent reasonably acceptable to Landlord against any liability arising out of the lease, use, occupancy or maintenance of the Premises, the Building or the Project, or any portion of the foregoing. Such insurance shall be in the following minimum limits: \$2,000,000 per occurrence and \$3,000,000 in the aggregate and shall cover injury (including mental anguish) to or death of one or more persons and damage to tangible property (including loss of use) including blanket contractual liability, broad form property damage (including coverage for explosion, collapse and underground hazards), and \$1,000,000 personal & advertising injury. The policy shall insure the hazards of the Premises and Tenant's operations thereon, Tenant's independent contractors and Tenant's contractual liability (including, without limitation, the indemnity contained in Article 20 hereof) and shall: (i) name Landlord (10770 Wateridge Investors LLC); SRE SD4, LLC; SB 10770 Wateridge Investors LLC; the Property Manager; any additional entity Landlord may designate from time to time; and their respective partners, parents, affiliates, divisions and subsidiaries, and each of their respective directors, officers, principals, partners, shareholders, members, managing members, agents, employees, successors and assigns (together with Landlord,

collectively, "Landlord Indemnified Parties") as additional insureds; and (ii) include coverage for cross liability claims between Named Insureds (i.e., "Named Insured vs. Named Insured" Cross Liability Coverage Endorsement if required for coverage and no exclusion for cross liability claims between Named Insureds). Such insurance shall not contain any exclusions or restrictions applicable to operations of the type contemplated by this Lease. In addition to any insurance required of Tenant, Tenant shall secure, pay for and maintain or cause Tenant's contractors and sub-contractors to secure, pay for and maintain insurance during any construction or work to the Premises performed by or on behalf of Tenant at a minimum equal to the limits of liability required by Tenant. Tenant's products and completed operations insurance shall be maintained for a minimum period equal to the greater of (i) the period under which a claim can be asserted under any applicable statutes of limitations and/or repose or (ii) three (3) years after Substantial Completion of the Tenant Improvements. Tenant's contractual liability insurance shall include coverage sufficient to meet the indemnity obligations included herein.

22.1.3. Worker's Compensation Insurance in compliance with statutory requirements of the state(s) in which the employee resides, is hired and in which this Lease takes place, which insurance shall apply to all persons employed by Tenant, and Employer's Liability insurance in amounts not less than \$1,000,000 per accident, \$1,000,000 per disease, and \$1,000,000 disease-policy limit.

22.1.4. Business interruption insurance and extra expense coverage on ISO coverage form CP 0030 or equivalent reasonably acceptable to Landlord, which shall cover Tenant's monetary obligations under this Lease and any direct or indirect loss of earnings attributable to perils insured against in Section 22.1.1 above for a period of at least twelve (12) months. If Tenant fails to obtain business interruption insurance, it is understood and agreed upon that Tenant is fully responsible for its own business interruption exposure whether insured or not.

22.1.5. Comprehensive Automobile Liability Insurance including coverage for all owned, leased, hired and non-owned vehicles, if any, with a minimum combined single limit of \$1,000,000 per occurrence for bodily injury and property damage liability.

22.1.6. Umbrella/Excess Liability Insurance policy with a per occurrence and annual aggregate limit of \$5,000,000 per location/project. The limits of liability required in Section 22.1.2 above for Commercial General Liability can be provided in a combination of a Commercial General Liability policy and an Umbrella Liability policy. Coverage shall be in excess of Commercial General Liability, Auto Liability and Employers' Liability insurance with such coverage being on a follow form basis, concurrent to and not more restrictive than underlying insurance. Tenant shall, by specific endorsement to its Umbrella/Excess Liability policy, cause the coverage afforded to the Landlord Indemnified Parties thereunder to be first tier umbrella/excess coverage above the primary coverage afforded to the Landlord Indemnified Parties as set forth in this Lease and not concurrent with or excess to any other valid and collectible insurance available to the Landlord Indemnified Parties whether provided on a primary or excess basis. It is the specific intent of the parties that Tenant procure the excess carriers' agreement to waive and/or forego any viable "horizontal exhaustion" rights it might have in regard to any insurance any Landlord Indemnified Party might carry for its own benefit or on behalf of any other Landlord Indemnified Party.

22.1.7. If Tenant sells or dispenses alcoholic beverages, Liquor Liability Insurance with limits of not less than \$5,000,000 per occurrence.

22.1.8. Pollution Legal Liability insurance if Tenant stores, handles, generates or treats Hazardous Materials, as determined solely by Landlord, on or about the Premises. Such coverage shall include bodily injury, sickness, disease, death or mental anguish or shock sustained by any person; property damage including physical injury to or destruction of tangible property including the resulting loss of use thereof, clean-up costs, and the loss of use of tangible property that has not been physically injured or destroyed; and defense costs, charges and expenses incurred in the investigation, adjustment or defense of claims for such compensatory damages. Coverage shall apply to both sudden and non-sudden pollution conditions including the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquids or gases, waste materials or other irritants, contaminants or pollutants into or upon land, the atmosphere or any watercourse or body of water. Claims-made coverage is permitted, provided the policy retroactive date is continuously maintained prior to the Commencement Date (or such earlier date that Tenant has access to the Premises), and coverage is continuously maintained during all periods in which Tenant occupies the Premises. Coverage shall be maintained with limits of not less than \$1,000,000 per incident with a \$2,000,000 policy aggregate. Notwithstanding anything to the contrary in this Lease, such coverage shall not be required, if at all, until July 1, 2019.

22.1.9. Any other form or forms of insurance as Tenant or Landlord or any mortgagees of Landlord may reasonably require from time to time in form, in amounts and for insurance risks against which a prudent tenant would protect itself.

22.1.10. Tenant may place all or any of the foregoing insurance coverages under blanket insurance policies carried by Tenant provided that no other loss which may also be insured by such blanket insurance shall affect the insurance coverages required hereby and so long as such policy complies with the amount of coverage required hereunder and otherwise provides the same protection as would a separate policy insuring only Tenant's insurance obligations in compliance with the provisions of Section 22.1 hereof. In addition, Tenant shall deliver to Landlord a certificate specifically stating that such coverages apply to Landlord, the Premises, the Building and the Project.

22.1.11. If Tenant shall hire or bring a vendor or contractor onto the Premises to perform any alterations, work or improvements, Tenant agrees to have a written agreement with such vendor or contractor whereby such vendor or contractor will be required to carry the same insurance coverages for Commercial General Liability, Auto and Worker's Compensation, Employer's Liability and Pollution Legal Liability insurance as required of Tenant herein. Tenant shall also require that such vendor's or contractor's insurance meet the same additional terms as required of Tenant herein with regards to adding the Landlord Indemnified Parties and all mortgagees as additional insureds, maintaining primary and non-contributory coverage, waiving all rights of recovery and subrogation, and making certificates of insurance available as evidence of all policies during the term of their work and in advance of all applicable renewals. Tenant shall not allow any vendors or contractors to begin work prior to obtaining certificates evidencing all insurance requirements contained herein.

**22.2 Standard of Insurance.** All policies shall be written in a form satisfactory to Landlord, and the Commercial General Liability, Comprehensive Automobile Liability, Umbrella/Excess Liability, Liquor Liability (if applicable) and Pollution Legal Liability policies required under Section 22.1 shall name all Landlord Indemnified Parties as additional insureds on a primary and non-contributory basis. In addition, if Tenant places any such required coverages under a blanket insurance policy as set forth in Section 22.1.11, the blanket policy shall name all Landlord Indemnified Parties as additional insureds on a primary and non-contributory basis via blanket endorsement. All insurance policies required under Section 22.1 shall be issued by companies authorized to do business in the State of California with an A.M. Best's Rating of at least A-/VIII. No deductibles or Self-Insured Retention ("SIR") of Tenant shall exceed \$25,000 without Landlord's prior written approval. All deductibles and SIR are the responsibility of Tenant and must be shown on the certificate of insurance. On or before the date which is ten (10) days after the execution of this Lease, and prior to or on the renewal of such policies thereafter, Tenant shall deliver to Landlord certificates evidencing the existence of the amounts and forms of coverage satisfactory to Landlord. No such policy shall be cancelable or reducible in coverage except after written notice to Landlord per the policy conditions. Any insurance limits required by this Lease are minimum limits only and not intended to restrict the liability imposed on any Tenant for liability under this Lease. Tenant shall, prior to the expiration of such policies, furnish Landlord with renewals or "binders" thereof, or Landlord may order such insurance and charge the cost thereof to Tenant as Additional Rent. If Landlord obtains any insurance that is the responsibility of Tenant under this Article 22, Landlord shall deliver to Tenant a written statement setting forth the cost of any such insurance and showing in reasonable detail the manner in which it has been computed and Tenant shall remit said amount to Landlord within ten (10) business days.

### **22.3 Landlord Insurance.**

22.3.1. During the Term of this Lease, Landlord shall insure the Building and the Parking Areas (to the extent Landlord is the owner thereof) (excluding any property which Tenant is obligated to insure under Sections 22.1 and 22.2 hereof) against damage with All-Risk insurance (which may, but shall not be required to, insure against earthquake damage) and public liability insurance, all in such amounts and with such deductibles as Landlord and Tenant jointly and reasonably consider appropriate. Landlord may, but shall not be obligated to, obtain and carry any other form or forms of insurance as Landlord or Landlord's mortgagees may determine advisable. Notwithstanding any contribution by Tenant to the cost of insurance premiums, as provided herein, Tenant acknowledges that it has no right to receive any proceeds from any insurance policies carried by Landlord.

22.3.2. If any of Landlord's insurance policies shall be canceled or cancellation shall be threatened or the coverage thereunder reduced or threatened to be reduced in any way because of Tenant's specific use of the Premises or any part thereof by Tenant or any assignee or subtenant of Tenant or by anyone Tenant

permits on the Premises and, if Tenant fails to remedy the condition giving rise to such cancellation, threatened cancellation, reduction of coverage, threatened reduction of coverage, increase in premiums, or threatened increase in premiums, within three (3) days after Notice thereof, Landlord may, at its option, but without any obligation so to do, enter upon the Premises and attempt to remedy such condition, and Tenant shall promptly pay the cost thereof to Landlord as Additional Rent.

## **22.4 Subrogation Waivers.**

**22.4.1. Subrogation Waiver – Policies Other than Property Insurance.** Tenant hereby waives all rights against the Landlord Indemnified Parties, Landlord's contractors (and their subcontractors of every tier), and their respective employees and agents, for any claims that arise from Tenant's work or activities and for recovery of damages under Tenant's insurance policies required under Section 22.1 or any other insurance policy carried by Tenant related to the Premises or this Lease (excluding Tenant's property insurance, which is addressed hereunder in Section 22.4.2). Tenant shall obtain an endorsement effecting the foregoing waiver with respect to its workers compensation and employers liability insurance. If any other policy implicated by the waiver in this Section 22.4.1 does not allow the applicable insured party to waive rights of recovery against others prior to a loss, the applicable insured shall obtain an endorsement effecting the applicable waiver.

**22.4.2. Subrogation Waiver – Property Insurance.** Landlord and Tenant waive all rights against each other for damages caused by fire or other causes of loss occurring on and after the date on which this Lease is executed to the extent such damages are covered (or are required to be covered) by any property insurance required under this Article 22 (including business income and loss of rent insurance) or otherwise carried by such party in relation to the Premises, the Building or the Project, regardless of whether such insurance is specifically required under this Lease. Tenant's waiver in this Section 22.4.2 also extends to the Landlord Indemnified Parties. Each party shall obtain an endorsement pursuant to which its insurers waive their subrogation rights against the parties specified in this Section 22.4.2. The waivers in this Section 22.4.2 will be effective as to a person or entity even though that person or entity would otherwise have a duty of indemnification, did not pay the insurance premium directly or indirectly, or did not have an insurable interest in the property damaged. To the extent that either party self-insures for its insurance obligations under this Lease (e.g., maintains a deductible amount), such party shall be treated as an independent insurer with full waiver of subrogation.

**22.5 Exclusions.** Landlord shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, gas, electricity, electrical or electronic emanations or disturbance, water, rain or leaks from any part of the Building or from the pipes, or caused by dampness, vandalism, malicious mischief or by any other cause of whatever nature, unless caused by or due to the gross negligence of Landlord, its agents, servants or employees, and then only after (i) reasonable prior notice to Landlord of the condition claimed to constitute negligence, if applicable, and (ii) the expiration of a reasonable time after such notice has been received by Landlord without Landlord having taken all reasonable and practicable means to cure or correct such condition; and pending such cure or correction by Landlord, Tenant shall take all reasonably prudent temporary measures and safeguards to prevent any injury, loss or damage to persons or property. In no event shall Landlord be liable for any loss, the risk of which is covered by Tenant's insurance or is required to be so covered by this Lease; nor shall Landlord or its agents be liable for any such damage caused by other persons in the Building or caused by operations in construction of any private, public, or quasi-public work; nor shall Landlord be liable for any latent defect in the Premises or in the Building.

## **ARTICLE 23**

### **DAMAGE OR DESTRUCTION**

**23.1 Damages.** If the Building and/or the Premises are damaged by fire or other perils covered by Landlord's insurance, Landlord shall:

**23.1.1.** In the event of one hundred percent (100%) destruction of the Premises ("Total Destruction"), at Landlord's option, as soon as reasonably possible thereafter, commence repair, reconstruction and restoration of the Building and/or the Premises and prosecute the same diligently to completion, in which event this Lease shall remain in full force and effect; provided, however, that if within ninety (90) days after the occurrence of such damage, Landlord shall by Notice to Tenant elect not to so repair, reconstruct or restore the Building and/or the Premises, this Lease shall terminate as of the date of such Total Destruction.

23.1.2. In the event of a partial destruction of the Building and/or the Premises and if the damage thereto is such that the Building and/or the Premises is capable of being repaired, reconstructed or restored within a period of ninety (90) days from the date of Landlord's discovery of such damage, and if Landlord will receive insurance proceeds sufficient to cover the total cost of such repairs, reconstruction or restoration, Landlord shall commence and proceed diligently with the work of repairs, reconstruction and restoration of the Building and/or the Premises or both, as the case may be, and this Lease shall continue in full force and effect. If such work of repair, reconstruction and restoration shall require a period longer than ninety (90) days or exceeds twenty-five percent (25%) of the full replacement cost of the Building and/or the Premises, or both, as the case may be, or if insurance proceeds will not be sufficient to cover the cost of such repairs, reconstruction and restoration, then Landlord either may elect to so repair, reconstruct or restore and this Lease shall continue in full force and effect or may elect not to repair, reconstruct or restore and this Lease shall then terminate as of the date of such partial destruction. Under any of the conditions of this Section 23.1.2, Landlord shall give Notice to Tenant of its intention regarding repairs, including Landlord's good faith estimate of the time required to substantially complete such repairs ("Landlord's Repair Notice"), within said ninety (90) day period. If the partial destruction causes more than fifty percent (50%) of the Rentable Square Feet of the Premises to be unusable for the Permitted Use and Landlord's Repair Notice estimates that the repairs will take more than one hundred eighty (180) days after the occurrence thereof to substantially complete, and if Landlord does not elect to terminate this Lease, then Tenant shall have the right to terminate this Lease by Notice to Landlord delivered within ten (10) business days following delivery of Landlord's Repair Notice, which termination shall be effective no earlier than thirty (30) days after delivery of such Notice to Landlord. If damage is due to any cause other than fire or other peril covered by extended coverage insurance, Landlord may elect to terminate this Lease.

23.1.3. In any case where Landlord elects to repair, restore or reconstruct the Premises following the occurrence of any damage to which this Article 23 applies, then Tenant shall assign to Landlord the proceeds of its property insurance attributable to the Leasehold Improvements. If the cost of restoring the Leasehold Improvements exceeds the amount of the proceeds of Tenant's property insurance that are received by Landlord, Tenant shall promptly pay the amount of such deficiency to Landlord upon demand.

**23.2 Termination of Lease.** Upon any termination of this Lease under any of the provisions of this Article 23, the parties shall be released without further obligation to the other from the date possession of the Premises is surrendered to Landlord except for items which have therefore accrued and/or are then unpaid or items which expressly survive the expiration or sooner termination of this Lease.

**23.3 Rent Abatement.** In the event of any casualty, the Rent payable under this Lease shall be abated proportionately with the degree to which Tenant's Permitted Use of the Premises is impaired either during the period of such repair, reconstruction or restoration or until termination of the Lease pursuant to this Article 23, but only to the extent that Landlord is compensated for such loss by the insurance carried or required to be carried pursuant to Section 22.1.4 above. Notwithstanding the foregoing, there shall be no abatement of Rent if such damage is caused primarily by the negligence or intentional wrongdoing of Tenant or any Tenant Party. Tenant shall not be entitled to any compensation or damages for loss in the use of the whole or any part of the Premises and/or any inconvenience or annoyance occasioned by such damage, repair, reconstruction or restoration. If Landlord is obligated to or elects to repair or restore as herein provided, Landlord shall be obligated to repair or restore only those portions of the Building and the Premises which were originally provided at Landlord's expense, and the repair and restoration of items not provided at Landlord's expense shall be the obligation of Tenant.

**23.4 Damage Near End of Term.** Notwithstanding anything to the contrary contained in this Article 23, if material damage to the Premises occurs during the last twelve (12) months of the Term, either party may elect, no earlier than sixty (60) days after the date of the damage and not later than ninety (90) days after the date of such damage, to terminate this Lease by written notice to the other effective as of the date specified in the notice, which date shall not be less than ten (10) business days nor more than sixty (60) days after the date such notice is given.

**23.5 Waiver of Statute.** In the event of damage to the Premises and/or the Building, Tenant shall not be released from any of its obligations under this Lease except to the extent and upon the conditions expressly stated in this Article 23. Tenant hereby waives the provisions of California Civil Code Section 1932, Subsection 2, and Section 1933, Subsection 4, and any other statute or court decision relating to the abatement or termination of a lease upon destruction of the Premises and the provisions of this Article 23 shall govern in case of such destruction.

## ARTICLE 24

### EMINENT DOMAIN

**24.1 Permanent Taking.** If all of the Premises, or such part thereof as shall substantially interfere with Tenant's Permitted Use and occupancy thereof, shall be taken for any public or quasi-public purpose by any lawful power or authority by exercise of the right of appropriation, condemnation or eminent domain, or sold to prevent such taking (a "Taking"), either party shall have the right to terminate this Lease by Notice to the other effective as of the date possession is required to be surrendered to said authority. Tenant shall not assert any claim against Landlord or the taking authority for any compensation because of such Taking, and Landlord shall be entitled to receive the entire amount of any award without deduction for any estate or interest of Tenant. If the amount of property or the type of estate taken shall not substantially interfere with the conduct of Tenant's business, Landlord shall be entitled to the entire amount of the award without deduction for any estate or interest of Tenant, Landlord shall restore the Premises to substantially their same condition prior to such partial Taking, and Basic Rent shall be reduced, effective as of the date the condemning authority takes possession, in the same proportion which the Rentable Square Feet of the portion of the Premises so taken bears to the Rentable Square Feet of the entire Premises before the Taking. Nothing contained in this Section 24.1 shall be deemed to give Landlord any interest in any award made to Tenant for the taking of personal property and fixtures belonging to Tenant or for relocation costs and expenses.

**24.2 Temporary Taking.** Notwithstanding anything to the contrary in Section 24.1 above, in the event of Taking of the Premises or any part thereof for temporary use, (a) this Lease shall be and remain unaffected thereby and Rent shall not abate, and (b) Tenant shall be entitled to receive for itself such portion or portions of any award made for such use with respect to the period of the Taking which is within the Term, provided that if such Taking shall remain in force at the expiration or earlier termination of this Lease, Tenant shall then pay to Landlord a sum equal to the reasonable cost of performing Tenant's obligations under Section 15.2 above and Article 31 below with respect to surrender of the Premises and, upon such payment, shall be excused from such obligations. For purpose of this Article 24, a "temporary" Taking shall be defined as a Taking for a period of two hundred seventy (270) days or less and a "permanent" Taking shall be defined as a Taking for a period of more than two hundred seventy (270) days.

**24.3 Waiver of Statute.** Tenant (for itself and all others claiming through Tenant) hereby irrevocably waives and releases its rights under Section 1265.130 of the California Code of Civil Procedure.

## ARTICLE 25

### DEFAULTS AND REMEDIES

**25.1 Tenant Default.** The occurrence of any one or more of the following events, upon the expiration of any applicable time period, shall constitute a default hereunder by Tenant ("Tenant Default"):

25.1.1. Abandonment of the Premises by Tenant. Notwithstanding the provisions of California Civil Code Section 1951.3, "Abandonment" is defined to include, but not limited to, any absence by Tenant from the Premises for thirty (30) days or longer while in default pursuant to this Section 25.1;

25.1.2. The failure by Tenant to make any payment of Rent or any other payment required to be made by Tenant hereunder, as and when due, where such failure shall continue for a period of three (3) business days after Landlord's delivery of Notice thereof;

25.1.3. The failure by Tenant to obtain and keep in force at all times any insurance Tenant is required to obtain and keep in force under Article 22 where such failure is not cured within five (5) business days after Landlord's delivery of Notice of such failure;

25.1.4. Hypothecation, assignment or other transfer of this Lease or subletting of the Premises, or attempts of such actions in violation of Article 27 of this Lease;

25.1.5. The failure by Tenant to deliver any certificate, instrument or statement that is required to be delivered by Tenant under Article 28, Article 29 or Section 36.16 within the time frames required in Article 28.

Article 29 or Section 36.16, as applicable, which Tenant fails to cure within five (5) business days after Landlord's delivery of Notice thereof;

25.1.6. The failure by Tenant to observe or perform any of the express or implied covenants or provisions of this Lease to be observed or performed by Tenant, other than as specified in Sections 25.1.1-25.1.5 above or Section 25.1.7 below, where such failure shall continue for a period of thirty (30) days after Landlord's delivery of Notice thereof; provided that if the nature of any such failure is such that more than thirty (30) days are reasonably required for its cure, then no Tenant Default shall be deemed to occur if (and for so long as) Tenant commences the cure of such failure within said thirty (30) day period and thereafter diligently prosecutes such cure to completion within ninety (90) days after Landlord's delivery of Notice thereof; or

25.1.7. The (a) making by Tenant of any general assignment for the benefit of creditors; (b) filing by or against Tenant of a petition to have Tenant adjudged a bankrupt or a petition for reorganization or arrangement under any Law relating to bankruptcy; (c) appointment of a trustee or receiver to take possession of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease; (d) attachment, execution or other judicial seizure of substantially all of Tenant's assets located at the Premises or of Tenant's interest in this Lease; or (f) Tenant's convening of a meeting of its creditors or any class thereof for the purpose of effecting a moratorium upon or composition of its debts, or any class thereof; provided that no Tenant Default will be deemed to occur under this Section 25.1.7 if (i) any petition described in clause (a) above that filed against (rather than by) Tenant, is dismissed within thirty (30) days after filing, (ii) in the event any trustee or receiver shall take possession of substantially all of Tenant's assets located at the Premises or Tenant's interest in this Lease, possession of the same is restored to Tenant within thirty (30) days or (iii) any attachment, execution or other judicial seizure described in clause (d) above is discharged within thirty (30) days.

Any Notice from Landlord required hereby shall be in lieu of, and not in addition to, any Notice required under California Code of Civil Procedure Section 1161 regarding unlawful detainer actions or any similar successor statute. Accordingly, Tenant (for itself and all others claiming through Tenant) hereby expressly and irrevocably waives the notice requirements of California Code of Civil Procedure Section 1162 that would otherwise govern notices required under Section 1161, and agrees that any notice provided pursuant to this Section 25.1 shall replace and satisfy any such requirements of Section 1162.

**25.2 Landlord Remedies.** In the event of any such Tenant Default, in addition to any other remedies available to Landlord at law or in equity, including, without limitation, the remedies available under California Civil Code Section 1951.2 and any successor statute, Landlord shall have the immediate option to terminate this Lease and all rights of Tenant hereunder. In the event that Landlord shall elect to so terminate this Lease then Landlord may recover from Tenant:

25.2.1. The worth at the time of award of any unpaid Rent which had been earned at the time of such termination; plus

25.2.2. the worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such Rent loss that Tenant proves could have been reasonably avoided; plus

25.2.3. the worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of such Rent loss that Tenant proves could be reasonably avoided; plus

25.2.4. any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform Tenant's obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, including but not limited to the cost of recovering possession of the Premises, expenses of reletting, including necessary repair, renovation and alteration of the Premises, reasonable attorneys' fees and any other reasonable costs; and

25.2.5. at Landlord's election, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by applicable Law.

As used in Sections 25.2.1 and 25.2.2 above, the "worth at the time of award" is computed by allowing interest at the Default Rate. As used in Section 25.2.3 above, the "worth at the time of award" is computed by

discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco (“Discount Rate”) at the time of award plus one percent (1%). If the format or components of the Discount Rate are materially changed, or if the Discount Rate ceases to exist, Landlord shall substitute a discount rate which is maintained by the Federal Reserve Bank of San Francisco or similar financial institution and which is most nearly equivalent to the Discount Rate.

**25.3 Additional Remedies.** If any such Tenant Default occurs, Landlord may utilize the remedy described in California Civil Code Section 1951.4 (which provides landlord may continue the lease in effect after a tenant’s breach and abandonment and recover Rent as it becomes due, if tenant has the right to sublet or assign subject to reasonable limitations). Accordingly, in the event of any Tenant Default and abandonment of the Premises by Tenant, if Landlord does not elect to terminate this Lease on account of such Tenant Default, then Landlord may from time-to-time, without terminating this Lease, enforce all of its rights and remedies under this Lease, including the right to recover all Rent as it becomes due. In the event of the Abandonment of the Premises by Tenant or in the event that Landlord utilizes the remedy described in this Section 25.3 above or shall take possession of the Premises pursuant to legal proceeding or pursuant to any notice provided by Law, then if Landlord does not elect to terminate this Lease as provided above, Landlord may from time to time, without terminating this Lease, either recover all Rent as it becomes due or relet the Premises or any part thereof for the Term of this Lease on terms and conditions as Landlord in its sole discretion may deem advisable with the right to make alterations and repairs to the Premises.

If Landlord shall elect to so relet, such reletting shall not relieve Tenant of any obligation hereunder, except that the rents received by Landlord from such reletting shall be applied as follows: (a) first, to the payment of any indebtedness other than Rent due hereunder from Tenant to Landlord; (b) second, to the payment of any cost of such reletting; (c) third, to the payment of the cost of any alterations and repairs to the Premises; (d) fourth, to the payment of Rent due and unpaid hereunder and (e) the residue, if any, shall be held by Landlord and applied to payment of future Rent as the same may become due and payable hereunder. Should that portion of such rents received from such reletting during any month, which is applied to the payment of Rent hereunder, be less than the Rent payable during that month by Tenant hereunder, then Tenant shall pay such deficiency to Landlord immediately upon demand therefor by Landlord. Such deficiency shall be calculated and paid monthly. Tenant shall also pay to Landlord, as soon as ascertained, any costs and expenses, including attorneys’ fees, incurred by Landlord in such reletting or in making such alterations and repairs not covered by the rents received from such reletting. During the continuance of a Tenant Default, Landlord shall have the right to market the Premises to potential new tenants and may show the Premises to such potential new tenants during normal business hours.

**25.4 Notice of Default.** Tenant hereby acknowledges that default by Tenant hereunder, and Landlord’s election to prepare and serve a Notice of any such default hereunder (a “Notice of Default”), will cause Landlord to incur costs not contemplated by this Lease, and costs in addition to any costs which may be reimbursed to Landlord by any provision which may be contained herein relative to the payment of interest or late charges on amounts due hereunder. Accordingly, Landlord shall be entitled to reasonable attorneys’ fees and all other costs and expenses incurred in the preparation and service of a Notice of Default and consultations in connection therewith, with respect to which Landlord and Tenant agree that Five Hundred Dollars (\$500.00) is a reasonable minimum sum per such occurrence, whether or not legal action is subsequently commenced in connection with any such default. It is further hereby specifically agreed by and between Landlord and Tenant that any and all such fees and costs shall be deemed Additional Rent hereunder, and may, at the option of Landlord, be included in any Notice of Default hereunder.

**25.5 Landlord’s Right to Cure.** If Tenant should fail to make any payment or perform any of its other obligations hereunder, Landlord, without being under any obligation to do so and without thereby waiving such default, may make such payment and/or remedy such other default for the account of Tenant (and enter the Premises for such purpose): (a) immediately and without notice in the case: (i) of emergency, (ii) of a default by Tenant of its obligations under Section 8.3, Section 15.2 and/or Article 31, (iii) where such default unreasonably interferes with any other tenant in the Building or Project, (iv) a failure to satisfy or otherwise discharge any lien, or (v) where such default will result in the violation of Law or the cancellation of any insurance policy maintained by Landlord and (b) in any other case if such default continues beyond the applicable notice and cure period specified in Section 25.1 above, and thereupon Tenant shall be obligated to, and hereby agrees to pay Landlord, upon demand, all costs, expenses, and disbursements incurred by Landlord in taking such remedial action, together with an amount equal to five percent (5%) thereof for Landlord’s overhead and administrative expenses, and the sum of such costs, together

with interest thereon at the rate described in Section 5.3 from the date of Landlord's payment thereof, shall be deemed Additional Rent.

**25.6 Waiver of Redemption.** Tenant (for itself and all others claiming through Tenant) hereby irrevocably waives and releases its rights to redemption and reinstatement under any present or future case law or statutory provision (including, without limitation, Sections 473, 1174 and 1179 of the California Code of Civil Procedure and Section 3275 of the California Civil Code) in the event that Tenant is dispossessed from the Premises for any reason.

**25.7 Landlord's Default.** Landlord's failure to perform or observe any of its obligations under this Lease shall constitute a default by Landlord under this Lease (a "Landlord Default") only if Landlord, or the Holder (defined below) of any Security Instrument (defined below) covering the Premises, fails to perform obligations required of Landlord within thirty (30) days after Notice by Tenant to Landlord (and to each Holder pursuant to Section 36.5 below), specifying wherein Landlord has failed to perform such obligations in reasonable detail; provided, however, that if the nature of Landlord's obligation is such that more than thirty (30) days are required for performance, then no Landlord Default shall occur if Landlord commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion (or if any Holder of any Security Instrument commences and prosecutes the cure pursuant to Section 36.5 below). In no event shall Tenant be entitled to terminate this Lease by reason of any Landlord Default, and Tenant's remedies shall be limited to an action for monetary damages at law. Without limiting the foregoing, in recognition that Landlord must receive timely payments of Rent and operate the Building and Project, Tenant shall have no right of self-help to perform repairs or any other obligation of Landlord and, except as expressly provided in Articles 23 and 24, shall have no right to withhold, set-off, or abate Rent.

## ARTICLE 26

### NO WAIVER

All rights, options and remedies of Landlord contained in this Lease shall be construed and held to be cumulative, and not one of them shall be exclusive of the other, and Landlord shall have the right to pursue any one or all of such remedies or any other remedy or relief which may be provided by Law, whether or not stated in this Lease. The waiver by Landlord of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant or condition herein contained, nor shall any custom or practice which may grow up between the parties in the administration of the terms hereof be deemed a waiver of or in any way affect the right of Landlord to insist upon the performance by Tenant in strict accordance with said terms. The subsequent acceptance of Rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant or condition of this Lease, other than the failure of Tenant to pay the particular Rent so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such Rent. No acceptance by Landlord of a lesser sum than the Basic Rent and Additional Rent or other sum then due shall be deemed to be other than on account of the earliest installment of such Rent or other amount due, nor shall any endorsement or statement on any check or any letter accompanying any check be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such installment or other amount or pursue any other remedy provided in this Lease. Without limiting the foregoing, Tenant (for itself and all others claiming through Tenant) acknowledges that this Article 26 imparts actual notice to Tenant, pursuant to California Code of Civil Procedure Section 1161.1(c), that Landlord's acceptance of partial payment of Rent shall not constitute a waiver of any rights available under this Lease or at law or equity, including, without limitation, the right to recover possession of the Premises.

## ARTICLE 27

### ASSIGNMENT AND SUBLETTING

**27.1 Transfer.** Tenant shall not voluntarily or by operation of law: (a) sublease all or any part of the Premises ("Sublease"), (b) assign this Lease ("Assignment"), or (c) enter into any other agreement or arrangement: (i) that permits a third party (other than Tenant's employees and occasional guests) to enter, occupy or use any portion of the Premises or remove any of Tenant's Personal Property therefrom or (ii) otherwise assigns, transfers, mortgages, pledges, hypothecates, encumbers or permits a lien to attach to Tenant's interest under this Lease or in

the Premises (each of the foregoing (a), (b) and (c), a “Transfer”), without first obtaining Landlord’s prior written consent in accordance with this Article 27. In addition, for purposes of this Lease a “Transfer” (which shall be subject to the provisions of this Article 27) shall also include: (A) a direct or indirect transfer, assignment, pledge, or hypothecation of a Controlling (defined below) interest in Tenant and/or (B) the dissolution of the entity that constitutes Tenant without its immediate reconstitution. “Control” or “Controlling” means possession of the direct or indirect power to direct or cause the direction of the management and policies of a person or entity. No consent to an assignment, encumbrance or sublease shall constitute a waiver of any provision of this Article 27 or consent to any future assignment, encumbrance or transfer. Any Transfer without Landlord’s prior written consent shall be voidable at Landlord’s election and shall constitute a Tenant Default.

**27.2 Transfer Procedure.** If Tenant desires to make any Transfer, then at least thirty (30) days prior to the date when Tenant desires the Transfer to be effective (“Transfer Date”) Tenant shall give Landlord a Notice (“Transfer Notice”) setting forth: (a) the name, address and business of the person or entity to which the Transfer is proposed (“Proposed Transferee”); (b) information (including references) concerning the character, ownership and financial condition of the Proposed Transferee; (c) the proposed Transfer Date (which shall not be later than 90 days following the Transfer Notice); (d) any ownership or commercial relationship between Tenant and the Proposed Transferee; and (e) the consideration and all other material terms and conditions of the proposed Transfer, all in such detail as Landlord shall reasonably require. If Landlord reasonably requests additional detail (including, without limitation, financial statements of the proposed Transferee or a current estoppel certificate from Tenant), the Transfer Notice shall not be deemed to have been received until Landlord receives such additional detail, and Landlord may withhold consent to any proposed Transfer until such information is provided to it.

**27.3 Recapture.** Within thirty (30) days of Landlord’s receipt of a Transfer Notice, and all information specified in Section 27.2 above, Landlord may, at its option, in its sole and absolute discretion, by Notice to Tenant (“Recapture Notice”), elect to: (a) in the case of a proposed Sublease, sublease the Premises or the portion thereof proposed to be sublet by Tenant at a rental rate per square foot equal to the lesser of the per square foot rental rate under this Lease or the proposed Sublease; (b) in the case of a proposed Assignment, take an assignment of this Lease upon the same terms as those offered to the proposed assignee; or (c) terminate this Lease in its entirety or as to the portion of the Premises subject to the proposed Transfer. Tenant shall have the right, by Notice to Landlord no later than five (5) business days following Landlord’s delivery of a Recapture Notice, to withdraw the subject Transfer Notice, in which event such Recapture Notice shall have no force or effect. Tenant’s failure to deliver such Notice to withdraw the subject Transfer Notice within such five (5) business day period shall be deemed a waiver of its right to withdraw such Transfer Notice and the parties shall proceed pursuant to the Recapture Notice. If Landlord elects to proceed pursuant to clause (a) or (b) above (and Tenant does not timely withdraw the subject Transfer Notice), any payment by Landlord to Tenant pursuant to such clause shall not exceed the amount which Tenant would have received pursuant to Section 27.5.2 below if Landlord had elected to consent to the proposed Sublease or Assignment. If this Lease shall be terminated with respect to the entire Premises, the Term shall end on the Transfer Date as if that date had been originally fixed in this Lease for the expiration of the Term. If Landlord recaptures only a portion of the Premises, the Rent during the unexpired Term and Tenant’s Percentage shall be adjusted proportionately based on the Rentable Square Feet remaining in the Premises after such recapture. Tenant shall, at Tenant’s own cost and expense, discharge in full any commissions which may be due and owing as a result of any proposed assignment or subletting, whether or not the Premises (or portion thereof) are recaptured pursuant to this Section 27.3 and rented by Landlord to the proposed tenant or any other tenant.

#### **27.4 Landlord’s Consent; Consent Standards; No Release.**

27.4.1. Unless Landlord elects to exercise any of its rights under Section 27.3 above, Landlord shall, by Notice to Tenant, elect to: (a) consent to such proposed Transfer upon the terms and to the Proposed Transferee; or (b) refuse to give its consent to the proposed Transfer. Landlord shall not unreasonably withhold its consent to any Proposed Transfer; provided that, without limiting other situations in which it may be reasonable for Landlord to withhold its consent to any proposed Transfer, it shall be deemed reasonable for Landlord to withhold its consent to any proposed Transfer if Landlord determines in its sole discretion that: (i) the Proposed Transferee, in the case of an Assignment of this Lease or a Sublease of more than fifty percent (50%) of the Rentable Square Feet of the Premises, does not have sufficient financial strength or stability to perform all obligations under this Lease, and to perform them without any higher risk of default than Tenant; (ii) the intended use of the Premises (or the applicable portion thereof) by the Proposed Transferee is inconsistent or incompatible with other uses in the Building or in the Project; (iii) the intended use of the Premises (or the applicable portion thereof) by the Proposed

Transferee will require alteration of the Premises; (iv) the intended use of the Premises (or the applicable portion thereof) by the Proposed Transferee will violate this Lease or any Laws governing the Premises or the Building or Project; (v) the Proposed Transferee has the power of eminent domain, is a Governmental Authority or an agency or subdivision of a foreign government; (vi) either the Proposed Transferee, or any person which directly or indirectly controls, is controlled by, or is under common control with the Proposed Transferee: (A) occupies space in the Project or has negotiated with Landlord or any of its affiliates within the preceding one hundred eighty (180) days (or is currently negotiating with Landlord or any of its affiliates) to lease space in the Building or Project or (B) does not intend to occupy the Premises or the applicable portion thereof; (vii) at the time Tenant delivers the Transfer Notice, there exists an uncured Tenant Default; (viii) the proposed Transfer would cause Landlord to be in violation of another lease or agreement to which Landlord is a party or would give an occupant of the Building or Project a right to cancel or modify its lease; (ix) any ground lessor or mortgagee whose consent to such Transfer is required fails to consent thereto; (x) the use of the Premises (or the applicable portion thereof), the Building or the Project by the Proposed Transferee would, in Landlord's judgment, significantly increase pedestrian traffic in and out of the Building and/or the Project, generate increased loitering in Common Areas, increase security risk, or require any alterations to the Building or the Project to comply with applicable Laws; (xi) the Proposed Transferee would be a competitor to another tenant in the Building in violation of such other tenant's lease; (xii) the Proposed Transferee has been required by any prior landlord, lender or Governmental Authority to take material remedial action in connection with Hazardous Materials contaminating a property, which contamination resulted from Proposed Transferee's action or omission or use of the property in question; or (xiii) the Proposed Transferee is subject to a material enforcement order issued by any Governmental Authority in connection with the use, disposal or storage of Hazardous Materials.

27.4.2. Tenant further agrees that Landlord may condition its consent to any proposed Transfer upon satisfaction of any of the following conditions: (a) delivery to Landlord of a true copy of a fully executed sublease, assignment of lease or other instrument pursuant to which the applicable Transfer is made ("Transfer Instrument"); (b) delivery to Landlord of original executed copies (by Tenant and the Transferee (defined below)) of Landlord's form of Consent to Sublease (in the case of a Sublease) or Assignment and Assumption of Lease and Consent (in the case of an Assignment) or other instrument under which Landlord grants consent to the applicable Transfer ("Consent Instrument") and (c) receipt by Landlord of all sums and amounts to which Landlord is entitled under Section 27.5 below. Tenant acknowledges and agrees that any Consent Instrument may, without limitation: (i) in the case of a Sublease or Assignment, require the person or entity to which the Transfer is made ("Transferee") to be bound by all of the terms and provisions of this Lease and to perform all of the obligations of Tenant hereunder applicable to the Premises, or the portion thereof that is the subject of the applicable Transfer; (ii) in the case of an Assignment, include waivers by Tenant of all applicable suretyship defenses, including, but not limited to, those contained in Sections 2787 to 2855, inclusive, of the California Civil Code; and (iii) in the case of a Sublease: (A) provide that such Sublease is subject and subordinate to this Lease to all Security Instruments encumbering the Building or the Project, (B) require the Transferee to, upon demand by Landlord following the occurrence of any Tenant Default, remit directly to Landlord, all monies payable from such Transferee to Tenant in connection with such Sublease and (C) provide that in the event of termination of this Lease for any reason, including without limitation a voluntary surrender by Tenant, or in the event of any reentry or repossession of the Premises by Landlord, Landlord may, at its option, either: (x) terminate the sublease or (y) take over all of the right, title and interest of Tenant, as sublessor, under such sublease, in which case such sublessee shall attorn to Landlord, but that nevertheless Landlord shall not: (1) be liable for any previous act or omission of Tenant under such sublease, (2) be subject to any defense or offset previously accrued in favor of the sublessee against Tenant, or (3) be bound by any previous modification of any sublease made without Landlord's written consent, or by any previous prepayment by sublessee of more than one month's rent.

27.4.3. If Landlord grants its consent to any proposed Transfer described in any Transfer Notice, Tenant may during the thirty (30) days thereafter consummate such Transfer with the Proposed Transferee upon the terms and conditions described in the applicable Transfer Notice; provided, however, that any material change in such terms shall be subject to Landlord's consent as provided in this Article 27. No Assignment or Sublease or other Transfer (whether with or without Landlord's consent) shall relieve Tenant or any assignee or sublessee from any obligation under this Lease whether or not accrued as of the date of the Assignment or Sublease (and, to the extent such Tenant is deemed a surety of an assignee, Tenant hereby waives all applicable suretyship defenses, including, but not limited to, those contained in Sections 2787 to 2855, inclusive, of the California Civil Code.

## **27.5 Landlord's Costs; Transfer Premiums.**

27.5.1. If Tenant requests Landlord's consent to a proposed Transfer under the provisions of this Article 27, Tenant shall, upon demand, reimburse all of Landlord's reasonable expenses, costs and attorneys' fees incurred in connection with processing such request for consent, whether or not Landlord grants consent to such proposed Transfer.

27.5.2. If Landlord consents to a Transfer, Tenant shall pay to Landlord fifty percent (50%) of any rent or other consideration realized by Tenant pursuant to such Transfer in excess of (i) the Rent payable by Tenant under this Lease, (ii) any reasonable tenant improvement allowance or other economic concession (e.g., space planning allowance, moving expenses, free or reduced rent periods, etc.) actually incurred by Tenant in connection with such Transfer, (iii) any reasonable advertising costs and brokerage commissions actually incurred by Tenant in connection with such Transfer, and (iv) any reasonable legal fees actually incurred by Tenant in connection with such Transfer.

**27.6 Rights Not Transferable.** All: (a) options to extend or renew the Term and/or to expand the Premises, if any, contained in this Lease or any addendum or amendment hereto or letter of agreement; (b) all rights to any signage at the Project in any location outside of the Premises, if any, contained in this Lease or any addendum or amendment hereto or letter of agreement; (c) all rights to above standard (or discounted) parking at the Project, if any, contained in this Lease or any addendum or amendment hereto or letter of agreement; and (d) all rights to receive any above standard services or utilities, if any, contained in this Lease or any addendum or amendment hereto or letter of agreement, are personal to the Original Tenant (or a Permitted Transferee), and may not be transferred in connection with any Transfer or exercised by any Transferee. Consent by Landlord to any Transfer shall not include consent to the assignment or transfer of any such options, rights or privileges (and such options, rights, or privileges shall terminate upon such assignment or subletting), unless Landlord, in its sole and absolute discretion, specifically grants in writing such options, rights, privileges or services to such assignee or subtenant.

**27.7 Affiliate Transfers.** Notwithstanding anything to the contrary contained in this Article 27, (a) any Transfer to an affiliate of Tenant (an entity which is controlled by, controls, or is under common control with Tenant), (b) any Transfer to an entity which acquires all or substantially all of the assets or interests (partnership, stock or other) of Tenant, or (c) any Transfer to an entity which is the resulting entity of a merger or consolidation of Tenant, shall not be deemed a Transfer under this Article 27, provided that (i) in the case of an assignment of this Lease or a sublease of more than fifty percent (50%) of the Rentable Square Feet of the Premises, the financial credit of such transferee entity is, in Landlord's reasonable judgment, the same or greater than that of Tenant both as of the Effective Date of this Lease and as of the date of the proposed transfer; (ii) Tenant notifies Landlord of such transfer within thirty (30) days thereof and promptly thereafter supplies Landlord with any documents or information reasonably requested by Landlord regarding such transfer or such affiliate; and (iii) such transfer is not a subterfuge by Tenant or Guarantor to avoid its obligations under this Lease or otherwise effectuate any "release" by Tenant or Guarantor of such obligations. A transfer made in accordance with this Section 27.7 shall be referred to as a "Permitted Transfer" and the transferee shall be referred to as a "Permitted Transferee." "Control," as used in this Section 27.7, shall mean the ownership, directly or indirectly, of more than fifty percent (50%) of the voting securities of, or possession of the right to vote, in the ordinary direction of its affairs, of more than fifty percent (50%) of the voting interest in, any person or entity. No assignment or sublease under this Section 27.7 shall relieve Tenant from any of its obligations under this Lease whether or not accrued as of the date of such assignment or sublease.

## **ARTICLE 28**

### **SUBORDINATION**

Without the necessity of any additional documents being executed by Tenant for the purpose of effecting a subordination, and at the election of Landlord, or any current or future mortgagee or holder of deed of trust with a lien on the Building or the Project or any ground lessor with respect to the Building or the Project (each, a "Holder"), this Lease shall be subject and subordinate at all times to: (a) all ground leases or underlying leases which may now exist or hereafter be executed affecting the Building, the Project, or the land upon which the Building and the Project are situated, or both; and (b) the lien of any mortgage or deed of trust which may now exist or hereafter be executed in any amount for which the Building, the Project, the land upon which the Building and the Project are situated, ground leases or underlying leases, or Landlord's interest or estate in any of said items is

specified as security (collectively, “Security Instruments”). With respect to any Security Instrument existing as of the Commencement Date, Landlord shall use commercially reasonable efforts to assist Tenant in obtaining a commercially reasonable non-disturbance agreement from the Holder thereof. Notwithstanding the foregoing, Landlord shall have the right to subordinate or cause to be subordinated such ground leases or any such liens to this Lease. In the event that any ground lease or underlying lease terminates for any reason or any mortgage or deed of trust is foreclosed or a conveyance in lieu of foreclosure is made for any reason, Tenant shall, notwithstanding any subordination, attorn to and become the tenant of the successor-in-interest to Landlord, at the option of such successor-in-interest to Landlord. Tenant covenants and agrees to execute and deliver, within ten (10) business days after demand by Landlord therefor, any additional documents evidencing the priority or subordination of this Lease with respect to any such Security Instruments. Tenant hereby irrevocably appoints Landlord as its attorney-in-fact to execute, deliver and record any such document in the name and on behalf of Tenant.

## ARTICLE 29

### ESTOPPEL CERTIFICATE

**29.1 Tenant Estoppel Certificate.** Within ten (10) business days following any written request which Landlord may make from time to time, Tenant shall execute and deliver to Landlord a statement, in a form substantially similar to the form of Exhibit “E” attached hereto, and incorporated herein by this reference (a “Tenant Estoppel Certificate”) certifying: (a) the Commencement Date of this Lease; (b) that this Lease is unmodified and in full force and effect (or, if there have been modifications hereto, that this Lease is in full force and effect, and stating the date and nature of such modifications); (c) the date to which the Rent and other sums payable under this Lease have been paid; (d) that to the best of Tenant’s knowledge, there are no then current defaults under this Lease by Landlord except as specified in Tenant’s statement; (e) that Tenant has received no written notice that there are any then current defaults under this Lease by Tenant except as specified in Tenant’s statement; and (f) such other matters as are reasonably included in such statement by Landlord. Landlord and Tenant intend that any statement delivered pursuant to this Article 29 may be relied upon by any mortgagee, lessor, beneficiary, purchaser or prospective purchaser of the Building or the Project or any interest therein.

**29.2 Failure to Deliver.** Tenant’s failure to deliver such statement within such time shall be conclusive upon Tenant: (a) that this Lease is in full force and effect, without modification except as may be represented by Landlord, (b) that there are no uncured defaults in Landlord’s performance, (c) that not more than one (1) month’s Rent has been paid in advance and (d) that the statements included in the Tenant Estoppel Certificate are true and correct, without exception. Additionally, any such failure to timely deliver a Tenant Estoppel Certificate shall constitute an immediate Tenant Default hereunder.

## ARTICLE 30

### INTENTIONALLY OMITTED

## ARTICLE 31

### SURRENDER OF PREMISES

Upon the expiration or earlier termination of the Term hereof, Tenant shall peaceably surrender the Premises and all Leasehold Improvements therein, excepting only any of the same that are required to be removed in accordance with Section 15.2 above, to Landlord broom-clean, in good order, repair and condition (reasonable wear and tear and casualty damage excepted), with all of Tenant’s Personal Property removed and free of any Hazardous Materials, and shall otherwise comply with all of the requirements of Section 15.2 above and Section 41.1 below. The voluntary or other surrender of this Lease by Tenant, or a mutual cancellation thereof, shall not work a merger, and shall, at the option of Landlord, operate as an assignment to it of any or all subleases or subtenancies. The delivery of keys to any employee of Landlord or to Landlord’s agent or any employee thereof shall not be sufficient to constitute a termination of this Lease or a surrender of the Premises.

---

## ARTICLE 32

### PERFORMANCE BY TENANT

All covenants and agreements to be performed by Tenant under any of the terms of this Lease shall be timely performed by Tenant at Tenant's sole cost and expense and without any abatement of Rent except as expressly provided in this Lease. If Tenant shall fail to pay any sum of money owed to any party other than Landlord, for which it is liable hereunder, or if Tenant shall fail to timely perform any other act on its part to be performed hereunder Landlord may, without waiving or releasing Tenant from obligations of Tenant, but shall not be obligated to, make any such payment or perform any such other act to be made or performed by Tenant pursuant to Section 25.5 above.

## ARTICLE 33

### PARKING

Beginning on the Commencement Date, Tenant and Tenant's business visitors ("Tenant's Parking Invitees") shall be entitled to use the number of parking spaces set forth in Section 1.8 during the Initial Term, which parking spaces shall be located in the surface parking area of the Project ("Parking Area"). There shall be no direct charge attributable to Tenant's use of the Parking Area, other than any taxes imposed by any governmental authority in connection with the renting of parking spaces by Tenant or the use of the Parking Area by Tenant. Tenant's continued right to use the Parking Area is conditioned upon Tenant abiding by the Parking Rules and Regulations set forth on Exhibit "G" as amended from time to time for the orderly operation and use of the Parking Area, including any sticker, parking pass or other identification system established by Landlord, Tenant's cooperation in seeing that Tenant's employees and visitors also comply with the Parking Rules and Regulations and Tenant not being in default under this Lease (beyond any applicable notice and cure periods). Landlord specifically reserves the right to change the size, configuration, design, layout and all other aspects of the Parking Area at any time and Tenant acknowledges and agrees that Landlord may, from time to time, close-off or restrict access to the Parking Area for purposes of permitting or facilitating any such construction, alteration or improvements; provided, however, in connection with any such access restrictions, the same shall be without incurring any liability to Tenant and without any abatement of Rent under this Lease to the extent Landlord provides any reasonably required temporary, alternate parking. Landlord may delegate its responsibilities hereunder to a parking operator in which case such parking operator shall have all the rights of control attributed hereby to Landlord. Any parking passes issued to Tenant pursuant to this Article 33 shall be provided to Tenant solely for use by Tenant's own personnel and such passes may not be transferred, assigned, subleased or otherwise alienated by Tenant without Landlord's prior approval. Tenant may validate visitor parking by such method or methods as Landlord may establish, at the validation rate from time to time generally applicable to visitor parking.

## ARTICLE 34

### LIMITATION ON LIABILITY

**34.1 Landlord's Liability.** In consideration of the benefits accruing hereunder, Tenant and all of its successors and assigns covenant and agree that, in the event of any actual or alleged failure, breach or default hereunder by Landlord:

34.1.1. The sole and exclusive remedy shall be against Landlord's interest in the Project;

34.1.2. Only Landlord shall be sued or named as a party in any suit or action;

34.1.3. No writ of attachment, execution, possession, or sale, will ever be levied against the assets of Landlord, except the Building;

34.1.4. The obligations under this Lease do not constitute personal obligations of any Landlord Indemnified Party (other than Landlord), and Tenant shall not seek recourse against any Landlord Indemnified Party (other than Landlord) or any of their personal assets (other than Landlord's interest in the Project) for satisfaction of any liability in respect to this Lease (and, without limiting the foregoing, neither the negative capital account of any Landlord Indemnified Party, nor any obligation of any Landlord Indemnified Party to restore a negative capital account or to contribute capital to Landlord, shall at any time be deemed to be the property or an asset of Landlord,

and neither Tenant nor any of its successors or assigns shall have any right to collect, enforce or proceed against or with respect to any such negative capital account of an Landlord Indemnified Party's obligation to restore or contribute); and

34.1.5. These covenants and agreements are enforceable by Landlord and the other Landlord Indemnified Parties.

## ARTICLE 35

### CONFIDENTIALITY

Tenant agrees that the terms and conditions of this Lease and any documents or information delivered hereunder are confidential and constitute proprietary information. Disclosure of the terms and conditions hereof or any documents or information delivered hereunder could adversely affect the ability of Landlord to negotiate with other tenants or potential tenants of the Building. Tenant and its partners, officers, members, managers, directors, employees, agents, advisors, representatives and attorneys, shall not disclose the terms and conditions of this Lease or any documents or information delivered hereunder to any other person without the prior written consent of Landlord except (a) pursuant to an order of a court of competent jurisdiction, (b) to its investors, lenders or prospective lenders, (c) to accountants who audit its financial statements or prepare its tax returns, (d) to its attorneys, insurers, to any Governmental Authority or person to whom disclosure is required by applicable Law and (e) in connection with any action brought to enforce the terms of this Lease on account of the breach or alleged breach hereof. In the event that Tenant concludes that it is obligated by Law to disclose the terms of this Lease (e.g., pursuant to a filing with the Securities and Exchange Commission ("SEC") or the New York Stock Exchange), Tenant shall provide written notice to Landlord before any public disclosure, and the parties shall use their commercially reasonable efforts to cause a mutually agreeable release or announcement to be issued. The foregoing shall not preclude communications or disclosures by Tenant necessary to implement the provisions of this Lease or to comply with the accounting and disclosure obligations of the SEC or the rules of the New York Stock Exchange. If Tenant determines that it is required to file this Lease, a summary thereof, or a notification thereof, and/or descriptions related thereto, to comply with the requirements of an applicable stock exchange, SEC regulation, or any Governmental Authority, including the SEC, Tenant shall use its best efforts to provide the maximum amount of advance written notice of any such required disclosure to Landlord with a minimum advance notice period of five (5) business days. Tenant will provide Landlord with a copy of this Lease marked to show provisions for which Tenant intends to seek confidential treatment. Tenant shall reasonably consider and incorporate Landlord's comments thereon to the extent consistent with the legal requirements governing redaction of information from material agreements that must be publicly filed. Notwithstanding anything to the contrary contained in this Lease, neither Landlord nor Tenant (nor either of their affiliates) shall (orally or in writing) publicly disclose, issue any press release or make any other public statement, or otherwise communicate with the media, concerning the existence of this Lease or the subject matter hereof, without the prior written approval of the other.

## ARTICLE 36

### MISCELLANEOUS

**36.1 Rules and Regulations.** Tenant shall faithfully observe and comply with the "Rules and Regulations", a copy of which is attached hereto, marked Exhibit "F", and incorporated herein by this reference ("Rules and Regulations"), and all modifications thereof and additions thereto made from time to time by Landlord. Landlord shall not be responsible to Tenant for the violation or nonperformance by any other tenant or occupant of the Building or the Project of any of said Rules and Regulations.

**36.2 Conflict of Laws.** This Lease shall be governed by and construed pursuant to the Laws of the State of California (without reference to its conflicts of laws rules or principles).

**36.3 Successors and Assigns.** Except as otherwise provided in this Lease, all of the covenants, conditions and provisions of this Lease shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors and assigns (subject to the restrictions on Tenant's right to assign, sublet or transfer contained in Article 27).

**36.4 Professional Fees.** If Landlord should bring suit for possession of the Premises, for the recovery of any sum due under this Lease, or because of the breach of any provisions of this Lease, or for any other relief

against Tenant hereunder, or in the event of any other litigation between the parties with respect to this Lease, then all reasonable costs and reasonable expenses, including, without limitation, actual professional fees such as appraisers', accountants', and attorneys' fees, incurred by the prevailing party therein shall be paid by the other party, which obligation on the part of the other party shall be deemed to have accrued on the date of the commencement of such action and shall be enforceable whether or not the action is prosecuted to judgment.

**36.5 Mortgagee Protection.** Tenant shall give Notice to any beneficiary of a deed of trust or mortgage covering the Premises whose address shall have been furnished to Tenant of any default on the part of Landlord under this Lease, and shall offer such beneficiary or mortgagee a reasonable opportunity to cure the default, in no event less than sixty (60) days, including time to obtain possession of the Premises by power of sale or a judicial foreclosure if necessary to effect a cure.

**36.6 Definition of Landlord.** The term "Landlord", as used in this Lease, so far as covenants or obligations on the part of Landlord are concerned, shall be limited to mean and include only the owner or owners, at the time in question, of the fee title of the Premises or the lessees under any ground lease, if any. In the event of any transfer, assignment or other conveyance or transfers of any such title, the original landlord herein named (and in case of any subsequent transfers or conveyances, the then grantor) shall be automatically freed and relieved from and after the date of such transfer, assignment or conveyance of all liability as respects the performance of any covenants or obligations on the part of Landlord contained in this Lease thereafter to be performed. Without further agreement, the transferee of such title shall be deemed to have assumed and agreed to observe and perform any and all obligations of Landlord hereunder, during its ownership of the Premises. Landlord may transfer its interest in the Premises without the consent of Tenant and such transfer or any subsequent transfer shall not be deemed a violation on Landlord's part of any of the terms and conditions of this Lease.

**36.7 Identification of Tenant.** If more than one person or entity executes this Lease as Tenant: (a) each of them shall be jointly and severally liable for observing and performing all of the terms, covenants, conditions, provisions and agreements of this Lease to be observed and performed by Tenant, and (b) the term "Tenant" as used in this Lease shall mean and include each of them jointly and severally. The act of or Notice from, or Notice or refund to, or the signature of any one or more of them, with respect to the tenancy of this Lease, including but not limited to any renewal, extension, expiration, termination or modification of this Lease, shall be binding upon each and all of the persons executing this Lease as Tenant with the same force and effect as if each and all of them had so acted, so given or received such Notice or refund, or so signed.

**36.8 Force Majeure.** Each party shall have no liability whatsoever to the other party on account of any of the following ("Force Majeure"): (a) the inability of such party to fulfill, or any delay in fulfilling, any of its obligations under this Lease by reason of strike, other labor trouble, governmental preemption or priorities or other controls in connection with a national or other public emergency, or shortages of fuel, supplies or labor resulting therefrom, inclement weather, casualty, earthquake, war, riot, civil commotion, terrorism or any other cause, whether similar or dissimilar to the above, beyond such party's reasonable control (financial condition excepted); or (b) any failure or defect in the supply, quantity, character, or maintenance of electricity, water, intrabuilding network telephone and data cable service, or other service furnished to the Premises by reason of any requirement, act or omission of the public utility or others furnishing the Building with such service, or for any other reason, whether similar or dissimilar to the above, beyond such party's reasonable control. If this Lease specifies a time period for performance of an obligation of such party, that time period shall be extended by the period of any delay in such party's performance caused by any of the events of Force Majeure described above. Notwithstanding the foregoing, nothing in this Section 36.8 shall relieve Tenant from the obligation to pay any Rent or extend the time for payment of any Rent.

**36.9 Terms and Headings.** The words "Landlord" and "Tenant" as used herein shall include the plural as well as the singular. Words used in any gender include other genders. The Article and Section headings of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.

**36.10 Examination of Lease.** Submission of this instrument for examination or signature by Tenant does not constitute a reservation of or option for lease, and it is not effective as a lease or otherwise until execution by and delivery to both Landlord and Tenant.

**36.11 Time.** Time is of the essence with respect to the performance of every provision of this Lease in which time is a factor.

**36.12 Prior Agreement; Amendments.** This Lease contains all of the agreements of the parties hereto with respect to any matter covered or mentioned in this Lease, and no prior agreement or understanding pertaining to any such matter, written or verbal, shall be effective for any purpose. No provisions of this Lease may be amended or added to except by an agreement in writing signed by the parties hereto or their respective successors-in-interest.

**36.13 Severability.** Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision hereof, and such other provisions shall remain in full force and effect.

**36.14 Recording.** Tenant shall not record this Lease or a short form memorandum hereof without the consent of Landlord (in its sole and absolute discretion), which consent may be conditioned upon Tenant's delivery to Landlord of a fully executed quitclaim releasing Tenant's interest in the Premises, the Project or any portion thereof.

**36.15 Modification for Lenders.** If, in connection with obtaining construction, interim or permanent financing for the Project the lender shall request reasonable modifications in this Lease as a condition to such financing, Tenant will not unreasonably withhold, delay or condition its consent thereto, provided that such modifications do not materially increase the obligations or costs of Tenant hereunder or materially adversely affect the leasehold interest hereby created or Tenant's rights hereunder.

**36.16 Financial Statements.** At any time during the Term of this Lease, Tenant shall, upon ten (10) business days' Notice from Landlord, provide Landlord with its current financial statements and financial statements of the two (2) years prior to the year in which Landlord's Notice was given (together with, if Tenant's obligations under this Lease are guaranteed, the guarantor's current financial statements and financial statements of the two (2) years prior to the year in which Landlord's Notice was given); provided Tenant shall not be required to provide such financial statements more than once in each consecutive twelve (12) month period during the Term unless (a) Tenant is in default under this Lease, or (b) requested in connection with a proposed sale, transfer, financing or refinancing of the Project or any portion thereof. If Tenant's compliance with the immediately preceding sentence would result in Tenant providing the same financial statements that were previously provided to Landlord, then Tenant shall be responsible for providing only those financial statements, if any, that have not previously been delivered. Such statements shall be prepared in accordance with generally accepted accounting principles and, if such is the normal practice of Tenant, shall be audited by an independent certified public accountant. All financial statements shall be certified as true and correct by Tenant's chief financial officer and Tenant agrees that Landlord may share such financial statements with prospective lenders or purchasers of the Property.

**36.17 Quiet Enjoyment.** Landlord covenants and agrees with Tenant that, upon Tenant paying the Rent required under this Lease and performing all of the covenants and provisions on Tenant's part to be observed and performed under this Lease, Tenant shall during the Term, peaceably and quietly have, hold and enjoy the Premises in accordance with this Lease without interference by any persons lawfully claiming by or through Landlord. The foregoing covenant is in lieu of any other covenant express or implied.

**36.18 Tenant as Corporation, Partnership or Limited Liability Company.** If Tenant is a corporation, partnership or limited liability company, Tenant and the persons executing this Lease on behalf of Tenant represent and warrant that it is an entity duly qualified to do business in California and that the individuals executing this Lease on Tenant's behalf are duly authorized to execute and deliver this Lease on its behalf, in the case of a corporation, in accordance with its by-laws and with a duly adopted resolution of the board of directors of Tenant, a copy of which shall be delivered to Landlord upon execution hereof by Tenant, in the case of a partnership, in accordance with the partnership agreement and the most current amendments thereto, if any, copies of which shall be delivered to Landlord upon execution hereof by Tenant, and, in the case of a limited liability company, in accordance with its governing documents and any documents required thereby, copies of which shall be delivered to Landlord upon execution hereof by Tenant, and that this Lease is binding upon Tenant in accordance with its terms.

**36.19 CASp Disclosure.** For purposes of Section 1938 of the California Civil Code, Landlord hereby discloses to Tenant that the Building Common Areas, Project Common Areas and Premises, as of the date of this Lease, have not been inspected by a Certified Access Specialist (CASp), as that term is defined in California Civil Code Section 55.52. In accordance with subsection (e) of Section 1938 of the California Civil Code, Tenant is further notified as follows:

A Certified Access Specialist (CAsp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CAsp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CAsp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CAsp inspection, the payment of the fee for the CAsp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

## ARTICLE 37

### SIGNAGE

Landlord retains absolute control over the exterior appearance of the Building and the Project and the exterior appearance of the Premises as viewed from the Building Common Areas and Project Common Areas. Tenant will not, without Landlord's prior written consent, install, or permit to be installed, any drapes, furnishings, signs, lettering, designs, advertising or any items that will in any way alter the exterior appearance of the Building, the Project or the exterior appearance of the Premises as viewed from the Building Common Areas and Project Common Areas. Any sign, advertising, design, or lettering installed by Tenant shall be considered an Alteration and shall be subject to the provisions of Article 15; provided that Landlord shall have the right to withhold its consent to the same in its sole and absolute discretion. Notwithstanding the foregoing, Tenant shall have (a) the exclusive right, without obligation, to have its name (including its logo) displayed on one (1) building-top sign on the Building, which building-top sign shall be located on the non-glass area of the northeast portion of the Building facing Lusk Boulevard at the Wateridge intersection, as generally shown on Exhibit I ("Tenant's Building-Top Signage"), and Landlord shall trim the trees shown on Exhibit I to maximize the visibility of Tenant's Building Top Signage from Lusk Boulevard (subject to the terms and conditions set forth below in this Article 37) and such exclusive right shall be conditioned upon Tenant's (or a Permitted Transferee's) occupancy of the entire Premises, and (b) the nonexclusive right, without obligation, to have its name (including its logo) displayed on (i) signage at the front of the Building at the main entrance lobby, (ii) if approved by the City of San Diego and constructed by Landlord, prominently as the first and only signage on the top line of the monument sign located at the main driveway entrance to the Building, (iii) prominently as the first and only name on the top line of the Building's lobby directory, and (iv) its pro rata portion of any other Project Signage (as that term is defined below) as reasonably determined by Landlord based on Tenant's Percentage (the signage rights granted to Tenant in the foregoing subsections (a) and (b) shall be collectively referred to herein as "Tenant's Signage"), subject to the terms and conditions set forth in this Article 37. Tenant hereby acknowledges that, as of the Effective Date, Landlord has not received approval from the City of San Diego (or any other authority with jurisdiction over the Project) for any exterior signage for the Project and, accordingly, Tenant's right to any such signage (including, without limitation, Tenant's Signage set forth above) is contingent on such approval. In addition, the specifications of Tenant's Signage (including, without limitation, the dimensions, and configuration thereof) shall be subject to the prior written approval of Landlord, which approval shall not be unreasonably withheld, provided that such specifications are consistent with Landlord's sign program for the Project and all applicable Laws. As used herein, the "Project Signage" shall mean all exterior signage for the Project (e.g., building-top signage and/or facade signage above the main entrance(s) to the Building) and one or more monument signs), which Project Signage (including the size, location and existence thereof) shall be determined by Landlord in its reasonable discretion. The construction and installation of Tenant's Signage shall be performed by Tenant (upon Landlord's approval thereof), at Tenant's sole cost and expense. Prior to installation, Tenant shall deliver to Landlord a drawing depicting the design, size, location, specifications, graphics, materials and colors of Tenant's Signage, all of which shall be consistent with Landlord's sign program and the Rules and Regulations. Tenant's Signage shall be subject to any applicable review and approval by the City of San Diego and any other authorities with jurisdiction over the Project, and Tenant shall obtain all applicable permits and authorizations by Governmental Authorities prior to installation of Tenant's Signage. After installation, Tenant shall maintain Tenant's Signage in good condition and repair at all times through the Term. Tenant shall remove Tenant's Signage upon the expiration or earlier termination of this Lease and shall repair any damage caused thereby. The maintenance and removal of Tenant's Signage shall be performed at

Tenant's sole cost and expense. All signage rights granted to Tenant under this Lease are personal to the original Tenant named herein, and, except in connection with a Permitted Transfer to a Permitted Transferee, may not be assigned or transferred without Landlord's prior written consent, which consent Landlord may withhold in its sole and absolute discretion.

### ADDITIONAL PROVISIONS

**41.1 Early Access.** Following twenty-four (24) hours' notice to Landlord and upon receipt of written approval by Landlord (which shall not be unreasonably withheld or delayed), Landlord shall permit Tenant and its agents to enter the Premises up to sixty (60) days prior to the Commencement Date ("Early Access Period") for the sole purpose of installing, at Tenant's sole cost and expense, its furniture, fixtures, equipment and cabling in the Premises; provided, however, that in no event shall such early access, regardless of when provided, extend or otherwise affect the Commencement Date. Any such entry shall be in a manner and upon terms and conditions and at times satisfactory to Landlord's representative. The foregoing license to enter the Premises prior to the Commencement Date is, however, conditioned upon Tenant's contractors and their subcontractors and employees working in harmony and not interfering with the work being performed by Landlord. If at any time such entry shall cause disharmony or interfere with the work being performed by Landlord, this license may be withdrawn by Landlord upon twenty-four (24) hours written notice to Tenant. Tenant shall be liable for any damages caused by Tenant's activities at the Premises. Such license is further conditioned upon the compliance by Tenant's contractors with all requirements imposed by Landlord on third party contractors, including, without limitation, the maintenance by Tenant and its contractors and subcontractors of workers' compensation and public liability and property damage insurance in amounts and with companies and on forms satisfactory to Landlord, with certificates of such insurance being furnished to Landlord prior to proceeding with any such entry. The entry shall be deemed to be under all of the provisions of this Lease except as expressly set forth in this Section 41.1. During the Early Access Period, Tenant shall have no obligation to pay Basic Rent, Operating Expenses or Real Property Taxes. Landlord shall not be liable in any way for any injury, loss or damage which may occur to any such work being performed by Tenant, the same being solely at Tenant's risk. All costs and expenses in connection with or arising out of the performance of any work by Tenant during such early entry shall be borne by Tenant, and all payments therefor shall be made by Tenant promptly as they become due. Tenant shall, at its sole cost and expense, comply with all applicable laws, ordinances, regulations and policies governing its work. Tenant shall defend, indemnify and hold Landlord and its members, agents, employees, partners, and their respective employees, partners, officers, directors, agents, representatives, successors and assigns, harmless from and against any and all suits, claims, actions, losses, costs, liabilities or expenses (including reasonable attorneys' fees and claims for workers' compensation) to the extent arising out of or in connection with any and all work during such early entry (including, but not limited to, claims for breach of warranty, personal injury or property damage). Landlord shall have the right, in Landlord's sole and absolute discretion, to settle, compromise, or otherwise dispose of any and all suits, claims, and actions against any of the indemnified parties arising out of or in connection with the work performed by Tenant during any early entry. Tenant shall coordinate such entry with Landlord's building manager and, except as expressly set forth in this Section 41.1, such entry shall be made in compliance with all terms and conditions of this Lease and the Rules and Regulations attached hereto.

**41.2 Environmental Assessments.** Tenant hereby acknowledges receipt of the Phase I Environmental Site Assessment dated April 12, 2018, prepared by AES Due Diligence, Inc. regarding the Project ("Original Phase I Assessment"); a copy of the executive summary of the Original Phase I Assessment is attached hereto as Exhibit "H". The Original Phase I Assessment shall serve as the "baseline" for determining the environmental condition of the Project prior to Tenant's occupancy thereof. In addition to the surrender obligations set forth elsewhere in this Lease (including, without limitation, Section 15.2 and Article 31), upon the expiration or earlier termination of this Lease, Tenant, at its sole cost and expense, shall (a) cause a Phase I environmental assessment (or similar non-invasive assessment) of the Project ("Phase I Surrender Assessment") to be performed and deliver the results thereof to Landlord no later than thirty (30) days following such expiration or earlier termination (but in no event shall the Phase I Surrender Assessment be dated more than ten (10) days prior to such expiration or earlier termination); and (b) if and to the extent recommended by the Phase I Surrender Assessment and consented to by Landlord in writing, cause a Phase II environmental assessment (or similar additional assessment) of the Project ("Phase II Surrender

Assessment”) to be performed and deliver the results thereof to Landlord no later than thirty (30) days following the date of the Phase I Surrender Assessment. In addition, Landlord shall have the right, in its sole and absolute discretion, to hire, or to cause Tenant to hire, an environmental consultant to conduct a physical inspection of the Project (“Environmental Inspection”) upon the expiration or earlier termination of this Lease, which inspection shall be at Tenant’s sole cost and expense. The Phase I Surrender Assessment and any Phase II Surrender Assessment and/or Environmental Inspection, as the same compare to the Original Phase I Assessment, shall be used to, among other things, determine the extent of Tenant’s compliance (or noncompliance) with Section 8.3 above.

**41.3 Generator.** Tenant shall have the right to install one (1) standalone emergency generator serving the Premises (“Generator”) in a location reasonably approved by Landlord. All costs and expenses to install and maintain the Generator shall be the sole responsibility of Tenant, except that Tenant may elect, prior to the commencement of the Tenant Improvements, to apply a portion of the Tenant Improvement Allowance toward the cost of the Generator. The installation of the Generator shall be deemed an Alteration subject to the terms and conditions of Article 15 above.

**41.4 Security System.** Tenant shall have the right to install an integrated security system within the Premises (“Security System”). All costs and expenses to install and maintain the Security System shall be the sole responsibility of Tenant. The installation of the Security System shall be deemed an Alteration subject to the terms and conditions of Article 15 above.

**41.5 Roof Rights and Telecommunications Equipment.** Tenant shall have the non-exclusive right to install on the roof of the Building, at its sole cost and expense but at no charge due to Landlord, one (1) satellite dish or one (1) antenna, together with related cables and appurtenances for Tenant’s data transmission network, provided that (i) the dish or antenna, all appurtenant equipment, and all connecting wires and cables on the roof and within the Building risers shall be depicted on plans and specifications showing the size and configuration thereof and such plans and specifications shall be delivered to Landlord for its prior approval, which shall not be unreasonably withheld or delayed; (ii) any such installation shall be completed in full compliance with any and all rules established for the location of communications installations established by Landlord, all applicable laws, municipal or governmental rules, regulations, permits and approvals, any covenants, conditions or restrictions governing the Premises and/or the Project in effect at the time Tenant desires to install such equipment, and any applicable owners’ association rules, regulations, permits and approvals; (iii) any such installation and the use thereof shall not interfere with the operation of any third party communications installations existing on the roof of the Building at the time Tenant installs its equipment; and (iv) any such installation shall not be visible from view from the ground level or any other lot within the Project to Landlord’s reasonable satisfaction. Subject to the foregoing, Tenant shall have the right to vertical access to the roof at no additional cost for the purpose of installing and maintaining its rooftop installation. Tenant shall pay all costs and expenses incurred in connection with the installation, maintenance and, upon the expiration of the Term or any earlier termination of this Lease, the removal of all of Tenant’s equipment, wires and cables from the roof and all other portions of the Building. Furthermore, Tenant shall obtain Landlord’s consent, which shall not be unreasonably withheld or delayed, prior to each occasion on which Tenant or its agents access the roof. Tenant shall contract solely with Landlord’s roof contractor for any and all rooftop installation and removal.

**41.6 Right of First Refusal.** Beginning on the Effective Date, provided that Tenant is not in default under this Lease beyond applicable notice and cure periods and provided further that, if the Initial Term has commenced, Tenant occupies one hundred percent (100%) of the Premises, then Landlord agrees that prior to leasing one or more of the other suites of the Building to a third party for the first time, Landlord shall submit a copy of the first bona fide offer to lease such space from a third party that Landlord is willing to accept (“Offer”) to Tenant. Tenant shall have a one-time right (“ROFR”) to elect to lease the entire space identified in the Offer (“Offer Space”), on terms and conditions identical to those contained in the Offer (except as indicated below), provided that Tenant delivers written notice exercising its ROFR within seven (7) business days following delivery of the copy of the Offer from Landlord to Tenant. If Tenant duly and timely exercises the ROFR, Landlord and Tenant shall promptly amend this Lease to include the Offer Space on terms and conditions identical to those contained in the Offer, except that (a) the term of the lease relative to the Offer Space shall be coterminous with the Lease for the Premises and (b) any concessions in the Offer (e.g., any improvement allowance) shall be equitably reduced to correspond with a reduced amortization period equal to the remaining portion of the existing Term. If for any reason, Tenant fails to duly and timely exercise the ROFR, or if Tenant properly exercises such right but thereafter for any reason does not enter into the amendment of the Lease within thirty (30) days after exercise of the ROFR

(unless the delay is caused by Landlord), then Landlord shall be free to lease the Offer Space to another tenant without any obligation pursuant to this Section 41.6 and the ROFR shall terminate and be of no further force or effect. The ROFR shall apply during the Initial Term only (and not during any Option Term or other expansion term), shall be personal to the Original Tenant (or any Permitted Transferee) and may not be exercised or assigned, voluntarily or involuntarily, by or to any person or entity other than such Original Tenant or Permitted Transferee and shall not be assignable separate and apart from this Lease.

**41.7 Termination Option.** Tenant shall have a one (1) time option to terminate this Lease ("Termination Option") effective on the last day of the one hundredth (100<sup>th</sup>) full month of the Initial Term ("Termination Date"), provided that (a) Tenant shall give Landlord written notice ("Termination Notice") of its exercise of the Termination Option, if at all, no sooner than the last day of the eighty-eighth (88<sup>th</sup>) full month of the Initial Term and no later than the last day of the ninetieth (90<sup>th</sup>) full month of the Initial Term, (b) Tenant shall not be in default under the terms of this Lease (after the lapse of all applicable notice and cure periods) at the time Tenant delivers the Termination Notice to Landlord or at any time between delivery of the Termination Notice and the Termination Date, and (c) concurrently with Tenant's delivery of the Termination Notice to Landlord, Tenant shall pay to Landlord a termination fee ("Termination Fee") equal to the sum of (i) the unamortized balance (amortized over the Initial Term), as of the Termination Date, of the Tenant Improvement Allowance, plus (ii) an amount equal to the monthly Basic Rent payable as of the Termination Date multiplied by twenty (20). The actual amount of the Termination Fee (as calculated pursuant to the immediately preceding sentence) shall be specified in the Commencement Letter. The Termination Option is applicable to the original Premises only and shall not apply to any additional or expansion premises in the Project which may become a part of this Lease. The Termination Option is personal to the Original Tenant (or any Permitted Transferee) and may not be exercised or assigned, voluntarily or involuntarily, by or to any person or entity other than such Original Tenant or Permitted Transferee.

#### Index of Defined Terms

**SECOND AMENDMENT TO LEASE**

**THIS SECOND AMENDMENT TO LEASE** ("Amendment") is made and entered into as of October 6, 2016, by and between **ARAME, LLC**, a North Carolina limited liability company ("Landlord") and **CYGNUS TECHNOLOGIES, INC.**, a North Carolina corporation ("Tenant").

**RECITALS:**

**WHEREAS**, Landlord and Tenant entered into that certain Commercial Lease Agreement dated June 7, 2012 as amended by that Lease Amendment of Lease dated January 28, 2016 (collectively, the "Lease"), demising premises located at and known as 4332 Southport Supply Road, Southport, North Carolina 28461, and also sometimes described as Unit Nos. 100, 104 and 204 in the St. James Square Office Park Condominium (Phase Two) (the "Premises"), all as more particularly described in the Lease; and

**WHEREAS**, Landlord and Tenant wish to amend the terms of the Lease as set forth below.

**TERMS OF AMENDMENT:**

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant hereby agree as follows:

1. Base Rent Adjustment. Subsection 3 c. of the Lease is hereby amended by deleting such subsection in its entirety and substituting therefor the following:

"c. The Base Rent shall be adjusted every five (5) years of the term of this Lease, with the first such adjustment to be effective on July 1, 2017 (the "Initial Base Rent Adjustment Date") and each subsequent fifth anniversary during the Lease term (sometimes referred to as the "term" or "Lease Term") is, together with the Initial Base Rent Adjustment Date, a "Base Rent Adjustment Date"). The Base Rent shall be adjusted in the manner set forth in this paragraph c. and subject to below paragraph d., to Fair Market Rent (defined below), provided, however, that in no event shall the Base Rent ever be reduced below the Base Rent in effect during the twelve months of the term of this Lease immediately preceding the effective date of any such adjustment, and, subject to below paragraph (d), the monthly Base Rent from and after any Base Rent Adjustment Date shall be equal to the greater of (i) the Base Rent applicable to the last year of the prior five years of the Lease term immediately preceding the next Base Rent Adjustment Date, and (ii) Fair Market Rent.

"Fair Market Rent" means the then prevailing market rate for comparable space in comparable buildings in the general area of the Premises, taking into account the size of the Lease, market escalations and the credit of Tenant. The Base Rent shall not be reduced by reason of any costs or expenses saved by Landlord by reason of Landlord's not having to find a new tenant for such Premises (including, without limitation, brokerage commissions, costs of improvements, rent concessions or lost rental income during any vacancy period). In the event Landlord and Tenant fail to reach an agreement in writing on such Base

Rent adjustment at least six months prior to the next Base Rent Adjustment Date (the "Six Month Deadline"), then Fair Market Rent shall be determined as follows:

within thirty days following the Six-Month Deadline, Landlord shall give notice ("Landlord's Notice") to Tenant of Landlord's determination of Fair Market Rent and absent agreement with Tenant on Fair Market Rent and execution of the Base Rent Confirmation Amendment (defined below) by the date 14 days after Tenant's receipt of such Landlord's Notice (which Landlord's Notice shall include give the name of a commercial real estate broker with at least five years' experience in the Southport, North Carolina (or nearby) commercial real estate leasing market ("Landlord Broker"). Within three business days after expiration of such 14-day period, Tenant shall give Landlord the name of a commercial real estate broker with at least five years' experience in the Southport, North Carolina (or nearby) commercial real estate leasing market ("Tenant Broker"). Landlord Broker and Tenant Broker shall attempt prior to that date which is 45 days after the Six Month Deadline, to agree on Fair Market Rent, and in the event of such agreement prior to such date, such Fair Market Rent shall be final and binding on the Landlord and Tenant for the five year portion of the Lease Term commencing with the next Base Rent Adjustment Date. If the Landlord Broker and the Tenant Broker are unable to so agree on Fair Market Rent prior to that date which is 45 days after the Six Month Deadline (the "Second Deadline"), each shall set forth in writing its recommendation of Fair Market Rent (respectively, the "Landlord Broker's Recommendation" and the "Tenant's Broker Recommendation"). If the Landlord Broker's Recommendation and the Tenant's Broker's Recommendation are within 5% of the higher of the two such recommendations for Fair Market Rent, the two recommendations shall be averaged and such average shall be final and binding on the Landlord and Tenant as the applicable Fair Market Rent for such 5-year period of the Lease Term commencing with the next Base Rent Adjustment Date. If the Landlord Broker's Recommendation and the Tenant Broker's Recommendation are not within 5% of the higher of the two such recommendations, then the Landlord Broker and the Tenant Broker shall mutually designate within seven days after the Second Deadline ("Arbitrator Broker Selection Date"), a third commercial real estate broker with at least five years' experience in the Southport, North Carolina (or nearby) commercial real estate leasing market ("Arbitrator Broker"). The Arbitrator Broker shall prior to that date which is thirty days after selection of the Arbitrator Broker ("Arbitrator Decision Deadline"), determine as the Fair Market Rent either the Landlord Broker's Recommendation or the Tenant Broker's Recommendation, which determination shall be final and binding on the Landlord and Tenant. In the event that the Arbitrator Broker is not selected by the Arbitrator Broker Selection Date or the Arbitrator Broker has not determined the Fair Market Rent in accordance with the foregoing by the Arbitrator Decision Deadline, then either Landlord or Tenant may apply to the Wilmington, North Carolina office of the American Arbitration Association ("AAA"), or if there is no such Wilmington AAA office, to the Charlotte, North Carolina AAA office, for the appointment of a single arbitrator, having the same qualifications as the Arbitrator Broker, to determine the Fair Market Rent as either the proposed Fair Market Rent set forth as the Landlord Broker's Recommendation or the proposed Fair Market Rent set forth as the Tenant Broker's Recommendation, which determination shall be final and binding on the Landlord and Tenant. The Fair Market Rent shall in all circumstances be determined by that date 75 days prior to the next Base Rent Adjustment Date. At the request of Landlord or Tenant, after the Fair Market Rent is determined in accordance with the foregoing, each shall execute a letter confirming such Fair Market Rent (a "Base Rent Confirmation Amendment"), but the execution of same shall not be a condition to such Fair Market Rent being final and binding on the Landlord and Tenant. The determination of Base Rent does not reduce the Tenant's obligation to pay or reimburse Landlord for condominium association dues, real property taxes and ad valorem taxes and other reimbursable items as set forth in the Lease, and Tenant shall reimburse and pay Landlord as set forth in the Lease with respect to same.

d. Notwithstanding the foregoing, Base Rent for each twelve calendar months of the Lease Term commencing with the 12-month period beginning July 1, 2018 shall be adjusted upward but not downward annually, commencing with the Base Rent due for the twelve calendar months commencing July 1, 2018. Such Base Rent adjustment for each 12 calendar months during the Lease Term commencing with the twelve month period beginning July 1, 2018, shall be computed by adding to such yearly Base Rent the sum determined by multiplying the annual Base Rent during the 5-year period following the most recent Base Rent Adjustment Date by the percentage increase in the “Consumer Price index for Urban Wage Earners and Clerical Workers – United States, 1967 = 100”, published by the United State Bureau of Labor Statistics – Charlotte, during the following time period (the “**CPI Increase Measurement Period**”): the twelve calendar month period ending June 30<sup>th</sup> of the calendar year in which the respective twelve calendar month of the Lease Term falls (i.e., the CPI Increase Measurement Period for the second Lease year of the five year period following the Initial Base Rent Adjustment Date is July 1, 2017 through June 30, 2018). For each Lease year after the 12 calendar month period ending June 30, 2018, the yearly Base Rent last due pursuant to Subsection 3 c. above, as most recently adjusted under this Subsection 3 d. (the “**most recent yearly Base Rent**”) shall be increased, but not decreased, by a sum equal to the most recent yearly Base Rent times the percentage increase in the Consumer Price Index over the CPI Increase Measurement Period ending on June 30<sup>th</sup> of the calendar year in which the next ensuing 12 months of the Lease Term falls (for illustration only, the CPI Increase Measurement Period for the third 12 months of the Lease Term following the Initial Base Rent Adjustment Date (i.e., the 12 month period commencing July 1, 2020) will be the 12 calendar month period ending June 30, 2020). If the United States Bureau of Labor Statistics Index referred to above is discontinued or changed in form, the parties shall use instead the most nearly comparable index of said Bureau or the agency most nearly performing the same function as said Bureau, making such interpolations or adjustments as may be necessary to obtain a fair computation. Under no circumstances shall this Subsection 3 d. operate to cause the Base Rent in effect in any year of the Lease Term to decrease from the Base Rent in effect for the Lease year prior thereto.”

2 . **Ratification.** Except as otherwise amended herein, Landlord and Tenant agree that the Lease is hereby affirmed and continues in full force and effect. All references to the “Lease” shall be deemed to be references to the Lease as amended by this Amendment.

3 . **Effect of Amendment.** The preparation, revision or delivery of this Amendment for examination and discussion is merely a part of the negotiations between Landlord and Tenant. Neither party shall have any obligation or liability to the other whatsoever at law or in equity (including any claims for detrimental reliance or promissory estoppel and regardless of whether either party has commenced performance) unless and until such time as both parties shall have executed and delivered this Amendment.

COMMERCIAL LEASE AGREEMENT

STATE OF NORTH CAROLINA  
COUNTY OF BRUNSWICK

THIS LEASE AGREEMENT is made and entered into as of the 7<sup>th</sup> day of June, 2012, by and between ARAME, LLC (hereinafter called "Lessor") and Cygnus Technologies, Inc., (hereinafter called "Lessee").

WITNESSETH:

WHEREAS, Lessor is the owner of all of that certain tract or parcel of improved real property located at 4330 Southport Supply Road, Southport, NC, upon which is currently located a office complex, said property being more particularly described on Exhibit "A", which is attached hereto and incorporated herein by specific reference thereto (hereinafter referred to as the "Premises"); and

WHEREAS, Lessee is desirous of leasing the Premises from Lessor in accordance with the terms and provisions set forth herein below; and

NOW, THEREFORE, for and in consideration of the sum of Ten Dollars (\$10.00), the premises and covenants herein contained, and other good and valuable consideration, the receipt, adequacy and sufficiency of which is hereby acknowledged, the parties hereby covenant and agree as follows:

TO HAVE AND TO HOLD the said Premises unto the Lessee upon the following terms and conditions:

1. TERM. The term of this Lease shall begin on the 1<sup>st</sup> day of July, 2012, and shall end on the 31<sup>st</sup> day of July, 2027, unless the beginning and ending dates of the Lease terms are advanced or delayed or unless the Lease term is further extended or earlier terminated under any applicable provisions of this Agreement. For purposes of this Agreement, the terms "commencement date" and "expiration date" shall be deemed respectively to be the dates specified herein above, as such dates may be so changed or modified.

- 
2. PRORATIONS. All operating expenses for or pertaining to the Premises for utilities and assigned service contracts and agreements. If final readings are not possible, a final adjustment will be made within thirty (30) days after request thereof by Lessee or Lessor after receipt of the final bills. Lessee shall be responsible for making all arrangements for the continuation of utility service, including, but not limited to, changing the billing name for such service into the name of Lessee immediately upon commencement of the lease.
  3. LEASE PAYMENT PROVISIONS and OPTION TO PURCHASE. The Lease payments shall be as follows:
    - a. Lessee shall pay to the Lessor, Base Rent in the amount of **\$15,434.00** per month; and
    - b. Lessee shall also pay to the Lessor, Additional Rent in the amount of **\$2,566.00** per month as Lessee's estimated pro rata share of the ad valorem property taxes and condominium association dues. Within thirty days after the end of each calendar year, Lessor shall provide Lessee with a statement showing the actual taxes and dues paid by the Lessor for the previous year, the amount paid by Lessee and the balance due or amount overpaid. Tenant shall pay any amount due within thirty days and shall offset any overpayment against the next Base Rent payment. The amount of Additional Rent to be paid for each subsequent year shall be adjusted by the anticipated pro rata share of the ad valorem property taxes and condominium association dues for the current year. The adjusted Additional Rent payment amount shall change effective March 1 of each year.
    - c. The Base Rent shall be adjusted every five (5) years on the anniversary date of the Lease. The Base Rent shall be adjusted to an amount that is comparable to the rent for similar properties in the general area but in no event shall the Base rent be less than \$\_\_\_\_\_
  4. LATE CHARGES. Lessee's failure to pay Lease payments or any other amount payable hereunder promptly may cause Lessor to incur unanticipated costs, and the parties hereto agree that the exact amount

---

of such costs are impracticable or extremely difficult to ascertain. Such costs may include, but are not limited to, processing and accounting charges and late charges which may be imposed upon Lessor by any holder of a mortgage or security deed encumbering the Premises. Therefore, if Lessor does not receive payment of a Lease payment or any other amount payable hereunder with five (5) days of the due date, Lessee shall pay Lessor liquidated damages equal to five percent (5%) of such overdue amount. The parties agree that such late charge represents a reasonable good faith estimate of the costs and damages Lessor expects to incur by reason of any such late payment and shall in no event be construed to constitute a penalty.

5. **INTEREST ON PAST DUE AMOUNTS.** Any amount of Lease payments or any other amount owed by Lessee or Lessor hereunder which is not paid when due shall bear interest at the rate of six percent (6%) per month from the due date until such outstanding amount is paid. The payment of any such interest shall not, however, excuse or cure any default by Lessee under this Agreement. However, if the interest rate specified in this Agreement is at any time determined to be higher than the highest rate permitted by applicable law, the interest rate shall be reduced to the maximum interest rate permitted by law.
6. **DEFAULT.** The occurrence of one or more of the following events (herein called "Events of Default") shall constitute a default by the Lessee:
  - a. Failure to pay lease payment when due;
  - b. Failure to perform any other provision of this Lease if the failure to perform is not cured within fifteen (15) days after notice thereof has been given to Lessee.
7. **LESSOR'S REMEDIES UPON DEFAULT BY LESSEE.** Lessor shall have the following remedies if Lessee commits a default. These remedies are not exclusive; they are cumulative in addition to any remedies now or later allowed by law.

- 
- c. Lessor shall have the right to continue this Lease in full force and effect, and the right to enter the Premises without notice to vacate (any right to which is hereby waived by Lessee) and relet them, changing any and all locks on the Premises all without being liable for forcible entry, trespass, or other tort. Lessee shall be liable immediately to Lessor for all costs Lessor shall incur in reletting the Premises and Lessee shall pay to Lessor the total Lease payments due under this Lease on the date that such payment is due, less the Lease payment Lessor receives from any reletting.
  - d. Lessor shall have the right to terminate this Lease without notice to vacate (any right to which is hereby waived by Lessee) and Lessee's rights to possession of the Premises at any time, and re-enter the Premises and Lessor shall have the right to pursue its remedies at law or in equity to recover of Lessee all amounts of Lease payments then due or thereafter accruing and such other damages as are caused by Lessee's default.

8. WARRANTIES OF LESSOR. Lessor warrants and represent to Lessee that:

- a. Lessor has received no notice from any governmental authority of zoning, environment, building, or fire violations with respect to the Premises.
- b. Lessor has received no notice from any public authority of any eminent domain or condemnation proceedings conceding the Premises or any part thereof. Lessor further warrants that in the event it receives any such notice prior to the closing date, it will notice Lessee in writing prior to the closing.
- c. Lessor is a Limited Liability Company organized and created under the laws of the State of North Carolina, and is in good standing.
- d. Except as noted herein, Lessor warrants that it has the full right, power, and authority to enter into this Agreement, to perform it

---

obligations hereunder, and to execute and deliver this Agreement and all other documents to be executed and delivered by Lessor at closing in connection with the transaction contemplated herein. The representations and warranties set forth in this subparagraph shall be deemed to be renewed and restated at and as of the closing date. At closing, Lessor shall deliver to Lessee documentation evidencing the representations set forth herein.

- e. Lessor warrants that the Lessee shall have an uninterrupted use of the property and the right to have quiet possession of the property. No act of omission or commission of the Lessor shall affect such right of Lessee.

9. MAINTENANCE AND REPAIR OBLIGATIONS.

- a. Lessor hereby agrees, at Lessor's sole cost and expense, to maintain, repair, restore, and replace all portions of the Premises, as necessary to keep the same in reasonably good order, condition and repair, ordinary wear and tear excepted including, but not limited to the roof, exterior walls, foundations, and structural portions of the Premises, including specifically the heating, ventilation and air-conditioning systems, equipment, and facilities. Lessor shall also maintain and repair the driveways, parking lots, and landscaped areas located on and surrounding the Premises.
- b. Lessee hereby agrees at Lessee's cost, to be responsible for interior maintenance of the Premises, including painting, repainting and redecorating, cleaning and replacement of carpeting and other similar maintenance.

10. ALTERATIONS, ADDITIONS, and IMPROVEMENTS. Lessee shall be responsible for all costs of construction and remodeling of the interior of the Premises, which includes any architectural and engineering fees. Lessee shall have the right to have interior work bid and performed by contractors of Lessee's choice, subject to Lessor's reasonable approval. All personal property including fixtures, soft

---

surface wall covering, panels, partitions and equipment placed in the Premise by Lessee shall remain the property of Lessee, whether or not physically attached to the premises, and Lessee may remove such property at any time, but Lessee shall be responsible for repairing any damage done to the Premises by such removal.

11. INSURANCE.

11.1 LIABILITY INSURANCE. At all times during the Lease term, Lessee shall maintain a policy of commercial general liability and umbrella insurance from an insurance carrier approved by Lessor. Lessee shall name Lessor and any mortgage holder as additional insured and loss payees under such policy. The amount of such insurance shall not be less than \_\_\_\_\_Dollars (\$\_\_\_\_\_) per occurrence. The liability insurance obtained by Lessee under this Section shall, in addition to all other coverage, insure Lessor against Lessee's performance of all indemnifications of Lessor provided under this Agreement to the extent that the matters giving rise to such indemnity result from the negligence of Lessee. The amount and coverage of such insurance shall not, however, limit Lessee's liability nor relieve Lessee of any other obligations under this Agreement.

11.2 PROPERTY AND CASUALTY INSURANCE. At all times during the Lease term, Lessee shall maintain insurance covering loss of or damage to the Personal Property in the amount not less than \_\_\_\_\_Dollars (\$) (hereinafter referred to as the "Property Insurance"). Such property insurance shall contain the inflation guard endorsement and shall provide protection against all perils including in the classification of fire, extended coverage, vandalism, malicious mischief, special extended perils (all risks), sprinkler leakage, and other perils which Lessor deems reasonably necessary.

12. DESTRUCTION OR DAMAGE OF PREMISES. If the Premises are totally destroyed by storm, fire, lightning, or other casualty, then at the option of the Lessee, this Agreement shall terminate as of the date of such destruction, and payment of Lease payments shall be accounted for as between Lessor and Lessee as of that date. Such option to terminate this Agreement shall be exercised by the delivery

---

of written notice by Lessee or Lessor within thirty (30) days of the date of such destruction.

13. CONDEMNATION. If the whole of the Premises or such portion thereof as will render the Premises totally unusable for the purpose for which leased, shall be taken by any legally constituted authority for any public use or purpose in any eminent domain proceeding or any conveyance made in lieu thereof, then in either of said events, the lease term shall terminate as of the date when possession thereof is so taken by said public authority.
14. CONDITION UPON TERMINATION. Upon termination of this Agreement, Lessee shall surrender the Premises to Lessor broom clean and in the same condition as received. All alterations, additions and improvements to the Premises shall become Lessor's property and shall be surrendered to Lessor upon the expiration or earlier termination of the Agreement, except as set forth in paragraph 10 above.
15. TERMINATION OF AGREEMENT. No termination of this Agreement prior to the scheduled expiration date hereof, by lapse of time or otherwise, shall affect Lessor's right to collect the lease payments for the period prior to the termination thereof. Lessee covenants and agrees not to vacate the Premises or exercise any right of termination arising out of any breach by Lessor of any provision in this Agreement or relating to the condition or state of repair of the Premises. No surrender of the Premises or any part thereof by delivery of keys or otherwise shall operate to terminate this Agreement, unless and until such termination is expressly acknowledged in writing by the authorized officer of Lessor.
16. REAL-ESTATE AND PERSONAL PROPERTY TAXES. Lessor shall pay any and all ad valorem real property taxes with regard to the Premises for each calendar year during the Lease term (herein referred to as the "Real Estate Taxes"). Lessee shall pay any and all personal property taxes.

- 
17. **HAZARDOUS MATERIALS AND ENVIRONMENTAL LAWS.** Lessee agrees that it will comply fully and promptly with any and all environmental laws, regulations, statutes, ordinances, policies, and orders issued by any Federal, state, county, or local governmental authority; that it will obtain, maintain in full force and effect, and strictly comply with any and all governmental permits, approvals and authorizations necessary for the conduct of its business operations; that it will supply Lessor with copies of any such permits, approvals and authorizations; and that it will promptly notify Lessor and supply Lessor with a copy of any notice of violations of any environmental law, regulation, statute, ordinance, policy, or order Lessor receives.

Lessee shall not place within the property any hazardous waste or materials as such materials are defined in RCRA, CERCLA (Super Fund), and North Carolina's Oil Pollution and Hazardous Substances Control Act, or under any other statute, Federal regulation, state regulation or court interpretation of the same, except with the express consent of the Lessor. Lessor reserves the right to inspect the property for purposes of determining compliance with this paragraph. Should Lessee place hazardous materials or waste on property, he shall become solely responsible for the removal of same, and if Lessor incurs any liability either during the term of this lease and following the termination of same for the removal of hazardous waste or materials, or for damage caused by said hazardous waste or material placed on the premises by Lessee, the Lessee shall be solely responsible to Lessor for those damages, including, but not limited to, the cost of removing said materials and any penalties imposed for having materials on the site. Lessee agrees to indemnify and hold Lessor harmless in regard to any damages which may result from Lessee's placing said materials on the Premises and for the acts referred to herein.

18. **INDEMNITY.** Lessee shall indemnify and save harmless Lessor from and against any and all claims, costs, expenses and/or liability for damages to persons, or property arising from or relating to the use or occupancy of the Premises by Lessee, the conduct of Lessee's business or anything done or permitted to be done by Lessee in or about the Premises, or otherwise resulting from any breach or default

---

in the performance of Lessee's obligations under this Agreement, including attorney's fees and court costs. Lessor will similarly indemnify Lessee for any third-party liability claims for events occurring prior to the date of commencement.

19. UTILITIES. Lessee shall pay, directly to the appropriate utility supplier thereof, all utility bills relating to services rendered or supplied to the Premises or otherwise relating to Lessee's use or occupancy thereof, including, but not limited to, bills of water, sewer, gas, electricity, fuel, garbage collection, and sanitary services.
20. ASSIGNMENT AND SUBLETTING. Lessee shall not assign this Agreement or any interest hereunder, or sublet the Premises or any part thereof, or permit the use of the Premises by any party other than Lessee, without first obtaining the prior written consent of Lessor, which consent shall not be unreasonably withheld.
21. SUBORDINATION. Lessee agrees that this Lease is and shall remain subject and subordinate to and may be assigned as security for any present and future mortgages or deeds or trusts which may now or hereafter affect such leases of the Premises and to and for all renewals, modifications, consolidations, replacements, and extensions thereof. This clause shall be self-operative and no further instrument shall be necessary by to effect such subordination; however, Lessee shall execute promptly and deliver to Lessor any such certificate or certificates in writing as Lessor may request evidencing the subordination of this Lease to or the assignment of this Lease as additional security for such mortgage or deed of trust.
22. USE OF PREMISES. The Premises shall not be used for any illegal purposes or in violation of any regulation of any governmental body, or in any manner so as to create any nuisance or trespass, or so as to vitiate any insurance or increase the rate of insurance on the Premises. Lessee shall not abandon or vacate the Premises during the lease term, and shall use the Premises for the purposes set forth herein above until the expiration date of earlier termination of this Agreement.

- 
23. QUIET ENJOYMENT AND TRANSFER OF TENANTS. Lessor agrees that Lessee on paying the rent and performing all of the terms and conditions of this Lease shall quietly have, hold and enjoy the Premises for the term aforesaid subject to the terms of this Agreement and any underlying mortgage or deed to secure debt encumbering the Premises.
24. NOTICES. Any notice or demand which by any provision of this Agreement is required or allowed to be given by either party to the other shall be deemed to have been sufficiently given for all purposes when made in writing and sent in the United States Mail as certified or registered mail. Return receipt requested, postage prepaid and addressed:

25. HEIRS AND ASSIGNS. The provisions of this Lease shall bind and inure to the benefit of Lessor and Lessee, and their respective successors, heirs, legal representatives, and assigns. It is understood and agreed, however, that the term "Lessor" as used in this Lease, means only the owner or the Lessor for the time being of the property, so that in the event of any sale or sales (including, without limitation, any judicial sale, any sale in foreclosure and any sale pursuant to a power of sale contained in a mortgage or deed of trust affecting all or any part of the building or the land) of said property or of any lease thereof, the Lessor named herein shall be and hereby is entirely freed and relieved of all covenants, and obligations of Lessor hereunder

---

accruing thereafter, and it shall be deemed without further agreement that the purchaser of the Premises, as the case may be, has assumed and agreed to carry out any and all covenants and obligations of Lessor hereunder during the period such party has possession of the Premises. Lessee shall from time to time upon request of Lessor execute and deliver to Lessor a certificate or certificates stating that this Lease is unmodified and in full force and effect or in full force and effect as modified and stating the modifications. Such certificates shall also state the amount of rent then in effect, the dates to which rent has been paid in advance, the amount of any security deposit and specify any default in Lessor's performance claimed by Lessee.

26. **END OF TERM, HOLDING OVER, AND ATTORNEY'S FEES.** Upon the expiration of the term or other termination of this Lease, Lessee shall quit and surrender to Lessor the Premises, in the Premises' original condition. If Lessee shall hold over after the expiration of the term or other termination of this Lease, such holding over shall not be deemed to be a renewal of this Lease but shall be deemed to create a tenancy-at-will and by such holding over Lessee shall be deemed to have agreed to be bound by all of the terms and conditions of this Lease except those as to the term hereof. If any rent or other sum owing under this Lease is collected by or through an attorney-at-law, Lessee agrees to pay Lessor's reasonable attorney's fee not in excess of fifteen percent (15%) (or if the statutes or other laws of the State of North Carolina in effect at the time of such collection limit the amount so payable as attorney's fees, then the maximum percentage allowed by such laws or statutes) of the amount so collected.
27. **INSPECTION.** Lessor shall have the right to enter upon the Premises at any reasonable hour to inspect for compliance with the terms of this Lease. Lessor shall provide Lessee with notice of the inspection at least twenty-four (24) hours prior to such inspection.
28. **ARBITRATION.** Any disagreement between the parties with respect to the interpretation or application of this Lease or the obligations of the parties hereunder shall be resolved by arbitration. Such arbitration shall be conducted, upon request of either Lessor or Lessee, before a

single arbitrator designated by the American Arbitration Association and in accordance with the rules of that Association. The arbitrator designated and acting under this Lease shall make the award in strict conformity with such rules and shall have no power to depart from or change any of the provisions thereof. The expense of arbitration proceedings conducted hereunder shall be born equally by the parties. All arbitration proceedings hereunder shall be conducted in the county in which the leased premises are located. During the period of any dispute, the Lessee will continue to make all lease payments as due under the Agreement.

29. SEVERABILITY. If any part of this Lease is determined to be unenforceable, the remainder of the Lease shall be unaffected.
30. INTEGRATION AND BINDING EFFECT. The entire Agreement, intent and understanding between Lessor and Lessee is contained in the provision of this Commercial Lease Agreement and any stipulations, representations, promises or agreements, written or oral, made prior to or contemporaneous with this Lease shall have no legal or equitable effect or consequence unless reduced to writing herein. This Lease shall be governed by and construed pursuant to the laws of the State of North Carolina.

IN WITNES WHEREOF, the parties have hereunto set their hands and seals as of the day and year set forth opposite their respective signatures.

judgments, penalties, fines and amounts paid in settlement to the extent legally permitted and as required by the terms of this Agreement and the organizational documents (including the certificate of incorporation, certificate of formation, by-laws and limited liability company agreement, as applicable) of such Opco (or any other agreement between such Opco and the D&O Indemnites), without regard to any rights the D&O Indemnites may have against the Affiliate Indemnitors, and (iii) that such Opco irrevocably waives, relinquishes and releases the Affiliate Indemnitors from any and all claims against the Affiliate Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. Each Opco agrees to indemnify the Affiliate Indemnitors directly for any amounts that the Affiliate Indemnitors pay as indemnification or advancement on behalf of a D&O Indemnitee and for which the D&O Indemnitee may be entitled to indemnification from such Opco in connection with serving as a director, manager or officer of such Opco or its subsidiaries. Each Opco further agrees that no advancement or payment by the Affiliate Indemnitors on behalf of a D&O Indemnitee with respect to any claim for which such D&O Indemnitee has sought indemnification from such Opco shall affect the foregoing and the Affiliate Indemnitors shall be subrogated to the extent of such advancement or payment to all of the rights of recovery of such D&O Indemnitee against such Opco.

10. Independent Contractor. GTCR shall perform services hereunder as an independent contractor, retaining control over and responsibility for its own operations and personnel. Neither GTCR nor any of its Affiliates (other than the Company and its Subsidiaries), nor any of their respective members, partners, directors, managers, officers, principals, employees or agents, shall be considered employees or agents of Opcos as a result of this Agreement nor shall any of them have authority as a result of this Agreement to contract in the name of or bind Opcos, except as expressly agreed to in writing by such Opco.

11. Notices. All notices, demands or other communications to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be deemed to have been given when (a) delivered personally to the recipient, (b) sent to the recipient by reputable express courier service (charges prepaid), (c) mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, or (d) telecopied to the recipient (with hard copy sent to the recipient by reputable overnight courier service (charges prepaid) that same day) if telecopied before 5:00 p.m. Chicago, Illinois time on a business day, and otherwise on the next business day. 12. Entire Agreement; Modification. This Agreement, those documents expressly referred to herein and other documents of even date herewith embody the complete agreement and understanding among the parties hereto with respect to the subject matter hereof and supersede and preempt any prior understandings, agreements or representations by or among the parties hereto, written or oral, which may have related to the subject matter hereof in any way. The provisions of this Agreement may be amended, modified and/or waived only with the prior written consent of Opcos and GTCR.

13. Waiver of Breach. No failure by any party to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement, or condition. The waiver by any party of a breach of any covenant, duty, agreement, or condition of this Agreement of any other party shall not operate or be construed as a waiver of any subsequent breach of that provision or any other provision hereof.

14. Assignment. Neither GTCR nor either Opco may assign its rights or obligations under this Agreement without the express written consent of the other, except that GTCR may assign all or any of its rights and obligations hereunder to any of its Affiliates.

15. Successors and Assigns. All covenants and agreements contained in this Agreement shall bind and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, successors, legal representatives, and permitted assigns, whether so expressed or not.

16. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or the effectiveness or validity of any provision in any other

jurisdiction, and this Agreement will be reformed, construed, and enforced in such jurisdiction as if such invalid, illegal, or unenforceable provision had never been contained herein.

17. Counterparts. This Agreement may be executed in multiple counterparts with the same effect as if all signing parties had signed the same document. All counterparts shall be construed together and constitute the same instrument.

18. Electronic Delivery. This Agreement, the agreements referred to herein, and each other agreement or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent signed and delivered by means of a photographic, facsimile, portable document format (.pdf), or similar reproduction of such signed writing using a facsimile machine or electronic mail shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties hereto. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or electronic mail to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or electronic mail as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

19. Applicable Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

20. Jurisdiction; Venue; Service of Process. Each party hereto agrees that it may bring any action between the parties hereto arising out of or related to this Agreement in the Court of Chancery of the State of Delaware (the "Court of Chancery") or, to the extent the Court of Chancery does not have subject matter jurisdiction, the United States District Court for the District of Delaware and the appellate courts having jurisdiction of appeals in such courts (the "Delaware Federal Court") or, to the extent neither the Court of Chancery nor the Delaware Federal Court has subject matter jurisdiction, the Superior Court of the State of Delaware (the "Chosen Courts"), and, solely with respect to any such action (a) irrevocably submits to the non-exclusive jurisdiction of the Chosen Courts, (b) waives any objection to laying venue in any such action in the Chosen Courts, (c) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto and (d) agrees that service of any process, summons, notice or document by United States certified or registered mail to such party's respective address set forth in the Company's books and records or such other address or to the attention of such other person as the recipient party has specified by prior written notice to the sending party shall be effective service of process in any action, suit or proceeding in Delaware with respect to any matters to which it has submitted to jurisdiction as set forth in the immediately preceding sentence.

21. MUTUAL WAIVER OF JURY TRIAL. BECAUSE DISPUTES ARISING IN CONNECTION WITH COMPLEX TRANSACTIONS ARE MOST QUICKLY

AND ECONOMICALLY RESOLVED BY AN EXPERIENCED AND EXPERT PERSON AND THE PARTIES HERETO WISH APPLICABLE STATE AND FEDERAL LAWS TO APPLY (RATHER THAN ARBITRATION RULES), THE PARTIES HERETO DESIRE THAT THEIR DISPUTES BE RESOLVED BY A JUDGE APPLYING SUCH APPLICABLE LAWS. THEREFORE, TO ACHIEVE THE BEST COMBINATION OF THE BENEFITS OF THE JUDICIAL SYSTEM AND OF ARBITRATION, EACH PARTY TO THIS AGREEMENT (INCLUDING THE COMPANY) HEREBY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES HERETO, WHETHER ARISING IN CONTRACT, TORT, OR OTHERWISE, ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT AND/OR THE TRANSACTIONS CONTEMPLATED HEREBY AND/OR THE RELATIONSHIPS ESTABLISHED AMONG THE PARTIES HEREUNDER.

2 2 . No Third-Party Beneficiaries. Except as expressly provided herein, no term or provision of this Agreement is intended to be, or shall be, for the benefit of any Person not a party hereto, and no such other Person shall have any right or cause of action hereunder.

2 3 . Descriptive Headings; Interpretation. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns, pronouns, and verbs shall include the plural and vice versa. The use of the word “including” in this Agreement shall be by way of example rather than by limitation. Reference to any agreement, document, or instrument means such agreement, document, or instrument as amended or otherwise modified from time to time in accordance with the terms thereof, and, if applicable, hereof. Without limiting the generality of the immediately preceding sentence, no amendment or other modification to any agreement, document, or instrument that requires the consent of any Person pursuant to the terms of this Agreement or any other agreement will be given effect hereunder unless such Person has consented in writing to such amendment or modification. The use of the words “or,” “either,” and “any” shall not be exclusive. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

**EXECUTION VERSION****INVESTMENT AND DIRECTOR COMPENSATION AGREEMENT**

**THIS INVESTMENT AND DIRECTOR COMPENSATION AGREEMENT** (this “Agreement”) is made as of January 1, 2017 by and between Maravai Life Sciences Holdings, LLC, a Delaware limited liability company (the “Company”) and Robert B. Hance (“Director”). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in Section 8 of this Agreement, or if not defined herein, the meanings in the LLC Agreement.

The Company and Director desire to enter into an agreement pursuant to which, on the terms and subject to the conditions contained herein, the Company will sell and issue to Director 18,035 of the Company’s Common Units, (i) 10,000 of which will be treated as Series 4 Incentive Units which will constitute Common Units treated as “Incentive Units” under the LLC Agreement (the “Incentive Units”) and (ii) 8,035 of which will be treated as “Capital Units” under the LLC Agreement (the “Director Capital Units” and, together with the Incentive Units, the “Director Securities”).

The Company and Director mutually desire to enter into an agreement containing the terms and conditions pursuant to which Director will serve as member of the board of managers of the Company (the “Board”).

Certain provisions of this Agreement are intended for the benefit of, and are enforceable by, the Investors.

The parties hereto intend that the Incentive Units will have a \$0.00 liquidation value as of the date of this Agreement so that the grant of the Incentive Units to Director will not result in taxable income to Director as of the date of grant under the Code.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

**PROVISIONS RELATING TO DIRECTOR SECURITIES**

1. Issuance and Sale of Director Securities.

( a ) Closing. Upon execution of this Agreement (the “Closing”), (i) Director will purchase from the Company, and the Company will sell to Director, 8,035 of the Company’s Capital Units at a price of approximately \$31.11 per Unit and (ii) the Company will grant to Director 10,000 of the Company’s Incentive Units at no cost per Unit. Such Incentive Units shall be Series 4 Incentive Units and shall be subject to the vesting requirements described herein. Each Incentive Unit shall have an initial Capital Contribution for such Incentive Unit equal to zero and an initial Participation Threshold of \$32.08. The Participation Threshold with respect to each Incentive Unit is subject to adjustment from time to time as set forth in the LLC Agreement. The Company will deliver to Director a copy of the certificate(s) representing such Director Securities, and Director will deliver to the Company (x) a cashier’s or certified check or wire transfer of immediately available funds in an aggregate amount equal to \$250,000.00 as payment for such Director Securities, (y) an executed counterpart signature page to each of the Securityholders Agreement and the Registration Rights Agreement as an “Other Securityholder”

thereunder, and (z) an executed counterpart signature page to the LLC Agreement (clauses (y) and (z) collectively, the “Transaction Documents”). Both the Director Capital Units and the Incentive Units are Common Units.

( b ) Subsequent Closings. If, from time to time after the Closing, the Investors make subsequent Capital Contributions to the Company in respect of Common Units acquired by the Investors pursuant to the GTCR Unit Purchase Agreement (each such subsequent Capital Contribution, a “Subsequent Contribution”), Director will, concurrently with each such Subsequent Contribution, make an additional Capital Contribution to the Company in respect of the Director Capital Units, by wire transfer of funds or certified or cashier’s check, in an amount equal to (i) \$302,882, multiplied by (ii) a fraction (x) the numerator of which will be the Capital Contributions to the Company to be made by the Investors in respect of Common Units in connection with such Subsequent Contribution and (y) the denominator of which will be \$300,000,000; provided, that in no event shall the aggregate amount of all Capital Contributions to the Company made by Director hereunder (including at the Closing and pursuant to this Section 1(b)) exceed \$302,882. In connection with any such Subsequent Contribution pursuant to this Section 1(b), the Company will update the Unit Ledger to the LLC Agreement to reflect such additional Capital Contribution. To the extent that, after the date hereof, any Person (other than any Investor) assumes or otherwise agrees to perform all or part of the obligations of the Investors under Section 1(b)(ii) of the GTCR Unit Purchase Agreement, any Capital Contribution made by such Person in connection with a Subsequent Contribution shall be treated as having been made by the Investors for purposes of this Section 1(b).

( c ) 83(b) Election. Within 30 days after the acquisition of the Incentive Units at the Closing, Director will make an effective election (an “83(b) Election”) with the Internal Revenue Service under Section 83(b) of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder in the form of Exhibit A attached hereto.

( d ) Certificates. Until released upon the occurrence of a Sale of the Company, all certificates evidencing the Director Securities shall be held, subject to the other terms of this Agreement and the Securityholders Agreement, by the Company for the benefit of Director and the other holder(s) of the Director Securities. Upon the occurrence of a Sale of the Company, subject to the provisions of the LLC Agreement (including Section 12.1 thereof), the Company will return all certificates in its possession evidencing the Director Securities to the record holders thereof or, subject to Section 1(h), to the appropriate acquirer thereof.

( e ) Regulation D; Rule 701. The issuance of the Director Securities to Director hereunder is intended to be exempt from registration under the Securities Act pursuant to Regulation D or Rule 701 hereunder.

( f ) Representations and Warranties. In connection with the transactions contemplated by Section 1 above, Director represents and warrants to the Company that:

(i) Director possesses all requisite capacity, power and authority to enter into and perform Director’s obligations under this Agreement;

(ii) this Agreement constitutes the legal, valid and binding obligation of Director, enforceable in accordance with its terms, and the execution, delivery and

performance of this Agreement by Director does not and will not conflict with, violate or cause a breach of any agreement, contract or instrument to which Director is a party or any judgment, order or decree to which Director is subject;

(iii) except as set forth on Exhibit B attached hereto, Director is neither party to, nor bound by, any other employment agreement, consulting agreement, non-compete agreement, non-solicitation agreement or confidentiality agreement or any other agreement which could impair or interfere with Director's obligations hereunder;

(iv) Director hereby acknowledges and agrees that (A) there is no current public market for the Director Securities, none is expected to develop and the Director Securities are subject to substantial restrictions on transferability, and (B) as a result of such matters and other factors, the Director Securities are difficult to value;

(v) the Director Securities to be acquired by Director pursuant to this Agreement will be acquired for Director's own account and not with a view to, or intention of, distribution thereof in violation of the Securities Act, or any applicable state securities laws, and the Director Securities will not be disposed of in contravention of the Securities Act or any applicable state securities laws;

(vi) Director is able to bear the economic risk of Director's investment in the Director Securities for an indefinite period of time because the Director Securities have not been registered under the Securities Act or applicable state securities laws and are subject to substantial restrictions on Transfer set forth herein and in the LLC Agreement, and, therefore, cannot be sold unless subsequently registered under the Securities Act and applicable state securities laws, or an exemption from such registration is available, and in compliance with such restrictions on Transfer;

(vii) Director has had an opportunity to ask questions and receive answers concerning the terms and conditions of the Transaction Documents (in particular, with respect to the distribution provisions set forth in the LLC Agreement) and the offering of Director Securities and has had full and free access and opportunity to inspect, review, examine and inquire about all financial and other information concerning the Company as Director has requested;

(viii) Director understands and agrees that (A) the investment in the Company involves a high degree of risk, (B) in the future the Director Securities may significantly increase or decrease in value, and (C) no guarantees or representations have been made or can be made with respect to the future value of the Director Securities or the future profitability or success of the Company;

(ix) Director acknowledges and agrees that (A) the Company and its Subsidiaries may incur in the future a substantial amount of senior or other indebtedness and (B) there may be additional issuances of Common Units or other Equity Securities after the date hereof and the equity interests of Director may be diluted in connection with any such issuance, subject to the terms of the LLC Agreement and the Securityholders Agreement;

(x) Director has had an opportunity to consult Director's own tax counsel as to the U.S. federal, state, local and foreign tax consequences of the transactions contemplated by the Transaction Documents and independent legal counsel regarding Director's rights and obligations under the Transaction Documents and fully understands the terms and conditions contained herein and therein. Director is not relying on the Company or any of its or its Subsidiaries' or Affiliates' employees, agents or representatives with respect to the legal, tax, economic, and related considerations of an investment in the Director Securities;

(xi) Director is an "accredited investor" within the meaning of Rule 501 of Regulation D of the Securities and Exchange Commission and is sophisticated in financial matters and is able to evaluate the risks and benefits of the investment in the Director Securities; and

(xii) Director is a resident of the State set forth in Director's address for notices in Section 9 hereof.

( g ) Director Acknowledgment. As an inducement to the Company to issue the Director Securities to Director, and as a condition thereto, Director acknowledges and agrees that neither the issuance of the Director Securities to Director nor any provision contained in this Agreement shall entitle Director to remain a director of the Company or its Subsidiaries or affect the right of the Company or its Subsidiaries to terminate Director's service to the Company at any time for any reason.

(h) Security Powers. Concurrently with the execution of this Agreement, Director shall execute in blank ten security transfer powers in the form of Exhibit C attached hereto (the "Security Powers") with respect to the Director Securities and shall deliver such Security Powers to the Company. The Security Powers shall authorize the Company to assign, Transfer and deliver the Director Securities to the appropriate acquirer thereof pursuant to Section 3 below or Section 8.2 of the LLC Agreement and under no other circumstances.

( i ) Spousal Consent. Concurrently with the execution of this Agreement, if Director is lawfully married, Director's spouse shall execute the Consent in the form of Exhibit D attached hereto.

( j ) Certain Covenants. Director acknowledges that Director has not breached, and that Director will continue to fully comply with, the covenants referenced on Exhibit B attached hereto and set forth in Exhibit E attached hereto.

## 2. Vesting of Incentive Units.

(a) The Director Capital Units shall not be subject to vesting and shall be fully vested upon purchase. The Incentive Units shall be subject to vesting in the manner specified in this Section 2. Except as otherwise provided in this Section 2, the Incentive Units shall vest 20% on each of the first five anniversaries of the Reference Date (such that the Incentive Units shall become 100% vested on the fifth anniversary of the Reference Date), if as of each such date Director is, and since the Closing continuously has been, a member of the Board.

(b) Sale of the Company. Upon the occurrence of a Sale of the Company, all Incentive Units which have not yet become vested shall become vested as of the date of consummation of such Sale of the Company, if, as of such date, Director has been continuously member of the Board or any of its Subsidiaries from the Reference Date through and including such date, subject to the provisions of this Section 2(b).

(c) All Incentive Units which have become vested hereunder, if any, are collectively referred to herein as the “Vested Incentive Units.” All Incentive Units which have not become vested hereunder, if any, are collectively referred to herein as the “Unvested Incentive Units.”

3. Forfeiture and Repurchase Option.

(a) Forfeiture; Repurchase Option. In the event of a Separation, (i) all Unvested Incentive Units (whether held by Director or one or more of Director’s transferees, other than the Company and the Investors) automatically (without any action by Director or any of Director’s transferees) will be forfeited to the Company and deemed canceled and no longer outstanding without any payment therefor, and (ii) all Vested Incentive Units (whether held by Director or one or more of Director’s transferees, other than the Company and the Investors) will be subject to a right of repurchase by the Company and the Investors pursuant to the terms and conditions in this Section 3 (the “Repurchase Option”). The Company may assign its repurchase rights set forth in this Section 3 to any Person; provided that if there is a Subsidiary Public Offering and the securities of such Subsidiary are distributed to the members of the Company, then such Subsidiary will be treated as the Company for purposes of this Section 3 with respect to any repurchase of the securities of such Subsidiary.

(b) Purchase Price. In the event of a Separation, the purchase price for each Vested Incentive Unit will be the Fair Market Value of such Unit. The Fair Market Value of any Unit for purposes of this Section 3 shall be the Fair Market Value of such Unit as of the first date of delivery of the Repurchase Notice or Supplemental Repurchase Notice, as the case may be, pursuant to Section 3(c) or Section 3(d).

(c) Repurchase Notice. The Company may elect to purchase all or any portion of the Vested Incentive Units pursuant to this Section 3 by delivering written notice (the “Repurchase Notice”) to the holder or holders of such securities within seven (7) months after the Separation. The Repurchase Notice will set forth the number of Vested Incentive Units to be acquired from each holder, the aggregate consideration to be paid for such Units and the time and place for the closing of the transaction.

(d) Supplemental Repurchase Notice. If for any reason the Company does not elect to purchase all of the Vested Incentive Units pursuant to the Repurchase Option, the Investors shall be entitled to exercise the Repurchase Option for all or any portion of the Vested Incentive Units which the Company has not elected to purchase (the “Available Securities”). As soon as practicable after the Company has determined that there will be Available Securities, but in any event before the date that is six (6) months and one day after the Separation, the Company shall give written notice (the “Option Notice”) to the Investors setting forth the number of Available Securities and the purchase price for the Available Securities. The Investors may elect to purchase any or all of the Available Securities by giving written notice to the Company within

seven (7) months after the Separation. If the Investors elect to purchase an aggregate number of any class of Available Securities greater than the number of Available Securities of such class, the Available Securities of such class shall be allocated among the Investors based upon the number of Units of such class owned by each Investor. As soon as practicable, and in any event within ten (10) days after the expiration of the seven (7)-month period set forth above, the Company shall notify each holder of Director Securities as to the number of Units of each class being purchased from such holder by the Investors (the "Supplemental Repurchase Notice"). At the time the Company delivers the Supplemental Repurchase Notice to the holder(s) of Director Securities, the Company shall also deliver written notice to each Investor setting forth the number of Units of each class such Investor is entitled to purchase, the aggregate purchase price and the time and place of the closing of the transaction.

( e ) Closing of Repurchase. The closing of the purchase of the Vested Incentive Units pursuant to the Repurchase Option shall take place on the date designated by the Company in the Repurchase Notice or Supplemental Repurchase Notice, which date shall not be more than one (1) month nor less than five (5) days after the delivery of the later of either such notice to be delivered. The Company will pay for the Vested Incentive Units to be purchased by it pursuant to the Repurchase Option by first offsetting amounts outstanding under any bona fide debts owed by Director to the Company or any of its Subsidiaries, and will pay the remainder of the purchase price by, at its option, (i) a check or wire transfer of funds, (ii) the issuance of a subordinated promissory note of the Company or a Subsidiary of the Company payable in up to three (3) annual installments beginning on the first anniversary of the closing of such repurchase and bearing interest (payable quarterly) at a per annum rate equal to eight percent (8%), (iii) the issuance in exchange for such securities of a number of a new class or series of Units or other Company Equity Securities that are senior to the other existing Units and bearing a yield of eight percent (8%) per annum, compounded quarterly, or (iv) any combination of (i), (ii) and (iii) as the Board may elect in its discretion. Each Investor will pay for the Vested Incentive Units purchased by it by a check or wire transfer of funds. The Company and the Investors will be entitled to receive customary representations and warranties from the sellers regarding such sale and to require that all sellers' signatures be guaranteed. Notwithstanding the foregoing, the Company may, at its option, effect repurchases as contemplated by Section 4.6 of the LLC Agreement.

( f ) Restrictions on Repurchase. Notwithstanding anything to the contrary contained in this Agreement, all repurchases of Director Securities by the Company pursuant to the Repurchase Option and all payments of principal and interest on any promissory note issued pursuant to Section 3(e)(ii) shall be subject to applicable restrictions contained in the Delaware Limited Liability Company Act, the Delaware General Corporation Law or such other governing corporate or limited liability company law, and in the Company's and its Subsidiaries' debt and equity financing agreements. If any such restrictions prohibit (i) the repurchase of Vested Incentive Units hereunder which the Company is otherwise entitled or required to make, (ii) dividends or other transfers of funds from one or more Subsidiaries to the Company to enable such repurchases or (iii) the payment of principal or interest required to be paid on any promissory note issued pursuant to Section 3(e)(ii), then the Company (or the corporate successor to the Company, if applicable) may make such repurchases and may pay amounts due on such note as soon as it is permitted to make repurchases, pay such amounts or receive funds from Subsidiaries under such restrictions.

( g ) Revocation. If the Fair Market Value of the Vested Incentive Units is finally determined to be an amount at least ten percent (10)% greater than the per Unit repurchase price for such Unit of Vested Incentive Units in the Repurchase Notice or in the Supplemental Repurchase Notice, each of the Company and the Investors shall have the right to revoke its exercise of the Repurchase Option for all or any portion of the Vested Incentive Units elected to be repurchased by it by delivering notice of such revocation in writing to the holders of the Vested Incentive Units during the thirty (30)-day period beginning on the date that the Company and/or the Investors are given written notice that the Fair Market Value of a Unit of the Vested Incentive Units was finally determined to be an amount at least ten percent (10)% greater than the per Unit repurchase price for the Vested Incentive Units set forth in the Repurchase Notice or in the Supplemental Repurchase Notice.

( h ) Default Event. Notwithstanding anything to the contrary contained in this Agreement, in the event Director fails, for any reason, to make all or any portion of any Capital Contribution to the Company that Director is required to make pursuant to Section 1(b) (a “Default Event”), a portion of Director Capital Units equal to the difference between (i) the number of Capital Units then owned by Director (whether held by Director or one or more of Director’s transferees, other than the Company and the Investors) minus (ii) a number of Capital Units equal to the aggregate amount of Capital Contributions made by Director as of such Default Event divided by a per Unit purchase price equal to (x) the sum of all Capital Contributions made with respect to all outstanding Capital Units immediately following such Default Event divided by (y) the total number of outstanding Capital Units immediately following such Default Event, will automatically (without any action by Director or any of Director’s transferees) be forfeited to the Company and deemed canceled and no longer outstanding without any payment therefor; provided that, following such forfeiture and cancellation, the Capital Contributions with respect to each Capital Unit still held by Director shall be adjusted to be an amount equal to (A) the aggregate amount of Capital Contributions made by Director as of such Default Event divided by (B) the total number of Capital Units held by Director immediately following such forfeiture and cancellation. Notwithstanding anything to the contrary in this Agreement, the provisions of this Section 3(h) shall be the Company’s sole recourse against Director with respect to a Default Event.

( i ) Certificates. Promptly upon the forfeiture of any Units pursuant to this Section 3 (whether held by Director or one of Director’s transferees, other than the Company and the Investors), Director and Director’s transferees shall return the certificates, if any, evidencing such Units to the Company and the Company shall mark as canceled all such certificates evidencing such forfeited Units.

(j) Termination. The provisions of this Section 3 will terminate with respect to all Director Securities upon the consummation of a Sale of the Company.

#### 4. Restrictions on Transfer of Director Securities.

(a) Transfers in a Public Sale. In addition to the restrictions on transfer set forth in the LLC Agreement, the Registration Rights Agreement and any agreement executed pursuant thereto, a holder of Director Securities may only sell Common Stock in a Public Sale if such Common Stock is vested and to the extent that, before and after giving effect to such sale, the Director Cumulative Sale Percentage would be equal to or less than the Investor Cumulative

Sale Percentage. Except as set forth in the prior sentence, the Director Securities may not be Transferred in a Public Sale.

( b ) Legend. In addition to the legend(s) required by the LLC Agreement, each certificate evidencing the Director Securities and each certificate issued in exchange for or upon the Transfer of any Director Securities (if such securities remain Director Securities as defined herein after such Transfer) shall be stamped or otherwise imprinted with a legend in substantially the following form:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE ALSO SUBJECT TO ADDITIONAL RESTRICTIONS ON TRANSFER, CERTAIN REPURCHASE OPTIONS, CERTAIN FORFEITURE PROVISIONS AND CERTAIN OTHER AGREEMENTS SET FORTH IN AN INVESTMENT AND DIRECTOR COMPENSATION SECURITIES AGREEMENT BETWEEN THE COMPANY AND AN DIRECTOR OF THE COMPANY AND OTHER PARTIES, DATED AS OF JANUARY 1, 2017, AS AMENDED. A COPY OF SUCH AGREEMENT MAY BE OBTAINED BY THE HOLDER HEREOF AT THE COMPANY’S PRINCIPAL PLACE OF BUSINESS WITHOUT CHARGE.”

The Company shall imprint such legend on certificates evidencing Director Securities outstanding prior to the date hereof. The legend set forth above shall be removed from the certificates evidencing any securities which cease to be Director Securities.

5. Board of Managers.

( a ) Service. Director agrees to serve on the Board for the period (the “Board Period”) commencing as of the Reference date and ending upon his separation pursuant to Section 5(c) hereof (a “Separation”).

( b ) Director Compensation. Commencing on the Reference Date and continuing until the cessation of the Board Period, in consideration for Director’s service as a member of the Board, Director will be paid director fees in the aggregate amount of \$10,000.00 per Board meeting attended (as reduced in accordance with this Section 5(b) (as applicable), the “Director Fees”); provided that, for any Board meeting that Director attends telephonically and not in person, the Company will only be required to pay \$5,000.00 in Director Fees to Director for such Board Meeting. The Company or its designee will reimburse Director for all reasonable out-of-pocket travel expenses incurred in connection with Director’s attendance at meetings of the Board, in accordance with the Company’s expense reimbursement policy in effect from time to time.

( c ) Separation. The Board Period will continue until (i) Director resigns from the Board, (ii) Director’s death or disability or (iii) the Board or any Investor removes Director from the Board.

6. Confidential Information.

( a ) Obligation to Maintain Confidentiality. Director acknowledges that the information, observations and data (including trade secrets) obtained by him during the course of his directorship with the Company and its Subsidiaries concerning the business or affairs of the Company and its Subsidiaries and Affiliates (“Confidential Information”) are the property of the Company or such Subsidiaries and Affiliates, including information concerning acquisition opportunities in or reasonably related to the Company’s and its Subsidiaries’ business or industry of which Director becomes aware during the Board Period. Therefore, Director agrees that he will not disclose to any unauthorized Person or use for his own account any Confidential Information without the Board’s written consent, unless and to the extent that the Confidential Information, (i) becomes generally known to and available for use by the public other than as a result of Director’s acts or omissions to act or (ii) is required to be disclosed pursuant to any applicable law or court order. Director shall deliver to the Company at a Separation, or at any other time the Company may request, all memoranda, notes, plans, records, reports, computer tapes, printouts and software and other documents and data (and copies thereof) relating to the Confidential Information or the business of the Company and its Subsidiaries and Affiliates (including all acquisition prospects, lists and contact information) which he may then possess or have under his control.

(b) Third Party Information. Director understands that the Company and its Subsidiaries and Affiliates will receive from third parties confidential or proprietary information (“Third Party Information”) subject to a duty on the Company’s and its respective Subsidiaries and Affiliates’ part to maintain the confidentiality of such information and to use it only for certain limited purposes. During the Board Period and thereafter, and without in any way limiting the provisions of Section 6(a) above, Director will hold Third Party Information in the strictest confidence and will not disclose to anyone (other than personnel and consultants of the Company or its Subsidiaries and Affiliates who need to know such information in connection with their work for the Company or its Subsidiaries and Affiliates) or use, except in connection with his work as a director for the Company or its Subsidiaries and Affiliates, Third Party Information unless expressly authorized by a member of the Board (other than Director) in writing.

( c ) Use of Information of Prior Employers. During the Board Period, Director will not improperly use or disclose any confidential information or trade secrets, if any, of any former employers or any other Person to whom Director has an obligation of confidentiality, and will not bring onto the premises of the Company or any of its Subsidiaries or Affiliates any unpublished documents or any property belonging to any former employer or any other Person to whom Director has an obligation of confidentiality unless consented to in writing by the former employer or Person. Director will use in the performance of his duties only information which is (i) generally known and used by persons with training and experience comparable to Director’s and which is (x) common knowledge in the industry or (y) is otherwise legally in the public domain, (ii) is otherwise provided or developed by the Company or any of its Subsidiaries or Affiliates or (iii) in the case of materials, property or information belonging to any former employer or other Person to whom Director has an obligation of confidentiality, approved for such use in writing by such former employer or Person. In furtherance of the foregoing, concurrently with the execution of this Agreement, Director shall execute and deliver to the Company a certificate in the form of Exhibit E attached hereto.

7. Noncompetition and Nonsolicitation. Director acknowledges that during the Board Period he will become familiar with the Company's and its Subsidiaries' trade secrets and with other confidential information concerning the Company and such Subsidiaries and that his services will be of special, unique and extraordinary value to the Company and such Subsidiaries. Therefore, Director agrees that:

(a) Noncompetition. During the Board Period and the two (2)-year period immediately following the Board Period (such period, together with the Board Period, is referred to herein as the "Restricted Period"), Director shall not engage in any Competitive Activities, other than Permitted Activities. For the purposes of this Agreement, "Competitive Activities" means Director engaging, or causing or directing any Person to engage, directly or indirectly, as a principal, agent, shareholder, investor, employer, partner, director, officer, employee, consultant, member, joint venturer, manager, lender, consultant or operator of, or owning 5% or more of, any business or company at any particular time which is engaged in the Company Business. For the purposes of this Agreement, "Permitted Activities" means Director's (i) continuing ownership in, or participation and membership on the board of directors, board of managers or similar governing body of, an entity in which Director owns an interest or for which he serves in a director, manager or similar capacity prior to the time such entity becomes engaged in the Company Business, which as of the date hereof are those board memberships set forth on Annex I; (ii) serving as the chief executive officer or in a senior management position of an entity engaged in the Company Business (A) which derives no more than 5% of its annual revenue on a consolidated basis from the Company Business and (B) provided that Director does not have direct supervisory authority or day-to-day managerial responsibilities regarding the division or subsidiary engaged in the Company Business.

(b) Nonsolicitation. During the Restricted Period, Director shall not directly or indirectly through another entity (i) induce or attempt to induce any employee of the Company or any of its Subsidiaries to leave the employ of the Company or such Subsidiary, or in any way interfere with the relationship between the Company or any of its Subsidiaries and any employee thereof, (ii) hire any employee of the Company or any of its Subsidiaries or hire any former employee of the Company or any of its Subsidiaries within one year after such person ceased to be an employee of the Company or any of its Subsidiaries or (iii) induce or attempt to induce any customer, supplier, licensee or other business relation of the Company or any of its Subsidiaries to cease doing business with the Company or such Subsidiary or in any way interfere with the relationship between any such customer, supplier, licensee or business relation and the Company or any such Subsidiary to the extent such inducement, interference or solicitation relates to Director conducting or engaging in Competitive Activities; provided, that the foregoing shall not restrict Director from (A) engaging in general solicitation efforts not specifically targeted at any such employee, or (B) hiring any employee of the Company or such Subsidiary who responds to any such regular solicitation effort without any other inducement to leave the employ of the Company or any of its Subsidiaries.

(c) Enforcement. If, at the time of enforcement of Section 6 or this Section 7, a court holds that the restrictions stated herein are unreasonable under circumstances then existing, the parties hereto agree that the maximum duration, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area and that the court shall be allowed to revise the restrictions contained herein to cover the maximum

duration, scope and area permitted by law. Because Director's services are unique and because Director has access to confidential information, the parties hereto agree that money damages would be an inadequate remedy for any breach of this Agreement. Therefore, in the event a breach or threatened breach of this Agreement, the Company or its Subsidiaries and/or its successors or assigns may, in addition to other rights and remedies existing in their favor, subject to Section 10(g), apply to any court of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce, or prevent any violations of, the provisions hereof (without posting a bond or other security). In the event that Director breaches any provision of this Section 7, then the Restricted Period shall be extended for a period of time equal to the period of time during which such breach occurred and, in the event that the Company or any of its Subsidiaries is required to seek relief from such breach in any court, then the Restricted Period shall be extended for a period of time equal to the pendency of such proceedings, including all appeals.

( d ) Additional Acknowledgments. Director acknowledges that the provisions of this Section 7 are in consideration of: (i) board membership with the Company, (ii) the issuance of the Director Securities and (iii) additional good and valuable consideration as set forth in this Agreement. In addition, Director agrees and acknowledges that the restrictions contained in Section 6 and this Section 7 do not preclude Director from earning a livelihood, nor do they unreasonably impose limitations on Director's ability to earn a living. In addition, Director acknowledges (x) that the business of the Company and its Subsidiaries will be conducted throughout the United States and other jurisdictions where the Company or any of its Subsidiaries conduct business during the Board Period, and (y) notwithstanding the state of organization or principal office of the Company or any of its Subsidiaries, or any of its respective executives or employees, it is expected that the Company and its Subsidiaries will have business activities and have valuable business relationships within its industry throughout the United States and other jurisdictions where the Company or any of its Subsidiaries conduct business during the Board Period. Director agrees and acknowledges that the potential harm to the Company and its Subsidiaries of the non-enforcement of any provision of Section 6 or this Section 7 outweighs any potential harm to Director of its enforcement by injunction or otherwise. The covenants contained in each of Sections 6(a), 6(b), 6(c), 7(a) and 7(b) may be enforced independently and without any one or more of such sections limiting the provisions of any one or more of the other of such sections. Director acknowledges that he has carefully read this Agreement and consulted with legal counsel of his choosing regarding its contents, has given careful consideration to the restraints imposed upon Director by this Agreement and is in full accord as to their necessity for the reasonable and proper protection of confidential and proprietary information of the Company or any of its Subsidiaries now existing or to be developed in the future. Director expressly acknowledges and agrees that each and every restraint imposed by this Agreement is reasonable with respect to subject matter, time period and geographical area.

10. General Provisions.

(a) Transfers in Violation of Agreement. Any Transfer or attempted Transfer of any Director Securities in violation of any provision of this Agreement shall be void, and the Company shall not record such Transfer on its books or treat any purported Transferee of such Director Securities as the owner of such equity for any purpose.

(b) Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed,

construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

(c) Entire Agreement. This Agreement, those documents expressly referred to herein and other documents of even date herewith embody the complete agreement and understanding among the parties hereto and supersede and preempt any prior understandings, agreements or representations by or among the parties hereto, written or oral, which may have related to the subject matter hereof in any way.

( d ) Descriptive Headings; Interpretation; No Strict Construction. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns, pronouns, and verbs shall include the plural and vice versa. The use of the word “including” in this Agreement shall be by way of example rather than by limitation. Reference to any agreement, document, or instrument means such agreement, document, or instrument as amended or otherwise modified from time to time in accordance with the terms thereof, and, if applicable, hereof. The use of the words “or,” “either,” and “any” shall not be exclusive. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

( e ) Counterparts. This Agreement may be executed in multiple counterparts with the same effect as if all signing parties had signed the same document. All counterparts shall be construed together and constitute the same instrument.

(f) Successors and Assigns. Except as otherwise provided herein, this Agreement shall bind and inure to the benefit of and be enforceable by Director, the Company, the Investors and their respective successors and assigns (including subsequent holders of Director Securities); provided that the rights and obligations of Director under this Agreement shall not be assigned or delegated except for the assignment and delegation of Director’s rights and obligations hereunder as a holder of Director Securities in connection with a permitted Transfer of Director Securities hereunder and under the other Transaction Documents.

( g ) Applicable Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(h) Jurisdiction; Venue; Service of Process. Each party hereto agrees that it shall bring any action between the parties hereto arising out of or related to this Agreement in the Court of Chancery of the State of Delaware (the “Court of Chancery”) or, to the extent the Court of Chancery does not have subject matter jurisdiction, the United States District Court for the District of Delaware and the appellate courts having jurisdiction of appeals in such courts (the “Delaware Federal Court”) or, to the extent neither the Court of Chancery nor the Delaware Federal Court has subject matter jurisdiction, the Superior Court of the State of Delaware (the

“Chosen Courts”), and, solely with respect to any such action (a) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (b) waives any objection to laying venue in any such action in the Chosen Courts, (c) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto and (d) agrees that service of any process, summons, notice or document pursuant to Section 10 shall be effective service of process in any action, suit or proceeding in Delaware with respect to any matters to which it has submitted to jurisdiction as set forth in the immediately preceding sentence.

(i) MUTUAL WAIVER OF JURY TRIAL. BECAUSE DISPUTES ARISING IN CONNECTION WITH COMPLEX TRANSACTIONS ARE MOST QUICKLY AND ECONOMICALLY RESOLVED BY AN EXPERIENCED AND EXPERT PERSON AND THE PARTIES HERETO WISH APPLICABLE STATE AND FEDERAL LAWS TO APPLY (RATHER THAN ARBITRATION RULES), THE PARTIES HERETO DESIRE THAT THEIR DISPUTES BE RESOLVED BY A JUDGE APPLYING SUCH APPLICABLE LAWS. THEREFORE, TO ACHIEVE THE BEST COMBINATION OF THE BENEFITS OF THE JUDICIAL SYSTEM AND OF ARBITRATION, EACH PARTY TO THIS AGREEMENT HEREBY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES HERETO, WHETHER ARISING IN CONTRACT, TORT, OR OTHERWISE, ARISING IN CONTRACT, TORT OR OTHERWISE, ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT AND/OR THE TRANSACTIONS CONTEMPLATED HEREBY AND/OR THE RELATIONSHIP ESTABLISHED AMONG THE PARTIES HEREUNDER.

( j ) Director’s Cooperation. During the Board Period and thereafter, Director shall cooperate with the Company and its Subsidiaries and Affiliates in any disputes with third parties, internal investigation or administrative, regulatory or judicial proceeding as reasonably requested by the Company (including Director being available to the Company upon reasonable notice for interviews and factual investigations, appearing at the Company’s request to give testimony without requiring service of a subpoena or other legal process, volunteering to the Company all pertinent information and turning over to the Company all relevant documents which are or may come into Director’s possession, all at times and on schedules that are reasonably consistent with Director’s other permitted activities and commitments). In the event the Company requires Director’s cooperation in accordance with this paragraph after the Board Period, the Company shall reimburse Director for reasonable travel expenses (including lodging and meals, upon submission of receipts).

(k) Remedies. Each of the parties to this Agreement (and each of the Investors as third party beneficiaries) shall have all rights and remedies set forth in this Agreement and all rights and remedies which such Person has been granted at any time under any other agreement or contract and all of the rights which such Person has under any law. Each of the parties to this Agreement will be entitled to enforce its rights under this Agreement specifically, to recover damages and costs caused by any breach of any provision of this Agreement and to exercise all other rights existing in its favor. The parties hereto agree and acknowledge that money damages may not be an adequate remedy for any breach of the provisions of this Agreement and that any party may in its sole discretion, but subject to Section 10(h), apply to any court of law or equity of competent jurisdiction (without posting any bond or deposit) for specific performance and/or

other injunctive relief in order to enforce or prevent any violations of the provisions of this Agreement.

(1) Amendment and Waiver. The provisions of this Agreement may be amended and waived only with the prior written consent of the Company, Director and the Majority Holders (as defined in the GTCR Unit Purchase Agreement). No failure by any party to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement, or condition. The waiver by any party of a breach of any covenant, duty, agreement, or condition of this Agreement of any other party shall not operate or be construed as a waiver of any subsequent breach of that provision or any other provision hereof.

(m) Business Days. If any time period for giving notice or taking action hereunder expires on a day which is a Saturday, Sunday or holiday in the state in which the Company's chief executive office is located, the time period shall be automatically extended to the business day immediately following such Saturday, Sunday or holiday.

( n ) Indemnification and Reimbursement of Payments on Behalf of Director. The Company and its Subsidiaries shall be entitled to deduct or withhold from any amounts owing from the Company or any of its Subsidiaries to Director (including withholding shares or other equity securities in the case of issuances of equity by the Company or any of its Subsidiaries) any federal, state, local or foreign withholding taxes, excise taxes, or employment taxes ("Taxes") imposed with respect to Director's compensation or other payments from the Company or any of its Subsidiaries or Director's ownership interest in the Company, including wages, bonuses, distributions, the receipt or exercise of equity options and/or the receipt or vesting of restricted equity. In the event any such deductions or withholdings are not made, Director shall indemnify the Company or any of its Subsidiaries for any amounts paid with respect to any such Taxes, together with any interest, penalties and related expenses thereto.

( o ) Termination. This Agreement shall survive a Separation and shall remain in full force and effect after such Separation.

( p ) Adjustments of Numbers. All numbers set forth herein that refer to Unit prices or amounts will be appropriately adjusted to reflect Unit splits, Unit distributions, combinations of Units and other recapitalizations affecting the subject class of equity.

( q ) Deemed Transfer of Director Securities. If the Company (and/or the Investors and/or any other Person acquiring securities) shall make available, at the time and place and in the amount and form provided in this Agreement, the consideration for the Director Securities to be repurchased, in each case, in accordance with the provisions of this Agreement, then from and after such time, the Person from whom such Units are to be repurchased shall no longer have any rights as a holder of such Units (other than the right to receive payment of such consideration in accordance with this Agreement), and such Units shall be deemed purchased in accordance with the applicable provisions hereof and the Company (and/or the Investors and/or any other Person acquiring securities) shall be deemed the owner and holder of such Units, whether or not the certificates therefor have been delivered as required by this Agreement.

( r )     No Pledge or Security Interest. The purpose of the Company's retention of Director's certificates and executed security powers is solely to facilitate the provisions set forth in Section 3 herein and Section 8.2 of the LLC Agreement and does not by itself constitute a pledge by Director of, or the granting of a security interest in, the underlying equity.

( s )     Rights Granted to the Investors and their Affiliates. Any rights granted to any of the Investors or any of their respective Affiliates hereunder may also be exercised (in whole or in part) by their designees.

( t )     Subsidiary Public Offering. If, after or otherwise in connection with consummation of a Subsidiary Public Offering, the Company distributes or otherwise transfers all or part of securities of such Subsidiary to members of the Company, then such securities will be treated in the same manner as (but excluding any "preferred" features of the Units with respect to which they were distributed) the Units with respect to which they were distributed for purposes of Sections 1, 2, 3, and 4.

( u )     Electronic Delivery. This Agreement, the agreements referred to herein, and each other agreement or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent signed and delivered by means of a photographic, facsimile, portable document format (.pdf), or similar reproduction of such signed writing using a facsimile machine or electronic mail shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties hereto. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or electronic mail to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or electronic mail as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

( v )     No Third-Party Beneficiaries. Except as expressly provided herein, no term or provision of this Agreement is intended to be, or shall be, for the benefit of any Person not a party hereto, and no such other Person shall have any right or cause of action hereunder.

Lucier (“Director”) and RiverRoad Capital Partners, LLC, a Delaware limited liability company (“RiverRoad” and, together with Director, the “Director Parties”). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in Section 8 of this Agreement, or if not defined herein, the meanings in the LLC Agreement.

The Company and the Director Parties desire to enter into an agreement pursuant to which, the Company will issue to certain of the Director Parties 12,000 of the Company’s Series 9 Incentive Units which will constitute Common Units treated as “Incentive Units” under the LLC Agreement (the “Incentive Units” and referred to herein as the “Director Securities”).

The Company and the Director Parties mutually desire to enter into an agreement containing the terms and conditions pursuant to which Director will serve as member of the board of managers of the Company (the “Board”).

Certain provisions of this Agreement are intended for the benefit of, and are enforceable by, the Investors.

The parties hereto intend that the Incentive Units will have a \$0.00 liquidation value as of the date of this Agreement so that the grant of the Incentive Units to the Director Parties will not result in taxable income to the Director Parties as of the date of grant under the Code.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

**PROVISIONS RELATING TO DIRECTOR SECURITIES**

1. Issuance of Director Securities.

(a) Incentive Units. Upon execution of this Agreement (the “Closing”), the Company will grant to RiverRoad, on behalf of Director, 12,000 of the Company’s Incentive Units at no cost per Unit. Such Incentive Units shall be Series 9 Incentive Units and shall be subject to the vesting requirements described herein. Each Incentive Unit shall have an initial Capital Contribution for such Incentive Unit equal to zero and an initial Participation Threshold of \$54.95. The Participation Threshold with respect to each Incentive Unit is subject to adjustment from time to time as set forth in the LLC Agreement. The Company will deliver to the applicable Director Party a copy of the certificate(s) representing such Incentive Units, and RiverRoad will deliver to the Company (x) an executed counterpart signature page to each of the Securityholders Agreement and the Registration Rights Agreement as an “Other Securityholder” thereunder, and (y) an executed counterpart signature page to the LLC Agreement (clauses (x) and (y) collectively, the “Transaction Documents”). The Incentive Units are Common Units.

(b) 83(b) Election. Within 30 days after the acquisition of the Incentive Units at the Closing, Director will make an effective election (an “83(b) Election”) with the Internal Revenue Service under Section 83(b) of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder in the form of Exhibit A attached hereto.

( c ) Certificates. Until released upon the occurrence of a Sale of the Company, all certificates evidencing the Incentive Units shall be held, subject to the other terms of this Agreement and the Securityholders Agreement, by the Company for the benefit of Director and the other holder(s) of the Incentive Units. Upon the occurrence of a Sale of the Company, subject to the provisions of the LLC Agreement (including Section 12.1 thereof), the Company will return all certificates in its possession evidencing the Incentive Units to the record holders thereof or, subject to Section 1(g), to the appropriate acquirer thereof.

(d) Regulation D; Rule 701. The issuance of the Incentive Units to Director hereunder is intended to be exempt from registration under the Securities Act pursuant to Regulation D or Rule 701 hereunder.

( e ) Representations and Warranties. In connection with the transactions contemplated by Section 1 above, Director and RiverRoad jointly and severally represent and warrant to the Company that:

(i) the Director Parties possesses all requisite capacity, power and authority to enter into and perform the Director Parties’ obligations under this Agreement;

(ii) this Agreement constitutes the legal, valid and binding obligation of the Director Parties, enforceable in accordance with its terms, and the execution, delivery and performance of this Agreement by the Director Parties does not and will not conflict with, violate or cause a breach of any agreement, contract or instrument to which either of the Director Parties is a party or any judgment, order or decree to which a Director Party is subject;

(iii) except as set forth on Exhibit B attached hereto, Director is neither party to, nor bound by, any other employment agreement, consulting agreement, non-compete agreement, non-solicitation agreement or confidentiality agreement or any other agreement which could impair or interfere with Director’s obligations hereunder;

(iv) the Director Parties hereby acknowledge and agree that (A) there is no current public market for the Director Securities, none is expected to develop and the Director Securities are subject to substantial restrictions on transferability, and (B) as a result of such matters and other factors, the Director Securities are difficult to value;

(v) the Director Securities to be acquired by RiverRoad pursuant to this Agreement will be acquired for RiverRoad’s own account, on behalf of Director, and not with a view to, or intention of, distribution thereof in violation of the Securities Act, or any applicable state securities laws, and the Director Securities will not be disposed of in contravention of the Securities Act or any applicable state securities laws;

(vi) each of the Director Parties is able to bear the economic risk of such Director Party's investment in the Director Securities for an indefinite period of time because the Director Securities have not been registered under the Securities Act or applicable state securities laws and are subject to substantial restrictions on Transfer set forth herein and in the LLC Agreement, and, therefore, cannot be sold unless subsequently registered under the Securities Act and applicable state securities laws, or an exemption from such registration is available, and in compliance with such restrictions on Transfer;

(vii) each of the Director Parties has had an opportunity to ask questions and receive answers concerning the terms and conditions of the Transaction Documents (in particular, with respect to the distribution provisions set forth in the LLC Agreement) and the offering of Director Securities and has had full and free access and opportunity to inspect, review, examine and inquire about all financial and other information concerning the Company as such Director Party has requested;

(viii) each Director Party understands and agrees that (A) the investment in the Company involves a high degree of risk, (B) in the future the Director Securities may significantly increase or decrease in value, and (C) no guarantees or representations have been made or can be made with respect to the future value of the Director Securities or the future profitability or success of the Company;

(ix) each Director Party acknowledges and agrees that (A) the Company and its Subsidiaries may incur in the future a substantial amount of senior or other indebtedness and (B) there may be additional issuances of Common Units or other Equity Securities after the date hereof and the equity interests of Director may be diluted in connection with any such issuance, subject to the terms of the LLC Agreement and the Securityholders Agreement;

(x) each Director Party has had an opportunity to consult such Director Party's own tax counsel as to the U.S. federal, state, local and foreign tax consequences of the transactions contemplated by the Transaction Documents and independent legal counsel regarding such Director Party's rights and obligations under the Transaction Documents and fully understands the terms and conditions contained herein and therein. Neither Director Party is relying on the Company or any of its or its Subsidiaries' or Affiliates' employees, agents or representatives with respect to the legal, tax, economic, and related considerations of an investment in the Director Securities;

(xi) each of the Director Parties is an "accredited investor" within the meaning of Rule 501 of Regulation D of the Securities and Exchange Commission and is sophisticated in financial matters and is able to evaluate the risks and benefits of the investment in the Director Securities;

(xii) Director is a resident of the State set forth in Director's address for notices in Section 9 hereof; and

(xiii) RiverRoad is a Delaware limited liability company owned and controlled by Director.

(f) Director Parties Acknowledgment. As an inducement to the Company to issue the Director Securities to the applicable Director Party, and as a condition thereto, the Director Parties acknowledge and agree that neither the issuance of the Director Securities to such Director Party nor any provision contained in this Agreement shall entitle Director to remain a director of the Company or its Subsidiaries or affect the right of the Company or its Subsidiaries to terminate Director's service to the Company at any time for any reason.

(g) Security Powers. Concurrently with the execution of this Agreement, RiverRoad shall execute in blank ten security transfer powers in the form of Exhibit C attached hereto (the "Security Powers") with respect to the Director Securities and shall deliver such Security Powers to the Company. The Security Powers shall authorize the Company to assign, Transfer and deliver the Director Securities to the appropriate acquirer thereof pursuant to Section 3 below or Section 8.2 of the LLC Agreement and under no other circumstances.

(h) Spousal Consent. Concurrently with the execution of this Agreement, if Director is lawfully married, Director's spouse shall execute the Consent in the form of Exhibit D attached hereto.

(i) Certain Covenants. Each Director Party acknowledges that such Director Party has not breached, and that such Director Party will continue to fully comply with, the covenants referenced on Exhibit B attached hereto and set forth in Exhibit E attached hereto.

2. Vesting of Incentive Units.

(a) The Incentive Units shall be subject to vesting in the manner specified in this Section 2. Except as otherwise provided in this Section 2, the Incentive Units shall vest 20% on each of the first five anniversaries of the Reference Date (such that the Incentive Units shall become 100% vested on the fifth anniversary of the Reference Date), if as of each such date Director is, and since the Closing continuously has been, a member of the Board.

(b) Sale of the Company. Upon the occurrence of a Sale of the Company, all Incentive Units which have not yet become vested shall become vested as of the date of consummation of such Sale of the Company, if, as of such date, Director has been continuously member of the Board from the Reference Date through and including such date, subject to the provisions of this Section 2(b).

(c) All Incentive Units which have become vested hereunder, if any, are collectively referred to herein as the "Vested Incentive Units." All Incentive Units which have not become vested hereunder, if any, are collectively referred to herein as the "Unvested Incentive Units."

3. Forfeiture and Repurchase Option.

(a) Forfeiture; Repurchase Option. In the event of a Separation, (i) all Unvested Incentive Units (whether held by any Director Party or one or more of their respective

transferees, other than the Company and the Investors) automatically (without any action by such Director Party or any of their transferees) will be forfeited to the Company and deemed canceled and no longer outstanding without any payment therefor, and (ii) all Vested Incentive Units (whether held by any Director Party or one or more of their respective transferees, other than the Company and the Investors) will be subject to a right of repurchase by the Company and the Investors pursuant to the terms and conditions in this Section 3 (the “Repurchase Option”). The Company may assign its repurchase rights set forth in this Section 3 to any Person; provided that if there is a Subsidiary Public Offering and the securities of such Subsidiary are distributed to the members of the Company, then such Subsidiary will be treated as the Company for purposes of this Section 3 with respect to any repurchase of the securities of such Subsidiary.

(b) Purchase Price. In the event of a Separation, the purchase price for each Vested Incentive Unit will be the Fair Market Value of such Unit. The Fair Market Value of any Unit for purposes of this Section 3 shall be the Fair Market Value of such Unit as of the first date of delivery of the Repurchase Notice or Supplemental Repurchase Notice, as the case may be, pursuant to Section 3(c) or Section 3(d).

(c) Repurchase Notice. The Company may elect to purchase all or any portion of the Vested Incentive Units pursuant to this Section 3 by delivering written notice (the “Repurchase Notice”) to the holder or holders of such securities within seven (7) months after the Separation. The Repurchase Notice will set forth the number of Vested Incentive Units to be acquired from each holder, the aggregate consideration to be paid for such Units and the time and place for the closing of the transaction.

(d) Supplemental Repurchase Notice. If for any reason the Company does not elect to purchase all of the Vested Incentive Units pursuant to the Repurchase Option, the Investors shall be entitled to exercise the Repurchase Option for all or any portion of the Vested Incentive Units which the Company has not elected to purchase (the “Available Securities”). As soon as practicable after the Company has determined that there will be Available Securities, but in any event before the date that is six (6) months and one day after the Separation, the Company shall give written notice (the “Option Notice”) to the Investors setting forth the number of Available Securities and the purchase price for the Available Securities. The Investors may elect to purchase any or all of the Available Securities by giving written notice to the Company within seven (7) months after the Separation. If the Investors elect to purchase an aggregate number of any class of Available Securities greater than the number of Available Securities of such class, the Available Securities of such class shall be allocated among the Investors based upon the number of Units of such class owned by each Investor. As soon as practicable, and in any event within ten (10) days after the expiration of the seven (7)-month period set forth above, the Company shall notify each holder of Director Securities as to the number of Units of each class being purchased from such holder by the Investors (the “Supplemental Repurchase Notice”). At the time the Company delivers the Supplemental Repurchase Notice to the holder(s) of Director Securities, the Company shall also deliver written notice to each Investor setting forth the number of Units of each class such Investor is entitled to purchase, the aggregate purchase price and the time and place of the closing of the transaction.

(e) Closing of Repurchase. The closing of the purchase of the Vested Incentive Units pursuant to the Repurchase Option shall take place on the date designated by the Company in the Repurchase Notice or Supplemental Repurchase Notice, which date shall not be more than one (1) month nor less than five (5) days after the delivery of the later of either such notice to be delivered. The Company will pay for the Vested Incentive Units to be purchased by it pursuant to the Repurchase Option by first offsetting amounts outstanding under any bona fide debts owed by any Director Party to the Company or any of its Subsidiaries, and will pay the remainder of the purchase price by, at its option, (i) a check or wire transfer of funds, (ii) the issuance of a subordinated promissory note of the Company or a Subsidiary of the Company payable in up to three (3) annual installments beginning on the first anniversary of the closing of such repurchase and bearing interest (payable quarterly) at a per annum rate equal to eight percent (8%), (iii) the issuance in exchange for such securities of a number of a new class or series of Units or other Company Equity Securities that are senior to the other existing Units and bearing a yield of eight percent (8%) per annum, compounded quarterly, or (iv) any combination of (i), (ii) and (iii) as the Board may elect in its discretion. Each Investor will pay for the Vested Incentive Units purchased by it by a check or wire transfer of funds. The Company and the Investors will be entitled to receive customary representations and warranties from the sellers regarding such sale and to require that all sellers' signatures be guaranteed. Notwithstanding the foregoing, the Company may, at its option, effect repurchases as contemplated by Section 4.6 of the LLC Agreement.

( f ) Restrictions on Repurchase. Notwithstanding anything to the contrary contained in this Agreement, all repurchases of Director Securities by the Company pursuant to the Repurchase Option and all payments of principal and interest on any promissory note issued pursuant to Section 3(e)(ii) shall be subject to applicable restrictions contained in the Delaware Limited Liability Company Act, the Delaware General Corporation Law or such other governing corporate or limited liability company law, and in the Company's and its Subsidiaries' debt and equity financing agreements. If any such restrictions prohibit (i) the repurchase of Vested Incentive Units hereunder which the Company is otherwise entitled or required to make, (ii) dividends or other transfers of funds from one or more Subsidiaries to the Company to enable such repurchases or (iii) the payment of principal or interest required to be paid on any promissory note issued pursuant to Section 3(e)(ii), then the Company (or the corporate successor to the Company, if applicable) may make such repurchases and may pay amounts due on such note as soon as it is permitted to make repurchases, pay such amounts or receive funds from Subsidiaries under such restrictions.

(g) Revocation. If the Fair Market Value of the Vested Incentive Units is finally determined to be an amount at least ten percent (10)% greater than the per Unit repurchase price for such Unit of Vested Incentive Units in the Repurchase Notice or in the Supplemental Repurchase Notice, each of the Company and the Investors shall have the right to revoke its exercise of the Repurchase Option for all or any portion of the Vested Incentive Units elected to be repurchased by it by delivering notice of such revocation in writing to the holders of the Vested Incentive Units during the thirty (30)-day period beginning on the date that the Company and/or the Investors are given written notice that the Fair Market Value of a Unit of the Vested Incentive Units was finally determined to be an amount at least ten percent (10)% greater than the per Unit repurchase price for the Vested Incentive Units set forth in the Repurchase Notice or in the Supplemental Repurchase Notice.

( h ) Certificates. Promptly upon the forfeiture of any Units pursuant to this Section 3 (whether held by any Director Party or one or more of their respective transferees, other than the Company and the Investors), the Director Parties and their respective transferees shall return the certificates, if any, evidencing such Units to the Company and the Company shall mark as canceled all such certificates evidencing such forfeited Units.

(i) Termination. The provisions of this Section 3 will terminate with respect to all Director Securities upon the consummation of a Sale of the Company.

4. Restrictions on Transfer of Director Securities.

( a ) Transfers in a Public Sale. In addition to the restrictions on transfer set forth in the LLC Agreement, the Registration Rights Agreement and any agreement executed pursuant thereto, a holder of Director Securities may only sell Common Stock in a Public Sale if such Common Stock is vested and to the extent that, before and after giving effect to such sale, the Director Cumulative Sale Percentage would be equal to or less than the Investor Cumulative Sale Percentage. Except as set forth in the prior sentence, the Director Securities may not be Transferred in a Public Sale.

(b) Legend. In addition to the legend(s) required by the LLC Agreement, each certificate evidencing the Director Securities and each certificate issued in exchange for or upon the Transfer of any Director Securities (if such securities remain Director Securities as defined herein after such Transfer) shall be stamped or otherwise imprinted with a legend in substantially the following form:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE ALSO SUBJECT TO ADDITIONAL RESTRICTIONS ON TRANSFER, CERTAIN REPURCHASE OPTIONS, CERTAIN FORFEITURE PROVISIONS AND CERTAIN OTHER AGREEMENTS SET FORTH IN AN INVESTMENT AND DIRECTOR COMPENSATION SECURITIES AGREEMENT BETWEEN THE COMPANY AND AN DIRECTOR OF THE COMPANY AND OTHER PARTIES, DATED AS OF JANUARY 8, 2020, AS AMENDED. A COPY OF SUCH AGREEMENT MAY BE OBTAINED BY THE HOLDER HEREOF AT THE COMPANY’S PRINCIPAL PLACE OF BUSINESS WITHOUT CHARGE.”

The Company shall imprint such legend on certificates evidencing Director Securities outstanding prior to the date hereof. The legend set forth above shall be removed from the certificates evidencing any securities which cease to be Director Securities.

5. Board of Managers.

( a ) Service. Director agrees to serve on the Board for the period (the “Board Period”) commencing as of the Reference date and ending upon his separation pursuant to Section 5(c) hereof (a “Separation”).

(b) Director Compensation. Commencing on the Reference Date and continuing until the cessation of the Board Period, in consideration for Director’s service as a member of

the Board, Director will be paid director fees in the aggregate amount of \$10,000.00 per Board meeting attended (as reduced in accordance with this Section 5(b) (as applicable), the “Director Fees”); provided that, for any Board meeting that Director attends telephonically and not in person, the Company will only be required to pay \$5,000.00 in Director Fees to Director for such Board Meeting. The Company or its designee will reimburse Director for all reasonable out-of-pocket travel expenses incurred in connection with Director’s attendance at meetings of the Board, in accordance with the Company’s expense reimbursement policy in effect from time to time.

(c) Separation. The Board Period will continue until (i) Director resigns from the Board, (ii) Director’s death or disability or (iii) the Board or any Investor removes Director from the Board.

6. Confidential Information.

(a) Obligation to Maintain Confidentiality. Director acknowledges that the information, observations and data (including trade secrets) obtained by him during the course of his directorship with the Company and its Subsidiaries concerning the business or affairs of the Company and its Subsidiaries and Affiliates (“Confidential Information”) are the property of the Company or such Subsidiaries and Affiliates, including information concerning acquisition opportunities in or reasonably related to the Company’s and its Subsidiaries’ business or industry of which Director becomes aware during the Board Period. Therefore, Director agrees that he will not disclose to any unauthorized Person or use for his own account any Confidential Information without the Board’s written consent, unless and to the extent that the Confidential Information, (i) becomes generally known to and available for use by the public other than as a result of Director’s acts or omissions to act or (ii) is required to be disclosed pursuant to any applicable law or court order. Director shall deliver to the Company at a Separation, or at any other time the Company may request, all memoranda, notes, plans, records, reports, computer tapes, printouts and software and other documents and data (and copies thereof) relating to the Confidential Information or the business of the Company and its Subsidiaries and Affiliates (including all acquisition prospects, lists and contact information) which he may then possess or have under his control.

(b) Third Party Information. Director understands that the Company and its Subsidiaries and Affiliates will receive from third parties confidential or proprietary information (“Third Party Information”) subject to a duty on the Company’s and its respective Subsidiaries and Affiliates’ part to maintain the confidentiality of such information and to use it only for certain limited purposes. During the Board Period and thereafter, and without in any way limiting the provisions of Section 6(a) above, Director will hold Third Party Information in the strictest confidence and will not disclose to anyone (other than personnel and consultants of the Company or its Subsidiaries and Affiliates who need to know such information in connection with their work for the Company or its Subsidiaries and Affiliates) or use, except in connection with his work as a director for the Company or its Subsidiaries and Affiliates, Third Party Information unless expressly authorized by a member of the Board (other than Director) in writing.

(c) Use of Information of Prior Employers. During the Board Period, Director will not improperly use or disclose any confidential information or trade secrets, if any, of any former employers or any other Person to whom Director has an obligation of confidentiality, and will not bring onto the premises of the Company or any of its Subsidiaries or Affiliates any unpublished documents or any property belonging to any former employer or any other Person to whom Director has an obligation of confidentiality unless consented to in writing by the former employer or Person. Director will use in the performance of his duties only information which is (i) generally known and used by persons with training and experience comparable to Director's and which is (x) common knowledge in the industry or (y) is otherwise legally in the public domain, (ii) is otherwise provided or developed by the Company or any of its Subsidiaries or Affiliates or (iii) in the case of materials, property or information belonging to any former employer or other Person to whom Director has an obligation of confidentiality, approved for such use in writing by such former employer or Person. In furtherance of the foregoing, concurrently with the execution of this Agreement, Director shall execute and deliver to the Company a certificate in the form of Exhibit E attached hereto.

7 . Nonsolicitation. Director acknowledges that during the Board Period Director will become familiar with the Company's and its Subsidiaries' trade secrets and with other confidential information concerning the Company and such Subsidiaries and that his services will be of special, unique and extraordinary value to the Company and such Subsidiaries. Therefore, Director agrees that:

( a ) Nonsolicitation. During the Board Period and the one (1)-year period immediately following the Board Period (such period, together with the Board Period, is referred to herein as the "Restricted Period"), Director shall not directly or indirectly through another entity (i) induce or attempt to induce any employee of the Company or any of its Subsidiaries to leave the employ of the Company or such Subsidiary, or in any way interfere with the relationship between the Company or any of its Subsidiaries and any employee thereof or (ii) hire any employee of the Company or any of its Subsidiaries or hire any former employee of the Company or any of its Subsidiaries within one year after such person ceased to be an employee of the Company or any of its Subsidiaries; provided, that the foregoing shall not restrict Director from (A) engaging in general solicitation efforts not specifically targeted at any such employee, or (B) hiring any employee of the Company or such Subsidiary who responds to any such regular solicitation effort without any other inducement to leave the employ of the Company or any of its Subsidiaries.

(b) Enforcement. If, at the time of enforcement of Section 6 or this Section 7, a court holds that the restrictions stated herein are unreasonable under circumstances then existing, the parties hereto agree that the maximum duration, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area and that the court shall be allowed to revise the restrictions contained herein to cover the maximum duration, scope and area permitted by law. Because Director's services are unique and because Director has access to confidential information, the parties hereto agree that money damages would be an inadequate remedy for any breach of this Agreement. Therefore, in the event a breach or threatened breach of this Agreement, the Company or its Subsidiaries and/or its successors or assigns may, in addition to other rights and remedies existing in their favor, subject to Section 10(g), apply to any court of competent jurisdiction for specific

performance and/or injunctive or other relief in order to enforce, or prevent any violations of, the provisions hereof (without posting a bond or other security). In the event that Director breaches any provision of this Section 7, then the Restricted Period shall be extended for a period of time equal to the period of time during which such breach occurred and, in the event that the Company or any of its Subsidiaries is required to seek relief from such breach in any court, then the Restricted Period shall be extended for a period of time equal to the pendency of such proceedings, including all appeals.

( c ) Additional Acknowledgments. Director acknowledges that the provisions of this Section 7 are in consideration of: (i) board membership with the Company, (ii) the issuance of the Director Securities and (iii) additional good and valuable consideration as set forth in this Agreement. In addition, Director agrees and acknowledges that the restrictions contained in Section 6 and this Section 7 do not preclude Director from earning a livelihood, nor do they unreasonably impose limitations on Director's ability to earn a living. In addition, Director acknowledges (x) that the business of the Company and its Subsidiaries will be conducted throughout the United States and other jurisdictions where the Company or any of its Subsidiaries conduct business during the Board Period, and (y) notwithstanding the state of organization or principal office of the Company or any of its Subsidiaries, or any of its respective executives or employees, it is expected that the Company and its Subsidiaries will have business activities and have valuable business relationships within its industry throughout the United States and other jurisdictions where the Company or any of its Subsidiaries conduct business during the Board Period. Director agrees and acknowledges that the potential harm to the Company and its Subsidiaries of the non-enforcement of any provision of Section 6 or this Section 7 outweighs any potential harm to Director of its enforcement by injunction or otherwise. The covenants contained in each of Sections 6(a), 6(b), 6(c) and 7(a) may be enforced independently and without any one or more of such sections limiting the provisions of any one or more of the other of such sections. Director acknowledges that he has carefully read this Agreement and consulted with legal counsel of his choosing regarding its contents, has given careful consideration to the restraints imposed upon Director by this Agreement and is in full accord as to their necessity for the reasonable and proper protection of confidential and proprietary information of the Company or any of its Subsidiaries now existing or to be developed in the future. Director expressly acknowledges and agrees that each and every restraint imposed by this Agreement is reasonable with respect to subject matter, time period and geographical area.

( d ) Additional Covenants. Each Director Party shall cause each of the other Director Parties to fully and faithfully comply with all provisions of this Agreement, the Transaction Documents and any other agreement which any Director Party and the Company or the Investors may enter into from time to time. Each Director Party hereby acknowledges and agrees that a breach by any Director Party of this Agreement, the Transaction Documents and any other agreement which any Director Party and the Company or the Investors may enter into from time to time shall be deemed to be a breach of all other Director Parties thereunder and each Director Party shall be jointly and severally liable with respect to all such breaches. Each Director Party shall cause the representations and warranties set forth in Section 1(e) to be true and correct for so long as such Director Party holds any Director Securities.

### 8. Definitions.

“Board” means the Company’s board of managers.

“Common Stock” means, collectively, (a) following the organization of a corporation and reorganization or recapitalization of the Company into such corporation as provided in Section 12.1 of the LLC Agreement, the common equity securities of such corporation and any other class or series of authorized capital stock of such corporation that is not limited to a fixed sum or percentage of par or stated value in respect of the rights of the holders thereof to participate in dividends or in the distribution of assets upon any liquidation, dissolution or winding up of such corporation, and (b) any common stock of a Subsidiary of either the Company or such corporation distributed by the Company or such corporation to its unitholders or shareholders, as applicable.

“Director Cumulative Sale Percentage” means, on any date of determination, a percentage equal to the quotient of (a) the aggregate number of shares of Common Stock sold by the Director Parties and/or the Director Parties’ Permitted Transferees in Public Sales from and including the consummation of the Company’s initial Public Offering and to and including such date, divided by (b) the aggregate number of shares of Common Stock held by the Director Parties and the Director Parties’ Permitted Transferees upon the consummation of the Company’s initial Public Offering.

“Director Securities” means all Common Units (including all Incentive Units) at any time held or acquired by a Director Party. Director Securities will continue to be Director Securities in the hands of any holder other than a Director Party (except for the Company and the Investors and except for transferees in a Public Sale), and except as otherwise provided herein, each such other holder of Director Securities will succeed to all rights and obligations attributable to a Director Party as a holder of Director Securities hereunder. Director Securities will also include equity of the Company (or a corporate successor to the Company or a Subsidiary of the Company) issued with respect to Director Securities (a) by way of a Unit split, Unit distribution, conversion, or other recapitalization, (b) by way of reorganization or recapitalization of the Company in connection with the incorporation of a corporate successor prior to a Public Offering or (c) by way of a distribution of securities of a Subsidiary of the Company to the members of the Company following or with respect to a Subsidiary Public Offering. Notwithstanding the foregoing, all Unvested Incentive Units shall remain Unvested Incentive Units after any Transfer thereof (other than to the Company or any of the Investors).

“Fair Market Value” of each Unit of Director Securities means the average of the closing prices of the sales of such Director Securities on all securities exchanges on which such Director Securities may at the time be listed, or, if there have been no sales on any such exchange on any day, the average of the highest bid and lowest asked prices on all such exchanges at the end of such day, or, if on any day such Director Securities are not so listed, the average of the representative bid and asked prices quoted in the NASDAQ System as of 4:00 P.M., New York time, or, if on any day such Director Securities are not quoted in the NASDAQ System, the average of the highest bid and lowest asked prices on such day in the domestic over the counter

market as reported by the National Quotation Bureau Incorporated, or any similar successor organization, in each such case averaged over a period of 21 days consisting of the day as of which the Fair Market Value is being determined and the 20 consecutive business days prior to such day. If at any time such Director Securities are not listed on any securities exchange or quoted in the NASDAQ System or the over the counter market, the Fair Market Value will be the fair value of such Director Securities as determined in good faith by the Board (other than Director) in accordance with the provisions of Section 11.2(a)(ii) and 11.2(b) of the LLC Agreement. If Director disagrees with such determination, Director shall deliver to the Board a written notice of objection within ten (10) days after delivery of the Repurchase Notice (or if no Repurchase Notice is delivered, then within ten (10) days after delivery of the Supplemental Repurchase Notice). Upon receipt of Director's written notice of objection, the Board and Director will negotiate in good faith to agree on such Fair Market Value. If such agreement is not reached within 30 days after the delivery of the Repurchase Notice (or if no Repurchase Notice is delivered, then within 30 days after the delivery of the Supplemental Repurchase Notice), Fair Market Value shall be determined by an appraiser applying the provisions of Sections 11.2(a)(ii) and 11.2(b) of the LLC Agreement. The appraiser will be jointly selected by the Board (other than Director) and Director, which appraiser shall submit to the Board and Director a report within 30 days of its engagement setting forth such determination. If the parties are unable to agree on an appraiser within 30 days after delivery of the Repurchase Notice or the Supplemental Repurchase Notice, within seven (7) days, each party shall submit the names of one nationally recognized firm that is engaged in the business of valuing nonpublic securities, and such firms shall jointly select an appraiser. The expenses of such appraiser shall be borne by Director unless the appraiser's valuation is more than 10% greater than the amount determined by the Board (other than Director), in which case the expenses of the appraiser shall be borne by the Company. The determination of such appraiser as to Fair Market Value shall be final and binding upon all parties.

"Investor Cumulative Sale Percentage" means, on any date of determination, a percentage equal to the quotient of (a) the aggregate number of shares of Common Stock sold by the Investors in Public Sales from and including the consummation of the Company's initial Public Offering and to and including such date, divided by (b) the aggregate number of shares of Common Stock held by the Investors upon the consummation of the Company's initial Public Offering.

"LLC Agreement" means the Second Amended and Restated Limited Liability Company Agreement of the Company, dated as of April 5, 2016, as amended or modified from time to time in accordance with its terms.

"Reference Date" means January 8, 2020.

10. General Provisions.

( a ) Transfers in Violation of Agreement. Any Transfer or attempted Transfer of any Director Securities in violation of any provision of this Agreement shall be void, and the Company shall not record such Transfer on its books or treat any purported Transferee of such Director Securities as the owner of such equity for any purpose.

( b ) Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

( c ) Entire Agreement. This Agreement, those documents expressly referred to herein and other documents of even date herewith embody the complete agreement and understanding among the parties hereto and supersede and preempt any prior understandings, agreements or representations by or among the parties hereto, written or oral, which may have related to the subject matter hereof in any way; provided, that nothing herein modifies, waives, terminates, supersedes or restates the Investment Agreement, dated as of October 26, 2016, by and between the Company and RiverRoad, as amended.

( d ) Descriptive Headings; Interpretation; No Strict Construction. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns, pronouns, and verbs shall include the plural and vice versa. The use of the word “including” in this Agreement shall be by way of example rather than by limitation. Reference to any agreement, document, or instrument means such agreement, document, or instrument as amended or otherwise modified from time to time in accordance with the terms thereof, and, if applicable, hereof. The use of the words “or,” “either,” and “any” shall not be exclusive. The parties hereto have participated jointly in the negotiation and drafting of this

Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

(e) Counterparts. This Agreement may be executed in multiple counterparts with the same effect as if all signing parties had signed the same document. All counterparts shall be construed together and constitute the same instrument.

(f) Successors and Assigns. Except as otherwise provided herein, this Agreement shall bind and inure to the benefit of and be enforceable by the Director Parties, the Company, the Investors and their respective successors and assigns (including subsequent holders of Director Securities); provided that the rights and obligations of the Director Parties under this Agreement shall not be assigned or delegated except for the assignment and delegation of a Director Party's rights and obligations hereunder as a holder of Director Securities in connection with a permitted Transfer of Director Securities hereunder and under the other Transaction Documents.

(g) Applicable Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(h) Jurisdiction; Venue; Service of Process. Each party hereto agrees that it shall bring any action between the parties hereto arising out of or related to this Agreement in the Court of Chancery of the State of Delaware (the "Court of Chancery") or, to the extent the Court of Chancery does not have subject matter jurisdiction, the United States District Court for the District of Delaware and the appellate courts having jurisdiction of appeals in such courts (the "Delaware Federal Court") or, to the extent neither the Court of Chancery nor the Delaware Federal Court has subject matter jurisdiction, the Superior Court of the State of Delaware (the "Chosen Courts"), and, solely with respect to any such action (a) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (b) waives any objection to laying venue in any such action in the Chosen Courts, (c) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto and (d) agrees that service of any process, summons, notice or document pursuant to Section 10 shall be effective service of process in any action, suit or proceeding in Delaware with respect to any matters to which it has submitted to jurisdiction as set forth in the immediately preceding sentence.

(i) MUTUAL WAIVER OF JURY TRIAL. BECAUSE DISPUTES ARISING IN CONNECTION WITH COMPLEX TRANSACTIONS ARE MOST QUICKLY AND ECONOMICALLY RESOLVED BY AN EXPERIENCED AND EXPERT PERSON AND THE PARTIES HERETO WISH APPLICABLE STATE AND FEDERAL LAWS TO APPLY (RATHER THAN ARBITRATION RULES), THE PARTIES HERETO DESIRE THAT THEIR DISPUTES BE RESOLVED BY A JUDGE APPLYING SUCH APPLICABLE LAWS. THEREFORE, TO ACHIEVE THE BEST COMBINATION OF THE BENEFITS OF THE JUDICIAL SYSTEM AND OF ARBITRATION, EACH PARTY TO THIS

AGREEMENT HEREBY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES HERETO, WHETHER ARISING IN CONTRACT, TORT, OR OTHERWISE, ARISING IN CONTRACT, TORT OR OTHERWISE, ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT AND/OR THE TRANSACTIONS CONTEMPLATED HEREBY AND/OR THE RELATIONSHIP ESTABLISHED AMONG THE PARTIES HEREUNDER.

(j) Director's Cooperation. During the Board Period and thereafter, the Director Parties shall cooperate with the Company and its Subsidiaries and Affiliates in any disputes with third parties, internal investigation or administrative, regulatory or judicial proceeding as reasonably requested by the Company (including Director being available to the Company upon reasonable notice for interviews and factual investigations, appearing at the Company's request to give testimony without requiring service of a subpoena or other legal process, volunteering to the Company all pertinent information and turning over to the Company all relevant documents which are or may come into a Director Parties' possession, all at times and on schedules that are reasonably consistent with Director's other permitted activities and commitments). In the event the Company requires a Director Parties' cooperation in accordance with this paragraph after the Board Period, the Company shall reimburse such Director Party for reasonable travel expenses (including lodging and meals, upon submission of receipts).

(k) Remedies. Each of the parties to this Agreement (and each of the Investors as third party beneficiaries) shall have all rights and remedies set forth in this Agreement and all rights and remedies which such Person has been granted at any time under any other agreement or contract and all of the rights which such Person has under any law. Each of the parties to this Agreement will be entitled to enforce its rights under this Agreement specifically, to recover damages and costs caused by any breach of any provision of this Agreement and to exercise all other rights existing in its favor. The parties hereto agree and acknowledge that money damages may not be an adequate remedy for any breach of the provisions of this Agreement and that any party may in its sole discretion, but subject to Section 10(h), apply to any court of law or equity of competent jurisdiction (without posting any bond or deposit) for specific performance and/or other injunctive relief in order to enforce or prevent any violations of the provisions of this Agreement.

(l) Amendment and Waiver. The provisions of this Agreement may be amended and waived only with the prior written consent of the Company, Director and the Majority Holders (as defined in the GTCR Unit Purchase Agreement). No failure by any party to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement, or condition. The waiver by any party of a breach of any covenant, duty, agreement, or condition of this Agreement of any other party shall not operate or be construed as a waiver of any subsequent breach of that provision or any other provision hereof.

(m) Business Days. If any time period for giving notice or taking action hereunder expires on a day which is a Saturday, Sunday or holiday in the state in which the Company's

chief executive office is located, the time period shall be automatically extended to the business day immediately following such Saturday, Sunday or holiday.

(n) Indemnification and Reimbursement of Payments on Behalf of Director. The Company and its Subsidiaries shall be entitled to deduct or withhold from any amounts owing from the Company or any of its Subsidiaries to Director (including withholding shares or other equity securities in the case of issuances of equity by the Company or any of its Subsidiaries) any federal, state, local or foreign withholding taxes, excise taxes, or employment taxes (“Taxes”) imposed with respect to Director’s compensation or other payments from the Company or any of its Subsidiaries or a Director Party’s ownership interest in the Company, including wages, bonuses, distributions, the receipt or exercise of equity options and/or the receipt or vesting of restricted equity. In the event any such deductions or withholdings are not made, Director shall indemnify the Company or any of its Subsidiaries for any amounts paid with respect to any such Taxes, together with any interest, penalties and related expenses thereto.

(o) Termination. This Agreement (except for the provisions of Section 5) shall survive a Separation and shall remain in full force and effect after such Separation.

(p) Adjustments of Numbers. All numbers set forth herein that refer to Unit prices or amounts will be appropriately adjusted to reflect Unit splits, Unit distributions, combinations of Units and other recapitalizations affecting the subject class of equity.

(q) Deemed Transfer of Director Securities. If the Company (and/or the Investors and/or any other Person acquiring securities) shall make available, at the time and place and in the amount and form provided in this Agreement, the consideration for the Director Securities to be repurchased, in each case, in accordance with the provisions of this Agreement, then from and after such time, the Person from whom such Units are to be repurchased shall no longer have any rights as a holder of such Units (other than the right to receive payment of such consideration in accordance with this Agreement), and such Units shall be deemed purchased in accordance with the applicable provisions hereof and the Company (and/or the Investors and/or any other Person acquiring securities) shall be deemed the owner and holder of such Units, whether or not the certificates therefor have been delivered as required by this Agreement.

(r) No Pledge or Security Interest. The purpose of the Company’s retention of the Director Parties’ certificates and executed security powers is solely to facilitate the provisions set forth in Section 3 herein and Section 8.2 of the LLC Agreement and does not by itself constitute a pledge by any Director Party of, or the granting of a security interest in, the underlying equity.

(s) Rights Granted to the Investors and their Affiliates. Any rights granted to any of the Investors or any of their respective Affiliates hereunder may also be exercised (in whole or in part) by their designees.

(t) Subsidiary Public Offering. If, after or otherwise in connection with consummation of a Subsidiary Public Offering, the Company distributes or otherwise transfers

all or part of securities of such Subsidiary to members of the Company, then such securities will be treated in the same manner as (but excluding any “preferred” features of the Units with respect to which they were distributed) the Units with respect to which they were distributed for purposes of Sections 1, 2, 3, and 4.

( u ) Electronic Delivery. This Agreement, the agreements referred to herein, and each other agreement or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent signed and delivered by means of a photographic, facsimile, portable document format (.pdf), or similar reproduction of such signed writing using a facsimile machine or electronic mail shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties hereto. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or electronic mail to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or electronic mail as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

(v) No Third-Party Beneficiaries. Except as expressly provided herein, no term or provision of this Agreement is intended to be, or shall be, for the benefit of any Person not a party hereto, and no such other Person shall have any right or cause of action hereunder.

**EXECUTION VERSION****INVESTMENT AND DIRECTOR COMPENSATION AGREEMENT**

**THIS INVESTMENT AND DIRECTOR COMPENSATION AGREEMENT** (this “Agreement”) is made as of August 10, 2016 by and between Maravai Life Sciences Holdings, LLC, a Delaware limited liability company (the “Company”) and Murali K. Prahalad (“Director”). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in Section 8 of this Agreement, or if not defined herein, the meanings in the LLC Agreement.

The Company and Director desire to enter into an agreement pursuant to which the Company will sell and issue to Director 10,000 of the Company’s Series 2 Incentive Units which will constitute Common Units treated as “Incentive Units” under the LLC Agreement (the “Incentive Units” and referred to herein as the “Director Securities”).

The Company and Director mutually desire to enter into an agreement containing the terms and conditions pursuant to which Director will serve as member of the board of managers of the Company (the “Board”) and the boards of managers or directors, as applicable, of the Company’s subsidiary, Maravai Life Sciences, Inc. (“OpCo”).

Certain provisions of this Agreement are intended for the benefit of, and are enforceable by, the Investors.

The parties hereto intend that the Incentive Units will have a \$0.00 liquidation value as of the date of this Agreement so that the grant of the Incentive Units to Director will not result in taxable income to Director as of the date of grant under the Code.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

**PROVISIONS RELATING TO DIRECTOR SECURITIES**1. Issuance and Sale of Director Securities.

(a) Incentive Units. Upon execution of this Agreement (the “Closing”), the Company will grant to Director 10,000 of the Company’s Incentive Units at no cost per Unit. Such Incentive Units shall be Series 2 Incentive Units and shall be subject to the vesting requirements described herein. Each Incentive Unit shall have an initial Capital Contribution for such Incentive Unit equal to zero and an initial Participation Threshold of \$9.21. The Participation Threshold with respect to each Incentive Unit is subject to adjustment from time to time as set forth in the LLC Agreement. The Company will deliver to Director a copy of the certificate(s) representing such Incentive Units, and Director will deliver to the Company (x) an executed counterpart signature page to each of the Securityholders Agreement and the Registration Rights Agreement as an “Other Securityholder” thereunder, and (y) an executed counterpart signature page to the LLC Agreement (clauses (x) and (y) collectively, the “Transaction Documents”). The Incentive Units are Common Units.

(b) 83(b) Election. Within 30 days after the acquisition of the Incentive Units at the Closing, Director will make an effective election (an “83(b) Election”) with the Internal

Revenue Service under Section 83(b) of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder in the form of Exhibit A attached hereto.

(c) Certificates. Until released upon the occurrence of a Sale of the Company, all certificates evidencing the Incentive Units shall be held, subject to the other terms of this Agreement and the Securityholders Agreement, by the Company for the benefit of Director and the other holder(s) of the Incentive Units. Upon the occurrence of a Sale of the Company, subject to the provisions of the LLC Agreement (including Section 12.1 thereof), the Company will return all certificates in its possession evidencing the Incentive Units to the record holders thereof or, subject to Section 1(g), to the appropriate acquirer thereof.

(d) Regulation D; Rule 701. The issuance of the Incentive Units to Director hereunder is intended to be exempt from registration under the Securities Act pursuant to Regulation D or Rule 701 hereunder.

(e) Representations and Warranties. In connection with the transactions contemplated by Section 1 above, Director represents and warrants to the Company that:

(i) Director possesses all requisite capacity, power and authority to enter into and perform his obligations under this Agreement;

(ii) This Agreement constitutes the legal, valid and binding obligation of Director, enforceable in accordance with its terms, and the execution, delivery and performance of this Agreement by Director does not and will not conflict with, violate or cause a breach of any agreement, contract or instrument to which Director is a party or any judgment, order or decree to which Director is subject;

(iii) Except as set forth on Exhibit B attached hereto, Director is neither party to, nor bound by, any other employment agreement, consulting agreement, noncompete agreement, non-solicitation agreement or confidentiality agreement or any other agreement which could impair or interfere with Director's obligations hereunder;

(iv) Director hereby acknowledges and agrees that (A) there is no current public market for the Director Securities, none is expected to develop and the Director Securities are subject to substantial restrictions on transferability, and (B) as a result of such matters and other factors, the Director Securities are difficult to value;

(v) the Director Securities to be acquired by Director pursuant to this Agreement will be acquired for Director's own account and not with a view to, or intention of, distribution thereof in violation of the Securities Act, or any applicable state securities laws, and the Director Securities will not be disposed of in contravention of the Securities Act or any applicable state securities laws;

(vi) Director is able to bear the economic risk of Director's investment in the Director Securities for an indefinite period of time because the Director Securities have not been registered under the Securities Act or applicable state securities laws and are subject to substantial restrictions on Transfer set forth herein and in the LLC Agreement, and, therefore, cannot be sold unless subsequently registered under the

---

Securities Act and applicable state securities laws, or an exemption from such registration is available, and in compliance with such restrictions on Transfer;

(vii) Director has had an opportunity to ask questions and receive answers concerning the terms and conditions of the Transaction Documents (in particular, with respect to the distribution provisions set forth in the LLC Agreement) and the offering of Director Securities and has had full and free access and opportunity to inspect, review, examine and inquire about all financial and other information concerning the Company as Director has requested;

(viii) Director understands and agrees that (A) the investment in the Company involves a high degree of risk, (B) in the future the Director Securities may significantly increase or decrease in value, and (C) no guarantees or representations have been made or can be made with respect to the future value of the Director Securities or the future profitability or success of the Company;

(ix) Director acknowledges and agrees that (A) the Company and its Subsidiaries may incur in the future a substantial amount of senior or other indebtedness and (B) there may be additional issuances of Common Units or other Equity Securities after the date hereof and the equity interests of Director may be diluted in connection with any such issuance, subject to the terms of the LLC Agreement and the Securityholders Agreement;

(x) Director has had an opportunity to consult Director's own tax counsel as to the U.S. federal, state, local and foreign tax consequences of the transactions contemplated by the Transaction Documents and independent legal counsel regarding his rights and obligations under the Transaction Documents and fully understands the terms and conditions contained herein and therein. Director is not relying on the Company or any of its or its Subsidiaries' or Affiliates' employees, agents or representatives with respect to the legal, tax, economic, and related considerations of an investment in the Director Securities;

(xi) Director is an "accredited investor" within the meaning of Rule 501 of Regulation D of the Securities and Exchange Commission and is sophisticated in financial matters and is able to evaluate the risks and benefits of the investment in the Director Securities; and

(xii) Director is a resident of the State set forth in Director's address for notices in Section 9 hereof.

( f ) Director Acknowledgment. As an inducement to the Company to issue the Director Securities to Director, and as a condition thereto, Director acknowledges and agrees that neither the issuance of the Director Securities to Director nor any provision contained in this Agreement shall entitle Director to remain a director of the Company or its Subsidiaries or affect the right of the Company or its Subsidiaries to terminate Director's service to the Company at any time for any reason.

(g) Security Powers. Concurrently with the execution of this Agreement, Director shall execute in blank ten security transfer powers in the form of Exhibit C attached hereto (the “Security Powers”) with respect to the Director Securities and shall deliver such Security Powers to the Company. The Security Powers shall authorize the Company to assign, Transfer and deliver the Director Securities to the appropriate acquirer thereof pursuant to Section 3 below or Section 8.2 of the LLC Agreement and under no other circumstances.

(h) Spousal Consent. Concurrently with the execution of this Agreement, if Director is lawfully married, Director’s spouse shall execute the Consent in the form of Exhibit D attached hereto.

(i) Certain Covenants. Director acknowledges that Director has not breached, and that Director will continue to fully comply with, the covenants referenced on Exhibit B attached hereto and set forth in Exhibit E attached hereto.

2. Vesting of Incentive Units.

(a) The Incentive Units shall be subject to vesting in the manner specified in this Section 2. Except as otherwise provided in this Section 2, the Incentive Units shall vest 20% on each of the first five anniversaries of the Reference Date (such that the Incentive Units shall become 100% vested on the fifth anniversary of the Reference Date), if as of each such date Director is, and since the Closing continuously has been, a member of the Board.

(b) Sale of the Company. Upon the occurrence of a Sale of the Company, all Incentive Units which have not yet become vested shall become vested as of the date of consummation of such Sale of the Company, if, as of such date, Director has been continuously member of the Board or any of its Subsidiaries from the Reference Date through and including such date, subject to the provisions of this Section 2(b).

(c) All Incentive Units which have become vested hereunder, if any, are collectively referred to herein as the “Vested Incentive Units.” All Incentive Units which have not become vested hereunder, if any, are collectively referred to herein as the “Unvested Incentive Units.”

3. Forfeiture and Repurchase Option.

(a) Forfeiture; Repurchase Option. In the event of a Separation, (i) all Unvested Incentive Units (whether held by Director or one or more of Director’s transferees, other than the Company and the Investors) automatically (without any action by Director or any of Director’s transferees) will be forfeited to the Company and deemed canceled and no longer outstanding without any payment therefor, and (ii) all Vested Incentive Units (whether held by Director or one or more of Director’s transferees, other than the Company and the Investors) will be subject to a right of repurchase by the Company and the Investors pursuant to the terms and conditions in this Section 3 (the “Repurchase Option”). The Company may assign its repurchase rights set forth in this Section 3 to any Person; provided that if there is a Subsidiary Public Offering and the securities of such Subsidiary are distributed to the members of the Company, then such Subsidiary will be treated as the Company for purposes of this Section 3 with respect to any repurchase of the securities of such Subsidiary.

(b) Purchase Price. In the event of a Separation, the purchase price for each Vested Incentive Unit will be the Fair Market Value of such Unit. The Fair Market Value of any Unit for purposes of this Section 3 shall be the Fair Market Value of such Unit as of the first date of delivery of the Repurchase Notice or Supplemental Repurchase Notice, as the case may be, pursuant to Section 3(c) or Section 3(d).

(c) Repurchase Notice. The Company may elect to purchase all or any portion of the Vested Incentive Units pursuant to this Section 3 by delivering written notice (the “Repurchase Notice”) to the holder or holders of such securities within seven (7) months after the Separation. The Repurchase Notice will set forth the number of Director Securities to be acquired from each holder, the aggregate consideration to be paid for such Units and the time and place for the closing of the transaction.

(d) Supplemental Repurchase Notice. If for any reason the Company does not elect to purchase all of the Vested Incentive Units pursuant to the Repurchase Option, the Investors shall be entitled to exercise the Repurchase Option for all or any portion of the Vested Incentive Units which the Company has not elected to purchase (the “Available Securities”). As soon as practicable after the Company has determined that there will be Available Securities, but in any event before the date that is six (6) months and one day after the Separation, the Company shall give written notice (the “Option Notice”) to the Investors setting forth the number of Available Securities and the purchase price for the Available Securities. The Investors may elect to purchase any or all of the Available Securities by giving written notice to the Company within seven (7) months after the Separation. If the Investors elect to purchase an aggregate number of any class of Available Securities greater than the number of Available Securities of such class, the Available Securities of such class shall be allocated among the Investors based upon the number of Units of such class owned by each Investor. As soon as practicable, and in any event within ten (10) days after the expiration of the seven (7)-month period set forth above, the Company shall notify each holder of Director Securities as to the number of Units of each class being purchased from such holder by the Investors (the “Supplemental Repurchase Notice”). At the time the Company delivers the Supplemental Repurchase Notice to the holder(s) of Director Securities, the Company shall also deliver written notice to each Investor setting forth the number of Units of each class such Investor is entitled to purchase, the aggregate purchase price and the time and place of the closing of the transaction.

(e) Closing of Repurchase. The closing of the purchase of the Vested Incentive Units pursuant to the Repurchase Option shall take place on the date designated by the Company in the Repurchase Notice or Supplemental Repurchase Notice, which date shall not be more than one (1) month nor less than five (5) days after the delivery of the later of either such notice to be delivered. The Company will pay for the Vested Incentive Units to be purchased by it pursuant to the Repurchase Option by first offsetting amounts outstanding under any bona fide debts owed by Director to the Company or any of its Subsidiaries, and will pay the remainder of the purchase price by, at its option, (i) a check or wire transfer of funds, (ii) the issuance of a subordinated promissory note of the Company or a Subsidiary of the Company payable in up to three (3) annual installments beginning on the first anniversary of the closing of such repurchase and bearing interest (payable quarterly) at a per annum rate equal to eight percent (8%), (iii) the issuance in exchange for such securities of a number of a new class or series of Units or other Company Equity Securities that are senior to the other existing Units and bearing a yield of eight

percent (8%) per annum, compounded quarterly, or (iv) any combination of (i), (ii) and (iii) as the Board may elect in its discretion. Each Investor will pay for the Vested Incentive Units purchased by it by a check or wire transfer of funds. The Company and the Investors will be entitled to receive customary representations and warranties from the sellers regarding such sale and to require that all sellers' signatures be guaranteed. Notwithstanding the foregoing, the Company may, at its option, effect repurchases as contemplated by Section 4.6 of the LLC Agreement.

( f ) Restrictions on Repurchase. Notwithstanding anything to the contrary contained in this Agreement, all repurchases of Director Securities by the Company pursuant to the Repurchase Option and all payments of principal and interest on any promissory note issued pursuant to Section 3(e)(ii) shall be subject to applicable restrictions contained in the Delaware Limited Liability Company Act, the Delaware General Corporation Law or such other governing corporate or limited liability company law, and in the Company's and its Subsidiaries' debt and equity financing agreements. If any such restrictions prohibit (i) the repurchase of Vested Incentive Units hereunder which the Company is otherwise entitled or required to make, (ii) dividends or other transfers of funds from one or more Subsidiaries to the Company to enable such repurchases or (iii) the payment of principal or interest required to be paid on any promissory note issued pursuant to Section 3(e)(ii), then the Company (or the corporate successor to the Company, if applicable) may make such repurchases and may pay amounts due on such note as soon as it is permitted to make repurchases, pay such amounts or receive funds from Subsidiaries under such restrictions.

( g ) Revocation. If the Fair Market Value of the Vested Incentive Units is finally determined to be an amount at least ten percent (10)% greater than the per Unit repurchase price for such Unit of Vested Incentive Units in the Repurchase Notice or in the Supplemental Repurchase Notice, each of the Company and the Investors shall have the right to revoke its exercise of the Repurchase Option for all or any portion of the Vested Incentive Units elected to be repurchased by it by delivering notice of such revocation in writing to the holders of the Vested Incentive Units during the thirty (30)-day period beginning on the date that the Company and/or the Investors are given written notice that the Fair Market Value of a Unit of the Vested Incentive Units was finally determined to be an amount at least ten percent (10)% greater than the per Unit repurchase price for the Vested Incentive Units set forth in the Repurchase Notice or in the Supplemental Repurchase Notice.

( h ) Certificates. Promptly upon the forfeiture of any Units pursuant to this Section 3 (whether held by Director or one of Director's transferees, other than the Company and the Investors), Director and Director's transferees shall return the certificates, if any, evidencing such Units to the Company and the Company shall mark as canceled all such certificates evidencing such forfeited Units.

( i ) Termination. The provisions of this Section 3 will terminate with respect to all Director Securities upon the consummation of a Sale of the Company.

#### 4. Restrictions on Transfer of Director Securities.

( a ) Transfers in a Public Sale. In addition to the restrictions on transfer set forth in the LLC Agreement, the Registration Rights Agreement and any agreement executed

pursuant thereto, a holder of Director Securities may only sell Common Stock in a Public Sale if such Common Stock is vested and to the extent that, before and after giving effect to such sale, the Director Cumulative Sale Percentage would be equal to or less than the Investor Cumulative Sale Percentage. Except as set forth in the prior sentence, the Director Securities may not be Transferred in a Public Sale.

( b ) Legend. In addition to the legend(s) required by the LLC Agreement, each certificate evidencing the Director Securities and each certificate issued in exchange for or upon the Transfer of any Director Securities (if such securities remain Director Securities as defined herein after such Transfer) shall be stamped or otherwise imprinted with a legend in substantially the following form:

“THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE ALSO SUBJECT TO ADDITIONAL RESTRICTIONS ON TRANSFER, CERTAIN REPURCHASE OPTIONS, CERTAIN FORFEITURE PROVISIONS AND CERTAIN OTHER AGREEMENTS SET FORTH IN AN INVESTMENT AND DIRECTOR COMPENSATION SECURITIES AGREEMENT BETWEEN THE COMPANY AND AN DIRECTOR OF THE COMPANY AND OTHER PARTIES, DATED AS OF AUGUST 10, 2016, AS AMENDED. A COPY OF SUCH AGREEMENT MAY BE OBTAINED BY THE HOLDER HEREOF AT THE COMPANY’S PRINCIPAL PLACE OF BUSINESS WITHOUT CHARGE.”

The Company shall imprint such legend on certificates evidencing Director Securities outstanding prior to the date hereof. The legend set forth above shall be removed from the certificates evidencing any securities which cease to be Director Securities.

5. Board of Managers.

( a ) Service. Director agrees to serve on the Board for the period (the “Board Period”), and as a member of the board of directors of OpCo, as of the Reference date and ending upon his separation pursuant to Section 5(c) hereof (a “Separation”).

( b ) Director Compensation. Commencing on the Reference Date and continuing until the cessation of the Board Period, in consideration for Director’s service as a member of the Board, Director will be paid director fees in the aggregate amount of \$10,000 per Board meeting attended (as reduced in accordance with this Section 5(b) (as applicable), the “Director Fees”); provided that, for any Board meeting that Director attends telephonically and not in person, the Company will only be required to pay \$5,000 in Director Fees to Director for such Board Meeting. OpCo will reimburse Director for all reasonable out-of-pocket travel expenses incurred in connection with Director’s attendance at meetings of the Board and the board of directors of OpCo, in each case in accordance with the Company’s expense reimbursement policy in effect from time to time.

( c ) Separation. The Board Period will continue until (i) Director resigns from the Board, (ii) Director’s death or disability or (iii) the Board or any Investor removes Director from the Board and the board of directors of OpCo.

6. Confidential Information.

( a ) Obligation to Maintain Confidentiality. Director acknowledges that the information, observations and data (including trade secrets) obtained by him during the course of his directorship with the Company and its Subsidiaries concerning the business or affairs of the Company and its Subsidiaries and Affiliates (“Confidential Information”) are the property of the Company or such Subsidiaries and Affiliates, including information concerning acquisition opportunities in or reasonably related to the Company’s and its Subsidiaries’ business or industry of which Director becomes aware during the Board Period. Therefore, Director agrees that he will not disclose to any unauthorized Person or use for his own account any Confidential Information without the Board’s written consent, unless and to the extent that the Confidential Information, (i) becomes generally known to and available for use by the public other than as a result of Director’s acts or omissions to act or (ii) is required to be disclosed pursuant to any applicable law or court order. Director shall deliver to the Company at a Separation, or at any other time the Company may request, all memoranda, notes, plans, records, reports, computer tapes, printouts and software and other documents and data (and copies thereof) relating to the Confidential Information or the business of the Company and its Subsidiaries and Affiliates (including all acquisition prospects, lists and contact information) which he may then possess or have under his control.

(b) Third Party Information. Director understands that the Company and its Subsidiaries and Affiliates will receive from third parties confidential or proprietary information (“Third Party Information”) subject to a duty on the Company’s and its respective Subsidiaries and Affiliates’ part to maintain the confidentiality of such information and to use it only for certain limited purposes. During the Board Period and thereafter, and without in any way limiting the provisions of Section 6(a) above, Director will hold Third Party Information in the strictest confidence and will not disclose to anyone (other than personnel and consultants of the Company or its Subsidiaries and Affiliates who need to know such information in connection with their work for the Company or its Subsidiaries and Affiliates) or use, except in connection with his work as a director for the Company or its Subsidiaries and Affiliates, Third Party Information unless expressly authorized by a member of the Board (other than Director) in writing.

( c ) Use of Information of Prior Employers. During the Board Period, Director will not improperly use or disclose any confidential information or trade secrets, if any, of any former employers or any other Person to whom Director has an obligation of confidentiality, and will not bring onto the premises of the Company or any of its Subsidiaries or Affiliates any unpublished documents or any property belonging to any former employer or any other Person to whom Director has an obligation of confidentiality unless consented to in writing by the former employer or Person. Director will use in the performance of his duties only information which is (i) generally known and used by persons with training and experience comparable to Director’s and which is (x) common knowledge in the industry or (y) is otherwise legally in the public domain, (ii) is otherwise provided or developed by the Company or any of its Subsidiaries or Affiliates or (iii) in the case of materials, property or information belonging to any former employer or other Person to whom Director has an obligation of confidentiality, approved for such use in writing by such former employer or Person. In furtherance of the

foregoing, concurrently with the execution of this Agreement, Director shall execute and deliver to the Company a certificate in the form of Exhibit E attached hereto.

7 . Noncompetition and Nonsolicitation. Director acknowledges that during the Board Period he will become familiar with the Company's and its Subsidiaries' trade secrets and with other confidential information concerning the Company and such Subsidiaries and that his services will be of special, unique and extraordinary value to the Company and such Subsidiaries. Therefore, Director agrees that:

(a) Noncompetition. During the Board Period and the two (2)-year period immediately following the Board Period (such period, together with the Board Period, is referred to herein as the "Restricted Period"), Director shall not engage in any Competitive Activities. For purposes of this Agreement, "Competitive Activities" means Director engaging, or causing or directing any Person to engage, directly or indirectly, as a principal, agent, shareholder, investor, employer, partner, director, officer, employee, consultant, member, joint venturer, manager, lender, consultant, operator, or in any capacity whatsoever (other than as a customer), including, without limitation, in any division, group or franchise of a larger organization whose commercial offerings include a product line competitive with Company that, at that time, both accounts for more than twenty percent (20%) of that larger organization's revenues and more than twenty percent (20%) of Company's revenues (in the Company Business or any other business for which the Company or any of its Subsidiaries has a Bona Fide Interest), within the United States or any other jurisdiction in which the Company or any of its Subsidiaries engages in the Company Business or for which the Company or any of its Subsidiaries has a Bona Fide Interest (whether such business is located in the United States or such other jurisdiction or markets to customers located within the United States or such other jurisdiction); provided, that notwithstanding anything in this Agreement to the contrary, Competitive Activities shall not include Director being a passive owner of not more than 2% of the outstanding stock of any class of a corporation that is publicly traded, so long as Director has no active participation in the Company Business of such corporation. As used herein, a "Bona Fide Interest" means a bona fide interest or expectancy relating to the acquisition of such business by the Company or any of its Subsidiaries, as evidenced by appropriate written documentation (for example, a term sheet or letter of intent or emails or other written records that evidence that the parties have an interest or expectancy and have had discussions relating to such acquisition) or discussions indicating an intent to pursue such acquisition transaction (except that, with respect to the portion of the Restricted Period following the Board Period, the bona fide interest or expectancy is measured as of the time immediately preceding the Separation).

(b) Nonsolicitation. During the Restricted Period, Director shall not directly or indirectly through another entity (i) induce or attempt to induce any employee of the Company or any of its Subsidiaries to leave the employ of the Company or such Subsidiary, or in any way interfere with the relationship between the Company or any of its Subsidiaries and any employee thereof, (ii) hire any employee of the Company or any of its Subsidiaries or hire any former employee of the Company or any of its Subsidiaries within one year after such person ceased to be an employee of the Company or any of its Subsidiaries or (iii) induce or attempt to induce any customer, supplier, licensee or other business relation of the Company or any of its Subsidiaries to cease doing business with the Company or such Subsidiary or in any way interfere with the relationship between any such customer, supplier, licensee or business relation and the Company

or any such Subsidiary to the extent such inducement, interference or solicitation relates to Director conducting or engaging in Competitive Activities; provided, that the foregoing shall not restrict Director from (A) engaging in general solicitation efforts not specifically targeted at any such employee, or (B) hiring any employee of the Company or such Subsidiary who responds to any such regular solicitation effort without any other inducement to leave the employ of the Company or any of its Subsidiaries.

( c ) Enforcement. If, at the time of enforcement of Section 6 or this Section 7, a court holds that the restrictions stated herein are unreasonable under circumstances then existing, the parties hereto agree that the maximum duration, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area and that the court shall be allowed to revise the restrictions contained herein to cover the maximum duration, scope and area permitted by law. Because Director's services are unique and because Director has access to confidential information, the parties hereto agree that money damages would be an inadequate remedy for any breach of this Agreement. Therefore, in the event a breach or threatened breach of this Agreement, the Company or its Subsidiaries and/or its successors or assigns may, in addition to other rights and remedies existing in their favor, subject to Section 10(g), apply to any court of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce, or prevent any violations of, the provisions hereof (without posting a bond or other security). In the event that Director breaches any provision of this Section 7, then the Restricted Period shall be extended for a period of time equal to the period of time during which such breach occurred and, in the event that the Company or any of its Subsidiaries is required to seek relief from such breach in any court, then the Restricted Period shall be extended for a period of time equal to the pendency of such proceedings, including all appeals.

( d ) Additional Acknowledgments. Director acknowledges that the provisions of this Section 7 are in consideration of: (i) board membership with the Company and OpCo, (ii) the issuance of the Director Securities and (iii) additional good and valuable consideration as set forth in this Agreement. In addition, Director agrees and acknowledges that the restrictions contained in Section 6 and this Section 7 do not preclude Director from earning a livelihood, nor do they unreasonably impose limitations on Director's ability to earn a living. In addition, Director acknowledges (x) that the business of the Company and its Subsidiaries will be conducted throughout the United States and other jurisdictions where the Company or any of its Subsidiaries conduct business during the Board Period, and (y) notwithstanding the state of organization or principal office of the Company or any of its Subsidiaries, or any of its respective executives or employees, it is expected that the Company and its Subsidiaries will have business activities and have valuable business relationships within its industry throughout the United States and other jurisdictions where the Company or any of its Subsidiaries conduct business during the Board Period. Director agrees and acknowledges that the potential harm to the Company and its Subsidiaries of the non-enforcement of any provision of Section 6 or this Section 7 outweighs any potential harm to Director of its enforcement by injunction or otherwise. The covenants contained in each of Sections 6(a), 6(b), 6(c), 7(a) and 7(b) may be enforced independently and without any one or more of such sections limiting the provisions of any one or more of the other of such sections. Director acknowledges that he has carefully read this Agreement and consulted with legal counsel of his choosing regarding its contents, has given careful consideration to the restraints imposed upon Director by this Agreement and is in full

accord as to their necessity for the reasonable and proper protection of confidential and proprietary information of the Company or any of its Subsidiaries now existing or to be developed in the future. Director expressly acknowledges and agrees that each and every restraint imposed by this Agreement is reasonable with respect to subject matter, time period and geographical area.

10. General Provisions.

(a) Transfers in Violation of Agreement. Any Transfer or attempted Transfer of any Director Securities in violation of any provision of this Agreement shall be void, and the Company shall not record such Transfer on its books or treat any purported Transferee of such Director Securities as the owner of such equity for any purpose.

(b) Severability. Whenever possible, each provision of this Agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision

of this Agreement is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other provision or any other jurisdiction, but this Agreement will be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

(c) Entire Agreement. This Agreement, those documents expressly referred to herein and other documents of even date herewith embody the complete agreement and understanding among the parties hereto and supersede and preempt any prior understandings, agreements or representations by or among the parties hereto, written or oral, which may have related to the subject matter hereof in any way.

( d ) Descriptive Headings; Interpretation; No Strict Construction. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a substantive part of this Agreement. Whenever required by the context, any pronoun used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns, pronouns, and verbs shall include the plural and vice versa. The use of the word “including” in this Agreement shall be by way of example rather than by limitation. Reference to any agreement, document, or instrument means such agreement, document, or instrument as amended or otherwise modified from time to time in accordance with the terms thereof, and, if applicable, hereof. The use of the words “or,” “either,” and “any” shall not be exclusive. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

( e ) Counterparts. This Agreement may be executed in multiple counterparts with the same effect as if all signing parties had signed the same document. All counterparts shall be construed together and constitute the same instrument.

(f) Successors and Assigns. Except as otherwise provided herein, this Agreement shall bind and inure to the benefit of and be enforceable by Director, the Company, the Investors and their respective successors and assigns (including subsequent holders of Director Securities); provided that the rights and obligations of Director under this Agreement shall not be assigned or delegated except for the assignment and delegation of Director’s rights and obligations hereunder as a holder of Director Securities in connection with a permitted Transfer of Director Securities hereunder and under the other Transaction Documents.

( g ) Applicable Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(h) Jurisdiction; Venue; Service of Process. Each party hereto agrees that it shall bring any action between the parties hereto arising out of or related to this Agreement in the Court of Chancery of the State of Delaware (the “Court of Chancery”) or, to the extent the Court of Chancery does not have subject matter jurisdiction, the United States District Court for the

District of Delaware and the appellate courts having jurisdiction of appeals in such courts (the “Delaware Federal Court”) or, to the extent neither the Court of Chancery nor the Delaware Federal Court has subject matter jurisdiction, the Superior Court of the State of Delaware (the “Chosen Courts”), and, solely with respect to any such action (a) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (b) waives any objection to laying venue in any such action in the Chosen Courts, (c) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto and (d) agrees that service of any process, summons, notice or document pursuant to Section 10 shall be effective service of process in any action, suit or proceeding in Delaware with respect to any matters to which it has submitted to jurisdiction as set forth in the immediately preceding sentence.

(i) MUTUAL WAIVER OF JURY TRIAL. BECAUSE DISPUTES ARISING IN CONNECTION WITH COMPLEX TRANSACTIONS ARE MOST QUICKLY AND ECONOMICALLY RESOLVED BY AN EXPERIENCED AND EXPERT PERSON AND THE PARTIES HERETO WISH APPLICABLE STATE AND FEDERAL LAWS TO APPLY (RATHER THAN ARBITRATION RULES), THE PARTIES HERETO DESIRE THAT THEIR DISPUTES BE RESOLVED BY A JUDGE APPLYING SUCH APPLICABLE LAWS. THEREFORE, TO ACHIEVE THE BEST COMBINATION OF THE BENEFITS OF THE JUDICIAL SYSTEM AND OF ARBITRATION, EACH PARTY TO THIS AGREEMENT HEREBY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES HERETO, WHETHER ARISING IN CONTRACT, TORT, OR OTHERWISE, ARISING IN CONTRACT, TORT OR OTHERWISE, ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT AND/OR THE TRANSACTIONS CONTEMPLATED HEREBY AND/OR THE RELATIONSHIP ESTABLISHED AMONG THE PARTIES HEREUNDER.

( j ) Director’s Cooperation. During the Board Period and thereafter, Director shall cooperate with the Company and its Subsidiaries and Affiliates in any disputes with third parties, internal investigation or administrative, regulatory or judicial proceeding as reasonably requested by the Company (including Director being available to the Company upon reasonable notice for interviews and factual investigations, appearing at the Company’s request to give testimony without requiring service of a subpoena or other legal process, volunteering to the Company all pertinent information and turning over to the Company all relevant documents which are or may come into Director’s possession, all at times and on schedules that are reasonably consistent with Director’s other permitted activities and commitments). In the event the Company requires Director’s cooperation in accordance with this paragraph after the Board Period, the Company shall reimburse Director for reasonable travel expenses (including lodging and meals, upon submission of receipts).

(k) Remedies. Each of the parties to this Agreement (and each of the Investors as third party beneficiaries) shall have all rights and remedies set forth in this Agreement and all rights and remedies which such Person has been granted at any time under any other agreement or contract and all of the rights which such Person has under any law. Each of the parties to this Agreement will be entitled to enforce its rights under this Agreement specifically, to recover damages and costs caused by any breach of any provision of this Agreement and to exercise all other rights existing in its favor. The parties hereto agree and acknowledge that money damages

may not be an adequate remedy for any breach of the provisions of this Agreement and that any party may in its sole discretion, but subject to Section 10(h), apply to any court of law or equity of competent jurisdiction (without posting any bond or deposit) for specific performance and/or other injunctive relief in order to enforce or prevent any violations of the provisions of this Agreement.

(1) Amendment and Waiver. The provisions of this Agreement may be amended and waived only with the prior written consent of the Company, Director and the Majority Holders (as defined in the GTCR Unit Purchase Agreement). No failure by any party to insist upon the strict performance of any covenant, duty, agreement, or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement, or condition. The waiver by any party of a breach of any covenant, duty, agreement, or condition of this Agreement of any other party shall not operate or be construed as a waiver of any subsequent breach of that provision or any other provision hereof.

(m) Business Days. If any time period for giving notice or taking action hereunder expires on a day which is a Saturday, Sunday or holiday in the state in which the Company's chief executive office is located, the time period shall be automatically extended to the business day immediately following such Saturday, Sunday or holiday.

( n ) Indemnification and Reimbursement of Payments on Behalf of Director. The Company and its Subsidiaries shall be entitled to deduct or withhold from any amounts owing from the Company or any of its Subsidiaries to Director (including withholding shares or other equity securities in the case of issuances of equity by the Company or any of its Subsidiaries) any federal, state, local or foreign withholding taxes, excise taxes, or employment taxes ("Taxes") imposed with respect to Director's compensation or other payments from the Company or any of its Subsidiaries or Director's ownership interest in the Company, including wages, bonuses, distributions, the receipt or exercise of equity options and/or the receipt or vesting of restricted equity. In the event any such deductions or withholdings are not made, Director shall indemnify the Company or any of its Subsidiaries for any amounts paid with respect to any such Taxes, together with any interest, penalties and related expenses thereto.

( o ) Termination. This Agreement shall survive a Separation and shall remain in full force and effect after such Separation.

( p ) Adjustments of Numbers. All numbers set forth herein that refer to Unit prices or amounts will be appropriately adjusted to reflect Unit splits, Unit distributions, combinations of Units and other recapitalizations affecting the subject class of equity.

( q ) Deemed Transfer of Director Securities. If the Company (and/or the Investors and/or any other Person acquiring securities) shall make available, at the time and place and in the amount and form provided in this Agreement, the consideration for the Director Securities to be repurchased, in each case, in accordance with the provisions of this Agreement, then from and after such time, the Person from whom such Units are to be repurchased shall no longer have any rights as a holder of such Units (other than the right to receive payment of such consideration in accordance with this Agreement), and such Units shall be deemed purchased in accordance with the applicable provisions hereof and the Company (and/or the Investors and/or

any other Person acquiring securities) shall be deemed the owner and holder of such Units, whether or not the certificates therefor have been delivered as required by this Agreement.

( r )     No Pledge or Security Interest. The purpose of the Company's retention of Director's certificates and executed security powers is solely to facilitate the provisions set forth in Section 3 herein and Section 8.2 of the LLC Agreement and does not by itself constitute a pledge by Director of, or the granting of a security interest in, the underlying equity.

( s )     Rights Granted to the Investors and their Affiliates. Any rights granted to any of the Investors or any of their respective Affiliates hereunder may also be exercised (in whole or in part) by their designees.

( t )     Subsidiary Public Offering. If, after or otherwise in connection with consummation of a Subsidiary Public Offering, the Company distributes or otherwise transfers all or part of securities of such Subsidiary to members of the Company, then such securities will be treated in the same manner as (but excluding any "preferred" features of the Units with respect to which they were distributed) the Units with respect to which they were distributed for purposes of Sections 1, 2, 3, and 4.

( u )     Electronic Delivery. This Agreement, the agreements referred to herein, and each other agreement or instrument entered into in connection herewith or therewith or contemplated hereby or thereby, and any amendments hereto or thereto, to the extent signed and delivered by means of a photographic, facsimile, portable document format (.pdf), or similar reproduction of such signed writing using a facsimile machine or electronic mail shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties hereto. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or electronic mail to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or electronic mail as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

( v )     No Third-Party Beneficiaries. Except as expressly provided herein, no term or provision of this Agreement is intended to be, or shall be, for the benefit of any Person not a party hereto, and no such other Person shall have any right or cause of action hereunder.

- (d) The term “including” is by way of example and not limitation.
- (e) The term “documents” includes any and all instruments, documents, agreements, certificates, notices, reports, financial statements and other writings, however evidenced, whether in physical or electronic form.
- (f) Any reference herein to any Person shall be construed to include such Person’s successors and assigns.
- (g) In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including;” the words “to” and “until” each mean “to but excluding;” and the word “through” means “to and including.”
- (h) Section headings herein and in the other Loan Documents are included for convenience of reference only and shall not affect the interpretation of this Agreement or any other Loan Document.

(i) In measuring compliance with this Agreement with respect to any (x) Investment or acquisition, in each case, for which Holdings or any Subsidiary thereof may not terminate its obligations under the documentation therefor due to a lack of financing for such Investment or acquisition (whether by merger, consolidation or other business combination or acquisition of Capital Stock or otherwise) as applicable and (y) repayment, repurchase or refinancing of Indebtedness or Restricted Payment with respect to which an irrevocable notice of repayment (or similar irrevocable notice), which may be conditional, has been delivered, in each case for purposes of determining:

(1) whether any Indebtedness (including Acquired Indebtedness) that is being incurred in connection with such Investment, acquisition, Restricted Payment or repayment, repurchase or refinancing of Indebtedness is permitted to be incurred in compliance with Section 7.01;

(2) whether any Lien being incurred in connection with such Investment, acquisition, Restricted Payment or repayment, repurchase or refinancing of Indebtedness or to secure any such Indebtedness is permitted to be incurred in accordance with Section 7.02 or the definition of "Permitted Liens";

(3) whether any other transaction undertaken or proposed to be undertaken in connection with such Investment, Restricted Payment, acquisition or repayment, repurchase or refinancing of Indebtedness complies with the covenants or agreements contained in this Agreement, requires accuracy of any representations and warranties, or requires that no Default or Event of Default has occurred; and

(4) any calculation of the ratios or baskets, including Cash Interest Coverage Ratio, Consolidated First Lien Net Leverage Ratio, Consolidated Total Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio, Consolidated Net Income, Consolidated EBITDA and/or Pro Forma Cost Savings and baskets determined by reference to Consolidated EBITDA or Consolidated Net Tangible Assets and, whether a Default or Event of Default exists in connection with the foregoing,

at the option of the Parent Borrower, the date that the definitive agreement for such Restricted Payment, Investment, acquisition or repayment, repurchase or refinancing of Indebtedness is entered into or notice, which may be conditional, of such repayment, repurchase or refinancing of Indebtedness is given to the holders of such Indebtedness or, at the election of the Parent Borrower, any date thereafter (the "Transaction Agreement Date"), may be used as the applicable date of determination, as the case may be, in each case with such pro forma adjustments as are appropriate and consistent with the pro forma adjustment provisions set forth in the definition of "Pro Forma Basis" or "Consolidated EBITDA." For the avoidance of doubt, if the Parent Borrower elects to use the Transaction Agreement Date as the applicable date of determination in accordance with the foregoing, (a) any fluctuation or change in the Cash Interest Coverage Ratio, Consolidated First Lien Net Leverage Ratio, Consolidated Total Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio, Consolidated Net Income, Consolidated EBITDA, Consolidated Net Tangible Assets and/or Pro Forma Cost Savings of the Borrowers from the Transaction Agreement Date to the consummation of such Restricted Payment, Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, will not be taken into account for purposes of determining whether any Indebtedness or Lien that is being incurred in connection with such Restricted Payment, Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, or in connection with compliance by the Borrowers or any of the Restricted Subsidiaries with any other provision of the Loan Documents or any other transaction undertaken in connection with such Restricted Payment, Investment, acquisition or repayment, repurchase or refinancing of Indebtedness, is permitted to be incurred and (b) until such Restricted Payment, Investment, acquisition or repayment, repurchase or refinancing of Indebtedness is consummated or such definitive agreements are terminated (or conditions in any conditional notice can no longer be met or such notice is otherwise revoked or withdrawn by the Parent Borrower), such Restricted Payment, Investment, acquisition or repayment, repurchase or refinancing of Indebtedness and all transactions proposed to be undertaken in connection therewith (including the incurrence of Indebtedness and Liens) will be given pro forma effect when determining compliance of other transactions (including the incurrence of Indebtedness and Liens unrelated

to such Restricted Payment, Investment, acquisition or repayment, repurchase or refinancing of Indebtedness) that are consummated after the Transaction Agreement Date and on or prior to the consummation of such Restricted Payment, Investment, acquisition or repayment, repurchase or refinancing of Indebtedness and any such transactions (including any incurrence of Indebtedness and the use of proceeds thereof) will be deemed to have occurred on the date the definitive agreements are entered and outstanding thereafter for purposes of calculating any baskets or ratios under the Loan Documents after the date of such agreement and before the consummation of such Restricted Payment, Investment, acquisition or repayment, repurchase or refinancing of Indebtedness.

(j) As used in Article VII and the definitions of “Permitted Investments” and “Permitted Liens”, the term “Consolidated EBITDA” is deemed to refer to Consolidated EBITDA of the Borrower Parties for the four fiscal quarter period most recently then ended for which financial statements have been delivered pursuant to Section 6.01(a) or (b), as applicable, calculated on a Pro Forma Basis.

(k) [Reserved].

(l) Any reference herein to a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, or an allocation of assets to a series of a limited liability company (or the unwinding of such a division or allocation), as if it were a merger, transfer, consolidation, amalgamation, consolidation, assignment, sale or transfer, or similar term, as applicable, to, of or with a separate Person. Notwithstanding anything to the contrary in this Agreement, (i) any division of a limited liability company shall constitute a separate Person hereunder, and each resulting division of any limited liability company that, prior to such division, is a Subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, a Borrower, a Guarantor, a joint venture or any other like term shall remain a Subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, a Borrower, a Guarantor, a joint venture, or other like term, respectively, after giving effect to such division, and any resulting divisions of such Persons shall remain subject to the same restrictions applicable to the pre-division predecessor of such divisions, and (ii) any resulting divisions of Holdings shall remain subject to the same restrictions applicable to Holdings under this Agreement.

(m) All references to “in the ordinary course of business” of the Parent Borrower or any Subsidiary thereof means (i) in the ordinary course of business of, or in furtherance of an objective that is in the ordinary course of business of the Parent Borrower or such Subsidiary, as applicable, (ii) customary and usual in the industry or industries of the Parent Borrower and its Subsidiaries in the United States or any other jurisdiction in which the Parent Borrower or any Subsidiary does business, as applicable, or (iii) generally consistent with the past or current practice of the Parent Borrower or such Subsidiary, as applicable, or any similarly situated businesses of the United States or any other jurisdiction in which the Parent Borrower or any Subsidiary does business, as applicable.

#### Section 1.03 Accounting Terms.

(a) All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, as in effect from time to time.

(b) If at any time any change in GAAP or the application thereof would affect the computation or interpretation of any financial ratio, basket, requirement or other provision set forth in any Loan Document, and either the Parent Borrower or the Required Lenders shall so request, the Administrative Agent and the Parent Borrower shall negotiate in good faith to amend such ratio, basket, requirement or other provision to preserve the original intent thereof in light of such change in GAAP or the application thereof (subject to the approval of the Required Lenders not to be unreasonably withheld, conditioned or delayed) (provided that any change affecting the computation of the ratio set forth in Section 7.08 shall be subject solely to the approval of the Required Revolving Lenders (not to be unreasonably withheld, conditioned or delayed) and the Parent Borrower); provided that, until so amended, (i) (A) such ratio, basket, requirement or other provision shall continue to be computed or interpreted in accordance with GAAP or the application thereof prior to such change therein and (B) the Parent Borrower shall provide to the Administrative Agent and the Lenders a written reconciliation in form and substance reasonably satisfactory to the Administrative Agent, between calculations of such ratio, basket, requirement or other provision made before and after giving effect to such change in GAAP or the application thereof or (ii) the Parent Borrower may elect to fix GAAP (for purposes of such ratio, basket, requirement or other provision) as of another later date notified in writing to the Administrative Agent from time to time.

(c) Notwithstanding anything to the contrary contained herein, all such financial statements shall be prepared, and all financial covenants contained herein or in any other Loan Document shall be calculated, in each case, without giving effect to any election under FASB ASC 825 (or any similar accounting principle) permitting a Person to value its financial liabilities at the fair value thereof.

Section 1.04 Rounding. Any financial ratios required to be maintained by the Parent Borrower, or satisfied in order for a specific action to be permitted, under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Section 1.05 References to Agreements and Laws. Unless otherwise expressly provided herein, (a) references to Organization Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by any Loan Document and (b) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law.

Section 1.06 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight savings or standard, as applicable).

Section 1.07 Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as specifically provided in Section 2.12 or as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day.

Section 1.08 Currency Equivalents Generally.

(a) Any amount specified in this Agreement (other than in Articles II, IX and X or as set forth in clause (b) of this Section 1.08) or any of the other Loan Documents to be in Dollars shall also include the equivalent of such amount in any currency other than Dollars, such equivalent amount to be determined at the rate of exchange quoted by the Reuters World Currency Page for such other currency at 11:00 a.m. (London time) on such day (or, in the event such rate does not appear on any Reuters World Currency Page, by reference to such other publicly available service for displaying exchange rates as may be agreed upon by the Administrative Agent and the Parent Borrower, or, in the absence of such agreement, such rate shall instead be the arithmetic average of the spot rates of exchange of the Administrative Agent in the market where its foreign currency exchange operations in respect of such currency are then being conducted, at or about 10:00 a.m. (New York City time) on such date for the purchase of Dollars for delivery two Business Days later); provided that if any basket is exceeded solely as a result of fluctuations in applicable currency exchange rates after the last time such basket was utilized, such basket will not be deemed to have been exceeded solely as a result of such fluctuations in currency exchange rates. Any determinations as to the Dollar Equivalent of Revolving Credit Loans or Letters of Credit denominated in an Alternative Currency, the amount of fees owing in respect of Letters of Credit denominated in an Alternative Currency and the amount of the Unreimbursed Amount owing to each L/C Issuer shall be made by the Administrative Agent as of the most recent Revaluation Date and such determination shall be conclusive absent manifest error.

(b) For purposes of determining the Consolidated First Lien Net Leverage Ratio, the Consolidated Total Net Leverage Ratio and the Consolidated Senior Secured Net Leverage Ratio, amounts denominated in a currency other than Dollars will be converted to Dollars for the purposes of (A) testing the Financial Covenant, at the Dollar Equivalent at such date, and (B) calculating any Consolidated Total Net Leverage Ratio, the Consolidated First Lien Net Leverage Ratio (other than for the purposes of determining compliance with Section 7.08) and Consolidated Senior Secured Net Leverage Ratio, at the Dollar Equivalent at such date, and will, in the case of Indebtedness and Consolidated Funded Indebtedness, be the weighted average exchange rates used for determining Consolidated EBITDA for the relevant period, provided that if any Borrower Party has entered into any currency Swap Contracts in respect of any borrowings, the currency and amount of such borrowings shall be determined by first taking into account the effects of that currency Swap Contract.

(c) The Administrative Agent or any L/C Issuer, as applicable, shall use the currency exchange rate as of each Revaluation Date for the purpose of calculating Dollar Equivalent amounts of the Revolving Credit Loans denominated in an Alternative Currency. Such currency exchange rates shall become effective as of such Revaluation Date and shall be the currency exchange rate employed in converting any amounts between the applicable currencies for such purposes until the next Revaluation Date to occur.

Section 1.09 Benchmark Conforming Changes. The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to (i) Benchmark Replacement Conforming Changes, (ii) the administration, submission or any other matter relating to the rates in the definition of Benchmark or with respect to any rate that is an alternative, comparable or successor rate thereto or (iii) the effect of any of the foregoing.

Section 1.10 Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the Dollar Equivalent of the stated amount of such Letter of Credit in effect at such time after giving effect to any expiration periods applicable thereto; provided, however, that (i) if any presentation of drawing documents shall have been made on or prior to the expiration date of such Letter of Credit and the applicable L/C Issuer shall not yet have honored such drawing or given notice of dishonor, the amount of such Letter of Credit that is the subject of such drawing shall be treated as still outstanding and (ii) with respect to any Letter of Credit that, by its terms or the terms of any Issuer Document related thereto, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the Dollar Equivalent of the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

Section 1.11 Pro Forma Calculations. Notwithstanding anything to the contrary herein (subject to Section 1.02(i)), the Consolidated First Lien Net Leverage Ratio, the Consolidated Total Net Leverage Ratio, the Consolidated Senior Secured Net Leverage Ratio, Cash Interest Coverage Ratio, Consolidated EBITDA and Consolidated Net Tangible Assets shall be calculated (including for purposes of Sections 2.14 and 2.15) on a Pro Forma Basis with respect to each Specified Transaction occurring during the applicable four quarter period to which such calculation relates, and/or subsequent to the end of such four-quarter period but not later than the date of such calculation; provided that notwithstanding the foregoing, when calculating the Consolidated First Lien Net Leverage Ratio for purposes of determining (i) the Applicable Rate, (ii) the Applicable Commitment Fee and (iii) actual compliance (and not Pro Forma Compliance or compliance on a Pro Forma Basis) with the Financial Covenant, any Specified Transaction and any related adjustment contemplated in the definition of Pro Forma Basis (and corresponding provisions of the definition of Consolidated EBITDA) that occurred subsequent to the end of the applicable four quarter period shall not be given Pro Forma Effect.

Section 1.12 Calculation of Baskets. If any of the baskets set forth in this Agreement are exceeded solely as a result of fluctuations to Consolidated Net Tangible Assets or any currency exchange rates for the most recently completed fiscal quarter after the last time such baskets were calculated for any purpose under this Agreement, such baskets will not be deemed to have been exceeded solely as a result of such fluctuations.

## ARTICLE II.

### The Commitments and Credit Extensions

#### Section 2.01 The Loans.

(a) The Initial Term Borrowing. Subject to the terms and conditions set forth herein, each Term Lender with an Initial Term Commitment severally agrees to make a single loan denominated in Dollars (the “Initial Term Loans”) to the Borrowers on the Closing Date in an amount not to exceed such Term Lender’s Initial Term Commitment. The Initial Term Borrowing shall consist of Initial Term Loans made simultaneously by the Term Lenders in accordance with their respective Initial Term Commitments. Amounts borrowed under this Section 2.01(a) and subsequently repaid or prepaid may not be reborrowed (it being understood, however, that prepayments will be taken into account for purposes of any Prepayment-Based Incremental Facility to the extent provided by Section 2.14).

The Initial Term Loans may be Base Rate Loans or Eurocurrency Rate Loans as further provided herein. Notwithstanding the Borrowers' joint and several liability for all payments to be made under this Agreement, as of the Closing Date, each Borrower hereby agrees, solely as between such Persons that, including for federal or state income tax purposes, the initial principal amount of the outstanding Initial Term Borrowing of the Parent Borrower is \$302,403,901.26, the initial principal amount of the outstanding Initial Term Borrowing of Vector is \$119,069,918.06, the initial principal amount of the outstanding Initial Term Borrowing of Cygnus is \$117,054,873.04 and the initial principal amount of the outstanding Initial Term Borrowing of TriLink is \$61,471,307.64.

(b) The Revolving Credit Borrowings Subject to the terms and conditions set forth herein, each Revolving Credit Lender severally agrees to make loans denominated in Dollars or in one or more Alternative Currencies (each such loan, a "Revolving Credit Loan") to the Borrowers from time to time after the Closing Date, on any Business Day until and excluding the Business Day preceding the Maturity Date for the Revolving Credit Facility, in an aggregate amount not to exceed at any time outstanding the amount of such Lender's Revolving Credit Commitment; provided, however, that after giving effect to any Revolving Credit Borrowing, (i) the Total Revolving Credit Outstandings shall not exceed the Revolving Credit Facility and (ii) the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations shall not exceed such Lender's Revolving Credit Commitment. Within the limits of each Lender's Revolving Credit Commitment, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.01(b), prepay under Section 2.05, and reborrow under this Section 2.01(b). Revolving Credit Loans may be Base Rate Loans (in the case of Revolving Credit Loans denominated in Dollars) or Eurocurrency Rate Loans, as further provided herein. To the extent that any portion of the Revolving Credit Facility has been refinanced with one or more new revolving credit facilities constituting Specified Refinancing Debt, each Revolving Credit Borrowing (including any deemed Revolving Credit Borrowings made pursuant to Section 2.03) shall be allocated pro rata among the Revolving Tranches.

(c) After the Closing Date, subject to and upon the terms and conditions set forth herein, each Lender with a Term Commitment (other than an Initial Term Commitment) with respect to any Tranche of Term Loans (other than Initial Term Loans) severally agrees to make a Term Loan denominated in Dollars under such Tranche to the Borrowers in an amount not to exceed such Term Lender's Term Commitment under such Tranche on the date of incurrence thereof, which Term Loans under such Tranche shall be incurred pursuant to a single drawing on the date set forth for such incurrence. Such Term Loans may be Base Rate Loans or Eurocurrency Rate Loans as further provided herein. Once repaid, Term Loans incurred hereunder may not be reborrowed (it being understood, however, that prepayments will be taken into account for purposes of any Prepayment-Based Incremental Facility to the extent provided by Section 2.14).

#### Section 2.02 Borrowings, Conversions and Continuations of Loans.

(a) Each Term Borrowing, each Revolving Credit Borrowing, each conversion of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans from one Type to the other, and each continuation of Eurocurrency Rate Loans, shall be made upon irrevocable notice by the Parent Borrower to the Administrative Agent. Each such notice must be in writing and must be received by the Administrative Agent not later than (i) 12:00 p.m. (New York City time) three Business Days prior to the requested date of any Borrowing of, conversion of Base Rate Loans to, or continuation of, Eurocurrency Rate Loans (or in the case of any such Term Borrowing to be made on the Closing Date, one Business Day prior to the Closing Date), (ii) 12:00 p.m. on the requested date of any Term Borrowing of Base Rate Loans or of any conversion of Eurocurrency Rate Loans to Base Rate Loans and (iii) 12:00 p.m. on the requested date of any Revolving Credit Borrowing of Base Rate Loans or of any conversion of Eurocurrency Rate Loans to Base Rate Loan. Each notice pursuant to this Section 2.02(a) shall be delivered to the Administrative Agent in the form of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Parent Borrower.

Each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans shall be (i) in a principal amount of \$2,000,000 (or the Alternative Currency Equivalent of such amount), or (ii) a whole multiple of \$1,000,000 (or the Alternative Currency Equivalent of such amount) in excess thereof. Except as provided in Section 2.03(d), each Borrowing of, or conversion to, Base Rate Loans shall be (i) in a principal amount of \$500,000, or (ii) a whole multiple of \$500,000 (or the Alternative Currency Equivalent of such amount) in excess thereof.

Each Committed Loan Notice shall specify (i) whether the Borrowers are requesting a Term Borrowing, a Revolving Credit Borrowing, a conversion of a Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans from one Type to the other, or a continuation of Eurocurrency Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans are to be converted, (v) if applicable, the duration of the Interest Period with respect thereto, (vi) the applicable Borrower to which such Loan shall be made, and (vii) if applicable, the currency in which the Revolving Credit Loans to be borrowed are to be denominated. If, with respect to any Eurocurrency Rate Loans, the Parent Borrower fails to specify a Type of Loan in a Committed Loan Notice or if the Parent Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Tranche of Term Loans, Specified Refinancing Revolving Loans, or Revolving Credit Loans shall be made as, or converted to, Eurocurrency Rate Loans with an Interest Period of 1 month. Any such automatic conversion or continuation pursuant to the immediately preceding sentence shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans. If the Parent Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month. If no currency for a Borrowing of Revolving Credit Loans is specified, the requested Borrowing shall be in Dollars.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each applicable Lender of the amount of its ratable share of the applicable Tranche of Term Loans, Specified Refinancing Revolving Loans or Revolving Credit Loans, and if no timely notice of a conversion or continuation of Eurocurrency Rate Loan is provided by the Parent Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Eurocurrency Rate Loans with an Interest Period of one month as described in Section 2.02(a). In the case of a Term Borrowing or a Revolving Credit Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent in immediately available funds at the Administrative Agent's Office not later than 3:00 p.m. (New York City time), on the Business Day specified in the applicable Committed Loan Notice. Each Lender may, at its option, make any Loan available to the Borrowers by causing any foreign or domestic branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement. Upon satisfaction of the applicable conditions set forth in Section 4.02 (or, if such Borrowing is the initial Credit Extension, Section 4.01 and Section 4.02), the Administrative Agent shall make all funds so received available to the Borrowers in like funds as received by the Administrative Agent either by (i) crediting the account of the Borrowers on the books of the Administrative Agent with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Parent Borrower; provided, however, that if, on the date the Committed Loan Notice with respect to such Borrowing is given by the Borrower, there are L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowings, and second, to the Borrowers as provided above.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan unless the Borrowers pay the amount due under Section 3.06 in connection therewith. During the existence of an Event of Default, at the election of the Administrative Agent or the Required Lenders, no Loans may be requested as, converted to or continued as Eurocurrency Rate Loans.

(d) The Administrative Agent shall promptly notify the Parent Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate by the Administrative Agent shall be conclusive in the absence of manifest error.

(e) After giving effect to all Term Borrowings, all Revolving Credit Borrowings, all conversions of Term Loans or Revolving Credit Loans from one Type to the other, and all continuations of Term Loans or Revolving Credit Loans of the same Type, there shall not be more than ten Interest Periods in effect.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing, which for the avoidance of doubt does not limit such Lender's obligations under Section 2.17.

### Section 2.03 Letters of Credit

(a) The Letter of Credit Commitment (i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon (among other things) the agreements of the other Revolving Credit Lenders set forth in this Section 2.03, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars or an Alternative Currency for the account of the Parent Borrower or any Restricted Subsidiary (provided that the Borrowers hereby irrevocably agree to reimburse the applicable L/C Issuer for amounts drawn on any Letters of Credit issued for the account of the Parent Borrower or any Restricted Subsidiary on a joint and several basis with such Restricted Subsidiary) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(c), and (2) to honor drafts under the Letters of Credit and (B) the Revolving Credit Lenders severally agree to participate in Letters of Credit issued for the account of the Parent Borrower or any Restricted Subsidiary; provided that no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit, if as of the date of such L/C Credit Extension (w) the aggregate amount of L/C Obligations owing to such L/C Issuer would exceed the Letter of Credit Commitment of such L/C Issuer, (x) the Total Revolving Credit Outstandings would exceed the Revolving Credit Facility, (y) the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender's Pro Rata Share of the Outstanding Amount of all L/C Obligations, would exceed such Lender's Revolving Credit Commitment or (z) the Outstanding Amount of the L/C Obligations would exceed the Letter of Credit Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrowers' ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrowers may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. All Letters of Credit shall be denominated in Dollars or an Alternative Currency. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any Letter of Credit, the terms and conditions of this Agreement shall control.

(ii) No L/C Issuer shall be under any obligation to issue any Letter of Credit (and, in the case of clause (B) and (C), no L/C Issuer shall issue any Letter of Credit) if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of Law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which, in each case, such L/C Issuer in good faith deems material to it;

(B) subject to Section 2.03(c)(iii), the expiry date of such requested Letter of Credit would occur more than 12 months after the date of issuance or last renewal, unless the Required Revolving Lenders and the applicable L/C Issuer, in their sole discretion, have approved such expiry date;

(C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless (i) all the Revolving Credit Lenders and the applicable L/C Issuer have approved such expiry date and/or (ii) the applicable L/C Issuer has approved such expiry date and such requested Letter of Credit has been Cash Collateralized by the applicant requesting such Letter of Credit in accordance with Section 2.16 at least three Business Days prior to the Letter of Credit Expiration Date;

(D) the issuance of such Letter of Credit would violate one or more generally applicable policies of such L/C Issuer in place at the time of such request;

(E) such Letter of Credit is in an initial stated amount of less than \$5,000 (or the Alternative Currency Equivalent of such amount) or such lesser amount as is acceptable to the applicable L/C Issuer in its sole discretion;

(F) such Letter of Credit is denominated in a currency other than Dollars or an Alternative Currency;

(G) such Letter of Credit is not a standby letter of credit; or

(H) any Revolving Credit Lender is at that time a Defaulting Lender, unless the applicable L/C Issuer has entered into arrangements, including reallocation of the Defaulting Lender's Pro Rata Share of the outstanding L/C Obligations pursuant to Section 2.17(a)(iv) or the delivery of Cash Collateral in accordance with Section 2.16 with the Borrowers or such Lender to eliminate such L/C Issuer's actual or potential Fronting Exposure (after giving effect to Section 2.17(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such L/C Issuer has actual or potential Fronting Exposure under such Tranche.

(iii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(iv) Each L/C Issuer shall act on behalf of the Revolving Credit Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Article IX included each L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to each L/C Issuer.

(b) The foregoing benefits and immunities shall not excuse any L/C Issuer from liability to the Borrowers to the extent of any direct damages (as opposed to indirect, special, consequential, punitive or exemplary damages claims which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by the Borrowers that are caused by such the L/C Issuer's gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable judgment.

(c) Procedures for Issuance and Amendment of Letters of Credit; Auto-Renewal Letters of Credit (i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Parent Borrower delivered to the applicable L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, including agreed-upon draft language for such Letter of Credit reasonably acceptable to the applicable L/C Issuer (it being understood that such draft language for each such Letter of Credit must be in English or, if agreed to in the sole discretion of the applicable L/C issuer, accompanied by an English translation certified by the Parent Borrower to be a true and correct English translation), appropriately completed and signed by a Responsible Officer of the Parent Borrower. Such Letter of Credit Application must be received by the applicable L/C Issuer and the Administrative Agent not later than 2:00 p.m. (New York City time) at least five Business Days (or such shorter period as such L/C Issuer and the Administrative Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day not later than 30 days prior to the Maturity Date of the Revolving Credit Facility, unless the Administrative Agent and the applicable L/C Issuer otherwise agree); (B) the amount thereof and the currency in which such Letter of Credit is to be denominated; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate or other documents to be presented by such beneficiary in case of any drawing thereunder; (G) the Person for whose account the requested Letter of Credit is to be issued (which must be a Borrower Party); and (H) such other matters as the applicable L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment and (4) such other matters as the applicable L/C Issuer may reasonably request.

(ii) Promptly following delivery of any Letter of Credit Application to the applicable L/C Issuer, the Parent Borrower will confirm with the Administrative Agent that the Administrative Agent has received a copy of such Letter of Credit Application and, if the Administrative Agent has not received a copy of such Letter of Credit Application, then the Parent Borrower will provide the Administrative Agent with a copy thereof. Upon receipt by such L/C Issuer of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Parent Borrower or any Restricted Subsidiary (as designated in the Letter of Credit Application) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable L/C Issuer a risk participation in such Letter of Credit in an amount equal to such Lender's Pro Rata Share of the Revolving Credit Facility multiplied by the amount of such Letter of Credit.

(iii) If the Parent Borrower on behalf of the applicable Borrower Party so requests in any applicable Letter of Credit Application, the applicable L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic renewal provisions (each, an "Auto-Renewal Letter of Credit"); provided that any such Auto-Renewal Letter of Credit must permit such L/C Issuer to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable L/C Issuer, the Parent Borrower shall not be required to make a specific request to such L/C Issuer for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the Revolving Credit Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the renewal of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that such L/C Issuer shall not be required to permit any such renewal if such L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise).

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also (A) deliver to the Parent Borrower, the applicable Borrower Party and the Administrative Agent a true and complete copy of such Letter of Credit or amendment and (B) the Administrative Agent in turn will notify each Revolving Credit Lender of such issuance or amendment and the amount of such Revolving Credit Lender's Pro Rata Share therein.

(v) Notwithstanding anything to the contrary set forth above, the issuance of any Letters of Credit by any L/C Issuer under this Agreement shall be subject to such reasonable additional letter of credit issuance procedures and requirements as may be required by such L/C Issuer's internal letter of credit issuance policies and procedures, in its sole discretion, as in effect at the time of such issuance, including requirements with respect to the prior receipt by such L/C Issuer of customary "know your customer" information regarding a prospective account party or applicant that is not a Borrower hereunder, as well as regarding any beneficiaries of a requested Letter of Credit. Additionally, if (a) the beneficiary of a Letter of Credit issued hereunder is an issuer of a letter of credit not governed by this Agreement for the account of the Parent Borrower or any Restricted Subsidiary (an "Other LC"), and (b) such Letter of Credit is issued to provide credit support for such Other LC, no amendments may be made to such Other LC without the consent of the applicable L/C Issuer hereunder.

(d) Drawings and Reimbursements; Funding of Participations. (i) Upon receipt from the beneficiary of any Letter of Credit drawing under such Letter of Credit, the applicable L/C Issuer shall notify the Parent Borrower thereof. Each L/C Issuer shall notify the Parent Borrower on the date of any payment by such L/C Issuer under a Letter of Credit (each such date, an "Honor Date"), and the Borrowers shall reimburse such L/C Issuer through the Administrative Agent in the Dollar Equivalent of such drawing no later than on the next succeeding Business Day (and any reimbursement made on such next Business Day shall be taken into account in computing interest and fees in respect of any such Letter of Credit) after the Parent Borrower shall have received notice of such payment with interest on the amount so paid or disbursed by such L/C Issuer, to the extent not reimbursed prior to 3:00 p.m. (New

York City time) on the applicable Honor Date, from and including the date paid or disbursed to but excluding the date such L/C Issuer was reimbursed by the Borrowers therefor at a rate per annum equal to the Base Rate as in effect from time to time *plus* the Applicable Rate as in effect from time to time for Revolving Credit Loans that are maintained as Base Rate Loans. If the Borrowers fail to so reimburse such L/C Issuer on such next Business Day, the Administrative Agent shall promptly notify each Revolving Credit Lender of the Honor Date, the amount of the unreimbursed drawing (the "Unreimbursed Amount"), and the amount of such Revolving Credit Lender's Pro Rata Share thereof. In such event, in the case of an Unreimbursed Amount, the Borrowers shall be deemed to have requested a Revolving Credit Borrowing of Base Rate Loans in Dollars to be disbursed on such date in an amount equal to the Dollar Equivalent of the Unreimbursed Amount, in accordance with the requirements of Section 2.02 but without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans or Eurocurrency Rate Loans, as the case may be, but subject to the amount of the unutilized portion of the Revolving Credit Commitments and the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(d)(i) may be given by telephone if promptly confirmed in writing; provided that the lack of such a prompt confirmation shall not affect the conclusiveness or binding effect of such notice.

(ii) Each Revolving Credit Lender (including each Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(d)(i) make funds available (and the Administrative Agent may apply Cash Collateral provided for this purpose) for the account of the applicable L/C Issuer, at the Administrative Agent's Office in an amount equal to, and in the same currency as, its applicable Pro Rata Share of the Unreimbursed Amount not later than 3:00 p.m. (New York City time) on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(d)(iii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Revolving Credit Loan to the Borrowers in such amount. The Administrative Agent shall promptly remit the funds so received to the applicable L/C Issuer.

(iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrowers shall be deemed to have incurred from the applicable L/C Issuer an L/C Borrowing denominated in Dollars in the Dollar Equivalent amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate then applicable to Base Rate Revolving Credit Loans. In such event, each Revolving Credit Lender's payment to the Administrative Agent for the account of the applicable L/C Issuer pursuant to Section 2.03(d)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Revolving Credit Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(d) to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's applicable Pro Rata Share of such amount shall be solely for the account of such L/C Issuer.

(v) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(d), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against such L/C Issuer, the Borrowers or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Revolving Credit Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.03(d) is subject to the conditions set forth in Section 4.02 (other than delivery by the Parent Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrowers to reimburse the applicable L/C Issuer for the amount of any payment made by the applicable L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the applicable L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(d) by the time specified in Section 2.03(d)(ii), then, without limiting the other provisions of this Agreement, such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent),

on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the greater of the NYFRB Rate from time to time in effect and a rate reasonably determined by such L/C Issuer in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by such L/C Issuer in connection with the foregoing. If such Lender pays such principal amount, the amount so paid (less interest and fees) shall constitute such Lender's Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the applicable L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(d)(vi) shall be conclusive absent manifest error.

(e) Repayment of Participations. (i) If, at any time after an L/C Issuer has made a payment under any Letter of Credit issued by it and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with Section 2.03(d), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrowers or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its applicable Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(ii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(d)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Revolving Credit Lender shall pay to the Administrative Agent for the account of such L/C Issuer its applicable Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the NYFRB Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(f) Obligations Absolute. The obligation of the Borrowers to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Parent Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the applicable L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the applicable L/C Issuer under such Letter of Credit against presentation of a draft, certificate or other drawing document that does not comply with the terms of such Letter of Credit; or any payment made by the applicable L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, administrator, administrative receiver, judicial manager, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or non-perfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of the Borrowers in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a legal or equitable discharge of, or provide a right of setoff against the Borrowers' obligations hereunder.

The Borrowers shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the instructions of the Borrowers or other irregularity, the Parent Borrower will promptly notify the applicable L/C Issuer. The Borrowers shall be conclusively deemed to have waived any such claim against any L/C Issuer and its correspondents unless such notice is given as aforesaid.

(g) Role of L/C Issuer. Each Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, the applicable L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and other documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the applicable L/C Issuer, any Agent-Related Person nor any of the respective correspondents, participants or assignees of the applicable L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Revolving Credit Lenders or the Required Revolving Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable judgment or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrowers hereby assume all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude the Borrowers from pursuing such rights and remedies as it may have against the beneficiary or transferee at Law or under any other agreement. None of the applicable L/C Issuer, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of such L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (v) of Section 2.03(f); provided, however, that anything in such clauses to the contrary notwithstanding, the Borrowers may have a claim against such L/C Issuer, and such L/C Issuer may be liable to the Borrowers, to the extent, but only to the extent, of any direct, as opposed to indirect, special, punitive, consequential or exemplary, damages suffered by the Borrowers which a court of competent jurisdiction determines in a final non-appealable judgment were caused by such L/C Issuer's willful misconduct or gross negligence. In furtherance and not in limitation of the foregoing, the applicable L/C Issuer may, in its sole discretion, either accept documents that appear on their face to be in order and make payment upon such documents, without responsibility for further investigation, regardless of any notice or information to the contrary, and such L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(h) Letter of Credit Fees. The Borrowers shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its applicable Pro Rata Share, a Letter of Credit fee in Dollars which shall accrue for each Letter of Credit in an amount equal to the Applicable Rate then in effect for Eurocurrency Rate Loans with respect to the Revolving Credit Facility multiplied by the daily maximum Dollar Equivalent amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases automatically pursuant to the terms of such Letter of Credit); provided, however, that any Letter of Credit fees otherwise payable for the account of a Defaulting Lender with respect to any Letter of Credit as to which such Defaulting Lender has not provided Cash Collateral satisfactory to the applicable L/C Issuer pursuant to this Section 2.03 shall be payable, to the maximum extent permitted by applicable Law, to the other Revolving Credit Lenders in accordance with the upward adjustments in their respective applicable Pro Rata Shares allocable to such Letter of Credit pursuant to Section 2.17(a)(iv) with the balance of such fee, if any, payable to the applicable L/C Issuer for its own account. Such Letter of Credit fees shall be computed on a quarterly basis in arrears and shall be due and payable on the last Business Day of each fiscal quarter, in respect of the quarterly period then ending (or portion thereof, in the case of the first payment), commencing with the first such date to occur

after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(i) Fronting Fee and Documentary and Processing Charges Payable to an L/C Issuer. The Borrowers shall pay directly to the applicable L/C Issuer for its own account a fronting fee in Dollars equal to 0.125% of the maximum daily Dollar Equivalent amount available to be drawn under such Letter of Credit on a quarterly basis in arrears. Such fronting fee shall be due and payable on the last Business Day of each fiscal quarter beginning with the last Business Day of the first full fiscal quarter to end after the Closing Date in respect of the quarterly period then ending (or portion thereof, in the case of the first payment), commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. For purposes of computing the maximum daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.09. In addition, the Borrowers shall pay directly to the applicable L/C Issuer for its own account the customary issuance, presentation, administration, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within five Business Days of demand and are nonrefundable.

(j) Conflict with Letter of Credit Application. In the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control.

(k) Reporting. To the extent that any Letters of Credit are issued by an L/C Issuer other than the Administrative Agent, each such L/C Issuer shall furnish to the Administrative Agent a report detailing the daily L/C Obligations outstanding under all Letters of Credit issued by it, such report to be in a form and at reporting intervals as shall be agreed between the Administrative Agent and such L/C Issuer; provided that in no event shall such reports be furnished at intervals greater than 31 days.

(l) Provisions Related to Extended Revolving Credit Commitments. If the Maturity Date in respect of any Tranche of Revolving Credit Commitments occurs prior to the expiration of any Letter of Credit, then (i) if one or more other Tranches of Revolving Credit Commitments in respect of which the Maturity Date shall not have occurred are then in effect, such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to this Section 2.03) under (and ratably participated in by Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating Tranches up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and to the extent any Letters of Credit are not able to be reallocated pursuant to this clause (l) and there are outstanding Revolving Credit Loans under the non-terminating Tranches, the Borrowers agree to repay all such Revolving Credit Loans (or such lesser amount as is necessary to reallocate all Letters of Credit pursuant to this clause (l)) or (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the Borrowers shall Cash Collateralize any such Letter of Credit in accordance with Section 2.16 but only up to the amount of such Letter of Credit not so reallocated. Except to the extent of reallocations of participations pursuant to clause (i) of the immediately preceding sentence, the occurrence of a Maturity Date with respect to a given tranche of Revolving Credit Commitments shall have no effect upon (and shall not diminish) the percentage participations of the Revolving Credit Lenders in any Letter of Credit issued before such Maturity Date.

Section 2.04 [Reserved].

Section 2.05 Prepayments.

(a) Optional. (i) A Borrower may, upon notice by the Parent Borrower substantially in the form of Exhibit L-1 to the Administrative Agent, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty except as set forth in Section 2.05(a)(iii) below; provided that (1) such notice must be received by the Administrative Agent not later than 2:00 p.m. (New York City time) (A) three Business Days prior to any date of prepayment of Eurocurrency Rate Loan and (B) on the date of prepayment of Base Rate Loans (or such

shorter period as the Administrative Agent shall agree); (2) any prepayment of Eurocurrency Rate Loans shall be (x) in a principal amount of \$2,000,000 (or the Alternative Currency Equivalent of such amount), or (y) a whole multiple of \$1,000,000 (or the Alternative Currency Equivalent of such amount) in excess thereof; and (3) any prepayment of Base Rate Loans shall be (x) in a principal amount of \$500,000 (or the Alternative Currency Equivalent of such amount), or (y) a whole multiple of \$500,000 (or the Alternative Currency Equivalent of such amount) in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Each such notice shall specify the date, amount and currency of such prepayment, the Tranche of Loans to be prepaid, the Type(s) of Loans to be prepaid and, if Eurocurrency Rate Loans are to be prepaid, the Interest Period(s) of such Loans (except that if the class of Loans to be prepaid includes both Base Rate Loans and Eurocurrency Rate Loans, absent direction by the Parent Borrower, the applicable prepayment shall be applied first to Base Rate Loans to the full extent thereof before application to Eurocurrency Rate Loans, in each case in a manner that minimizes the amount payable by the applicable Borrower in respect of such prepayment pursuant to Section 3.06). The Administrative Agent will promptly notify each Lender of its receipt of each such notice, and of the amount of such Lender's ratable portion of such prepayment (based on such Lender's ratable share of the relevant Facility). If such notice is given by the Parent Borrower, subject to clause (ii) below, the applicable Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 2.05(a) (iii) and Section 3.06. Each prepayment of the principal of, and interest on, any Revolving Credit Loans denominated in an Alternative Currency shall be made in the relevant Alternative Currency. Subject to Section 2.17, each prepayment of outstanding Term Loan Tranches pursuant to this Section 2.05(a) shall be applied to the Term Loan Tranche or Term Loan Tranches designated on such notice on a *pro rata* basis within such Term Loan Tranche. Subject to Section 2.17, each prepayment of an outstanding Term Loan Tranche pursuant to this Section 2.05(a) shall be applied to the remaining amortization payments of such Term Loan Tranche as directed by the Parent Borrower (or, if the Parent Borrower has not made such designation, in direct order of maturity), but, in any event, on a *pro rata* basis to the Lenders within such Term Loan Tranche.

(ii) Notwithstanding anything to the contrary contained in this Agreement, any notice of prepayment under Section 2.05(a)(i) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Parent Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied or specify that such notice is not automatically extended until the occurrence of such event specified therein.

(iii) If the Borrowers, in connection with, or resulting in, any Repricing Event (A) make a voluntary prepayment of any Initial Term Loans pursuant to Section 2.05(a), (B) make a repayment of any Initial Term Loans pursuant to Section 2.05(b)(iii) or (C) effects any amendment with respect to the Initial Term Loans for purposes of effectuating a Repricing Event, in each case, on or prior to the date that is six (6) months after the Closing Date, the Borrowers shall pay to the Administrative Agent, for the ratable account of the applicable Term Lenders (x) with respect to clauses (A) and (B), a prepayment premium in an amount equal to 1.00% of the principal amount of Term Loans prepaid or repaid and (y) with respect to clause (C), a prepayment premium in an amount equal to 1.00% of the principal amount of the affected Term Loans held by the Term Lenders not consenting to such amendment.

(b) Mandatory. (i) For any Excess Cash Flow Period, within ten Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(b) (or, if later, the date on which such financial statements and such Compliance Certificate are required to be delivered), the Parent Borrower shall prepay an aggregate principal amount of Term Loans in an amount equal to (A) 50% (as may be adjusted pursuant to the proviso below) of Excess Cash Flow for such Excess Cash Flow Period, *minus* (B) the sum of (1) the aggregate amount of voluntary principal prepayments of the Loans and any other Indebtedness secured on a *pari passu* basis with the Term Loans, in each case, made during the period commencing on the first day of the relevant Excess Cash Flow Period and ending on the date immediately prior to the date on which the relevant Excess Cash Flow prepayment is or would be required to be made (including prepayments at a discount to par and open market purchases, with credit given for the par amount of the Indebtedness so prepaid) (except prepayments of Loans under any Revolving Tranche or any other revolving Indebtedness that are not accompanied by a corresponding permanent commitment reduction of the Revolving Tranches or the corresponding revolving credit commitments, as applicable), in each case other than to the extent that any such prepayment is funded with the proceeds of Specified Refinancing Debt, Refinancing Notes or any other long-term Indebtedness, (2) the sum

of (I) repayments, prepayments, repurchases, redemptions and other cash payments made with respect to the principal of any Indebtedness (including principal representing capitalized interest) or the principal component of any Capitalized Lease Obligations of such Person or any of its Restricted Subsidiaries during such period (excluding voluntary and mandatory prepayments of Term Loans and any such payment from the proceeds of long-term Indebtedness, but including all premium, make-whole or penalty payments paid in cash (to the extent such payments are not expensed during such period or are not deducted in calculating Consolidated Net Income and such payments are not otherwise prohibited under this Agreement) and all repayments with respect to revolving Indebtedness to the extent accompanied by a corresponding reduction in commitments); provided that, with respect to any mandatory prepayment of Indebtedness (other than, for the avoidance of doubt, Term Loans), such prepayments shall only be deducted pursuant to this clause (i) to the extent not deducted in the computation of net proceeds in respect of the asset disposition or condemnation giving rise thereto; (II) (x) cash payments made by such Person or any of its Restricted Subsidiaries during such period in respect of capital expenditures, acquisitions (including of intellectual property) and Investments and (y) cash payments that such Person or any of its Restricted Subsidiaries has committed to make or is required to make in respect of capital expenditures, acquisitions (including of intellectual property) and Investments within 365 days after the end of such period pursuant to binding obligations entered into prior to or during such period or, at the Parent Borrower's option, after the end of such period and prior to the date of such Excess Cash Flow payment for such period; provided that amounts described in this clause (y) will not reduce Excess Cash Flow in subsequent periods, and, to the extent not paid, will increase Excess Cash Flow in the subsequent period, (III) (x) cash payments made by such Person or any of its Restricted Subsidiaries during such period in respect of Taxes (including distributions to any Parent Holding Company in respect of Taxes), to the extent such payments exceed the amount of tax expense deducted in calculating such Consolidated Net Income, and (y) cash payments that such Person or any of its Restricted Subsidiaries will be required to make in respect of Taxes (including distributions to any Parent Holding Company in respect of Taxes) within 180 days after the end of such period, and (IV) to the extent not deducted in arriving at Consolidated Net Income, cash fees, expenses and purchase price adjustments incurred in connection with the Transactions, any acquisition consummated before or after the Closing Date or any Permitted Investment, Equity Issuance or debt issuance (whether or not consummated) and any Restricted Payment made to pay any of the foregoing incurred by Holdings and (3) any amount not required to be applied to such prepayment pursuant to Section 2.05(b)(viii) or (ix); provided that such percentage in respect of any Excess Cash Flow Period shall be reduced to 25% or 0% if the Consolidated First Lien Net Leverage Ratio (calculated after giving Pro Forma Effect to any prepayment or reduction as set forth in clause (B) above) as of the last day of the fiscal year to which such Excess Cash Flow Period relates was equal to or less than 4.75:1.00 or 4.25:1.00, respectively; provided, further, that no prepayment shall be required with respect to any Excess Cash Flow Period to the extent Excess Cash Flow for such period is equal to or less than \$10,000,000 (and for such period such prepayment shall be limited to the amount in excess of \$10,000,000); provided, further, that, if the Consolidated First Lien Net Leverage Ratio on a Pro Forma Basis after giving effect to any prepayment pursuant to clause (B) above and any Excess Cash Flow prepayment would result in the percentage in respect of the applicable Excess Cash Flow Period being reduced to 25% or 0%, then such reduced percentage applicable to the Excess Cash Flow prepayment required to be made shall apply; provided further that to the extent the amount of prepayments pursuant to subclause (B) above exceeds the amount that would otherwise be payable pursuant to this Section 2.05(b) in any given fiscal year, the excess thereof may be applied, in the Borrowers' discretion, to any amount of Excess Cash Flow payable pursuant to this Section 2.05(b) in the immediately following fiscal year.

(ii) If any Asset Sale or Casualty Event (or series of related Asset Sales or Casualty Events) results in the receipt by any Borrower or any Restricted Subsidiary of aggregate Net Cash Proceeds in excess of \$10,000,000 ("Relevant Transaction"), then, except to the extent the Parent Borrower elects to reinvest all or a portion of such Net Cash Proceeds in accordance with Section 7.04, the Borrowers shall prepay, subject to Section 2.05(b)(viii), an aggregate principal amount of Term Loans in an amount equal to 100% (as may be adjusted pursuant to the second proviso below) of the Net Cash Proceeds received from such Relevant Transaction within 15 Business Days of the end of such reinvestment period by such Borrower or such Restricted Subsidiary; provided that such Borrower may use a portion of the Net Cash Proceeds received from such Relevant Transaction to prepay or repurchase any other Indebtedness (and, in the case of revolving indebtedness, permanently reduce related commitments) that is secured by the Collateral on a *pari passu* basis with Liens securing the Obligations to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Relevant Transaction, to the extent not deducted in the calculation of Net Cash Proceeds, in each case in an amount not to exceed the product of (1) the amount of such Net Cash Proceeds and (2) a fraction, the numerator of which is the outstanding principal amount of such other

Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Section 1.08) and the denominator of which is the aggregate outstanding principal amount of Term Loans and such other Indebtedness (or to the extent such amount is not in Dollars, such equivalent amount of such Indebtedness converted into Dollars as determined in accordance with Article I); provided, further, that, so long as no Event of Default shall have occurred and be continuing or would result therefrom, such prepayment percentage shall be reduced from 100% to 50% or 0% if, on a Pro Forma Basis after giving effect to such Asset Sale or Casualty Event, as the case may be, and the use of proceeds therefrom, the Consolidated First Lien Net Leverage Ratio would be equal to or less than 4.75:1.00 or 4.25:1.00 (such amounts not required to be prepaid as a result of such prepayment percentage reduction, the “Retained Asset Sale Proceeds”), respectively; provided, further, that only the amount of Net Cash Proceeds in excess of \$10,000,000 in any fiscal year shall be subject to prepayment pursuant to this Section 2.05(b)(ii).

(iii) Upon the incurrence or issuance by any Borrower or any Restricted Subsidiary of any Refinancing Notes, any Specified Refinancing Term Loans or any Indebtedness not expressly permitted to be incurred or issued pursuant to Section 7.01, the Borrowers shall prepay an aggregate principal amount of Term Loan Tranches in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by such Borrower or such Restricted Subsidiary.

(iv) Upon the incurrence by any Borrower or any Restricted Subsidiary of any Specified Refinancing Debt constituting revolving credit facilities, the Borrowers shall prepay an aggregate principal amount of Revolving Credit Loans (and correspondingly reduce commitments) in an amount equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by the Borrowers or such Restricted Subsidiary.

(v) If for any reason the sum of the Total Revolving Credit Outstandings or the sum of outstanding Specified Refinancing Revolving Loans at any time exceed the sum of the Revolving Tranche in respect thereof (including after giving effect to any reduction in the Revolving Credit Commitments pursuant to Section 2.06), the Borrowers shall immediately prepay the Loans under the applicable Revolving Tranche and/or Cash Collateralize the L/C Obligations related thereto in an aggregate amount equal to such excess; provided, however, that the Borrowers shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b)(v) unless after the prepayment in full of the Loans under the applicable Revolving Tranche the sum of the Total Revolving Credit Outstandings or the outstanding Specified Refinancing Revolving Loans, as the case may be, exceed the aggregate Revolving Credit Commitments or the commitments to make Specified Refinancing Revolving Loans, as the case may be, then in effect.

(vi) Subject to Section 2.17, each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied to each Term Loan Tranche on *pro rata* basis (or, if agreed to in writing by the Majority Lenders of a Term Loan Tranche, in a manner that provides for more favorable prepayment treatment of other Term Loan Tranches, so long as each other such Term Loan Tranche receives its Pro Rata Share of any amount to be applied more favorably, except to the extent otherwise agreed by the Majority Lenders of each Term Loan Tranche receiving less than such Pro Rata Share) (other than a prepayment of (x) Term Loans or Revolving Credit Loans, as applicable, with the proceeds of Indebtedness incurred pursuant to Section 2.18, which shall be applied to the Term Loan Tranche or Revolving Tranche, as applicable, being refinanced pursuant thereto or (y) Term Loans with the proceeds of any Refinancing Notes issued to the extent permitted under Section 7.01(a), which shall be applied to the Term Loan Tranche being refinanced pursuant thereto). Amounts to be applied to a Term Loan Tranche in connection with prepayments made pursuant to this Section 2.05(b) shall be applied to the remaining scheduled installments with respect to such Term Loan Tranche as directed by the Parent Borrower, and absent such direction, in direct order of maturity. Each prepayment of Term Loans under a Facility pursuant to this Section 2.05(b) shall be applied on a *pro rata* basis to the then outstanding Base Rate Loans and Eurocurrency Rate Loans under such Facility; provided that, if there are no Declining Lenders with respect to such prepayment, then the amount thereof shall be applied first to Base Rate Loans under such Facility to the full extent thereof before application to Eurocurrency Rate Loans, in each case in a manner that minimizes the amount payable by the Borrowers in respect of such prepayment pursuant to Section 3.06.

(vii) All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a Eurocurrency Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan pursuant to Section 3.06 and, to the extent applicable, any additional

amounts required pursuant to Section 2.05(a)(iii). Notwithstanding any of the other provisions of this Section 2.05(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans is required to be made under this Section 2.05(b), other than on the last day of the Interest Period therefor, the Borrowers may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral account until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrowers or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05(b) (it being agreed, for clarity, that interest shall continue to accrue on the Loans so prepaid until the amount so deposited is actually applied to prepay such Loans). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrowers or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.05(b).

(viii) Notwithstanding any other provisions of this Section 2.05, to the extent that any or all of the Net Cash Proceeds of any Asset Sale by a Foreign Subsidiary (or a Domestic Subsidiary of a Foreign Subsidiary) (a “Foreign Disposition”) or the Net Cash Proceeds of any Casualty Event from a Foreign Subsidiary (or a Domestic Subsidiary of a Foreign Subsidiary) (a “Foreign Casualty Event”), in each case giving rise to a prepayment event pursuant to Section 2.05(b)(ii), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.05(b)(i) are or is prohibited, restricted or delayed by applicable local law, rule or regulation (including, without limitation, financial assistance and corporate benefit restrictions and fiduciary and statutory duties of any director or officer of such Subsidiaries) from being repatriated to the Parent Borrower or so prepaid or such repatriation or prepayment would present a material risk of liability for the applicable Subsidiary or its directors or officers (or gives rise to a material risk of breach of fiduciary or statutory duties by any director or officer), the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05 but may be retained by the applicable Foreign Subsidiary.

(ix) Notwithstanding any other provisions of this Section 2.05, to the extent that the Parent Borrower has determined in good faith that repatriation of any or all of the Net Cash Proceeds of any Foreign Disposition or any Foreign Casualty Event, in each case giving rise to a prepayment event pursuant to Section 2.05(b)(ii), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.05(b)(i) would have an adverse tax cost consequence (that are not de minimis) on the Parent Borrower or any Subsidiary or their Affiliates (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary.

(c) Term Lender Opt-Out. With respect to any prepayment of Initial Term Loans and, unless otherwise specified in the documents therefor, other Term Loan Tranches pursuant to Section 2.05(b)(i) or (ii), any Appropriate Lender, at its option (but solely to the extent the Parent Borrower elects for this clause (c) to be applicable to a given prepayment), other than in connection with any Refinancing Notes or any Specified Refinancing Term Loans, may elect not to accept such prepayment as provided below. The Parent Borrower may notify the Administrative Agent of any event giving rise to a prepayment under Section 2.05(b)(i) or (ii) at least ten Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment that is required to be made under Section 2.05(b)(ii) or (iii) (the “Prepayment Amount”). The Administrative Agent will promptly notify each Appropriate Lender of the contents of any such prepayment notice so received from the Parent Borrower, including the date on which such prepayment is to be made (the “Prepayment Date”). Any Appropriate Lender may (but solely to the extent the Parent Borrower elects for this clause (c) to be applicable to a given prepayment) decline to accept all (but not less than all) of its share of any such prepayment (any such Lender, a “Declining Lender”) by providing written notice to the Administrative Agent no later than five Business Days after the date of such Appropriate Lender’s receipt of notice from the Administrative Agent regarding such prepayment. If any Appropriate Lender does not give a notice to the Administrative Agent on or prior to such fifth Business Day informing the Administrative Agent that it declines to accept the applicable prepayment, then such Lender will be deemed to have accepted such prepayment. On any Prepayment Date, an amount equal to the Prepayment Amount minus the portion thereof allocable to Declining Lenders, in each case for such Prepayment Date, shall be paid to the Administrative Agent by the Parent Borrower and applied by the Administrative Agent ratably to prepay Term Loans under the Term Loan Tranches owing to Appropriate Lenders (other than Declining Lenders) in the manner described in Section 2.05(b) for such prepayment. Any amounts that would otherwise have been applied to prepay Term Loans owing to Declining Lenders shall be retained by the Parent Borrower (such amounts, “Declined Amounts”).

(d) All Loans shall be repaid, whether pursuant to this Section 2.05 or otherwise, in the currency in which they were made.

Section 2.06 Termination or Reduction of Commitments.

(a) Optional. The Borrowers may, upon written notice by the Parent Borrower to the Administrative Agent, terminate the unused portions of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit, or the unused Revolving Credit Commitments under any Revolving Tranche, or from time to time permanently reduce the unused portions of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit, or the unused Revolving Credit Commitments under any Revolving Tranche; provided that (i) any such notice shall be received by the Administrative Agent three Business Days (or such shorter period as the Administrative Agent shall agree) prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$500,000 or any whole multiple of \$100,000 in excess thereof and (iii) the Borrowers shall not terminate or reduce (A) the Commitments under any Tranche of the Revolving Credit Facility if, after giving effect thereto and to any concurrent prepayments hereunder, (x) the Total Revolving Credit Outstandings would exceed the Revolving Credit Facility or (y) the Total Revolving Credit Outstandings with respect to such Tranche would exceed the Revolving Credit Commitments under such Tranche, or (B) the Letter of Credit Sublimit if, after giving effect thereto, the Outstanding Amount of L/C Obligations not fully Cash Collateralized hereunder would exceed the Letter of Credit Sublimit. Any such notice of termination or reduction of commitments pursuant to this Section 2.06(a) may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Parent Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. For the avoidance of doubt, (i) upon termination of the Aggregate Commitments and payment in full of all Obligations in cash and in immediately available funds (other than (A) contingent indemnification obligations as to which no claim has been asserted and (B) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) and the expiration without any pending drawing or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized), this Agreement shall automatically terminate and the Administrative Agent shall comply with Section 9.01(c) and Section 9.11.

(b) Mandatory. (i) The Aggregate Commitments under a Term Loan Tranche shall be automatically and permanently reduced to zero on the date of the initial incurrence of Term Loans under such Term Loan Tranche, which in the case of the Initial Term Commitments shall be the Closing Date.

(ii) Upon the incurrence by the Borrowers or any Restricted Subsidiary of any Specified Refinancing Debt constituting revolving credit facilities, the Revolving Credit Commitments of the Lenders under the Tranche of Revolving Credit Loans being refinanced shall be automatically and permanently reduced on a ratable basis by an amount equal to 100% of the Commitments under such revolving credit facilities.

(iii) If after giving effect to any reduction or termination of Revolving Credit Commitments under this Section 2.06, the Letter of Credit Sublimit exceeds the amount of the Revolving Credit Facility at such time, the Letter of Credit Sublimit shall be automatically reduced by the amount of such excess.

(iv) The aggregate Revolving Credit Commitments with respect to any Tranche of the Revolving Credit Facility shall automatically and permanently be reduced to zero on the Maturity Date with respect to such Tranche of the Revolving Credit Facility.

(c) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the applicable Lenders of the applicable Facility of any termination or reduction of the Commitments under any Term Loan Tranche, the Letter of Credit Sublimit or the Revolving Credit Commitments under this Section 2.06. Upon any reduction of Commitments under a Facility or a Tranche thereof, the Commitment of each Lender under such Facility or Tranche thereof shall be reduced by such Lender's ratable share of the amount by which such Facility or Tranche thereof is reduced (other than the termination of the Commitment of any Lender as provided in Section 3.08). All commitment fees accrued until the effective date of any termination of the Aggregate Commitments and

unpaid, shall be paid on the effective date of such termination. For the avoidance of doubt, to the extent that any portion of the Revolving Credit Loans have been refinanced with one or more new revolving credit facilities constituting Specified Refinancing Debt, any prepayments of Revolving Credit Loans made pursuant to this Section 2.06 (other than any prepayments of revolving Loans made pursuant to Section 2.06(b)(ii)) shall be allocated ratably among the Revolving Tranches.

#### Section 2.07 Repayment of Loans.

(a) Initial Term Loans. The Borrowers shall repay to the Administrative Agent for the ratable account of the applicable Term Lenders the aggregate principal amount of all Initial Term Loans outstanding in consecutive quarterly installments as follows (which installments shall, to the extent applicable, be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Sections 2.05 and 2.06, or be increased as a result of any increase in the amount of Initial Term Loans pursuant to Section 2.14 (such increased amortization payments to be calculated in the same manner (and on the same basis) as the schedule set forth below for the Initial Term Loans made as of the Closing Date)):

Date	Amount
The last Business Day of each fiscal quarter ending prior to the Maturity Date for the Term Facilities starting with the last Business Day in the fiscal quarter ending on March 31, 2021	0.25% of the aggregate principal amount of the aggregate initial principal amount of the Initial Term Loans on the Closing Date
Maturity Date for the Initial Term Loans	All unpaid aggregate principal amounts of any outstanding Initial Term Loans

provided, however, that (i) if the date scheduled for any principal repayment installment is not a Business Day, such principal repayment installment shall be repaid on the next preceding Business Day, and (ii) the final principal repayment installment of the Initial Term Loans shall be repaid on the Maturity Date for the Initial Term Loans and in any event shall be in an amount equal to the aggregate principal amount of all Initial Term Loans outstanding on such date; provided, further, that this Section 2.07(a) may be amended (at the option of the Parent Borrower), as it relates to any then-existing tranche of Term Loans to increase the amortization with respect thereto, in connection with the Borrowing of any Incremental Term Loans that constitute Pari Passu Indebtedness if and to the extent necessary so that such Incremental Term Loans and the applicable existing Term Loans form the same Class of Term Loans and to the extent practicable, a “fungible” tranche, in each case, without the consent of any party hereto, and (y) such amendments shall not decrease any amortization payment to any Lender that would have otherwise been payable to such Lender prior thereto.

(b) Revolving Credit Loans. The Borrowers shall repay in the currencies in which such revolving Credit Loans are denominated to the Administrative Agent for the ratable account of the Appropriate Lenders on the applicable Maturity Date for the Revolving Credit Facilities of a given Tranche the aggregate principal amount of all of the Revolving Credit Loans of such Tranche outstanding on such date.

(c) All Loans shall be repaid, whether pursuant to this Section 2.07 or otherwise, in the currency in which they were made.

#### Section 2.08 Interest.

(a) Subject to the provisions of the following sentence, (i) each Eurocurrency Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the sum of (A) the Adjusted Eurocurrency Rate for such Interest Period *plus* (B) the Applicable Rate for Eurocurrency Rate Loans under such Facility; and (ii) each Base Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof from the applicable borrowing date or conversion date, as the case may be, at a rate per annum equal to the sum of (A) the Base Rate *plus* (B) the Applicable Rate for Base Rate Loans under such Facility.

After the occurrence and during the continuance of an Event of Default, the Borrowers shall pay interest on all overdue Obligations hereunder, which shall include all Obligations following an acceleration pursuant to Section 8.02 (including an automatic acceleration) at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(b) Accrued interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein; provided that in the event of any repayment or prepayment of any Loan (other than Revolving Credit Loans bearing interest based on the Base Rate that are repaid or prepaid without any corresponding termination or reduction of the Revolving Credit Commitments,) accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(c) Interest on each Loan shall be payable in the currency in which each Loan was made.

(d) All computations of interest hereunder shall be made in accordance with Section 2.10 of this Agreement.

Section 2.09 Fees. In addition to certain fees described in Sections 2.03(h) and (i):

(a) Commitment Fee. The Borrowers shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Pro Rata Share of each Tranche of the Revolving Credit Facility, a commitment fee equal to the Applicable Commitment Fee multiplied by the actual daily amount by which the aggregate Revolving Credit Commitments under such Tranche exceed the sum of (A) the Outstanding Amount of Revolving Credit Loans under such Tranche and (B) the Outstanding Amount of L/C Obligations under such Tranche, subject to adjustment as provided in Section 2.17. The commitment fee shall accrue at all times from the Closing Date until the Maturity Date for the Revolving Credit Facility, and shall be due and payable quarterly in arrears on the last Business Day of each fiscal quarter, commencing with the last Business Day of the first full fiscal quarter to end following the Closing Date, and on the Maturity Date for the Revolving Credit Facility.

(b) Other Fees. The Borrowers shall pay to the Lenders, the Arrangers and the Administrative Agent such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified.

Section 2.10 Computation of Interest and Fees: Retroactive Adjustments of Applicable Rate.

(a) All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year) or, in the case of interest in respect of Revolving Credit Loans denominated in an Alternative Currency as to which generally accepted market practice differs from the foregoing, in accordance with such generally accepted market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

(b) If, as a result of any restatement of or other adjustment to the financial statements of Holdings or for any other reason, the Parent Borrower or the Lenders determine that (i) the Consolidated First Lien Net Leverage Ratio as calculated by the Parent Borrower as of any applicable date was inaccurate and (ii) a proper calculation of such ratio would have resulted in higher interest and/or fees for any period, the Borrowers shall be obligated to pay to the Administrative Agent for the account of the applicable Lenders or the applicable L/C Issuer, as the case may be, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order

for relief with respect to the Borrowers under the Bankruptcy Code of the United States, automatically and with any such demand by the Administrative Agent being excused), an amount equal to the excess of the amount of interest and fees that should have been paid for such period over the amount of interest and fees actually paid for such period. This clause shall not limit the rights of the Administrative Agent, any Lender or the applicable L/C Issuer, as the case may be, under Section 2.03(d)(iii), Section 2.03(h) or (i), Section 2.08(b) or under Article VIII. Except in any case where a demand is excused as provided above, any additional interest and fees under this Section 2.10(b) shall not be due and payable until a demand is made for such payment by the Administrative Agent and accordingly, any nonpayment of such interest and fees as result of any such inaccuracy shall not constitute a Default (whether retroactively or otherwise), and none of such additional amounts shall be deemed overdue or accrue interest at the Default Rate, in each case at any time prior to the date that is five Business Days following such demand.

#### Section 2.11 Evidence of Indebtedness.

(a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury Regulations Section 5f.103-1(c), as a non-fiduciary agent for the Borrowers, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be prima facie evidence absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the written request of any Lender made through the Administrative Agent, the Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in Section 2.11(a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records and, in the case of the Administrative Agent, entries in the Register, evidencing the purchases and sales by such Lender of participations in Letters of Credit. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to Sections 2.11(a) and (b), and by each Lender in its accounts or records pursuant to Sections 2.11(a) and (b), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrowers to, in the case of the Register, each Lender and, in the case of such accounts or records, such Lender, under this Agreement and the other Loan Documents, absent manifest error; provided that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such accounts or records shall not limit the obligations of the Borrowers under this Agreement and the other Loan Documents.

#### Section 2.12 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 3:00 p.m. (New York City time) on the date specified herein. The Administrative Agent will promptly distribute to each Lender its ratable share in respect of the relevant Facility or Tranche thereof (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 3:00 p.m. (New York City time) shall, at the option of the Administrative Agent, be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrowers shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(b) (i) Funding by Lenders: Presumption by Administrative Agent Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Rate Loans (or, in the case of any Term Borrowing or Revolving Credit Borrowing of Base Rate Loans, prior to 1:00 p.m. (New York City time) on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with and at the time required by Section 2.02(b) and may, in reliance upon such assumption, make available to the Borrowers a corresponding amount. In such event, if any Lender does not in fact make its share of the applicable Borrowing available to the Administrative Agent, then such Lender and the Borrowers severally agree to pay to the Administrative Agent forthwith on demand an amount equal to such applicable share in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrowers by the Administrative Agent to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the NYFRB Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing and (B) in the case of a payment to be made by the Borrowers, the interest rate applicable to Base Rate Loans under the applicable Facility. If both the Borrowers and such Lender pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrowers the amount of such interest paid by the Borrowers for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid (less interest and fees) shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrowers shall be without prejudice to any claim the Borrowers may have against a Lender that shall have failed to make its share of any Borrowing available to the Administrative Agent.

(ii) Payments by the Borrowers: Presumptions by Administrative Agent Unless the Administrative Agent shall have received notice from the Parent Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or an L/C Issuer hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers have made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Appropriate Lenders or the applicable L/C Issuer, as the case may be, the amount due. In such event, if the Borrowers do not in fact make such payment, then each of the Appropriate Lenders or the applicable L/C Issuer, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such L/C Issuer, in immediately available funds with interest thereon, for each day from and including the date such amount is distributed by the Administrative Agent to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing.

A notice of the Administrative Agent to any Lender or the Parent Borrower with respect to any amount owing under this Section 2.12(b) shall be conclusive, absent manifest error.

(c) Failure to Satisfy Conditions Precedent If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrowers by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender on demand, without interest.

(d) Obligations of the Lenders Several. The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and to make payments pursuant to Section 9.07 are several and not joint. The failure of any Lender to make any Loan or to fund any such participation or to make any payment under Section 9.07 on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to fund its participation or to make its payment under Section 9.07.

(e) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(f) Insufficient Funds. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties.

(g) Unallocated Funds. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's ratable share of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein (including the application of funds arising from the existence of a Defaulting Lender), any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, *pro rata* with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. The Borrowers agree that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrowers in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. For the avoidance of doubt, the provisions of this Section shall not be construed to apply to (A) the application of Cash Collateral provided for in Section 2.16, (B) the assignments and participations (including by means of a Dutch Auction and open market debt repurchases) described in Section 10.07, (C) (i) the incurrence of any New Term Loans in accordance with Section 2.14, (ii) the prepayment of Revolving Credit Loans in accordance with Section 2.14(e) in connection with a Revolving Credit Commitment Increase or (iii) any Specified Refinancing Debt in accordance with Section 2.18, (D) any loan modification offer described in Section 10.01, or (E) any applicable circumstances contemplated by Sections 2.05(b), 2.14, 2.17 or 3.08.

#### Section 2.14 Incremental Facilities.

(a) The Borrowers may, from time to time after the Closing Date, upon notice by the Parent Borrower to the Person appointed by the Borrower to arrange an incremental Facility (such Person (who (i) may be the Administrative Agent, if it so agrees, or (ii) any other Person appointed by the Parent Borrower), the “Incremental Arranger”) specifying the proposed amount thereof and the proposed currency denomination thereof, request (i) an increase in the Commitments under any Revolving Tranche (which shall be on the same terms as, and become part of, the Revolving Tranche proposed to be increased) (a “Revolving Credit Commitment Increase”), (ii) an increase in any Term Loan Tranche then outstanding (which shall be on the same terms as, and become part of, the Term Loan Tranche proposed to be increased hereunder (except as otherwise provided in clause (d) below with respect to amortization)) (each, a “Term Commitment Increase”), (iii) the addition of one or more new revolving credit facilities to the Facilities, in each case, in such currency or currencies as the Parent Borrower identifies in such notice (each, a “New Revolving Facility” and, any advance made by a Lender thereunder, a “New Revolving Loan”; and the commitments thereof, the “New Revolving Commitment”) and (iv) the addition of one or more new term loan facilities, in each case, in such currency or currencies as the Parent Borrower identifies in such notice (each, a “New Term Facility”; and any advance made by a Lender thereunder, a “New Term Loan”; and the commitments thereof, the “New Term Commitment” and together with the Revolving Credit Commitment Increase, the New Revolving Commitments and the Term Commitment Increase, the “New Loan Commitments”) in an amount not to exceed the sum of (x) the greater of (A) \$100,000,000 and (B) Consolidated EBITDA for the most recently ended four fiscal quarter period for which internal financial statements are available (and after giving effect to any acquisition consummated concurrently therewith on a Pro Forma Basis and all other appropriate pro forma adjustment events consistent with the definition of “Consolidated EBITDA” and Section 1.10) (the “Cash-Capped Incremental Facility”), (y) an unlimited amount (the “Ratio-Based Incremental Facility”) so long as the Maximum Leverage / Minimum Interest Coverage Requirement is satisfied and (z) an amount equal to (i)(A) all voluntary prepayments of (1) Term Loans made pursuant to Section 2.05(a) and (2) New Incremental Notes that are secured on a *pari passu* basis with the Term Loans and (B) all repurchases of (1) Term Loans made pursuant to the terms hereof and (2) New Incremental Notes that are secured on a *pari passu* basis with the Term Loans, (ii) voluntary prepayments of all other Indebtedness secured by a Lien that is *pari passu* with the Liens securing the Obligations and (iii) voluntary prepayments of Revolving Credit Loans made pursuant to Section 2.05(a) to the extent accompanied by a corresponding, permanent reduction in the Revolving Credit Commitments pursuant to Section 2.06(a), in each case, to the extent not funded with the proceeds of long term Indebtedness (excluding, for the avoidance of doubt, proceeds of any revolving credit facility (including the Revolving Credit Facility)) and in the case of any such prepayment or repurchase at a price below par, based on the amount of the actual cash expenditure (the “Prepayment-Based Incremental Facility”) (such sum, at any such time, the “Incremental Amount”); provided that any such request for an increase shall be in a minimum amount of the lesser of (x) \$5,000,000 or, in the case of any New Loan Commitments denominated in an Alternative Currency, the Alternative Currency Equivalent of such amount, and (y) the entire amount of any increase that may be requested under this Section 2.14; provided, further, that for purposes of any New Loan Commitments established pursuant to this Section 2.14 and New Incremental Notes issued pursuant to Section 2.15:

(A) the Borrowers shall be deemed to have used amounts under the Prepayment-Based Incremental Facility, if any, prior to utilization of the Cash-Capped Incremental Facility, and the Borrowers shall be deemed to have used the Ratio-Based Incremental Facility (to the extent compliant therewith) prior to utilization of the Cash-Capped Incremental Facility and the Prepayment-Based Incremental Facility,

(B) New Loan Commitments pursuant to this Section 2.14 and New Incremental Notes pursuant to Section 2.15 may be incurred under the Ratio-Based Incremental Facility (to the extent compliant therewith), the Cash-Capped Incremental Facility and the Prepayment-Based Incremental Facility, and proceeds from any such incurrence may be utilized in a single transaction by first calculating the incurrence under the Ratio-Based Incremental Facility (without inclusion of any amounts substantially concurrently utilized pursuant to the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility) and then calculating the incurrence under the Prepayment-Based Incremental Facility (without inclusion of any amounts substantially concurrently utilized pursuant to the Cash-Capped Incremental Facility) and/or the incurrence under the Cash-Capped Incremental Facility,

(C) the Borrowers may redesignate all or any portion of Indebtedness originally designated as incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility as having been incurred under the Ratio-Based Incremental Facility so long as, at the time of such redesignation, the Borrowers would be permitted to incur the aggregate principal amount of Indebtedness being so

redesignated under the Ratio-Based Incremental Facility (which, for the avoidance of doubt, shall have the effect of increasing the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility, as applicable, by the amount of such redesignated Indebtedness); provided, that such Indebtedness shall be automatically redesignated to the extent that, at the end of any fiscal quarter, such redesignation would be permitted under this clause (C), and

(D) solely for the purpose of calculating the Consolidated First Lien Net Leverage Ratio, the Consolidated Senior Secured Net Leverage Ratio or the Consolidated Total Net Leverage Ratio to determine the availability under the Ratio-Based Incremental Facility at the time of incurrence, any cash proceeds incurred pursuant to this Section 2.14 and/or New Incremental Notes being incurred at such test date in calculating such Consolidated First Lien Net Leverage Ratio, Consolidated Senior Secured Net Leverage Ratio or Consolidated Total Net Leverage Ratio shall be excluded (it being understood that to the extent such proceeds are to be used to repay Indebtedness, the Borrowers shall be permitted to give Pro Forma Effect to such repayment).

The Borrowers may designate any Incremental Arranger of any New Loan Commitments with such titles under the New Loan Commitments as Borrower may deem appropriate.

(b) Any Lender approached to participate in any New Loan Commitments may elect or decline, in its sole discretion, to participate in such increase or new facility. The Borrowers may also invite additional Eligible Assignees reasonably satisfactory to the Incremental Arranger and, solely in connection with a Revolving Credit Commitment Increase or New Revolving Facility, with the consent of the Administrative Agent, each L/C Issuer (in each case, to the extent the consent of any of the foregoing would be required to assign Revolving Credit Loans or Term Loans, as applicable, to such Eligible Assignee, which consents shall not be unreasonably withheld, conditioned or delayed) to become Lenders pursuant to a joinder agreement to this Agreement. Neither the Administrative Agent nor the Collateral Agent (in their respective capacities as such) shall be required to execute, accept or acknowledge any joinder agreement pursuant to this Section 2.14 and such execution shall not be required for any such joinder agreement to be effective; provided that, with respect to any New Loan Commitments, the Borrowers must provide to the Administrative Agent (x) the documentation providing for such New Loan Commitments and (y) a notice of the identity of any new Lender; provided further, that such new Lender shall agree to provide applicable “know your customer”, anti-money laundering rules and regulations, including the Patriot Act, and other customary onboarding information reasonably requested by the Administrative Agent upon request.

(c) If (i) a Revolving Tranche or a Term Loan Tranche is increased in accordance with this Section 2.14 or (ii) a New Term Facility or New Revolving Facility is added in accordance with this Section 2.14, the Borrowers shall determine the effective date (the “Increase Effective Date”) and the final allocation of such increase, New Term Facility or New Revolving Facility among the applicable Lenders. The Incremental Arranger shall promptly notify the applicable Lenders of the final allocation of such increase, New Term Facility or New Revolving Facility and the Increase Effective Date. In connection with (i) any increase in a Term Loan Tranche or Revolving Tranche or (ii) any addition of a New Term Facility or New Revolving Facility, in each case, pursuant to this Section 2.14, this Agreement and the other Loan Documents may be amended in a writing (which may be executed and delivered by the Borrowers and the Incremental Arranger (and the Lenders hereby authorize the any such Incremental Arranger to execute and deliver any such documentation)) in order to establish the New Term Facility or New Revolving Facility or to effectuate the increases to the Term Loan Tranche or Revolving Tranche and to reflect any technical changes necessary or appropriate to give effect to such increase or new facility in accordance with its terms as set forth herein, including, for the avoidance of doubt, at the option of the Parent Borrower, with respect to any increase in the Applicable Rate relating to any existing Term Facility to bring such Applicable Rate in line with the New Term Facility to achieve fungibility with such existing Term Facility. As of the Increase Effective Date, in the case of an increase to an existing Term Loan Tranche, the amortization schedule for the Term Loan Tranche then increased set forth in Section 2.07(a) (or any other applicable amortization schedule for New Term Loans or Specified Refinancing Term Loans) shall be amended in writing (which may be executed and delivered by the Borrowers and the Incremental Arranger (and the Lenders hereby authorize any such Incremental Arranger to execute and deliver any such documentation)) to increase the then-remaining unpaid installments of principal by an aggregate amount equal to the additional Loans under such Term Loan Tranche being made on such date, such aggregate amount to be applied to increase such installments ratably in accordance with the amounts in effect immediately prior to the Increase Effective Date.

(d) With respect to any Revolving Credit Commitment Increase, Term Commitment Increase or addition of New Term Facility or New Revolving Facility pursuant to this Section 2.14, (i) no Event of Default (subject to Section 1.02(i) in connection with any acquisition Investment, Restricted Payment or other transaction permitted pursuant to this Agreement as described in Section 1.02(i)) would exist after giving effect to such increase; (ii) (A) in the case of any increase of the Revolving Tranche, (1) the final maturity shall be the same as the Maturity Date applicable to the Revolving Credit Facility, (2) no amortization or mandatory commitment reduction prior to the Maturity Date applicable to the Revolving Credit Facility shall be required and (3) the terms and documentation applicable to the Revolving Credit Facility shall apply, (B) in the case of any New Revolving Facility, (1) other than with respect to any Extendable Bridge Loans, the final maturity shall be no earlier than the Maturity Date applicable to the Revolving Credit Facility and (2) no amortization or mandatory commitment reduction prior to the Maturity Date applicable to the Revolving Credit Facility shall be required, (C) in the case of any increase of a Term Loan Tranche, the final maturity of the Term Loans, New Term Loans or Specified Refinancing Term Loans increased pursuant to this Section shall be no earlier than the Latest Maturity Date for, and such additional Loans shall not have a Weighted Average Life to Maturity shorter than the longest remaining Weighted Average Life to Maturity of, any other outstanding Term Loans, New Term Loans or Specified Refinancing Term Loans, as applicable; provided that Extendable Bridge Loans and Indebtedness Incurred pursuant to the Inside Maturity Date Exception may have a maturity date earlier than the Latest Maturity Date of all then outstanding Term Loans and the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans, and (D) in the case of any New Term Facility other than in the case of Extendable Bridge Loans and Indebtedness Incurred pursuant to the Inside Maturity Date Exception, (1) such New Term Facility shall have a final maturity no earlier than the then Latest Maturity Date of any Term Loan Tranche and (2) the Weighted Average Life to Maturity of such New Term Facility shall be no shorter than that of any existing Term Loan Tranche; (iii) all other terms applicable to any New Term Facility or Revolving Facility (including, subject to any applicable limitations specifically set forth above in this clause (d) or below in clause (f), will be as agreed between the Borrowers and the Lenders providing such New Revolving Facility or New Term Facility; provided that the negative covenants and events of default will (x) be not materially more favorable, taken as a whole, to such Lenders than the terms of such existing Revolving Facility (in the case of any New Revolving Facility) or existing Term Facility (in the case of a New Term Facility) unless (A) the Lenders under the existing Revolving Facility or Term Facility, as applicable, also receive the benefits of such more favorable terms (and to the extent the existing Lenders under the Revolving Facility or New Term Facility are to receive the benefit of such terms, such terms may be incorporated into the Loan Documents for the benefit of all existing Lenders under the Revolving Facility or Term Facility without further amendment requirements) or (B) any such provisions apply only after the maturity date of the initial Revolving Facility or Term Facility, as applicable or (y) be reasonably acceptable to the Administrative Agent; and (iv) to the extent reasonably requested by the Incremental Arranger, the Incremental Arranger shall have received legal opinions, resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12, Section 6.14 and/or Section 6.16 with respect to Holdings and the Borrowers and each material Subsidiary Guarantor that is organized in a jurisdiction for which counsel to the Administrative Agent advises that such deliveries are reasonably necessary to preserve the Collateral in such jurisdiction (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Incremental Arranger). Subject to the foregoing, the conditions precedent to each such increase or New Loan Commitment shall be agreed to by the Lenders providing such increase or New Loan Commitment, as applicable, and the Borrowers.

(e) On the Increase Effective Date with respect to an increase to an existing Revolving Tranche, (x) each Revolving Credit Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the increase to the Revolving Credit Commitments (each, a "Revolving Commitment Increase Lender"), and each such Revolving Commitment Increase Lender will automatically and without further act (except that each Revolving Commitment Increase Lender shall be required to purchase at par any L/C Advance so acquired) be deemed to have assumed, a portion of such Revolving Credit Lender's participations hereunder in outstanding L/C Obligations such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in L/C Obligations represented by such Revolving Commitment Increase Lender will equal the percentage of the aggregate Revolving Credit Commitments of all Revolving Credit Lenders represented by such Revolving Commitment Increase Lender's Revolving Credit Commitment and (y) if, on the date of such increase, there are any Revolving Credit Loans outstanding, such Revolving Credit Loans shall on or prior to the Increase Effective Date be prepaid from the proceeds of Revolving Credit Loans made hereunder (reflecting such increase in Revolving Credit

Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Credit Loans being prepaid and any costs incurred by any Lender in accordance with Section 3.06. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence. The additional Term Loans made under the Term Loan Tranche subject to the increases shall be made by the applicable Lenders participating therein pursuant to the procedures set forth in Sections 2.01 and 2.02 and on the date of the making of such new Term Loans, and notwithstanding anything to the contrary set forth in Sections 2.01 and 2.02, such new Loans shall be added to (and form part of) each Borrowing of outstanding Term Loans under such Term Loan Tranche on a *pro rata* basis (based on the relative sizes of the various outstanding Borrowings), so that each Lender under such Term Loan Tranche will participate proportionately in each then outstanding Borrowing of Term Loans under the Term Loan Tranche.

(f) (i) Any New Revolving Facility and New Term Facility shall rank *pari passu* in right of payment with the other Facilities, not be Guaranteed by any Person that is not a Borrower or Guarantor under each of the other Facilities, and be unsecured or secured either on a *pari passu* basis with the other Facilities or on a “junior” basis to the other Facilities, in each case over the same (or less) Collateral that secures the Facilities (and in the case of any such junior secured New Revolving Facility or New Term Facility, such New Revolving Facility or New Term Facility shall be subject to intercreditor arrangements that are reasonably satisfactory to the Incremental Arranger and, if such Incremental Arranger is not the Administrative Agent, the Administrative Agent), (ii) the New Term Facility or New Revolving Facility, as applicable, shall, for purposes of prepayments, be treated substantially the same as (and in any event no more favorably than) the Term Facility or Revolving Credit Facility, as the case may be, unless the Borrowers otherwise elect (but in any event no more favorably than the existing Term Loans or Revolving Credit Loans, as applicable), and (iii) with respect to any Dollar-denominated, floating rate New Term Facility that is *pari passu* in right of payments and secured on a *pari passu* basis with Initial Term Loans and is incurred on or prior to the date that is 12 months after the Closing Date and under the Ratio-Based Incremental Facility, the All-in Yield payable by the Borrowers applicable to such New Term Facility shall be determined by the Borrowers and the Lenders providing such New Term Facility and shall not be more than 75 basis points higher than the corresponding All-in Yield payable by the Borrowers for the Initial Term Loans, unless the All-in Yield with respect to the Initial Term Loans is increased to the amount necessary so that the difference between the All-in Yield with respect to such New Term Facility and the corresponding All-in Yield on the Initial Term Loans is equal to 75 basis points; provided that this clause (iii) shall not apply to any New Term Facility that (A) is in an aggregate principal amount (together with any other such New Term Facility) equal to or less than \$100,000,000, (B) has a final maturity later than one year after the Latest Maturity Date of the then outstanding Term Loans or (C) is incurred in connection with an acquisition or Investment permitted by the terms of this Agreement.

(g) To the extent any New Revolving Facility or New Term Facility shall be denominated in an Alternative Currency, this Agreement and the other Loan Documents shall be amended to the extent necessary or appropriate to provide for the administrative and operational provisions applicable to such Alternative Currency, in each case as are reasonably satisfactory to the Administrative Agent.

#### Section 2.15 New Incremental Notes.

(a) The Borrowers may from time to time after the Closing Date incur one or more series of senior secured, senior unsecured, senior subordinated, subordinated notes or Extendable Bridge Loans (which notes and/or Extendable Bridge Loans, if secured, are secured by the Collateral on a *pari passu* basis with the Liens securing the Obligations or on a “junior” basis to the Liens securing the Obligations) and guaranteed only by Loan Parties or entities who become Loan Parties (such notes and/or Extendable Bridge Loans, collectively, “New Incremental Notes”) in an amount not to exceed the Incremental Amount (at the time of issuance); provided that no Event of Default would exist after giving Pro Forma Effect to any such request, subject to Section 1.02(i); provided, further, that any New Loan Commitment established pursuant to Section 2.14 and New Incremental Notes issued pursuant to this Section 2.15, (A) will count, first, to reduce the amount available under the Ratio-Based Incremental Facilities (to the extent compliant therewith), second, to reduce the amount available under the Prepayment-Based Incremental Facilities and, third, to reduce the maximum amount under the Cash-Capped Incremental Facilities, (B) New Incremental Notes pursuant to this Section 2.15 may be incurred under the Ratio-Based Incremental Facilities, the Cash-Capped Incremental Facilities and the Prepayment-Based Incremental Facilities, and proceeds from any such incurrence may be utilized in a single transaction, by first calculating the incurrence under the Ratio-Based Incremental

Facilities (without inclusion of any amounts utilized pursuant to the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility) and then calculating the incurrence under the Prepayment-Based Incremental Facility (without inclusion of any amounts utilized pursuant to the Cash-Capped Incremental Facility) and then calculating the incurrence under the Cash-Capped Incremental Facility and (C) the Borrowers may redesignate all or any portion of New Incremental Notes originally designated as incurred under the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility as having been incurred under the Ratio-Based Incremental Facility so long as, at the time of such redesignation, the Borrowers would be permitted to incur the aggregate principal amount of New Incremental Notes being so redesignated under the Ratio-Based Incremental Facility (which, for the avoidance of doubt, shall have the effect of increasing the Cash-Capped Incremental Facility or the Prepayment-Based Incremental Facility, as applicable, by the Dollar amount of such redesignated New Incremental Notes). The Parent Borrower may appoint any Person as arranger of such New Incremental Notes (such Person (who may be the Administrative Agent, if it so agreed), the “Incremental Notes Arranger”).

(b) As a condition precedent to the issuance of any New Incremental Notes pursuant to this Section 2.15, (i) such New Incremental Notes shall not be guaranteed by any Person that is not a Loan Party or that does not become a Loan Party and shall not be secured by a lien on any assets of a Loan Party that is not part of the Collateral, (ii) to the extent secured by the Collateral, such New Incremental Notes shall be subject to intercreditor arrangements that are reasonably satisfactory to the Incremental Notes Arranger and, if such Incremental Notes Arranger is not the Administrative Agent, the Administrative Agent, (iii) such New Incremental Notes shall have a final maturity no earlier than the then Latest Maturity Date, provided, that Extendable Bridge Loans and Indebtedness Incurred pursuant to the Inside Maturity Date Exception may have a maturity date earlier than the Latest Maturity Date, (iv) the Weighted Average Life to Maturity of such New Incremental Notes shall not (A) be shorter than that of any then-existing Term Loan Tranche, or (B) to the extent unsecured, be subject to any amortization prior to the final maturity thereof, or be subject to any mandatory redemption or prepayment provisions or rights (except (x) customary assets sale, event of loss or similar event or change of control provisions and customary acceleration rights after an event of default or (y) so-called “AHYDO” payments); provided, that, with respect to Extendable Bridge Loans and Indebtedness Incurred pursuant to the Inside Maturity Date Exception, the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans, and (v) such New Incremental Notes shall not be subject to any mandatory redemption or prepayment provisions or rights (except to the extent any such mandatory redemption or prepayment is required to be applied pro rata to the Term Loans and other Indebtedness that is secured on a *pari passu* basis with the Obligations) (provided that a certificate of a Responsible Officer of the Parent Borrower delivered to the Incremental Notes Arranger in good faith at least three Business Days prior to the incurrence of such New Incremental Notes, together with a reasonably detailed description of the material terms and conditions of such New Incremental Notes or drafts of the documentation relating thereto, stating that the Parent Borrower has determined in good faith that such terms and conditions satisfy the requirement set forth in this clause (b), shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Incremental Notes Arranger provides notice to the Parent Borrower of its objection during such three Business Day period (including a reasonable description of the basis upon which it objects)) and, for the avoidance of doubt, New Incremental Notes shall not benefit from any “most favored nation” pricing protection. Subject to the foregoing, the conditions precedent to each such increase shall be agreed to by the Lenders providing such increase and the Borrower.

(c) The Lenders hereby authorize the Incremental Notes Arranger (and the Lenders hereby authorize the Incremental Notes Arranger to execute and deliver such amendments) to enter into amendments to this Agreement and the other Loan Documents with the Borrowers as may be necessary in order to secure any New Incremental Notes with the Collateral and/or to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Incremental Notes Arranger and the Borrowers in connection with the issuance of such New Incremental Notes, in each case on terms consistent with this Section 2.15, including, for the avoidance of doubt, at the option of the Parent Borrower, any increase in the Applicable Rate relating to any existing Term Facility to bring such Applicable Rate in line with the New Term Facility to achieve fungibility with such existing Term Facility. If the Incremental Notes Arranger is not the Administrative Agent, the actions authorized to be taken by the Incremental Notes Arranger herein shall be done in consultation with the Administrative Agent and, with respect to applicable documentation (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

#### Section 2.16 Cash Collateral.

(a) Upon the request of the Administrative Agent or the applicable L/C Issuer (i) if the applicable L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Borrowing or (ii) if, as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, the Borrowers shall, in each case, promptly deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover 103% of the then Outstanding Amount of all L/C Obligations. At any time that there shall exist a Defaulting Lender, promptly upon the request of the Administrative Agent or the applicable L/C Issuer, the Borrowers shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover 103% of all Fronting Exposure of such Defaulting Lender after giving effect to Section 2.17(a)(iv) and any Cash Collateral provided by such Defaulting Lender.

(b) All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, interest bearing deposit accounts at the Administrative Agent or the Collateral Agent (or other financial institution selected by any of them). The Borrowers, and to the extent provided by any Lender, such Lender, hereby grants to (and subjects to the control of) the Administrative Agent and the Collateral Agent, for the benefit of the Administrative Agent, the applicable L/C Issuer and the Lenders, and agrees to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein, and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.16(c). If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent as herein provided or that the total amount of such Cash Collateral is less than the applicable Fronting Exposure and other obligations secured thereby, the Borrowers and the relevant Defaulting Lender shall, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(c) Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section 2.16 or Sections 2.03, 2.05, 2.06, 2.17, 8.02 or 8.04 in respect of Letters of Credit shall be held and applied to the satisfaction of the specific L/C Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided prior to any other application of such property as may be provided for herein.

(d) Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure (after giving effect to such release) or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 10.07(b)(viii))) or (ii) the Administrative Agent's good faith determination that there exists excess Cash Collateral; provided, however, (x) that Cash Collateral furnished by or on behalf of a Loan Party shall not be released during the continuance of a Default under Sections 8.01(a), (f) or (g) or an Event of Default (and following application as provided in this Section 2.16 may be otherwise applied in accordance with Section 8.04) and (y) the Person providing Cash Collateral and the applicable L/C Issuer may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations.

#### Section 2.17 Defaulting Lenders.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01.

(ii) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 10.09), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a *pro rata* basis of any amounts

owing by that Defaulting Lender to the L/C Issuers hereunder; third, if so reasonably determined by the Administrative Agent or reasonably requested by the any L/C Issuer, to be held as Cash Collateral for future funding obligations of that Defaulting Lender of any participation in any Letter of Credit; fourth, as the Parent Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Parent Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders or any L/C Issuer as a result of any non-appealable judgment of a court of competent jurisdiction obtained by any Lender or any L/C Issuer against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default pursuant to Sections 8.01(a), (f) or (g) exists, to the payment of any amounts owing to the Borrowers as a result of any non-appealable judgment of a court of competent jurisdiction obtained by the Borrowers against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of, or L/C Borrowings owed to, that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) That Defaulting Lender (x) shall not be entitled to receive any commitment fee pursuant to Section 2.09(a) for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.03(h).

(iv) During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit pursuant to Section 2.03, the Pro Rata Share of each non-Defaulting Lender under a Revolving Tranche shall be determined without giving effect to the Commitment under such Revolving Tranche of that Defaulting Lender; provided that (i) each such reallocation shall be given effect unless an Event of Default exists; and (ii) the aggregate obligation of each non-Defaulting Lender under a Revolving Tranche to acquire, refinance or fund participations in Letters of Credit issued under such Revolving Tranche shall not exceed the positive difference, if any, of (1) the Commitment under such Revolving Tranche of that non-Defaulting Lender *minus* (2) the aggregate Outstanding Amount of the Loans under such Revolving Tranche of that Revolving Credit Lender.

(b) If the Parent Borrower, the Administrative Agent and each L/C Issuer agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may reasonably determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit to be held on a *pro rata* basis by the Lenders in accordance with their ratable shares (without giving effect to the application of Section 2.17(a)(iv)) in respect of that Lender, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

(c) If (i) a Bankruptcy Event or a Bail-In Action with respect to a Lender Parent shall occur following the date hereof and for so long as such event shall continue or (ii) any L/C Issuer has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, no L/C Issuer shall be required to issue, amend or increase any Letter of Credit, unless the L/C Issuer Banks shall have entered into arrangements with the Borrowers or such Lender, satisfactory to such L/C Issuer to defease any risk to it in respect of such Lender hereunder. In the event that each of the Administrative Agent, the Borrowers and each L/C Issuer agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the L/C Obligations of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Pro Rata Share.

#### Section 2.18 Specified Refinancing Debt.

(a) The Borrowers may, from time to time after the Closing Date, add one or more new term loan facilities and new revolving credit facilities to the Facilities ("Specified Refinancing Debt"; and the commitments in respect of such new term facilities, the "Specified Refinancing Term Commitment" and the commitments in respect of such new revolving credit facilities, the "Specified Refinancing Revolving Credit Commitment") pursuant to procedures reasonably specified by any Person appointed by the Parent Borrower, after consultation with the Administrative Agent, as agent under such Specified Refinancing Debt (such Person (who may be the Administrative Agent, if it so agrees), the "Specified Refinancing Agent") and reasonably acceptable to the Parent Borrower, to refinance (i) all or any portion of any Term Loan Tranches then outstanding under this Agreement and (ii) all or any portion of any Revolving Tranches then in effect under this Agreement, in each case pursuant to a Refinancing Amendment; provided that such Specified Refinancing Debt: (i) will rank *pari passu* in right of payment as the other Loans and Commitments hereunder; (ii) will not have obligors other than the Loan Parties or entities who shall have become Loan Parties (it being understood that the roles of such obligors as Borrower or guarantors with respect to such obligations may be interchanged); (iii) will be (x) unsecured or (y) secured by the Collateral on a *pari passu* basis with the Liens securing the Obligations or on a "junior" basis to the Liens securing the Obligations (in each case pursuant to intercreditor arrangements reasonably satisfactory to the Specified Refinancing Agent and, if the Specified Refinancing Agent is not the Administrative Agent, the Administrative Agent); (iv) will have such pricing and optional prepayment terms as may be agreed by the Parent Borrower and the applicable Lenders thereof; (v) (x) to the extent constituting revolving credit facilities, will not have a maturity date (or have mandatory commitment reductions or amortization) that is prior to the scheduled Maturity Date of the Revolving Tranche being refinanced and (y) to the extent constituting term loan facilities, will have a maturity date that is not prior to the date that is the scheduled Maturity Date of, and will have a Weighted Average Life to Maturity that is not shorter than the Weighted Average Life to Maturity of, the Term Loans being refinanced; provided, that Extendable Bridge Loans and Specified Refinancing Debt incurred pursuant to the Inside Maturity Date Exception may have a maturity date earlier than the Latest Maturity Date of all then outstanding Term Loans and, with respect to Extendable Bridge Loans and Specified Refinancing Debt incurred pursuant to the Inside Maturity Date Exception, the Weighted Average Life to Maturity thereof may be shorter than the then longest remaining Weighted Average Life to Maturity of any then outstanding Term Loans; (vi) any Specified Refinancing Term Loans shall share ratably in any prepayments of Term Loans pursuant to Section 2.05 (or otherwise provide for more favorable prepayment treatment for the then outstanding Term Loan Tranches than the Specified Refinancing Term Loans); (vii) each Revolving Credit Borrowing (including any deemed Revolving Credit Borrowings made pursuant to Section 2.03) and participations in Letters of Credit pursuant to Section 2.03 shall be allocated *pro rata* among the Revolving Tranches; (viii) subject to clauses (iv) and (v) above, will have terms and conditions (other than pricing and optional prepayment and redemption terms) that are as agreed between the Borrowers and the Lenders providing such Specified Refinancing Debt; provided that the negative covenants and events of default will (x) be not materially more favorable, taken as a whole, to such Lenders than the terms of the existing Revolving Facility or Term Facilities, as applicable, unless (A) the Lenders under the existing Revolving Facility or Term Facilities, as applicable, also receive the benefits of such more favorable terms (and to the extent the existing Lenders under the existing Facilities are to receive the benefit of such terms, such terms shall be incorporated into the Loan Documents for the benefit of all existing Lenders without further amendment requirements) or (B) any such provisions apply only after the maturity date of the initial Revolving Facility or (y) are reasonably acceptable to the Administrative Agent and (ix) the Net Cash Proceeds of such Specified Refinancing Debt shall be applied, substantially concurrently with the incurrence thereof, to the pro rata prepayment of outstanding Loans being so refinanced (and, in the case of Revolving Credit Loans, a corresponding amount of Revolving Credit Commitments

shall be permanently reduced), in each case pursuant to Section 2.05 and 2.06, as applicable, and the payment of fees, expenses and premiums, if any, payable in connection therewith; provided, however, that such Specified Refinancing Debt (x) may provide for any additional or different financial or other covenants or other provisions that are agreed among the Borrowers and the Lenders thereof and applicable only during periods after the then Latest Maturity Date in effect and (y) shall not have a principal or commitment amount (or accreted value) greater than the Loans being refinanced (*plus* an amount equal to accrued interest, fees, discounts, premiums and expenses). Any Lender approached to provide all or a portion of any Specified Refinancing Debt may elect or decline, in its sole discretion, to provide such Specified Refinancing Debt. To achieve the full amount of a requested issuance of Specified Refinancing Debt, and subject to the approval of the Administrative Agent (and each L/C Issuer in the case of Specified Refinancing Revolving Credit Commitments), the Borrowers may also invite additional Eligible Assignees to become Lenders in respect of such Specified Refinancing Debt pursuant to a joinder agreement to this Agreement in form and substance reasonably satisfactory to the Specified Refinancing Agent.

(b) The effectiveness of any Refinancing Amendment shall be subject to conditions as are mutually agreed with the participating Lenders providing such Specified Refinancing Debt and to the extent reasonably requested by the Specified Refinancing Agent, receipt by the Specified Refinancing Agent of legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements with respect to the Borrowers and the Guarantors, including any supplements or amendments to the Collateral Documents providing for such Specified Refinancing Debt to be secured thereby, consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12, 6.14 and/or Section 6.16 (other than changes to such legal opinions resulting from a change in Law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Specified Refinancing Agent). The Lenders hereby authorize the Specified Refinancing Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrowers as may be necessary in order to establish new Tranches of Specified Refinancing Debt and to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Parent Borrower in connection with the establishment of such new Tranches, in each case on terms consistent with and/or to effect the provisions of this Section 2.18.

(c) Each class of Specified Refinancing Debt incurred under this Section 2.18 shall be in an aggregate principal amount that is (x) not less \$3,500,000 and (y) an integral multiple of \$1,000,000 in excess thereof. Any Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the Borrowers in respect of a Revolving Tranche pursuant to any revolving credit facility established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit under the Revolving Credit Commitments.

(d) The Specified Refinancing Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Specified Refinancing Debt incurred pursuant thereto (including the addition of such Specified Refinancing Debt as separate "Facilities" hereunder and treated in a manner consistent with the Facilities being refinanced, including for purposes of prepayments and voting). Any Refinancing Amendment may, without the consent of any Person other than the Borrowers, the Specified Refinancing Agent and the Lenders providing such Specified Refinancing Debt, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Specified Refinancing Agent and the Parent Borrower, to effect the provisions of or consistent with this Section 2.18. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each L/C Issuer, participations in Letters of Credit expiring on or after the scheduled Maturity Date in respect of a Revolving Tranche shall be reallocated from Lenders holding Revolving Credit Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding extended revolving commitments, be deemed to be participation interests in respect of such extended revolving commitments and the terms of such participation interests (including the commission applicable thereto) shall be adjusted accordingly. If the Specified Refinancing Agent is not the Administrative Agent, the actions authorized to be taken by the Specified Refinancing Agent herein shall be done in consultation with the Administrative Agent and, with respect to the preparation of any documentation necessary or appropriate to carry out the provisions of this Section 2.18 (including amendments to this Agreement and the other Loan Documents), any comments to such documentation reasonably requested by the Administrative Agent shall be reflected therein.

## Section 2.19 Permitted Debt Exchanges

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a “Permitted Debt Exchange Offer”) made from time to time by the Parent Borrower, the Borrowers may from time to time following the Closing Date consummate one or more exchanges of Term Loans for Permitted Debt Exchange Notes (each such exchange a “Permitted Debt Exchange”), so long as the following conditions are satisfied: (i) no Event of Default shall have occurred and be continuing at the time the final offering document in respect of a Permitted Debt Exchange Offer is delivered to the relevant Lenders, (ii) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal no more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans; provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest and premium (if any) under the Term Loans exchanged and underwriting discounts, fees, commissions and expenses in connection with the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged by the Borrowers pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrowers on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrowers for immediate cancellation), (iv) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of such Term Loans offered to be exchanged by the Borrowers pursuant to such Permitted Debt Exchange Offer, then the Borrowers shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Parent Borrower and the Exchange Agent and (vi) any applicable Minimum Tender Condition (as defined below) shall be satisfied.

(b) With respect to all Permitted Debt Exchanges effected by the Borrowers pursuant to this Section 2.19, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.05(a) or (b), and (ii) such Permitted Debt Exchange Offer shall be made for not less than \$3,500,000 in aggregate principal amount of Term Loans; provided that subject to the foregoing clause (ii) the Parent Borrower may at its election specify as a condition (a “Minimum Tender Condition”) to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Parent Borrower’s discretion) of Term Loans of any or all applicable classes be tendered.

(c) In connection with each Permitted Debt Exchange, the Parent Borrower and the Exchange Agent shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.19 and without conflict with Section 2.19(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Parent Borrower and the Exchange Agent) of time following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrowers shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws and regulations in connection with each Permitted Debt Exchange, it being understood and agreed that (x) none of the Exchange Agent, the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrowers’ compliance with such laws and regulations in connection with any Permitted Debt Exchange and (y) each Lender shall be solely responsible for its compliance with any applicable “insider trading” laws and regulations to which such Lender may be subject under the Securities Exchange Act of 1934, as amended, and/or other applicable securities laws and regulations.

(e) If the Exchange Agent is not the Administrative Agent, the actions authorized to be taken by the Exchange Agent herein shall be done in consultation with the Administrative Agent.

Section 2.20 Co-Borrowers.

(a) Each Borrower accepts joint and several liability hereunder in consideration of the financial accommodation to be provided by the Administrative Agent, the Lenders and the L/C Issuers under this Agreement and the other Loan Documents, for the mutual benefit, directly and indirectly, of each Borrower and in consideration of the undertakings of each Borrower to accept joint and several liability for the obligations of each Borrower.

(b) Each Borrower shall be jointly and severally liable for the Obligations, regardless of which Borrower actually receives the Loans hereunder or the amount of the Obligations received or the manner in which the Administrative Agent or any Lender accounts for the Obligations on its books and records. Each Borrower's obligations with respect to Loans made to it, and each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder, with respect to Loans or L/C Obligations made to and other Obligations owing by the Borrowers hereunder, shall be separate and distinct obligations, but all such obligations shall be primary obligations of each Borrower.

(c) Each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder with respect to Loans made to, Letters of Credit issued on behalf of, and other Obligations owing by the Borrowers hereunder shall, to the fullest extent permitted by law, be unconditional irrespective of (A) the validity or enforceability, avoidance or subordination of the obligations of any other Borrower or of any promissory note or other document evidencing all or any part of the obligations of any other Borrower, (B) the absence of any attempt to collect the Obligations from any other Borrower, any other guarantor, or any other security therefor, or the absence of any other action to enforce the same, (C) the waiver, consent, extension, forbearance or granting of any indulgence by the Administrative Agent or any Lender with respect to any provision of any instrument evidencing the obligations of any other Borrower, or any part thereof, or any other agreement now or hereafter executed by any other Borrower and delivered to the Administrative Agent or any Lender, (D) the failure by the Administrative Agent or any Lender to take any steps to perfect and maintain its security interest in, or to preserve its rights to, any security or collateral for the obligations of any other Borrower, (E) the Administrative Agent's or any Lender's election, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b)(2) of the Bankruptcy Code of the United States, (F) any borrowing or grant of a security interest by any other Borrower, as Debtor In Possession under Section 364 of the Bankruptcy Code of the United States, (G) the disallowance of all or any portion of the Administrative Agent's or any Lender's claim(s) for the repayment of the obligations of any other Borrower under Section 502 of the Bankruptcy Code of the United States, or (H) any other circumstances which might constitute a legal or equitable discharge or defense of a guarantor or of any other Borrower. With respect to each Borrower's obligations arising as a result of the joint and several liability of such Borrower hereunder with respect to Loans made to the Borrowers hereunder, such Borrower waives, until the Obligations shall have been paid in full and this Agreement and the other Loan Documents shall have been terminated, any right to enforce any right of subrogation or any remedy which the Administrative Agent or any Lender now has or may hereafter have against such Borrower, any endorser or any guarantor of all or any part of the Obligations, and any benefit of, and any right to participate in, any security or collateral given to the Administrative Agent or any Lender to secure payment of the Obligations or any other liability of any Borrower to the Administrative Agent or any Lender.

(d) Upon the occurrence and during the continuation of any Event of Default, the Administrative Agent and the Lenders may proceed directly and at once, without notice, against any Borrower to collect and recover the full amount, or any portion of the Obligations, without first proceeding against any other Borrower or any other Person, or against any security or collateral for the Obligations. Each Borrower consents and agrees that the Administrative Agent and the Lenders shall be under no obligation to marshal any assets in favor of any Borrower or against or in payment of any or all of the Obligations.

(e) Each Borrower hereby irrevocably appoints the Parent Borrower as the borrowing agent and attorney-in-fact for the Borrowers, which appointment shall remain in full force and effect unless and until the Administrative Agent shall have received prior written notice signed by all of the Borrowers that such appointment has been revoked and that another Borrower has been appointed in the place of the Parent Borrower. Each Borrower hereby irrevocably appoints and authorizes the Parent Borrower (i) to provide to the Administrative Agent and receive from the Administrative Agent all notices with respect to Loans obtained for the benefit of any Borrower and all other notices and instructions under this Agreement and the other Loan Documents and (ii) to take such action as the Parent Borrower deems appropriate on its behalf to obtain Loans and to exercise such other powers as are reasonably incidental thereto to carry out the purposes of this Agreement. It is understood that the handling of the Collateral of the Borrowers in a combined fashion, as more fully set forth herein and in the Collateral Documents, is done solely as

an accommodation to the Borrowers in order to utilize the collective borrowing powers of the Borrowers in the most efficient and economical manner and at their request, and that neither the Agents nor the Lenders shall incur liability to the Borrowers as a result hereof. Each of the Borrowers expects to derive benefit, directly or indirectly, from the handling of the Collateral in a combined fashion since the successful operation of each Borrower is dependent on the continued successful performance of the integrated group.

(f) In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, if the obligations of any Borrower hereunder would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability hereunder, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Borrower, any Loan Party or any other Person, be automatically limited and reduced to the highest amount that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

(g) After the Closing Date, the Parent Borrower may, at any time and from time to time, designate any Subsidiary that is a Domestic Subsidiary as a Borrower by delivery to the Administrative Agent of a Borrower Joinder Agreement executed by such Subsidiary and the Parent Borrower, together with any documentation and other information with respect to such additional Borrower required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including, without limitation, the PATRIOT Act requested by the Administrative Agent (and to the extent not theretofore delivered on the Closing Date or otherwise), and upon such delivery and satisfaction, such Subsidiary shall for all purposes of this Agreement and the other Loan Documents be a Borrower and a party to this Agreement. As soon as practicable upon receipt of a Borrower Joinder Agreement, the Administrative Agent shall furnish a copy thereof to each Lender.

### ARTICLE III.

#### Taxes, Increased Costs Protection and Illegality

##### Section 3.01 Taxes.

(a) All payments by or on account of any obligation of the Borrowers or any other Loan Party hereunder or under any other Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law. If any applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from or in respect of any such payment, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law and, if such Tax is an Indemnified Tax, the sum payable by the Borrowers or other applicable Loan Party shall be increased as necessary so that after all such deductions or withholdings for Indemnified Taxes have been made (including such deductions and withholdings for Indemnified Taxes applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding for Indemnified Taxes been made.

(b) In addition but without duplication, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Without duplication of amounts paid pursuant to Section 3.01, the Loan Parties shall jointly and severally indemnify each Recipient, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The relevant Recipient shall notify the Parent Borrower of the imposition of any Indemnified Tax reasonably promptly after becoming aware of the imposition of such Tax. A certificate as to the amount of such payment or liability delivered to the Parent Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Within 30 days after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 3.01, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section 3.01), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 3.01 with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall promptly repay to such indemnified party the amount paid over pursuant to this clause (e) (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this clause (e), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this clause (e) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This clause (e) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(f) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (c) or Section 3.05 with respect to such Lender it will, if requested by the Parent Borrower, use commercially reasonable efforts (subject to such Lender's overall internal policies of general application and legal and regulatory restrictions) to avoid or reduce to the greatest extent possible any indemnification or additional amounts being due under this Section 3.01 or Section 3.05, including to designate another Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage; and provided, further, that nothing in this Section 3.01(f) shall affect or postpone any of the Obligations of any of the Borrowers or the rights of such Lender pursuant to Sections 3.01(a) and (c) and Section 3.05. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender as a result of a request by the Parent Borrower under this Section 3.01(f).

(g) (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to any payments made under any Loan Document shall deliver to the Parent Borrower and the Administrative Agent, at the time or times reasonably requested by the Parent Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Parent Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Parent Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Parent Borrower or the Administrative Agent as will enable the Parent Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 3.01(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Parent Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Parent Borrower or the Administrative Agent) executed copies of IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding;

(B) any Foreign Lender shall deliver to the Parent Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Parent Borrower or the Administrative Agent), whichever of the following is applicable:

(a) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(b) executed copies of IRS Form W-8ECI (or any successor form);

(c) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit K-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10-percent shareholder” of any Borrower within the meaning of Section 871(h)(3)(B) of the Code, a “controlled foreign corporation” related to any Borrower, as described in Section 881(c)(3)(C), of the Code and that no payments in connection with any Loan Document are effectively connected with such Lender’s conduct of a U.S. trade or business (a “U.S. Tax Compliance Certificate”) and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable (or any successor form); or

(d) to the extent a Foreign Lender is not the beneficial owner (e.g., where the Foreign Lender is a partnership or a participating Lender), executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a certificate substantially in the form of Exhibit K-2 or Exhibit K-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender shall provide a certificate substantially in the form of Exhibit K-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Parent Borrower or the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Parent Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Parent Borrower or the Administrative Agent to determine the withholding or deduction required to be made;

(D) if a payment made to a Recipient under any Loan Document would be subject to Tax imposed by FATCA if such Lender or the Administrative Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Recipient shall deliver to the Parent Borrower and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Parent Borrower or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Parent Borrower or the Administrative Agent as may be necessary for the relevant Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine whether such Recipient has complied with such Recipient’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement; and

(E) the Administrative Agent, and any successor or supplemental Administrative Agent, shall deliver to the Parent Borrower (in such number of copies as shall be requested by the recipient) on or prior to the date on which the Administrative Agent becomes the administrative agent hereunder or under any other Loan Document (and from time to time thereafter upon the reasonable request of the Parent Borrower) executed copies of either (i) IRS Form W-9 (or any successor form) or (ii) a U.S. branch withholding certificate on IRS Form W-8IMY (or any successor form) evidencing its agreement with the Borrowers to be treated as a U.S. person (with respect to amounts received on account of any Lender) and IRS Form W-8ECI (with respect to amounts received on its own account), with the effect that, in either case, the Borrowers will be entitled to make payments hereunder to the Administrative Agent without withholding or deduction on account of U.S. federal withholding tax.

Each Recipient agrees that if any documentation it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall promptly update and deliver such form or certification to the Parent Borrower and the Administrative Agent or promptly notify the Parent Borrower and the Administrative Agent in writing of its legal ineligibility to do so. Notwithstanding any other provision of this Section 3.01, a Lender shall not be required to deliver any documentation that such Lender is not legally eligible to deliver.

Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to Section 3.01(g).

(h) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.07(m) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (h).

(i) The agreements in this Section 3.01 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

(j) For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 3.01, include any L/C Issuer, and the term "applicable law" includes FATCA.

#### Section 3.02 [Reserved].

Section 3.03 Illegality. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to the Eurocurrency Rate, or to determine or charge interest rates based upon the Adjusted Eurocurrency Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the applicable interbank market, then, on notice thereof by such Lender to the Parent Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue Eurocurrency Rate Loans or to convert Base Rate Loans to Eurocurrency Rate Loans shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans, the interest rate on which is determined by reference to the Adjusted Eurocurrency Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender, shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Parent Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrowers shall,

upon demand from such Lender (with a copy to the Administrative Agent), prepay or (A) if applicable and such Lender's Eurocurrency Rate Loans are denominated in Dollars, convert all of such Lender's Eurocurrency Rate Loans to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Adjusted Eurocurrency Rate component of the Base Rate) or (B) if applicable and such Lender's Eurocurrency Rate Loans are denominated in an Alternative Currency, the interest rate with respect to such Eurocurrency Rate Loans shall be determined by an alternative rate mutually acceptable to the Parent Borrower and the applicable Revolving Credit Lenders, in each case, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or promptly after such demand, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans. Upon any such prepayment or conversion, the Borrowers shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.06. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

#### Section 3.04 Inability to Determine Rates.

(a) If the Administrative Agent reasonably determines that (i) for any reason, adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period and currency with respect to a proposed Eurocurrency Rate Loan, or (ii) is informed by the Required Lenders that the Eurocurrency Rate for any requested Interest Period and currency with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or (iii) that deposits are not being offered to banks in the relevant interbank market for the applicable amount, currency and the Interest Period of such Eurocurrency Rate Loan, the Administrative Agent will promptly so notify the Parent Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans of such currency shall be suspended and (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended, in each case until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Parent Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans of such currency or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein (or, in the case of a pending request for a Revolving Credit Loan denominated in an Alternative Currency, the Parent Borrower, the Administrative Agent and the applicable Revolving Credit Lenders may establish a mutually acceptable alternative rate).

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Parent Borrower may amend this Agreement to replace the Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Parent Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders; *provided that*, to the extent the Benchmark is replaced with a SOFR-Based Rate, Lenders shall only be entitled to object to the Benchmark Replacement Adjustments with respect thereto. Any such amendment with respect to an Early Opt-in Election will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Parent Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of the Benchmark with a Benchmark Replacement pursuant to this Section 3.04 will occur prior to the applicable Benchmark Transition Start Date.

(c) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement.

(d) The Administrative Agent will promptly notify the Parent Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 3.04, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 3.04.

(e) Upon the Parent Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Parent Borrower may revoke any request for a Eurocurrency Rate Borrowing of, conversion to or continuation of Eurocurrency Rate Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Parent Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During any Benchmark Unavailability Period, the component of Base Rate based upon Adjusted Eurocurrency Rate will not be used in any determination of Base Rate.

#### Section 3.05 Increased Cost and Reduced Return; Capital Adequacy and Liquidity Requirements

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the date hereof, or such Lender's compliance therewith, there shall be any material increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan the interest on which is determined by reference to the Eurocurrency Rate or (as the case may be) issuing or participating in Letters of Credit, or a material reduction in the amount received or receivable by such Lender in connection with any of the foregoing (including Taxes on or in respect of its loans, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, but excluding for purposes of this Section 3.05(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes indemnifiable under Section 3.01 and (ii) Excluded Taxes), then within 15 days after demand of such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrowers shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction.

(b) If any Lender reasonably determines that the introduction of any Law regarding capital adequacy and liquidity requirements or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Lending Office) therewith, has the effect of materially reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and liquidity and such Lender's desired return on capital), then within 15 days after demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.06), the Borrowers shall pay to such Lender such additional amounts as will compensate such Lender for such reduction.

(c) The Borrowers shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves or liquidity with respect to liabilities or assets consisting of or including Eurocurrency Rate funds or deposits, additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves or liquidity allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of manifest error), and (ii) as long as such Lender shall be required to comply with any liquidity requirement, reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the Eurocurrency Rate Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive absent manifest error) which in each case shall be due and payable on each date on which interest is payable on such Loan; provided the Parent Borrower shall have received at least 15 days' prior written notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give written notice fifteen days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable 15 days from receipt of such written notice.

(d) For purposes of this Section 3.05, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, regulations, guidelines or directives thereunder or issued in connection therewith and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities (other than foreign regulatory authorities in Switzerland), in each case pursuant to Basel III, shall, in each case, be deemed to have gone into effect after the date hereof, regardless of the date enacted, adopted or issued.

Section 3.06 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent) from time to time, setting forth in reasonable detail the basis for calculating such compensation, the Borrowers shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrowers (for a reason other than the failure of such Lender to make a Loan or pursuant to a conditional notice) to prepay, borrow, continue or convert any Eurocurrency Rate Loan on the date or in the amount notified by the Parent Borrower;

(c) any failure by the Borrowers to make payment of any Loan or drawing under any Letter of Credit (or interest due thereon) denominated in an Alternative Currency on its scheduled due date or any payment of any Loan or drawing under any Letter of Credit (or interest due thereon) in a different currency from such Loan or Letter of Credit drawing; or

(d) any mandatory assignment of such Lender's Eurocurrency Rate Loans pursuant to Section 3.08 on a day other than the last day of the Interest Period for such Loans,

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained (but excluding anticipated profits). The Borrowers shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

Section 3.07 Matters Applicable to All Requests for Compensation.

(a) A certificate of any Agent or any Lender claiming compensation under this Article III and setting forth in reasonable detail a calculation of the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods. With respect to any Lender's claim for compensation under Section 3.03, 3.04 or 3.05, the Loan Parties shall not be required to compensate such Lender for any amount incurred more than 180 days prior to the date that such Lender notifies the Parent Borrower of the event that gives rise to such claim; provided that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If any Lender requests compensation under Section 3.05, or the Borrowers are required to pay any additional amount to any Lender, any L/C Issuer, or any Governmental Authority for the account of any Lender or any L/C Issuer pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.03, then such Lender or the L/C Issuer, as applicable, will, if requested by the Parent Borrower and at the Borrowers' expense, use commercially reasonable efforts to designate another Lending Office for any Loan or Letter of Credit affected by such event; provided that such efforts (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as applicable, in the future and (ii) would not, in the judgment of such Lender or such L/C Issuer, as applicable, be

inconsistent with the internal policies of, or otherwise be disadvantageous in any material legal, economic or regulatory respect to such Lender or its Lending Office or such L/C Issuer. The provisions of this clause (b) shall not affect or postpone any Obligations of the Borrowers or rights of such Lender pursuant to Section 3.05.

(c) If any Lender requests compensation by the Borrowers under Section 3.05, the Parent Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue from one Interest Period to another Eurocurrency Rate Loans, or to convert Base Rate Loans into Eurocurrency Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.07(e) shall be applicable); provided that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(d) If the obligation of any Lender to make or continue from one Interest Period to another any Eurocurrency Rate Loan, or to convert Base Rate Loans into Eurocurrency Rate Loans shall be suspended pursuant to Section 3.07(e) hereof, such Lender's Eurocurrency Rate Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such Eurocurrency Rate Loans (or, in the case of an immediate conversion required by Section 3.03, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Eurocurrency Rate Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Eurocurrency Rate Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as Eurocurrency Rate Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Eurocurrency Rate Loans shall remain as Base Rate Loans.

(e) If any Lender gives notice to the Parent Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.03, 3.04 or 3.05 hereof that gave rise to the conversion of such Lender's Eurocurrency Rate Loans pursuant to this Section 3.07 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Eurocurrency Rate Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Commitments.

(f) A Lender shall not be entitled to any compensation pursuant to the foregoing sections to the extent such Lender is not imposing such charges or requesting such compensation from borrowers (similarly situated to the Borrowers hereunder) under comparable syndicated credit facilities.

#### Section 3.08 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) the Borrowers become obligated to pay additional amounts or indemnity payments described in Section 3.01 or 3.05 (other than with respect to Other Taxes) as a result of any condition described in such Sections or any Lender ceases to make Eurocurrency Rate Loans as a result of any condition described in Section 3.03 or 3.04, (ii) any Lender becomes a Defaulting Lender or (iii) any Lender becomes a Non-Consenting Lender (as defined below in this Section 3.08) (collectively, a "Replaceable Lender"), then the Parent Borrower may, on written notice from the Parent Borrower to the Administrative Agent and such Lender, either (i) replace such Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Borrowers in such instance unless waived by the Administrative Agent) all of its rights and obligations under this Agreement (or, in the case of a Non-Consenting Lender, all of its rights and obligations under this Agreement with respect to the Facility or Facilities for which its consent is required) to one or more Eligible Assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrowers to find a replacement Lender or other such Person or (ii) so long as no Event of Default shall have occurred and be continuing, terminate the Commitment of such Lender or L/C Issuer, as the case may be, and (1) in

the case of a Lender (other than an L/C Issuer), repay all Obligations of the Borrowers owing (and the amount of all accrued interest and fees in respect thereof) to such Lender relating to the Loans and participations held by such Lender as of such termination date and (2) in the case of an L/C Issuer, repay all obligations of the Borrowers owing to such L/C Issuer relating to the Loans and participations held by such L/C Issuer as of such termination date and cancel or backstop on terms satisfactory to such L/C Issuer any Letters of Credit issued by it; provided that (i) in the case of any such replacement of, or termination of Commitments with respect to a Non-Consenting Lender such replacement or termination shall be sufficient (together with all other consenting Lenders including any other replacement Lender) to cause the adoption of the applicable modification, waiver or amendment of the Loan Documents and (ii) in the case of any such replacement as a result of the Borrowers having become obligated to pay amounts described in Section 3.01 or 3.05, such replacement would eliminate or reduce payments pursuant to Section 3.01 or 3.05, as applicable, in the future. Any Lender being replaced pursuant to this Section 3.08(a) (i) need not be a party to an Assignment and Assumption in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; provided that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender, provided that any such documents shall be without recourse to or warranty by the parties thereto and (ii) shall deliver any Notes evidencing such Loans to the Borrowers (for return to the Borrower) or the Administrative Agent. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitment and outstanding Loans and participations in L/C Obligations, (B) all Obligations relating to the Loans and participations (and the amount of all accrued interest, fees and premiums in respect thereof) so assigned shall be paid in full by the assignee Lender to such assigning Lender concurrently with such assignment and assumption and (C) upon such payment and, if so requested by the assignee Lender, the assigning Lender shall deliver to the assignee Lender the applicable Note or Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender. In connection with any such replacement, if any such Replaceable Lender does not execute and deliver to the Administrative Agent a duly executed Assignment and Assumption reflecting such replacement within two Business Days of the date on which the assignee Lender executes and delivers such Assignment and Assumption to such Replaceable Lender, then such Replaceable Lender shall be deemed to have executed and delivered such Assignment and Assumption without any action on the part of the Replaceable Lender. In connection with the replacement of any Lender pursuant to this Section 3.08(a), the Borrowers shall pay to such Lender such amounts as may be required pursuant to Section 3.06.

(b) Notwithstanding anything to the contrary contained above, (i) any Lender that acts as an L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer or the depositing of Cash Collateral into a cash collateral account in amounts and pursuant to arrangements consistent with the requirements of Section 2.16) have been made with respect to such outstanding Letter of Credit and (ii) the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

For purposes of determining compliance with this Section 7.01, in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of Permitted Debt or is entitled to be incurred or issued as Ratio Debt, the Parent Borrower shall, in its sole discretion, at the time of incurrence or issuance, divide, classify or reclassify, or at any later time divide, classify or reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) in any manner that complies with this Section 7.01; provided that all Indebtedness under this Agreement incurred on the Closing Date shall be deemed to have been Incurred pursuant to Section 7.01(a), and the Parent Borrower shall not be permitted to reclassify all or any portion of Indebtedness Incurred on the Closing Date pursuant to Section 7.01(a). Accrual of interest (including payment-in-kind) or dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest or dividends in the form of additional Indebtedness with the same terms, the payment of dividends on Disqualified Stock or Preferred Stock in the form of additional shares of Disqualified Stock or Preferred Stock of the same class, the accretion of liquidation preference and increases in the amount of Indebtedness, Disqualified Stock or Preferred Stock outstanding solely as a result of fluctuations in the exchange rate of currencies will not be deemed to be an Incurrence of Indebtedness or issuance of Disqualified Stock or Preferred Stock for purposes of this Section 7.01 and any Lien permitted to be Incurred with respect to any Indebtedness relating to such amounts shall be permitted to secure such obligations. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness that are otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; provided that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 7.01.

that if such Indebtedness, Disqualified Stock or Preferred Stock is Incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount or liquidation preference, as applicable, of such Refinancing Indebtedness does not exceed the principal amount or liquidation preference, as applicable, of such Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, being refinanced (plus unpaid accrued interest and the aggregate amount of premiums (including reasonable tender premiums) and underwriting discounts, defeasance costs and fees, discounts and expenses in connection therewith).

The principal amount or liquidation preference, as applicable, of any Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, Incurred to refinance other Indebtedness, Disqualified Stock or Preferred Stock, if Incurred in a different currency from the Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness, Disqualified Stock or Preferred Stock is denominated that is in effect on the date of such refinancing.

#### Section 7.02 Limitations on Liens.

Permit the Borrowers or any Restricted Subsidiary to, create, incur, assume or suffer to exist any Lien upon any property or assets of any kind (real or personal, tangible or intangible) of the Borrowers or any Restricted Subsidiary, whether now owned or hereafter acquired (each, a “Subject Lien”) that secures obligations under any Indebtedness on any asset or property of the Borrowers or any Restricted Subsidiary, except:

- (a) in the case of Subject Liens on any Collateral, such Subject Lien is a Permitted Lien; and
- (b) in the case of any other asset or property, any Subject Lien if (i) the Obligations are equally and ratably secured with (or on a senior basis to, in the case such Subject Lien secures any Junior Financing) the obligations secured by such Subject Lien or (ii) such Subject Lien is a Permitted Lien.

(c) any Restricted Subsidiary may Dispose of all or substantially all of its assets (upon voluntary liquidation or otherwise) to any Borrower or to any Restricted Subsidiary; provided that if the transferor in such a transaction is a Borrower or a Guarantor, then (i) the transferee must either be a Borrower or a Guarantor in the same jurisdiction or a different jurisdiction reasonably satisfactory to the Administrative Agent and (ii) to the extent constituting an Investment, such Investment must be a Permitted Investment or Indebtedness of a Restricted Subsidiary which is not a Loan Party in accordance with Section 7.01, respectively; provided, further, that the Borrowers may Dispose of all or substantially all of their assets (upon voluntary liquidation or otherwise) to any other Loan Party;

(d) any Restricted Subsidiary (other than a Borrower) may merge, amalgamate or consolidate with, or dissolve into, any other Person in order to effect Permitted Investment; provided that (i) the continuing or surviving Person shall, to the extent subject to the terms hereof, have complied with the requirements of Section 6.12 and (ii) to the extent constituting an Investment, such Investment must be a Permitted Investment and (iii) to the extent constituting a Disposition, such Disposition must be permitted hereunder;

(b) any notes or other obligations or other securities or assets received by such Borrower or such Restricted Subsidiary from such transferee that are converted by such Borrower or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash or Cash Equivalents (to the extent of the cash or Cash Equivalents received) within 180 days of the receipt thereof; and

(8) any Restricted Payments made in connection with the consummation of the Transactions, including any dividends, payments or loans made to the Parent Borrower or any direct or indirect parent of the Parent Borrower to enable it to make any such payments or any future payments to employees of the Parent Borrower, any Restricted Subsidiary of the Parent Borrower or any direct or indirect parent of the Parent Borrower under agreements entered into in connection with the Transactions;

(g) make Restricted Payments to any direct or indirect parent of the Parent Borrower to finance, or to any direct or indirect parent of the Parent Borrower for the purpose of paying to any other direct or indirect parent of the Parent Borrower to finance, any Investment that, if consummated by the Parent Borrower or any of its Restricted Subsidiaries, would be a Permitted Investment; provided that (a) such Restricted Payment is made substantially concurrently with the closing of such Investment and (b) promptly following the closing thereof, such direct or indirect parent of the Borrowers causes (i) all property acquired (whether assets or Equity Interests) to be contributed to the Parent Borrower or any Restricted Subsidiary or (ii) the merger, consolidation or amalgamation (to the extent permitted by Section 7.03) of the Person formed or acquired into the Parent Borrower or any Restricted Subsidiary in order to consummate such acquisition or Investment, in each case, in accordance with the requirements of Section 6.12;

(15) (i) repurchases of Equity Interests deemed to occur upon exercise of stock options or warrants if such Equity Interests represent a portion of the exercise price of such options or warrants, (ii) payments made or expected to be made by the Parent Borrower or any Restricted Subsidiary in respect of withholding or similar taxes payable or expected to be payable by any future, present or former director, officer, employee, manager, consultant or independent contractor of the Parent Borrower or any direct or indirect parent of the Parent Borrower or any Subsidiary of the Parent Borrower (or their respective Affiliates, estates or immediate family members) in connection with the exercise of stock options or the grant, vesting or delivery of Equity Interests and (iii) loans or advances to officers, directors, employees, managers, consultants and independent contractors of the Parent Borrower or any direct or indirect parent of the Parent Borrower or any Subsidiary of the Parent Borrower in connection with such Person's purchase of Equity Interests of the Parent Borrower or any direct or indirect parent of the Parent Borrower; provided that no cash is actually advanced pursuant to this clause (iii) other than to pay taxes due in connection with such purchase, unless immediately repaid;

(19) the payment of cash in lieu of the issuance of fractional shares of Equity Interests in connection with any merger, consolidation, amalgamation or other business combination, or in connection with any dividend, distribution or split of or upon exercise, conversion or exchange of Equity Interests, warrants, options or other securities exercisable or convertible into, Equity Interests of the Parent Borrower or any direct or indirect parent of the Parent Borrower;

(20) [reserved];

(21) the making of payments (i) to the Sponsor pursuant to or contemplated by the Management Agreement or (ii) to or on behalf of the Sponsor for any other financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including, without limitation, in connection with acquisitions or divestitures, including in connection with the consummation of the Transactions, which payments are approved in respect of such activities by a majority of the Board of Directors of the Parent Borrower or any direct or indirect parent of the Parent Borrower in good faith;

(24) any payment that is intended to prevent any Junior Financing from being treated as an "applicable high yield discount obligation" within the meaning of Section 163(i)(1) of the Code;

provided, however, that at the time of, and after giving effect to, any Restricted Payment permitted under clause (11), (22) and (23), no Event of Default shall have occurred and be continuing or would occur as a consequence thereof. For purposes of clauses (13) and (14) above, taxes shall include all interest and penalties with respect thereto and all additions thereto.

The Parent Borrower will not, and will not permit any of its Subsidiaries to, amend, modify or change any term or condition of any Junior Financing Document equal to or greater than the Threshold Amount in any manner that is, taken as a whole, materially adverse to the interests of the Administrative Agent or the Lenders.

The Borrowers will not permit any Restricted Subsidiary to become an Unrestricted Subsidiary except pursuant to the definition of "Unrestricted Subsidiary." For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Parent Borrower and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated will be deemed to be Restricted Payments or Permitted Investments in an amount determined as set forth in the last sentence of the definition of "Investments." Such designation will only be permitted if a Restricted Payment or Permitted Investment in such amount would be permitted at such time and if such Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. Unrestricted Subsidiaries will not be subject to any of the restrictive covenants set forth in this Agreement.

For purposes of this Section 7.05, if any Restricted Payment (or a portion thereof) would be permitted at any time, whether at the time of declaration or payment, purchase, redemption, defeasance or other acquisition or retirement, or at the time of the making thereof, or subsequently at a later time, pursuant to one or more provisions described above and/or one or more of the exceptions contained in the definition of "Permitted Investments", the Parent Borrower may divide, classify and/or reclassify such Restricted Payment (or a portion thereof) in any manner that complies with this Section 7.05 (provided that any capacity under any baskets, exemptions or incurrence tests under this Section 7.05 or its component definitions which is limited to Investment, Permitted Investment or Restricted Investment capacity by its terms may not be utilized for purposes of making Restricted Payments of the types described in clauses (1) through (3) of the first paragraph of this Section 7.05) and may later divide, classify and/or reclassify any such Restricted Payment so long as the Restricted Payment (as so divided, classified and/or reclassified) would be permitted to be made in reliance on the applicable exception as of the date of such reclassification, it being understood that if any reclassification to clause (22) or (23) would be permitted after delivery of the most recent financial statements pursuant to Section 6.01, then such reclassification shall be automatic.

Section 7.06 Burdensome Agreements.

Permit any of its Restricted Subsidiaries to create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

(5) customary encumbrances or restrictions contained in contracts or agreements for the sale of assets applicable to such assets pending consummation of such sale, including customary restrictions with respect to a Subsidiary imposed pursuant to an agreement entered into for the sale or disposition of Capital Stock or assets of such Subsidiary;

(6) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(9) customary provisions contained in leases, sub-leases, licenses, sublicenses, contracts and other similar agreements entered into in the ordinary course of business to the extent such obligations impose restrictions of the type described in clauses (c) or (d) in the first paragraph of this Section 7.06 on the property subject to such lease;

(10) any encumbrance or restriction effected in connection with a Qualified Receivables Factoring or Qualified Receivables Financing that, in the good faith determination of the Borrower, are necessary or advisable to effect such Qualified Receivables Factoring or Qualified Receivables Financing, as applicable;

(11) any encumbrance or restriction contained in other Indebtedness, Disqualified Stock or Preferred Stock of any Borrower or any Restricted Subsidiary that is incurred subsequent to the Closing Date pursuant to Section 7.01, provided that (i) such encumbrances and restrictions contained in any agreement or instrument will not materially affect the Borrowers' ability to make anticipated principal or interest payments under this Agreement (as determined by the Parent Borrower in good faith) or (ii) such encumbrances and restrictions contained in any agreement or instrument taken as a whole are not materially less favorable to the Lenders than the encumbrances and restrictions contained in this Agreement (as determined by the Parent Borrower in good faith);

(12) any encumbrance or restriction contained in secured Indebtedness otherwise permitted to be incurred pursuant to Sections 7.01 and 7.02 to the extent limiting the right of the debtor to dispose of the assets securing such Indebtedness;

(13) any encumbrance or restriction arising or agreed to in the ordinary course of business, not relating to any Indebtedness, and that do not, individually or in the aggregate, (x) detract from the value of the property or assets of the Borrowers or any Restricted Subsidiary in any manner material to the Borrowers or any Restricted Subsidiary or (y) materially affect the Borrowers' ability to make future principal or interest payments under this Agreement, in each case, as determined by the Parent Borrower in good faith;

(14) customary provisions in joint venture agreements or arrangements and other similar agreements or arrangements relating solely to the applicable joint venture; and

(15) any encumbrances or restrictions of the type referred to in Section 7.06(a), (b), (c) and (d) imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (14) above; provided that such encumbrances and restrictions contained in any such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing are, in the good faith judgment of the Parent Borrower, not materially more restrictive, taken as a whole, than the encumbrances and restrictions prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

For purposes of determining compliance with this Section 7.06, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock shall not be deemed a restriction on the ability to make distributions on Capital Stock and (ii) the subordination of loans or advances made to a Borrower or a Restricted Subsidiary to other Indebtedness Incurred by such Borrower or any such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

Section 7.07 Accounting Changes. Make any change in fiscal year; provided, however, that the Parent Borrower or Holdings may, upon written notice to the Administrative Agent, change its fiscal year to any other fiscal year reasonably acceptable to the Administrative Agent, in which case, the Parent Borrower and the Administrative Agent will, and are hereby authorized by the Lenders to, make any amendments to this Agreement that are necessary, in the judgment of the Administrative Agent and the Parent Borrower or Holdings, as applicable, to reflect such change in fiscal year.

to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, in each case, prior to its stated maturity; provided that this clause (e)(B) shall not apply to (x) secured Indebtedness that becomes due as a result of the sale or transfer or other Disposition (including a Casualty Event) of the property or assets securing such Indebtedness permitted hereunder and under the documents providing for such Indebtedness and such Indebtedness is repaid when required under the documents providing for such Indebtedness, (y) events of default, termination events or any other similar event under the documents governing Swap Contracts for so long as such event of default, termination event or other similar event does not result in the occurrence of an early termination date or any acceleration or prepayment of any amounts or other Indebtedness payable thereunder or (z) Indebtedness that upon the happening of any such default or event automatically converts into Equity Interests (other than Disqualified Stock or, in the case of a Restricted Subsidiary, Disqualified Stock or Preferred Stock) in accordance with its terms; provided further, that such failure is unremedied and is not validly waived by the holders of such Indebtedness in accordance with the terms of the documents governing such Indebtedness prior to any termination of the Revolving Credit Commitments or acceleration of the Loans pursuant to Section 8.02; or

(f) Insolvency Proceedings, Etc. Any Loan Party or any Restricted Subsidiary (other than an Immaterial Subsidiary) institutes or consents to the institution of any proceeding under any Debtor Relief Law, a winding-up, an administration, a dissolution, or a composition or makes an assignment for the benefit of creditors or any other action is commenced (by way of voluntary arrangement, scheme of arrangement or otherwise); or appoints, applies for or consents to the appointment of any receiver, administrator, administrative receiver, trustee, custodian, conservator, liquidator, rehabilitator, judicial manager, provisional liquidator, administrator, receiver and manager, controller, monitor or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, judicial manager, provisional liquidator, administrator, administrative receiver, receiver and manager, controller, monitor or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for 60 days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or substantially all of its property is instituted without the consent of such Person and continues undismissed or unstayed for 60 days, or an order for relief is entered in any such proceeding; or

(g) Inability to Pay Debts; Attachment. (i) Any Loan Party or any Restricted Subsidiary (other than any Immaterial Subsidiary) admits in writing its inability or fails generally to pay its debts as they become due or suspends making payments or enters into a moratorium or standstill arrangement in relation to its Indebtedness or is taken to have failed to comply with a statutory demand (or otherwise be presumed to be insolvent by applicable Law) or (ii) any writ or warrant of attachment or execution or similar process is issued, commenced or levied against all or substantially all of the property of any such Person and is not released, vacated or fully bonded within 60 days after its issue, commencement or levy, or any analogous procedure or step is taken in any jurisdiction; or

(h) Judgments. There is entered against any Loan Party or any Restricted Subsidiary a final judgment or order for the payment of money in an aggregate amount (as to all such judgments and orders) equal to or greater than the Threshold Amount (to the extent not paid and not covered by (i) independent third-party insurance as to which the insurer has been notified of such judgment or order and does not deny coverage or (ii) an enforceable indemnity to the extent that such Loan Party or Restricted Subsidiary shall have made a claim for indemnification and the applicable indemnifying party shall not have disputed such claim) and there is a period of 60 consecutive days during which a stay of enforcement of such judgment, by reason of a pending appeal or otherwise, is not in effect; or

(i) ERISA. (i) One or more ERISA Events occur or there is or arises an Unfunded Pension Liability (taking into account only Plans with positive Unfunded Pension Liability) which ERISA Event or Events or Unfunded Pension Liability or Unfunded Pension Liabilities results or could reasonably be expected to result in liability of any Loan Party in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect, (ii) any Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA which has resulted or could reasonably be expected to result in liability of any

Loan Party in an aggregate amount which would reasonably be expected to result in a Material Adverse Effect or (iii) with respect to a Foreign Plan, a termination, withdrawal, imposition of a Lien or noncompliance with applicable Law or plan terms that would reasonably be expected to result in a Material Adverse Effect; or

(j) Invalidity of Certain Loan Documents. Any material provision of any Collateral Document, any Guaranty, the Intercompany Subordination Agreement and/or any intercreditor agreement required to be entered into pursuant to the terms of this Agreement (in each case, subject to the Perfection Exceptions), at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.03 or Section 7.04) or terminating the Aggregate Commitments and satisfaction in full of all the Obligations (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) ceases to be in full force and effect (except that any such failure to be in full force and effect with respect to the documents referred to in clause (vii) of the definition of "Loan Documents" shall constitute an Event of Default only if the Parent Borrower receives notice thereof and the Parent Borrower fails to remedy the relevant failure in all material respects within 15 days of receiving said notice); or any Loan Party contests in writing the validity or enforceability of any provision of this Agreement, any Collateral Document, any Guaranty, the Intercompany Subordination Agreement and/or any intercreditor agreement required to be entered into pursuant to the terms of this Agreement; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a result of repayment in full of the Obligations (other than contingent indemnification obligations as to which no claim has been asserted and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Loan Document or the perfected Liens created thereby; or

(k) Change of Control. There occurs any Change of Control.

Notwithstanding any other provisions herein or in any other Loan Document to the contrary, no dollar-denominated basket under Article VII shall be treated as having been breached if the relevant breach would not have occurred but for any fluctuation in exchange rates, and no action taken and reported to the Administrative Agent and the Lenders or otherwise publicly available shall provide the basis for any Event of Default more than two (2) years after the date on which such action was reported to the Administrative Agent and the Lenders; *provided* that such limitation shall not apply to the extent the Administrative Agent has commenced any remedial action or has provided notice to the Parent Borrower that it reserved its rights relating to such Event of Default.

Section 8.02 Remedies Upon Event of Default. If any Event of Default occurs and is continuing (including any Event of Default arising by virtue of the termination and declaration contemplated by the proviso to Section 8.01(b)), the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders (and, if a Financial Covenant Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Revolving Lenders only, and in such case, without limiting the proviso to Section 8.01(b), only with respect to the Revolving Credit Facility and any Letters of Credit, L/C Credit Extensions and L/C Obligations), take any or all of the following actions:

(a) declare the commitment of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrowers;

(c) require that the Borrowers Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and

(d) exercise on behalf of itself, the L/C Issuers and the Lenders all rights and remedies available to it, the L/C Issuers and the Lenders under the Loan Documents, under any document evidencing Indebtedness in respect of which the Facilities have been designated as “Designated Senior Debt” (or any comparable term) and/or under applicable Law;

provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrowers under any Debtor Relief Law, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Borrowers to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Notwithstanding anything herein to the contrary, any notice of Default, Event of Default or acceleration provided to the Borrowers by the Administrative Agent on behalf of one or more Lenders that have expressly requested that such notice be given to the Borrowers must be accompanied by a written Net Short Representation from any such Lender (other than an Unrestricted Lender) delivered to the Borrowers (with a copy to the Administrative Agent); provided that (A) in the absence of any such written Net Short Representation, each such Lender shall be deemed to have represented and warranted to the Borrowers and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Borrowers and the Administrative Agent shall be entitled to rely conclusively on each such representation and deemed representation) and (B) no Net Short Representation shall be required to be delivered during the pendency of a Default or Event of Default caused by a Bankruptcy Event.

#### Section 8.03 Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 8.01 or 8.02, in the event that the Parent Borrower fails to comply with the requirements of the Financial Covenant at any time when the Parent Borrower is required to comply with the Financial Covenant pursuant to the terms thereof, then (A) from the end of the most recently ended fiscal quarter of the Parent Borrower until the expiration of the fifteenth Business Day subsequent to the date the relevant Compliance Certificate is required to be delivered pursuant to Section 6.02(b) (the last day of such period being the “Anticipated Cure Deadline”), Holdings shall have the right (the “Cure Right”) to (A) issue common Capital Stock (or preferred equity reasonably acceptable to the Administrative Agent) for cash and contribute the proceeds therefrom in the form of common Capital Stock or in another form reasonably acceptable to the Administrative Agent to the Parent Borrower, (B) obtain a contribution to its equity (which shall be in the form of common equity or otherwise in a form reasonably acceptable to the Administrative Agent) or (C) Incur Subordinated Indebtedness (which shall be in a form reasonably acceptable to the Administrative Agent) (“Cure Equity”), and upon the receipt by the Parent Borrower of such cash (the “Cure Amount”), pursuant to the exercise by the Parent Borrower of such Cure Right, the calculation of Consolidated EBITDA as used in the Financial Covenant shall be recalculated giving effect to the following pro forma adjustments:

(i) Consolidated EBITDA for such fiscal quarter (and for any subsequent period that includes such fiscal quarter) shall be increased, solely for the purpose of measuring the Financial Covenant and not for any other purpose under this Agreement (including but not limited to determining the availability or amount of any covenant baskets or carve-outs (including the determination of amounts available under Section 7.05) or determining the Applicable Commitment Fee or Applicable Rate, provided that, in determining the Applicable Commitment Fee or the Applicable Rate, effect shall be given to the relevant Cure Amount for purposes of clause (y) in the respective definitions thereof, such that no Event of Default shall be deemed to have occurred and be continuing), by an amount equal to the Cure Amount; provided that (1) the receipt by the Parent Borrower of the Cure Amount pursuant to the Cure Right shall be deemed to have no other effect whatsoever under this Agreement (including but not limited to determining the availability or amount of any covenant baskets or carve-outs or determining the Applicable Commitment Fee or Applicable Rate, provided that, in determining the Applicable Commitment Fee or the Applicable Rate, effect shall be given to the relevant Cure Amount for purposes of clause (y) in the respective definitions thereof, such that no Event of Default shall be deemed to have occurred and be continuing) and (2) no Cure Amount shall reduce Indebtedness on a Pro Forma Basis for the applicable period for purposes of calculating the Financial Covenant or calculating the Consolidated First Lien Net Leverage Ratio, the Consolidated Senior Secured Net Leverage Ratio or the Consolidated Total Net Leverage Ratio, nor shall any Cure Amount held by any Borrower Party qualify as “unrestricted cash or Cash Equivalents of the Borrower Parties” for the purposes of calculating any net obligations or liabilities under the terms of this Agreement; and

(ii) if, after giving effect to the foregoing recalculations, the Parent Borrower shall then be in compliance with the requirements of the Financial Covenant, the Parent Borrower shall be deemed to have satisfied the requirements of the Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Covenant that had occurred (and any other Default as a result thereof, including the failure to meet any condition requiring no Default or Event of Default based solely on the basis of any actual or purported Event of Default under the Financial Covenant) shall be deemed cured for the purposes of this Agreement; and

(iii) prior to the Anticipated Cure Deadline, no Default or Event of Default will be deemed to have occurred as a result of any failure to meet the Financial Covenant, and the Lenders (i) shall not be permitted to accelerate Loans held by them, to terminate the Revolving Credit Commitments held by them or to exercise remedies against the Collateral on the basis of a failure to comply with the requirements of the Financial Covenant, unless such failure is not cured pursuant to the exercise of the Cure Right on or prior to the Anticipated Cure Deadline and (ii) if there has been a failure to comply with the Financial Covenant for such period, shall not be obligated to make any Credit Extension under the Revolving Credit Facility until such Cure Amount has been received by the Parent Borrower.

(b) Notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal-quarter period there shall be at least two fiscal quarters in respect of which the Cure Right is not exercised, (ii) there can be no more than five fiscal quarters in respect of which the Cure Right is exercised during the term of the Facilities and (iii) for purposes of this Section 8.03, the Cure Amount utilized shall be no greater than the minimum amount required to remedy the applicable failure to comply with the Financial Covenant.

Section 8.04 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after an actual or deemed entry of an order for relief with respect to the Borrowers under any Debtor Relief Law), any amounts received on account of the Obligations shall, subject to the provisions of Sections 2.16 and 2.17, be applied by the Administrative Agent in the following order:

(a) first, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, disbursements and other charges of counsel payable under Section 10.04 and amounts payable under Article III and amounts owing in respect of (x) the preservation of Collateral or the Collateral Agent's security interest in the Collateral or (y) with respect to enforcing the rights of the Secured Parties under the Loan Documents) payable to the Administrative Agent and the Collateral Agent in their respective capacity as such;

(b) second, to payment in full of Unfunded Advances/Participations (the amounts so applied to be distributed between or among, as applicable, the Administrative Agent and the L/C Issuers pro rata in accordance with the amounts of Unfunded Advances/Participations owed to them on the date of any such distribution);

(c) third, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal, interest and commitment fees and Letter of Credit fees) payable to the Lenders and the L/C Issuers (including fees, disbursements and other charges of counsel payable under Sections 10.04 and 10.05) arising under the Loan Documents and amounts payable under Article III, ratably among them in proportion to the respective amounts described in this clause (c) held by them;

(d) fourth, to payment of that portion of the Obligations constituting accrued and unpaid commitment fees, Letter of Credit fees and interest on the Loans, L/C Borrowings, Secured Cash Management Agreement or Secured Hedge Agreement ratably among the Lenders, the L/C Issuers, the Cash Management Banks and the Hedge Banks in proportion to the respective amounts described in this clause (d) held by them;

(e) fifth, (i) to payment of that portion of the Obligations constituting unpaid principal of the Loans, the L/C Borrowings and obligations of the Loan Parties then owing under Secured Hedge Agreements and the Secured Cash Management Agreements and (ii) to Cash Collateralize that portion of L/C Obligations comprising the aggregate undrawn amount of Letters of Credit to the extent not otherwise Cash Collateralized by the Borrowers pursuant to Sections 2.03 and 2.16, ratably among the Lenders, the L/C Issuers, the Hedge Banks party to such Secured Hedge Agreements and the Cash Management Banks party to such Secured Cash Management Agreements in proportion to the respective amounts described in this clause (e) held by them; provided that (x) any such amounts applied pursuant to the foregoing clause (ii) shall be paid to the Administrative Agent for the ratable account of the applicable L/C Issuers to Cash Collateralize such L/C Obligations, (y) subject to Sections 2.03(d) and 2.16, amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to this clause (e) shall be applied to satisfy drawings under such Letters of Credit as they occur and (z) upon the expiration of any Letter of Credit without any pending drawing, the *pro rata* share of Cash Collateral attributable to such expired Letter of Credit shall be applied by the Administrative Agent in accordance with the priority of payments set forth in this Section 8.04;

(f) sixth, to the payment of all other Obligations of the Loan Parties owing under or in respect of the Loan Documents that are then due and payable to the Administrative Agent and the other Secured Parties, ratably based upon the respective aggregate amounts of all such Obligations then owing to the Administrative Agent and the other Secured Parties; and

(g) last, after all of the Obligations have been paid in full (other than contingent indemnification obligations not yet due and owing), to the Borrowers or as otherwise required by Law;

provided that no amounts received from any Guarantor shall be applied to Excluded Swap Obligations of such Guarantor.

If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired without any pending drawing, such remaining amount shall be applied to the other Obligations, if any, in accordance with the priority of payments set forth above. Notwithstanding the foregoing, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements shall be excluded from the application of payments described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank, as the case may be. Each Cash Management Bank or Hedge Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article IX for itself and its Affiliates as if a "Lender" party hereto.

It is understood and agreed by each Loan Party and each Secured Party that the Administrative Agent and Collateral Agent shall have no liability for any determinations made by it in this Section 8.04, in each case except to the extent resulting from the gross negligence, bad faith or willful misconduct of the Administrative Agent or the Collateral Agent, as applicable (as determined by a court of competent jurisdiction in a final and non-appealable decision). Each Loan Party and each Secured Party also agrees that the Administrative Agent and the Collateral Agent may (but shall not be required to), at any time and in its sole discretion, and with no liability resulting therefrom, petition a court of competent jurisdiction regarding any application of Collateral in accordance with the requirements hereof, and the Administrative Agent and the Collateral Agent shall be entitled to wait for, and may conclusively rely on, any such determination.

#### ARTICLE IX. Administrative Agent and Other Agents

##### Section 9.01 Appointment and Authorization of Agents.

(a) Each Lender and L/C Issuer hereby irrevocably appoints MS to act on its behalf as Administrative Agent hereunder and under the other Loan Documents (subject to the provisions in Section 9.09), and designates and authorizes the Administrative Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to the

Administrative Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto. The Administrative Agent may perform any of its duties through its officers, directors, agents, employees, or affiliates. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and no Loan Party shall have rights as a third party beneficiary of any of such provisions. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document no Agent shall have any duties or responsibilities, except those expressly set forth herein, nor shall any Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against any Agent. Regardless of whether a Default has occurred and is continuing and without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. Without limiting the foregoing, each Lender and each L/C Issuer hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article IX and in the definition of "Agent-Related Person" included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and each of the Lenders (including in its capacities as a Lender, L/C Issuer (if applicable) and a potential Cash Management Bank party to a Secured Cash Management Agreement and/or a potential Hedge Bank party to a Secured Hedge Agreement) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest, charge or other Lien created by the Collateral Documents for and on behalf of or in trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent as Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) and Section 10.04 as if set forth in full herein with respect thereto and all references to Administrative Agent in this Article IX shall, where applicable, be read as including a reference to the Collateral Agent. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent as Collateral Agent to execute any and all documents (including releases, payoff letters and similar documents) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any intercreditor agreement), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders (including in its capacities as a Lender, L/C Issuer (if applicable) and a potential Cash Management Bank party to a Secured Cash Management Agreement and/or a potential Hedge Bank party to a Secured Hedge Agreement).

Section 9.02 Delegation of Duties. The Administrative Agent may execute any of its duties and exercise its rights and powers under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Agent-Related Persons. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct by

the Administrative Agent, as determined by a final non-appealable judgment by a court of competent jurisdiction. The exculpatory provisions of this Article IX shall apply to any such sub agent and to the Agent-Related Persons of the Administrative Agent and any such sub agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

#### Section 9.03 Liability of Agents.

(a) No Agent-Related Person shall be (i) liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence, bad faith or willful misconduct in connection with its duties expressly set forth herein, to the extent determined in a final, non-appealable judgment by a court of competent jurisdiction), (ii) liable for any action taken or not taken by it (A) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 10.01 and 8.02) or (B) in the absence of its own gross negligence or willful misconduct as determined by the final, non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein, (iii) responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, (iv) responsible for or have any duty to ascertain or inquire into the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien, or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder, (v) responsible for or have any duty to ascertain or inquire into the value or the sufficiency of any Collateral or (vi) responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into monitor or enforce, compliance with the provisions relating to Disqualified Institutions, Affiliate Lenders or Net Short Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Institution, Affiliate Lender or a Net Short Lender or (y) have any liability with respect to or arising out of any assignment or participant of loans, or disclosure of confidential information, to, or the restriction on any exercise of rights or remedies of, any Disqualified Institution, Affiliate Lender or Net Short Lender.

(b) The Administrative Agent shall not have any duty to (i) take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Law; and (ii) to disclose, except as expressly set forth herein and in the other Loan Documents, and shall not be liable for the failure to disclose, any information relating to the Borrowers or any of their Affiliates that is communicated to or obtained by any Person serving as an Agent or any of its Affiliates in any capacity; provided, further, that that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided. Except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Holdings, the Borrowers, any Subsidiary or any Affiliate of any of the foregoing that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. Nothing in this Agreement shall require the Administrative Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(c) Any assignor of a Loan or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or Participant in the relevant Assignment and Assumption or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution, an Affiliate Lender or a Net Short Lender. No Agent shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions, Affiliate Lenders or Net Short Lenders.

#### Section 9.04 Reliance by Agents.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, request, consent, certificate, instrument, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, Internet or intranet website posting or other distribution statement or other document or conversation reasonably believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons. Each Agent also may rely upon any statement made to it orally or by telephone and reasonably believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with, and rely upon (and be fully protected in relying upon), advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Sections 4.01 and 4.02, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date, specifying its objection thereto.

Section 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Parent Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent, (vi) the creation, perfection or priority of Liens on the Collateral or (vii) compliance by Affiliate Lenders with the terms hereof relating to Affiliate Lenders. The Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders or the Required Revolving Lenders, as applicable, in accordance with Article VIII; provided, however, that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Without limiting the delegation of authority to the Administrative Agent set forth herein, the Required Lenders (or, where expressly indicated, the Required Revolving Lenders) shall direct the Administrative Agent with respect to the exercise of rights and remedies hereunder and under other Loan Documents, and the exercise of rights and remedies with respect to (i) the Term Loans and any securities or interests issued pursuant to this Agreement and (ii) any Collateral. Any such rights and remedies shall not be exercised other than through the Administrative Agent. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions. Each Lender expressly and irrevocably agrees that it will not hinder or direct the Administrative Agent to take any action that will hinder the automatic release of any security interest, Lien or Guarantee provided for by this Section 9.11 (including, without limitation, in connection with any Disposition permitted pursuant to Section 7.04 and including, without limitation, any refusal to release liens, return possessory collateral, execute and/or file release documentation or take any other reasonably requested actions to documents or effectuate the release of Liens on Collateral, in each case, at the Borrowers' sole cost and expense) and expressly and irrevocably agrees that the Administrative Agent shall be authorized to, and shall, take any necessary action to release any such security interest, Lien or Guarantee to the extent authorized to do so by Section 9.11 without any obligation or requirement to notify or obtain consent from any Lender (and the Administrative Agent shall not condition any such actions on providing notice to, or obtaining consent from, the Lenders).

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrowers and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrowers and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, each Lender shall, on a ratable basis based on such Lender's Pro Rata Share of all the Facilities, indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), and hold harmless each Agent-Related Person in each case from and against any and all Indemnified Liabilities incurred by such Agent-Related Person (including, for the avoidance of doubt, any such Agent-Related Person in its capacity as L/C Issuer); provided, however, that no Lender shall be liable for any Indemnified Liabilities incurred by an Agent-Related Person to the extent such Indemnified Liabilities are determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Agent-Related Person's own gross negligence, bad faith or willful misconduct; provided, however, that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence, bad faith or willful misconduct for purposes of this Section 9.07; provided, further, that to the extent any L/C Issuer is entitled to indemnification under this Section 9.07 solely in its capacity and role as an L/C Issuer, only the Revolving Credit Lenders shall be required to indemnify such L/C Issuer under this Section 9.07 (which indemnity shall be provided by such Lenders based upon their respective Pro Rata Share of the Revolving Credit Facility). In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 shall apply whether or not any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limiting

the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its Pro Rata Share of any costs or out-of-pocket expenses (including the fees, disbursements and other charges of counsel) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower; provided that such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto; provided further, that failure of any Lender to indemnify or reimburse the Administrative Agent shall not relieve any other Lender of its obligation in respect thereof. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation or removal of the Administrative Agent.

Section 9.08 Agents in their Individual Capacities. Any Agent and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Capital Stock in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though it were not an Agent or an L/C Issuer hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, an Agent or its Affiliates may receive information regarding any Loan Party or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that such Agent shall be under no obligation to provide such information to them. With respect to its Loans, such Agent shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not an Agent or an L/C Issuer, and the terms "Lender" and "Lenders" include such Agent in its individual capacity (unless otherwise expressly indicated or unless the context otherwise requires).

Section 9.09 Successor Agents.

(a) The Administrative Agent or Collateral Agent may resign as the Administrative Agent or Collateral Agent, as applicable, upon 30 days' written notice to the Parent Borrower and the Lenders. Upon receipt of any such notice of resignation, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall be consented to by the Parent Borrower at all times other than during the existence of an Event of Default under Section 8.01(a), (f), or (g) (which consent of the Parent Borrower shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent or Collateral Agent, as applicable, the Administrative Agent or Collateral Agent may appoint, after consulting with the Lenders and the Parent Borrower, a successor agent. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent or Collateral Agent, as applicable, and the term "Administrative Agent" or "Collateral Agent," as applicable, shall mean such successor administrative agent or such successor collateral agent, as applicable, and the retiring Administrative Agent's or Collateral Agent's appointment, powers and duties as the Administrative Agent or Collateral Agent, as applicable, shall be terminated. After the retiring Administrative Agent's or Collateral Agent's resignation hereunder as the Administrative Agent or Collateral Agent, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent or Collateral Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent or Collateral Agent by the date which is 30 days following the retiring Administrative Agent's or Collateral Agent's notice of resignation, the retiring Administrative Agent's or Collateral Agent's resignation shall nevertheless thereupon become effective and (i) the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such collateral security as bailee, trustee or other applicable capacity until such time as a successor of such Agent is appointed), (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section 9.09 and (iii) the Lenders shall perform all of the duties of the Administrative Agent or Collateral Agent, as applicable, hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and

such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Collateral Documents, the Administrative Agent or Collateral Agent, as applicable, shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent or Collateral Agent. Upon the acceptance of any appointment as the Administrative Agent or Collateral Agent hereunder by a successor or upon the expiration of the 30-day period following the retiring Administrative Agent's or Collateral Agent's notice of resignation without a successor agent having been appointed, the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents other than as specifically set forth in clause (i) above of this Section 9.09(a) but the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Agent-Related Persons in respect of any actions taken or omitted to be taken by any of them solely in respect of the Loan Documents or Obligations, as applicable, while the retiring Agent was acting as Administrative Agent or Collateral Agent, as applicable.

(b) Any resignation by MS as Administrative Agent or Collateral Agent pursuant to this Section 9.09 shall also constitute its resignation or removal as an L/C Issuer, in which case the resigning or removed L/C Issuer (x) shall not be required to issue any further Letters of Credit hereunder and (y) shall maintain all of its rights as L/C Issuer with respect to any Letters of Credit issued by it prior to the date of such resignation. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent hereunder or upon the expiration of the 30-day period following the retiring Administrative Agent or Collateral Agent's notice of resignation without a successor agent having been appointed, (i) such successor (if any) shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, (ii) the retiring L/C Issuer shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents and (iii) the successor L/C Issuer (if any) shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make (or the Borrower shall enter into) other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

**Section 9.10 Administrative Agent May File Proofs of Claim.** In case of the pendency of any receivership, administrative receivership, judicial management, insolvency, liquidation, bankruptcy, reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel to the extent provided for herein and all other amounts due the Lenders and the Administrative Agent under Sections 2.03(h) and (i), 2.09 and 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any administrator, administrative receiver, custodian, receiver, assignee, trustee, judicial manager, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts, in each case, due the Administrative Agent under Sections 2.09 and 10.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization (by way of voluntary arrangement, schemes of arrangement or otherwise), arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11 Collateral and Guaranty Matters(c) . (a) Each of the Lenders (including in their capacities as potential Hedge Banks party to a Secured Hedge Agreement and potential or actual Cash Management Banks party to a Secured Cash Management Agreement) and each L/C Issuer irrevocably authorize the Administrative Agent and the Collateral Agent, and each of the Administrative Agent and the Collateral Agent shall, to the extent requested by the Parent Borrower (or as otherwise specified below) or, solely in the case of clause (iv) below, to the extent provided for under this Agreement,

(i) release any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document (A) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (I) contingent indemnification obligations as to which no claim has been asserted and (II) obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) and the expiration without any pending drawing or termination of all Letters of Credit (other than Letters of Credit which have been Cash Collateralized), (B) that is sold, disposed of or distributed or to be sold, disposed of or distributed as part of or in connection with any transaction permitted hereunder or under any other Loan Document, in each case to a Person that is not a Loan Party, (C) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders, (D) that constitutes Excluded Property as a result of an occurrence not prohibited hereunder or (E) owned by a Subsidiary Guarantor upon release of such Subsidiary Guarantor from its obligations under its Guaranty pursuant to clause (iii) below;

(ii) release or subordinate any Lien on any property granted to or held by the Administrative Agent or Collateral Agent under any Loan Document to the holder of any Permitted Lien on such property that is permitted by clauses (1), (4), (5), (6) (only with regard to Section 7.01(d)), (9), (11) (solely with respect to cash deposits), (16), (17) (other than with respect to self-insurance arrangements), (18) (solely to the extent constituting Excluded Property), (21), (23) (solely to the extent relating to a lien of the type allowed pursuant to clause (9) of the definition thereof), (25) (solely to the extent relating to a lien of the type allowed pursuant to clause (6) of the definition of "Permitted Liens" and securing obligations under Indebtedness of the type allowed pursuant to Section 7.01(d)), (26) (solely to the extent the Lien of the Collateral Agent on such property is not, pursuant to such agreements, required or permitted to be senior to or *pari passu* with such Liens), (29) (solely with respect to cash deposits), (34), (39) (only for so long as required to be secured for such letter of intent or investment), (45), (46) and (48) of the definition thereof;

(iii) release any Guarantor from its obligations under the applicable Guaranty if in the case of any Restricted Subsidiary, such Person ceases to be a Subsidiary or otherwise becomes an Excluded Subsidiary as a result of a transaction or designation permitted hereunder; provided that no such release shall occur if such Guarantor continues to be a guarantor in respect of any Specified Refinancing Debt, any Refinancing Notes, any New Incremental Notes or, to the extent incurred by a Loan Party (other than Holdings), any other Indebtedness if either (x) the principal amount of such Indebtedness exceeds the Threshold Amount or (y) an Event of Default is continuing at the time of such release; and

(iv) establish intercreditor arrangements as contemplated by this Agreement.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the applicable Agent will (and each Lender irrevocably authorizes the applicable Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11. Additionally, upon reasonable request of the Parent Borrower, the Collateral Agent will return possessory Collateral held by it that is released from the security interests created by the Collateral Documents pursuant to this Section 9.11; provided that in each case of this Section 9.11, the Parent Borrower shall have delivered to the Administrative Agent

and Collateral Agent a certificate of a Responsible Officer of the Parent Borrower certifying that any such transaction has been consummated in compliance with this Agreement and the other Loan Documents and that such release is permitted hereby; provided, that in the event that the Collateral Agent loses or misplaces any possessory collateral delivered to the Collateral Agent by the Parent Borrower, upon reasonable request of the Parent Borrower, the Collateral Agent shall provide a loss affidavit to the Parent Borrower, in the form customarily provided by the Collateral Agent in such circumstances.

(b) each Agent, each Lender (including in its capacities as a potential Cash Management Bank and a potential Hedge Bank), each LC Issuer and each other Secured Party irrevocably authorizes the Administrative Agent and Collateral Agent to be the agent for and representative of the Lenders with respect to the Guaranty, the Collateral and the Collateral Documents and agrees that, notwithstanding anything to the contrary in any Loan Document:

(i) Liens on any property granted to or held by an Agent or in favor of any Secured Party under any Loan Document will be automatically and immediately released, and each Secured Party irrevocably authorizes and directs the Agents to enter into, and each agrees that it will enter into, the necessary or advisable documents requested by the Parent Borrower and associated therewith, upon the occurrence of any of the following events (each, a "Lien Release Event"),

(1) the payment in full in cash of all the Obligations (other than (1) Secured Cash Management Services, Swap Contracts and contingent obligations in respect of which no claim has been made and (2) obligations in respect of Letters of Credit that have been backstopped or cash collateralized on terms satisfactory to the applicable LC Issuer);

(2) a transfer of the property subject to such Lien as part of, or in connection with, a transaction that is permitted by the terms of the Loan Documents to any Person that is not a Loan Party;

(3) with respect to property owned by any Guarantor or with respect to which any Guarantor has rights, the release of such Guarantor from its obligations under its Guaranty pursuant to clause (iii) below;

(4) the approval, authorization or ratification of the release of such Lien by the Required Lenders, or such percentage as may be required pursuant to Section 10.01;

(5) such property becoming Excluded Property or an asset owned by an Excluded Subsidiary;

(6) as to the assets owned by such Excluded Subsidiary (or with respect to which an Excluded Subsidiary and no Loan Party has rights), upon any Person becoming an Excluded Subsidiary; and/or

(7) any Receivables Asset becoming subject to a Qualifying Receivables Factoring or Qualifying Receivables Financing;

provided that upon the Administrative Agent's reasonable request, the Parent Borrower shall deliver to the Administrative Agent and Collateral Agent a certificate of a Responsible Officer of the Parent Borrower certifying that any such transaction has been or shall be consummated in compliance with this Agreement and the other Loan Documents and that such transaction is not prohibited by the terms of this Agreement and the Administrative Agent shall be fully protected in relying on such certificate.

(ii) upon the request of the Parent Borrower (such request, the "Release/Subordination Event") it will release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property as contemplated by Section 9.11(a)(ii) above;

(iii) a Subsidiary Guarantor will be automatically and immediately released from its obligations under the Guaranty upon (A) such Subsidiary Guarantor ceasing to be a Subsidiary of a Borrower, (B) such Subsidiary Guarantor ceasing to be a Restricted Subsidiary, or (C) such Subsidiary Guarantor becoming an Excluded Subsidiary as a result of a transaction permitted hereunder (clauses (A)-(C), each a "Guaranty Release Event"), and each Secured Party irrevocably authorizes and directs the Agents to enter into, and each Agent agrees it will enter into, the necessary and advisable documents requested by the Parent Borrower to (1) release (or acknowledge the release of) such Subsidiary Guarantor from its obligations under the Guaranty and (2) release (or acknowledge the release of) any Liens granted by such Subsidiary or Liens on the Equity Interests of such Subsidiary;

Section 9.12 Other Agents: Arranger and Managers. None of the Lenders or other Persons identified on the facing page or signature pages of this Agreement as a "syndication agent," "joint lead arranger," or "joint bookrunner" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such; provided that each Arranger shall be entitled to any express rights given to that Arranger under any Loan Document. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13 Secured Cash Management Agreements and Secured Hedge Agreements. No Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.04, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements and Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

Section 9.14 Appointment of Supplemental Agents, Incremental Arrangers, Incremental Notes Arrangers and Specified Refinancing Agents

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent or the Collateral Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent and the Collateral Agent are hereby authorized to appoint an additional individual or institution selected by them in their sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent, as applicable (any such additional individual or institution being referred to herein individually as a "Supplemental Agent" and collectively as "Supplemental Agents").

(b) In the event that the Administrative Agent or the Collateral Agent appoints a Supplemental Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent or the Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Agent to the extent, and only to the extent, necessary to enable such Supplemental Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Agent shall run to and be enforceable by either the Administrative Agent and the Collateral Agent or such Supplemental Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify

the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall inure to the benefit of such Supplemental Agent and all references therein to the Administrative Agent and/or Collateral Agent shall be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Supplemental Agent, as the context may require.

(c) Should any instrument in writing from the Borrowers, Holdings or any other Loan Party be required by any Supplemental Agent so appointed by the Administrative Agent or the Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrowers or Holdings, as applicable, shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent or the Collateral Agent. In case any Supplemental Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent or the Collateral Agent, as applicable, until the appointment of a new Supplemental Agent.

(d) In the event that the Parent Borrower appoints or designates any Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent pursuant to Sections 2.14, 2.15 and 2.18, as applicable, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to an agent or arranger with respect to New Loan Commitments, New Incremental Notes or Specified Refinancing Debt, as applicable, shall be exercisable by and vest in such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to the extent, and only to the extent, necessary to enable such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to exercise such rights, powers and privileges with respect to the New Loan Commitments, New Incremental Notes or Specified Refinancing Debt, as applicable, and to perform such duties with respect to such New Loan Commitments, New Incremental Notes or Specified Refinancing Debt, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent shall run to and be enforceable by either the Administrative Agent or such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 (obligating the Borrowers to pay the Administrative Agent's and the Collateral Agent's expenses and to indemnify the Administrative Agent and the Collateral Agent) that refer to the Administrative Agent and/or the Collateral Agent shall inure to the benefit of such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent and all references therein to the Administrative Agent and/or Collateral Agent shall be deemed to be references to the Administrative Agent and/or Collateral Agent and/or such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent, as the context may require. Each Lender and L/C Issuer hereby irrevocably appoints any Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to act on its behalf hereunder and under the other Loan Documents pursuant to Sections 2.14, 2.15 and 2.18, as applicable, and designates and authorizes such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent to take such actions on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to such Incremental Arranger, Incremental Notes Arranger or Specified Refinancing Agent by the terms of this Agreement or any other Loan Document, together with such actions and powers as are reasonably incidental thereto.

Section 9.15 Intercreditor Agreement. The Administrative Agent and the Collateral Agent are authorized by the Lenders and other Secured Parties to, to the extent required by the terms of the Loan Documents, (i) enter into the First Lien/Second Lien Intercreditor Agreement, the Pari Passu Intercreditor Agreement and any other intercreditor agreement contemplated by this Agreement, (ii) enter into any Collateral Document, or (iii) make or consent to any filings or take any other actions in connection therewith (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Sections 7.01 and 7.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and the parties hereto acknowledge that any intercreditor agreement, Collateral Document, consent, filing or other action will be binding upon them. Each Lender and other Secured Party (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any intercreditor agreement (if entered into) and (b) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into any intercreditor agreement contemplated by this Agreement or Collateral Document (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such

agreements) in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is required or permitted to be secured on a *pari passu* or junior basis with the Liens securing the Obligations pursuant to Sections 7.01 and 7.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien on the Collateral (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

Section 9.16 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.01, each Lender shall indemnify the Administrative Agent against, and shall make payable in respect thereof within 30 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the U.S. Internal Revenue Service or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other obligations under any Loan Document.

Section 9.17 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 9.18 Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 10.01 of this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

ARTICLE X.  
Miscellaneous

Section 10.01 Amendments, Etc. Except as otherwise expressly set forth in this Agreement or the applicable Loan Document, and other than with respect to any amendment, modification or waiver contemplated by clauses (a) (other than in the case of an increased Commitment) through (h) below, which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (or by the Administrative Agent at the instruction of the Required Lenders) and the applicable Borrower or Loan Party, as the case may be, and each such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, that the Parent Borrower provide written notice of such amendment, modification, waiver or consent to the Administrative Agent; provided further, however, that no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender, or reinstate the Commitment of any Lender after the termination of such Commitment pursuant to Section 8.02, in each case without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of (or amendment to the terms of) any Default or Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal of, or interest on, any Loan or L/C Borrowing or any fees or other amounts payable hereunder, without the written consent of each Lender directly and adversely affected thereby (and subject to such further requirements as may be applicable thereto under the last two paragraphs of this Section 10.01), it being understood that the waiver of any obligation to pay interest at the Default Rate, or the amendment or waiver of any mandatory prepayment of Loans under the Term Facilities shall not constitute a postponement of any date scheduled for the payment of principal, interest or fees;

(c) reduce the principal of, or the rate of interest specified herein on, or change the currency of, any Loan or L/C Borrowing (it being understood that a waiver of any Default or Event of Default or mandatory prepayment shall not constitute a reduction or forgiveness of principal), or (subject to clause (iii) of the proviso following clause (h) below) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly and adversely affected thereby, it being understood that any change to the definitions of Consolidated First Lien Net Leverage Ratio or in the component definitions thereof shall not constitute a reduction in any rate of interest or any fees based thereon; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrowers to pay interest at the Default Rate;

(d) change any provision of Section 8.04 without the written consent of each Lender directly and adversely affected thereby with respect to such change;

(e) change (i) any provision of this Section 10.01 (other than any change to the last two paragraphs of this Section that would otherwise be permitted by this Section 10.01), or the definition of Required Lenders, or any other provision hereof specifying the number or percentage of Lenders or portion of the Loans or Commitments required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder (other than the definition specified in clause (ii) of this Section 10.01(e) or modifications in connection with repurchases of Term Loans, amendments with respect to the New Term Facilities or New Revolving Facility and amendments with respect to extensions of maturity, which shall only require the written consent of each Lender directly and adversely affected thereby), without the written consent of each Lender, or (ii) the definition of "Required Revolving Lenders," without the written consent of each Revolving Credit Lender;

(f) other than as expressly contemplated by Section 9.11(a)(i), (ii) and (iii) and Section 9.11(b)(i), (ii) and (iii), release all or substantially all of the Liens on the Collateral in any transaction or series of related transactions, without the written consent of each Lender;

(g) other than as expressly contemplated by Section 9.11(a)(iii) and Section 9.11(b)(iii), release all or substantially all of the aggregate value of the Guaranty, or all or substantially all of the Guarantors, without the written consent of each Lender; or

(h) (i) amend or otherwise modify Section 7.08 (or solely for the purposes of determining compliance with the Financial Covenant, any defined terms used therein), or (ii) waive or consent to any Default or Event of Default resulting from a breach of the Financial Covenant, (iii) alter the rights or remedies of the Required Revolving Lenders arising pursuant to Article VIII as a result of a breach of Section 7.08 or (iv) waive any condition precedent set forth in Section 4.02 with respect to Credit Extensions involving the Revolving Credit Facility, in each case, without the written consent of the Required Revolving Lenders; provided, however, that the amendments, modifications, waivers and consents described in this clause (h) shall not require the consent of any Lenders other than the Required Revolving Lenders;

and provided further that (i) no amendment, waiver or consent shall, unless in writing and signed by an L/C Issuer in addition to the Borrowers and the Lenders required above, affect the rights or duties of such L/C Issuer, in its capacity as such, under this Agreement or any Letter of Credit Application or other Issuer Document relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent, the Collateral Agent in their respective capacities as such, in addition to the Parent Borrower and the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; and (iii) Section 10.07(g) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification. Notwithstanding anything to the contrary herein, any amendment, modification, waiver or other action which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders or Affiliate Lenders (other than Debt Fund Affiliates), except that (x) no amendment, waiver or consent relating to Section 10.01(a), (b) or (c) may be effected, in each case without the consent of such Defaulting Lender or Affiliate Lender, (y) any amendment, modification, waiver or other action that by its terms adversely affects any Defaulting Lender or Affiliate Lender in its capacity as a Lender in a manner that differs in any material respect from, and is more adverse to such Defaulting Lender or Affiliate Lender than it is to, other affected Lenders shall require the consent of such Defaulting Lender or Affiliate Lender and (z) Net Short Lenders shall have the right to approve or disapprove any amendment, waiver or consent, only to the extent set forth in Section 10.25. Notwithstanding anything to the contrary herein, any waiver, amendment, modification or consent in respect of this Agreement or any other Loan Document that by its terms affects the rights or duties under this Agreement or any other Loan Document of Lenders holding Loans or Commitments of a particular Tranche (but not the Lenders holding Loans or Commitments of any other Tranche) may be effected by an agreement or agreements in writing entered into by the Parent Borrower and the requisite percentage in interest of the Lenders with respect to such Tranche that would be required to consent thereto under this Section 10.01 if such Lenders were the only Lenders hereunder at the time.

This Section 10.01 shall be subject to any contrary provision of Section 2.14 or Section 2.18. In addition, notwithstanding anything else to the contrary contained in this Section 10.01, (a) amendments and modifications in connection with the transactions provided for by Section 2.14 or Section 2.18 that benefit existing Lenders may be effected without such Lenders' consent, (b) if the Administrative Agent and the Parent Borrower shall have jointly identified an obvious error or any error, ambiguity or omission, defect or inconsistency of a technical nature, in each case, in any provision of the Loan Documents, then the Administrative Agent and the Parent Borrower shall be permitted to amend such provision, (c) the Administrative Agent and the Parent Borrower shall be permitted to amend any provision of any Collateral Document, the Guaranty, or enter into any new agreement or instrument, to be consistent with this Agreement and the other Loan Documents or as required by local law to give effect to any guaranty, or to give effect to or to protect any security interest for the benefit of the Secured Parties, in any property so that the security interests comply with applicable Law, and in each case, such amendments, documents and agreements shall become effective without any further action or consent of any other party to any Loan Document if in the case of amendments contemplated by clause (b) the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof and (d) if one or more currencies is added as an

Alternative Currency, the Borrower, the Administrative Agent the Revolving Credit Lenders and any applicable L/C Issuer shall be entitled to amend the provisions of this Agreement and the other Loan Documents to add interest rate provisions and other operational or mechanical provisions relating to Revolving Credit Loans and Letters of Credit denominated in any such currencies.

Notwithstanding anything to the contrary herein, in connection with any amendment, modification, waiver or other action requiring the consent or approval of Required Lenders, Lenders that are Debt Fund Affiliates shall not be permitted, in the aggregate, to account for more than 49.9% of the amounts actually included in determining whether the threshold in the definition of "Required Lenders" has been satisfied. The voting power of each Lender that is a Debt Fund Affiliate shall be reduced, pro rata, to the extent necessary in order to comply with the immediately preceding sentence.

Notwithstanding anything to the contrary herein, at any time and from time to time, upon notice to the Administrative Agent (who shall promptly notify the applicable Lenders) specifying in reasonable detail the proposed terms thereof, the Parent Borrower may make one or more loan modification offers to (i) all the Lenders of any Facility that would, if and to the extent accepted by any such Lender, (a) extend the scheduled Maturity Date and any amortization of the Loans and Commitments under such Facility and/or change the Applicable Rate and/or fees payable with respect to the Loans and Commitments under such Facility (in each case solely with respect to the Loans and Commitments of accepting Lenders in respect of which an acceptance is delivered) and (b) treat the Loans and Commitments so modified as a new "Facility" for all purposes under this Agreement; provided that (x) such loan modification offer is made to each Lender under the applicable Facility on the same terms and subject to the same procedures as are applicable to all other Lenders under such Facility (which procedures in any case shall be reasonably satisfactory to the Administrative Agent) and (y) no loan modification shall affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent or any L/C Issuer, without its prior written consent or (ii) the specified Lenders of any Facility that would, if and to the extent accepted by any such Lender (the "Accepting Lender"), (a) extend the scheduled Maturity Date and any amortization of the Loans and Commitments under such Facility and, if applicable, change the Applicable Rate and/or fees payable with respect to the Loans and Commitments under such Facility (in each case solely with respect to the Loans and Commitments of accepting Lenders in respect of which an acceptance is delivered) and (b) treat the Loans and Commitments so modified as a new "Facility" for all purposes under this Agreement; provided that (w) in no event shall such extended Loans and Commitments (1) have covenants that are more restrictive to the Borrowers than the terms applicable to the non-extended Loans and Commitments of the original Facility from which such Loans and Commitments are extended (the "Non-Extended Loans and Commitments"), (2) have a higher Applicable Rate and/or fees than the Non-Extended Loans and Commitments or (3) receive a greater than ratable share of any optional or mandatory prepayments than such Non-Extended Loans and Commitments, in each case, prior to the final maturity date of such Non-Extended Loans and Commitments applicable at the time of such loan modification, (x) such loan modification offer is made to the Accepting Lenders under the applicable Facility on the same terms and subject to the same procedures as are applicable to all other Accepting Lenders under such Facility (which procedures in any case shall be reasonably satisfactory to the Administrative Agent), (y) if the aggregate principal amount of Revolving Credit Commitments or Term Loans in respect of which Lenders shall have accepted the relevant loan modification offer shall exceed the maximum aggregate principal amount of Revolving Credit Commitments or Term Loans of such Accepting Lenders, as applicable, subject to the loan modification offer, then the Revolving Credit Commitments or Term Loans, as applicable, of the lenders of the applicable Facility who were not provided with the opportunity to extend their Revolving Credit Commitments or Term Loans may have their Revolving Credit Commitments terminated or Term Loans repaid on a non-ratable basis up to such maximum amount based on the respective principal amounts with respect to which the Accepting Lenders have accepted such loan modification offer and (z) no loan modification shall affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent or any L/C Issuer, without its prior written consent.

In connection with any such loan modification offer, the Parent Borrower and each accepting Lender shall execute and deliver to the Administrative Agent such agreements and other documentation as the Administrative Agent shall reasonably specify to evidence the acceptance of the applicable loan modification offer and the terms and conditions thereof, and this Agreement and the other Loan Documents shall be amended in a writing (which may be executed and delivered by the Parent Borrower and the Administrative Agent and shall be effective only with respect to the applicable Loans and Commitments of Lenders that shall have accepted the relevant loan modification offer (and only with respect to Loans and Commitments as to which any such Lender has accepted the loan modification offer)) to the extent necessary or appropriate, in the judgment of the Administrative Agent, to reflect the existence of,

and to give effect to the terms and conditions of, the applicable loan modification (including the addition of such modified Loans and/or Commitments as a "Facility" hereunder). No Lender shall have any obligation whatsoever to accept any loan modification offer, and may reject any such offer in its sole discretion. On the effective date of any loan modification applicable to the Revolving Credit Facility, the Borrowers shall prepay any Revolving Credit Loans or L/C Advances (to the extent participated to Revolving Credit Lenders) outstanding on such effective date (and pay any additional amounts required pursuant to Section 3.06) to the extent necessary to keep the outstanding Revolving Credit Loans or L/C Advances (to the extent participated to Revolving Credit Lenders), as the case may be, ratable with any revised Pro Rata Share of a Revolving Credit Lender in respect of the Revolving Credit Facility arising from any non-ratable loan modification to the Revolving Credit Commitments under this Section 10.01. Notwithstanding the foregoing, no modification referred to above shall become effective unless the Administrative Agent, to the extent reasonably requested by the Administrative Agent, shall have received legal opinions, board resolutions, officers' certificates and/or reaffirmation agreements consistent with those delivered on the Closing Date under Section 4.01 or delivered from time to time pursuant to Section 6.12, Section 6.14 and/or Section 6.16 with respect to Holdings and the Parent Borrower, all material Subsidiary Guarantors and each other Subsidiary Guarantor that is organized in a jurisdiction for which local counsel to the Administrative Agent in such jurisdiction advises that such deliveries are reasonably necessary to preserve the Collateral in such jurisdiction.

Section 10.02 Notices; Electronic Communications

(a) Except in the case of notices and other communications expressly permitted to be given by telephone (and subject to paragraph (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopy, as follows:

- (i) if to the Parent Borrower, to it at 8855 Mesa Rim Road, San Diego, CA 92121, Attention: Kevin Herde; Facsimile: (619)54-4668;
- (ii) if to Morgan Stanley Senior Funding, Inc. or Morgan Stanley Bank, N.A., as set forth on Schedule 10.02;
- (iii) if to any other Lender, to it at its address (or telecopy number) set forth in its Administrative Questionnaire.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices delivered through Approved Electronic Platforms, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Lenders and the L/C Issuers hereunder may be delivered or furnished by using Approved Electronic Platforms pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Parent Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Unless the Administrative Agent otherwise prescribes (with the Parent Borrower's consent), (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient.

(d) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto.

(e) The Administrative Agent, the Collateral Agent, the L/C Issuers and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Parent Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof except to the extent such reliance is deemed to be gross negligence, bad faith or willful misconduct of the Administrative Agent, Collateral Agent, L/C Issuer or Lender in a final non-appealable judgment of a court of competent jurisdiction. The Borrowers shall indemnify the Administrative Agent, the Collateral Agent, each L/C Issuer, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Parent Borrower to the extent required by Section 10.05. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03 No Waiver; Cumulative Remedies; Enforcement.

(a) No failure by any Lender, any L/C Issuer, the Administrative Agent or the Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges provided hereunder and under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent or the Collateral Agent in accordance with Section 8.02 for the benefit of all the Lenders and the L/C Issuers; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent or the Collateral Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as the Administrative Agent or the Collateral Agent) hereunder and under the other Loan Documents, (b) each L/C Issuer from exercising the rights and remedies that inure to its benefit (solely in its capacity as an L/C Issuer) hereunder and under the other Loan Documents, or (c) any Lender from exercising setoff rights in accordance with Section 10.09 (subject to the terms of Section 2.13); and provided further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.13, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders. In the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale, the Administrative Agent, the Collateral Agent or any Lender (or any person nominated by them) may be the purchaser of any or all of such Collateral at any such sale and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold in any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such sale.

(c) If the Administrative Agent and the Borrowers acting together identify any ambiguity, omission, mistake, typographical error or other defect in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Borrowers shall be permitted to amend, modify or supplement such provision to cure such ambiguity, omission, mistake, typographical error or other defect, and such amendment shall become effective without any further action or consent of any other party to this Agreement.

Section 10.04 Expenses. The Borrowers agree (a) to pay or reimburse the Administrative Agent and the other Agents for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents (including reasonable expenses incurred in connection with due diligence and travel, courier, reproduction, printing and delivery expenses), and any amendment, waiver, consent or other modification of the provisions hereof and thereof, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of counsel (limited to the reasonable and documented fees, disbursements and other charges of one primary counsel to the Agents and, if necessary, one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions, in each case, in jurisdictions material to the interests of the Lenders) and special counsel for each relevant specialty), and (b) to pay or reimburse the Administrative Agent, the other Agents and each Lender (including, for the avoidance of doubt, each L/C Issuer) for all reasonable documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law or in connection with any workout or restructuring), including the fees, disbursements and other charges of counsel (limited to the reasonable fees, disbursements and other charges of one counsel to the Administrative Agent, the other Agents and the Lenders taken as a whole, and, if necessary, of one local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions, in each case, in jurisdictions material to the interests of the Lenders) and of special counsel for each relevant specialty and, in the event of any actual or perceived conflict of interest, one additional counsel in each relevant jurisdiction for each Lender or group of similarly affected Lenders or Agents subject to such conflict after notification to the Parent Borrower). The foregoing costs and expenses shall include all reasonable search, filing, recording, title insurance and appraisal charges and fees, and other out-of-pocket expenses incurred by any Agent. All amounts due under this Section 10.04 shall be paid within 30 days after invoiced or demand therefor (with a reasonably detailed invoice with respect thereto) (except for any such costs and expenses incurred prior to the Closing Date, which shall be paid on the Closing Date to the extent invoiced at least three Business Days prior to the Closing Date). The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent after any applicable grace periods have expired, in its sole discretion and the Borrowers shall immediately reimburse the Administrative Agent, as applicable. This Section 10.04 shall not apply with respect to Taxes other than any Taxes arising from any non-Tax cost or expense.

Section 10.05 Indemnification by the Borrower. The Borrowers shall indemnify and hold harmless each Arranger, each Agent-Related Person, each Lender, each L/C Issuer, each of their respective Affiliates and each partner, director, officer, employee, counsel, agent and representative of the foregoing and, in the case of any funds, trustees and advisors and attorneys-in-fact (collectively, the "Indemnitees") from and against (and will reimburse each Indemnatee, as and when incurred, for) any and all liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs (including settlement costs), disbursements, and reasonable and documented or invoiced out-of-pocket fees and expenses (including the reasonable and documented fees, disbursements and other charges of (i) one counsel to the Indemnitees taken as a whole, (ii) in the case of an actual or perceived conflict of interest, where the Indemnatee affected by such conflict informs the Parent Borrower and thereafter retains its own counsel, of another firm of counsel for each such affected Indemnatee in each relevant jurisdiction material to the interests of the Lenders, and (iii) if necessary, one local counsel in each jurisdiction material to the interests of the Indemnitees (which may include a single special counsel acting in multiple jurisdictions) and special counsel for each relevant specialty) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnatee in any way relating to or arising out of or in connection with or by reason of (x) any actual or prospective claim, litigation, investigation or proceeding in any way relating to, arising out of, in connection with or by reason of any of the following, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding): (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby or (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit); provided that such indemnity shall not, as to any Indemnatee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, disbursements, fees or expenses are determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from (A) the bad faith, gross negligence or willful misconduct of such Indemnatee or any

of its Affiliates or controlling persons or any of the officers, directors, employees, agents, advisors, or members of any of the foregoing or (B) any dispute that is among Indemnitees (other than any dispute involving claims against the Administrative Agent, any Arranger or any other Agent or any L/C Issuer, in each case in their respective capacities as such) that a court of competent jurisdiction has determined in a final and non-appealable judgment did not involve actions or omissions of the Parent Borrower or its Subsidiaries or any of their respective Affiliates; or (y) any Environmental Liability related in any way to Holdings or any of its Subsidiaries, ((x) and (y), collectively, the "Indemnified Liabilities") in all cases, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through the Approved Electronic Platform or other information transmission systems (including electronic telecommunications) in connection with this Agreement unless determined by a court of competent jurisdiction in a final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that such waiver of special, punitive, indirect or consequential damages shall not limit the indemnification obligations of the Loan Parties under this Section 10.05. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, shareholders or creditors or an Indemnitee or any other Person, and whether or not any Indemnitee is otherwise a party thereto. Should any investigation, litigation or proceeding be settled, or if there is a judgment in any such investigation, litigation or proceeding, the Borrowers shall indemnify and hold harmless each Indemnitee in the manner set forth above; provided that the Borrowers shall not be liable for any settlement effected without the Parent Borrower's prior written consent (such consent not to be unreasonably withheld, delayed or conditioned). All amounts due under this Section 10.05 shall be payable within 30 days after demand therefor. The agreements in this Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. This Section 10.05 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

Section 10.06 Payments Set Aside. To the extent that any payment by or on behalf of the Borrowers is made to any Agent, to any L/C Issuer or any Lender, or any Agent, any L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent, such L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and each L/C Issuer severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the NYFRB Rate from time to time in effect. The obligations of the Lenders and the L/C Issuers under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrowers may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee (other than to any Disqualified Institution to the extent the list of Disqualified Institutions is made available to the Lenders upon request) in accordance with the provisions of Section 10.07(b), (ii) by way of participation in accordance with the provisions of Section 10.07(d), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(f) or (iv) to an SPC in accordance with the provisions of Section 10.07(g). Any other attempted assignment or transfer by any party hereto (other than to any Disqualified Institution) shall be null and void. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(d) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations) at the time owing to it); provided that:

(i) (A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Facility and the Loans at the time owing to it under such Facility, no minimum amount shall need be assigned, and (B) in any case not described in clause (b)(i)(A) of this Section 10.07, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the outstanding principal balance of the Loans of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$5,000,000, in the case of any assignment in respect of the Revolving Credit Facility, or \$1,000,000, in the case of any assignment in respect of a Term Facility, in each case, unless each of the Administrative Agent and, so long as no Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing, the Parent Borrower otherwise consents (such consent not to be unreasonably withheld, conditioned or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met;

(ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on a non-pro rata basis;

(iii) no consent shall be required for any assignment except to the extent required by clause (b)(i)(B) of this Section 10.07 and, in addition (A) the consent of the Parent Borrower (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any assignment unless (1) an Event of Default under Section 8.01(a), (f) or (g) has occurred and is continuing at the time of such assignment, (2) such assignment is in respect of a Term Facility and is to a Lender, an Affiliate of a Lender or an Approved Fund (other than any Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders) or (3) such assignment is in respect of the Revolving Credit Facility and is to a Revolving Credit Lender, an Affiliate of a Revolving Credit Lender or an Approved Fund related thereto (other than any Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders); provided that (1) the Parent Borrower shall be deemed to have consented to any assignment unless the Parent Borrower objects thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof and (2) during the 90 day period following the Closing Date, the Parent Borrower shall be deemed to have consented to an assignment to any Lender if such Lender was previously identified and approved in the initial allocations of the Loans and Commitments provided by the Arrangers to the Parent Borrower, (B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for any assignment unless (1) such assignment is in respect of a Term Facility and is to a Lender, an Affiliate of a Lender or an Approved Fund or (2) such assignment is in respect of the Revolving Credit Facility and is to a Revolving Credit Lender, an Affiliate of a Revolving Credit Lender or an Approved Fund related thereto (provided that in each case the Administrative Agent shall acknowledge any such assignment) and (C) the consent of each L/C Issuer (such consent not to be unreasonably withheld, conditioned or delayed) shall be required for any assignment in respect of the Revolving Credit Facility; provided, however, that the consent of each L/C Issuer shall not be required for any assignment in respect of a Term Loan;

(iv) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative Agent, manually), together with a processing and recordation fee of \$3,500 (except the Administrative Agent, in its sole discretion, may elect to waive such processing and recording fee in the case of any assignment). Each Eligible Assignee that is not an existing Lender shall deliver to the Administrative Agent an Administrative Questionnaire;

(v) no such assignment shall be made (A) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary of a Defaulting Lender, (B) to any Natural Person, (C) to any Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders, (D) to Holdings, the Parent Borrower or any its Subsidiaries except as permitted under clause (j) below or (E) to any Affiliate Lender except as permitted under Section 10.07(i);

(vi) no Revolving Credit Commitments or Revolving Credit Loans may be assigned to any Affiliate Lender;

(vii) the assigning Lender shall deliver any Notes or, in lieu thereof, a lost note affidavit and indemnity reasonably acceptable to the Parent Borrower evidencing such Loans to the Parent Borrower or the Administrative Agent; and

(viii) in connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Parent Borrower and the Administrative Agent, the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any L/C Issuer or Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit in accordance with its Pro Rata Share; provided that notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this clause, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(c), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment, and subject to the obligations set forth in Section 10.08). Upon request, and the surrender by the assigning Lender of its Note (or, in lieu thereof, a lost note affidavit and indemnity reasonably acceptable to the Parent Borrower), the Parent Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement (other than any purported assignment or transfer to a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders) that does not comply with this clause (b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d).

(c) The Administrative Agent, acting solely for this purpose as anon-fiduciary agent of the Borrowers (and such agency being solely for tax purposes), shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register in which it shall record the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.03, owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent

manifest error, and the Borrowers, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as Defaulting Lender. The Register shall be available for inspection by any Borrower, any Agent and any Lender (but only to entries with respect to itself), at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(c) and Section 2.11 shall be construed so that all Loans are at all times maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(d) Any Lender may at any time, without the consent of, or notice to, the Parent Borrower, the Administrative Agent or the L/C Issuers, sell participations to any Person (other than a Natural Person, an Affiliate Lender (other than a Debt Fund Affiliate), a Person that the Administrative Agent has identified in a notice to the Lenders as a Defaulting Lender or a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders) (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender’s participations in L/C Obligations) owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 (in the case of any amendment, waiver or other modification described in clause (a), (b), (c) or (f) of such proviso, that directly and adversely affects such Participant). Subject to Section 10.07(e), the Borrowers agree that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections (it being understood that the documentation required under Section 3.01(g) shall be delivered solely to the participating Lender) and Section 3.08) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; provided such Participant agrees to be subject to Section 2.13 as though it were a Lender.

(e) A Participant (i) agrees to be subject to the provisions of Sections 3.08 as if it were an assignee pursuant to Section 10.07(b) and (ii) shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent that a Participant’s right to a greater payment results from a change in any Law after the Participant becomes a Participant.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) (other than to a Disqualified Institution, to the extent the list of Disqualified Institutions has been made available to the Lenders, or a Natural Person) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank having jurisdiction over such Lender; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(g) Notwithstanding anything to the contrary herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Parent Borrower (an “SPC”) the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof or, if it fails to do so, to make such payment to the Administrative Agent as is required under Section 2.12(b). Each party hereto hereby agrees that an SPC shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and the limitations of such Sections and Section 3.08); provided that neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase

or change the obligations of the Borrowers under this Agreement (including under Section 3.01, 3.04 or 3.05), except to the extent that the SPC's right to a greater payment results from a change in any Law after the grant to the SPC takes place. Each party hereto further agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (ii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the Lender of record hereunder. Other than as expressly provided in this Section 10.07(g), (A) such Granting Lender's obligations under this Agreement shall remain unchanged, (B) such Granting Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrowers, the Agents and the other Lenders shall continue to deal solely and directly with such Granting Lender in connection with such Granting Lender's rights and obligations under this Agreement. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior debt of any SPC, it will not, other than in respect of matters unrelated to this Agreement or the transactions contemplated hereby, institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Parent Borrower and the Administrative Agent and with the payment of a processing fee of \$3,500, assign all or any portion of its rights hereunder with respect to any Loan to the Granting Lender and (ii) subject to Section 10.08, disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(h) Notwithstanding anything to the contrary herein, any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents, and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(i) Notwithstanding anything to the contrary herein, any Lender may assign all or any portion of its Term Loans, Specified Refinancing Term Loans and New Term Loans hereunder to any Other Affiliate (including any Debt Fund Affiliate), but only if:

(i) the assigning Lender and Other Affiliate purchasing such Lender's Term Loans, Specified Refinancing Term Loans or New Term Loans, as applicable, shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit E-2 hereto (an "Affiliate Lender Assignment and Assumption") in lieu of an Assignment and Assumption;

(ii) after giving effect to such assignment (and any cancellation of Loans in respect thereof), Other Affiliates (other than Debt Fund Affiliates) shall not, in the aggregate, own or hold Term Loans, Specified Refinancing Term Loans and New Term Loans with an aggregate principal amount in excess of 25% of the principal amount of all Term Loans then outstanding (calculated as of the date of such purchase); and

(iii) such Other Affiliate (other than Debt Fund Affiliates) shall at all times thereafter be subject to the voting restrictions specified in Section 10.01.

(j) Notwithstanding anything to the contrary herein, so long as no Default or Event of Default pursuant to Sections 8.01(a), (f) or (g) exists, any Lender may assign all or any portion of its Term Loans, Specified Refinancing Term Loans and New Term Loans hereunder to Holdings or any of its Subsidiaries, but only if:

(i) (A) such assignment is made pursuant to a Dutch Auction open to all Term Lenders, Specified Refinancing Term Loan lenders or New Term Loan lenders on a pro rata basis or (B) such assignment is made as an open market purchase;

(ii) Holdings and its Subsidiaries do not use the proceeds of the Revolving Credit Facility (whether or not the Revolving Credit Facility has been increased pursuant to Section 2.14 or refinanced pursuant to Section 2.18) to acquire such Term Loan; and

(iii) any such Term Loans shall be promptly and permanently cancelled upon acquisition thereof by Holdings or any of its Subsidiaries.

In connection with any assignment pursuant to Section 10.07(i) or (j), each Lender acknowledges and agrees that, in connection therewith, (1) the Other Affiliates, Holdings and/or any of its Subsidiaries may have, and later may come into possession of, information regarding the Sponsor, Holdings, any of its Subsidiaries and/or any of their respective Affiliates not known to such Lender and that may be material to a decision by such Lender to participate in such assignment (including material non-public information) ("Excluded Information"), (2) such Lender, independently and, without reliance on the Other Affiliates, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates, has made its own analysis and determination to participate in such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Other Affiliates, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates shall be required to make any representation with respect to Excluded Information or have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against Other Affiliates, Holdings, any of its Subsidiaries, any Agent or any of their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information.

(k) Notwithstanding anything to the contrary herein, (i) Affiliate Lenders (other than Debt Fund Affiliates) shall not have any right to attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any other Lender to which representatives of the Parent Borrower are not then present, (ii) Affiliate Lenders (other than Debt Fund Affiliates) shall not have any right to receive any information or material prepared by the Administrative Agent or any other Lender or any communication by or among the Administrative Agent and one or more other Lenders, except to the extent such information or materials have been made available to the Parent Borrower or its representatives, (iii) no assignments in respect of the Revolving Credit Facility may be made to the Sponsor or any of its Affiliates and (iv) the Sponsor and its Affiliates (other than Debt Fund Affiliates) shall not be entitled to receive advice of counsel to the Agents or other Lenders and shall not challenge any assertion of attorney-client privilege by any Agent or other Lender. Each Borrower and each Affiliate Lender (other than any Debt Fund Affiliates) hereby agrees that if a case under Title 11 of the Bankruptcy Code is commenced against the Borrowers, such Affiliate Lenders, with respect to any plan of reorganization that does not adversely affect any Affiliate Lender in any material respect as compared to other Lenders, shall be deemed to have voted in the same proportion as the Lenders that are not Affiliate Lenders voting on such matter; and each Affiliate Lender (other than any Debt Fund Affiliates) hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the Bankruptcy Code is not deemed to have been so voted, then such vote will be "designated" pursuant to Section 1126(e) of the Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the Bankruptcy Code.

(l) Notwithstanding anything to the contrary herein, any L/C Issuer may, upon 30 days' notice to the Parent Borrower and the Lenders, resign as L/C Issuer; provided that on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer shall have identified a successor L/C Issuer willing to accept its appointment as successor L/C Issuer, and the effectiveness of such resignation shall be conditioned upon such successor assuming the rights and duties of the L/C Issuer. If an L/C Issuer resigns as L/C Issuer, it shall retain all the rights and obligations of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(d)). Upon the appointment of a successor L/C Issuer, (A) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer, and (B) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to the retiring L/C Issuer to effectively assume the obligations of the retiring L/C Issuer with respect to such Letters of Credit.

(m) The applicable Lender, acting solely for this purpose as a non-fiduciary agent of the Borrowers (solely for tax purposes), shall maintain a register on which it enters the name and address of (i) each SPC (other than any SPC that is treated as a disregarded entity of the Granting Lender for U.S. federal income tax purposes) that has exercised its option pursuant to Section 10.07(g) and (ii) each Participant, and the amount of each such SPC's and Participant's interest in such Lender's rights and/or obligations under this Agreement complying with the requirements of Sections 163(f), 871(h) and 881(c)(2) of the Code and the United States Treasury Regulations (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that such commitment, loan, letter of credit or other obligation is in registered form under Treasury Regulations Section 5f.103-1(c) and Proposed Treasury Regulations Section 1.163-5(b) (or any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and the Borrowers and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of the applicable rights and/or obligations of such Lender under this Agreement, notwithstanding notice to the contrary.

(n) In the event that a transfer by any of the Secured Parties of its rights and/or obligations under this Agreement (and/or any relevant Loan Document) occurred or was deemed to occur by way of novation, the Borrowers and any other Loan Parties explicitly agree that all securities and guarantees created under any Loan Documents shall be preserved for the benefit of the new Lender and the other Secured Parties.

(a) If any assignment or participation is made to any Disqualified Institution (other than a Net Short Lender) without the Parent Borrower's prior written consent pursuant to this Section 10.07, the Parent Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) terminate any Revolving Credit Commitment of such Disqualified Institution and repay all obligations of the Borrowers owing to such Disqualified Institution in connection with such Revolving Credit Commitment, (B) in the case of outstanding Term Loans held by Disqualified Institutions, purchase or prepay such Term Loan by paying the lowest of (x) the principal amount thereof, (y) the amount that such Disqualified Institution paid to acquire such Term Loans and (z) the market price of such Term Loans, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder and/or (C) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 10.07), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lowest of (x) the principal amount thereof, (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations and (z) the market price of such Term Loans, in each case *plus* accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder. To the extent that any participation is purported to be made to any Person that was (at the time of such participation) a Net Short Lender on a pro forma basis for such participation, such transaction shall be subject to the applicable provisions of Section 10.25 (and the Borrowers shall be entitled to seek specific performance in any applicable court of law or equity to enforce this sentence).

Section 10.08 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information, except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, trustees, representatives and agents, including accountants, legal counsel and other advisors and service providers on a need-to-know basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential in accordance with customary practices); (b) to the extent requested by any regulatory authority having or claiming to have jurisdiction over such Agent, Lender or its respective Affiliates or in connection with any pledge or assignment permitted under clause (f) below; (c) in any legal, judicial, administrative proceeding or other compulsory process or otherwise as required by applicable Laws or regulations or by any subpoena or similar legal process, in each case based upon the reasonable advice of the disclosing Agent's or Lender's legal counsel (in which case the disclosing Agent or Lender, as applicable, agrees (except with respect to any audit or examination conducted by bank accountants or any governmental bank regulatory authority exercising examination or regulatory authority), to the extent not prohibited by applicable Law, to promptly notify the Parent Borrower prior to such disclosure); (d) to any other party to this Agreement; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same (or more restrictive) as those of this Section 10.08, to any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; provided that no such disclosure shall be made by such Lender or such Agent or any of their respective Affiliates to

any such Person that is a Disqualified Institution (but with respect to any Lender and its Affiliates, only to the extent the list of Disqualified Institutions has been made available to such Lender, and other than a Net Short Lender that provides a Net Short Representation at the time of such disclosure); (g) with the written consent of Holdings; (h) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (i) to any state, federal or foreign authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Agent or Lender or any Affiliate of any Agent or Lender; (j) to any rating agency or the CUSIP Service Bureau or any similar agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Agent or Lender); (k) to any contractual counterparty (or prospective contractual counterparty) in any swap, hedge, or similar agreement or to any such contractual counterparty's (or prospective contractual counterparty's) professional advisor (other than a Disqualified Institution (but with respect to any Lender, only to the extent the list of Disqualified Institutions has been made available to such Lender, and other than a Net Short Lender that provides a Net Short Representation at the time of such disclosure)) and (l) in connection with any pledge or assignment pursuant to Sections 10.07(f) or (j), provided that such pledgee or assignee is directed to abide by the confidentiality provisions of this Section 10.08. In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions; provided that such Person is advised and agrees to be bound by the provisions of this Section 10.08.

For the purposes of this Section 10.08, "Information" means all information received from any Loan Party or any Subsidiary thereof relating to any Loan Party or any Subsidiary thereof or their respective businesses, other than any such information that (i) is publicly available to any Agent or any Lender, or any of their respective Affiliates, prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08 by such Lender or Agent, or such respective Affiliate, (ii) was already known to or in possession of Agent, any Lender or any of their respective Affiliates, (iii) is obtained by Agent or any Lender or any of their respective Affiliates from a third party who is not known by such Agent, such Lender or such respective Affiliate to be prohibited from disclosing the information to such party by a contractual, legal or fiduciary obligation to a Loan Party or any Subsidiary thereof, or (iv) is independently developed, discovered or arrived at by Agent or any Lender or any of their respective Affiliates. Any Person required to maintain the confidentiality of Information as provided in this Section 10.08 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Agent, each Lender and each L/C Issuer acknowledges that (i) the Information may include material non-public information concerning Holdings or any of its Subsidiaries, (ii) it has developed compliance procedures regarding the use of material non-public information and (iii) it will handle such material non-public information in accordance with applicable Law, including United States federal and state securities Laws.

EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN THIS SECTION 10.08 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS, THE BORROWERS AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWERS OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS OR ANY OF ITS SUBSIDIARIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWERS AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

Section 10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Secured Party is authorized at any time and from time to time, without prior notice to the Parent Borrower or any other Loan Party, any such notice being waived by Holdings (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in any currency), other than deposits in fiduciary accounts as to which a Loan Party is acting as fiduciary for another Person who is not a Loan Party and other than payroll or trust fund accounts, at any time held by, and other Indebtedness (in any currency) at any time owing by, such Lender to or for the credit or the account of the respective Loan Parties against any and all Obligations owing to such Secured Party hereunder or under any other Loan Document (or other Secured Document (as defined in the Security Agreement)), now or hereafter existing, irrespective of whether or not such Agent or such Lender shall have made demand under this Agreement or any other Loan Document (or other Secured Document (as defined in the Security Agreement)) and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such Indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Secured Party agrees promptly to notify the Parent Borrower and the Administrative Agent after any such set-off and application made by such Secured Party; provided, however, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and each Secured Party under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent and such Secured Party may have. Notwithstanding anything herein or in any other Loan Document to the contrary, in no event shall the assets of any Controlled Foreign Subsidiary or FSHCO (or other Excluded Property) constitute security for payment of the Obligations of the Borrower, it being understood that (a)(i) the Capital Stock of any Controlled Foreign Subsidiary or FSHCO that is directly owned by a Borrower or a Subsidiary Guarantor does not constitute such an asset, and may be pledged, to the extent set forth in Section 6.12 and (ii) proceeds of Excluded Property shall constitute security for payment of the Obligations of the Borrowers (unless such proceeds would constitute Excluded Property) and (b) the provisions hereof shall not limit, reduce or otherwise diminish in any respect the Borrowers' obligations to make any mandatory prepayment pursuant to Section 2.05(b)(ii).

Section 10.10 Interest Rate Limitation. Notwithstanding anything to the contrary in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.11 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts (and by different parties hereto in different counterparts), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually-signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

Section 10.12 Integration; Effectiveness. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. In the event of any conflict between the

provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof. Except as provided in Section 4.01 or Section 4.02, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto as of the date hereof.

Section 10.13 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation (other than contingent indemnification or other obligations and obligations and liabilities under Secured Cash Management Agreements and Secured Hedge Agreements) hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding (other than Letters of Credit which have been Cash Collateralized).

Section 10.14 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.14, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.15 Governing Law; Jurisdiction; Etc.

(a) Governing Law. THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT (OTHER THAN WITH RESPECT TO ANY COLLATERAL DOCUMENTS TO THE EXTENT EXPRESSLY PROVIDED OTHERWISE THEREIN) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE CONFLICTS OF LAWS PRINCIPLES THEREOF, BUT INCLUDING SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

(b) Submission to Jurisdiction. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK CITY IN THE BOROUGH OF MANHATTAN AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN WITH RESPECT TO ANY COLLATERAL DOCUMENT TO THE EXTENT EXPRESSLY PROVIDED OTHERWISE THEREIN), OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT, ANY LENDER OR ANY L/C ISSUER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) Waiver of Venue. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN SECTION 10.15(b). EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

Section 10.16 Service of Process. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 10.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.17 Waiver of Right to Trial by Jury. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 10.18 Binding Effect. When this Agreement shall have become effective in accordance with Section 10.12, it shall thereafter shall be binding upon and inure to the benefit of Holdings, the Borrowers, each Agent and each Lender and their respective successors and permitted assigns, except that the Borrowers shall not have the right to assign their rights hereunder or any interest herein without the prior written consent of the Lenders, except as permitted by Section 7.03.

Section 10.19 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrowers and Holdings acknowledge and agree, and each of them acknowledge its Subsidiaries' understanding and acknowledge and agree that it has informed their other Affiliates, that: (i) (A) no Secured Party will have any obligations except those obligations expressly set forth herein and no fiduciary, advisory or agency relationship between any of Holdings and its Subsidiaries and any Agent or any Arranger (or their respective Affiliates) is intended to be or has been created in respect of any of the transactions contemplated hereby and by the other Loan Documents, irrespective of whether any Agent or any Arranger (or their respective Affiliates) has advised or is advising Holdings and its Subsidiaries on other matters, (B) the arranging and other services regarding this Agreement provided by the Agents and the Arrangers (or their respective Affiliates) are arm's-length commercial transactions between Holdings and its Subsidiaries, on the one hand, and the Agents and the Arrangers (or their respective Affiliates), on the other hand and no Secured Party is acting as a financial advisor or a fiduciary to, or an agent of the Borrowers or any other person, (C) no Secured Party is advising the Borrowers as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction and the Borrowers shall consult with its own advisors concerning such matters and shall be responsible for making their own independent investigation and appraisal of the transactions contemplated hereby, and the Secured Parties shall have no responsibility or liability to the Borrowers with respect thereto, and (D) the Borrowers and Holdings are capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each Agent and Arranger (or their respective Affiliates) is and has been acting solely as a principal and, except as may otherwise be expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for Holdings or the Borrowers or any of their respective Affiliates, or any other Person

and (B) neither any Agent nor any Arranger has any obligation to Holdings or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) each Secured Party and its Affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrowers may have conflicting interests regarding the transactions described herein and otherwise; that no Secured Party will use confidential information obtained from the Borrowers by virtue of the transactions contemplated by the Loan Documents or its other relationships with the Borrowers in connection with the performance by such Secured Party of services for other companies, and no Secured Party will furnish any such information to other companies and that no Secured Party has any obligation to use in connection with the transactions contemplated by the Loan Documents, or to furnish to the Borrower, confidential information obtained from other companies. The Borrowers agree that they will not assert any claim against any Secured Party based on an alleged breach of fiduciary duty by such Secured Party in connection with this Agreement or the other Loan Documents and the transactions contemplated hereby.

Section 10.20 Affiliate Activities. The Borrowers and Holdings acknowledge that each Agent and each Arranger (and their respective Affiliates) is a full service securities firm engaged, either directly or through affiliates, in various activities, including securities trading, investment banking and financial advisory, investment management, principal investment, hedging, financing and brokerage activities and financial planning and benefits counseling for both companies and individuals. In the ordinary course of these activities, any of them may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and/or financial instruments (including bank loans) for their own account and for the accounts of customers and may at any time hold long and short positions in such securities and/or instruments. Such investment and other activities may involve securities and instruments of Holdings and its Affiliates, as well as of other entities and persons and their Affiliates which may (i) be involved in transactions arising from or relating to the engagement contemplated hereby and by the other Loan Documents, (ii) be customers or competitors of Holdings and its Affiliates or (iii) have other relationships with Holdings and its Affiliates. In addition, it may provide investment banking, underwriting and financial advisory services to such other entities and persons. It may also co-invest with, make direct investments in, and invest or co-invest client monies in or with funds or other investment vehicles managed by other parties, and such funds or other investment vehicles may trade or make investments in securities of Holdings and its Affiliates or such other entities. The transactions contemplated hereby and by the other Loan Documents may have a direct or indirect impact on the investments, securities or instruments referred to in this clause.

Section 10.21 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “signed,” “signature,” and words of like import in any Loan Document, any Assignment and Assumption, any Committed Loan Notice or any amendment or other modification hereof or thereof (including waivers and consents) shall be deemed to include Electronic Signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; *provided* that the Administrative Agent shall be permitted to reasonably request original signatures with respect to any Loan Document.

Section 10.22 USA PATRIOT Act. Each Lender that is subject to the PATRIOT Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001, as amended from time to time)) (the “PATRIOT Act”), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the PATRIOT Act. Each Loan Party shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the PATRIOT Act.

Section 10.23 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is

given. The obligation of the Borrowers in respect of any such sum due from them to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Parent Borrower (or to any other Person who may be entitled thereto under applicable Law).

Section 10.24 Acknowledgement and Consent to Bail-In of Affected Financial Institutions Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
  - (i) a reduction in full or in part or cancellation of any such liability;
  - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
  - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 10.25 Disqualified Lenders and Net Short Positions. No Net Short Lender shall have the right to approve or disapprove any amendment, waiver or consent pursuant to Section 10.01 or under any Loan Document. In connection with any determination as to whether the requisite Lenders (including whether the Required Lenders or Required Facility Lenders) have provided any amendment, waiver or consent pursuant to Section 10.01 or under any other Loan Document:

- (a) Net Short Lenders shall not be considered, and
- (b) Net Short Lenders shall be deemed to have consented to any such amendment, waiver or consent with respect to its interest as a Lender in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders.

Each Lender that is not an Unrestricted Lender that delivers a written consent to any amendment, waiver or consent pursuant to Section 10.01 or under any other Loan Document shall concurrently deliver (or in the absence of any written Net Short Representation will be deemed to have delivered, concurrently with providing such consent) to the Borrowers (with a copy to the Administrative Agent) a Net Short Representation.

Section 10.26 Acknowledgement Regarding Any Supported QFCs To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contract or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.26, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8) (D).

# DIRECTOR NOMINATION AGREEMENT

THIS DIRECTOR NOMINATION AGREEMENT (this “Agreement”) is made and entered into as of [●], 2020, by and among Maravai LifeSciences Holdings, Inc., a Delaware corporation (the “Company”), Maravai Life Sciences Holdings, LLC, a Delaware limited liability company (“MLSH 1”), Maravai Life Sciences Holdings 2, LLC, a Delaware limited liability company (“MLSH 2”), GTCR Fund XI/C LP, a Delaware limited partnership, GTCR Fund XI/B LP, a Delaware limited partnership, GTCR Co-Invest XI LP, a Delaware limited partnership, GTCR Partners XI/A&C LP, a Delaware limited partnership, GTCR Partners XI/B LP, a Delaware limited partnership and GTCR Investment XI LLC, a Delaware limited liability company (collectively, “GTCR”). This Agreement shall be effective from the date hereof (the “Effective Date”).

WHEREAS, as of the date hereof, GTCR beneficially owns a majority of the equity interests in the Company;

WHEREAS, GTCR is contemplating causing the Company to effect an initial public offering (the “IPO”);

WHEREAS, GTCR currently has the authority to appoint all directors of the Company;

WHEREAS, in consideration of GTCR agreeing to undertake the IPO, the Company has agreed to permit GTCR to designate persons for nomination for election to the board of directors of the Company (the “Board”) following the Effective Date on the terms and conditions set forth herein;

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each of the parties to this Agreement agrees as follows:

## 1. Board Nomination Rights.

(a) From the Effective Date, GTCR shall have the right, but not the obligation, to nominate to the Board a number of designees equal to at least: (i) 100% of the Total Number of Directors (as defined below), so long as GTCR Beneficially Owns shares of Class A common stock, par value \$0.01 per share (the “Class A common stock”) and the Company’s Class B common stock, par value \$0.01 per share (the “Class B common stock”) and together with the Class A common stock, the “Common Stock”) representing at least 40% of the Original Amount of GTCR, (ii) 40% of the Total Number of Directors, in the event that GTCR Beneficially Owns shares of Common Stock representing at least 30% but less than 40% of the Original Amount of GTCR, (iii) 30% of the Total Number of Directors, in the event that GTCR Beneficially Owns shares of Common Stock representing at least 20% but less than 30% of the Original Amount of GTCR, (iv) 20% of the Total Number of Directors, in the event that GTCR Beneficially Owns shares of Common Stock representing at least 10% but less than 20% of the Original Amount of GTCR and (v) one Director, in the event that GTCR Beneficially Owns shares of Common Stock representing at least 5% of the Original Amount of GTCR (such persons, the “Nominees”). For

purposes of calculating the number of directors that GTCR is entitled to designate pursuant to the immediately preceding sentence, any fractional amounts shall automatically be rounded up to the nearest whole number (e.g., 1 1/4 Directors shall equate to 2 Directors) and any such calculations shall be made after taking into account any increase in the Total Number of Directors.

(b) In the event that GTCR has nominated less than the total number of designees, GTCR shall be entitled to nominate pursuant to Section 1(a), GTCR shall have the right, at any time, to nominate such additional designees to which it is entitled, in which case, the Company and the Directors shall take all necessary corporation action, to the fullest extent permitted by applicable law (including with respect to fiduciary duties under Delaware law), to (x) enable GTCR to nominate and effect the election or appointment of such additional individuals, whether by increasing the size of the Board, or otherwise and (y) to designate such additional individuals nominated by GTCR to fill such newly created vacancies or to fill any other existing vacancies.

(c) In addition to the nomination rights set forth in Section 1(a) above, from the Effective Date, for so long as GTCR Beneficially Owns shares of Common Stock representing at least 5% of the Original Amount of GTCR, GTCR shall have the right, but not the obligation, to designate a person (a "Non-Voting Observer") to attend meetings of the Board (including any meetings of any committees thereof) in non-voting observer capacity. Any such Non-Voting Observer shall be permitted to attend all meetings of the Board. GTCR shall have the right to remove and replace its Non-Voting Observer at any time and from time to time. The Company shall furnish to any Non-Voting Observer (i) notices of Board meetings no later than, and using the same form of communication as, notice of Board meetings are furnished to directors and (ii) copies of any materials prepared for meetings of the Board that are furnished to the directors no later than the time such materials are furnished to the directors; provided that failure to deliver notice, or materials, to such Non-Voting Observer in connection with such Non-Voting Observer's right to attend and/or review materials with respect to, any meeting of the Board shall not, by itself, impair the validity of any action taken by such Board at such meeting. Such Non-Voting Observer shall be required to execute or otherwise become subject to any codes of conduct or confidentiality agreements of the Company generally applicable to directors of the Company or as the Company reasonably requests. Notwithstanding the foregoing, the Company reserves the right to withhold any information and to exclude the Non-Voting Observer from receiving any materials and/or attending any meeting or portion thereof if access to such information or attendance at such meeting could adversely affect the attorney-client privilege between the Company and its counsel.

(d) The Company shall pay all reasonable out-of-pocket expenses incurred by the Nominees and the Non-Voting Observer in connection with the performance of his or her duties as a director or a Non-Voting Observer and in connection with his or her attendance at any meeting of the Board.

(e) "Affiliate" of any person shall mean any other person controlled by, controlling or under common control with such person; where "control" (including, with its correlative meanings, "controlling," "controlled by" and "under common control with") means possession, directly or indirectly, of power to direct or cause the direction of management or policies (whether through ownership of securities, by contract or otherwise).

(f) “Beneficially Own” shall mean that a specified person has or shares the right, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, to vote shares of capital stock of the Company.

(g) “Director” means any member of the Board.

(h) “Original Amount of GTCR” means the aggregate number of shares of Common Stock held, directly or indirectly, by GTCR on the date hereof, as such number may be adjusted from time to time for any reorganization, recapitalization, stock dividend, stock split, reverse stock split or other similar changes in the Company’s capitalization.

(i) “Total Number of Directors” means the total number of Directors comprising the Board.

(j) No reduction in the number of shares of Common Stock that GTCR Beneficially Owns shall shorten the term of any incumbent director. At the Effective Date, the Board shall be comprised of [●] members and the initial Nominees shall be [●].

(k) In the event that any Nominee shall cease to serve for any reason, GTCR shall be entitled to designate such person’s successor in accordance with this Agreement (regardless of GTCR’s beneficial ownership in the Company at the time of such vacancy) and the Board shall promptly fill the vacancy with such successor nominee; it being understood that any such designee shall serve the remainder of the term of the director whom such designee replaces.

(l) If a Nominee is not appointed or elected to the Board because of such person’s death, disability, disqualification, withdrawal as a nominee or for other reason is unavailable or unable to serve on the Board, GTCR shall be entitled to designate promptly another nominee and the director position for which the original Nominee was nominated shall not be filled pending such designation.

(m) So long as GTCR has the right to nominate Nominees under Section 1(a) or any such Nominee is serving on the Board, the Company shall use its reasonable best efforts to maintain in effect at all times directors and officers indemnity insurance coverage reasonably satisfactory to GTCR, and the Company’s Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws (each as may be further amended, supplemented or waived in accordance with its terms) shall at all times provide for indemnification, exculpation and advancement of expenses to the fullest extent permitted under applicable law.

(n) If the size of the Board is expanded, GTCR shall be entitled to nominate a number of Nominees to fill the newly created vacancies such that the total number of Nominees serving on the Board following such expansion will be equal to that number of Nominees that GTCR would be entitled to nominate in accordance with Section 1(a) if such expansion occurred immediately prior to any meeting of the stockholders of the Company called with respect to the election of members of the Board, and the Board shall appoint such Nominees to the Board.

(o) At such time as the Company ceases to be a “controlled company” and is required by applicable law or the NASDAQ Global Select Market (the “Exchange”) listing standards to have a majority of the Board comprised of “independent directors” (subject in each case to any applicable phase-in periods), GTCR’s Nominees shall include a number of persons that qualify as “independent directors” under applicable law and the Exchange listing standards such that, together with any other “independent directors” then serving on the Board that are not Nominees, the Board is comprised of a majority of “independent directors.”

(p) At any time that GTCR shall have any nomination rights under Section 1, the Company shall not take any action, including making or recommending any amendment to the Certificate of Incorporation or the Company’s bylaws that could reasonably be expected to adversely affect GTCR’s rights under this Agreement, in each case without the prior written consent of GTCR.

2. Company Obligations. The Company agrees to use its reasonable best efforts to ensure that prior to the date that GTCR and its Affiliates cease to Beneficially Own shares of Common Stock representing at least 5% of the total voting power of the then outstanding Common Stock, (i) each Nominee is included in the Board’s slate of nominees to the stockholders (the “Board’s Slate”) for each election of directors; and (ii) each Nominee is included in the proxy statement prepared by management of the Company in connection with soliciting proxies for every meeting of the stockholders of the Company called with respect to the election of members of the Board (each, a “Director Election Proxy Statement”), and at every adjournment or postponement thereof, and on every action or approval by written consent of the stockholders of the Company or the Board with respect to the election of members of the Board. GTCR will promptly provide reporting to the Company after GTCR ceases to Beneficially Own shares of Common Stock representing at least 5% of the total voting power of the then outstanding Common Stock, such that Company is informed of when this obligation terminates. The calculation of the number of Nominees that GTCR is entitled to nominate to the Board’s Slate for any election of directors shall be based on the percentage of the total voting power of the then outstanding Common Stock then Beneficially Owned by GTCR (“GTCR Voting Control”) immediately prior to the mailing to shareholders of the Director Election Proxy Statement relating to such election (or, if earlier, the filing of the definitive Director Election Proxy Statement with the U.S. Securities and Exchange Commission). Unless GTCR notifies the Company otherwise prior to the mailing to shareholders of the Director Election Proxy Statement relating to an election of directors, the Nominees for such election shall be presumed to be the same Nominees currently serving on the Board, and no further action shall be required of GTCR for the Board to include such Nominees on the Board’s Slate; provided, that, in the event GTCR is no longer entitled to nominate the full number of Nominees then serving on the Board, GTCR shall provide advance written notice to the Company, of which currently servicing Nominee(s) shall be excluded from the Board Slate, and of any other changes to the list of Nominees. If GTCR fails to provide such notice prior to the mailing to shareholders of the Director Election Proxy Statement relating to such election (or, if earlier, the filing of the definitive Director Election Proxy Statement with the U.S. Securities and Exchange Commission), a majority of the independent directors then serving on the Board shall determine which of the Nominees of GTCR then serving on the Board will be included in the Board’s Slate. Furthermore, the Company agrees for so long as the Company qualifies as a “controlled company” under the rules of the Exchange the Company will elect to be a “controlled company” for purposes of the

Exchange and will disclose in its annual meeting proxy statement that it is a “controlled company” and the basis for that determination. The Company and GTCR acknowledge and agree that, as of the Effective Date, the Company is a “controlled company.”

3. Committees. From and after the Effective Date hereof until such time as GTCR and its Affiliates cease to Beneficially Own shares of Common Stock representing at least 5% of the total voting power of the then outstanding Common Stock, GTCR shall have the right to designate a number of members of each committee of the Board equal to the nearest whole number greater than the product obtained by multiplying (a) the percentage of the total voting power of the then outstanding Common Stock then Beneficially Owned by GTCR and (b) the number of positions, including any vacancies, on the applicable committee, provided that any such designee shall be a director and shall be eligible to serve on the applicable committee under applicable law or listing standards of the Exchange, including any applicable independence requirements (subject in each case to any applicable exceptions, including those for newly public companies and for “controlled companies,” and any applicable phase-in periods). Any additional members shall be determined by the Board. Nominees designated to serve on a Board committee shall have the right to remain on such committee until the next election of directors, regardless of the level of GTCR Voting Control following such designation. Unless GTCR notifies the Company otherwise prior to the time the Board takes action to change the composition of a Board committee, and to the extent GTCR has the requisite GTCR Voting Control for GTCR to nominate a Board committee member at the time the Board takes action to change the composition of any such Board committee, any Nominee currently designated by GTCR to serve on a committee shall be presumed to be re-designated for such committee.

4. Amendment and Waiver. Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed, in the case of an amendment, by the Company and GTCR, or in the case of a waiver, by the party against whom the waiver is to be effective. No failure or delay by any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law. GTCR shall not be obligated to nominate all (or any) of the Nominees it is entitled to nominate pursuant to this Agreement for any election of directors but the failure to do so shall not constitute a waiver of its rights hereunder with respect to future elections; provided, however, that in the event GTCR fails to nominate all (or any) of the Nominees it is entitled to nominate pursuant to this Agreement prior to the mailing to shareholders of the Director Election Proxy Statement relating to such election (or, if earlier, the filing of the definitive Director Election Proxy Statement with the U.S. Securities and Exchange Commission), the Compensation and Governance Committee of the Board shall be entitled to nominate individuals in lieu of such Nominees for inclusion in the Board’s Slate and the applicable Director Election Proxy Statement with respect to the election for which such failure occurred and GTCR shall be deemed to have waived its rights hereunder with respect to such election. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

5. Benefit of Parties. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective permitted successors and assigns. Notwithstanding

the foregoing, the Company may not assign any of its rights or obligations hereunder without the prior written consent of GTCR. Except as otherwise expressly provided in Section 6, nothing herein contained shall confer or is intended to confer on any third party or entity that is not a party to this Agreement any rights under this Agreement.

6. Assignment. Upon written notice to the Company, GTCR may assign to any any Affiliate of GTCR (other than a portfolio company) all of its rights hereunder and, following such assignment, such assignee shall be deemed to be "GTCR" for all purposes hereunder.

7. Indemnification.

(a) The Company shall defend, indemnify and hold harmless GTCR, its Affiliates, partners, employees, agents, directors, managers, officers and controlling Persons (collectively, the "Indemnified Parties") from and against any and all actions, causes of action, suits, claims, liabilities, losses, damages, costs, expenses, or obligations of any kind or nature (whether accrued or fixed, absolute or contingent) in connection therewith (including reasonable attorneys' fees and expenses) incurred by the Indemnified Parties before or after the date of this Agreement (each, an "Action") arising directly or indirectly out of, or in any way relating to, (i) GTCR's or its Affiliates' Beneficial Ownership of Common Stock or other equity securities of the Company or control or ability to influence the Company or any of its subsidiaries (other than any such Actions (x) to the extent such Actions arise out of any breach of this Agreement by an Indemnified Party or its Affiliates or the breach of any fiduciary or other duty or obligation of such Indemnified Party to its direct or indirect equity holders, creditors or Affiliates or (y) to the extent such Actions are directly caused by such Person's willful misconduct), (ii) the business, operations, properties, assets or other rights or liabilities of the Company or any of its subsidiaries or (iii) any services provided prior, on or after the date of this Agreement by GTCR or its Affiliates to the Company or any of its subsidiaries. The Company shall defend at its own cost and expense in respect of any Action which may be brought against the Company and/or its Affiliates and the Indemnified Parties. The Company shall defend at its own cost and expense any and all Actions which may be brought in which the Indemnified Parties may be impleaded with others upon any Action by the Indemnified Parties, except that if such damage shall be proven to be the direct result of gross negligence, bad faith or willful misconduct by any of the Indemnified Parties, then such Indemnified Party shall reimburse the Company for the costs of defense and other costs incurred by the Company in proportion to such Indemnified Party's culpability as proven. In the event of the assertion against any Indemnified Party of any Action or the commencement of any Action, the Company shall be entitled to participate in such Action and in the investigation of such Action and, after written notice from the Company to such Indemnified Party, to assume the investigation or defense of such Action with counsel of the Company's choice at the Company's expense; provided, however, that such counsel shall be reasonably satisfactory to the Indemnified Party. Notwithstanding anything to the contrary contained herein, the Company may retain one firm of counsel to represent all Indemnified Parties in such Action; provided, however, that the Indemnified Party shall have the right to employ a single firm of separate counsel (and any necessary local counsel) and to participate in the defense or investigation of such Action and the Company shall bear the expense of such separate counsel (and local counsel, if applicable), if (x) in the opinion of counsel to the Indemnified Party use of counsel of the Company's choice could reasonably be expected to give rise to a conflict of interest, (y) the Company shall not have

employed counsel satisfactory to the Indemnified Party to represent the Indemnified Party within a reasonable time after notice of the assertion of any such Action or (z) the Company shall authorize the Indemnified Party to employ separate counsel at the Company's expense. The Company further agrees that with respect to any Indemnified Party who is employed, retained or otherwise associated with, or appointed or nominated by, GTCR or any of its Affiliates and who acts or serves as a director, officer, manager, fiduciary, employee, consultant, advisor or agent of, for or to the Company or any of its subsidiaries, that the Company or such subsidiaries, as applicable, shall be primarily liable for all indemnification, reimbursements, advancements or similar payments (the "Indemnity Obligations") afforded to such Indemnified Party acting in such capacity or capacities on behalf or at the request of the Company, whether the Indemnity Obligations are created by law, organizational or constituent documents, contract (including this Agreement) or otherwise. The Company hereby agrees that in no event shall the Company or any of its subsidiaries have any right or claim against GTCR for contribution or have rights of subrogation against GTCR through an Indemnified Party for any payment made by the Company or any of its subsidiaries with respect to any Indemnity Obligation. In addition, the Company hereby agrees that in the event that GTCR pay or advance an Indemnified Party any expenses with respect to an Indemnity Obligation, the Company will, or will cause its subsidiaries to, as applicable, promptly reimburse GTCR, for such payment or advance upon request; subject to the receipt by the Company of a written undertaking executed by the Indemnified Party and GTCR, that makes such payment or advance to repay any such amounts if it shall ultimately be determined by a court of competent jurisdiction that such Indemnified Party was not entitled to be indemnified by the Company. The foregoing right to indemnity shall be in addition to any rights that any Indemnified Party may have at common law or otherwise and shall remain in full force and effect following the completion or any termination of the engagement. If for any reason the foregoing indemnification is unavailable to any Indemnified Party or insufficient to hold it harmless as and to the extent contemplated by this Section 7, then the Company shall contribute to the amount paid or payable by the Indemnified Party as a result of such Action in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Indemnified Party, as the case may be, on the other hand, as well as any other relevant equitable considerations.

(b) The Company hereby acknowledges that the certain of the Indemnified Parties have certain rights to indemnification, advancement of expenses and/or insurance provided by investment funds managed by GTCR and certain of their Affiliates (collectively, the "Fund Indemnitors"). The Company hereby agrees with respect to any indemnification, hold harmless obligation, expense advancement or reimbursement provision or any other similar obligation whether pursuant to or with respect to this Agreement, the organizational documents of the Company or any of its subsidiaries or any other agreement, as applicable, (i) that the Company and its subsidiaries are the indemnitor of first resort (i.e., their obligations to the Indemnified Parties are primary and any obligation of the Fund Indemnitors to advance expenses or to provide indemnification for claims, expenses or obligations arising out of the same or similar facts and circumstances suffered by any Indemnified Party are secondary), (ii) that the Company shall be required to advance the full amount of expenses incurred by any Indemnified Party and shall be liable for the full amount of all expenses, liabilities, obligations, judgments, penalties, fines, and amounts paid in settlement to the extent legally permitted and as required by the terms of this Agreement, the organizational documents of the Company or any of its subsidiaries or any other agreement, as applicable, without regard to any rights any Indemnified Party may have against the

Fund Indemnitors, and (iii) that the Company, on behalf of itself and each of its subsidiaries, irrevocably waives, relinquishes and releases the Fund Indemnitors from any and all Actions against the Fund Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. The Company further agrees that no advancement or payment by the Fund Indemnitors on behalf of any Indemnified Party with respect to any Action for which any Indemnified Party has sought indemnification from the Company shall affect the foregoing and the Fund Indemnitors shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of any Indemnified Party against the Company. The Company agrees that the Fund Indemnitors are express third-party beneficiaries of the terms of this Section 7(b).

8. Headings. Headings are for ease of reference only and shall not form a part of this Agreement.

9. Governing Law. This Agreement shall be construed in accordance with and governed by the law of the State of Delaware without giving effect to the principles of conflicts of laws thereof.

10. Jurisdiction. Any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement may be brought against any of the parties in any federal court located in the State of Delaware or any Delaware state court, and each of the parties hereby consents to the exclusive jurisdiction of such court (and of the appropriate appellate courts) in any such suit, action or proceeding and waives any objection to venue laid therein. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each of the parties agrees that service of process upon such party at the address referred to in Section 16, together with written notice of such service to such party, shall be deemed effective service of process upon such party.

11. WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT.

12. Entire Agreement. This Agreement constitutes the entire agreement among the parties with respect to the subject matter hereof and supersedes all prior agreements, understandings and negotiations, both written and oral among the parties with respect to the subject matter hereof.

13. Counterparts; Effectiveness. This Agreement may be signed in any number of counterparts, each of which shall be deemed an original. This Agreement shall become effective when each party shall have received a counterpart hereof signed by each of the other parties. An executed copy or counterpart hereof delivered by facsimile shall be deemed an original instrument.

14. Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provisions to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

15. Further Assurances. Each of the parties hereto shall execute and deliver such further instruments and do such further acts and things as may be required to carry out the intent and purpose of this Agreement.

16. Specific Performance. Each of the parties hereto agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof in any federal or state court located in the State of Delaware, in addition to any other remedy to which they are entitled at law or in equity.

17. Notices. All notices, requests and other communications to any party or to the Company shall be in writing (including telecopy or similar writing) and shall be given,
